**New Circle Security Plan Offers Lifetime Income Benefits For Those Who Can Qualify**

It can ruin you... that devastating worry over the bills that pile up so fast when sickness or accident prevents you from working. With Mutual of Omaha's great new Circle Security Plan, you can trade such worries for peace of mind.

This is a contract that is **YOURS TO KEEP**... and just to "renew" for this coverage, the company cannot refuse to renew for health reasons or age. Resumption of coverage in physical condition or number of times you receive benefits, your policy cannot be cancelled, nor "surrender" value. Your protection can be modified only when you reach 55 (even then you will be eligible for coverage for which you are then qualified); or should you become overinsured, in which case the amount of protection is adjusted; or should you change to a more hazardous job (even then you may apply for new insurance); or if discontinuance is used in applying for policy or benefits.

There is **NO AGE REDUCTION** clause. Your loss of income benefits beginning while your policy is in force cannot be reduced regardless of your age and will be paid regularly as long as you are totally disabled by a covered, accident or confining sickness, **EVEN FOR LIFE.**

You can own Circle Security Plan protection for **YOURSELF ALONE** OR FOR YOUR ENTIRE FAMILY. Generous **HOSPITALIZATION** benefits pay for as long as 90 DAYS, and can include **MATERNITY** benefits and cash for **HOSPITAL EXPENSES, SURGICAL BENEFITS** are also available.

At this, in addition to **LOSS OF INCOME** benefits that pay each dollar to you when you're disabled and unable to work because of covered sickness or accident... no matter how long, even for life!

## Tuesday Night Bowling News

We had some good bowling there were seven and the best once more this week. The best was 233 by H. Bersader. D. Widmayer had two games of 224. 221 in the 300 series, there were 12 Bowlers. M. Kern & H. Bersader high each had 389. Three games 100 L. Leatz got two out of the three, 88 and 85. D. Kitzvange had 82. Two new bowlers joined the league, Ray Dunny for Spikes and John Poppen for Double A. Of all the bowlers in this country of which there are over two million, it may average of these two million is 154. So we have about one third that average bowlers in our league.

Wander what would have happened if Manna had five more on the Alley. The Team that has started to bowl, and has ended on the winning side the past month is Widmayer's Milk Hauling. This time they were 3 points over Double A. In spite of M. Kern's big 329, Manna lost 3 pts. to Spikes Middle Service. A slight loss for Spikes. Ray Schabies, like Spikes also gained on the leaders by taking 4 pts. from Jan & Jim Grill. W. Warner's 328, and L. Kappeler's 327 were high for Spikes. W. L. Wolf had 641 for Jan & Jim.

Curt Schabies took advantage of the new Radio & TV Show for 3 pts. N. Fielder's 504 was high for Curt Schabies. E. B. Broadhead had 501 for Bravens Radio. The Standings are as follows: K & W Parts Supply 36 pts. to Sports Electric Service 36 pts. to Double A. In spite of M. Kern's 329, Manna lost 3 pts. to Spikes Middle Service. A slight loss for Spikes. Ray Schabies, like Spikes also gained on the leaders by taking 4 pts. from Jan & Jim Grill. W. Warner's 328, and L. Kappeler's 327 were high for Spikes. W. L. Wolf had 641 for Jan & Jim.

At all in the radio show. The new season marks are still tact, but each week some one or some team comes close to breaking the one. High game by Kappeler 328, High Series M. Kern 329. High Team game Manna Tavern 644, and high team Series Carl M. Schabies 644, are still to be broken. 700 Games. This week

## Ed Steele, Jr. Gets Prize; Dinner Planned

Ed Steele, Jr. was awarded the prize for the largest buck during the contest conducted by the Manchester Sportsman's club. The weight was recorded as 119 pounds and the animal's buck weighed 98 1/2 pounds was shot by Alger Clark.

Plans were made at the December meeting to hold the annual banquet January 26 at the Emanuel church hall with the supper served by the Tabernacle at 6:30 p.m. Members of the club will have tickets. W. J. Johnson, Adman, will be the guest speaker and will highlight his talk with pictures of sports and wildlife.

Tickets will be sold through January 19 and the public is invited to join the group and talk over their hunting experiences.

## SPORTS

The \$100,000 the Pirates paid as a bonus to pitcher Paul Pettit may not be a total loss after all. Pettit flopped as a pitcher. But now, Branch Rickey, former general manager turned scout, has come up with good news. Back from a reported that Pettit promise future as an outfielder and power hitter. Playing first base and the outfield for Poca Rica, Pettit in recent averages had a batting mark of .366.

It really takes long distance. Vescek former president of the Cleveland Indians and St. Louis Browns, and now scheduled for an official connection with Miami's new International League club, lives on a ranch in New Mexico. Pettit is on a utility pole five miles from his house. Twice daily he drives to the phone to ask the Glenwood operator if there are any calls.

## March of Dimes Committee Heads Named

Announcement of committee members for the March of Dimes drive to be held during the month of January has been made by Mrs. Ray Kerr, local chairman.

Mrs. Kerr's appointments are: Mrs. Lee Ann Schoob; Mrs. Rose Marie Farrell, dime envelopes; Mrs. Duane Fuller, mailman; Mrs. Tom Walton, publicity; and March.

Funds contributed to the March of Dimes support the National Foundation for Infantile Paralysis, which maintains respiratory centers to care for polio patients, trains doctors, nurses and physical therapists, and is continuing its work to perfect the vaccine for polio and other diseases.

In addition, the March of Dimes care for patients in this county who are victims of polio. Funds from the local chapter are used locally to pay for corrective operations on children who were stricken in the epidemic years. The local chapter also pays for corrective braces and other equipment for polio patients.

We hope the year will be a prosperous one.

## Chevrolet's taught dynamite good manners!

With its frisky "Turbo-Fire V8," this Chevrolet is pure dynamite, all right. But it's beautifully mannered, too—quiet, well-behaved, instantly obedient to your slightest signal!

Nudge the accelerator and you're aware of the split-second chain reaction of your toe to the "Turbo-Fire"! There's your dynamite—with horsepower ranging up to a high of 205. The car is built for its power, too—with a low, low center of gravity, well distributed weight and wide-apart rear springs. There's your stability, and safer handling! All doors have safety latches—and instrument panel padding and seat belts, with or without shoulder harness, are available at extra cost. Directional signals are standard. Death In Hotel Investigated

Washington County Edwin C. Landman selected an autopsy and asked the sheriff's department to investigate the death of a man found in the Sallas Hotel early this week.

Coroners identified the man as Joseph Jannet, a man in his late 30's who lived at the hotel. The coroner said they were looking at this time to indicate how long he had been in the hotel room, as if some attempt might have been made to hide it. The investigation had been requested, Sheriff's detectives began a search of the room immediately.

As a result of the investigation it was found the man had died of a heart attack. Lieutenant Detective Melvin Fuller of the sheriff's department stated the case had been investigated, but had been investigated because of the unusual position in which the body was found.
