Observes Eightieth Birthday

We've heard a few grumbles from crotchety of 'Scrooges durthe past few weeks about 'commercialising Christmas' and some folks have expressed conissuing the holiday scasson," and some folks have expressed conissuing the holiday scasson, and some fol Sants s neipers. This issue of year is the time of reunion of old friends and members of the "clan." Smiles are quicker and loser to the surface, and greetings just a wee bit warmer The longer the Perce on Earth and Goodwill season lasts, the righter our community will be.

There's always a flurry of last minute details to attend to, no ter how any busy mother tries to organize all the holiday les, but the hustle and bustle is one of the best ingredients

In the Enterprise this week are schedules of Christmay programs, operettas, parties and benefits sponsored by church, school and civic groups. Try to fit some of these holi-day festivities into your schedule of events, and make them for participating with friends and family in community gath-
