Red Cross Drive Climbs

With \$932.75 collected up to last Sunday, the Manchester Red Cross drive is nearing its goal of \$1100.

At that time there were three residential solicitors yet to hear from, as well as two workers among the business houses. Eleven out of eighteen organizations in the town had contributed. When the final reports of the few remaining solicitors and organizations come in, the drive should go over the top.

A breakdown of the gifts reveals the following totals:

Business houses	\$121.00
Out-of-town gift	5.00
Residential	633.75
Organizations	73.00
Double A Union	25.00
Double A Management	75.00
Total	\$932.75

Red Cross funds go to the relief of the suffering in disasters, to the various aids for servicemen wherever stationed, to the blood bank, and for many other worthwhile activities. Red Cross money aided the sufferers in the Flint tornado. Among other local benefits, the Manchester summer swimming program was conducted by the Red Cross free of charge.

Your Newspaper Changes Pilot

The Manchester Enterprise is sailing under a new banner. Management of this 87 year old newspaper changed hands April first, together with management of associated publications, the Milan Leader and the Saline Observer.

To the Manchester community this change will have major importance. The transition will be too conservative for some readers perhaps, and possibly too radical for others. But there will be an orderly, progressive, change. It is to be hoped that you will like the new Enterprise as it takes form. But regardless of your reaction, we hope you will share your thoughts with us.

It is the purpose of the Enterprise to build the community of which it is a part. Only as Manchester grows can the Enterprise grow. The newspaper is the reflection of its community, just as the community is often judged by its newspaper.

In these increasingly competitive times, the Enterprise will need the cooperation and support of every resident of the Manchester area. In return for your interest, Manchester can and will have its own successful newspaper. Manchester's newspaper can, in turn, be a strong defender of the community's needs, desires and ambitions.

In addition to your newspaper, the Enterprise will bring you many services which will include commercial printing. The new management has long been associated with the printing industry, as well as the newspaper profession. Expert designers and printers will be at your disposal, whether you need a wedding invitation, a calling card or a complicated industrial form printed in four colors. Whatever your requirement, you will have both service and value.

F. G. Handy, a life-long resident of Washtenaw County, is the new publisher of the Enterprise. His father, G. C. Handy, publisher of the Ypsilanti Daily Press, celebrated, last March 10, the fiftieth anniversary of that Washtenaw County newspaper. In addition, an unusually capable business manager, Jim D. Driskill, Jr., will bring to Manchester both newspaper ability and experience. J. D. Driskill, Sr., was for many years owner of the Waldron, Michigan Recorder. It was on the Recorder that Jim gained acclaim as Michigan's youngest publisher. More recently he has been publishing the Bi-County Herald in Hudson, Michigan.

The future is bright for Manchester and its newspaper. Our opportunity to serve the community is a welcome one. We hope the new Manchester Enterprise will be equally welcome in your homes.

Main Street

Folks along the Main Street were happy to see a familiar face on Monday, when Carl M. Schaible greeted his friends from his wheel chair. This was his first time down town since the accident on January 26th when he was struck down as he crossed Main Street. Mr. Schaible owns the Ford Garage on West Main Street. Glad you're out again, Carl!

School Supt. F. Atkinson was telling us that the clothing drive which has just been completed at the local school has netted \$400 pounds which has already been packed and shipped to Save the Children Federation, Inc., St. Louis, Miss. From there Mr. Atkinson said the clothing would be sent to Europe, Korea, or parts of the United States where such articles are needed.

In another part of the paper we are running a story on the new polio vaccine which has been recently questioned as to its "absolute safety." Talking with Supt. Atkinson we learned that no child has to take the vaccine against the will of their parents, regardless of the Michigan State Medical Society's ruling on its safety. This may clear up any questions in the minds of parents.

Doesn't sound much like spring, when we remember that last Saturday was the coldest April 3rd on record, when the temperature dipped to below freezing. Anyway, spring must be on the way for spring vacation for all schools in the Manchester school system will continue all next week — ending Easter Sunday.

Because of the snow and slippery streets last Wednesday, the Manchester Fair Board meeting was postponed, a late call from Fair Board president William Kullenkamp verified reports that the board will meet at the high school next Wednesday, April 14, at 8:30 p. m. All persons interested in having a fair are urged to attend the meeting.

Mr. Kullenkamp also said that he has been re-elected to the Board of Directors of the Michigan Mutual Fair Storm Insurance Company, when they met last week at Lansing.

Another bit of Main street news is that the William Eckles family have moved from 416 East Main Street to their new home at 803 East Main Street. The house which they vacated, which is owned by Mrs. Ernest Raymond also has new tenants. Mr. and Mrs. Roy Ayres and family moved in last Friday.

The seventh grade class at the local school, played hockey on Tuesday and visited the Capitol at Lansing. Mrs. Ralph Sharp is the teacher. Parents of the pupils drove the cars.

Don't forget to get your jobs in to the employment bureau for the Christ's Work Day project sponsored by the Young People of the Emanuel Church will be held Monday, April 12. The project is buy a pig to send to Korea. Call Mary Walz, Carolyn Leeman and Mary Lannom for appointments.

Mr. and Mrs. Fred Buss and family called on Mr. and Mrs. Robert Guenther and family of Saline to see the Guenther's new son, Glen, who was born March 3rd.

Fire Chief Scheid Re-Elected To Post

Accident Fatal to Clarence Gieske

Three persons were injured, one critically in a two car collision on Friday night at the intersection of Miles Road and M-50, three miles south east of Jackson. Taken to Foote Hospital in the Horne ambulance were Lawrence Hopkins, 50 R. F. D. 2, Manchester, Clarence Gieske, 68, of Norvell, Brooklyn, Road, Mr. Fleming had head injuries and Mr. Hopkins was hurt about the knees. Mr. Gieske died Sunday evening of injuries received in the accident.

Hospital attaches said that Mr. Hopkins' condition was fairly good. The men were in the Hopkins car. Summit township deputy Clarence Waite, who investigated the accident said a car driven by James Meyer, 21, of 258 Ackerson Lake Road, traveling westward on M-50 collided head on with the Hopkins car.

Meyer was unhurt officers said. A crew from the Grass Lake fire department extinguished the fire which started when the cars crashed. Meyer was ticketed for reckless driving.

Manchester Fire Chief Lawrence Scheid reminds Manchester folks that spring fire season is again here and he hopes that 1954 can be a better year than 1953. This, he says, can be accomplished by calling the Fire Chief before doing any spring burning, getting a fire permit, which is required by law, and by plowing a line around the fire when necessary.

Another important point which he stresses is having enough help and equipment on hand and most important of all, to stay with the fires until they are out.

At the regular meeting of the local fire department which is composed of 18 volunteers from the village, the following officers were elected: fire-chief, Lawrence Scheid; assistant chief, Paul Eiseler; captain, Royal Davider, and secretary-treasurer, Herbert Widmayer. This marks Scheid's eighth year as a member of the local fire department, all of which time he has served as fire-chief.

In issuing warnings to those planning to do spring burning the local chief suggests that fire permits may be obtained from him, Lawrence Scheid, phone Garden 8-4421 or from Conservation Officer, Donley W. Boyer, phone Greenwood 5-7701. Fire permits are not necessary for a domestic fire, such as leaves, or burning papers in a container, but if in doubt, "be safe, not sorry" suggests Scheid, call your Fire Chief.

Every year useful insects, wildlife, wildlife food and cover, scenic beauty, soil, watersheds, and timber are destroyed by fire. Nine out of ten of these grass fires are caused by carelessness, and they are caused by you and I. This doesn't apply to northern forests only, it applies to us in southern Michigan and to our farm lands and woodlots. Think before you burn. Know your Fire Chief. Help him and help yourselves by saving the taxpayers' money on unnecessary fire runs.

Fire Damages Roof On Farm Home

The fire department was called Sunday about 11:30 a. m. to the tenant house on the William Allen farm on Lima Center Road, now occupied by the Hagerdorn family. The fire was discovered by members of the family when sparks from a burning out chimney set the roof on fire.

Walter Rawson, a neighbor, aided by supplying water to keep the fire down until the department arrived. There is no well at the Hagerdorn home.

Fire chief Lawrence Scheid estimated that approximately \$400 worth of damage was caused by the blaze.

Mr. and Mrs. Robert Service and family spent Sunday evening with Mr. and Mrs. Junior Frayer and children at Adrian.

From where I sit... by Joe Marsh

Easy Does It—Again!

Ladies Aid Society had their rummage sale the other night—and as soon as the doors opened, "Easy" Roberts was inside.

Without a word, he headed straight for the coat counter, picked out a shabby old tweed jacket, and paid for it. "Easy" told me a little later that buying his jacket back was getting to be a regular habit.

"That's been my favorite smoking jacket for years," he said. "And my wife talks me into giving it away regularly. Then I get to thinking how much I like

it and hurry down to buy that jacket back. This is the third time I've done it!"

From where I sit, everyone's entitled to his own likes—whether it's a sports jacket, a baseball team, or the beverage he likes for dinner. For example, the wife likes coffee along with Saturday night spaghetti while I like a glass of beer. We never try to "sell" each other on our personal preferences.

Ann Arbor District Methodist Church Meeting Held

Officers Named, Installed; Enlightening Talks Enjoyed

Election and installation of officers, reports and enlightening speeches Tuesday marked the meeting of the Ann Arbor district of Woman's Society of Christian Service in the Ypsilanti Methodist Church.

The thirteenth annual meeting convened at 9:45 a. m. with Mrs. Benjamin Klager of the local church presiding. Mrs. A. M. Vandenberg, president of the local society gave a cordial greeting to the nearly 350 women of the Ann Arbor District of the Detroit conference, in attendance.

The main address of the day was given by Mrs. John Burney, Dean of Women at Clark's College of Atlanta, Georgia. She impressed her audience with her sincerity, tolerance and clear world vision.

The morning session was given over to business, addresses by local people, interspersed by organ music by Mrs. L. J. Wilson, the singing of the hymns of the church by the entire group and solo numbers.

The opening prayer was given by Mrs. Emil Batchelor, local secretary of Spiritual Life.

A detailed report of the work of the Ann Arbor District for 1953-1954 was given by Mrs. Truman Rentschler. She paid tribute to the president of the district for her qualities of leadership for the past year. The vice president, Mrs. Louise Canfield had arranged the program for the district meetings as her chief duty. The minutes were kept by Mrs. Ben Vandenberg as recording secretary; Mrs. David Mellott had been the efficient treasurer.

Some of the accomplishments of the year were noted: 501 of new members of 1000 were from the Ann Arbor district. The food from the Chelsea Home at the annual gathering was valued at \$3000. There were 86 organized societies. Six members of a newly organized society at Springville were introduced. The secretary had visited Scarrett College and the Upper Room at Nashville, Tenn.

Many groups studied the book of Jeremiah when two hour lectures were given; a scholarship was granted to the Van Born School of Missions.

The district stood high, she said, for activities and cash for supplies.

Mrs. Mellott said that it had been a year of work and blessing. She read an article from "The Methodist Woman" entitled, "Our Part in Giving," and explained why the pledge had been increased when not all of last year's pledge had been paid to date. The amount last year was \$23,000 and has been increased \$500. The needs have increased so the pledge must be increased and will be paid, she said. She commented on the worth of a book, "War, Peace and Youth" by a Quaker author.

Three former missionaries were introduced and a delegation attended from the Chelsea Home.

The report of the Nominating Committee was given by Mrs. Ross Keene, and officers were elected.

President, Mrs. Louise Canfield, Northville; vice president, Mrs. Lloyd Harr, Munith; recording secretary, Mrs. Ben Vandenberg; Ypsilanti; treasurer, Mrs. Davis Mellott, Morenci.

Secretaries: promotion, Mrs. Lawrence Marvin, Brighton; missionary education, Mrs. William Phelan, Plymouth; Christian social relations and local church activities, Mrs. Clifford Schreiner, Ypsilanti; Spiritual Life, Mrs. Elmer Ellison, Adrian; literature and publications, Mrs. William Muloff, Dansville; supplies, Mrs. Robert Hollowell, Milan; student work, Mrs. J. C. Huston, Ann Arbor; youth work, Mrs. Elsie Ayers, Belleville; children's work, Mrs. Hamilton Moore, Britton; status of women, Mrs. Cleveland Roe, Belleville; missionary personnel, Mrs. A. M. Gessell, Monroe; Wesleyan Service Guild, Mrs. C. S. Ritchie, Adrian; member of nominating committee 1954-1958, Mrs. Miller Ross, Plymouth; 1954 nominating committee, Mrs. Ross Keene, chairman, Mrs. Edward Kanous, Mrs. Peter Brender, Mrs. Walter MacArthur.

An impressive memorial service was conducted by Mrs. Harold Rohrbach and Mrs. Lawrence Ward under the title, "Living in Memory."

Mrs. Rohrbach read a poem, "Perfect Rest in the Presence of God" and Mrs. Ward read from the Bible and offered prayer. Then silver crosses were placed on a background, the first as a memorial to Dr. Florence Teed, the first president of the W.S.C.S. in the district when it was organized in 1920. The second cross was for the individual members who had died during the year and a third for missionaries and workers in the field no longer living. "We reap the harvest of their planning," she said. "The mantle of power now falls on us and to them all mystery is now revealed. O death, where is thy sting," she concluded. Miss Marian MacDonald then sang, "One Sweetly Solemn Thought" in a beautiful arrangement.

Mrs. Clifford Schreiner, a past president of the local society and secretary of Christian social relations and local church activities of the district spoke on the topic, "The Woman's Society of Christian Service and the Community." This work has many facets, she said: human rights, labor problems, housing, migrant work, racial relations, liquor and narcotics, juvenile delinquency, legislation and good government. "So we must be about our Father's business," she said. She pointed

out the worth of the United Nations and spoke especially of its wonderful health program that takes over in cases of disaster, scourges and disease, on a world wide scale.

The United Nations doesn't have a panacea for all ills for it is only eight years old, but it has made tremendous strides. It seems to be the last possibility for peace in the world. The United Nations reports and bulletins are valuable for study, she said.

Under the "Tricks or Treats" plan of the W.S.C.S. the amount of \$87,000 was sent for milk for Korean children; quantities of aprons and mittens have also been sent.

Study and prayer are vital factors for the 6000 women in the district, and the total of 70,000 women in Michigan working for the program of the W.S.C.S. she held.

She said that alcoholism is everybody's business and is a Christian responsibility. She compared the power of the atom with the power of the human soul, if released. In conclusion she gave excerpts of "The Bomb that Fell on America" by Herman Hagedorn. With God and man working together the atom cannot match this united team work," she quoted.

Dr. W. Clyde Donald of the local church was presented by Mrs. Klager and he brought an earnest message on the part of the W.S.C.S. plays in the church.

This is a time for re-consecration and the church is the friend of God. We need a world vision of service and we should have a hope for peace and not a hydrogen bomb, he told the group. He made a plea for a joyous church for the angels sang a song of great joy when the Saviour was born. He pointed out that though we think of Jesus as a "man of sorrows," he was of a joyous nature. The primitive church was a singing church and Methodism was born in song, he said.

We should have a praying church and a missionary one, he added. God is not defeated by Communism, but it is the greatest enemy against the church, he averred. Dr. Donald thought apathy of the Christian church might have been a contributing factor in the rise of Communism through the efforts of Carl Marx, Trotsky, Lenin and Stalin.

He concluded by saying, "Let us recapture the religion of religion, a memorial to Andrew Peabody at Harvard illustrated this for it said of him, "For 36 years he walked with faculty and student and wist not his face did shine." The meeting then adjourned for luncheon in the dining room of the church, where women of the local church were in charge.

Mrs. Lawrence Ward of Milan told of the coming conference at Milwaukee on May 25 to 28, during the luncheon.

The afternoon session convened at 1:30 and Dr. Frank Fitch installed the new officers at the altar which was banked with flowers about the memorial cross. Mrs. J. Herbert Fry beautifully sang, "Hold Thou My Hand."

Mrs. John Burney was then presented by the president and held the rapt attention of her audience as she spoke of "The Roll of the Christian College." She is a fine exponent of this as she is a graduate of Clark College where she is now Dean of Women. She also has a degree from Gammon Theological College, has studied at Fisk University, Chicago Theological Seminary, University of Kansas and Boston University. She is also a member and counselor of health movements, Association for the Blind and many others and in 1951, for her breadth of service, was honored by the women of Atlanta as the Bronze Woman of the Year.

She spoke of the Christians from the North who 80 years ago and more came to the Southland and established institutes, academies and universities for her race. There are now 32 colleges in the Southland including Clark College. She told of the time she entered college in 1911 and her experiences as a teacher. Where there were three and one-half million of her people in the Southland 90 years ago there are now nine and one-half million. She pointed out the fact that education without religion can be a dangerous thing. She called the present an "age without standards." "Knowledge should enrich life not cripple it. With all the scientific and mechanical skills the most important thing is to have spiritual skills. We need to secure and understand." Dean Burney tries to build character in the lives of the youth with whom she comes in contact for it is the most important thing that can be taught. This is the function of the Christian College. She closed with a poem with the thought, "I must be measured by my soul." Throughout she often quoted like a golden thread running through her story, "This is My Father's World."

The group then sang, "Blessed Be the Tie that Binds" and were dismissed by Dr. Fitch who in eight weeks is retiring from the office of district superintendent and official duties after six years in the district.

From the world's largest maker, a completely new kind of V-8

The V-8 engine has come a long way since Ford introduced its first V-8 over 22 years ago. During these years, preference for the V-8 engine has grown steadily... and today there are twice as many V-8's being built as there were right after World War II. This demonstration of car buyers' preference is proof that the V-8 engine is best suited to modern motoring needs.

For 1954, Ford has stepped even farther out front with the revolutionary new Ford Y-Block V-8... the most modern "eight" in any car at any price! This new deep-block, low-friction engine brings you even smoother, quieter power... even longer engine life and less gas waste. And this great, overhead-valve V-8 costs less than any other "eight"... less than practically any other "six," too.

But the new Y-block V-8 engine is only one of the many "Worth More" features you get in a V-8 Ford. You also get the smoother riding and easier handling of Ford's new Ball-Joint Front Suspension. You get your pick of 14 brilliant new body styles—with trend-setting interiors. And you can have power steering, power brakes, power windows, power front seat, and Fordomatic Drive as options.*

letin. Her topic was "Speaking on Your Feet."

Several other PTA officials from around the state participated in a symposium at 2:30 that day on "Making PTA a Success in Your Community."

After registration and a coffee hour beginning at 9 a. m., the morning was devoted to workshop conferences for the various officers and committee chairmen. These conferences were followed by luncheon.

Following the luncheon, Mrs. Martin spoke at 1:30. Summary reports of the morning workshops and the symposium followed.

Mrs. Kenneth Otto of Jackson, director of district 3 and Mrs. Carleton L. Heilbronn of Milan, Washtenaw PTA Council president, had charge of planning the meeting.

Washtenaw County School Superintendent Julius W. Haab, and Milan Superintendent Lauritz A. Drevdahl, gave welcoming addresses.

Washtenaw county participants included Mrs. Donald Cornell, Mrs. Leonard U. Blumberg, Mrs. Walter Ream, all of Willow Village; Mrs. Theodore Stroup, Mrs. Arthur Taylor, Dan Hutchins, Mrs. John Wingo, Mrs. Bernard Merritt, and Mrs. Oliver Peltonen, all of Milan; and William Campbell of Ypsilanti.

The Mr. and Mrs.

"They're laughing at us in England and France," the news commentator was saying, "because we are seeing Communists under every bed."

"That does it!" George Rimer

snorted as he angrily switched off the TV. The Mrs. looked up in surprise.

"I'm getting sick and tired of the know-it-alls and the eggheads, both here and abroad, who think there's something sinister in our trying to get rid of Reds and fellow-travelers in our government."

"Why shouldn't we kick them out?" Mrs. R. demanded. "Even one of them in Washington is one too many."

"Those foreigners have got a lot of nerve, criticizing us about it," George went on. "If they'd been a little more vigilant about the Red and pinks who were getting a foothold in their government, their press and their schools, they'd be a lot better off today. Every time I hear somebody criticizing our Congressional committees who are hunting out the Reds and security risks, I wonder what his angle is. You ask those people why they criticize—and all you get is double-talk."

Mrs. Rimer turned on the TV again. "Let's try to find something pleasant," she smiled.

Widespread Interest In New 8-cent Stamp

President T. Participate In Introductory Ceremony
The Post Office Department will introduce its first regular 8-cent States stamp bearing the motto "In God We Trust" and also portraying the Statue of Liberty to a nation-wide television and radio audience on Thursday noon, April 8, 1954 in a program emanating from the Postmaster General's office.

Participants in this historic ceremony include President Dwight D. Eisenhower; Secretary of State John Foster Dulles; Postmaster General Arthur E. Summerfield; Bishop William C. Martin, National Council of Churches; Francis Cardinal Spellman, Archbishop of New York; and Dr. Norman Salit, President, Synagogue Council of America.

This ceremony on April 8th from 12:15 to 12:30 p. m., Eastern Standard Time, over television and radio stations to be announced later, commemorates far more than the issuance of a new stamp which will be used chiefly for international mail.

The Statue of Liberty, so prominently displayed on this stamp, is a beacon of opportunity and hope today, just as it has always been to oppressed peoples. It is also the proud and welcome symbol of home to every American returning to his native land.

The inscription "In God We Trust," sums up the religious faith that has always been and is today the bulwark of this nation—and its greatest source of strength.

This stamp, then, is a symbol of great significance — of truths of our nation's glories, beliefs, hopes and faiths — all summarized in a miniature picture less than one square inch in size. It is truly a product of the people—and it meets the wishes of thousands of our citizens who have suggested that it be issued.

In announcing the introduction of these new stamps—Postmaster General Arthur E. Summerfield said: "We think these stamps will help people to better understand America and how Americans think. And we hope they will help them gain courage as they are reminded of these truths through the daily use of these beautiful stamps."
