RAM DAY AT M.S.U. OCTOBER 3

It's time to think about next year's lamb crop and one of the most important things to consider is the ram that will be used on the flock this fall. Conformation, grade and weight of the lamb sold next fall will be determined to a large extent by the ram that is used. A few extra pounds or a higher grade will return as much as \$200 to \$300 per year more on a flock of 100 ewes. This makes a good ram quite reasonable since he is used for two or more years.

Many sheep raisers have found Ram Day to be a good place to buy a ram. This event will again be held at the Michigan State University Livestock Pavilion. The date is Monday, October 3, beginning at 10:00 A.M. At this time, leading purebred breeders in the state bring in their rams and place them in pens. Each ram will carry a tag giving its age, weight and price. Buyers may select a ram they wish at the price indicated. Approximately 200 rams will be on display at this ram "supermarket."

All rams will be inspected before unloading and will have been dipped June 1, 1960. All rams bought at Ram Day will be insured for 75 per cent of the purchase price for 10 days immediately following the sale by the Michigan Sheep Breeders' Association. Sponsors of the event:

Don't pass up this opportunity to buy a good ram this year.

CARL N. BREITENFISCHER CIVIL DEFENSE FUNERAL RITE

Funeral services were held Monday at 10:30 a.m. for Carl N. Breitenfischer, 62, who died suddenly at his home in the Parkway Drive, Pittsford, Tuesday, Sept. 27. He was born August 15, 1900, in Manchester, the son of John and Caroline Breitenfischer. He was married to Beulah Dorn on October 13, 1941. He was a graduate of the Manchester high school in 1918 and Cleary College in 1920. He served in World War I as a First Class Yeoman. He was a member of the First Methodist church in York, Pa., and a member of the National Association of Accountants.

Besides his wife he is survived by two sons, Ted and Jim at home; three daughters, Mrs. Aaron Breitenfischer of Jackson, Harold of Taylor and Howard of Manchester; his grandmothers, Mrs. Mary Wiedman of Manchester and several aunts and uncles.

Rev. Clyde Donald of the First Methodist church of Pittsford officiated at the funeral. Burial was in Oak Grove cemetery.

AMERICAN RED CROSS WASHINGTON COUNTY CHAPTER

Classes will begin next week in their 40th county employees basic Civil Defense. Civil Defense Director Gerald G. Miller has announced that the chapter will conduct seven-day, seven-hour classes. A registration is required. All interested persons should call the chapter office at 255-546 or by mail not later than October 14th.

The swimming classes will be held at the Red Cross volunteer water safety instructors each Wednesday evening for six weeks and will include special training for non-swimmers, swimmers, and a Senior Life Saving Course.

These co-educational classes are open to anyone in the county at least 17 years of age, but registration will have to be limited to the first sixty persons signing up. Locker assignments will be made in Room C-104 and the first lessons will start as soon as everyone has been accommodated, so everyone should bring along their suits, towels, and bathing caps.

Registration for any of the levels can be made by calling the Red Cross office at NO. 255-546 or by mail not later than October 14th.

AUTO WASH

GRAU-DUBLE WEDDING RITES HELD IN LUTHERAN CHURCH

Arlene J. Duble spoke her marriage vows with Lloyd A. Grau Saturday evening at the Lutheran Evangelical Lutheran church, Scio township, in a ceremony officiated by the Rev. Arthur Wacker.

Parents of the couple are Mr. and Mrs. Herbert Duble, 1001 S. Lodi township, and Mr. and Mrs. Arthur Grau, Chelsea.

For her marriage the bride wore a floor-length gown of silk net and chantilly lace fashioned with a square neckline which was adorned with seed pearls and sequins. Her fingertip veil was held by a cap of lace and seed pearls and she carried a white prayer book, an orchid and stephanotis.

Attending her sister as maid of honor was Miss Donald Duble of Ann Arbor. The bridesmaids were the Misses Joyce Weber and Nancy Moore, both of Ann Arbor; and Mrs. Madeline Lesser Jr., of Chelsea. The junior bridesmaid was Miss Nancy Koenig.

James Grau of Chelsea was bridegroom's best man and Mrs. Reuben Lesser, Frederick Wenk and Earl Miller all of Chelsea, and the bride's brother, Ralph, of Ann Arbor.

Flower girl and ringbearer were Judy Grau of Chelsea and Kenneth Duble of Ann Arbor.

Immediately following the ceremony the reception was held in the church hall after which the couple left for a honeymoon trip through North Michigan.

Upon their return they will live at 2756 E. Grand River Ave., East Lansing.

The bride, a graduate of Saegert Area High School, was previously employed by the university. The bridegroom, graduate of Chelsea High School, attends Michigan State University.

MANCHESTER LIBRARIAN BACK

The Manchester Township Library Board is happy to announce that Mrs. Audley Smith, librarian, is back at the local library and that service for book borrowers and readers will soon be back to normal.

There is still painting to be done in some of the book sections of the building, but otherwise, service will not be impaired.

Lawrence Gauss has returned home from Tecumseh Herick Memorial hospital where he spent four days recovering from a sheep bunt on his farm. He is reported improving.

Mrs. Arthur Strahle and Mrs. Ben Marshall accompanied Mr. and Mrs. Kenneth Bentley to Pontiac where they will visit for a few days.

CARD OF THANKS

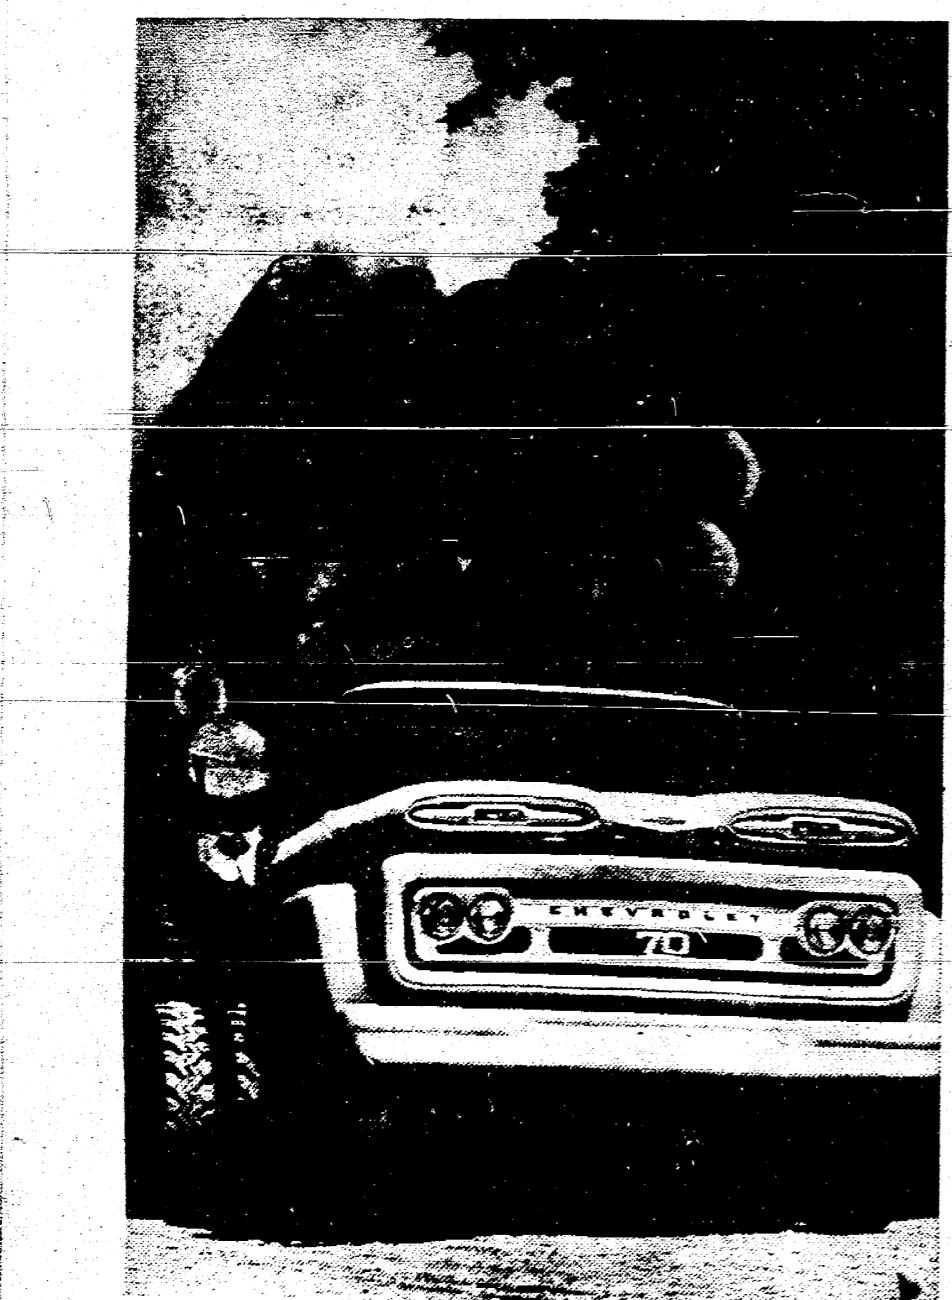

We wish to thank our relatives, friends and neighbors who expressed sympathy by means of cards, flowers and many acts of kindness during our recent bereavement. We are deeply grateful for these thoughtful kindnesses. Family of Arthur Wacker.

HERE! CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the 4-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Studebaker design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

A Lunch Kit To Suit Every Taste

Years ago, most lunches were carried to school in a paper bag. Today's youngsters are much luckier. They can choose a handsome but inexpensive school lunch kit complete with vacuum bottle to transport their midday meal. To see the latest drop in at your neighborhood hardware, drug or variety store and look over the wonderful assortment of good-looking school lunch kits manufactured by The American Thermos Products Company.

Teen-age girls who carry their lunch to school will love the new Bongo Bag by "Thermos." It looks like an attractive handbag, but is actually a lunch kit containing a Holtemp brand vacuum bottle by "Thermos." Made of soft vinyl plastic with a handy zipper closure, it's available in three styles: college pennant design in tan; foreign stamp and postmark design in bark; and the python design in black and white or tan and white.

A plaid lunch pack will also appeal to the junior miss while her younger sister will want to carry her lunch in one of the pretty Ponytail kits. Little tomboys will be delighted with the little red barn lunch kit.

The variety of school lunch kits suitable for boys is just as extensive. Those in the cowboy set will find the Roy Rogers Saddlebag kit perfect for toting their noontime chow and youngsters whose interests are nautical will be pleased with the submarine kit.

CHAIRMAN NAMED FOR REPUBLICAN REGISTRATION DRIVE

Mrs. Beverly Huston, Vice-Chairman for the Washtenaw County Republican Party, announced today that she has been named as the Republican registration drive in Washtenaw County is moving in high gear. As has been previously announced, Washtenaw County has been designated, along with several other in the State of Michigan, as a "Target County" for local Republicans to intensify their efforts to increase the number of registered voters in their respective counties between now and October 10th.

Washtenaw County has been divided into eight separate areas. The following chairman have been announced: Mrs. Stanton G. Roesch, 310 S. Lombard, Manchester, GA 8-9711; Mrs. Walden Vauger, 8100 Shields Rd., Dexter, MA 6-8162; Mr. Harlow, 10493 Joy Rd., Plymouth, MI 3-3639; Mr. Richard Cress, 901 Bruce St., Ann Arbor, NO 2-3915; Mrs. Thomas Wasterson, 17763 Territorial Rd., Chelsea, GR 9-4874; W. Sylvester Leonard, 11130 W. Michigan Rd., Milan, HO 1-6227; Mrs. Henry Collins, 563 Davis, Ypsilanti, HU 2-4563; Mrs. Kenneth Hammond, 1985 Burns, Ypsilanti, Township HU 2-4629; Mr. John Schorger, 3415 Scio Church Rd., Saline, No 8-6963.

The total population of Washtenaw County according to 1960 census figures is 171,278. Of this total there is something slightly in excess of 68,000 registered voters. In attempting to arrive at a goal for our workers, Mrs. Huston said, "It is impossible for us to pick a number and say that we are going to arrive at it between now and the deadline, October 10th. Instead of that we are pledging for ourselves and for the Republican ticket an all out effort that calls for round-the-clock schedules concentrating on getting as many people registered as is humanly possible. In conjunction with this Mrs. Huston asks that anyone needing information or transportation to the clerk's office call their area chairman.

P. T. A. HAS FIRST MEETING

There were about 160 present at the first PTA meeting of the season when the teaching staff of the Manchester schools were introduced to the parents. The program centered around the special education for Washtenaw county children. Manchester and Chelsea had previously voted 2 mill for this special education program which the two school worked out together physically handicapped children. Two rooms in the Chelsea schools and one in the Manchester schools set aside for this purpose. The program was explained by Mr. Olsen of Ann Arbor. Mr. Thomas Heimerding teaches the high school students of the two Chelsea schools. Mrs. Jerry Lester teaches junior high in Chelsea and Mrs. Ted Groeb teaches upper elementary at Manchester. The largest class they have is 8. Newly installed officers of the Manchester PTA are: Wendell Reinhart; father vice-president, William Hamilton, president Mrs. Stanton Roesch, mother vice president; Mrs. H. C. Ayres; Mrs. Roy Wampler, secretary; and Mrs. Willard. Many publicity. A school calendar is available it was announced for any one who wishes to get one which has all the school events for the year. Mrs. Carl Settle and Mrs. William Purfield are in charge of sales. Refreshment committee was headed by Mrs. Duane Rollet.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Arthur Strahle, Grass Lake, announces the engagement of their daughter, Thelma, to Daniel Keohoe, son of Mr. and Mrs. Paul Schwab, of Manchester. The bride-elect was graduated from Manchester High School and is employed at the University of Michigan, Ann Arbor. Her fiancé was graduated from Manchester High School, and is senior at Western Michigan University, Kalamazoo. No wedding date has been set.

STUDYING MICHIGAN SCHOOLS WORKSHOPS SCHEDULED

The Michigan Congress of Parents and Teachers presents a series of workshops throughout the State of Michigan during September and October, to further study the problems of Your Michigan School Costs. This is phase III of the program designed to Study Michigan Schools. These workshops are sponsored by Adult Education Associations of Michigan, Air Employment Practices Commission, Michigan Association of County School Administrators, Michigan Education Association, Michigan Farm Bureau, Michigan Federation of Teachers, Michigan Federation of Business and Professional Women's Clubs, Michigan State AFL-CIO, Michigan State Association of Supervisors as well as the Michigan Congress of Parents and Teachers.

Each PTA and PTA Council in Washtenaw County is urged to send 2-3 representatives to the Workshop on Tuesday, October 4, at 7:30 in Charles McKenny Hall in the pamphlet "Your Michigan School Costs" by Stanley F. Jecker of Michigan State University.

DEATH

Mrs. Anna Hand, 94, died Saturday at the home of her son, Orin, of 20171 Bowers Rd., Manchester township where she had made her home for the past two years. She was born May 28, 1866, in Louis county, Mo., a daughter of Mr. and Mrs. James Atteberry. On Feb. 25, 1886, she married Charles A. Hand in Missouri. He preceded her in death on Sept. 29, 1912.

The couple lived in the Midwest and Western states. Mrs. Hand came to southeastern Michigan in 1917. She spent a few years in California with another son, Elmer A., who preceded her in death in 1958. Surviving besides her son, Orin, are six grandchildren and 12 great-grandchildren. She also was preceded in death by a daughter, Mrs. Frank Stender in 1956, a grandchild, four brothers and three sisters.

Funeral services were held at 1:30 p.m. Monday at the Proctor Funeral Home. The Rev. Alvin Brazee officiated. The body was sent to Eaton, Colorado for funeral services and burial on Friday.

SCHILL'S MOTOR SALES, EXCELLENT USED CAR DEALER

Schill's Motor Sales, at that will be as happy to meet 12639 Schleiweis Rd. in Man-you after the deal as before the chester, has assisted many the papers are signed. people in solving their car and Schill's Motor Sales call transportation problems, boast many repeat sales and their association with many when auto owners praise the dealers enables them to get great savings and friendly practically any type of auto treatment that they have that you desire. The fact that received from this used car they have established a rep-dealer, it is suffice to state that for fair dealings, is that they deserve the patronage an added assurance of showing anyone who is seeking a car demonstrated and shown used car or who may be considering a trade.

Schmitt and John Schmitt deserve the highest commendation for the service they have been extending over the years. They have built their business by doing their work scientifically and correctly.

Question? what enterprising editor was told unpolitely to leave by what local editors?

Mr. and Mrs. Kenneth Bentley of Pontiac, Mr. and Mrs. Diney Lamb and Carol Breitenwischer of Ann Arbor were Sunday dinner guests of Mr. and Mrs. Laurel Breitenwischer.

Mr. and Mrs. Roger Forrester and son Kevin of Beaver Dam, Wisconsin spent last week with her aunt and uncle, Mr. and Mrs. F.M. Reck and her mother, Mrs. H. T. Yuncias.

Announcing the 1961 Ford... Beautifully proportioned to the CLASSIC FORD LOOK

The 1961 Ford Galaxie Club Victoria... beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminumed—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

Kathy Houle, of Mt. Clemens, Mich., a pretty blue-eyed brunette "going on five," poses today with perfect self-command as her schoolteacher mother lectures on the heart-breaking topic of birth defects.

Kathy doesn't mind being one of her mother's lecture "props." Mother and daughter are dedicated to the proposition that since 250,000 infants are born yearly with significant birth defects—and 34,000 babies annually are stillborn or die within the first month because of birth defects—the more widely the subject is discussed, the healthier for the nation.

The National Foundation, which financed the development of both the Salk and Sabin polio vaccines, is now supporting research and patient care for birth defects and arthritis through the New March of Dimes.

Kathy has ample reason for her devotion to the cause embraced by her mother and herself. The child was born with the forbidding birth defects of an open spine and excess fluid on the brain. When only weeks old, Kathy underwent major surgery three times.

Doctors told the parents: "Enjoy the baby while you can. She may not be with you for long."

It was a miracle that Kathy survived. But since she did, both the child and her grateful mother, Mrs. William W. Houle, a Michigan grade school teacher, want to shed light on this often "taboo" subject.

"Tens of thousands of mothers are mistakenly ashamed of having given birth to a malformed infant," Mrs. Houle says. "Tragically, many parents hide these innocent children away from public view—in- stead of seeking medical advice and therapy.

"When Kathy and I set out

MOTHER LECTURES ABOUT BIRTH DEFECTS

Mrs. Houle and daughter Kathy lecture to audience of children and adults.

on our lecture tours to adults, we describe in detail such birth defects as an open spine and excess fluid on the brain. These and other such major birth defects are the largest unmet childhood medical problem in the United States today.

"Then, we tell parents that they rarely need fear having a second defective child because birth defects are not always hereditary. But when Kathy and I talk to groups of small fry, we concentrate on persuading the youngsters not to shun handicapped children which with thoughtless cruelty they often do. And not to be afraid of them."

The Houle-Kathy lecture "circuit" includes parent-teacher groups and associations of school principals. The audience for this unique mother-and-daughter team is expanding. They can't fill all the requests for bookings.

Kathy, described by her doctors as "strong and healthy today" despite a bladder involvement due to the spinal defect, gets around nimbly on her crutches and leg braces. She has all the traits of any normal child of her age and is devoted to her two colies, to her adoring brother Douglas, seven, and to her dolls, in that eccentric order.

SCOUTS TO CAMP OUT

Some 300 Boy Scouts from throughout Washtenaw county are expected to attend a Wilderness Olympic Camporee at Portage Lake in the Waterloo Recreation Area Friday through Sunday.

The troops will set up camp Friday evening. Saturday will be devoted to individual troop activities and patrol competition in the olympics.

The olympics will consist of tests of Scouting skills and group co-operation in doing such things as building temporary bridges to cross streams, following a complicated trail through the woods, and constructing a flagpole from wood in the area.

Camp will be broken early Sunday to enable the boys to return home in time to participate in World Wide Communion Sunday.

The public may visit the camporee.

WHEAT PLANTING TIME

Washtenaw county farmers have from two to three weeks to plant winter wheat, says Extension Agent W. A. Dexter.

The annual "fly free" date was Sept. 18 this year, and the "survival" date for winter wheat will be early in October.

The fly free date is the date beyond which there is no longer danger of damage from the fall brood of the Hessian fly. The survival date is the time after which the young wheat plant may not be expected to make sufficient growth to survive the winter.

KITCHEN QUICKIES

Lend new taste-interest to your family lunch menus with Cheese Crunch Sandwiches. Shredded American cheese, chopped celery and sliced almonds mixed with salad dressing make up the unusual sandwich filling. The flavor combination and crunchy texture of these sandwiches will provide noon-time appetites while providing a nourishing meal.

For 6 American Cheese Crunch Sandwiches, combine 2 cups shredded American cheese, about 1/2 pound, 1/2 cup chopped celery and 1/2 cup sliced almonds, blanching almonds, mixing lightly. Add 1/2 cup salad dressing and mix well.

Spread 12 slices enriched or whole wheat bread with softened butter or margarine. Then spread the cheese mixture on 6 slices of bread and cover with the remaining bread. Cut into sticks and pickles are good accompaniments for this sandwich.

Breads, rolls, cakes, pies and cookies made with enriched flour contribute important nutrients to meals along with their familiar mouth-watering goodness. Enriched flour supplies your family with essential food iron and three B vitamins necessary for normal growth, healthy nerves and healthy appetites. Your baker uses enriched flour, too, in the fresh baked foods the family loves.

The inviting, spicy taste of Gingerbread Cake is a treat anytime and anywhere. Serve it plain or dress it up with a scoop of vanilla ice cream or buttercream frosting for dessert. It's easy to wrap and pack in the school lunch box, too. Sift together 2 1/2 cups sifted enriched flour, 2 teaspoons baking powder, 1/2 teaspoon salt, 1/2 teaspoon soda, 1/2 cup sugar, 1/2 teaspoon ginger, 1/4 teaspoon cinnamon and 1/4 teaspoon ground cloves. Combine 2 beaten eggs, 3/4 cup molasses, 1 cup buttermilk or sour milk and 2 cup melted shortening. Add to flour mixture all at once mixing thoroughly to a smooth batter. Turn into well greased 8-inch square pan; bake in a moderate oven (375°F) 40 to 45 minutes. Makes 1 8-inch square cake.

COMING EVENTS

8:30 p.m., Sept. 30, 29a, here.

Manuel Church, Confirmation classes first session, 9 Oct. 1, church hall, wide Communion, 11 Oct. 2.

6:30 p.m., Oct. 3, Civic Forum.
