Immunization Schedule

A new schedule for administration of "Booster" immunizations for diphtheria and tetanus (lock-jaw) and vaccinations for small pox will be changed for the spring immunization clinics conducted in the schools by the Washburn County Medical Society according to Dr. Otto K. Engelle, county health officer.

The booster injections will be given in kindergarten and in the sixth grade. In schools without kindergarten the immunizations will be offered in the first grade. Previously injections were recommended every 3 years following the initial series of 3 or 4 injections.

Children transferred to the county during the current school year will be given an opportunity to have immunizations at the clinic, and children who have never had any immunization before will be taken in at the clinics if parents request service. No immunization will be offered to preschool age children. After careful study it is indicated that such a schedule will protect a child from these contagious diseases.

Local physicians and staff of the local hospitals serve at the clinics without pay and services of the clinics are available to the children without charge.

Numerous individuals and volunteers assist at the clinic in each area. In the next few weeks, Dr. Engelle said, every parent will receive a letter from the health department explaining the change in schedule. Only those children who are in the categories listed, however, will be given slips to be signed and returned to school requesting an immunization.

Locations and dates of the clinics will be released soon. Last year the clinics served over 11,000 children.

SINCE WE PURCHASED THE MANCHESTER ENTERPRISE LAST AUGUST, WE BELIEVE WE HAVE MADE A MOST SINCERE EFFORT TO IMPROVE IT BOTH IN QUALITY AND QUANTITY.

COMMENTS REGARDING THE ENTERPRISE HAVE BEEN FAVORABLE, BUT REVENUE DEFINITELY HAS NOT. IF WE ARE TO BE ABLE TO CONTINUE WITH THE TYPE OF PAPER YOU DESIRE SOMETHING MUST BE DONE.

IN ORDER TO INTEREST POTENTIAL SUBSCRIBERS IN A HOME TOWN PAPER IT IS NECESSARY TO CARRY A GOOD QUANTITY OF LOCAL NEWS ITEMS. TO DO THIS WE HAVE HIRED A WELL KNOWN LOCAL PERSON AND HER NEWS ITEMS ARE ALWAYS TIMELY AND INTERESTING. IMPORTANT NEWS STORIES ARE COVERED BY YOUR EDITOR. WE FEEL THAT OUR NEWS COVERAGE IS ABOVE AVERAGE, STILL, WE CANNOT GET ENOUGH LOCAL SUBSCRIBERS TO INTEREST A SUFFICIENT VOLUME OF ADVERTISERS.

EVERYONE MUST CERTAINLY REALIZE THAT IN ORDER TO OPERATE A NEWSPAPER IT IS NECESSARY TO HAVE ADVERTISING TO PAY FOR IT.

THIS LEADS TO THE CONCLUSION

(A) THE SOLE SUPPORT SO FAR HAS COME FROM THE ADVERTISING.

(B) TO KEEP THE REVENUE COMING IN FROM ADS THE ENTERPRISE HAS TAKEN A BOLD VENTURE BY MAILING 35 THOUSAND COPIES FREE TO NON SUBSCRIBERS, SO THAT ADVERTISERS ADS WERE READ BY ALL.

(C) BY TRYING TO PRINT A LOCAL PAPER FOR GOOD OF THE COMMUNITY AND TO INFORM ALL, THE ENTERPRISE HAS TAKEN SOLE RESPONSIBILITY FINANCIALLY AND OTHERWISE, WITH VERY LITTLE SUPPORT FROM SUBSCRIPTIONS.

(D) UNLESS MORE FAVORABLE RESULTS ARE FORTH COMING, THE MANCHESTER ENTERPRISE CANNOT ENDURE FOREVER THIS RESPONSIBILITY.

(E) WHEN YOU CONSIDER THE HIGHER COST OF MAILING TO COME, AND THE RISING COST OF PRINTING TODAY, IT WOULD TAKE TWICE THE REVENUE IN ADS TO CARRY THESE EXPENSES. THE TOWN ITSELF HAS ONLY HALF THE NUMBER IN ADVERTISERS TO SUPPORT THIS PROGRAM AND ONLY WHEN ADVERTISERS ARE WILLING TO ADVERTISE WEEKLY.

TO MAINTAIN THE ENTERPRISE WE SINCERELY AND HONESTLY ARE ASKING EACH AND EVERY MANCHESTER RESIDENT WHO HASN'T SUBSCRIBED, TO DO IT NOW

Organizations whether they be church, school, service or community frequently are in need of good programs.

Our company is glad to furnish without charge lecture demonstrations or movies.

For further information please call our Mr. Kuhn at Normandy 8-8083.

REMEMBER HOW GOOD it felt when you were in school and got to see a movie during class time? It was almost like going to a "show." Youngsters who see in school today will be getting that feeling more often, thanks to educational TV. But instead of seeing a western or their favorite mystery, the kids may be watching a play by Shakespeare or seeing how an atom behaves. Educational TV, which uses telephone facilities to transmit the programs into the schools, has proven to be a valuable teaching aid.

Mr. and Mrs. Raynor Hughes of Whitmore Lake Rd., Northfield township, celebrated their 50th wedding anniversary last Friday with an open house in the home of their daughter, Mrs. Theresa Osburn of Manchester.

They were wed Jan. 15, 1910 in Chicago, Ill., the birthplace of Mrs. Hughes. Mr. Hughes was born in Tecumseh and they came to this area shortly after their marriage.

Mr. Hughes is a retired employe of King-Seely Corp. Their other children are Frank of Whitmore Lake; James of Grand Rapids; Mrs. Harold Faraway of Dexter, and Miss Catherine Hughes and Mrs. Darold Jones.

They have 27 grandchildren and one great-grandchild.

WEDDING

At high noon Saturday, January 23, Margaret Ann Braun and Gary H. Smith spoke their wedding vows in a double ring ceremony at St. Mary's Catholic church. The Fr. Meyer of Chicago officiated before an altar decorated with bouquets of white mums.

The bride is the daughter of Mr. and Mrs. Russell Braun of 112 Torey Street, Manchester and the bridegroom's parents are Mr. and Mrs. Edwin P. Smith of 16400 Herman Road.

Mr. Hugh Walsh sang, "Ave Maria" and "On This Day Oh Beautiful Mother" accompanied by Mrs. George Swank at the organ.

Given in marriage by her father, the bride chose white nylon lace over taffeta. The fitted bodice featured a sweetheart neckline and long sleeves which ended in pom-poms over the wrists. The full ballerina skirt had an apron effect back. A teara of sequins and seed pearls held her veil of illusion and she carried a prayerbook topped with a white orchid.

Miss Norma Jean Kehoe was the maid of honor in an aqua blue ballerina dress. She carried a cascade of matching carnations. Wanda Marie Braun was her sister's bridesmaid. She was wearing light pink sheer nylon over taffeta styled similar to the honor attendant. Her cascade arrangement was of pink carnations. Both attendants wore headresses which matched their gowns.

Edwin Grant Smith, Jr. of Manchester served as best man for his brother and as the guests were seated by the bride's cousin of the bride.

For her daughter's wedding Mrs. Braun chose a beige jacket dress with beige and bronze accessories and Mrs. Smith was attired in blue with matching accessories, their corsages were white roses and mums.

A wedding breakfast was served at the home of the bride's parents immediately following the ceremony. The bride is a graduate of Manchester High School in the class of 1959 and is employed at Walsh's Restaurant. The bridegroom served two years in the Army and is engaged in farming. Following a ten day wedding trip through the south the couple will reside at 16420 Herman Road.

Pre-nuptial showers were given by Mrs. DeVERN Bate-man of Detroit, Mrs. Hugh Walsh, and Mrs. Kermit Huffnover; Mrs. Marvin Meyer, Mrs. Allen Benedict and Mrs. Elwin Benedict and also by the Misses Norma Jean Kehoe, Mrs. Joan Heiber and Elaine Hoener.

Planning for the 1960 Michigan Week is already far advanced, according to T. Austin Saunders, Muskegon, president of the General Telephone Co. of Michigan, and state chairman for the seven-day observance to be held next May 15-21.

"Michigan—Your Opportunity," the suggestion of a 15-year-old Lansing newspaper carrier, will be the slogan for the 1960 Michigan Week, and the subject for special emphasis will be "People of Michigan."

Other county chairmen announced by Adams for this region are: Phil de Beaubien, publisher, The Detroit Times, for Wayne county; Mort Neff, Birmingham, producer of "Michigan Outdoors," for Oakland county; Dale Hornung, sales promotion manager for Monroe Auto Equipment Co., for Monroe county and George M. Holley, Jr., president of Holley Carburetor Co., Mt. Clemens, for Macomb county.

At the Jan. 18 meeting of the Manchester P.T.A. it was decided that the P.T.A. would sponsor a series of coffee hours to raise money to buy an intercommunication system for the elementary and junior high schools. Ted Tapping explained the need for it in broadcasting educational radio programs to the classrooms and also as a method for the teachers to summon aid quickly in case of an emergency, such as a fire.

The coffee hours are to be held any time of day. The first ones to be given the district officer who would each invite five to their homes. These four would invite three, and this would continue until the last ones would only invite one. It is hoped that all of the children will be held and reports by Feb. 15. Money donated at each party may be taken to the Food Locker, the Gamble Store, or to Hazel Luddy.

"Fun With Your Family" was the theme of the program with Mrs. Chester Turner in charge of a very interesting and instructive evening. Sewing, camping, painting, woodworking, and collection of coins, rocks and leaves were a few of the many things explained by the people who have them as hobbies. Mrs. Menzel spoke on the subject of family and group singing as a source of enjoyment. She said that family singing is a rarity today and so is P.T.A. singing so the group tried it, more or less harmoniously, and found it very enjoyable.

Mr. and Mrs. Reck told us about camping and the changes that have come about since it has become a family affair. Once it was a rugged business but now you can collapse all the comforts of home and take them with you to parks with electricity and all the conveniences we take for granted at home. Mr. Reck is a very persuasive talker and had everyone, including me, thinking longingly of the open road and the delights of camping.

Among books which been given recently to the Manchester Township Library to be checked for library use are collections from The Reverend Wm. R. Schneider, M. C. Brisbin and the City family.

PTA MEETING

At the Jan. 18 meeting of the Manchester P.T.A. it was decided that the P.T.A. would sponsor a series of coffee hours to raise money to buy an intercommunication system for the elementary and junior high schools. Ted Tapping explained the need for it in broadcasting educational radio programs to the classrooms and also as a method for the teachers to summon aid quickly in case of an emergency, such as a fire.

The coffee hours are to be held any time of day. The first ones to be given the district officer who would each invite five to their homes. These four would invite three, and this would continue until the last ones would only invite one. It is hoped that all of the children will be held and reports by Feb. 15. Money donated at each party may be taken to the Food Locker, the Gamble Store, or to Hazel Luddy.

MICHIGAN WEEK
James Beamer, vice-president of the Ann Arbor Bank, will serve as 1960 Michigan Week chairman for Washtenaw county.

His appointment to head committee planning for the seventh annual state celebration in Washtenaw county was announced today by Thomas Adams, president of Campbell-Ewald Advertising Agency, Detroit, and regional chairman for the five-county area of southeastern Michigan.

In accepting the county chairmanship, Beamer said: "Through past years, the observance of Michigan Week has become a tradition in our state. We have every reason to take pride in Michigan, to learn more about its advantages and to tell of its great opportunities during this year's celebration."

Planning for the 1960 Michigan Week is already far advanced, according to T. Austin Saunders, Muskegon, president of the General Telephone Co. of Michigan, and state chairman for the seven-day observance to be held next May 15-21.

"Michigan—Your Opportunity," the suggestion of a 15-year-old Lansing newspaper carrier, will be the slogan for the 1960 Michigan Week, and the subject for special emphasis will be "People of Michigan."

Other county chairmen announced by Adams for this region are: Phil de Beaubien, publisher, The Detroit Times, for Wayne county; Mort Neff, Birmingham, producer of "Michigan Outdoors," for Oakland county; Dale Hornung, sales promotion manager for Monroe Auto Equipment Co., for Monroe county and George M. Holley, Jr., president of Holley Carburetor Co., Mt. Clemens, for Macomb county.

REPORT ON MILK PRICES

Manchester (Special) — The annual meeting of the Michigan Milk Producers Assn. local was held at the Saline high school.

Jack Barnes, secretary-manager of MPA was the principal speaker and reminded farmers that their association representatives are negotiating with dealers for a 1960 contract.

The current contract expires Feb. 1. Barnes then stated that, through the association, dairy farmers will strive to get the highest price they can and still hold a strong market.

Under the current contract farmers receive \$4.98 per hundredweight. That is 46 1/2 quarts of Class 1 or drinking milk. He did not say what the association is asking in the 1960 negotiations.

He did say that it's quite a bit higher and while compromise probably will be made the association will do all it can to obtain what it wants.

Byron Girbach was re-elected chairman of the local. Other officers are Albert Gail of Saline township, vice president; Carl Seeger, also of Saline township, secretary-treasurer. Newly elected delegates to district are Gail, District 1; Charles Trinkle, District 2; Seeger, District 3; William Hayes, District 4. Delegates-at-large are Alvin Marion and Girbach.

Chevrolet speaks of the Sixties like a new car—with a broad accent on seriousness, stirring new concepts in styling and strong emphasis on spirit and thrift.

Step inside this superlative '60 and look at the worlds of room around your head room, hip room, shoulder-shoulder room. Note how Chevrolet's engineers have further flattened and narrowed the transmission tunnel to give the middle man more foot room. Chevrolet's greater roominess is inside where you want it—not outside in useless body overhang.

You'll find economy teamed with performance in a new standard V8, engineered to deliver up to 10% more miles for every gallon, or the strapping Hi-Thrift 6.

And riding comfort in the new one is a never-ending treat, thanks to Full Coil spring suspension. There are also thicker, newly designed body mounts that filter noise and vibration to the vanishing point, more rigid frame and many other engineering advances.

But you'll have to drive the Sixty sizzler yourself—that's the clincher. Why not see your Chevrolet dealer now—for a drive and the happy details on Chevy's

LOOSE DOOR HINGES

Sometimes the hinges on doors become so worn that the doors won't hold any longer. There are several remedies for this. You can try using longer screws. Or you can plug the screw holes with wooden dowels dipped in glue (as in the illustration) and reset your screws in them. Or, you can fill the holes with solid wire solder and reset your screws in this. Or, instead of using solder, you can stuff the original screw holes with bits of steel wool.

RED CROSS HELP NEEDED

Forty years ago this month an epidemic of Spanish influenza was sweeping the country, hundreds of Wash-taw County residents were ill, and there were 10 deaths in three days in Ann Arbor alone.

An emergency call for volunteer nurses was issued by the County Red Cross Chapter, and was answered quickly by women who had completed courses in home nursing under Red Cross direction.

This has been the experience through the years. In times of disaster as well as in time of war, the Red Cross has responded to emergencies. But the work of this great humanitarian organization continues year in and year out, bringing help and counsel to millions of servicemen, veterans and their families, mending lives touched by personal tragedies, transporting the hand-capped, collecting blood for the injured and the sick and comforting hospital patients.

The key to the success of the Red Cross is its vast volunteer program. Only a few persons in each community are paid staff; hundreds of others are ordinary citizens giving a few hours a day, week or a month to one of the many activities of the apter.

More of these volunteers are needed in Ann Arbor, Milanti, Manchester and of the towns and rural areas in Washtenaw County. A campaign for volunteers is being carried on this month in southeastern Michigan, and the Washtenaw County Chapter of the Red Cross is participating. A listing for new volunteers is planned, according to L. L. Shipman, Chapter chairman, at which time the plans of this Chapter will be outlined. Volunteers may give whatever time they are available.

Last year an average of 100 volunteers served more than 24 regular volunteer drivers and five other drivers. They contributed 10,000 hours of service and

CITIZENS COMMITTEE

The Board of Education of Manchester schools has asked for a Citizens' Committee meeting Monday, February 8th at 8 P.M. in the Nellie Ackerson School. The Board points out that many phases of the schools operation will be discussed and invitations have been mailed to assure a good sized gathering. Anyone who is concerned with schools and a resident of the district is urged to attend. Persons who attend this first meeting will automatically be put on the mailing list.

Four people will be elected to the school board on June 13th. There will be more information on this at a later date but school officials urge people to keep this in mind as the district selects representatives for this important position.

School officials point out that they have made arrangements to have radio stations WMOA (1290) and WJR (760) announce when Manchester schools are to be closed in case of bad weather. These radio stations will make the announcements shortly after 7 a.m. should it become necessary to have a school holiday because of ice or snow. Replacements have been selected for Mrs. Gordon Hyde and Mrs. Edward Fontaine, both of whom resigned at the end of this semester. Mr. Ted Pasma who continued on page 3

SCHOOL BUDGET

The Manchester Board of Education has announced that so far this year the school budget is holding its own. The Board has borrowed money the first half year to tide the district over until local taxes and State aid are received.

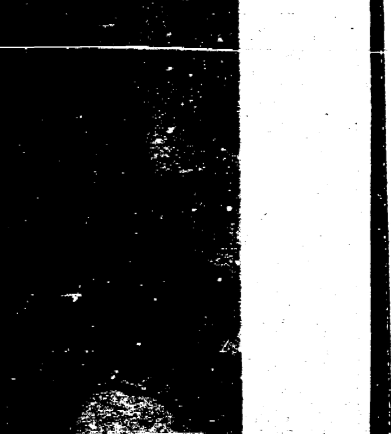

School officials point out that this district has a definite advantage over many districts when money is needed. There seems to be two items that are mentioned by leading institutions concerning Manchester schools. They are: first, the school deficit is on the decline rather than increase; secondly (and no doubt the most important) the voters of the Manchester District have always provided for the district and therefore lending institutions believe that the school is a reasonable risk. Many schools are not nearly so fortunate, school authorities point out.

When the Board of Education asked for operating millage this last year they promised not to raise the school tax over two dollars per thousand on assessed valuation. In 1958 the total school tax was 17.9 on state equalized and this 1959 school year the Board levied 18.75 mills. When this .85 mill difference is applied to the assessed valuation of various townships the raises in school taxes are: Bridgewater 1.67 Freedom 1.72, Manchester 1.53, Sharon 1.77, Grass Lake 1.63, and Norvell 1.40 dollars per \$1,000 of assessed valuation. Any other raise in taxes in the areas mentioned is levied by the County for operation so to finance the County Special Education Program, voted upon last July.

MOTHERS MARCH

Manchester's March of Dimes fund this week has reached \$456.50 with reports not yet in from some quarters according to Mrs. R. C. Kerr, local chairman.

She points out that the total mentioned is what was taken at the Mother's March 1st Thursday when local women marched on the annual door-to-door campaign under the direction of Mrs. Hollis Walker. She was assisted by the Mesdames Willard Baker, Merrick Hough, Jr., Donald Dault, John Adams, Betty Lusk, and Edna Sutton. Charles Hough, Robert Novice, and Erwin Huber, also working with them were the Mesdames Jim Cox, Ronald Gonyer, Herbert Wright, Lester Czarnecki, Robert Trent, William Schaffer Jr., Ora Walcutt Jr., Even Leddy, Raymond Uphaus, Ted Roberts, Duffield Ball, Lorenzo Steele, Duane Brown, Eugene Bentschneider, and Del Ludwig.

Mrs. Kerr said the coffee and donut sale at the Manchester Drug Store was very successful. The Boy Scouts netted \$67.23 at their balloon sale.

The local chairman points out that person who were not at home, or who want to make contributions to the March of Dimes may do so by leaving their contribution at the Union Savings Bank earmarked for the March of Dimes or by contacting her. She says there are still more contributions to come in. There will be the canisters in all of the local stores and the school collection to come in as well as additional dime card returns.

Manchester has no set quota for the drive to raise funds to combat polio, arthritis and birth defects in children. But in past years the drive has been very successful. Incomplete returns in the County show a total of \$22,225 collected by some 1,200 women in the County in the door-to-door campaign. An additional \$6,300 has been raised through special events, mail receipts, special gifts and contributions from school children, bringing the grand total to \$28,825 or \$36,337 short
