FIVE CENTS PER COPY

\$2.50 PER YEAR IN ADVANCE

## New Building For School Hinges On Result Of Special Election June 26

### The Main Street

The three-day heat wave which blazed across Michigan broke on Tuesday after topping all previous marks for the year—the general peak in this area seemed to be about 96 Monday afternoon. Relief came Monday night when the 96 degrees were pared to 77 at midnight and about 69 early Tuesday morning—made possible by light showers. We thought it was plenty warm until we happened to be talking to a friend who had just received a letter from Phoenix, Arizona, in which her friend stated that the general temperature there is about 120 degrees—merchants close the stores in the afternoon, because the heat is unbearable and consequently open for business in the evenings. She said that the cost of operating their cooling system is comparable to fuel for heating in winter in Jackson—her previous home. So maybe we are doing a bit too much complaining—anyway everyone agreed it was too hot Monday afternoon.

Then to add to the discomfort of some of the housewives in the west end of town it was necessary to shut off the water supply Monday morning for necessary repairs without informing those affected.

According to R. C. Sortor, we can look for the first band concert of the season to be held Wednesday, July 2, in front of the Manchester township library. Mr. Sortor, who is spending two weeks at Ft. Geo. Meade expects to return home Sunday June 29, and have band rehearsal on Monday, June 30. He says if there is a good attendance at that time the first concert will be held the following Wednesday.

School Board President F. M. Reck reminded us that the annual school board meeting will be held Monday, July 7, at 8 p.m., at which time one trustee will be elected to the board. The term of Walter Schaible will expire at that time.

Local Librarian Miss Jane Palmer has returned home after attending the library workshop for Washtenaw County last week.

Mr. and Mrs. George Knouase were pleasantly surprised on Wednesday evening by a group of relatives in honor of their twenty-fifth wedding anniversary. They were presented with a silver purse by those present. Refreshments were served.

## Eugene Blumhardt Suffers Bad Burns

### Douglas K. Maurer Baptized At Emanuel Church

On Sunday, June 8, Douglas Keith, son of Mr. and Mrs. Stanley Maurer, was baptized at the Emanuel Evangelical and Reformed Church by the Rev. Karl H. A. Rest.

Following the baptism Mr. and Mrs. Ray Steeb and Michael and Mary of Dexter, Mr. and Mrs. E. J. Sodd, Mr. and Mrs. Ben Maurer of Manchester and Mr. and Mrs. George Steeb and Grace of Saline were entertained at the Stanley Maurer home.

### Moms Club News

The Moms of Manchester will hold their annual Tag Day on Saturday, June 21.

At the next regular meeting of the Moms the State Officers and the Milan Moms club will be guests of the local group on Tuesday, July 1st.

### Two Issues In Pleasant Lake Freedom Balloting

A new five room school for elementary students of the newly formed Pleasant Lake School Freedom District No. 1—plus a community hall—will be a building in the very near future if voters of the district give their OK in a special election to be held Thursday June 26.

Next week's balloting will be on two issues, both of which must be approved before plans for the school can proceed:

1. Removal of the 16-mill tax limitation in the district. According to the school board and the building committee, construction of the school will involve an eight mill increase in the present tax structure, for a maximum of 18 years, but present plans call for paying off all indebtedness for the school in only 12 years.

2. Authorization for the school board to issue \$125,000 in bonds to cover the cost of the building, which will cost 6 mills to build, but it is necessary to raise 8 mills to sell the bonds.

Building plans drawn by Walter Anicka, Ann Arbor architect, call for a cinder block structure, with brick facing. Site of the school and community hall would be a six-acre plot on Pleasant Lake Rd. between the properties of Phillip Cerwinka and Alton Horning. The six acres, owned by Mr. and Mrs. George Frey, at present are under option to purchase by the school board.

The new building would accommodate students of the former Silver Lake school district, Irish school district, Dresselhouse school district, St. Thomas school district, Pleasant Lake school district and Kuebler school district, all of which were consolidated as the result of a ballot held earlier this year.

The five-room school would have a capacity of 175 pupils. There are 120 students of elementary school age at present in the district.

Working on the initial plans for the new structure have been the following members of the building committee: Alton Lutz, chairman, Erwin Wiedmayer, Willard Kuebler, Willard Manor, Andrew Luckhart, Norman Kothe and Lawrence Burkhardt; and the following members of the school board: Alton Horning, director, Nathan Almer, treasurer, and Roy Bihl-meyer, moderator.

### Eugene W. Kuhl Now At Texas Air Base

Airman Second Class Eugene W. Kuhl, son of Mr. and Mrs. Robert Kuhl of North Macomb Street is presently assigned at San Marcos Air Force Base, Texas, the home of the Air Force's liaison and helicopter training.

Airman Kuhl arrived at San Marcos on June 4.

## Sweltering Heat Marks First Day Of Playground Season

### Legion Auxiliary Met

Mrs. Rolland Grossman gave a report of the Poppy committee at the meeting of the Legion Auxiliary. Mrs. Ray Trolz reported that Diane Ahrens had been chosen to represent the local group at Girls State at the University of Michigan. Diane is a junior at Manchester high school and was chosen on the basis of scholarship and leadership. She is attending Girls State this week.

The Community Service committee reported that there is one bed and one small wheel chair available at this time. The committee also reported a donation of five dollars toward the local hospital equipment project.

The rehabilitation chairman reported that approximately \$45 worth of merchandise had been sent to hospitalized veterans. Due to the death of the local Auxiliary's chaplain, Mrs. Albert Sutton, Mrs. Walter Vogt was appointed to fill out the rest of the year as chaplain.

Mrs. Edward Steele, jr. was appointed to attend the convention in Grand Rapids as local delegate. The convention is slated for August. Mrs. Ronald Jenter has been appointed to the Good Cheer committee.

Plans are being made to hold a family picnic with the Legion on Sunday, July 27th at Wampler Lake. Auxiliary members appointed to work with the Legion for the picnic are Mrs. William Romelhardt, Mrs. Ronald Jenter, Mrs. Edward Steele, jr., Mrs. Russell Hosmer, Mrs. Walter Vogt and Mrs. Alvin Clark.

The ladies are planning to hold a hot dog roast and potluck supper at the home of Mrs. Frank Reck at the next meeting. Mrs. Alma Trolz is chairman of the committee and will be assisted by Mrs. Betty Trolz, Mrs. Jessie Weinhardt and Mrs. Ethel Weir.

### New Parking Lot For Bethel Church

Rev. T. W. Menzel of the Bethel church has announced that the work has started on the new parking lot. This will be located across the road from the church and will replace the horse-and-buggy sheds which served the congregation since they were built back in 1897.

The members of the congregation are planning to do much of the work on the new 60 x 500 foot lot. When the bulldozing work is finished the farmers will start to work hauling gravel and it is expected that the parking lot will be ready for use in the near future.

### Mary Jean Engel Feted At Shower

On Sunday afternoon Mary Jean Engel was guest of honor at a miscellaneous shower at the home of Patricia Schwab. Co-hostesses were the Mesdames Harold Burch and Robert Dayse and the Mesdames Patricia Schwab and Elaine Johnson. The fourteen girls present were all from Manchester.

### Wuerthners Hold Reunion

Mr. and Mrs. Julius Wuerthner of Great Falls, Montana, were the guests of his brother, Carl Wuerthner, last week. While there they attended the 40th Class Reunion of the Class of '12 Law School of the University of Michigan at Ann Arbor.

On Sunday the Wuerthners from Saginaw, Lansing, Jackson, Clinton, and Farmington held their reunion at Wampler Lake. About forty were present. The Julius Wuerthners have returned to their home in Great Falls.

The 1952 season of the Manchester playground opened last Monday—the hottest day in the past three years on this June date. There were 112 youngsters out despite the sweltering weather. This was the second annual field day at which the children ran, jumped, skipped and hopped as the mercury soared to 96 degrees.

The children have been divided into six classes: Class A Boys, 12, 13 and 14 year olds; Class A Girls, same age group; Class B includes 9, 10 and 11 year olds and Class C included 6, 7 and 8 year olds. The winners were Kenneth Pniewski and Pauline Buss, Class A; Ralph England and Sandra Allen, Class B and Gary Pniewski and Pauline Buss for the greatest number of points.

The children had a picnic lunch and ice cream was furnished by the Recreation committee. After lunch the children enjoyed a show which featured Marion McGiven of Jackson in magic and ventriloquist acts and John Weishart with selections on his accordion. Assisting Mr. and Mrs. Charles Mills at the opening were Mrs. William Schaffer, jr., Mrs. Rolland Grossman, Mrs. Willard Mann, Mrs. Elwood Pniewski, Mrs. Charles Miller, Mrs. Dan Boutell, Mrs. Harold Alexander, Mrs. Frank Lowery, jr., Mrs. Marvin Oates, Mrs. H. B. Altenberst, Mrs. John Pippenger, Mrs. Ellen Heeschewerdt, Miss Eunice Nichols, Darlene Dunny, Jim Kroske and Pete Dunny.

The swimming program this year is again sponsored by the Red Cross—Larry Soltan, Manchester high school coach will direct swimming lessons on Tuesday mornings and Thursday afternoons. School buses will take the children to and from the lake. Swimming time will be 9:30 a. m. and 1 p. m. Wednesday will also be a swimming day with no lesson given. All children wishing to participate must have permission slips signed by their parents in by Tuesday, June 24, the first day of swimming.

The junior softball league has been organized with team captains: Grove Hainstock for the Bulldogs; Tommy Latham for the Spitballs; Billy Bunnery for the Demons and Ron McKeever is captain of a team yet unnamed. League play will start June 24th.

The schedule for this season will include: Monday—Free play for organized games, croquet, hopscotch, etc. Tuesday—Crafts for younger children and swimming for others. Wednesday—A special event day. Thursday—Crafts, including construction work, painting, etc. Friday—Hikes with sack lunches brought by the children.

### North Sharon Extension

The North Sharon Extension met at the townhall Tuesday with twenty-one members and three guests present for the business meeting. The roll call was answered by naming a woman in the news.

Following the business meeting a talk was given by Mr. Norman Brautigan to which husbands of the members were invited to hear. His talk on physical therapy related how various types of exercise can aid in the treatment of polio.

Refreshments were served by the hostesses Mrs. Lynn Cooper, Mrs. Pearl Cooper and Mrs. Albert Bahmiller. The ladies are planning to hold a picnic in July.

### Attend Celebration

Mr. and Mrs. J. T. Gage, 116 Lincoln street, Ann Arbor, attended a Silver Wedding Anniversary dinner party at Schuier's in March, June 16.

The celebration was in honor of the Michigan State Farm Insurance Companies' State Director G. W. Kibbie and his wife.

A contest was sponsored during the month of May by the agency and 15 district managers throughout the state. The top 50 Michigan State Farm Agents received invitation to attend: Mr. Gage, the local State Farm representative, was one of those qualifying to attend.

### Two 25th Wedding Anniversaries

Mr. and Mrs. John Schneider entertained at a dinner on Sunday honoring the twenty-fifth wedding anniversary of her cousin and husband Mr. and Mrs. Frank Riedel. Guests were present from Saline and Manchester.

## Full Field Of Candidates For August 5th Primary Election

### Local Girls To Graduate

Miss Betty Ann Hughes of Manchester and Miss Eileen Kulenkamp, daughter of Mrs. Otto Kulenkamp, 20992 Bownes road, Manchester, will be graduated from Cleary College, June 21.

Graduation exercises will be held in the auditorium of Ypsilanti High School. The commencement address will be delivered by Cass S. Hough, president of the Daisy Manufacturing Company of Plymouth.

### Measles Is Still Serious Disease

Pearl River, N. Y.—Measles, contrary to the belief of many, must still be considered a potentially serious disease, according to scientists at Lederle Laboratories here.

Although, in general, measles is a mild disease, and the immediate mortality from it is very low, complications following in its wake can be extremely severe and long-lasting. For example, broncho-pneumonia, lobar pneumonia, and influenza pneumonia are relatively common in infants and young children following measles.

According to the Lederle scientists, less than 10 per cent of our population escapes this virus-caused disease in early childhood. They also report that measles is often more serious in an adult than in a child.

While measles is of more concern among the pre-school group, authorities warn that all persons must be considered susceptible until they have had the disease. (However, most babies born of mothers who have had measles are immune for the first few months of life.) Permanent acquired immunity is usual after recovery from an attack.

Passive immunity, giving immediate but short-lived protection, can be obtained by the introduction of specific antibodies derived from human blood. The product utilized is Immune Serum Globulin, or gamma globulin fraction of plasma. Immune bodies are found in this fraction of plasma of a person after an attack of measles. Injected into the blood of a person who hasn't had measles, this serum gives temporary protection.

Research is underway to develop an attenuated (weakened) measles vaccine which will give active, long-lasting immunity.

Mr. and Mrs. Roy Toburen and Mr. and Mrs. Phillip Lloyd all of Dundee were Sunday dinner guests of Roy Toburen's brother and wife, Mr. and Mrs. Carl Toburen.

## Million Dollar Highway Contracts Let By State

### Sharon Farm Bureau Members Purchase Fair Membership Tickets

Mr. and Mrs. Charles Kuhl entertained the Sharon Farm Bureau on Friday evening. Chairman Mahlon Smith opened the meeting and discussion leader Clyde Gieske had for the discussion topic "Are politics in our schools?" The group decided that this type of thing has not invaded the rural school system in this area.

Mr. M. Smith told the group about the progress of the fair board in making plans for this year's community fair. Mr. Smith is a member of the board. The Sharon group decided to purchase fair membership tickets from Mr. Smith to help finance the fair. Mr. Smith explained that the fair membership tickets also give the holder a right to attend all the fair functions, during the three day period. So enthusiastic was the Sharon group that Mr. Smith sold all the tickets he had with him at the meeting.

Robert Jones of Bloomville, O., is spending the summer with Mr. and Mrs. Marvin Breitenwischer.

### GOP Has Number Of Contests In County; Dems Only One

## Coming Events

The Brotherhood of the Emanuel Evangelical church will hold a picnic at Carr Park on Thursday, June 26th at 7 p. m.

The Exchange Club will hold their last meeting of the season on Monday evening at Allie Luckhardt's at Wampler Lake with Allie as host.

The Tabern Society of the Emanuel church and the Guild of the church will hold an ice cream social on Thursday, July 10th, on the church grounds.

The OES and the Masonic lodge will be guests at the Emanuel church at the 11 a. m. service on Sunday, June 22nd.

The Sharon Extension will meet at the home of Mrs. William Dresselhouse on Wednesday afternoon, June 25, for their regular meeting.

The King's Daughters will hold their meeting Thursday, June 26, at the home of Mrs. Donald McIntosh with Mrs. William Palmer, the co-hostess.

MOMS Club Tag Day will be Saturday, June 28th.

### Manchester's Dwight Eisenhower Invited To T.V. Show

Mrs. C. H. Eisenhower received quite a thrill last week when she answered a telephone call from New York City stating that her son Dwight D. Eisenhower had been chosen to appear on the T.V. program "The Name's the Same." Young Dwight, who is eight years old, was to have been in New York to appear on the program Wednesday evening, June 18.

His name had been submitted for consideration to the New York T.V. program by Mrs. Ray Tirb of Manchester. Because Dwight had been exposed to measles and because Mrs. Eisenhower had to make an immediate decision she declined the offer for both her son and herself to appear on the program.

Mr. and Mrs. Stanley Maurer attended the class night and graduation of her sister Grace Steeb at Saline.

With Tuesday the final day for filing nominating petitions for candidates for the Primary Election which takes place on August 5, a full slate is presented. Qualified voters who have until July 7 to register will have ample time to study the candidates and make their individual selections. The importance of the Primary election is that at that time the party representatives are chosen. The November elections determine the parties. Study the candidates, inform yourself about them and be prepared to make wise selections.

For U. S. Senator: John T. Martin, Jr., Grand Rapids, now Auditor General; Charles E. Potter, Cheboygan, now 11th District Congressman; Dr. Eugene Keyes, Dearborn, former Lt. Governor; Clifford A. Prevost, Detroit, secretary to Mayor Cobo, all Republicans. Blair Moody, Detroit, incumbent Senator and Louis C. Schwinger, Saginaw, former State Representative, Democrats.

For Governor: Fred M. Alger, Jr., Grosse Pointe, now Secretary of State; William C. Vandenberg, Holland, now Lt. Governor; Donald S. Leonard, Detroit, former State Police Commissioner, for Republican nomination; G. Mennen Williams, Grosse Pointe, incumbent, Democrat, is unopposed.

For Lt. Governor: George Welsh, Grand Rapids, former mayor; Clarence A. Reid, Detroit, State Senator; Harry Henderson, Franklin Hills, former Liquor Control Commissioner, chairman; Thomas Leith, Brighton, mayor; David Young, Saginaw, former State Representative. On the Democratic ticket, John Connelly, Detroit, former Lt. Governor.

For Congress, Second District, including Jackson, Lenawee, Monroe and Washtenaw counties: George Meader, Ann Arbor, incumbent; Arthur P. Lophshire, Clinton; Norman E. Suller, Erie, Republican; John P. Dawson, Ann Arbor, U. of M. professor, will run on the Democratic ticket.

For State Senator from the 19th district, Elmer R. Porter, Blissfield, incumbent.

In Washtenaw county there is but one contest in the Democratic party. That is for the office of prosecutor. Both Aaron Priebe of Ypsilanti and Louis C. Andrews, Jr., filed petitions for that office. Lawrence Otterdorf, 35, of Ypsilanti, filed as the candidate for sheriff. Viola B. Blackenburg filed for the office of state representative. Mrs. Mary Ellen Kirk for register of deeds, Richard Weber of Ypsilanti will run for treasurer. Roy Merrill, Webster township farmer, will try again for the post of county drain commissioner.

On the Republican side, several primary fights have developed. Attorney John W. Rae and Chief Assistant Prosecutor Edmond F. DeVine have filed for nomination as prosecutor, as well as William F. Ager, Jr., and Leonard H. Young, formerly assistant prosecuting attorney. Incumbent Douglas K. Reading is not seeking reelection.

John L. Osborn will seek reelection as sheriff, while Robert Winnick of Ypsilanti will oppose him. W. F. Verner, county treasurer; Lewis C. Christman, First District Representative; Joseph Warner, Second District Representative and Thomas S. Fitzgerald, register of deeds, are seeking reelection.

Luella M. Smith, incumbent county clerk, is unopposed.

These are the candidates and it is up to each individual voter to inform himself concerning their qualifications and make a wise selection. Election, especially the Primary, means Selection.

### Suzanne Merriman Graduates From Michigan State

Suzanne Merriman, daughter of Mr. and Mrs. George Merriman graduated from Michigan State College from the school of business and public service division of journalism with a B.A. degree. The graduation exercises were held at Macklin stadium. Mr. and Mrs. George Merriman were among those who attended.

She has accepted a position with La Salle and Koche in Toledo and will begin work there on July 7th in an executive training program.

## Reduce Speed; Cut Accidents Officer Urges

Sergeant Claude Bartell, commander of the Clinton post of the Michigan State Police, is appealing to motorists to practice strict, self-enforced speed control to reduce the alarming high number of highway accidents.

"Excessive speed is public enemy number one on the highways," Sergeant Bartell said. "It is a factor in two out of every five fatal traffic accidents."

"During the summer months when travel is at a peak, speeding is especially hazardous and deadly. Week ends are the worst."

Last year 470 persons were killed in Michigan traffic during June, July and August. An average of 21 fatalities occurred every week end.

"Motor vehicle travel this summer is expected to exceed an average of 80 million miles per day. Unless greater caution is taken, particularly in maintaining safe driving speeds, the accident toll will again be shamefully high."

"There is no good reason why accidents cannot be kept at a minimum. It simply requires some effort on the part of drivers. By practicing courtesy, caution and common sense lives can be saved and injuries and accidents prevented."

"If you take a motor trip, get off to an early start. Take your time and stay with the normal flow of traffic. Adjust your driving speed to conditions. Be careful and be here next year."

## Cheboygan, Lapeer Counties In Feud Over Potter's Candidacy

This year's Presidential election—important though it is to the nation—will be a secondary issue in two Michigan counties.

For these two counties—Lapeer and Cheboygan—are feuding over the U. S. Senate candidacy of Republican Congressman Charles E. Potter.

It all began when Potter's friends in Cheboygan, where he lives, put huge banners across all avenues of approach to Cheboygan proclaimed that Cheboygan was the home of Charlie Potter, hometown boy and next Senator from Michigan.

Words of those signs quickly filtered into Lapeer, where Potter was born and grew up. Tempers flared (goodnaturedly, of course) and, after hurried consultation with some of the key people of Lapeer county, Lapeer Sheriff Clark Gregory took a quarter page ad in the two Cheboygan newspapers, financing a night challenge squarely into the teeth of Cheboygan Sheriff John A. Garrow.

"You may claim Charlie Potter as your Congressman now, but we want him back," Garrow said.

"If Potter gets a larger percentage of a national vote in Lapeer county than in Cheboygan county, I want a fair, low American flag to go flying from the Cheboygan County Courthouse. I'll be there to see it fly."

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

"I'll be there to see it fly," Garrow said.

## HINTS FOR HOMEMAKERS

### HOW DO YOU CHOOSE A VACUUM CLEANER?

by the General Electric Consumers Institute

If you're thinking about buying a new vacuum cleaner, take time to look the market over. Because nowadays you have a choice of three types—the upright cleaner, the tank-type cleaner and the new canister cleaner.

**Upright vs. Tank-Type**  
The upright cleaner, with its motor-driven brush which actually beats out the dirt, has an advantage over the other types in getting ground-in grime out of your rugs and carpets. And with its set of brush and nozzle attachments, it's equipped to do a good-cleaning job on the rest of the house, too.

But an upright cleaner lacks the obvious mobility of the tank-type cleaner, which is easy to move from room to room and also comes equipped with attachments for cleaning furniture, draperies, walls and floors.

**Canister Cleaner Is New**  
Newest cleaner on the market—and the most effective, according to the General Electric Consumers Institute, is the canister-type cleaner, which, like the tank-type, depends on suction to remove dirt, dust and grime from all parts of your home.

Set new canister cleaner down in the center of an average-size room—and use extension tubes and attachments to reach every corner without moving the cleaner at all.

The best canister cleaners have a swivel-top arrangement that lets you set the cleaner down in the center of a room and use extension tubes and attachments to reach every corner easily without moving the cleaner itself.

**Attachments Are Versatile**  
There's a rug nozzle for rugs and carpets (and a suction control to reduce suction on small carpets and scatter rugs), an upholstery nozzle, a dusting brush for furniture and baseboards, a crevice tool for the hard-to-get corners of upholstered furniture, a utility brush for stair carpets and for removing lint from woolen suits, a floor and wall brush—and even a sprayer for liquid wax and water-thinned paints.

Both tank-type and canister cleaners have this advantage, too. They can be stored in a conveniently small space, with attachments stored nearby in their own compact carrying case.

They have also authorized and requested the United States Mint at Philadelphia to issue such coins at face value to the Federal Reserve Banks, and through them to other banks and trust companies in the United States, upon their order, for sale to the public at such premium. The Act, as amended, provides that all proceeds from the sale of these coins shall be used in the manner decided upon by the two organizations to oppose the spread of communism among Negroes in the interest of the national defense.

**Beauty-Armor.**  
On furniture, the function of products known as wood fillers and sanding sealers is to smooth out the surface irregularities which are unavoidable defects. Over these go the final coats of varnish or lacquer which produce the smooth and lustrous coating that contribute beauty as well as protection to the furniture. The total thickness of the finishing coats is usually between one and three thousandths of an inch.

**Top Source**  
The nickel-sulfide ores of Northern Ontario, Canada, have become the largest source of copper in the British Empire and are probably the largest single source of platinum ingots in the world.

## LEGALS

## Parade Of Progress Saturday, July 5th

Henry Gonner, Manager of the Greater Jackson Association, today invited Manchester area businessmen, manufacturers and private citizens to participate in Jackson's "Parade of Progress", Saturday, July 5.

Mr. Gonner said the parade which climaxes a week of celebrations marking business, industrial and agricultural progress in the greater Jackson area, will form in Jackson at 5:30 PM and begin to march at 6:30 PM sharp. He said the Greater Jackson Association is particularly interested in obtaining decorated floats representing businesses of communities from the surrounding greater Jackson area. He said that it is anticipated that more than 20 bands will march in the procession, which will emphasize the "old and the new" in the Jackson area scene. Floats and exhibits will show community progress from horse-drawn fire engines to the "cars of tomorrow" of some of the world's

leading auto manufacturers, Mr. Gonner said.

He asks that local residents interested in participating in the parade, contact the Greater Jackson Association, 100 East Michigan, Jackson, as soon as possible.

## Commemorative Coins Authorized

An Act of Congress approved August 7, 1936, authorizing the issuance of 50-cent pieces to commemorate the life and personality of the ideals and teachings of Booker T. Washington has been amended to authorize the issuance of 50-cent pieces to commemorate the lives and personality of the ideals and teachings of George Washington Carver.

The Booker T. Washington Foundation Memorial and the George Washington Carver National Foundation have been authorized to design and issue such commemorative coins. The act also authorizes the Secretary of the Treasury to issue such coins.

**Fact No. 1**  
Model for model—costs less  
Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

**Fact No. 2**  
Mile after mile at rock bottom cost  
Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

**Fact No. 3**  
Right truck for the job saves money  
Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

**Fact No. 4**  
Lower, slower depreciation  
Records show that Chevrolet trucks traditionally bring more at resale than any other make which costs about the same new. The market value of Chevrolet trucks stays up because the value stays in.

**RUGGED and thrifty, too!**

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

### Jesus Calls Us

Thursday, June 19  
Launch out into the deep and let down your nets for a draught. (Luke 5:4.) Read Luke 5:1-11.

Most of us have heard the jibe that it is not known whether Christianity will work because it has never been tried. This is almost baseless but it has sufficient truth to make it embarrassing. The faith of every Christian lacks something, especially on some occasions.

At the time this is being written I am planning a sea voyage. To make such a trip means that I must commit myself absolutely to a ship and its pilot. The venture will never get started without this confidence.

Our Savior's charge to Simon was: "Launch out into the deep." Simon was unafraid physically but he feared it would be useless. He

had already tried it in his own strength and wisdom. However, he obeyed and he and other fishermen "inclosed a great multitude of fishes; and their net brake." Then Peter "fell down at Jesus' knees, saying, Depart from me; for I am a sinful man, O Lord."

Wonderful experiences are assured when we commit ourselves unreservedly to Jesus Christ as Savior and Master.

Prayer—  
Father in heaven, give us faith to trust Thee in committing all of life unto Thee in obedience and service. We know that Thou wilt make us fruitful. We pray in the name of our Lord and Savior, Jesus Christ. Amen.

Thought for the Day  
"Jesus is pleading, oh, . . . hear Him today!"  
—Tim J. Campbell, Lawyer (Iowa)

## WALK WARILY!

Remember the right-of-way! When you're a pedestrian, the right-of-way argument is a feeble argument against one and a half tons of chrome-crusted steel. After all, a motorist is just a pedestrian on wheels and vice-versa, so why fight about it. In this year of the 200th anniversary of the founding of mutual insurance by Benjamin Franklin and his associates, Liberty Mutual Insurance Company says: "Walk warily, don't give your little guardian angel extra work. He's busy enough as it is."

## Hot Weather Desserts

By JANE ASHLEY

That hot weatherman is beginning to show his face again. So take time out to collect new recipes and ideas for the family's favorite ice cream. And whether you buy or make this refreshing dessert, serve it frequently with one or more of the following good sauces.

### Chocolate Sauce

- 1/2 cup cocoa
- 1/2 cup sugar
- 1/2 cup Karo Syrup, Red or Blue Label
- 1/2 teaspoon salt
- 1 cup cold water
- 2 tablespoons butter or margarine
- 1 teaspoon vanilla

Combine first five ingredients in a saucepan. Cook over medium heat, stirring constantly, until mixture comes to a full boil. Continue cooking, stirring occasionally, 5 minutes. Stir in butter and vanilla. Serve warm. Makes about 2 1/2 cups.

### Marshmallow Sauce

- 1 cup light corn syrup
- 1/2 cup sugar
- 1/2 teaspoon salt
- 1 egg white
- 1/2 teaspoon vanilla

Place syrup in small saucepan. Bring to a boil over medium heat. Cook to 234° F. or until small amount of syrup forms soft ball in cold water. Meanwhile, add salt to egg white and beat with electric or rotary beater until stiff but not dry. Continue beating and gradually add hot syrup. Add vanilla and beat about one minute. Sauce may be stored in the refrigerator. If sauce thickens too much on cooling, thin with a little hot water. Makes 2 cups.

### Fresh Fruit Sundae Sauce

Combine 1/2 to 3/4 cup light corn syrup and 1 1/2 cups fresh, crushed strawberries or raspberries, diced

peaches or pitted, sliced sweet cherries. Sieve raspberries, if desired. Chill. Serve as sauce for ice cream. Makes 4 to 6 servings.

### Butterscotch Sauce

- 1 cup dark corn syrup
- 1 cup sugar
- 1/2 teaspoon salt
- 1/2 cup light cream
- 2 tablespoons butter or margarine
- 1 teaspoon vanilla

Combine all ingredients except vanilla in saucepan. Cook over medium heat, stirring constantly, until mixture comes to a full rolling boil. Boil briskly 5 minutes, stirring occasionally. Remove from heat. Stir in vanilla. Serve hot. Sauce may be stored in refrigerator. To reheat, place in pan of hot, not boiling, water until thin enough to pour. Makes 2 cups.

For variety, make this delicious, easy-to-prepare ice.

### Apricot Ice

- 1/2 cup water
- 3/4 cup light corn syrup
- 2/3 cup sugar
- 1/2 cup lemon juice
- 2 1/2-oz. cans (3 cups) apricot nectar
- 2 egg whites

Combine water, corn syrup and sugar in a saucepan. Bring to boil over medium heat, stirring until sugar dissolves. Boil 5 minutes. Cool. Add lemon juice and apricot nectar. Pour into refrigerator freezing tray. Freeze with cold control set for fast freezing, until mixture is firm, about 1 hour. Place in chilled bowl and beat with rotary beater until smooth. Beat egg whites until stiff but not dry; fold into apricot mixture. Return to freezing tray and continue freezing until firm, 2 to 3 hours. Set control midway between fast freezing and normal for storage. Makes about 1 quart.

## Townships Take Steps On Zoning

Lima and Sylvan townships are proceeding in initiating action to set up zoning ordinances, following publication of resolutions adopted at their respective township board meetings. The resolutions for establishment of rural zoning districts in the two local townships were passed following receipt of petitions signed by the required number of qualified voters.

The number of signatures required equals 8 percent of the total vote cast for all candidates for governor at the preceding general election in the township. Each township may have its own ordinance drawn up to fit its own needs.

Next in the zoning proposition is the appointment by the probate judge of a township zoning board, which must have at least four members and may, in some instances, have up to seven members. The zoning board members are named by the judge of probate from a list of names submitted by the township board.

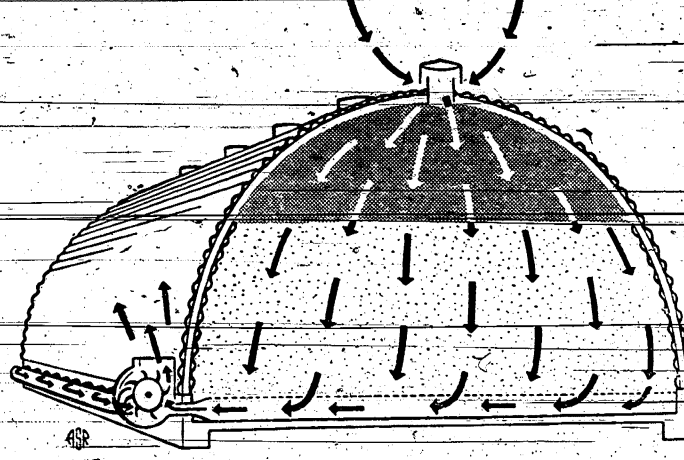

Sylvan township's zoning board was appointed at a session of the probate court. Named by Probate Judge Jay H. Payne were Reuben Lesser and Harold P. Glazier for three year terms; Dorr Whitaker and George Brettschneider, two year terms; and Floyd Rowe, one year. The five man board is to be sworn in by the township clerk, Walter Kautleher, and then meet to organize and elect officers.

The Lima township board is also preparing to submit a list of names when it meets again. Elmer Mayer, Sharon supervisor, said nothing had been done to date regarding zoning in Sharon township.

Edwin F. Schauble, Freedom township supervisor, said there was some talk in starting the necessary procedure to set up a zoning ordinance, but as yet nothing has been done.

Homer Stoffer, Lyndon township supervisor, said that the matter of zoning has been discussed at various

## Air Downflow Conditions Grains

An improved, inexpensive means of drying and storing corn, wheat and other small grains on the farm or in commercial quantities is indicated by success of a Quonset adaptation featuring downward flow of unheated air, as sketched above. The new method, developed and operated by the Craighead Rice Milling Co. of Jonesboro, Ark., has proven effective in handling rice—one of the most difficult crops to keep safely—cotton seed and soybeans. It takes advantage of the principle that grain in flat bulk storage can be cooled and dried by drawing outside, unheated air downward through the pile, rather than blowing it upward as is conventional practice. In the Jonesboro operation during the 1951-52 season, the air flow was maintained continuously for an initial 45-day period, then intermittently as grain temperature required. This aeration reduced moisture content of rice from as much as 22 to 14 per cent in two months time. Germination and milling qualities of the grain thus dried and stored were better than usually experienced by customary methods.

ious group meetings and that the general outlook is that zoning would meet with favor.

Elba Gage is supervisor of Sylvan township and Leigh Beach is supervisor of Lima township.

### Courting Drakes

In the breeding season of wild ducks, mallard drakes' dogfight in the air for a female's favor. Among the dignified canvassbags, however, the competing males stage a chest-to-chest pushing contest on the water, each swimming as hard as he can move his webbed feet. When one begins to slip backward, his contest is lost, and he must turn and dive before his opponent seizes him by the back of the neck.

### Traffic Deaths

American war casualties during the first 18 months of fighting in Korea averaged 33 deaths per day, the same toll that prevailed in the first year of the war to last June 25. On U.S. highways the automobile fatality toll for the identical 18 months since the start of the Korean war has been computed at 103 deaths per day, four higher than the daily average for traffic deaths during the first year of the war.

### Date Line

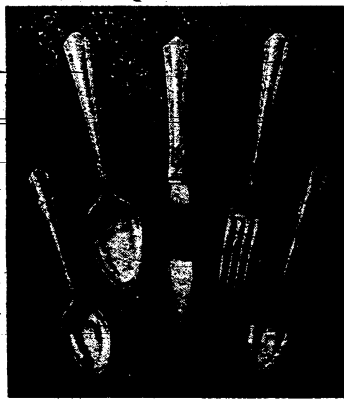

The Confederate states were formed in 1861.

### Top Mill

The world's largest lumber mill is at Lewiston, Idaho.

MONSTER TANK CARRIER TRIES TEST ROAD—This 200,000-pound Army tank retriever was one of the heavy vehicles used on the Maryland Test Road by highway engineers in an experiment which proved that pavement built on gravel will carry weights far greater than the heaviest commercial trucks permitted anywhere.

Motorists today drive smoothly at 50 mph over the site of the road test, despite earlier unofficial reports the road was "ruined" by the specially heavy test trucks which were shuttled back and forth 24 hours a day for six months.

The Highway Research Board's official findings, just released in Washington, D. C., describe how the engineers withheld normal road maintenance so that washouts of clay beneath the pavement would permit cracking they could measure against various weights.

The report shows that the 28 concrete slabs on good soil didn't crack, and the tank retriever was run over this part of the highway to confirm that a properly built road can support heavy loads.

The inadequate Choptank clay under 85 percent of the test road, it was said, exists nowhere except in a few parts of Maryland and Delaware, but the engineers' findings indicate that pavements built anywhere on poor soils, without adding gravel, require faithful maintenance if rain and weathering are not to weaken them so they cannot bear even ordinary traffic.

The Maryland Test Road was reopened to public use after the state highway department spent \$9,918 on it, mostly to fix shoulders and drainage found faulty before the test.

Highway designers and builders are hopeful that the Maryland test and others in prospect will point the way to better highway construction and care. They have learned that a good foundation is a good start, for any road.

Michigan, June 23-28. The Sharon Y.F. is sending delegates.

The "Comrades" Sunday School Class will have a party at the home of Leonard and Ronald Spiegelberg, on Tuesday evening, June 24th.

LOCAL NEWS

Diane Ahrens, daughter of Mr. and Mrs. Harold Ahrens left Monday to attend Girls' State at Ann Arbor. She is being sponsored by the Legion Auxiliary.

Rev. and Mrs. Harry Young and Owen Cathey are attending the Methodist conference at the Metropolitan Methodist church at Detroit, Wednesday through Sunday.

Mr. and Mrs. Elmer Paul called on Mr. and Mrs. Floyd Dougan at their cottage at Wampplers Lake on Sunday. In the evening Sunday luncheon guests of the Paul family were Ladonna and Delores Jones of Norvell, LeRoy Buss and Madonna Zahn of Pleasant Lake.

Mr. and Mrs. Basil Schwab, Mr. and Mrs. James Sloat and Mr. and Mrs. Cloyce Smith were guests of Mr. and Mrs. Sherman Sloat of Onaway from Thursday through Sunday and attended the graduation exercises for Sherman Sloat's daughter Barbara from the Onaway high school.

Mr. and Mrs. Alfred Burkhardt and Miss Alice Wilson and George Willitt of Detroit enjoyed a Sunday luncheon at Scheulers at Marshall on Sunday evening.

Sue Merriman attended the wedding of a classmate Beverly Roberts to Fran Carey of New Jersey at Mendon last week. Sue was a house guest at the home of Nancy Hotop of Kalamazoo.

Virginia Wahr, Bessie Cook, Marjorie Foster, Rose Seller and Wilda Esch all Ford employees and their families enjoyed a picnic dinner at Wolf Lake last Friday.

Friends here will be sorry to hear of the death of Mrs. Maude Flaughler, mother of Mrs. Eward Ayres, formerly of Manchester. Mrs. Flaughler passed away while making her home with the Ayres family, now of Farmington.

Mr. and Mrs. William Reno were Sunday dinner guests of Mr. and Mrs. William Watson. Sunday supper guests at the Watson home at Pleasant Lake were Miss Evelyn Pugh of Virginia and Miss Marian Carson of Green Bay, Wisconsin. Both were teachers at the Dearborn schools.

Mrs. Nellie Burtless of Lansing arrived Tuesday to visit Mrs. B. F. Burtless.

John Conser, who graduated from St. Joseph's high school at Adrian has been accepted at Sacred Heart Seminary at Detroit. He plans to enter in the fall.

The Washtenaw County Historical Society is planning to make a tour of Monroe and other points on Saturday. The group plans to leave Ann Arbor at 2 p.m.

Sarah Reck and Gretchen Hardenbergh appeared in ballet numbers at the Sylvia Hamer Dance recital which was held Friday and Saturday evenings at the Ann Arbor high school.

Among those from here who attended were Mrs. George Merriman and Suzanne, Mrs. Paul Kappler, Mrs. George Nichols and Eunice and Judy, Elizabeth Oates, Mary Ann Wallace and Mrs. Franklin Reck and Mrs. Roger Hardenbergh.

Rev. and Mrs. Beardsley newly appointed pastor of the E.L.B. church were honored at a reception on Sunday evening given by the members of the church. The program consisted of songs and readings which was climaxed by a pound shower with gifts consisting mostly of food for the pantry shelf. Refreshments of cake and ice cream were served.

Of interest to Manchester residents is the birth of a daughter, Ann Louise, to Mr. and Mrs. Robert Way, on June 7. Mr. Way is the son of Mr. and Mrs. Orville Way of Manchester. Mr. Way is teaching at Washington, D. C. Geraldine Way is spending some time with her brother and family.

Mr. and Mrs. Walter Long spent the weekend with Mr. and Mrs. Earl Cosner and family of Milan.

Mr. and Mrs. Gordon Bowers had as dinner guests on Sunday Mr. and Mrs. Owen Bowers and family of Hudson, Mr. and Mrs. Lawrence Bowers and Mr. and Mrs. William Courtwright of Manchester. Other callers in the afternoon were Mr. and Mrs. Franklin Wood and family of Clinton. Mrs. Ed Brighton, who has been spending the past week with her daughter and family, the Gordon Bowers, left Sunday morning for her home at Decatur, Illinois.

Mr. and Mrs. Claud Gage and family, formerly of Clinton, have recently moved to their home at 239 South Macomb street. They recently purchased this house from Louis Wolfe.

Mr. and Mrs. Robert Hamilton

and family spent Sunday with her parents, Mr. and Mrs. Willis Palmer at Britton.

Mr. and Mrs. Audley Steele and family of Elwood City, Pa., spent last week with his brother LoRenzo Steele and family. Master Sgt. Raymond Steele of Battle Creek was a week end guest at the LoRenzo Steele family.

Mr. and Mrs. A. E. Wacker and son George returned home Monday after a week's vacation at Oscoda.

Mr. and Mrs. Leon Van Deusen of Clinton and Mr. and Mrs. Jerry Bahnmiller and Pvt. and Mrs. Grant Van Deusen of Ann Arbor were Friday evening dinner guests of Mr. and Mrs. Oscar Bahnmiller. Pvt. Van Deusen left Sunday for Camp Stoneman after spending 14 days with his wife in Ann Arbor.

Dr. and Mrs. John Nill and family of Detroit and Mr. and Mrs. Ernest Mann of Saline were Sunday dinner guests of Mr. and Mrs. Willard Mann.

Mr. and Mrs. Leland Derymeyer and children of Adrian and Mrs. William Uhr were Sunday supper guests of Mr. and Mrs. Robert Panches.

Mr. and Mrs. Earl Uhr and Connie entertained Mrs. Williams Uhr at dinner on Sunday.

Of interest here is the birth of a son to Mr. and Mrs. Lynn Brown of Napoleon. Larry Lynn was born on Friday, June 6th at Foote hospital at Jackson.

Mrs. Brown is the former Pauline Esch, daughter of Mr. and Mrs. Lambert Esch. Arlene Esch is spending this week with her sister and family at Napoleon.

Mrs. Clifford Kendall of Battle Creek and Mrs. Duane Rogers of Saline called on Mrs. Mary Calhoun and while here the three ladies called on Mrs. Gertrude Esch.

Mrs. Franklin M. Reck went to Lansing Friday to attend the executive board meeting of the Michigan Library Association.

Mr. and Mrs. John Bowler of Manchester and Webster Bowler and family of Grosse Pointe Farms were Sunday dinner guests of Mr. and Mrs. George Bowler of Ann Arbor.

Lauren Bowler, son of Mr. and Mrs. Webster Bowler is spending a few days this week with his grandparents Mr. and Mrs. John Bowler.

Mr. and Mrs. Millard Uphaus are in Benton Harbor this week attending the Exchange club convention. Millard is the delegate from the Manchester Exchange club. While his parents are at the convention Tommy Uphaus is visiting at the Erwin Paul home.

Mr. and Mrs. Lehman Wahl returned home Sunday from the Knights of Columbus convention which was held at Mackinaw Island from Thursday through Saturday. Mr. Wahl was a delegate from the Chelsea-K. of C.

Guests of Mr. and Mrs. Vincent Lepshis on Wednesday were

Mrs. Lepshis' sister and husband Mr. and Mrs. Peter Schavo and Mrs. Anna Sassack and children all of Detroit. Thirteen year old George Sassack will remain to spend the summer with the Lepshis family.

Mr. and Mrs. Donald Weed attended the 25th class reunion of his class at Schoolcraft, Michigan on Saturday evening. Mr. and Mrs. Dan Boutell attended a family picnic at Kingsington Park on Sunday.

Mr. and Mrs. Louis Wolfe of Ypsilanti were Sunday guests of Mr. and Mrs. Fred Schaffer. Rev. Karl H. A. Rest preached the ordination sermon in St. Luke's Church, San Pierre, Indiana, on Sunday evening, June 15 in the service of ordination of Richard Selmer.

Former Manchester High school coach, Elbert Stark and Nan Beverly will be married at the First Methodist Church at Logan, Ohio, on Sunday, June 22. Mr. Stark has been teaching at Mount Morris, Mich.

Born to Mr. and Mrs. Richard Hlavka, on June 11, a son, Richard rances, at the Tecumseh Hospital. Mrs. Hlavka and little son returned home Tuesday. The baby weighed 8 lbs. and 5 ounces at birth. Mrs. Hlavka is the former Lillian Adams.

Rowes Corners Extension

The Rowes Corners Extension met at Little Wolfe Lake for a potluck dinner on Wednesday, June 11th. There were 20 present at the dinner after which games were played.

This is the last meeting until September 10 when meetings will be resumed with the first one to be at Mr. and Mrs. Glen Feldkamps on that date.

Peanut Farmers

Two Edgcombe County, N. C. farmers increased their peanut yields by five to eight bags per acre by spacing their rows closely.

Farewell Party For Mr. and Mrs. Paul

Mr. and Mrs. Lawrence Paul were feted at a farewell party last Wednesday evening by their neighbors. The couple was presented with a beautiful table lamp by the group. Mr. and Mrs. Paul who have lived in the same house for the past 29 years are moving to Brooklyn, Route 2.

Smoke Unnecessary  
Smoke is caused by incomplete combustion, and it can be eliminated by proper firing and proper equipment.

Hilma Bunney Weds William Tervo

On Saturday, June 14, Hilma Bunney, daughter of Mr. and Mrs. Charles Wurster, was married to William Tervo of Ann Arbor. The double-ring service was performed in the presence of the immediate families at the bride's home at 512 Duncan street at seven p.m. by the Rev. Karl H. A. Rest of the Emanuel Evangelical and Reformed church. Bouquets of white peonies and pink and white-majestic daisies and feverfew and lighted candelabra formed the background for the wedding.

The bride wore an orchid taffeta ballerina dress with a net overskirt. Her corsage was of yellow roses and stephanotis with a matching headband. Miss Nancy Lou Tervo, daughter of the bridegroom was the maid of honor. Her dress of white net and taffeta was styled like that of the bride, and her corsage was of red roses and stephanotis. Her headband was of baby mums and stephanotis.

Theodore Williams of Ann Arbor served as best man.

A reception followed at the Emanuel church hall. Mrs. William Kulehamp, jr. of Ann Arbor, sister of the bride, cut the wedding cake. Assisting were Mrs. Ben Evisizer, jr., Mrs. Ted Stautz, both of Manchester, and Mrs. Harold McLean of Ann Arbor.

## Luncheon Scoops

by Wendy Warren

A confirmed candid camera fan—Red Skelton has made those around him self-conscious to a point summed up by a friend who had been shot by Red three times in one day.

"Every time Red points a camera at me, I feel I must put an ear on upside down!" he muttered uneasily, as he straightened his tie and gazed apprehensively into a mirror.

This yen of Red's to snap pictures stems from his tremendous interest in people—and also a desire for perfection in his chosen craft.

The lively comedian, whose NBC-TV "Red Skelton Show" is viewed Sunday evenings, also collects stray bits of conversations. The snaps of his friends and acquaintances taken when they are relaxed and natural—the bits of conversations—are part of research on comedy characterizations for his repertoire.

Red Skelton

## Wayne Coeds Bake Cherry Pies With Michigan-Grown Cherries

Wayne University home economic students Mary Ann Greiner of Mt. Clemens (left) and Marjorie Gray of Hart proudly view the cherry pie they baked in one of the University's home economic laboratories.

Can you bake a cherry pie? "Yes," say the home economic coeds at Wayne University in Detroit, "quicker than you can wink an eye."

According to Mrs. Frances G. Sanderson, chairman of Wayne's home economic department, all her students want to learn how to bake good cherry pies, because this is one of America's favorite desserts. These coeds are living in just the right state to practice their culinary art, for Michigan's contribution to our nation's eating delight is greater than the rest of the United States put together.

Cherry orchards are a familiar sight throughout the entire extent of the Michigan fruit belt. The Grand Traverse Bay region in the northwestern part of the lower peninsula is blessed with a rarely found combination of sandy soil and atmospheric conditions which make it ideally suited to cherry growing.

The Old-Mission Peninsula, which divides Grand Traverse Bay into two arms has the most compact concentration of cherry trees in America. The surrounding counties of Grand Traverse, Leelanau, Benzie and Antrim, better known as the "cherry bowl" of the nation, will harvest over 90,000,000 pounds of fruit in a peak year.

A short season crop, the fruit ripens in July and early August. At that time the many thousand acres swarm with pickers ranging from itinerant workers which have moved in from Texas and Mexico to ambitious college students who are paying for their education by summer work.

Local plants and huge canneries operate day and night during the harvesting season at Traverse City, Frankfort, Northport, Glee Haven, and Beulah. Other canneries are located in Central Lake, Copemish, East Jordan, Elberta, Ellsworth, Onkema, Hart, New Era, Shelby, and Scottville. Here the cherries are canned, frozen, preserved as jam or maraschino for the candy and cocktail trade, made into jams, jellies, concentrated cherry juice and prepared for use in dubonnet ice cream.

In July, Traverse City, the hub of the "cherry bowl," turns the harvest season into a carnival by staging the Cherry Festival, electing a "cherry queen," and asking all loyal-minded citizens to eat cherry pie, gobble or ice cream for dessert.

## New Dean at U-M

**DR. C. E. ODEGAARD**  
On Sept. 1, 1952, Dr. Charles E. Odegard will become dean of the College of Literature, Science, and the Arts at the University of Michigan. Dr. Odegard has been executive director of the American Council of Learned Societies at Washington, D. C., since 1948.

## however, that I can receive No Names for Registration During the Time Intervening Between the Thirtieth Day Before Any Regular, Special or Official Primary Election and the day of such election.

Notice is hereby given that I will be at the following places on Friday, June 20, 1952, at Marx & Marx Store; Wednesday, June 25, 1952, at Marx & Marx Store; Friday, June 27, 1952, at Marx & Marx Store; Wednesday, July 2, 1952, at Marx & Marx Store; and on Monday, July 7, 1952—Last Day the thirtieth day preceding said Election as provided by Sec. 3, Chapter 3, Part II, P. A. 306, 1929 and Sec. 1, Chapter 4, Part II, P. A. 1939, Act 31, P. A. 1941, Act 291, P. A. 1945 and Act 108, 1951.

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of reviewing the Registration and Registering such of the qualified electors in said Township, City or Village as Shall Properly apply therefor.

The name of no person but an actual Resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Waldo G. Marx, Township Clerk.

## LEGALS

### Order for Publication—Final Administration Account.

No. 39354.  
State of Michigan, The Probate Court for the County of Washtenaw.

At a session of said Court, held at the Probate Office in the City of Ann Arbor, in said County, on the 14th day of June, A. D. 1952.

Present, Hon. Jay H. Payne, Judge of Probate.

In the Matter of the Estate of Frank Hartbeck, Deceased.

Laurence P. Wurster, Administrator, having filed in said Court his final administration account; and his petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate.

It is Ordered, That the 11th day of July, A. D. 1952, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for examining and allowing said account and hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Manchester Enterprise, a newspaper printed and circulated in said County.

Jay H. Payne, Judge of Probate.

A true copy.  
William R. Stagg, Register of Probate.

## Council Proceedings

Manchester, Mich., June 2, 1952. Council met in regular session. Called to order by President Cannon. Present trustees, Widmayer, Alexander, Kappler, Bent-schneider, Schwab and Koebke. Minutes of previous meeting read and approved.

The following claims were presented and ordered paid out of the proper funds. Carried.

General Fund—	
State Treasurer	250.81
Charles Schelor	88.65
David Patterson	81.77
F. L. Lowery	40.00
Consumers Power Co.	340.27
Mich. Bell Telephone Co.	31.81
Paul Ernst	66.50
Alfred P. Miller	46.50
State Treasurer	5.18
Water Fund—	
Consumers Power Co.	113.10
Highway Fund—	
Paul Ernst	42.25
F. L. Lowery	31.86
Alfred Miller	37.25
Lawrence Tirb	176.30
M II Fund	
Paul Ernst	13.50
F. L. Lowery	14.40
Alfred Miller	15.50
Village Truck	9.00

Moved by Kappler and supported by Schwab that Bills be paid as read; carried.

Moved by Schwab and supported by Alexander that garage permits for M. E. church and Mrs. Sarah Esch be granted. Yeas, carried.

President Cannon reported the lower bridge badly in need of repair and Clerk was authorized to write the State Highway Department and have them send a man out here to check the bridge and find out what is needed.

Moved by Schwab and supported by Widmayer that we adjourn. Carried.

L. A. Marx, Clerk.

## Local Briefs

Mr. and Mrs. Duffield Ball and family left Friday for Detroit where they spent the week end with Mrs. Mary LaDuke and sons and while there attended the wedding of Mr. Ball's cousin August Schultz to Grace Danna. The wedding took place at St. Margaret Mary's Catholic church at a 9 o'clock nuptial mass on Saturday morning. Mrs. Antonette Iwanicki accompanied the Ball family to Detroit for the week end.

Mr. and Mrs. Arthur Schiller of Dexter and Mr. and Mrs. Ross Packer and children of Ann Arbor and Mr. and Mrs. Albert Schiller of Chelsea were Tuesday evening guests of Mr. and Mrs. Duffield Ball.

Mr. and Mrs. Duane Gote-kunst of Jackson were Sunday callers of Mr. and Mrs. Charles Waltz.

Donna and Doris Kemner spent several days last week with their cousins Mary Ann and Dale Horning of Chelsea.

Mr. and Mrs. Donald Dressel-house arrived here Sunday from

Los Angeles to spend several days with his parents Mr. and Mrs. Ed Dresselhouse.

Charles Waltz was taken to the Tecumseh hospital on Tuesday.

Mr. and Mrs. Walter Trolz left Saturday morning to spend some time at their cottage at Bright Lake, Ontario, Canada.

On Sunday morning Leonard Scheid, son of Mr. and Mrs. Lawrence Scheid and Bill Ferguson left by train for Austin, Texas where the boys expect to spend the summer. While there they expect to visit Rev. Fr. Edwin Bauer, formerly of Manchester.

Mrs. Mina Trolz and Mr. and Mrs. Oscar Eschelbach accompanied Mr. and Mrs. Ted Westphal of Safford to Horseshoe Lake on Sunday afternoon where they visited Mr. and Mrs. Floyd Steffee at their cottage.

# HOT WATER

IS THE HOMEMAKER'S BIGGEST HELPER

Modern living requires PLENTY OF HOT WATER! It's the family's first defense against germs and disease. And it makes cleaning so much easier. Modern homemakers know that easier, better living, demands a dependable supply of Hot Water.

If your water heater is an old one—if it won't deliver all the hot water you need, it will pay you to get a modern automatic GAS Water Heater.

Without an adequate supply of hot water you can't enjoy the benefits of such modern labor-savers as the automatic washer or dish washer.

See the NEW AUTOMATIC GAS WATER HEATERS at your dealers. There's a model to meet the needs of every family. And you'll be amazed when you learn how inexpensive they are to buy and operate.

## REPORTS TO THE PEOPLE

LANSING—Instead of 160 additional prison guards which the Corrections Department estimated we need, the Legislature has given us 25.

Last week I signed a supplemental appropriation bill which fails to provide the forces needed to maintain security at the state's prisons.

I signed the bill because it seems to be the best we can get from the Legislature, but I regard it as woefully inadequate.

**PRISON NEEDS:** The fact-finding commission headed by the President of the State Bar reported that inadequate and ill-trained guard forces was one of the causes of the riot at Jackson.

The Corrections Department reported to me that it would need 122 more guards at Jackson and 38 in the other two prisons, to ensure against another outbreak.

I recommended to the Legislature that funds be provided for hiring that number of guards. Instead, we are getting 16 more at Jackson and 4 more at Marquette and 3 more at Ionia.

The prison authorities will do the best they can with what the Legislature allows them. But the public should know that the Legislature has not provided anywhere near the forces needed to ensure against another prison outbreak.

**STRAITS BRIDGE:** Along with former Senator Prentiss M. Brown, chairman of the Mackinac Bridge Authority, I went to Washington last week to urge President Truman and BEC officials to grant an \$85,000,000 RFC loan to build the bridge. We were joined in Washington by Charles T. Fisher, Jr., a member of the authority, and Senator Blair Moody.

We were all greatly encouraged by the enthusiastic reception we received at the White House. President Truman showed himself thoroughly familiar with Michigan's need for this bridge.

In fact he said "I'm all for it" and authorized us to quote him directly to that effect.

We then visited Mr. Harry A. McDonald, RFC head, and we found him equally favorable. The loan application, of course, must be processed through usual RFC channels, but we came back to Michigan very hopeful it will be granted.

**WHY RFC?** Many people have asked why we are asking this loan from the RFC, and why the Authority doesn't issue bonds through investment houses.

Mr. Brown points out that the main reason is this: if the money were borrowed from private bankers through a bond issue, we would have to take the entire \$85 million at one time and pay interest on all of it while the bridge was under construction. By borrowing from RFC, we can take whatever part of the money we need at any time and pay interest only on what we're using.

Over the four to five years it is estimated construction will take, this could mean a saving of \$5 to \$10 million.

The bridge is to be paid for entirely by tolls paid by those who use it. The country's best engineers have estimated that it will attract sufficient traffic to pay for itself in about 35 years.

**SOCIAL SECURITY:** Last week I sent a letter to Michigan members of Congress, urging them not to pay any attention to false statements that Michigan is opposed to a \$5 increase in old age and survivors' insurance benefits.

One Michigan public official has urged Congressmen to vote against this bill which would also extend social security to public employees under retirement plans. He called it "socialism."

In my letter I pointed out that the bill would mean an increase up to \$5 per month for 175,000 Michigan citizens who are now receiving old age and survivors' insurance benefits under the social security act.

Of these about 10,000 are receiving state old age assistance to supplement their federal social security benefits. The proposed increase in federal benefits would mean that the state's contribution could be reduced and the difference would be

saved to Michigan taxpayers.

**FLAG DAY:** The people of Philadelphia did me the great honor of inviting me to be the principal speaker at their annual Flag Day observance before Independence Hall last week.

It was quite a thrill to pay tribute to the Stars and Stripes on the spot where not only the flag was born, but also the Republic for which it stands.

**JOB:** For the third straight month, employment in Michigan has gone up.

The Michigan Employment Security Commission reports that unemployment during May dropped to 3.3 percent of the labor force. At the beginning of the year, when we launched our drive to find jobs for Michigan workers, unemployment stood at 6.3 percent.

There is still serious unemployment in parts of the Upper Peninsula, in Port Huron area, and in the Belding-Ionia-Greenville area. In all other areas the rate of unemployment has been sharply reduced.

Our fight against the unemployment crisis is by no means won, but we have made great progress. Much of it is due to the work of the Emergency Defense Contracts Commission which I established last winter to help get defense work into Michigan plants.

### Dr. Holstein Elected To County TB Board

Washtenaw County TB group has elected Ted McOmber of Ann Arbor, president of the Washtenaw County Tuberculosis Association to succeed Bert C. Reynolds. Mrs. Louis Holloway was elected vice-president and Enderick Schmidt was named treasurer. On the executive board are Mrs. Cecil O. Creal and Dr. Eleanor Smith. Named to the board of trustees are Dr. Arthur Holstein of Manchester, Mrs. Warren Daniels of Chelsea, Mrs. Robert Wuerfel of Dexter, Dr. Otto K. Engelke and John Moraw, both of Ann Arbor, T. S. Weber of Ypsilanti and Mrs. Sayre Reeves of Milan.

**Puncher's Trademark**  
No two railway conductors' ticket punches are exactly alike, each one being registered in the name of the conductor who uses it.

**A PERFECT CASSEROLE**—one that's a breeze to make—is the answer to every homemaker's prayer in the good old summer-time. And a dish that really fits that description is one made with tuna, condensed cream of mushroom soup, potato chips, and peas. Every item is standard stock on the kitchen shelf. So for the easiest, ever dinner, just reach and mix.

**Perfect Tuna Casserole**  
1 can (1 1/4 cups) condensed cream of mushroom soup  
1/2 cup milk  
1 7-ounce can (1 cup) tuna, drained and coarsely flaked  
1 1/2 cups crushed potato chips  
1 cup cooked green peas, drained  
Empty soup into a small casserole; add milk and mix thoroughly. Add tuna, 1 cup potato chips and peas to soup; stir well. Sprinkle top with remaining 1/2 cup potato chips. Bake in a moderate oven (350° F.) for 20 minutes. Makes 4 servings. NOTE: Frozen peas may be added to the dish uncooked; bake at 350° F. for 45 minutes and they will be done.

**"GONE FISHING":** You can hang that sign on your door any day this summer: just turn mealtimes matters over to the dandy soup-way to good eating. Keep a supply of condensed soups and there's always a quick lunch or dinner at your fingertips—like this: Vegetable or tomato soup, pimiento cheese sandwiches, crisp vegetable relishes for nibbling. Melon wedge with ice cream is the sweet finish.

**HIGH NOTES** in summer eating are bright-hued salad plates like this duet. Arrange two lettuce cups on a plate. Place a peach half in one, a scoop of cottage cheese in it, sprinkle with chopped nuts. In the other lettuce cup, put tuna salad made with crunchy celery and chopped stuffed olives. Garnish with celery curls. A basket of warm, cheese-sprinkled toast goes well with the salads.

# MICHIGAN OUTDOORS

With MORT NEFF

**OPEN SEASON FOR CAMERAS!** If you had a penny for every foot of film exposed to Michigan Outdoors this summer you'd have a corner on most of the copper in the country! However, if you got the penny for only every good picture taken you'd still have to worry about the high cost of potatoes along with the rest of us! Yet a very small amount of application on the part of the snapshotter or movie maker can turn a dull shot into something glamorous.

**Color Versus Black and White** There are two very different techniques employed in outdoor photography—one for you color fans, and the other for ordinary black and white "shutter-bugs."

Color film is pretty expensive by comparison to ordinary black and white rolls, so you're inclined to take more pains in your picture making. And the finished product, whether it's an actual color print or a transparency, can be a thing of beauty—or a sorry waste of money! To get anywhere near the proper relation to actual colors of nature you must have almost perfect EXPOSURE! Don't depend on your eye to judge light values when you're setting your camera. The best photographers in the world—with thousands of hours of shooting experience—always use a meter. It may cost as much as \$30—but it will always protect your investment in color film—and you'll bring home pictures you're proud to show.

**Natural Photography** Natural photography is the art of filming people and places as they really are, and not as they pose. Whether you're taking movies or stills, catch your subjects while they're talking, making the camp fire, clearing the big fish, or just walking ahead of you down a lovely trail. People's backs make good pictures, too, with the proper surroundings. Next time you put a fresh roll of film in the camera concentrate on this point of natural photography—and next week let's talk about a big word that's easy to handle through the viewfinder—composition. Master this in a couple of easy lessons and you'll bring home golden moments in Michigan Outdoors every time!

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:15 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

## A Forever Quality For Your Wedding Reception

The wedding day can be simplified for the busy hostess by using the buffet-idea for the party following the wedding ceremony... this is easy, casual and quite a happy solution for the various party problems of a more elaborate method of serving.

The hostess will be accommodating more guests than usual. She will cut down on waste motion by grouping her table accessories strategically. Keeping the stacks of dessert plates close to the cake, her sterling forks lined up in a neat row, placing the coffee service and spoons in a distinct group. Although the buffet is casual, it can be elegant and dignified. A fine china in a distinctive design, such as the Golden Wreath pattern by Lenox, lends itself to the importance of the day, with its creamy transience and lifelong durability. The cutting of the wedding cake is steeped in romantic tradition, and should have an easy, lovely picture setting. Let your best china—and the accompanying table accessories be of the finest. Beautiful quality which is the key note of the day itself.

### Telephone Rate Increase Will Effect Local Residents

The increase in telephone rates granted the Michigan Bell Telephone Company last week by the Michigan Public Service Commission will effect rural residence line and business service here.

The monthly increase for rural residence subscribers in the local exchange will amount to 75 cents less than three cents a day.

There is no change in other classes of residence service here.

One-party and two-party business telephones here will be increased 75 cents a month.

Rural business service and private branch exchange trunk lines will be increased \$1.00.

Residence and business extensions will be increased 5 cents per month.

Under the rate revision order, local calls from pay stations will be 10 cents. It is expected that about 30 days will be required to convert all of the company's dial coin box telephones to 10-cent operation in the outstate area.

Commenting on the increase in rates granted the company, W. Calvin Patterson, vice president of Michigan Bell, said:

"Not only is the increase inadequate to assure good telephone service in the future, but the delay in getting it has denied the owners of the business a return on their investment that cannot be recovered."

Patterson pointed out that less than half the ordered rate increase will remain with the company. More than half of it, he said, will go to the Federal Government in taxes.

Referring to a recent \$7,000,000 wage boost to employees, and an increase in state and Federal taxes 5 1/2 times that were in 1940, Patterson stated:

"The price of most everything else has gone up much oftener and much more than the price of telephone service. Including the increase granted last week, Michigan Bell revenues will have risen only 27 percent from rate increases since 1940 while the overall cost of living has gone up 89 percent."

### Scouts Look Forward To Fun At Bruin Lake

The Boy Scouts of the Portage Trails Council are looking forward to fun-filled days of outdoor adventure at Camp Bruin Lake this summer. The staff and several Explorers camped on June 15 for a week of training work in preparation for the first period which begins June 22.

The camp program will feature swimming, boating, canoeing, hiking, handicraft, riflery, archery, outdoor cooking, camping and many other Scouting skills.

A competent staff of adults and older Scouts will be on hand at all times to make the camping experience both enjoyable and worthwhile.

Charles Barclay, administrative assistant at Ann Arbor High School, will serve as program director and marksmanship instructor. James Gilster, who has had several years of experience as a swimming coach, will serve as waterfront director. The camp cook will again be Mrs. Ozella Bolden, who has prepared such wholesome and appetizing meals at camp for the past several seasons.

Ronald Fukushima, a student at the University of Michigan, will serve as provisional Scoutmaster; and Paul A. Yambert, Field Executive of the Portage Trails Council, will serve as Camp Director.

The third and fourth periods are already completely filled and additional reservations are coming in daily. To date twenty seven units have signed up for one week or more.

Among those already signed is the Manchester Exchange Club Troop No. 26.

**The Coconut Pie Mystery**

Here's a mystery that will have you asking "what dunnit" instead of "who dunnit"! What makes this Coconut Macaroon Pie so mysteriously different? In the making process, it doesn't seem at all out of the ordinary—a mixture of good ingredients, a pie shell. But during the baking process, something quite amazing happens. The ingredients separate—some of them rise to the top and form a wonderful crunchy macaroon-like layer; the rest stay "downstairs" and bake into a velvety custard. What dunnit? Who cares! Just make it and serve it. It's terrific!

**Coconut Macaroon Pie**

- 1/2 recipe pie crust
- 1/4 teaspoon salt
- 3 egg yolks
- 1 1/2 cups sugar
- 1/4 cup milk
- 2 tablespoons butter, melted
- 1 teaspoon lemon juice
- 1/4 teaspoon almond extract (optional)
- 1 1/2 cups shredded coconut, cut
- 3 egg whites, stiffly beaten

Line a 9-inch pie pan with pastry, rolled 1/8-inch thick. Flute edges. Chill. Add salt to egg yolks and beat until thick and light. Add sugar, 1/2 cup at a time, beating well after each addition. Add milk, butter, lemon juice, and almond extract. Blend well. Fold in coconut and egg whites. Turn into pie shell. Bake in moderate oven (375°F.) 50 minutes, or until knife inserted comes out clean.

**Has High Visibility**

The Golden Gate Bridge is painted in a brilliant orange vermilion, known as "International Orange." This color was selected by the nations of the world as the standard for airway marking purposes.

**'Amphibious' Mining**

Two new brimstone sulphur deposits being developed by Freeport Sulphur Company are located in the Louisiana marshes at Garden Island Bay and Bay Ste Elaine. All operating personnel, construction equipment and supplies reach the sites by boat.

**Coal's Self Sufficiency**

Of all the important industrial metals and minerals mined in this country, our self-sufficiency is increasing in only three major fields: sulphur, salt, and coal.

**New Mines**

Thirty-five per-cent of the 1951 bituminous coal production came from large new mines opened within the past five years.

# Biggest car buy in History

Never before has a car given you so much for the money!

VICTORIA AVAILABLE WITH V-8 ONLY.

Ford's 101-h.p. Mileage Maker Six with new twin overhead valves, is the newest high-compression, low-friction Six you can buy. Ford's 110-h.p. high-compression Strato-Star V-8, is the most powerful engine in a low-priced car.

Ford's New Automatic Ride Control brings a smoother, "heavy car" ride into the low-price field. Its many new features like diagonally mounted rear shock absorbers and new springing take bounce out of bumps, tilt out of turns.

Yes, Ford's the very first car in America to give you so much style, so much comfort and so much power for the money. Only Ford in its price class is completely new in looks, for example, with wider, longer, stronger bodies... with new Full-Circle Visibility that lets you see in all directions... and with a new steering system that makes steering easier, parking a cinch.

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

Come in and "Test Drive" the **'52 FORD** You can pay more... but you can't buy better!

F.D.A.F.

HEADS COLLEGE DRIVE

Nicholas Kelley, Jr., Secretary of Chrysler Corporation, is the newly appointed chairman of the United Negro College Fund Campaign of Michigan.

Mrs. Blackenburg Files For Legislature

The candidacy of Mrs. Viola B. Blackenburg for the legislative seat in the second district of Washtenaw county was launched Saturday night at an open house at the Blackenburg home on Elm street, Ypsilanti.

Mrs. Blackenburg, a Democrat, was a candidate for the same office in 1950, when she was defeated by the incumbent, Rep. Joseph Warner.

Holder of a graduate degree in political science from the University of Michigan, Mrs. Blackenburg has long been interested in government. In a statement at the Saturday function, Mrs. Blackenburg pointed out the importance of political campaigns in bringing issues before the voters.

Easy to Make It

A few camellias, leaves, green limes, and a bunch of white grapes are all you need to duplicate this formal flower arrangement.

Alger Throws "Bossism" Charges At Frank McKay

The issue of bossism in Michigan politics was sharply injected into the Republican gubernatorial campaign recently by Fred M. Alger, Secretary of State, one of the three candidates.

Speaking at Fenton, Alger took cognizance of newspaper reports concerning the activities of Frank D. McKay, deposed Republican National Committeeman. Alger said:

"The Republican party of Michigan is again in danger of falling under the control of the boss whom we thought we had knocked off the driver's seat. Frank D. McKay. He is pulling the strings behind the scenes to dictate party nominations, his favorite for Governor is William C. Vandenberg. Through McKay's conniving, we are told, Don Lenoard was induced to become a candidate for Governor, much against his wishes, after he had publicly announced his preference for senatorial honors.

"I don't blame McKay for doing his best to beat me, for I certainly did my best to beat him. It took us more than three years to do it, but we finally broke his hold on the Republican organization of this state.

"What will surely happen to the Republican party of Michigan, if it enters the election campaign next August with a slate bearing the stamp of approval of Frank D. McKay, is just too horrible to contemplate. It would mean a Democratic victory, made doubly certain by the vote of a large number of Republicans who would bolt their ticket rather than allow the bossism of McKay to raise its head again in the government of this state.

"We Republicans cleaned house last year. Let's stay clean.

"We want no more cash and carry government. We want no more one-man control of party conventions. We want the right to choose our own candidates, instead of having them thrust upon us. We do not want to see the name of our party dragged again through the muck of grand jury investigation and criminal prosecution."

Horses To Be "Fingerprinted"

Horses, as well as human beings, can be "finger printed."

If that's news to you, don't develop an inferior complex, because even the drivers at Northville Downs weren't all "hep" to this until this season.

Furthermore, soon all the horses at Northville Downs actually will be "finger-printed" as a result of the announcement by the United States Trotting Association of the adoption of a fool-proof system of identifying harness horses.

The U.S.T.A. has embarked on a program that will result in the "chestnuts" or "night eyes" of every harness horse in the country being photographed.

The "chestnuts" are horny growths located on the inside of each leg and are as effective as fingerprints in providing positive identification. No two are ever alike.

The U.S.T.A. also will photograph front and side views of every horse and will note for the permanent record distinguishing characteristics such as scars, blemishes, imperfections of conformations, etc.

Adoption of the new system will protect the public by rendering it impossible for a horse to be "ringed" once his "finger-prints" are on file with the U.S.T.A. However, veteran track officials point out that instances of "ringing" are rare indeed—they discover one in about every ten years.

On Sunday Mr. and Mrs. Robert Kirk and family entertained at a family gathering. Guests included her parents Mr. and Mrs. C. J. Rose of Ann Arbor, Mr. and Mrs. C. E. Westerman and children of Montgomery, Minnesota and Mr. and Mrs. Ward Peterson, jr. and daughter.

Mary Ann Paul returned to the home of her parents Mr. and Mrs. Erwin Paul after spending four days with her aunt Mrs. Frank Jakubiec and family of Dearborn.

Mr. John Doucette of Detroit spent four days last week with his daughter Mrs. Raymond Loucks and family.

Mr. and Mrs. Pete Wallace attended the graduation reception for her niece Sydney Pyle, daughter of Mr. and Mrs. R. J. Pyle of Monroe at their home there.

Carl Wuerthner attended the

Worcester Rally at Belding.

THESE ADJUSTMENTS MAY BE MADE WITHOUT WSB APPROVAL

- A total 10% increase over average straight-time earnings of January, 1952.
Periodic wage changes based upon the BLS cost-of-living index.
Merit or length-of-service raises (if established company practice).

WAGE STABILIZATION AT A GLANCE

THESE ADJUSTMENTS REQUIRE APPROVAL OF THE WSB

- Any increase in excess of those allowed under self-administering regulations.
Any change in established piece-rate plan or incentive system.
Wage rate structures for new businesses or plants.
Increase in paid holidays, overtime, shift differential, paid vacation or call-in pay.
Increase in other "fringe" benefits or such supplementary pay practices.
Annual improvement increases and new cost-of-living "escalator" clauses.

ADMINISTRATIVE, EXECUTIVE AND PROFESSIONAL PERSONNEL AND WORKERS IN THE CONSTRUCTION INDUSTRY ARE GOVERNED BY OTHER SETS OF RULES.

For more detailed information, contact the nearest office of the Wage and Hour Division, U. S. Department of Labor.

This chart, designed as a general guide only, prepared by the Information Division, FLS Regional WSB, Atlanta.

Local Briefs

Mr. and Mrs. Lee Allan attended a family dinner at the home of his mother Mrs. Earl Stevens at Lansing on Sunday.

Mr. and Mrs. Pete Wallace were shoppers in Jackson last Saturday and they also called on Mr. and Mrs. Bundette Murray at Jackson.

Mr. and Mrs. Herman Hanewald of Oscoda spent a couple of days here where they visited their daughter and husband Mr. and Mrs. Paul Kemner and their son and wife Mr. and Mrs. Art Hanewald. They came particularly to see their daughter Mrs. Frances Taylor of Britton who underwent an operation at

the Tecumseh hospital. They returned home last Friday.

Miss Mildred Gieske left Wednesday for summer school at Ypsilanti Normal College.

Word has been received that Pvt. Donald Hanewald is stationed at Camp Chaffee, Arkansas.
