The bride chose a gown of white Swiss embroideried organdy over taffeta. The fitted bodice had a sabrina neckline and short sieeves. The flared skirt ended in a chapel train. She carried a cascade of light pink roses and white-dasises and ivy and her fingertip veil fell from a headdress of seed pearls. Annemarie Menzel, sister of the bride was maid of honor in pink imported organdy over taffeta. The ballerina length dress was styled similar to that of the bride and she carried a colonial bouquet of deep pink roses. Her headband was of pink seed pearls.

Eight Week Playground Plans Revealed Here

Summer Recreation Program begins for all departments. Monday, June 24 and lasts for eight weeks, through August 16. Young people participating in the program should bring a signed permission slip with them the first day they attend playground or any of the activities so that they may be completely enrolled for all events. The directors at each of the playgrounds will have copies of the permission slip or the one printed in this edition of the Enterprise may be cut out and used.

This year the activities will end with a special event and demonstration like the plan followed a number of years ago rather than beginning with a special event. The major part of the senior playground activities will also be in the attencost although the athletic field will be open from 10:90 to 12:900 on Monday. Wednesday and Friday with equipment and games available and an attendant in charge.

The program in general will be as follows, while special events will be announced the week before:
