Build's improved variable pitch Dynaflow transmission is standard on the Century. The revolutionary new flight pitch Dynaflow and

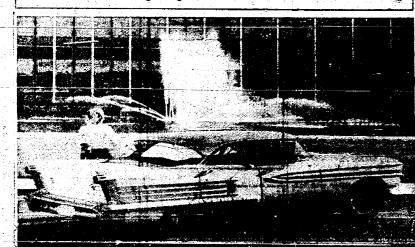

Dodge Offers Five Station Wagons

SWEEPING STILING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE. The Fairlane 500 movictoria (right) and Pairlane Cub Victoria (left) share with all new Fords such dramatic strling changes as new inverted V trank life and twin safety taillights. Engineering and design advances include new engines, new Cruise-object of the control of t

Distinctive Styling Features 1958 Oldsmobile

Oldsmobile for 1958 offers a completely restyled body. The distinctive styling in this Super "88" Holiday sedan harmoniously employs horizontal trim to emphasize its long, flowing lines and low sithouette. Dominant in Oldsmobile's 1958 styling tre striking twin blades that sweep down the rear ander crown. The enlarged rear window extends 2 inches into the new thin-line roof. The mas-

sive rear bumper has unique twin back-up lights at each extremity, with twin emblems and the Olds-mobile same on the rear deck. Choice of three Rocket engines with improved economy is offered in the 1958 Oldsmobile, which has a smoother a Jetaway Hydra-Matic transmission and New-Matic Ride, a new concept of air suspension, available as desirable options.

(The complete and original story which became the theme for Walt Disney's "Great Locomotive Chase" was extolled in a full frompage spread of this November is sue of the ENTERPRISE, 1881. The history of the Andrews' Railroad Raid into Georgia in 1862 was cited as "The most tragic and Heroic episode of the Civil War." —Ed.) CLINTON - The woolen mill company have (sic) had a truck wagon made to haul oil from the depot to the factory.

The Free Press says that Man-chester is taking steps to boom it-

Bert English says that their corn crop will average nearly 160 bushels to the acre this year, which we consider is a good yield. But speaking of corn reminds us of a story Jake Myers tells that years ago, when he worked ... in Bridgewater, they raised corn so tall that Jake had to climb up the stalks two feet to get the ears — and the stalks would not bend with him either. They grew larger corn then than we do now, I reckous.

At half-time of the Manchester-linton game last Friday night, the

fanchester Jaycess formally pre-

enfed the new score board to the fanchester School System for the thletic field.

thiette field.

Jim Cannon made the presentaion on behalf of the Jaycees, subituting for Jaycee President, Donielder. The scoreboard was acceptd for the Manchester Schools by
as School Board President, Luthr Klaper.

annon told of the Jaycees decis-m to purchase the board in spite f low treasury, so that it could be lade use of in the current football

ason. He also stated that the itentions of the Jaycees in giving te board was that it be used for il possible sports played on the thletic field to which it could be

r Klager. In presenting

nce of the Varsity Club. The yees will pay for the cost of the ard from various projects to be iducted by them within the next ir.

From the use the new scoreurd has already had, there is no ibt of its usefulness in scoring thall games. Shown instanly I at any point in the game, and arry visible in any part of the id, is the exact score, minutes play, quarter being played, which m has the ball, down and yards go, Much of this information s often a mystery to many specors in past years.

If, and Mrs. Robert Tuttle, Jr. 1 family have returned home er spending six weeks with his zents. Mr. and Mrs. Robert tttle, Sr. while Mr. Tuttle was rking in Hammond. Indiana.

President Klager, in accepting board, expressed the apprecion of the school system and of community as a whole for the t. In a letter to the Jaycees, ager states that with the add-in of the scoreboard, the Mansster Schools athletic plant was self-the best in this part of the
