freedom for granted. How lustily, in times of war, do
we sing songs of patriotism, exhibit due respect to the
boys in uniform, and pray for peace. Yet, when the
smoke of conflict subsides, our respect and regard for those who

bore the brunt of war's perilous sword quickly wants and dies. But true gratitude for an earned peace should be as perpetual as

is our freedom. The young men who gave the best years of their lives, often at the peril of life and limb, should always be re-

membered by the citizens of our nation. And that memory should not find expression in a shallow sentimentality, but in

making adequate provision for these who have so willingly stood in war's gap and subjected their youthful bodies to the onsloughts.

In the case of spiritual freedom, there was only One in heaven and earth who was equal to the task, and that was Jesus Christ.
