simed september S. Mis. Moore is formerly of La Pere, Michigan, is a graduate of Michigan State University and has been teaching in Gallup. New Mexico, the past two years. She is now enrolled in Library Science at the University of Michigan where she attended summer school furthering her library training. Mrs. Moore and her daughter Laurine, an eighth grader in the local schools, will reside in the apartment at the Library.

Library hours will remain the same until further notice. Mrs. Moore's schedule at the University this fall may necessitate changes later on.

While minor changes and painting has been going on inside the library, the exterior appearance has been undergoing extensive improvement. Through the voluntary work of Martin Keasal, the yard has been filled in and seeded and shrubs have been transplanted to the west side of the building. All of this project, has been a great help to the library board and the members wish to express their appreciation to Mr. Keasal through this word of thanks. Ninety-year-old Charles Brown
