OPTIMIST STEER CLUB

The Steer Club, sponsored by the Manchester Optimist Club, is concluding its eleventh year of activity with an exhibit and sale at the Community Fair, August 17-20.

The Optimist Club Committee, under the chairmanship of Tom Walton, working with a "fathers" committee of Victor Grossman and Wendell Reinhart, purchased the steer calves from Dixon Brothers at Jackson, Michigan.

Each Steer Club member was allotted a steer by a drawing, and financed the purchase price by signing a note at the Union Savings Bank, endorsed by two Optimist Club members.

The profit on each steer goes to the boy or girl who raised and trained the steer. The Optimist Club sponsors this activity in keeping with the Club creed to be of aid to youth in the community.

The Steer Club members and their fathers were guests of the Optimist Club at a dinner meeting in April.

Each steer calf was insured under a Hartford Livestock policy purchased through the Sutton Agency in Manchester.

The Steer Judging will be a single class event and will take place on the fairgrounds Thursday evening at 8:00 p.m., August 18.

Many of the Steer Club members have used their animals in either FFA or 4-H projects during the year, and the fair rules allow the steers to be shown in the tent under different club banners if desired.

Miss Sally Scully 18, was chosen Manchester Fair Queen Wednesday night. Martha Leoman and Mary Knapp were named attendants. Sally is a June graduate of Manchester High School and plans to attend Marygrove College in Detroit this fall.
