Although little league baseball is under the overall supervision and direction of Manchester Recreation Committee (which is financially supported by the Village Council and Community Chest) new uniforms for the Little Leaguers would not otherwise have been financially possible for a number of years, due to other more urgent and general recreational needs in Manchester, had it not been for these people.

 the U.S. Army during World War

Town Talks On Youth Start March 16
First in a series of county-wide Town Talks on Youth, scheduled for March and April, will be held at 8 p.m., March 16, in the Ann Arbor High School West Cafeteria.

Representatives from service clubs, women's clubs, farm organizations, schools and churches throughout the county will meet to discuss a forthcoming White House Conference on youth problems and their possible solutions.

Community representatives on the general committee include: Mrs. Bess Telft, Mrs. Robert Merchant, of Saine; Mrs. Donald Hackney, of Dexter; Mrs. Franklin M. Reek, of Manchester; and Mrs. J. V. Fisher, of Chelsea.

The March 16 meeting will be conducted by Dr. E. A. Willard, professor of the School of Education of the University of Michigan; Professor William C. Morse, of the University of Psychology Department, and Director of the University Fresh Air Camp; and James Wilkins, president of the Ann Arbor High School Student Council. The meeting will be open to the public, and audience participation in the discussion will be invited.

The Town Talk program is directed by Mrs. Robert S. McNamara, of Ann Arbor, Regional Chairman for the White House Conference to be held in Washington in 1960.

Representatives at the first meeting will be asked to explain the program to their organizations. Mrs. McNamara said, and material will be furnished for small group discussions on youth problems.

"It is hoped that the various meetings throughout the county will help clarify the special problems of youth, stimulate interest in them, and will give the local representatives to the regional White House Conference in May particular knowledge and understanding of these problems in our own area," the chairman added.

Five Injured In Two-Car Crash
Five men were injured in a two-car crash on the Saine-Ann Arbor Road, north of Ellsworth Rd., in Pittsfield township last week-end. Four of the five injured were members of a Port Huron-St. Clair area bowling team.

State Police of the Ypsilanti post said the accident involved cars driven by Oscar Walz, 28, of Manchester and Lyford V. Smith, 47, of St. Clair, an off-duty State Police detective from the St. Clair post.

Troopers said Smith's car, headed south, attempted a left turn into a driveway in front of Walz's north bound auto. Walz was released after being treated at University Hospital for cuts and bruises. Smith was uninjured.

The other four injured were all riding with Smith. Troops listed them as Clark Young, 34, of Port Huron, fractured pelvis; Russell Miller, 62, of St. Clair, chest injuries; Eugene Brooks, 45, of Port Huron, hip injuries; and Alvin Routhaux, 30, of Port Huron, shoulder bruises. All were taken to the U-M hospital and Routhaux was released after treatment.
