Barbecue Fetes Softball Team

The Grossman-Huber softball team ended their season with a chicken barbecue at Carr Park Sunday, after a very successful season, winning 23 games and losing only 7. This included playing strong Ann Arbor, Jackson, and Adrian teams, winning the local league championship, district tournament, regional tournament and then battling to the State Class B final.

LOCALS CHAMPIONSHIP

The local team lost the championship game to Uika Chevrolet of Secorville by a score of 3 to 2. The Grossman-Huber pitcher, Don Gross, pitched all seven games played in the three days in the final at Iron Mountain. This is quite a feat; he has pitched out as most teams in the final carry two good pitchers. Don Gross was the pitcher for the rest of his team. Of course, Ross had good support or the team wouldn't have gone as far as they did.

Red Cross Bloodmobile Emanuel Hall, Sept. 26

Red Cross Bloodmobile will be at the Emanuel Church Hall, September 26 from 11:30 to 2:30 and 3:30 to 5:30 to build up the Manchester Blood Club supply for the coming year. It is hoped that the earlier date and fall weather will be a better time for local donors to attend so that the goal of 100 pints will be reached at this clinic according to the local chairman of recruitment, Mrs. Robert Huber.

A committee of fifteen women, known as the recruitment committee will start phoning every home in Manchester phone book today to explain the local Blood Club to residents of the area, to answer any questions they may have about the club to recruit adults between the ages of 21 and 65 that this is the time to pledge a pint of blood to THEIR club.

The value of a Community Blood Bank is many sided. When a patient needs blood it is most always a sudden demand and a shock to the family involved. A Community Blood Bank gives ALL the residents of the area a feeling of security in the face of such a demand. It is, however, must be supported by blood donors as well as the doctor in charge of the clinic.
