## FIELD DAY FESTIVAL SET FOR MONDAY

### One Party In Power Too Long, Says Ike

Abilene, Kan. (Eisenhower Day) "One party has been in power too long in this country," Dwight D. Eisenhower, Republican candidate for President, declared in his maiden political speech which set the tone of his campaign. "Political health is endangered if one party becomes permanently or too long entrenched in power," he said at a two day Homecoming Celebration here.

On corruption in government he asserted: "When every citizen participates in every election process... or if any unworthy men, by deceit, gain official influence and are bold enough to practice their evil ways, punishment must be swift and severe."

"To remain strong spiritually," he said, "we must first remember that free government is the political expression of a deeply religious faith."

Striking at bureaucracy vebly pra Striking at bureaucracy he said it is "an evil which threatens us in the gradual absorption by the central government of functions that belong to local communities and to individuals."

"Our first need," he added, "is to promote efficiency of government within the framework of the Constitution. A second evil is the continued shrinkage in the value of money—inflation, which fattens on the unbalanced budgets. Inflation dooms the farmer and the city dweller alike to a hopeless treadmill race against the cost of living. Firm action to bring the national budget under control is the first step back to a sound dollar."

"The next danger is excessive taxation—long continued taxes that are only a little below the confiscatory level will destroy free government. In a world threatened by war, a great proportion of these are inescapable... but because necessary expenditures are so great it becomes doubly necessary to see that waste, duplication and extra-extravagance are eliminated," Eisenhower stated.

On international affairs, he charged that "China was lost to the free world in one of the greatest disasters of our times—a type of tragedy that must not be repeated. The mystery must be removed from foreign relations—our essential requirements and objectives must be clearly set forth."

"Americans instinctively and properly dread the kind of secrecy that surrounded Yalta," Eisenhower declared.

He re-affirmed the need of continued resistance to Communism abroad through the development of adequate military and economic strength, but he warned: "It is clear that the rate and duration of our expenditures of this kind must always be the concern of enlightened citizens. A bankrupt America would mean the loss of all we hold dear and would leave much of the world almost naked before Kremlin menace."

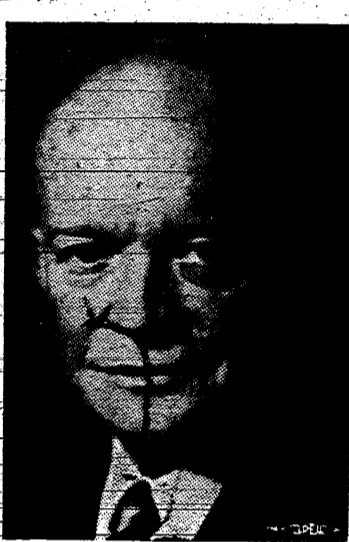

### Local Dealer Receives Four Letter Award For Fourth Year

We were interested to note that Carl M. Schable, Inc. again received the 4-letter award from the Ford Motor Company. This makes the fourth successive year for the local Ford Dealer. The award was made at a dinner at Smiggins, at Ypsilanti given by the management for the Ford garage employees and their wives or husbands.

The award was made by District Manager C. Ewers. Other Ford representatives present included Herman Haga, car distributor for the Dearborn District, Robert Funk service manager for the Dearborn District, Pete Zone, manager, and Jake Wardwell, business manager for the Dearborn district.

The F. M. S. F. (Ford Must Stand First) Award is given on the basis of a Finance sound management is efficient; spirit always competitive; facilities completely modern.

Mr. and Mrs. Ben Marshall, Mr. and Mrs. Paul Marshall and daughter Joyce, Mr. and Mrs. Laurel Breitenwischer and daughter Marilyn and Carol Ann spent Sunday at the home of Mr. and Mrs. Kenneth Bentley at Pontiac.

Gen. Dwight D. Eisenhower

### Childrens Day Program At Sharon Church

The Childrens Day program will be held at the Sharon Evangelical United Brethren church on Sunday, June 15, at 10:30 a. m.

Mr. and Mrs. George Van Sickle were called to North Salem, Indiana because of the death of his grandfather George Van De Griff. They returned home on Sunday.

### Thomas Way Graduates At Cincinnati

A Manchester student at Xavier University, Cincinnati, Ohio, Thomas Frederick Way will receive a Bachelor of Science degree at Xavier's 114th annual commencement exercises Wednesday, June 4, in the Fieldhouse. His class of '52 is the second largest in the 121 year history of the Jesuit university, with over 400 students slated to receive degrees and certificates.

Son of Mr. and Mrs. Orville M. Way, 705 City Road, young Way majored in chemistry at Xavier. He is a graduate of Manchester Public High School.

### Cubs Given Awards At Pack Meeting

Manchester Cubs held final pack meeting of the year at the Emanuel church hall with approximately 65 present at the potluck supper after which awards were presented by the cubmaster, Erwin Huber to the following boys:

Wolf Badges: Ronald Mann, Donald Cox, Richard Cox, John Ball, Guy Gilber, Richard Mingus, Arthur Holstein, Douglas Higgins and John Wallace.

Bear Badges: Ronald Powers, Richard Cox, Ronald Walter, Gary Hamilton, Neil Knouase, and Terry Huber.

Service pins were given to Michael Walsh, Ralph England, Ronald Mann and Gary Hamilton.

Gold Arrows were presented to David Walton, Ronald Powers, Richard Cox.

Mrs. Thomas Walton and Mrs. Erwin Huber were given denim mother pins for service. Games were played by the parents and children directed by Mrs. John Wallace, jr., Mrs. Arthur Holstein, Mrs. Erwin Huber and Mrs. Thomas Walton.

Gordon Vacek, son of Mr. and Mrs. Walter Vacek was accepted as a new member of the cubs. Rev. Karl Rest and son Allen were guests of the group at the dinner meeting. Fathers of cubs assisted with the serving.

### Two Christened At Emanuel Church

On Sunday, June 8, William Dennis, son of Mr. and Mrs. Monte Fortman of Norvell and Betty Lee, daughter of Mr. and Mrs. Robert Jacob of Parma were baptised at the Emanuel Evangelical and Reformed church here by the Rev. Karl H. A. Rest.

Following the christening Mr. and Mrs. Gottlieb entertained 23 guests at their farm home in Sharon honoring the baptism of their two grandchildren—Betty Lee Jacob and William Dennis Fortman.

### The Main Street

Alger Clark, jr. is now stationed at the Naval Air Base in Florida and his new address is Alger T. A. Clark, Jr. B. M. G. S. A-32 6-77-98, X.P.C. NAS 601, Pensacola, Florida.

Audrey Weed, who graduated in the Class of '52 has accepted a position as cashier at the Elaine Shop at Jackson for the summer months. She plans to enter college in the fall.

According to Mrs. James Cannon and Mrs. Stephen Krayein, ladies in charge of the bake sale for the Ford Recreation Fund, the bake sale netted \$100.04 which was very good considering that there were two bake sales in town the same day.

One of our neighbors—Don Fielder of Fielders Mobil Service, has been absent at the station for a week while he was vacationing at Sioux City, Iowa.

Two of our local grade teachers, Mrs. Leo Scully and Mrs. Birdella Flood, will be going back to summer school again this year—June 18th is the date.

The Manchester Fire Department was called out late last Saturday afternoon to the home of Gayle Adair at 10385 M-11 when a water heater exploded. No serious damage resulted and the fire was out when the department arrived.

While shearing sheep near Caro last week Robert Kirk helped move a tractor which had fallen and pinned a twelve year old boy under it. The boy apparently died from suffocation.

A new star route mail service between Detroit, Tecumseh and Adrian was inaugurated last Sunday. The mail truck arrives in Tecumseh daily from Detroit at 6 a. m. and again at 3:15 p. m. The truck from Adrian to Detroit arrives at 7 p. m. This service augments the star route which has operated for years between Adrian, Tecumseh, Clinton and Manchester. This truck arrives about 8:20 at Tecumseh.

MRS. KENNETH HELKAA

### Manchester Girl Recent Bride

Joan Jenkins, daughter of Mr. and Mrs. Stanley Jenkins of Manchester became the bride of Kenneth Helkaa, son of Mr. and Mrs. Millard Helkaa of Wayne at a double-ring candle-light service held at the First Baptist church at Ypsilanti on Saturday May 31. The Rev. William R. Shaw officiated at the service.

For her wedding the bride chose a gown of white Chantilly lace over satin which featured a fitted bodice, yoke of illusion, long sleeves which ended in points over the wrists and a full waltz length skirt. Her fingertip veil fell from a tiara of seed pearls and she carried a cascade of white roses and carnations.

Janice Jenkins of Manchester was her sister's maid of honor. Her gown was of orchid embroidered net with a full skirt, fitted bodice and a removable cape. She carried a bouquet of yellow and white roses.

Wilma Godden of Ypsilanti and Mrs. Glen Severance of Wayne, sister of the bridegroom were the bridesmaids. Their gowns were aqua and yellow respectively, styled like that of the maid of honor. Their bouquets were of pink and white carnations and pink roses.

Kathy Jenkins, cousin of the bride, of Otsego, was the flower girl. Her gown was fashioned like that of the bride and she carried a basket of rose petals.

William Wilcox, of Wayne, uncle of the bridegroom was the best man and seating the guests were Gene Domanke and Daniel Woodruff.

Leonard Stark of Manchester sang "I Love You Truly" and "Because."

A reception for 150 guests followed at the church parlors. Mrs. Horace Godden of Ypsilanti poured assisted by Miss Helen McCalla and Mrs. Harold Sole of Ypsilanti. Miss Marion Gieske of Manchester had charge of the guest book.

For going away the bride was attired in a royal blue suit with white accessories and the corsage from the bridal bouquet. After a trip through northern Michigan the couple will make their home at 811 Washtenaw Avenue, Ypsilanti. The bride graduated from Manchester high school and Cleary Business College and is employed as accountant at Ypsilanti State Normal College. The bridegroom graduated from Ypsilanti State Normal and is a teacher at Addison high school.

For the wedding both the bride's mother and the bridegroom's mother chose aqua dresses with white accessories and corsages of red roses.

The church was decorated with ferns and white glads. Gene Whiteman son of Mr. and Mrs. Allan Whiteman is spending this week at Porcupine Mountains.

### Maccabees To Hold Family Night

The Maccabees will hold a family night on Monday, June 16th at 7 o'clock at the Legion Hall. A potluck supper will be held and the committee and officers are planning on having a very good attendance at that time. Families of Maccabee members are urged to attend as an enjoyable evening has been planned. Everyone should come prepared to eat and bring all the children.

### Coming Events

Thursday of this week is the picnic date for the members of the Young Peoples League of Emanuel church of Manchester. The Youth Fellowship of St. Paul's Saline, will be guests of the Manchester group and in the afternoon plans have been made to take the group to Wamples Lake for swimming and picnic. Those from Emanuel who wish to take in the swimming are asked to meet at the church at 5:30 p. m.

Tuesday, June 24, the Detroit Edison Company is entertaining the 4-H leaders and members of the electrical clubs for all counties in Southeastern Michigan in the Edison area. The picnic will be held at Belleville Pointe at 10 a. m. Lunch is furnished by the Edison Company to all 4-H electrical groups.

Thursday evening, June 12, St. Mary's Altar Society will meet with Mrs. O. M. Way.

The Ladies Arbeiter Society will hold their regular meeting Thursday, June 12, at 8 p. m. at their hall.

The Iron Creek Missionary Society will meet on Thursday, June 19, at 1:30 p. m. at the home of Mrs. Fred Binder.

Childrens Day service and Sunday school will be combined at the Iron Creek church at 10:30 a. m. Sunday, June 15th.

The Washtenaw County Brotherhood will meet at the Mooreville Methodist church Sunday, June 15, at 4 p. m. Rev. David Riedor of the Plymouth Baptist church will be the preacher.

The WSCS Book Study Club of the Methodist church will meet at the church on Tuesday, June 17, at 2 p. m. with Mrs. Clayton Parr general chairman.

On Wednesday, June 18, the regular meeting of the WSCS will be held at the church hall.

At 8 p. m. Wednesday there will be choir rehearsal at the Methodist church.

### Big Event For All Children, Age 5-14

#### Miss Stables Wed In Church Rites

Miss Charlotte Stables, teacher at the Manchester schools, became the bride of Dr. Earl L. Baker of Traverse City on Thursday, June 5th, at the First Congregational church at Traverse City at ten a. m. The service was performed by Dr. Howard Towne, pastor, before the immediate families.

The bride is the daughter of Mrs. James R. Stables of Traverse City and the late Mr. Stables.

For her wedding the bride chose an aqua palm beach suit with white accessories. Her corsage was pinocchio roses and her wrist watch was a gift of the bridegroom.

Mr. and Mrs. Hammond Mouch of Traverse City were the attendants. She wore a dusty pink suit with white accessories and a corsage of pinocchio roses and fuschias.

Following the service a wedding breakfast was served at Bellaw's Log Cabin Inn at Traverse City for the bridal party and guests.

After June 20th the couple will be at home at Baker's Acres, Route 4, Traverse City, following a wedding trip in northern Michigan.

The bride is a graduate of Michigan State Normal College, Ypsilanti, and has taught for several years in the Manchester intermediate schools. Dr. Baker was educated at the University of Chicago, University of Minnesota and American Conservatory of Music. He is an educator and author.

For her daughter's wedding the bride's mother was attired in a blue suit with white accessories and an orchid corsage.

#### Patricia Schwab Graduates From Nursing School

Miss Patricia Schwab, daughter of Mr. and Mrs. Joseph Schwab, graduated from Mercy School of Nursing, Saturday, June 7th. The commencement exercises were held in McAuley Auditorium at Mercy College in Detroit.

Graduating in a class of ninety-nine nurses, Miss Schwab received recognition for high scholastic achievement. She graduated from Manchester high school in 1948, and trained at St. Joseph's Mercy hospital in Ann Arbor.

Mr. and Mrs. Joseph Schwab and daughters Mary Ellen and Jacqueline attended the graduation exercises.

Swimming will again be Tuesday mornings and Wednesday and Thursday afternoons, starting on Tuesday, June 24th. The program is sponsored by the Red Cross and boys and girls 8 years or over are eligible. The permit which your parents must sign may be found elsewhere in this paper. Be sure yours is turned in to Mr. Mills before the first day of swimming.

The softball league will be formed on Tuesday, June 17th, at 1:30 p. m. at the athletic field. All boys 14 years of age or under are urged to attend so that teams can be selected. All girls interested in a softball league should meet Mr. Mills at the athletic field at 1:30 p. m. Wednesday. Other events for the senior groups will include tennis, badminton, horse shoes, bike hikes, croquet and other activities for which there is a demand.

#### Miss Stables Wed In Church Rites

The second annual Field Day Festival for the Manchester Summer Recreation Program will begin at 10:00 a. m. Monday, June 16, at the athletic field. Every boy and girl from the Manchester area through the 5 to 14 year age group is eligible for the Field Day events. All little folks who are old enough to attend kindergarten this fall may attend.

The participants will be divided into age groups as follows: Class A, 12 through 14 years; Class B, 9 through 11 years and Class C, 6 through 8 years. Special play events will be planned for the younger children.

The various events include high jumps, dashes, broad jumps, football, baseball and softball throws, sack races, three legged races, etc. These events will be run off between 10 and 12 o'clock.

Everyone including the volunteer helpers should bring his own lunch and be ready to eat between 12 and 1. Pop and ice cream will be furnished to the participants by the Recreation Committee.

Following lunch there will be a variety show. Special features for this show will be a rope twirling act by Carl Potts of Adrian, and a ventriloquist number by Marion McGiven of Jackson. Plans for the summer for both the junior and senior playgrounds will be announced at this time.

Volunteer help for the festival is being solicited. Any boys and girls over 15 years of age or adults who can help should contact Mr. Mills, the director (5711), or be at the athletic field by 9:30 Monday morning. In case of rain the festival will be postponed until Tuesday.

Due to illness Mrs. Robert Kuhl has been forced to resign as director of Junior playground. Mrs. Charles Mills, last year's director has accepted the position and will be ready to announce the program for the beginning week of the Junior playground on Monday. Regular Junior playground will start Tuesday morning at 9:30 and unless otherwise announced the hikes will be held on Friday as they have been other summers.

Swimming will again be Tuesday mornings and Wednesday and Thursday afternoons, starting on Tuesday, June 24th. The program is sponsored by the Red Cross and boys and girls 8 years or over are eligible. The permit which your parents must sign may be found elsewhere in this paper. Be sure yours is turned in to Mr. Mills before the first day of swimming.

High Taxes Bring Less Profit From Greater Sales

While the volume of manufacturing sales in the nation is increasing, profits after taxes are dropping.

Noting this trend, which was revealed in latest Government statistics, the Citizens Research Council of Michigan today declared.

"This is evidence that high Federal taxes on manufacturing businesses are reaching the point of diminishing returns both for the Government in tax revenues and for the American people in opportunity and jobs."

The Citizens Research Council said joint quarterly reports of the Federal Trade Commission and the Securities and Exchange Commission showed that in the 18 months between July 1, 1950 and December 31, 1951 the total net income after taxes of all manufacturing corporations in the country declined steadily in each quarter, except one, even though total sales kept increasing.

These reports revealed that while manufacturers' sales of all manufacturing corporations rose steadily from \$48,600,000,000 in the third quarter of 1950 to \$54,300,000,000 in the fourth quarter of 1951, their total quarterly net income after taxes actually declined from \$3,706,000,000 to \$2,600,000,000 in the same period. The percentage of net income after taxes to sales dropped from 7.64 to 4.80 per cent.

The smaller manufacturing businesses of the country, taken as a group, were revealed in these reports as faring even worse. Over the same period manufacturing corporations in

A "TOAST" TO JUNE DAIRY MONTH

20th Century-Fox Star Mitzi Gaynor raises a "toast" to June Dairy Month and the U. S. dairy industry as she drinks a glass of milk between "takes" in her Hollywood dressing room.

Dairy Month, June 1-30, a star in its own right on the American scene, is being staged for the 16th consecutive year. Its purpose is to further an even better understanding of the contribution dairy foods make to the nation's health and the stabilization of our economy.

About 10 million Americans gain livelihood from the production, processing and distribution of foods such as ice cream, milk, butter, cheese, evaporated milk and dry milk. The dairy industry contributes at least 10 billion dollars to national commerce.

Miss Gaynor will soon be seen in the motion picture comedy, "We're Not Married."

Dry Spell A simple, yet practical, way of determining whether a concrete floor is dry enough to paint is to lay a piece of linoleum three or four feet square on the floor. If, after two days, no dampness shows under it, it is dry enough to apply paint.

MANCHESTER ENTERPRISE Quality Printing for over 70 years

From where I sit... by Joe Marsh

"Good Neighbor Policy"

Remember one time when I told about the old loose-stone wall that separated Easy Roberts' property from Handy Peterson's?

That was when they decided they really didn't need the wall between them in the first place — so they simply stopped repairing it.

Now I hear where a fellow, who bought the old Johnson place, wants to buy all those stones. It seems he figures a stone wall is just what's needed on his property.

From where I sit, if that fellow wants to build himself a stone wall,

that's his business. But if it's not really serving any useful purpose he may sooner or later discover — just like Handy and Easy did — that he'd be just as well off without one. Even some old-fashioned walls of prejudice are disappearing — like those that would deny a person's right to a friendly glass of beer now and then. Most Americans are learning that "walls" can get in the way of the persons inside as well as the persons outside.

**BASS FISHING TOO GOOD**

In more than one Michigan lake right now black bass are too willing to take just about anything tossed their way, and many sportsmen are considerably concerned about the situation. While the bass may be caught readily, they must be released inasmuch as the season is closed until June 21st. Yet fishing is permissible in all bass waters right now.

Some mortality is sure to result. It's pretty hard to remove gang hooks from any fish in many instances without inflicting severe injury, and bait fishing may be even worse, for a hook that's swallowed must often be cut away—an operation that frequently proves fatal.

**Bass Now Spawning**

The fact that Michigan bass are spawning at this writing is the cause for most concern. And it's this same fact that makes the fish so easy to catch. Appetite isn't the big factor in making a black bass strike at anything from a tiny fly to a piece of cloth on a hook these days. They're smashing at an imaginary intruder near their spawning grounds. The male fish is the protector at such times, and he'll haunt the area near the nest until the young are hatched. Even then "Papa Bass" will often

cruise in wide circles around the school of fry, ready to ward off all enemies.

**Prized Game Fish**

Probably no inland lake fish is more highly prized than the black bass—both large and small-mouth, so it is little wonder that many people fear the results of the early opening of our lakes to fishing. Few fish put on the spectacular performance of the bass, especially when hooked on light tackle. The plunging surge of a small-mouth, followed by a fine show of aerial acrobatics makes dreams come true for the average fisherman, and the fact that the meat is very tasty adds to the enjoyment of the catch.

**Fletcher Floodwaters Typical**

Up near Hillman in the Fletcher Floodwaters you'll find a typical example of the situation. Would-be pike fishermen are having a hard time keeping bass off the hook—and with big pike lures many of the fish must be severely injured during the process of release. Fish biologists aren't worried however. They claim there's plenty of seed stock on hand to keep the population at par. But many sportsmen aren't too happy. You can't blame them. Who could be happy about tossing back a 5 pound bass just because the season doesn't open for a few days?

**Warns Politicians**

**DR. LOUIS H. BAUER** of Hempstead, New York, new President of the American Medical Association, who this week urged both major political parties to write platforms which "disavow all threats to our Constitutional independence and liberty."

CHICAGO—Warning both the Republican and Democratic Parties that the eyes of the world will be

upon them during their July conventions in Chicago, the new President of the American Medical Association Tuesday night challenged them to nominate fearless men of integrity who will be guided by the highest concepts of national welfare and world freedom.

Dr. Louis H. Bauer of Hempstead, New York, in his inaugural address delivered here at the 101st Annual Session of the AMA, declared that "a candidate who emerges from a smoke-filled room will be the candidate of defeat."

**The People Watch**

The two major political parties and their leaders have the task of giving the American people a Government that serves rather than a Government that dominates, Dr. Bauer said. Then, addressing his remarks to the July convention delegates, he added:

"You will not be alone in the convention hall. In these days of nationwide radio and television you will have millions of Americans watching you, testing your sincerity, weighing your judgment, analyzing your motives."

**Auto Deaths**

Automobile deaths climbed rapidly to the million mark in the 52 years, three months and one week after the first known traffic fatality occurred in New York City in September, 1899, just before the present century dawned. War deaths in the same period totaled about 474,000.

**Harry L. Sturdevant**

Funeral services were held Sunday for Harry Lowell Sturdevant at the Jenter Funeral Home here. He was born on August 26, 1904 in Hillsdale county the son of Elias L. and Olive Lesnet Sturdevant. On November 2, 1929 he was married to Gertrude Bersuder who preceded him in death on May 7th, 1940.

He was a graduate of Manchester high school in the class of 1923, a member of the Masons F. & A.M. No. 148 and a member of the Methodist church. He was also a member of the Beagle sporting club.

The survivors include his parents Mr. and Mrs. E. L. Sturdevant; two daughters Mrs. Maxine Evisizer, and Donna Sturdevant; two sons Gale Lee and Harry Lowell, jr. at home.

He died at Mercy hospital at Jackson following a short illness. Rev. Harry Young officiated at the funeral and burial took place at Oak Grove cemetery.

**Coal Users**

The nation's armed services used close to 5 millions tons of coal for heat and power the past year.

**Local Dairy Cattle Complete Test**

Jenny's Patsy 120511 a registered Brown Swiss cow owned by Albert & Glenn Feldkamp, Manchester, Mich. has recently completed a 305 day lactation record on Herd Test of 14245.0 lbs. milk 4.49% 639.33 lbs. fat on two times a day milking, according to Fred S. Idtse, Secretary of The Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin; 8 yrs. 11 mos.

Louis' Marie Lass 180211, a registered Brown Swiss cow owned by Albert & Glenn Feldkamp, Manchester, Mich. has recently completed a 305 day lactation record on Herd Test of 11639.0 lbs. milk 4.15% 483.02 lbs. Fat on two times a day milking, according to Fred S. Idtse, Secretary of The Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin; 3 yrs. 9 mos.

**Famous Phrase**

Tripoli fought a war with the United States (1801-05) which made Stephen Decatur and the infant U.S. Navy known around the world, and gave the Marines their phrase "... the shores of Tripoli."

**Lannoms Entertain**

Mr. and Mrs. Roscoe Lannom entertained at a party honoring the graduation of their daughter June. Guests were Mr. and Mrs. Max Bowermah of Dearborn, Mr. and Mrs. James Cannon, Mrs. Theodore Blumenauer and Doris, Mr. and Mrs. Otto Timmerman, Mr. and Mrs. Paul Engles, Mr. and Mrs. James Pratt, Mrs. Louise Huber, Miss Dianne Ahrens, Mr. and Mrs. Paul Kappler, Mr. and Mrs. Norman Higgins, Mr. and Mrs. William Tirb, Miss Jacquelin Schwab, Mr. and Mrs. George Nichols and Miss Anna Mae Palmer.

**The Planets**

The distances of the nine major planets from the Sun are as follows: Mercury, 36,000,000 miles; Venus, 62,270,000 miles; Earth, 93,004,000 miles; Mars, 141,690,000 miles; Jupiter, 483,900,000 miles; Saturn, 887,100,000 miles; Uranus, 1,785,800,000 miles; Neptune, 2,796,800,000 miles; and Pluto, 3,675,000,000 miles. These are mean values, since the orbits of all the planets are somewhat eccentric, causing them to approach closer and to recede farther than the distances given.

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:15 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

Mr. Advertiser do you have a product or a service that you want to promote? Do you have a SPECIAL something in your store that the purchaser should know about? Or do you have a real bargain to offer the home town folks?

Certainly you have one of these. And you have put a great deal of time and effort behind the securing of this merchandise and even more effort behind putting the right price tag on it.

Your next problem, naturally, is to let the purchaser know that you have gone to this trouble for him and that you have something of value to offer.

The advertising columns of this newspaper are the best "silent salesmen" at YOUR command. For the lowest possible cost you, MR. ADVERTISER, can have a silent salesman go into, and be accepted in, the great majority of homes in the Manchester area.

Consistent results in the past are your best assurance of consistent results in the future. Try the Enterprise for the lowest cost with the highest return in promoting YOUR product.

Manchester Couple Observe 63rd Wedding Anniversary

Mr. and Mrs. John Schill celebrated their 63rd wedding anniversary on June 4th when they, and Mr. and Mrs. Basil McGuire of Manchester and Mr. and Mrs. Ralph Kimble of Grass Lake were dinner guests of Mr. and Mrs. Jack Allenbrand in Detroit.

Students Leave Articles Of Value At School

School is out. Young people resting at home, busy at work, vacationing or in some other way, are forgetting, or nearly forgetting, that they but recently were using pencils, rulers, text books and other school equipment.

The routine emptying of lockers - which always has to be done at this time of year to eliminate the molding remains of lunches and to find a few library books that are inevitably lost - brings to light many items.

There were pencils, rulers, bottles of ink, pads of paper and little trinkets that perhaps were hardly worthy of carrying home.

The assortment of goods which have value are on the table in the hall and will be for some time. It is hoped the owners will claim them.

This was the last business meeting before summer vacation. The next regular meeting of the O.E.S. will be held on September 5th.

At the close of the meeting refreshments were served by Dorothy Mann and her committee to 25 members.

Of the 142 who started high school last fall just one student completed the two semesters without being absent or tardy.

The student with that distinction is Florence Kellar, member of the ninth grade class of '55.

It is somewhat unusual that a student escapes illness which confines him to his home some time during the year. That is more good fortune than cause for paying respect to the student.

However, it is definitely to Florence's credit that not once was she late in getting up and to school on time, not once did she stay too long in town during the noon hour.

Not once was she fooled by the town clock, which is so often reported by tardy students as being slow. Also to her credit is the fact her shopping trips, the visiting of out of town relatives and friends, her work, dental appointments and the many other things which cause students to be absent, have all been managed in such a way that they were cared for after school, during week ends or vacation periods.

The next meeting will be held with Donna Kemner. Refreshments were served by the hostesses.

Oldest Mine What is probably Europe's oldest coal mine is at Kerkrade, near Heerlen in the Netherlands, where the monks in 1113 discovered what they called "flammable earth."

Miss Patricia Schwab, daughter of Mr. and Mrs. Joseph Schwab of Manchester, graduated from Mercy School of Nursing Saturday, June 7. The commencement exercises were held in McAuley Auditorium at Mercy College in Detroit.

Graduating in a class of ninety-nine nurses, Miss Schwab received recognition for high scholastic achievement. Miss Schwab, who graduated from Manchester High School in 1948, trained at St. Joseph's Mercy Hospital in Ann Arbor.

Mr. and Mrs. Joe Schwab and daughters Mary Ellen and Jacqueline attended the services.

Manchester Softball Standings For The Past Week

Thursday: Manchester Ford beat Chelsea 7-1. Tecumseh Products defeated Grass Lake (no score).

Friday: Manchester Farmers beat Manchester Ford 3-2. Tecumseh Products beat Manchester Fireballs 7-1.

Tuesday: Klager's Chicks defeated Chelsea 8-5. Manchester Farmers defeated Saline American Legion 19-6.

Mrs. Ethel Kerr Receives Transfer To Manchester O.E.S.

Rev. Karl H. A. Rest of the Emanuel Evangelical and Reformed church invited all Reasons and Stars to be guests at the church service on June 22nd, at 11 a. m.

### Extension Phones Will Cost More

Additional information received by the Ann Arbor office of the Michigan Bell Telephone Co. indicated today that some local residence phone subscribers will pay more for service under the new, higher rate schedule. Manager N. J. Prakken said the residence rate hikes will, however, apply only to those customers who have extension telephones in their homes. The increase is 25 cents for each extension. The old extension rate was 85 cents per month; the new one is \$1.10. There is no change in basic residence rates. Rural and business subscribers will pay higher rates. Prakken said also that charges for installation and moving will be raised. The increases will range from \$1 to \$2.50, depending on the specific service rendered.

### Soil Conservation District Air Tour

The Washtenaw County Soil Conservation District is announcing the coming of an all day air tour—the first in Washtenaw County, with the date set for June 23rd. The tour will include air views of several farms on which conservation practices are in operation—for example: contour farming, strip cropping, and grass waterways. Signs of erosion damage will also be pointed out. Tickets are available from the directors at \$3.00 each and rides will be from the Ann Arbor Airport on State Street road at one-half hour intervals. The directors are: L. G. Steiner of Saline, Gordon Gill of Ypsilanti, Sam Bailo of South Lyons, Neil Nixon of Dexter and Albert Ruhlig of Dexter. Tickets are also available at the County Agricultural Extension office.

Any Color's Lucky Here Automobiles painted green cannot be sold in India—green is bad luck.

### Instant Coffee For Perfect Flavor

By BETTY BARCLAY

As a beverage, Instant Maxwell House Coffee has won an enthusiastic following, and when it's used as a flavoring in desserts like Mocha Spice Cake, it's sure to win an increasing number of new friends. This rich and delicious cake contains America's favorite flavor combination: coffee and chocolate, with just enough spice to tempt the palate. Top it with fluffy Coffee 7-Minute Frosting and serve with hot cups of instant coffee.

**Mocha Spice Cake**  
2 cups sifted cake flour  
1 teaspoon double-acting baking powder  
1 to 2 teaspoons Instant Maxwell House Coffee  
1 teaspoon soda  
1/2 teaspoon salt  
1/2 cup breakfast cocoa  
1/2 cup shortening  
1 1/2 cups sugar  
2 eggs, unbeaten  
1 cup buttermilk  
1/2 cup water  
1 teaspoon vanilla  
1/2 cup butter, margarine, or lard, use 1 cup minus 2 tablespoons buttermilk. With vegetable or other shortening, use 1 cup buttermilk.  
Sift flour once, measure, add baking powder, Instant Maxwell House Coffee, soda, salt, cocoa, and cinnamon, and sift together three times. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating thoroughly after each.

Combine buttermilk, water, and vanilla; add to egg mixture alternately with flour mixture, beating after each addition until smooth. Turn into two 9-inch layer pans, 1 1/2 inches deep, which have been lined on bottoms with paper and greased. Bake in a moderate oven (350° F.) 25 minutes, or until done. Cool. Then spread Coffee 7-Minute Frosting between the layers and on top and sides of cake. Sprinkle bright-colored candies generously, on top to garnish, if desired.

**Coffee 7-Minute Frosting**  
2 egg whites, unbeaten  
1 1/2 cups sugar  
Dash of salt  
1/2 cup water  
2 teaspoons light corn syrup  
2 teaspoons Instant Maxwell House Coffee  
1 teaspoon vanilla

Combine egg whites, sugar, salt, water, corn syrup, and Instant Maxwell House Coffee in top of a double boiler. Beat with rotary egg beater or electric beater about 1 minute, or until thoroughly mixed. Cook over rapidly boiling water, beating constantly with rotary egg beater (or at high speed of electric beater) 7 minutes, or until frosting will stand up in stiff peaks. (Stir frosting up from bottom and sides of pan occasionally with rubber scraper, spatula, or spoon.) Remove from boiling water. Add vanilla; beat 1 minute, or until thick enough to spread. Makes enough frosting to cover the tops and sides of two 9-inch layers, or cake, or tops of about 16 large cupcakes.

### Farm Bureau Groups Hold Joint Meeting

On Tuesday, June 10, there was a joint meeting of the Iron Creek, East Manchester and Bridgewater Farm Bureau groups at the Bridgewater town hall. William Tirb, a director of the Washtenaw County Farm Bureau Board introduced the guest speaker Mr. Maurice Hill, director of public relations of

the Michigan Livestock Exchange who showed colored slides which pictured livestock losses in loading and in transit to market. Mr. Hill explained in detail the various reasons that farmers lose money in livestock. Herman Howelsen made a few remarks following the talk by Mr. Hill. At the conclusion of the meeting refreshments were served by the committee.

# Basic Rules Simplify Kitchen Remodeling

Intelligent planning will create an efficient kitchen without sacrifice of comfort and appearance.

IN many farm and town homes, the kitchen is the real "living room." More than just a food preparation center, it also serves as dining room, playroom, office and social activities room.

If it's an oversized kitchen, and many are in older homes, wasted space can be utilized, countless steps eliminated and "liveability" improved by a sound remodeling job. One statistically-minded homemaker discovered she saved seven miles of walking a week by remodeling her kitchen. Another woman with the aid of a pedometer, learned she walked more than a quarter of a mile baking a lemon pie.

Experts recommend that the three key points of the kitchen—the sink, stove and refrigerator—be located within a maximum perimeter of 22 feet. If possible, the preparation center where you get food ready to

cook should be centered as closely as layout permits to the three key points.

The kitchen shown above was remodeled to provide the homemaker with an efficient working area, plus the added advantage of a bright cheerful atmosphere.

Insulux glass block panels, a clear-vision window and a glass door flood the room with healthy daylight.

Sink, stove and refrigerator are located in close proximity to each other to reduce the number of steps necessary in the preparation of food. Glass block panels and a window daylight the sink and the working counter areas. Cabinets above the sink and work counter areas and drawers and cabinets below provide convenient storage places for dishes, utensils and food supplies.

One wall of the kitchen was converted into a compact laundry area with washing machine, ironer and storage cabinet for soap, bleaches and other supplies. A panel of glass block lights the laundry area with cabinets above for additional storage space.

A table which can be folded into the counter area provides a convenient and space-saving dining facility which can be folded away when not in use.

Remodeling plans for the kitchen, of course, should be geared to existing space and layout if the cost is to be kept to a minimum. Generally speaking, most kitchens can be rearranged in a U shape or the convenient L shape of the kitchen shown here. If the floor plan does not permit either of these arrangements, equipment can be placed on opposite walls of the room, but care should be taken to assure convenience and efficiency.

It has reduced the amount of the increase from the \$22 million originally asked by Michigan Bell to \$7 million. The company's request for higher rates to offset future cost increases was denied by PSC last year.

It has done its best to protect the individual home telephone user from higher rates. The increase has been allotted mainly to pay phones and business phones. Home telephones in small exchanges having less than 3,000 subscribers will go up 25 to 50 cents per month. The pay phones will cost a dime instead of a nickel.

CONTRAST: The action of the PSC is a splendid contrast with the practices of former commissions, who raised rates, first and investigated afterward. In this case, the rates have been raised only after it was made absolutely clear that the law required increases.

The public may be assured that its telephone bills are justified under the law, and represent the lowest possible phone rates consistent with good service.

STRAITS BRIDGE: This week I am going to Washington with former Senator Prentiss M. Brown, to urge President Truman and RFC officials to grant an \$85 million dollar loan for construction of a bridge across the Straits of Mackinac.

Mr. Brown is chairman of the Mackinac Bridge Authority. The Legislature has empowered the Authority to proceed with a bridge if it can do so without state funds and on a self-liquidating basis. Also, I plan to confer with Raymond M. Foley, Housing and Home Finance Administrator, on federal assistance for Michigan citizens who have suffered flood damage from high lake levels.

On May 23 I certified to the President the existence of a "disaster area" in Michigan resulting from high lake levels. The President has directed Mr. Foley to investigate as a preliminary to federal aid for flood victims.

IN MEMORIAM: All Michigan was saddened by the death of Rep. Howard Nugent of Bad Axe, the former Speaker of the House of Representatives.

Along with citizens from all walks of life and all parts of the state, I attended his last rites to pay official tribute to a fine public servant.

Mr. Nugent started in public service at the age of 21 as a Justice of the Peace, and rose to one of the highest offices in the state. He will be keenly missed by all in state government.

FLOODS: I was very disappointed to learn last week that the Senate has drastically amended House Bill 480 which was designed to enable Michigan communities to accept federal aid in building dikes and other facilities to provide protection from floods.

This bill was presented originally on behalf of the flooded towns and villages of the Lake Erie region. Its terms were approved by representatives of the Secretary of the Army who must be assured that these communities have legal authority to accept federal aid.

The bill had already received

the unanimous approval of the House of Representatives and was given immediate effect. All that remained was Senate action.

The Corps of Engineers is ready to go to work in one community, Estral Beach near Monroe. The failure of the Senate to pass this bill postpones their going to work to help the homeowners of the community, many of whom have homes under water.

I intend to urge the Senate to forego these amendments or pass legislation which will enable the local communities to secure assistance in tackling their problems.

Studies Coal Bituminous Coal Research, Inc., is a non-profit organization developing better coal-burning equipment for more efficient use of coal.

## Ads Increase Sales!

## Sheep Dipping

Have your sheep dipped early for best results. Dipping increases the yield and improves the quality of the wool in addition to controlling the external parasites such as ticks and lice. The cost is but a small percentage of the benefits derived. We are now operating our modern and efficient dipping equipment and your order should be sent in to insure prompt service. The cost increases and the benefits decrease as the season advances. Do it now. Write or phone:

### GOV. WILLIAMS

LANSING — The Michigan Public Service Commission had no choice but to grant a rate increase to the Michigan Bell Telephone Company last week.

Under Michigan law, the Commission is compelled to grant a rate increase when the company can show that increased costs have reduced its earnings below

the level of a fair profit. The law requires the Commission to set rates which will permit a fair return for the company on its investment.

This rate increase was made necessary by higher taxes and wages which the company must pay. The company was able to show that its costs have increased by about \$10,000,000 a year, including about \$5 1/2 million in wage increases and \$4 1/2 million in tax increases.

The PSC granted it only \$7 million in rate increases, ruling that some \$3,000,000 worth of charges on its books were "excessive."

PUBLIC PROTECTED: The Public Service Commission has done a good job of protecting the public. It is not responsible for the higher costs which have forced this rate raise.

The PSC has acted only after full investigation and report by its own expert staff.

It has saved the public millions of dollars by delaying the increase until Michigan Bell could show beyond doubt that it had suffered cost increases, and by limiting the rate raise to the actual net amount of the company's additional costs. The raises will not result in any additional profit for Michigan Bell.

### HINTS FOR HOMEMAKERS

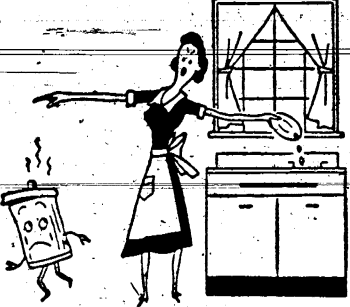

FREE YOUR HOME OF GARBAGE NOW

by the General Electric Consumers Institute

If you are one of the millions of homeowners who lives in a suburban area not serviced by a public sewer system—and if you want to install a garbage disposal unit to operate on a septic-tank-plus-soil-absorption unit system, you can do so safely and effectively.

Check Septic Tank Capacity

It's a good idea to check first on the capacity of your existing septic tank facilities (the person who installed the system would know) and if the ca-

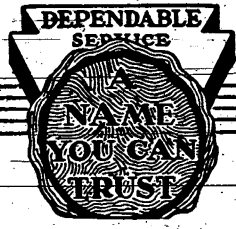

capacity is inadequate, the best plan is to replace the septic tank with a larger one or augment the existing tank with an additional one. A second tank, according to the General Electric Consumers Institute, should be installed in parallel to provide good distribution of sewage and food waste flow into the two tanks.

If an inadequate septic tank cannot be augmented or enlarged to take care of the increased loading caused by a garbage disposal unit, the tank will require more frequent cleaning.

The sub-surface soil absorption system used with a septic tank can be augmented by adding additional lengths of drainage trench and tile lines and by the installation of a suitable leaching pit.

Before you install a garbage disposal unit, be sure the septic tank and the soil absorption system are in good repair, that all plumbing connections have been made properly and that the drain lines are properly designed, clean and workable.

THE FACT

that those whom we have served once return again, or recommend us to their friends, is a high endorsement of the service we render.

of the Girlstown as beneficiary the Board was aware of its non-sectarian service to teen-age girls in need of guidance. The articles of agreement were executed by officers of both organizations. The signing was done at the more than one hundred year old, ivy-covered Club House situated on Cook Road, Grosse Pointe.  
The Grosse Pointe Horse Show ranks with leading shows in the country, attracting exhibitors and spectators from many states. Last year entries were received from twelve states and Canada. 463 horses performed in eighty classes during the four day program. With the show now becoming a benefit and with the Southeastern District of the Michigan State Federation of Women's Clubs working on the ticket sales, the scheduled events as well as the seating capacity are being increased. Three thousand additional seats are being installed and enlarged parking space will be provided free of charge by the Hunt Club.  
"Girlstown, which is the state project of the Michigan State Federation of Women's Clubs is

being established with the long range objective to aid those un-disciplined or erring girls who are headed for more serious trouble, to return to a normal, useful life. A committee of experts in the field of youth rehabilitation with Floyd Starr of Starr Commonwealth for Boys as Chairman formulating plans for the most effective organization and operation of a child care center. Preliminary suggestions indicate the planning committee will recommend smaller units with home atmosphere, rather than those of institutional character.  
Invitations and tickets to the Horse Show are being mailed in advance of the show dates. R. Edmund Dowling, General Chairman of the show, stated "The general public is being invited and extra tickets will be sold on the grounds during afternoon and evening performances. It is commonly thought that horse shows are closed affairs—for members only—but the Grosse Pointe Hunt Club is making every effort to welcome everyone."  
John Mulford, President of the Grosse Pointe Hunt Club,

has appointed Joseph Vance as chairman of a committee to work with the Michigan State Federation of Women's Clubs in this joint effort. Assisting Mr. Vance will be Leet M. Denton, Mrs. Fred Alger, Jr., Mrs. Al-fred R. Glancy, Jr., Mrs. Walter D. Baldwin and Mrs. R. Edmund Dowling. Those on the committee of the Michigan Federation Bldg., Detroit.

of Women's Clubs are: Mrs. Zaio Schroeder, Mrs. Wilber M. Brucker, Mrs. Henry B. Inken, Mrs. Ralph L. Young, Mrs. James Edwin Hancock, and Mrs. Malcolm D. MacQueen. Advance tickets purchases may be made from any of the above, addressed to Girlstown Foundation, Inc., 3310 David Stott

Mrs. George Anthony Dies At 91 Years

Funeral services were held Monday afternoon for Mrs. George Anthony, who passed away Friday night at the Macklin company cent home at Jackson after a one-month illness.

She was born on March 10, 1861, in Rahway, N. J., the daughter of George and Fredericka Schauble. She came to Manchester when she was five years old.

Couple United At Candlelight Service

At a candlelight service at the Emanuel Evangelical and Reformed church on Saturday evening, June 7th, Ruth Augusta Kuhl daughter of Mr. and Mrs. Robert Kuhl of Manchester became the bride of Victor Benjamin Hanne-

man, son of Mr. and Mrs. Otto Hanne-man of Manchester. The double ring ceremony was performed by the Rev. Karl H. A. Rest at seven o'clock before an altar decorated with palms and bouquets of white peonies and white irises.

Mrs. Robert Layer of Saline sang "Always" and "The Lord's Prayer", accompanied by R. C. Sortor. The bride's gown was of white satin with a full lace over-skirt and lace capelet over the fitted bodice. Her veil of nylon-tulle was held in place by a tiara of orange, blossoms and she carried a cascade bouquet of white roses and white carnations.

The best man was William Paul of Manchester and ushers were Freddie Johnson and Harold Alexander of Manchester. A reception for 75 guests followed at the church hall where Joan Van De Ginste, assisted by Frieda Brown of Milan, Marilyn Ahrens, and Marianne Schook of Manchester, Mrs. Sylvia Deason of Milan, aunt of the bride, cut the three-tiered wedding cake. Guests were present from Detroit, Milan and Maumee, Ohio.

The bride attended Manchester High School and the bridegroom attended Cass Technical High School at Detroit. He is employed at the Michigan Gas Storage. The couple will make their home at 202 North Macomb street, Manchester.

Virginia Fuller Is Wed At Home

On Saturday afternoon, June 7, at 4 p. m., Virginia Fuller became the bride of James Halsey of Jackson. The double ring service was performed by the Rev. William Stone of the Methodist church at Napoleon at the home of the bride's parents, Mr. and Mrs. Walter J. Fuller of Grass Lake.

The bride, wearing a navy blue suit and matching accessories, was given in marriage by her father. Her corsage was red roses. The bride's attendant was her sister, Mrs. Eugene Heckaman of Norvell. She also wore navy with matching accessories and a corsage of yellow roses.

A reception followed at 8 p. m. at the Norvell hall for about seventy-five guests. After a wedding trip in Canada the couple will make their home at 229 Mason street, Jackson, where the new Mrs. Halsey is employed in the office of the Macklin Co. The bridegroom also is employed at the Macklin Company.

Dread Disease Glaucoma, an eye disease, accounts for better than ten per cent of all total blindness in America.

Manchester Girl Struck By Car In Jackson

Miss Gwendolyn Johnston, 19, of Manchester, who received pelvic injuries when struck by a car on Macomb street, at Michigan Avenue Monday afternoon, was reported in good condition at Mercy hospital, at Jackson, on Wednesday.

Driver of the car was Raymond Henderson, of Jackson. Miss Johnston, who is attending Jackson Business University, had been working for a two-week period at Burroughs, at Jackson, as part of her training when the accident occurred. She is in room 113 at Mercy hospital and is the daughter of Mr. and Mrs. George Johnston, of Manchester.

Alumni Announces Officers For 1953

Manchester High School Alumni Association has announced the following officers for 1953, as follows: president, Fred Leeman, Class of '03; alternate, L. V. Kirk, Class of '28; vice-president, Ed Kirk, Class of '26; alternate, Kenneth Way, Class of '40; secretary, Elaine Reno Watson, Class of '39; alternate, Harold Sutton, Class of '34; corresponding secretary, Gladys Buss Hines, Class of '43; historian, Grace Dresselhouse Bumby, Class of '13; alternate, Melba Eiseman Koebbe, Class of '31; treasurer, Lowell Parr, Class of '19; alternate, Lucille Stanley Wurster, Class of '35. Toastmaster for next year will be Sam Cushman, Class of '43; alternate, Chas. Knorpp, Class of '39. On the executive committee will be Millard Uphaus, Class of '28; and Elizabeth Lowery Grossman, Class of '33. On the nominating committee are Ellen Kulenkamp Pratt, Class of '33, and Harold Bersuder, Class of '31.

Manchester Teacher Receives Scholarship

Mrs. Aletha Kuebler Helbig has been awarded the Fanny Burr Butler Fellowship for a year's study at the University of Michigan in Latin and Greek.

The award is based on merit and is awarded by the Classical Studies department and the Horace Backham school of graduate studies, and is given only to a classical study major. The scholarship was set up several years ago by the husband of Fanny Burr Butler in her honor. The classical studies department is headed by Dr. James Dunlap.

Mrs. Helbig has taught at the Manchester Public Schools for the past two years, teaching Latin and social studies. She is a graduate of Manchester, Class of '46 where she received an all A record for the entire four years. A graduate of the University of Michigan in the Class of '50 she received an A- for the four years.

Prior to receiving the fellowship she had signed a contract to teach here another year. The school board, however, was pleased that such an honor was bestowed on one of Manchester's teachers. No teacher has been accepted to take Mrs. Helbig's place. Mrs. Helbig went through the University on the Regents Alumni scholarship for the entire four years and is a member of Phi Beta Kappa, Phi Kappa Phi and Alpha Lambda Delta. She is the daughter of Mr. and Mrs. Elmer Kuebler of Ann Arbor, formerly of Manchester.

Day for Dads The custom of Father's Day was started in Spokane, Washington.

Good Jellies In Bad Weather!

By BETTY BARCLAY "Never make jam or jelly on a rainy day," is a tradition that's been handed down from mother to daughter through many generations. It seems that moisture in the air used to be a perfect hoodoo for the setting qualities of the sweet spread.

There are probably some people who still won't make their jelly when a storm is brewing... and that just shows the hold that superstition has on them! Today's short-boil recipes have removed the weather hazard from jelly-making as surely as they've disproved the theory that some fruits won't jell. You can step into your kitchen at any time, right in the middle of a cloudburst if you wish, and make up a batch of citrus fruit marmalade.

Let it rain—let it pour! Recipes like this delicious marmalade bring sunny results, regardless of the weather.

Orange Marmalade Yield: about 8 six-ounce glasses. 3 1/2 cups prepared fruit, 5 cups sugar, 1/2 bottle fruit pectin.

To prepare the fruit. Remove skins in quarters from 3 medium-sized oranges and 2 medium-sized lemons. Lay quarters flat, shave off and discard about half of white part with a sharp knife, slice remaining rind very fine. Add 1 1/2 cups water and 1/4 teaspoon soda; bring to a boil and simmer, covered, for just 10 minutes, stirring occasionally. Cut off tight skin of peeled fruit and slip pulp out of each section. Add pulp and juice and 1 cup sugar to undrained cooked rind. (This sugar is in addition to the 5 cups specified.) Measure 3 1/2 cups prepared fruit into a very large saucepan. (If oranges used are very sweet, add juice of 1 extra lemon. Simmer, covered, 20 minutes longer.)

To make the marmalade. Add sugar to fruit in saucepan and mix well.

Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in bottled fruit pectin. Then stir and simmer by turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover marmalade at once with 1/2 inch of hot paraffin. Variations: Grapefruit Marmalade Follow recipe for Orange Marmalade, using 2 grapefruit for the fruit. Orange and Grapefruit Marmalade Follow recipe for Orange Marmalade, using 2 oranges and 1 small grapefruit for the fruit. Three-fruit Marmalade Follow recipe for Orange Marmalade, using 1 orange, 1 grapefruit, and 1 lemon for the fruit. Lemon Marmalade Follow recipe for Orange Marmalade, using 6 lemons for the fruit. Increase soda to 1/2 teaspoon.

GOV. WILLIAMS

LANSING — The Michigan Public Service Commission had no choice but to grant a rate increase to the Michigan Bell Telephone Company last week.

Under Michigan law, the Commission is compelled to grant a rate increase when the company can show that increased costs have reduced its earnings below the level of a fair profit. The law requires the Commission to set rates which will permit a fair return for the company on its investment.

This rate increase was made necessary by higher taxes and wages which the company must pay. The company was able to show that its costs have increased by about \$10,000,000 a year, including about \$5 1/2 million in wage increases and \$4 1/2 million in tax increases. The PSC granted it only \$7 million in rate increases, ruling that some \$3,000,000 worth of charges on its books were "excessive".

PUBLIC PROTECTED: The public Service Commission has done a good job of protecting the public. It is not responsible for the higher costs which have forced this rate raise.

The PSC has acted only after full investigation and report by its own expert staff. It has saved the public millions of dollars by delaying the

increase until Michigan Bell could show beyond doubt that it had suffered cost increases, and by limiting the rate raise to the actual net amount of the company's additional costs. The rates will not result in any additional profit for Michigan Bell. It has reduced the amount of the increase from the \$22 million originally asked by Michigan Bell in 1951 to \$7 million. The company's request for higher rates to offset future cost increases was denied by PSC last year.

It has done its best to protect the individual home telephone user from higher rates. The increase has been allotted mainly

to pay phones and business phones. Home telephones in small exchanges having less than 3,000 subscribers will go up 25 to 50 cents per month. The pay phones will cost a dime instead of a nickel.

CONTRAST: The action of the PSC is a splendid contrast with the practices of former commissions, who raised rates first and investigated afterward. In this case, the rates have been raised only after it was made absolutely clear that the law required increases.

The public may be assured that its telephone bills are justified under the law, and represent the lowest possible phone rates consistent with good service.

STRAITS BRIDGE: This week I am going to Washington with former Senator Prentiss M. Brown, to urge President Truman and RFC officials to grant an \$85 million dollar loan or construction of a bridge across the Straits of Mackinac.

Mr. Brown is chairman of the Mackinac Bridge Authority. The Legislature has empowered the Authority to proceed with a bridge if it can do so without state funds and on a self-liquidating basis. Also I plan to confer with Raymond M. Foley, Housing and Home Finance Administrator, on federal assistance for Michigan citizens who have suffered flood damage from high lake levels.

On May 23 I certified to the President the existence of a "disaster area" in Michigan resulting from high lake levels. The President has directed Mr. Foley to investigate as a preliminary to federal aid for flood victims.

IN MEMORIAM: All Michigan was saddened by the death of Rep. Howard Nugent of Bad Axe, the former Speaker of the House of Representatives.

Along with citizens from all walks of life and all parts of the state, I attended his last rites to pay official tribute to a fine public servant.

Mr. Nugent started in public service at the age of 21 as a Justice of the Peace, and rose to one of the highest offices in the state. He will be keenly missed by all in state government.

FLOODS: I was very disappointed to learn last week that the Senate has drastically amended House Bill 480 which was designed to enable Michigan communities to accept federal aid in building dikes and other facilities to provide protection from floods.

This bill was presented originally on behalf of the flooded towns and villages of the Lake Erie region. Its terms were approved by representatives of

the Secretary of the Army who must be assured that these communities have legal authority to accept federal aid.

The bill had already received the unanimous approval of the House of Representatives and was given immediate effect. All that remained was Senate action.

The Corps of Engineers is ready to go to work in one community, Estrab Beach near Monroe. The failure of the Senate to pass this bill postpones their going to work to help the homeowners of the community, many of whom have homes under water.

I intend to urge the Senate to forego these amendments or pass legislation which will enable the local communities to secure assistance in tackling their problems.

Sees Sister After 29 Years

Mrs. Philip Cerwinka spent from Thursday to Sunday in Chicago where she visited her

sisters Mr. and Mrs. Arthur Reichert and Mr. and Mrs. Louis Scherer and Otto Barthel.

While in Chicago she attended the surprise party honoring the 25th wedding anniversary of her sister and husband Mr. and Mrs. Arthur Reichert. Also present at the celebration was Mrs. Cerwinka's sister Mrs. Gertrude Hillmer, of Weidnaw, Germany (she had been in a Russian Concentration Camp) whom Mrs. Cerwinka had not seen for 29 years. Mrs. Hillmer is in this country on a six month's visit. Mrs. Hillmer and her mother Mrs. August Barthel and Gunther Schubert, of Burlingame, California returned here with Mrs. Cerwinka for a visit here.

Bats In A Building According to zoologists, bats do not make nests. You can get rid of the bats in buildings by blocking all entrances and exits through which they may get in or out of the building. The nests may have been made by swifts or swallows, or they may be mud nests, made by some large insects.
