At a meeting last week of munity Fund Board, the budget that local groups have received tional agencies for health and \$4,010.00, to date, out of the during the United Community—
Fund and Red Cross Drive.

The board passed a resolution by reaffirming Manchester's position that all agency requests for Refunds, as far as possible, be complished in a single drive. Millard hy Uphous, president of the board

stated, "It is the aim of the Man-chester Area Community Fund to confine house-to-house and busi-ness men's solicitation for health. welfare and recreation agencies Ce o one big drive."

Mrs. Ray Tirb, secretary of the fund, said "Citizens in the area are entitled to inform anyone soliciting funds for such groups, at any, time of year, to contact the Community Fund Board, Annual ed

Whose Southern Washtenaw Farm Is This?

This attractive Southern Washtenaw County form is located not far from here. The airplane picture was snapped last summer and presented to this newspaper by the photographer

### Poultry Inspection Law May be Enacted that the proper governmental antherities including the state department of geographic names, be

The Agriculture Department maintains it is "well pre-pared" to assume responsibility for administering a mandatory poultry inspection law. A number of such laws have Kuhi, secudent Bill Wheeler, vice been introduced in both Houses of Congress last year as well president: Gordon Grassman, section this one. One of the forces pushing for such a law has retary, and Karl Cole, treasurer, been the 316,000-member. Amailable of the color of the chib is to

been the 315,000- member Amal gamated Meat Uniters and Butther Workmen (AFL-Cio) Union.

The union feels its three-year long battle to get mandatory poultry inspection legislation has now been won-in principal. "But under the authority of this act." Hassett is the 3-H leader of the authority of this act." Hassett is the 3-H leader of the species man.

Car Crash Injures Saline Man

ple abrasions and bruises when his car was in a collision with a truck on Michigan Avenue four miles east of Saline Tuesday. Dittle, taken to St. Joseph Hospital, is reported in good condition by hospital officials. Driver of the truck, Warren W. Gage. Beecher Road, Clayton.

YOU REAP THE BENEFIT

Nowadays, manufacturing plants don't have to put up with the expense and inefficiency of keeping large inventories of materials and parts on hand Trucks and truck-trailers, by providing swift, direct, door-to-door transportation service, have made such costly procedure a thing of the past

The modern assembly line extends, in effect, beyond the manufacturing plant itself to the commercial motor vehicles which continuously supply industry with 'round-the-clock shipments of mater-

Yes, trucks and truck-trailers are indeed assembly lines on wheels, serving industry in a way that brings an ever-improving standard of living to

Australian Shearing Table Demonstration At Manchester Parley

Honored

se use of the Australian Shearing tion held at Manchester recently. Carl Hakes, Hanover, was re-elected president of the Association. Robert Kirk, Manchester, was elected vice-president and Jack Ware, Bancroft was re-elected sec-The Australian Shearing Table,

manufactured by the Australian branch of the Sunbeam Corporation offers a completely new meth od of holding sheep for shearing. It holds any size or weighte of sheep firmly in the correct position for shearing. Shearing can be done with either a Shearmaster or heavy duty equipment. It is wide enough to hold the sheep and its fleece and rotates in a complete claws are adjustable to hold any

fortable position.

Was made by Densel Fuller, opposed such a movement Experienced shearers were quick to see many advantages of the country of the see many advantages of the seement of table but also pointed out that for the present at least, the table would have its greatest use to an inexperienced mercent with the present at least, the table would have its greatest use to an inexperienced mercent with the present at least.

leader in the manufacture of Sheep Shearing and Animal Climping equipment for over sixty years, marketed under the name Stewart, has introduced the Shearing Table for the first time in 1957.

Emanuel Evangelical and Reformed Church will conduct special service on March for the first time in 1957.

Manchester was the second place in the United States in which the coupment has been shown.

It is ideal for shearing your own sheep without the back-breaking positions associated with the conventional manner now practiced. There is no wasted effort in holding the sheep and you are allowed to stand and shear. It holds any xize or weight sheep.

\*\*Emanuel Evangelical and Reference formed Church will conduct special service on March 20. Subsequent service is entirely a service on March 20. Subsequent service on the closwing three Wednesday on the following three Wednesday evenings. Pastor Rest will speak on the following three Wednesday evenings nearly a service on March 20. there has been a great deal of headshaking among the old folks and a general feeling that sometow means should have been found to preserve it. Historians say that the tree was once one of a series of trees bent by Indians to mark turns in the trail—a trail which old US-23 later followed for hundreds of miles. This is the way the tree appeared before it was cut down. District Road Officials

A national Red Cross worker, coming from St. Louis, Mo., is expected to handle the instructor training program, aimed at providing more local instructors for home nursing courses. The home nursing courses, are more extensive than the original courses giv-en, the new; trained instructors will stress emphasis on emergen-cy training in future classes. North Sharon Farm

assistant Civil Delense director for this area, has announced.

The retreater course is a six-

hour coure to be completed in the two evenings.
