CANCER CRUSADE

A goal of \$30,000 has been set for the 1960 Cancer Crusade in Washtenaw county. Thomas L. Dickinson, chairman of the county unit of the American Cancer Society, announced today.

The annual fund appeal will officially open April 1 and continue through the month of April.

With the slogan "Guard Your Family—Fight Cancer With a Check-up and a Check," the cancer crusade committee will explain the purposes, projects, objectives and needs of the American Cancer Society in a mailing to be issued next week.

Dickinson explained that half of the contributions received in the county-wide appeal are retained by the county unit, with the balance allocated between the national and state programs of the American Cancer Society.

The county unit sponsors the Cancer Information Center, 245 Municipal Court Building, which is staffed by 45 volunteer workers who provide cancer education films, a revolving fund without interest for needy cancer victims in the area, a loan chest of equipment, and nursing care.

Police said a panel truck found parked outside the Schable Garage had been stolen during the night from the Tirb Garage at 131 Adrian St. Officers said the two men apparently had broken into that garage and had stolen a check-protection machine which was found in their possession.

"DUTCH" HONORED

LAWRENCE WURSTER.

Lawrence (Dutch) Wurster was honored for fifty years of service to Manchester by the Optimist Club at a dinner for him at the Emanuel Church Hall.

F. M. Reck was master of ceremonies. Mr. Wurster received a life membership in the Optimist club and was named member-emeritus of the board of education. He also was given a pass to all high school athletic contests.

Postmaster George Merriman made Wurster honorary postmaster of the town in memory of his six years as a rural mail carrier, back in the horse and buggy days.

Councilman John Pippenger read the council proceedings of several years ago, in which the park across from the churches on W. Main St. was officially named "Wurster Park."

Dan Boutell, vice president of the Union Savings bank recalled Wurster's many years as clerk at the Peoples bank.

A large crowd was presented to Mr. Wurster in remembrance of his work in organizing a card club by that name and the nest will be placed in the club rooms, where he plans to spend much of his time after retiring from several community activities.

Wurster managed the local baseball team which won five area championships in the 1920s. He was instrumental in developing the current high school athletic field from a swamp when many said it could never be done.

Family Finances

The cost of dry cleaning comes to you in two ways—the bill itself and any additional cost from missing items, ruined materials and extra fees. Here's how to cut your cleaning bills:

- Buy your clothing with an eye toward cleaning costs. Read the tags to identify the material as being suitable for dry cleaning and select a garment with the fewest attachments so it will wear longer.
- Buy your clothing with an eye toward cleaning costs. Read the tags to identify the material as being suitable for dry cleaning and select a garment with the fewest attachments so it will wear longer.
- Keep a duplicate list of items you send to the cleaner. It will cut loss of clothing.
- Point out and identify any stains to the cleaner.
- Give your cleaner a week, if possible, to do your order. It helps him, saves you worry, and stops you from paying 15 or 25 cents for "specials."
- Shop first for quality when deciding on a dry cleaner. A few extra cents more charge from a quality shop will save you money in the long-run.

EXPRESSWAY CONTRACT LET

Listed among contracts let March 1 at Lansing by the Michigan State Highway Department is one in the Chelsea area.

The contract is for 2.3 miles of US-12 expressway (Interstate 94), including two structures and service roads, east from the Washtenaw-Jackson county line to the New York Central railroad tracks, southwest of Chelsea.

Pierson Contracting Co., of Saginaw, submitted the low bid of \$769,905.

Completion date is June 30, 1961. Structures in the section include an interchange to carry Kalmbach Rd. over the expressway. It will be 236 feet in length and will carry a 26-foot roadway.

Also included is a grade separation to carry Notten Rd. over the expressway. It will be 211 feet long and will carry a 26-foot roadway.

The contract calls for one new lane to carry east-bound traffic and reconstruction of existing US-12 to carry west-bound traffic.

With this section of US-12 under contract only 26 miles of the 217-mile US-12 expressway will remain to be let—10 miles in Washtenaw county and 16 miles in Berrien county. The entire route is expected to be let by May 28. This latest 2.3-mile stretch will connect at the Washtenaw-Jackson county line with other portions of the expressway now under construction in Jackson county.

RED CROSS

William de St. Auben, executive director of the Washtenaw Chapter of the American Red Cross, reported to the Community Chest Annual Meeting on Red Cross activities. He informed the group that the Red Cross was donating a scholarship to the National Aquatic School in Whitehall, Michigan, for the director or an assistant of the local recreation program for June 15 to 25 this year. This will be additional help for the usual assistance with waterflood safety for the area this summer.

Another Red Cross project is the free distribution of instructions on how to make and set up a "Do-it-yourself Anti-drowning Kit." A picture of this easy to make necessity for water areas of all sorts is on the Red Cross display board at the Union Savings Bank. Instructions may be obtained from the Ann Arbor American Red Cross office upon request.

Mr. St. Auben commended the area for its Blood Bank project and noted that all of established blood banks in the county were doing a marvelous job of meeting the public's needs. The county has 25 blood clubs and held 37 clinics this past year with over 10,000 donors from the county. Over 1,500 families have had to use blood from these banks.

The Bloodmobile will be in Manchester to replenish the local blood club late in August. Twenty-seven pints have been used since January 1st, leaving a balance on hand at the Regional headquarters in Detroit for the Manchester area.

Missionary TO SPEAK Sunday, March 27th at 11 a.m. Miss Elizabeth Suderman will be the guest speaker at the Baptist Church. She is with the Sudan Interior Mission working the state of Angola in Central Africa.

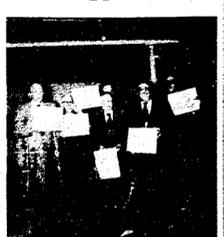

Miss Suderman will also show slides of her work there at the 7:15 evening service. She has been doing this type of work for the past ten years. Her home is at Midland, Michigan but at present she is staying with her sister, Mrs. Allen Posttiff on Schneider Rd., Manchester. The public, including all who are interested in hearing of the missionary work in the foreign field are invited to attend both services according to Rev. E. P. Cranston, pastor.

JURORS DRAWN

Twenty-five additional jurors for the March term of Circuit Court were drawn by a jury commission in the office of Mrs. Luella M. Smith County Clerk.

Members of the jury commission were Ypsilanti Judge Edward D. Deake, Ann Arbor Township, Justice of the Peace, Ormond E. Kapp, Sheriff George A. Peterson and Mrs. Smith. Included in the group is Lawrence Wurster of Manchester.

HONORED

"Dutch" Wurster was honored for fifty years of service to the community at a special awards dinner arranged by the Optimist from which he is retiring as an active member. Pictured left to right with him are fellow Optimists, Frank Lowery, Herman Kuebler, L. P. Wurster, Luther Klager and George Merriman. Directly in back of Mr. Wurster is Carl Schaible. All are displaying some of the placards which had been posted around the hall for the occasion.

Mr. St. Auben commended the area for its Blood Bank project and noted that all of established blood banks in the county were doing a marvelous job of meeting the public's needs. The county has 25 blood clubs and held 37 clinics this past year with over 10,000 donors from the county. Over 1,500 families have had to use blood from these banks.

POWER FAILURE

Manchester's electric power was curtailed Wednesday at about 1 P.M. to 2:20 P.M. when oil in the transformers belonging to the Consumers Power Co. was released. A similar incident was reported earlier at Leslie as a result of a strike at Consumers Power Company. The company has been maintaining power managed by a skeleton crew. Employees on the day shift at the Double A Products Company had to leave their jobs when the plant was crippled by lack of power.

TWENTIETH CENTURY CLUB

The Twentieth Century Club met Tuesday at the home of Mrs. Walter Vogt with Mrs. Harry Sutton as co-hostess. This was fun night and everyone dressed in comical attire. Mrs. Stanton Roesch was named the funniest dressed. Mrs. Kenneth Ferguson and Mrs. John Lockridge were in charge of the program. Plans for the next meeting are incomplete.

CROP NEEDS HELP

Again this year, the Manchester residents will be participating in the Christian Rural Overseas Program (CROP) during the Lenten season.

Mr. Luther Klager is chairman for the Manchester area. Most of the churches in this locality have a church representative.

For the past 14 years the CROP organization has been sending food to starving and undernourished people in the far corners of the world.

This year Washtenaw County will send dried milk to Korea as a project. It is interesting to note that 100 pounds of dried milk makes 1600 glasses or one glass of milk per day for 53 children for one month.

Individual donations, or gifts from organizations, clubs or groups may be given to Mr. Klager, the church representative or sent directly to Ann Arbor Federal Savings and Loan Association in Ann Arbor.

Christian World Service has two major sources of food: CROP and the U.S. Government. Presently only wheat flour and cornmeal are available from the government along with greatly reduced quantities of powdered milk.

WANTED

Subscribers for the new 1960 VISAGE, the Manchester High School Yearbook, which is now on sale at \$3.00 per copy by the Visage staff.

This year's year-book promises to be the best year book yet. A full page color picture will be a new feature. The complete coverage of the Complete coverage of the Holly Hop, Homecoming, everyday scenes at school and many other important activities will make up a large "student life" section of the book. In addition the faculty and administration section has been enlarged to include pictures of teachers and classes in action. This has been possible by the addition of more pages over last year's book.

The Visage sale campaign was officially started two weeks ago when the Visage staff had its annual kick-off assembly. Sales will continue one more week. Anyone who cannot place their order during noon-hour in the High School hall, or at the Intermediate School is urged to call Mrs. Mary Swank at the High School office any afternoon. The phone number is GA 8-9421.

NOW!
Stop cutting brush...
kill it chemically with Reddon

It's REDDON—the all-season farm brush killer. Use Reddon as a foliage spray in pastures and along fence rows during the growing season. Or you can use Reddon as a "frill," basal, or stump treatment any time of the year. It even controls tough species like oak and maple. Brush requires up to 10 times the amount of moisture and fertility needed by desirable plants. Eliminate the brush that shades crops and crowds out pasture grasses... order Reddon now.
