STEER CLUB MEMBERS PURCHASE BLACK ANGUS

William Hamilton, chairman of the Optimist Steer Club committee announced at the meeting this week that there will be 23 black angus steers in the 1961 Steer club. These steers will be made ready for market by members of the Future Farmers of America and 4-H clubs.

The animals weighed in a little heavier this year than previous years with weights averaging from 475 to 600 pounds. The steers are selected by a drawing, the cost being financed by the Union Savings Bank of Manchester, and guaranteed by the Optimist club.

The steers will be fed according to the latest feeding methods and management and will be sold at the Community Fair next August.

Some members of the Optimist club have been assigned to watch the progress of the animals and have been urged to visit the farms regularly and keep in contact with the boys and girls engaged in the project.

COMMUNITY CHEST STILL LAGS

The extended deadline of November 15th finds Manchester having collected \$7,873.38 toward our goal of \$8,500. This amount represents 92.6% of our goal. (Last week's total was given to the paper incorrectly by your correspondent—the percentage was right however. The total given last week was the one for a year ago!)

Mrs. Louis Vogel, campaign chairman, is still hopeful that the final total can be raised to at least \$8,000 when the earmarked "Manchester Contributions" of our area employees are returned to our Community Chest treasurer, Manchester Area residents who work at plants and factories located in other towns are of help to their own Community Chest only when they specify that their gift be returned to Manchester.

The breakdown by classifications is as follows, showing the amount received in each Division and the percentage of the amount to the amount collected so far:

Industry (Including Double A, Chrysler Proving, Manchester Tool and Die, Ford Motor, Wolverine Pipeline, Michigan Gas Storage, and Schaffer Lumber & Union Construction Companies)	(31.5%)	\$2,479.30
Business (Including Main Street Business, School Staff and Students, Manchester Ready Mix & employees and Out of town business)	(32.8%)	\$2,582.53
Residential (Including Rural (\$1,415.88) and Village (1,099.67))	(31.9%)	\$2,515.55
Clubs and Organizations	(3.8%)	\$ 296.00

"Our unsuccessful attempt to hit the goal of \$8,500 has been disheartening," Mrs. Vogel says, "but there is, however, that there have been extenuating circumstances which have guarded our giving this year. One bright spot in the whole campaign," she continues, "was the contributor who gave an extra \$25.00 above his regular gift because of Manchester's Blood Bank assistance to him at time of need—he, himself, is unable to be a blood donor. It made me realize that people are happy to have such community fund facilities as a blood bank in our area."

Mrs. Vogel joins Mr. Lawrence DeVema, president of Manchester Community Chest and members of our Chest Board in thanking ALL of the Captains and Solicitors for their time and effort in making the Community-wide solicitation. They are hopeful that next year will find Manchester in the winning column again.

NOVEMBER FAIR BOARD MEETING

The 1961 Christmas Club officially opens November 21, 1960, but Mr. Boutell stated that the Bank would be happy to open club accounts either before or after that date. The weekly payment plan offered is the same as in previous years. .25 per week 12.50 .50 per week 25.00 1.00 per week 50.00 2.00 per week 100.00 3.00 per week 150.00 5.00 per week 250.00 10.00 per week 500.00 An invitation is extended to all who wish to join the 1961 Club and have a "Merrier paid for Christmas".

CHRISTMAS CLUB CHECKS MAILED

Dan J. Boutell, Vice President and Cashier of the Union Savings Bank of Manchester, reports that Christmas Club checks totaling \$47,000 were mailed this week to the 467 members of the 1960 Christmas Club at the Bank.

The average per member of slightly over \$100 followed the trend of previous years in Manchester, and when the total includes many children's accounts of 25¢ and 50¢ per week, it reflects the importance that many people attach to this easy method of saving money for many troublesome year-end bills as well as Christmas funds.

COUNTY TO CLEAN UP SIGNS LEFT BY POLITICIANS

For most people in the county the election is over but not for the Washtenaw County Road Commission. The election campaign is just beginning for them. The names of the candidates, Kennedy, Nixon, Petersen, Swinson and others are still in the minds of road commission crews who must clean up the political signs that blossomed this year on highway rights-of-way.

Maintenance Superintendent Melvin Dick said that "several hundred and perhaps 1,000 signs of all political persuasions have been removed and are still being pulled down from the highways of Washtenaw."

Commission Superintendent Howard G. Minier said the signs which range in size from handbills to billboards are supposed to be destroyed as fast as they appear on government owned land during an election campaign, "but politicians always manage to get ahead of us."

Minier said the county right-of-way extends an average of 66 feet, 33 feet in either direction from the center stripe of a road state right-of-way vary from 100 to 200 feet. He said campaign managers are warned during a campaign to keep their signs on private land and the candidates themselves are contacted when their advertising makes its appearance on state and county right-of-ways. "They always say they are not responsible and they didn't authorize the placing of the signs, and every election more and more signs appear."

Dick said the road commission sometimes gets tips when individuals begin sign posting trips. "Then either Mr. Minier or myself follow right behind, collecting their signs as fast as they can leave them. While we're doing that someone else will be putting signs on roadside trees or on their own posts in other parts of the county."

From where I sit... by Joe Marsh

Speak Up, Doc

Doc Turner was up playing cribbage with Smiley Roberts the other day when, long about supper time, Mrs. Roberts invited him to stay and have a bite with them.

Now, Doc had sniffed a cherry pie coming out of the oven and his mouth was watering. But what did he say? "No, thanks," says Doc. "Some other time, then," says Mrs. Roberts, and back she goes into her kitchen.

Well, next day Smiley ran into Doc on the street. Smiley said, "You missed some good cherry pie last night, Doc."

"Don't I know it," says Doc. "I sure wanted to stay but your missus only asked me once!"

From where I sit, Mrs. Roberts has the right idea about persuading people. Give folks credit for knowing their own minds. For instance, I never coax anyone to join me in a glass of beer. And if they don't try to talk me into drinking their favorite beverage, we'll get along fine. You can't persuade folks to be good neighbors, but you can "invite" them.

Thanksgiving Shopping List

It's time again to plan that Thanksgiving dinner and write out your shopping list so that you'll overlook nothing. Here's a suggestion:

- FRESH FRUIT COCKTAIL
- TURKEY
- CRANBERRIES
- SWEET POTATOES
- FRESH LIMA BEANS
- PEARL ONIONS
- LETTUCE
- WATERCRESS
- PUMPKIN
- WHIPPING CREAM
- NUTS
- COFFEE

An interesting thing about this shopping list is that everything on it gets to your favorite shopping center by truck—and many of the items—out of season where you may live—come miles and miles to grace your happy table on Thanksgiving Day. As a matter of fact everything you eat, wear, or use comes to you by truck—so thanks be to trucks for better living!

Telephone Lines

By NICK PRAKKE, Manager

We are looking forward to the publication of the telephone directory, the first of next month. In addition to Manchester listing this directory will include listings for Ann Arbor, Dexter, Chelsea, Whitmore Lake, Willis and Ypsilanti. The alphabetical listing will be listed by exchanges. However, the classified listings will be interfiled for all the exchanges in the directory. This arrangement was determined from an extensive area wide survey that was conducted by the Market Opinion Research Co. of Detroit. We hope you will like it.

COME NOVEMBER, the ladies start thinking about fixing up the house for the holidays ahead. That's where your Yellow Pages come in handy! If you've been putting off repairing that lamp or repainting the walls, just reach for your Yellow Pages! You easily can find a professional who will be happy to do the job. Use your Yellow Pages often for any product or service you need—9 1/2 out of 10 people do.

ONE OF CUPID'S BIGGEST HELPERS this 20th century seems to be the telephone. We recently heard via the grapevine (or should we say the telephone wire?) that when Crown Prince Akhito of Japan met his present wife, Michiko Shodo, on the tennis courts, they were denied a courtship in the American sense because of Japanese tradition. How did love find the way? By telephone. Akhito called Michiko several times a day, and she accepted his proposal of marriage during one of the conversations.

Arldith King from the Social Welfare Department spoke on their follow-ups of discharged patients. Participants in the craft program at the hospital already are working on Christmas decorations and the workshop is busy with jobs for Hoover Ball Bearing and for Argus. Corsages have been much in evidence recently since Mrs. Jane Hayward, Mrs. Marian Robertson and Mrs. Ethel Johns have visited the hospital to instruct a group of residents in their construction. Fall towers, ribbon, and tape were brought and the resulting corsages were worn to the October birthday party. This party was given October 24 by the Women's Club of Chelsea.

paving the parking lot on the hospital grounds is now complete. About to begin is the remodeling of the former 3rd floor apartment for an occupational therapy room. Auxiliary board members report that more assistance is needed for the weekly cart service to the patients particularly on Thursdays. Mrs. E.W. Waldrop, NO 3-3560, would be happy to hear from any volunteers. YOUTH APPRECIATION WEEK

William Hamilton, Chairman of the local Optimist Club Youth Appreciation Activities, has reminded us that this week, November 14-20, has been set aside on a national basis by Optimist Clubs to honor the 95 per cent of our young people who are not making headlines. They are busy getting ready for tomorrow by taking an active interest in what is happening today. Join in this observance of Youth Appreciation Week, sponsored by the local Optimist Club. Give our young people the pat on the back they so richly deserve. Mr. Hamilton states that a dance will be held at the High School Saturday night, November 19 from 8:30 to 11:30 sponsored by the local Optimist Club, and all the young people of the area are invited to be the guests of the Club at this affair. A popular youth dance band from Adrian, the same combo that played at the Carr Park dedication has, been obtained for the dance. Mr. Hamilton also in his capacity as Chairman of youth activities of the Optimist Club reports that the Steer Club for '60-61 has been started and that 23 Angus steers have been purchased and distributed to the young people who are participating in this activity. (ERROR IN BLACK ANGUS STORY)

Dedication of Fellows Bridge

People living in the area thought it was time for a celebration and Mr. and Mrs. Robert Ross decided the bridge needed a formal dedication complete with cutting of ribbons by the oldest resident of the area, Ernest Smith, and breaking a bottle of champagne. The Washtenaw Road commissioner, Howard Minier, was among the guests. And with Fellows Bridge is back in operation. Everyone who passed over it on the opening was given donuts and coffee and a dinner was served later at the Ross home. The bridge has seen many interesting sometimes and terrifying sights, there was a murder, a suicide and many, many happenings at the bridge, since the time of the Indians. It was named for Captain Fellows of Civil War fame. He lived in the area. It is noted for a good picnic area, good swimming, fishermen like to fish and hunters like to hunt as well as picturesque to the sightseers. But it took a milk truck to change the transportation of people in the Sharon Valley three miles north of Manchester for a couple of years while old Fellows Bridge rested and was rebuilt.

Mary and Joyce Smith Fred Feuerbacher while spent last week with their their parents were on a grandparents, Mr. and Mrs. hunting trip.

MEMBERSHIP DRIVE FOR GOOD SAMARITANS

The Good Samaritans, the volunteer organization that cooperates with the Catholic Social Services of Washtenaw County, will hold its second annual membership drive between November 27 and December 10, 1960. Individual membership dues are \$1.00 and patrons are \$5.00 or over. Anyone giving \$10.00 or more will be listed among the special donors as well as among the patrons. This year the goal is to contact every Catholic family in the community and have 100% membership on the part of adult Catholics. Anyone interested in the community and its sponsoring social services is, however, welcome to membership. Mrs. Marvin Kirk and Mrs. Walter Schaible invite all who are interested to membership. The Good Samaritans is an organization made up of citizens representatives of Washtenaw County and dedicated to helping the agency carry out its works of mercy. The services of the agency which are available free of charge to any adult or child in Washtenaw County have to date been offered to over 800 families and to 20 people in Manchester. The agency has also during its brief twenty months of existence helped 39 unwed mothers, placed 16 babies in adoptive homes.

MANCHESTER VOTERS TO REGISTER TWICE

Manchester voters may have to register twice. The Board of Education has instructed Supt. Robert Masten to investigate the feasibility of Manchester becoming a registered school district. School electors are presently registered in the district by village and township clerks at the same time that their names are enrolled on the local governmental rolls. Nine of Washtenaw county 22 remaining large school systems are registration districts. The Manchester system includes 14 smaller districts annexed over the years.

RETURN FROM CRUISE

Mr. and Mrs. L. V. Kirk have returned home after an eight day Caribbean cruise. Mr. Kirk was one of several in Michigan who earned the trip sponsored by General Electric. The group left Metropolitan airport for Miami where they boarded the S.S. Hansaatic. Stops included St. Thomas in the Virgin Islands; San Juan, Puerto Rico; and Nassau in the Bahamas.

TWENTIETH CENTURY CLUB MEETS

The Twentieth Century club met with sixteen members present at the home of Mr. Don Uphaus last week Tuesday. Mrs. Ray was co-hostess. Mrs. Chester Turner and Mrs. Stanton Roesch spoke on modern art which they illustrated with paintings from the University of Michigan.

The next meeting will be held on Tuesday, November 29 at the home of Mrs. Harry Sutton with Mrs. Roll and Grossman the co-hostess. The program will be a "Travelogue" given by Mrs. F.M. Reck and Mrs. Kenneth Furgason. At the conclusion of the meeting the hostesses served pumpkin pie with ice cream and coffee.
