WIDE-CUT DISCING

Build seedbeds in a hurry. Cover more ground with the rugged No. 15 Allis-Chalmers single-action disc harrow. Destroy weeds in summer fallow. Disc stalks, stubble or trash - twice as fast. In heavy soil or tough spots where

double action is required, just overlap or crisscross. The No. 15 disc barrow is pulled by any 2-blow tractor. Trip-rope angles or straightens gangs from the tractor seat. Gangs are adjustable for desired action and level discing in different soils. Steel, box-type frame gives disc "backbone" for years of dependable work. All three sizes have heat-treated, double-concave disc blades-adjustable, self-aligning scrapers - and built-in weight boxes.

Seem batero Pilato

As the lenten season draws to a alose, the great A drama of Holy Week is recalled by Christians everywhere. The day of the erucifixion—Good Friday—is especially revered and the events of that dark day stand out sharply in the pattern of the Holy Week scenes.

Christians of all faiths will be interested in the announcement of the new religious masterplecus painted by the American artist. Ben Stahl and depicting the journey of Jesus from Pilate's house to Calvary's hill.

These paintings, done especially for a new adition.

Local Church Congregation Donates Eggs To Detroit Home For Orphans

Dumping Rubbish Te
Be Halted

Dumping rubbish along country roads—particularly the Manchester-Chelsea road—has added another problem to Sheriff John L. Osborn and County Road Commissioner Manager Howard G. Minier.

The dumping has been general throughout the country but they point out the Manchester-Chelsea road side seems to be collecting more than a little.

Osborn promised that anyone found dumping rubbish and caught will be arrested and prosecuted for this is a crime and will be punished. He asked county residents who witness acts of dumping to take the license numbers of the offending cars and report them to the Washtenaw County Sheriff's Department.
