SEVEN CENTS PER COPY

## EXCHANGE VOWS

Gowned in a floor length dress of white satin and lace, Miss Janet M. Braun, daughter of Mr. and Mrs. Duane Braun of Manchester, exchanged her marriage vows with William D. McCully of Clinton, Saturday afternoon.

The double ring ceremony was performed by the Rev. Ralph Kuehler at 2 p.m. in the Emanuel Evangelical church at Manchester.

Lighted candles on the altar and baskets of mums on either side of the altar created the background for the ceremony. The ushers, Ted Blumensauer of Manchester and Harold Walker of Brooklyn seated the guests. The church organist, Mrs. Royal Davider played a prelude of nuptial music and the wedding marches. She also accompanied Mr. John Neudorfer of Manchester who sang "O' Lord's Prayer."

Given in marriage by her father, the bride wore a wedding gown featuring a fitted bodice of Chantilly-lace-over white satin. The neckline was scalloped accompanied by touches of sequins and pearls. The long fitted sleeves ended in points and featured a row of tiny buttons on the backs. The full skirt was accented in the back with five rows of lace ruffles extending from the waist to beyond dress length to form just a hint of a train. Her finger tip veil fell from a double crown bedecked with sequins and pearls. The bride's bouquet featured a cascade of pink roses tied in tulle with satin streamers.

Her attendants were Miss Mary Schiel as maid of honor, Miss Judy Braun and Miss Carol Braun as bridesmaids. All of the girls are of Manchester. Their identical dresses were of silk taffeta; the maid of honor's was peppermint and the bridesmaid's were of netwood and spricot, respectively. The waist-length gowns had rounded off the shoulder necklines and a bow accented the waistline. The hats consisted of a matching bow with a veil. Their shoes matched their dresses in color. They carried dainty colonial bouquets featuring yellow and rust mums.

The flowergirl, Miss Vickie Smith, daughter of Mr. and Mrs. Donald Smith of 2008 Canaan, Ann Arbor and cousin of the bride, wore a gold full skirted dress with puff sleeves. She carried a basket of yellow and rust mums. Serving as ring bearer was Edward Braun, brother of the bride, who wore white jacket and black tux pants just like the other men of the bridal party. The bridegroom, son of Foster McCully of Clinton, was attended by Mr. William Shelton of Saline.

A reception was held immediately after the ceremony in the church parlor where about 150 guests extended congratulations. The table was centered by a four-tiered wedding cake with candles and flowers completing the picture.

When the couple left for Northern Michigan, where the bridegroom is presently working, the bride was wearing a brown tailored suit with matching accessories. The couple

Mrs. William D. McCully will live in Manchester after November. The bride is a graduate of Manchester high school in 1958 and spent one year studying at Eastern Michigan University. She is presently employed at Widmeyer Hardware in Manchester. The bridegroom is a 1956 graduate of Clinton high school and is working for the Wyatt Construction Company.

## FREEDOM IDEAL HOME EXTENSION

The Freedom Ideal Home Makers Extension Club met at the home of Mrs. Alton Grace Friday, October 16th at 1:30 p.m. for a desert luncheon, served by the hostess Mrs. William Stark assisting. There were 14 members and 1 guest present. The business meeting was led by the chairman, Mrs. Carl Stevens. Mrs. John Miller gave the thought for the day.

Mrs. Alfred Kuhl and Mrs. Harold Eiseaman presented the lesson on "dress and accessories." Members brought articles for the "Needlework Guild" of Chelsea, also donations of food and clothing for the Marshall Rankin family of Dundee were given.

The next meeting will be held at the home of Mrs. Henry and Mrs. John Niehaus will hold the November 20th meeting.

## Muscular Dystrophy Fund 'March' Planned Nov. 24

The Washtenaw county chapter of the Muscular Dystrophy Association of America last night set Nov. 24 as the date for its annual county-wide muscular dystrophy "march." Volunteers taking part in the campaign to raise funds to combat the now incurable disease, will make door-to-door calls in Ann Arbor and Ypsilanti. Residents in other areas in the county will receive requests by mail to make donations.

Officers to direct this year's campaign were appointed at last night's meeting.

Mrs. S. J. Elden and Jack Grimston were named co-chairmen of the annual "march." Persons appointed as area leaders included Mrs. Stanley Thayer, Mrs. Edwin Smith, Mrs. Charles Billow, Mrs. Martin Patchen and Mrs. Richard Cole.

## Men Named To Lead

Layman's Sunday will be observed at 11 a.m. Sunday by Emanuel Evangelical and Reformed Church here, with six men leading the worship services.

Neison Short, president of the Churchman's Brotherhood, will be one of three speakers for the service. Howard Higgins and Plummer Sawyer, both deacons of the church, will each deliver a short sermon.

Opening the worship service will be Millard Uphaus. He is to be assisted by Fritz Schuller, who will read the scriptures and Ronald Kuhl who will lead the congregation in the closing moments of worship.

A men's chorus under the direction of Carl Wuerthner, assisted by Mrs. Royal Davider at the organ, will provide the anthem for the service.

The 1958 Project of the local and denominational Churchman's Brotherhood is to build and equip an Arab refugee girl's school in Bethlehem of Judea. A kindergarten, a full elementary and a full secondary school are now functioning at Bethlehem for 137 refugees and orphans. The waiting list for this girl's school numbers well over 6,000. The goal for the campaign is \$20,000. Men of Emanuel Church will have a part in this project.

## LEGION AUXILIARY

The American Legion Auxiliary met at the Legion Hall for the October meeting with Community Service chairman, Mrs. Don Sutton, reporting 100 on hand, 2 pair cutnives, 1 child's wheel chair, and 1 walker.

The Unit voted to give \$50.00 to the Community Chest.

A public card party will be held October 24, at the Legion Hall, with Mrs. Russell Middlemiss and committee in charge.

The serving committee for the November meeting will be Mrs. Erwin Huber, Mrs. William Richardson, Mrs. Frank T. 1:15, and Mrs. Frank Randall.

The Good Cheer Chairman for the coming month is Mrs. Don Sutton.

## TOWN HALL LECTURES

Vincent Price, noted movie, stage and television actor, appeared on the Town Hall lecture series in Jackson Wednesday October 14, at the Michigan Theater. Those from here who attended were the Messdames Tom Walton, Luther Klager, Walter Schabie, William Mann, Alton Schaffer, Finn Olsen, Dan Boutell, Roland Grossman, Whitney Riender, Thomas Lockridge, Norman MacLeod and Henry Eames.

The next speaker will be Mrs. Eleanor Roosevelt on November 11.

## Arrangements On Licenses

Sheriff George A. Petersen today announced a new arrangement in his department under which driver's licenses will be issued in Chelsea and Manchester all day on Thursday of each week.

Mrs. Dorothy Armbruster, a former records clerk at the County Jail, will be in charge of the Manchester license bureau each Thursday.

Sheriff Petersen said Sgt. DeVoe will continue with his regular job and hold license hours from 9 a.m. to 3 p.m. each Thursday in Chelsea. Mrs. Armbruster, now a secretary for a Manchester law firm, will issue licenses in the County Building in Manchester from 9 a.m. to 5 p.m. on Thursdays.

Prior to the new arrangement, Deputy Erwin Keebler spent the morning hours each Thursday in Chelsea issuing licenses and then traveled to Manchester for afternoon hours. Sheriff Petersen said the volume of new licenses and renewals issued in both Chelsea and Manchester has increased to such an extent in the past year it was felt a full day should be permitted for the part-time bureau in both communities.

Deputy Keebler, in charge of the Sheriff's Department's operator's license bureau, will continue to give road tests and issue new and renewed licenses from the office in the basement of the County Building, the sheriff pointed out. Sgt. DeVoe and Mrs. Armbruster will be qualified to give road tests and write new and renewed licenses. Sheriff Petersen said.

He pointed out that motorists may renew licenses three months before their permit expires. Michigan drivers licenses cost \$2.25 for renewals and are good for three years. The fee for a new license issued to a person who has never had a Michigan permit before, is \$3.50.

## Cancer Unit Plans Workshop

A workshop for volunteers and board members of the Washtenaw county unit of the American Cancer Society will be held next Tuesday at the Cancer Information Center, 343 Municipal Court Building. The workshop will consist of a refresher course in office procedures, making cancer dressings, etc.

## 51 PERCENT OF COMMUNITY FUND GOAL REACHED

Fifty-one percent of the \$8,000 United Community Fund and Red Cross goal for 1959-60 was reported in at the end of the first week according to Mrs. Louis Vogel, campaign chairman. This unprecedented percentage is due to the pre-campaign work of the Business Men's Division and the early support that the Double A management and Union gave the drive.

Ninety percent of the business men had been solicited by the end of the first week. For years the deer season has interrupted this portion of the drive, holding up the whole campaign. This leaves a major portion of the Fund for the house-to-house divisions to pick up and they are accustomed to doing their job in two weeks except for call-backs to those who are not home during that period.

The aim of this year's campaign is to collect all available contributions during the first two weeks of the drive, says Mr. Hendley Community Fund Board, president, leaving pledges, unavailable call-backs and organizations which meet only once in four weeks for the rest of the month or early November.

Next week's report should tell if the campaign will reach everyone and if everyone has added a little more to this year's gift in order to meet the increased goal. If everyone cares, everyone shares and gives enough at one time for all. Forty-six local and national agencies are depending upon Manchester to do its share.

## FARMERETTE

The Jolly Farmerettes 4-H Club had an organization meeting on Saturday, October 17, at the home of Mary Ann Paul. There were 21 girls and 4 leaders present. Mrs. Reno Feldkamp is joining us as a new leader this winter.

New officers were elected as follows: President, Mary Ann Paul, Vice President, Mary Ellen Hassett, Secretary-Treasurer, Sue Hassett, Reporter, Janet Kemmer, Song Leader, Nancy Walker, Recreation Leader, Carol Niehaus.

It was decided to have the business meetings on the first Saturday of the month from 2:00 to 4:00 P.M. Work meetings will be the second and fourth Saturdays of the month at the leaders' homes.

The next meeting will be at the home of Janet Kemmer.

Mrs. A. A. Snowman who has been with her daughter and family, Mr. and Mrs. Wayne Moore in Greenville, Ohio, since Labor Day is reported as improving in health. \*\*\*\*\*

### MACCABEE ASSOCIATION MEETS

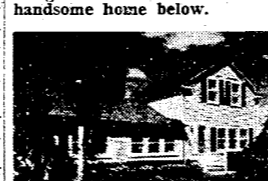

The Maccabee Association of Hillsdale, Lenawee and Washtenaw counties, met in semi-annual session at the Legion Hall in Manchester, Thursday, October 15th. Galie Hocknell, State Fraternal director and board member of Jackson, and Carl Wuerthner G. Lt. Commander of the State, were special guests. The Ypsilanti unit won the Production Banner, while the Ann Arbor unit won the attendance Banner. The next association meeting will be held at Ypsilanti in April 1950. Friday G. Lt. Commander Carl Wuerthner went to Lansing to attend the State Board meeting of Maccabees held there and remained for the Fraternal State Rally on Saturday, in Lansing.

### HOME OWNERS QUESTION BOX

Q—Water seeps up through the concrete slab floor of our basement after a rainstorm and remains damp for days. Is there anything we can do aside from excavating and regrading?  
A—A Midwest home builder with the same problem solved it by coating the floor with a thin layer of asphalt roofing cement. While this was still tacky, he covered the entire floor with sheets of heavy-duty plastic film, then put down a 2-inch layer of concrete.  
Q—What types of repairs and improvements are eligible for an FHA home improvement loan? Also, what is the limit of an FHA home improvement loan?  
A—In general, anything that adds to the "livability" of a house. A new roof of asphalt shingles, for example, is approved under an FHA Title I loan because it protects a house, beautifies it and adds value to it. A home owner now can borrow as much as \$5,000 on a Title I loan, repayable over as long a period as 5 years.  
Q—When driving finishing nails, how can I keep from denting the wood with my hammer?  
A—A rubber fitting is available that slips over the nose of the hammer. A hole in the center of the fitting exposes metal; the rubber around the outside edges of the nose prevents denting.

Remodeling changed the crumbling old shack above into the handsome below.

## MANCHESTER

From NICK FRANKEN, Mgr.

those of farmers who often are hunters hosts.  
Each year there are nearly as many hunters injuries as there are cable damage reports. Last year in Michigan there were 216 such reports. Small game season we are in most a telephone cord's into all use when a hunter's intent quick-hunters, "please don't disable your cables."  
"If you call the doctor, ambulance, or a shot gun damage hospital or family. You might say its possible of two classes of people in for a hunters life to hang by which the hunter should be telephone line, which won't most interested, his own, and work of its shot full of holes.

### THE TIME: Evening THE PLACE: A bedroom SOUND: A telephone ringing from a distance.

"George! George, wake up! The telephone is ringing... George!" Still half asleep, the husband struggles out of bed and dashes to answer the telephone before it stops ringing...  
Has this ever happened in your home? If it has, then you already know the best reason for installing a convenient, colorful bedroom extension. It will cost about a quarter a week, but it's worth lots more than that in pleasure and security. For more information about bedroom extensions, call the Business Office.

**FIRE! FIRE!** Volunteers everywhere drop what they're doing and rush to the scene of the emergency. Before long, the community whose volunteers arrive fastest will probably be equipped with one of Michigan Bell's Alerting and Dispatching Systems. These systems were developed by telephone company engineers at the request of volunteer fire departments all over the country. Because they use regular telephone exchange equipment to warn volunteers, these Alerting Systems are both faster and more accurate than old-fashioned sirens or fire whistles. All in all, they are a great improvement in public safety for small towns.

PARTING SHOT: The high heel must have been invented by a woman who was kissed on the forehead.

### From where I sit... by Joe Marsh

Mrs. Davis Ignores the "ADvice"

Last week, the *Clinton* advertised a homemaking course given by the Woman's Club. "Seemed a fine idea to me," Red Davis told me later, "so I showed the ad to my wife. Told her she'd learn how to do new things—more efficiently, too." "But all she did was look at me and smile," Red continued. "You men," she said, "always thinking of more work for women. Learn new things? Why, I haven't even got the time to do all the old ones!" From where I sit, a lot of us do leap into the new at the expense of the old. Take the idea of tolerance, for instance. It's been around for centuries... but it's something we can never bypass. Tolerance demands daily respect for the other fellow's preference—and that includes beverages. "Tolerance doesn't mean that you have to like a glass of beer for Saturday night supper—just as I don't have to choose buttermilk. Just respect the next man's choice."

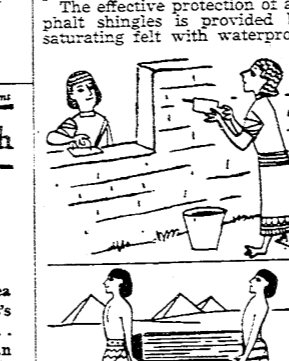

Joe Marsh

### High Winds Threat To Aging Roof

Look to your roof now if you live in an area subject to high winds.  
Damaging windstorms are more frequent during late fall and early winter than at any other time of year.  
Keep in mind that it is less expensive to repair a house before a storm strikes than after hidden weak spots end up as major damage.  
If your roof is old, you'd be wise to have it inspected by a roofing contractor. He can apply asphalt shingles especially designed to resist winds of even hurricane force.  
Usually a wind-resistant application of asphalt shingles can be made directly over the old roofing material, saving time, money and mess.  
It's also a good idea to check storm shutters, eliminate dead branches in trees near the house and remove loose objects around the outside of the house. Flashlights or other emergency lighting equipment should be kept handy along with emergency heating or cooking facilities.

### Time-Tested Building Material

One of the most thoroughly tested home building materials in use today is asphalt. Its waterproofing abilities were first discovered more than 8,000 years ago. Today it is the principal ingredient in asphalt shingles, the most popular roofing material in the United States.  
One of the earliest uses of asphalt was to waterproof the reed basket that floated the baby Moses through the bulrushes.  
Noah caulked his ark with asphalt and workmen on the Tower of Babel used asphalt as mortar for the block walls. Egyptians developed an asphalt mixture to help preserve mummies and Babylonians used asphalt to build walls.  
The early Greeks prized asphalt so highly that wars were fought over possession of areas where "magic asphalt" was a natural resource. Marc Antony gave large asphalt-producing areas to Cleopatra as a gift fit for a queen.  
The first formula for asphalt roofing was discovered in the late eighteenth century and years of research that followed led to the development of modern asphalt shingles.  
The effective protection of asphalt shingles is provided by saturating felt with waterproof

asphalt. To this is added a heavier asphalt shield to help protect the saturated felt from the heat of the sun and rough weather.  
More weather resistance is insured with a final surface of mineral granules. These make the roof more durable by giving the shingle a tough coat of rock that resists wear and keeps the sun from drying out delicate oils in the asphalt. The granules also provide color and fire-resistance.

### 2 in Drag Race Case Plead Guilty

Two 18-year-old youths who were accused of being involved in a drag race on a country road last May 7 that resulted in the death of a 15-year-old girl pleaded guilty Wednesday morning before Circuit Judge John Simpson on a charge of negligent homicide.  
They are Horace A. Lecke, of 11523 Sharon Valley Rd., and Bradley M. Harris, 16, of 419 Mill Rd., Norvell.  
They had previously pleaded innocent to manslaughter charges. In accepting their pleas, Judge Simpson released the pair as \$1,000 bond each was continued and ordered them to appear in court for sentencing Oct. 25. A pre-sentence investigation will be made in the meantime.

### What Is A Truck?

A truck is a lot of things... food for your table, clothes for your back, heat for your home. A truck is medicine for a sick child, gasoline for an automobile carrying a traveling salesman, merchandise for the store on the corner... A truck is something you simply could not do without—housewife, manufacturer, farmer, retailer, teen-ager, or whoever you may be. Because everything you eat, wear, or use depends on trucks to get to you... So, next time you see a truck on the road, remember—it's there because it's got a very important job to do—for you.

## HOME COMING QUEEN FINALIST

Back Row: Cherry Brown, Francine Purfield.  
Front Row: Martha Leeman, Dolores Budnik, Joann Roehn.  
Manchester High's 1959 Homecoming Queen will be crowned by the Dutchman football captains this Friday at an afternoon pep assembly and at the Manchester-University High game in the evening.  
Queen finalists selected by the student body recently include Dolores Budnik, a senior; Martha Leeman, senior; Francine Purfield, senior; Cherry Brown, junior; and Joann Roehn, sophomore. The queen will be chosen from these five by a student body election this week.  
Other girls who were nominated for the honor by various clubs and classes included Marianne Leedy, Carol Meyer, Carolyn Rice, Susan Walker, and Joanne White.

## MANCHESTER DEFEATS SALINE 19-12

Manchester's young football team displayed one of the finest comebacks in the school's history last Friday night as they defeated Saline High's Hornets 19-12 on the Saline gridiron.  
Saline scored first as Bob Starling scampered 10 yards for Saline's first six points. The try for extra point was wide. There was no scoring in the second quarter.  
Returning to the field after the half, a fired-up group of Dutchmen saw Saline score again as Starling went 12 yards for Saline's second touchdown. The try for extra point was again wide and the score remained 12-0 in favor of Saline.  
The fireworks began when, with six minutes left in the game, the Dutchmen scored on a 58-yard play. Quarterback Bud England threw a pass to End Ron Mann, who scampered on to pay dirt. The try for extra point was wide and the score remained 12-6.  
With just 43 seconds left, England hit Halfback Paul Reinhart with a pass and Paul traveled on into Saline's end zone for another six points for the Dutchmen. Manchester again missed the conversion and the score was tied 12-12 with 18 seconds left to play.  
With seconds to go, Reinhart picked off a Saline pass and went 45 yards for another six points for Manchester. Jerry Creech scooped the extra point and the final score stood Manchester 19, Saline 12.

## COLLEGE DAY FOR JUNIORS & SENIORS

College Day for juniors and seniors from Manchester, Dexter, and Chelsea will be held at Chelsea High School on December 10. P. M. Robert Dahan announced recently.  
The purpose of College Day is to allow students to learn more about Michigan colleges in which they are interested. During meetings lasting from 12:30 p. m. until 3:00 p. m., students will have opportunity question collect officials about entrance requirements, college classes and other related topics.  
Representatives from about ten schools including the University of Michigan, Michigan State University, Central Michigan University, and Albion College have been invited to attend the conference.

## ANNUAL M. H. S. HOMECOMING

The annual M.H.S. Homecoming parade featuring the high school band, cheerleaders, homecoming queen and court, will be the first of the series of homecoming festivities to be held Friday night.  
Starting on Main Street in front of the town library at 7:00 the procession will make its way through town to the athletic field, where the Flying Dutchmen will battle the University High School eleven in a 7:30 p. m. Homecoming game. During halftime, the M.H.S. band and cheerleaders will present a special program in honor of the Homecoming Queen and her court. The program will include band routines, a baton twirlers' ballet, and a pom-pom routine by the cheerleaders. Climaxing the halftime activities, the queen will be crowned.
