WILLARD BAKER
ATTENDED MEA
CONFERENCE

Willard Baker of this community represented Washtenaw County at the annual Leadership Conference of the Michigan Education Association held at the MEA Camp near Battle Creek last weekend.

Mr. Baker and other representatives were indoctrinated on the MEA history and services.

He was among more than 175 educators from all over Michigan who were in attendance.

JOLLY FARMERSTIES 4-H GROUP MET JUNE 16th

The Jolly Farmersties 4-H Meeting was held on June 16th according to Reporter Mary Ellen Bassett.

Following reports of the Secretary and the Treasurer, new business included plans for the work meeting which was held Tuesday evening at the home of Carol and Judy Braun.

Next business meeting is scheduled for June 30 at the home of Carol Neilson.

Refreshments were served by Doris & Dorna Kemner and Leila Weir. Games were played outdoors.

LIBRARY ANNOUNCES STORY TELLING TIME ON WEDNESDAYS

Manchester Township Library announces a Story Telling Hour on Wednesdays from 3 to 4 p.m., beginning on June 24th. Mrs. Mable Purdie will conduct the program for children Junior Playground age, that is, old enough to go to Kindergarten in the Fall and through eight. If there are

older children and third and fourth graders who are interested in talking about books, hearing stories or working on a special project, Miss Nellie Anderson will be at the library to talk over a summer program for them at the same hour.

The annual summer reading program will be part of the summer schedule at the Manchester Typ. Library. Mrs. Grace Moore, librarian, will post information regarding this program on the library bulletin board and Paul's Dairy Bar bulletin Board.

The summer schedule for the hours that the library will be open, other than the hour Wed. afternoon, will be the same as it has been until next week. Any new hours will depend upon Mrs. Moore's schedule at the University for summer school.

On page two, readers will find the legal notice regarding the Madison Sewer construction.

**RESOLUTION TO CONSIDER
SINK OF MADISON STREET**

WHEREAS, the Village Council has after careful investigation, deemed it advisable to construct a sewer on Madison Street from the Post Office Building to the Klutas Richard property, for a distance of about 180 feet;

BE IT FURTHER RESOLVED, that the costs thereof be distributed as follows:

(1) The Village of Manchester to furnish all labor for installation thereof at an estimated cost of \$96.00.

(2) That the cost for the furnishing of material, estimated at \$55.00, be levied as a special assessment against the following described property, to-wit:

"Beginning at the SW corner of lot 10, thence N 30° W 252.90 feet to the W 1/2 line of lot 10 and W 1/2 line of lot 10 extended, thence S 81° 1/2 in the S line of Rail-

road to center of Clinton Street, Manchester, thence S 30° E 206.02 feet in the center of Clinton Street, thence S 60° W 155 feet in the N line of Madison Street to place of beginning. Being a part of Clinton Street, Part of Lot 8, Block 30 and Lots 9 and 10, Block 30, Original Plat."

(3) That the total estimated cost of said project is estimated at \$151.00.

BE IT FURTHER RESOLVED, that this notice be published in the Manchester Enterprise for two successive weeks, and that a copy thereof be served on the owners of the above described property within seven days from passage of this resolution.

BE IT FURTHER RESOLVED, that the Village Council will meet on Monday, July 6, 1959 at 7:00 o'clock P.M. in the Village

Hall, 120 South Clinton Street, Manchester, Michigan, to hear any suggestions and/or objections from any persons interested or liable to be assessed for said project.

BE IT FURTHER RESOLVED, that the above mentioned property be levied upon by special assessment to raise the funds to pay the costs of the project as set forth in this resolution.

Chevy Gives You Smarter Style Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in styling..." This is one more reason why a new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices shows Chevrolet averaged up to \$125 more than comparable models of the other leading low-priced two.

Outside Best Sports of the National Automobile Dealers Assn.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* No wonder, Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvair V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sizes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear, Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TRENDS magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLET'S IN '59 THAN ANY OTHER CAR!

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Shippers around the world will be asked to take a look at the wreck of Michigan's ferry fleet, the Vacationland, now up for sale.

The vessel is the last of the five-hundred-ton fleet which linked the upper and lower peninsulas of Michigan before the \$180,000,000 Mackinac Bridge was opened Nov. 1, 1957. The others have been sold at a fraction of their original cost.

The Vacationland is moored along and lony at the St. Ignace dock, barred by the law which authorized construction of the bridge from ever making the trip again.

To protect buyers of the bridge bonds, the law states that there can be no boat in competition with the bridge, which is being paid for by tolls.

The Vacationland now is occupied by only one watchman and a few campers, which used to follow the fleet between Mackinac City and St. Ignace.

The trip, which formerly took 40 minutes in good weather, is now a 10-minute drive through the sky over the bridge.

The Vacationland, the largest of the fleet, can carry 476 passengers and 140 vehicles.

Philip H. Anderson, deputy director of the purchasing division of the state department of administration, was new hope for selling the Vacationland in the opening of the St. Lawrence Seaway.

"Now that we have the seaway

Most of his party's strategists feel that the financial plight of Michigan has wrecked his chances for a national nomination next year.

A conference of party leaders in Denver, Colo., indicated that he must succeed in overpowering the Republican controlled legislature this year or fail for the present in the national picture.

Indications of dissent on his own party in the legislature point only to trouble for the record setting Democratic governor.

Most of Williams' program was scrapped by the legislature when the deadline for action arrived June 6.

It also marked the tenth year in which the legislature had refused to enact his "Goal of Quality" program for farm products, a program of promotion and standardization of products.

The nation knows of Idaho potatoes and Maine lobsters and the citrus fruits of Florida and California. The Williams program was an advertising device to produce a similar effect for Michigan agricultural products.

The programs selected by the legislature this year also include a state building authority, an atomic energy commission, an old-age commission, an automation commission, an industrial park authority, and an employment safety standards bill.

You get the BIG comfort dividends in your 59 FORD...

NO SQUIRM **NO SQUEEZE** **NO SQUASH**

Does in 59 Fords are wider — up to six inches wider — and door openings are contoured to fit you! You get in and out of a Ford with greater ease and comfort. The girls really like Ford's doors... for more graceful entries and exits.

To gain a low roof line, some cars end up with higher floor "humps" and thinny padded rear seats... a combination that's mighty rough on the middleman.

The squeezed-down, skinny roofs of some cars aren't comfortable even for bare-headed riders. And they don't keep out excessive sunlight and glare.

Fords have usable seating space for six big people. The divan-like tunnel is lower and rear seats are deeply cushioned all the way across. This means more comfort for all passengers... especially for the man in the middle.

See how much more head room Ford has. Even big six-footers sit up straight without touching the roof. And Ford's big roof protects all passengers, in both front and rear seats, against the discomforts of excessive glare and heat from the sun.

Greater comfort is only the beginning of the dividends you get in a Ford. You get the World's Most Beautifully Proportioned Car. You get a big dividend in Ford prices... the lowest of the best-selling three. And you get saving dividends that cut costs every mile you drive. See and Action Test a new Ford at your Ford Dealer. See how you can go finer...with more comfort... for less... in a new Ford!
