Dutchmen Prepare To Meet Clinton For Opener

Manchester's Flying Dutchmen began basketball practice last Wednesday in preparation for the season opener against Clinton, December 7th at Clinton. A recruit of over twenty prospects greeted Manchester's Coach Duhan and Assistant Max Lee.

Prospects for the team this year are not high, but much of last year's Varsity Reserve talent may come through.

Among the top prospects are Tom Adams, Jerry Aiken, Bill Bunney, Ray Leidy, and Tom Landon. Adams is a very capable center who scored over 15 points per game in half of second team games.

The team as a whole is on the short side, but Adams, Duhan, and Leidy are all around the six-foot mark in height.

The team is inexperienced, but should gain this needed factor in winning ball games after a few non-league warm-ups.

He restoreth your soul... Worship together this week

an arm up the hill...

when the going's been hard.

when a loved one is ill and you must carry on...

when a trusted friend has let you down...

when the problems you must meet seem more than you yourself can handle...

when your very soul cries out for strength and comfort...

take the arm that is yours for the grasping, lean on Him for the strength you need to see you up the hill.

Worship with your family this week at your church or synagogue

He restoreth your soul... Worship together this week

Ann Arbor, Michigan has more deer hunters than Idaho has population, says Warren W. Chase, professor of wildlife management at the University of Michigan. He adds that one-third of our hunters get their game, while almost 70 per cent of Idaho hunters are successful.

In her Lenape county community work, Miss Yetter was township chairman for the health and defense survey and participated in the public and Red Cross fund drives. She has also judged some successful exhibits at the Maine and Monroe county fairs.

Andrew Cobb from Clinton county is the other Michigan candidate for national recognition. He is secretary of the 4-H Club in the Lenape county 4-H Club and a member of the Michigan State Group.

Clayton and Andrew W. Cobb are the Michigan State Group nominees for national recognition. They are both members of the Michigan State Group and have been active in 4-H work for many years.

He restoreth your soul...  Worship together this week

Together—with Faith—you'll build a richer life.

"No man is an island—"

The really important moments of a lifetime are moments shared with your family.

These are the hours you remember

They are the ones which linger longest in the memory of your children.

Surely one of the greatest gifts within your power to give a child is your belief in God. And what more natural way to do it than by worshipping with your family

each week at your church or synagogue. As they find God, so will your own faith grow.

Joining together in worship is more than an act of faith. It's a link with the future... a point upon which you and your family can build a better tomorrow.

He restoreth your soul... 

### E. Girbach Poland China Breeder Honored

Ernest Girbach well known hog breeder residing just south of Saline has been awarded a Certificate of Merit in recognition of the outstanding showing his herd made in the Poland China Herd Improvement sow testing program during 1954. The Certificate was awarded by the Poland China Record Association, the breed's national recording society.

Six (6) sows entered from the Girbach herd produced an average of 18 live pigs per litter during the year. These pigs weighed an average of better than 3 lbs. at birth. This is in comparison to the national average of 6.8 pigs raised per litter, having a birth weight of 3.5 lbs. With greatly improved creep rations and even synthetic milk supplements, Poland China breeders feel that the only limits

on litter size today is the number and kind of pigs they are at birth. If they are big and vigorous and there are enough of them, almost any hogman can come up with a high average marketed per sow.

The accuracy of this assertion is to be found in the records of thousands of sows entered by breeders throughout the country. These figures reveal that 87% of these big litters of larger Poland China pigs at birth are raised compared to the normal 6 out of 10, or the average farm. The average in the program farrowed 9.52 live pigs per litter. Their average weight at birth was 3.1 lbs.

How important this program is to the average hog raiser is shown by the fact that boys out of Poland China Herd Improvement (H.I.) litters of 10 or larger, sired litters containing 14 more live pigs per litter than those from litters of less than 10. In fact, 83% of their litters contained 10 or more live vigorous pigs.

### First Republican Governor Had Been Democrat—U-M Files

Ann Arbor—Michigan's first Republican governor was King-lev S. Bingham, although he had been a Democrat for one of the leaders in the founding of the Republican party under the Oaks at Jackson in 1824, according to information in the Michigan Historical Collections at the University of Michigan.

Elected in the fall of that year, Bingham served two terms. Previously all governors had been Democrats except William Woodruff, a Waig, elected in 1830.

Third place Lannom's split four points with sixth place Manchester Bakery. A Widmayer had high series for Lannom's with 443 and B. Flood had high series for Manchester Bakery with 481.

Fourth place Manchester Drug with 789 and also took high team three games from Lannom's with 2176. J. Schaffer was high bowler of all ten girls with a 519 series.

ORDERED FOR ECONOMY. A fleet of 17 new general purpose diesel locomotives has been added to the rolling stock of the Grand Trunk Western, a subsidiary of the Canadian National Railway, as part of the railroad's program to reduce operating expenses. Donald Gordon (seated), chairman and president of the system, said, "Diesel locomotives in use on lines in Canada and the United States have already reduced operating expenses by about \$5,000,000. By 1957 this may well reach \$10,000,000 and represent a saving of about \$4,000,000 a year, or a 20 per cent return on the investment in equipment."

DO YOU KNOW THAT...  
November is Truck-Transportation Month in honor of the 51st anniversary of one of America's great industries.  
The trucking industry employs 6,200,000 persons — one out of every 10 workers in the U. S. Only agriculture employs more.  
There are 20 million trucks and trailers in the world — over half are in operation here in the U. S.  
These 10 million trucks and trailers travel 100 billion miles and haul more than 11 billion tons of freight in a year's time.  
This is more than three-fourths of the total freight tonnage transported in the United States.

### KISSING THE HAND OF ROYALTY

In a dramatic vertical take-off from the clear green waters of his aquatic playground, this friendly porpoise pays honors to Mrs. America of 1955 (Wanda Jennings of St. Louis, Mo.). This scene is at the famous Marine Studios near St. Augustine, Fla. Delighting visitors with their comic expressions and playful antics, the porpoise are among the most popular attractions at the giant oceanarium. The studios are typical of many Florida sites where human ingenuity has devised spectacular means for displaying the natural wonders of the state and its surrounding waters. The most attractive of these exhibits are included in a variety of Florida all-expense tours being offered this year by Greyhound Lines.

# High School Tax Levy Not To Effect Manchester This Year

A check with school board president, Luther Klager, revealed that the State Supreme Court ruling that the higher State tax base must be used to levy school tax will not affect the tax payers of the Manchester school district this year.

The Manchester school board would have been met by using the county base. Therefore the Supreme Court's decision, he said, "will lower Manchester's millage and yet meet our budget request for operating our schools."

The Supreme Court Monday issued a writ of mandamus to force the Washtenaw Board of Supervisors and the city of East Ann Arbor to levy school taxes in Pittsfield District No. 7 on the state equalized valuation. The supervisors had decided earlier that the county valuation, considerably lower than the state, would be used. The decision, hailed as a smashing victory for schoolmen in the state, not later than next year.

In an attempt to clear up some of the questions over the issue, three Board of Supervisors' committee scheduled a special meeting Tuesday.

Tax officials in Lansing agreed that the ruling is "broad enough" to force all local units of government to use the state equalized valuations for property tax purposes, rather than county equalized valuations, now used in most cases.
