

Whenever the load of any vehicle shall extend more than four (4) feet to the rear of the bed or body thereof, there shall be displayed on the end of such load in such a position as to be plainly visible at all times, a red flag not less than twelve (12) inches in both length and width during the day time; and during the night time, a red light, so displayed as to be plainly visible at least two hundred (200) feet to the rear of such vehicle.

Section 57. Operator to Signal Change in Course or Speed.

(a) Before turning to the right or to the left to leave a street, and before turning around or stopping thereon or before materially varying the course in which the vehicle is proceeding, the operator shall first ascertain that such movement can be made in safety, and shall give a warning signal to other operators by extending the arm beyond and outside the vehicle for a sufficient time to apprise approaching operators of his intention to change his course or stop, as the case may be. Provided, however, that in lieu of such signal, signals may be given by a mechanical or electrical device which conveys an intelligible warning to another driver approaching from the rear.

(b) A standing vehicle about to start shall give moving vehicles the right-of-way.

(c) In all cases the driver of a vehicle to whom a warning signal has been given, as required in this and the following sections, shall bring and keep his vehicle under control as to be able to avoid an accident resulting from any misunderstanding of such signals, and shall in all cases heed any such warnings as shall have been given to him.

Section 58. Highway Not To Be Obstructed.

(a) An operator shall block-ade or obstruct a highway.

(b) Whenever a vehicle becomes stalled or for any reason cannot be moved by its own power, and in consequence obstructs a highway, the owner or operator shall cause the prompt removal of same.

Section 59. Persons Under Influence of Intoxicating Liquor or Narcotic Drugs.

(a) It shall be unlawful and punishable as provided in this ordinance for any person who is under the influence of intoxicating liquor or narcotic drugs to drive any vehicle upon any highway within this city.

(b) It shall also be unlawful and punishable, as provided in this ordinance, for the owner of any motor vehicle, or any person having such in charge or in control thereof to authorize or knowingly permit the same to be driven or operated upon any highway within the city by any person who is an habitual user of narcotic drugs or any person who is under the influence of intoxicating liquor or narcotic drugs.

(c) Penalty for driving while under the influence of Intoxicating Liquor or Narcotic Drugs. Every person who is convicted of a violation of this ordinance relating to driving or permitting driving, while under the influence of intoxicating liquor or narcotic drugs shall be punished by imprisonment in the county jail for not more than ninety days or by fine of not more than one hundred dollars or both such fine and imprisonment in the discretion of the court, together with costs of the prosecution.

Section 60. License or Badge.

(a) Every operator of a motor vehicle shall at all times have in his immediate possession his state license card, or tag, or chauffeur's badge, when he or she is operating a motor vehicle along the public highways of this village and they shall be given up by him or her for examination upon demand by any police officer of the Village of Manchester.

(b) License Plates. No person shall operate a motor vehicle on the highways of the Village of Manchester without having his motor vehicle equipped with license plates as provided for in Act 302 of the Public Acts of the State of Michigan for 1915, as amended, better known as the Michigan Motor Vehicle Law.

Section 61. Duty to Stop and Report in Event of Accident. The driver of any vehicle involved in an accident resulting in injury or death of any person or damage to any vehicle or other property, shall stop the vehicle he is driving at the scene of the accident or as close thereto as possible and shall remain at the scene of the accident until he has fulfilled the requirements of Sections 62-65 inclusive.

Section 62. Duty to Give Information and Render Aid. The driver of any vehicle involved in an accident resulting in injury to, or death of any person or damage to any vehicle which is driven or attended by any person shall give his name, address, and the registration number of the vehicle he is driving, and shall upon request and if available exhibit his operator's or chauffeur's license to the per-

son struck, or the driver or occupant of or person attending any vehicle collided with, and shall render to any person injured in such accident reasonable assistance.

Section 63. Duty Upon Striking Unattended Vehicle.

The driver of any vehicle which collides with any vehicle which is unattended shall immediately stop and shall then and there either locate or notify the operator or owner or such vehicle of the name and address of the driver and owner of the vehicle striking the unattended vehicle or shall leave in a conspicuous place in the vehicle struck a written notice giving the name and address of the driver and of the owner of the vehicle doing the striking and a statement of the circumstances thereof.

Section 64. Duty Upon Damaging Property. The driver of any vehicle involved in an accident resulting only in damage to property legally upon or adjacent to a highway shall take reasonable steps to locate and notify the owner or person in charge of such property of the fact, and of his name and address, and of the registration number of the vehicle he is driving, and shall upon request exhibit his operator's or chauffeur's license, and shall make report of such accident in the manner provided in Section 65 hereof.

Section 65. Report to Police.

Every person driving or operating a vehicle involved in any accident which causes injury to any person or results in a vehicle or vehicles becoming so disabled as to be incapable of being propelled in the usual manner shall make a complete report to the Police Department upon blanks furnished by the Department upon application to it. The Police Department may require the driver of a vehicle involved in an accident of which report must be made as provided in this section to file supplemental reports whenever the original report is insufficient in the opinion of said Department, and may require witnesses of accidents to render reports to said department. Whenever the driver of a vehicle is physically incapable of making a required accident report and there was another occupant in the vehicle at the time of the accident capable of making a report such occupant shall make or cause to be made said report.

Section 66. Pedestrians Subject to Traffic Control Signals.

Pedestrians shall be subject to traffic control signals at intersections as heretofore declared in this act, but at all other places pedestrians shall be subject to the restrictions as hereinafter stated.

Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any vehicle approaching from the rear shall not overtake and pass such stopped vehicle.

Section 67. Illegal Moving of Vehicle.

No person shall move a vehicle not owned by such person into any prohibited parking area or away from a curb such distance as is unlawful.

Section 68. Illegal Use of Sidewalk.

No person shall drive, load, or back any vehicle upon any sidewalk in any public place except at such points designated for such purpose by the lowering of the curb; or drive, load or back any vehicle along any sidewalk in any public place except it be a necessary vehicle operated by or authorized by the Street Commission.

Section 69. Abandonment of Vehicle.

Continuous standing of a vehicle on a highway for a period of forty-eight (48) hours shall be deemed prima facie evidence of abandonment.

Section 70. Evidence of Ownership.

In any proceeding for violation of this ordinance or any rule or regulation adopted pursuant to the provisions of said ordinance, the registration plate displayed on such motor vehicle shall constitute in evidence a prima facie presumption that the owner of such motor vehicle was the person who parked or placed such motor vehicle at the point where such violation occurred.

ARTICLE VII Administration

Section 71. Enforcement. The enforcement of the provisions of this ordinance shall be by the Village police officer. The administration shall be as follows:

(a) In order to relieve congestion in the Courts and to save time of both violators and the police officers who make complaints, the Village Council hereby authorizes to install a system by which certain violations of this ordinance may be disposed of by fines paid into the office of the Deputy Village Clerk without formal proceedings in Court.

(b) The Council shall, by resolution, from time to time, establish such list of ordinance violations as shall, in its opinion, not require Court action, and the respective fines and violations thereof, the same to

be effective on the adoption of said resolutions.

(c) Each violator shall be presented by the complaining officer with a violation card giving the time and date of violation, nature of such name of officer, car make and license number, or such card may be placed in a conspicuous spot on the vehicle. The violation card shall direct the violator to bring to the office of the Deputy Village Clerk, where he shall have the option of paying the fine prescribed or having the case tried in Court. If the violator fails to appear in accordance with the notice given him, then the officer shall make a complaint in the Justice Court in accordance with the provisions of this ordinance, and the case shall be tried in the usual way before the Court.

(d) Any person who has received any such violation card may, within the time specified in such notice, answer said Deputy Village Clerk's office to the charge set forth in such notice by signing a statement in writing pleading guilty to the charge and waiving a hearing in Court, and by paying to said Deputy Village Clerk the fine prescribed for the violation charge. Acceptance of the fine so paid shall be deemed complete satisfaction for the violation and the violator shall be given a receipt which so states.

(e) On the reverse side of the violation card as it is presented shall be recorded the name and address of the person reporting in response to said card; the amount of the fine assessed; operator's license number, and the number of the receipt for the fine. The money so received from such fines shall be regularly paid over to the Village Treasurer. The Deputy Village Clerk shall keep records of all fines so paid, and such records shall be audited in the manner prescribed by the Council.

ARTICLE VIII Penalties.

Section 72. Penalties. Unless another penalty is expressly provided by this ordinance, every person convicted of a violation of any provision of this ordinance shall be punished by a fine of not more than \$100 or by imprisonment for not more than 90 days, or both such fine and imprisonment.

Section 73. Provisions Severable. This ordinance and the various parts, sections and clauses are hereby declared to be severable. If any part, section or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of the ordinance shall not be affected thereby.

Section 74. Repeal of Prior Traffic Ordinances. All ordinances or parts of ordinances in conflict herewith are hereby repealed, but this repeal shall not affect any rights which have accrued, any duty imposed, any penalty incurred, or any proceeding commenced, under and by virtue of the ordinance repealed.

Section 75. Date Effective. This ordinance shall take effect and be in force twenty days after its passage.

DATE: Sept. 22, 1952.

LEROY A. MARX, Village Clerk.

Methodists Make Plans For Statewide Mission

Preparations are underway for the state-wide Evangelistic Mission of the Methodist Church in Michigan, which opens in October. The mission is not merely a go-to-church campaign. It is to be a concerted effort on the part of Methodists of the state to invite new residents and unchurched friends to accept the Christian way of life.

Ministers on the Detroit side of Michigan will go to western churches to preach in their pulpits and train laymen for this evangelistic visitation.

Two weeks later clergymen from the west of Michigan will preach in the churches in eastern Michigan and in the upper peninsula.

National leaders of the church will instruct these ministers in daily schools and will speak at youth rallies and mass meetings. The training season for workers in the State-Wide Mission effort is underway now.

Bishop Marshall R. Reed, his assistant, the Rev. Dr. Glenn M. Frye, and the Rev. Dr. Joseph T. Edwards, Nashville, Tenn., are meeting with district superintendents and others in conferences to be held throughout the state.

Ram Day At M.S.C.

One of the largest selections of purebred rams of all breeds will be assembled at the Michigan College Sheep Barn in Marquette, September 29. This is the date of the 7th annual Ram Day sponsored by the Michigan Sheep Breeders' Association, the Animal Husbandry Extension Dept. of M.S.C. and the County Extension offices. At least 200 rams will be

brought in by leading purebred breeders of the state for this event.

The rams are placed in pens according to price and the flockowner makes his own selection.

It is not an auction. There will be a good selection of rams of the more common breeds. However, flockowners wanting rams of the less common breeds should contact their County Agricultural Agent, at once so that the kind of ram they want

can be located for them. Last year 83 rams were selected at this event.

The quickest and easiest way to improve the market lambs you will sell next fall or the ewes you will save for your breeding flock is through the use of a good ram.

Republican Club of Salem To Hold Rally Friday, October 3

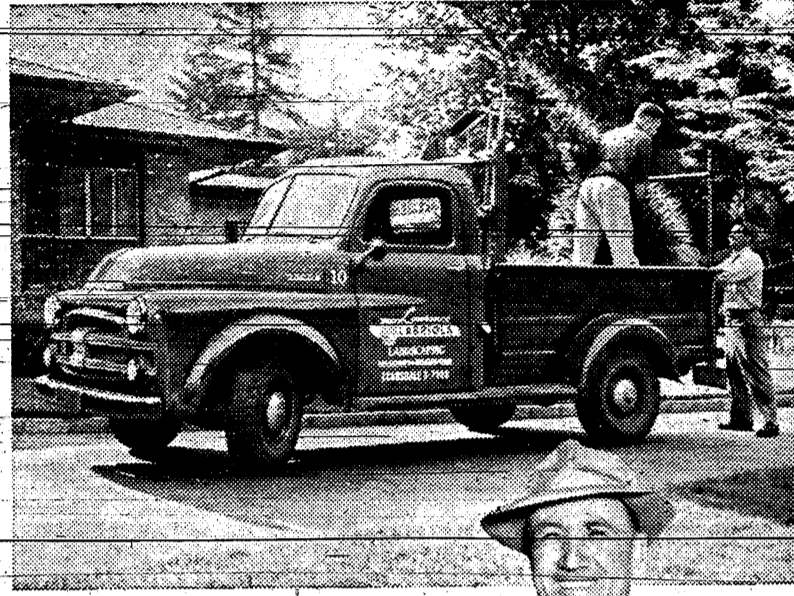

Salem Republican Club will offer free dancing, including square dancing, as well as refreshments, at a rally on Friday night, October 3. Dancing will begin at 8 p. m. with music furnished by Herman Sheel in the Salem town hall on Six Mile road.

Republican candidates for county offices, George Meader, candidate for the House of Representatives, and Pat Cleary, candidate for Secretary of State, will be at the event.

Arrangements are being made under the chairmanship of Homer Martin and Mrs. S. Savery is in charge of decorations and refreshments.

BIGGEST MUSKIE CAUGHT

Just to prove that all the big ones don't get away, Walter Stanley of 14630 Riverside, Detroit, hooked and landed the year's biggest muskellunge in Michigan virtually within the shadows of the city's skyscrapers! Walt was trolling for walleyes in the Detroit River just before dark on September 9th when it happened. His tackle was conventional for Detroit River pickerel trolling; inboard reel loaded with metal line to take it down in the fast current, terminated with a long stretch of 20 pound-test leader, and a small lure known as a "Whammie." This is kind of a midget propeller, orange colored with black dots, about one inch wide. A treble gang of #6 hooks is attached, and on one of the hooks is a piece of white rubber another inch long cut out to resemble a small minnow.

Walt Stanley had caught one walleye and was on his last swing across the river when the line seemed to rise to the surface slowly. There was no vicious tug—just a rising of the metal line as the fish took the lure and began to come to the surface. Stanley struck solidly and thought he had a big walleye. It wasn't until five minutes later that the muskie came out of water far behind the boat to dispel any such belief, and one look at the size of the fish gave Walt the shakes!

He was alone in the small boat with no net, and no gaff. There were no other fishermen in sight, so he was on his own with the biggest fish he'd ever hooked. Six times before while pickerel trolling he had hooked muskies. Six times before the fish had torn loose—and this seventh fish was the biggest of them all! Gingerly he worked the big fellow alongside the boat, knowing that #6 hooks were never made to hold fish of this size. It took 20 minutes to subdue the giant to the point where Walt felt he could grab him by the gills and haul him aboard.

For this act alone Walter Stanley should be awarded a medal for bravery above and beyond the call of duty! The saw-like gills tore the flesh from his fingers; yet somehow he got the muskie into the boat, straddled it, and hammered the ugly head with a shoe, dodging the snapping jaws with teeth like a crocodile's!

After a long, long time Walter got up. The bottom of the boat was bathed with blood—a lot of it his own. But he had the fish—a muskie that scaled in at an even forty pounds, and was just under four feet long! Stanley was put under a doctor's care, with hands so badly lacerated that he was unable to go back to work for several days—a small price to pay, he says, for the battle he won in Michigan Outdoors!

Mrs. A. Silsby Passes

Word has been received here of the death of a former resident Mrs. Alexia Silsby at the home of a daughter Mrs. J. C. Oesterle in Williamston on September 17. She was ninety-seven years, seven months and 22 days old at the time of her death. Born in Paris, Canada on January 26, 1855 she was the daughter of William and Louise McKay and when she was a small child the family moved to Michigan.

In 1871 she was married to Henry Ray of Webberville and to them were born three daughters, two having preceded her in death. In 1883 Mr. Ray died and on May 15, 1887 she was united in marriage to Henry M. Silsby. In this marriage she entered into a home which already consisted of five sons and one daughter. These together with her two daughters created a task for strong shoulders and through much hard work and many sacrifices the children were raised to maturity.

In 1896 another daughter was born to this union. For many years Mr. and Mrs. Silsby were active members of the Webberville Methodist church.

For some years after Mr. Silsby's death on September 25, 1914 she continued to make her home in Webberville but eventually she sold her home and came to Manchester to live with her daughter Mrs. Emma Marx and her husband here. For some years she was able to assist in the home but for the last 4 or more years loving hands of her children have cared for her until her death which occurred September 17, 1952 at the home of Mr. and Mrs. J. G. Oesterle in Williamston.

She leaves three daughters, Mrs. Carrie Lock of Lansing; Mrs. Emma Marx of Manchester and Mrs. Mabel Oesterle of Williamston; one son Harry Silsby of Webberville, also a sister Mrs. Josephine Wright of Lansing; together with 22 grandchildren, 40 great-grandchildren and 3 great-great-grandchildren besides nieces, nephews and many friends.

4-H Club Public Speaking Champions

Mary Lou Dibble, Tipton, and Thomas Beatty, Williamston, talked their way to championship titles in competition at the State 4-H Club Show held recently at Michigan State College. Miss Dibble, who is 16, took top honor in her first year of participation in the public speaking project. She has been active in 4-H Club home economics projects for six years. Beatty, also 16, upheld a family tradition by winning this year—last year his brother Wayne took the same title. The Pure Oil Co. of Chicago, sponsoring organization for the public speaking project, will award a 17-jewel wrist watch to the boy winner and a set of silverware in a gift box with her name engraved thereon to the girl state winner.

Sixty Adults Register For Evening Classes

Manchester's Adult Education program got off to a fine start when fifty-eight men and women registered for the classes in typing, sewing ceramics.

The twenty-two who will be taking beginning typing will meet Thursday evening from 8:00 to 10:00 p.m. starting September 25. The teacher for this class will be named in the near future.

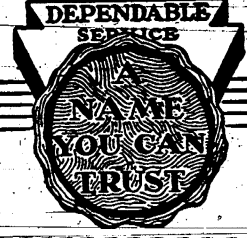

The beginning sewing class of thirteen will meet Wednesday evenings beginning October 1 under the supervision of Mrs. Robert Crowl.

The ceramics class was divided into two sections in order to make it possible for the teacher, Mrs. Walter Troz, to give more individual attention to the twenty-three students enrolled. One section will meet Monday evening (except P.T.A. nights) from 7: to 10:00 p.m. starting September 29. The other section will meet Tuesday afternoons from 1:00 to 4:00 p.m. at the Township Library beginning September 23. All the other classes will meet at the high school.

Mission Festival At Bethel Church Sept. 28
The annual Mission Festival of Bethel Evangelical and Reformed Church in Freedom township will be held on Sunday, September 28. Rev. Edwin A. Irion, pastor of Zion church, St. Joseph, will preach at the 10 o'clock service. He was born in the parsonage at Bethel during the time when his father, Dr. Paul Irion, served this church for 25 years. The speaker at the 8 o'clock evening service will be Dr. Henry J. Walch, pastor of the First Presbyterian Church of Plymouth. Dr. Walch has been moderator of the Detroit Presbytery of the Presbyterian Church. Mission Festivals have been held at Bethel church since the founding of the congregation by Rev. Frederick Schmid in 1840. In the earliest years the congregation tried to give support to the Basel Mission Society of Switzerland from which Schmid had come to America. He was the pioneer preacher among the early Ger-

mans in Michigan. A recently obtained letter written by Schmid in November 1858 tells of plans for the festival that year at Bethel, which all of the existing churches in the Ann Arbor neighborhood were to share.

Bethel church has just completed the grading of a new parking lot, 500 feet by 60 feet on the site where the old horse sheds stood for the past 75 years. The 28 remaining sheds were removed last fall.

To Pay Dividend
The board of directors of the Security National Farm Loan Association declared a 5% dividend to all members of record as of June 30, 1952. Secretary Treasurer Robert Hall stated that the association had a most successful year and that Wayne and Washtenaw County farmers-borrowers will receive dividend checks which will be distributed at the annual stockholders meeting this year. The board of directors of the Association also will be held Wednesday evening, October 1st, at the American Legion Hall in Saline. A large attendance is expected to hear the reports of the excellent progress made in the past year in extending long-term credit to the farmers of Washtenaw and Wayne Counties.

F. B. I. Chief Stresses Responsibility; Analyzes Cause Of Moral Corruption

by J. Edgar Hoover, Director, Federal Bureau of Investigation

I THINK the time has come for some straight thinking on the subject of responsibility. All too frequently in the past few years, there has been too much "buck passing" to the Federal Government.

The experience of people in other lands who suddenly found themselves living in a totalitarian state discloses that always the trend started with people in local communities being unable or unwilling to take care of local situations.

I hope that day never comes to America, as our way of life is too precious to be supplanted by either a Socialist, Fascist, or Communist form of government.

THE EVILS of gang wars, gambling, vice, political corruption, and organized crime can be eliminated from the American scene. The fundamental solution lies in aroused and awakened citizens, militantly demanding the action which will eliminate the gambling czar, the crook, the venal politician.

Local citizens must unite in surveying their communities to see that their law enforcement agencies have the manpower, the technical facilities, and the will to combat the criminal menace. Vigorous enforcement of local laws will eliminate gambling in those communities where gambling has been outlawed by statute. This is the solution to the problem.

THE EXTENT of organized crime in the United States is a national disgrace. The very fact that we have a crime problem reflects an evil of even greater import. The American home too often does not occupy the place in our national life that it did at the turn of the century.

We are in a state of moral depression. The breakdown of the home is both a cause and a result.

THE BAD STATE of affairs in too many of our schools is another result. In many instances any semblance of religious training is barred and the mentioning of God is frowned upon while espousers of godless communism carry on under the guise of academic freedom.

No nation ever won a war unless its people were united and dedicated to the common cause. We can never have a crime-free America until all who stand for law and order are united and determined to mobilize against those who constitute our army of lawlessness.

ONLY A RETURN to the fundamentals upon which this Nation was founded—a moral reawakening—a revitalized spirit and a rededication of service to our fellow man—can make this a reality.

Don Sutton Wins City Open

Don Sutton won the Manchester City Open, but not without a hard battle. Playing to a tie in last Thursday's rain, Sutton and Duane Roller played again on Sunday at the Clark's Lake Green. With Roller's putter cold and Sutton's hot he won by seven points according to a report from Ted Roberts, local committee chairman. Ted wants to thank everyone who cooperated including the Clark's Lake golf course operators and he sincerely hopes that next year will see even a better tournament than this one.
