OBSERVES BIRTHDAY

The seventh birthday of Monica Kirk was observed Friday evening, March 10 at a dinner given by her parents Mr. and Mrs. L.V. Kirk at the home of her grandmother, Mrs. John Schneider, Marie and Margaret; Eleven guests from Saline and Manchester were present. The table graced by two birthday cakes, made by Monicas, aunts, Marie and Margaret, had been prettily decorated by her mother. Needless to say the little lady was the recipient of many lovely gifts.

Mrs. Aleda Alber was taken to St. Joseph Hospital, Ann Arbor, following a fall in her home, where it was found she was suffering from a fractured right hip.

DEVELOPING MICHIGAN AGRICULTURE

Mr. George S. McIntyre, Director of Agriculture for the State of Michigan, will be the guest speaker at the Monday evening meeting, March 20, of the adult education farmers' discussion group. The meeting will be held at the Manchester Junior High School, and will start at 8:00 p.m. Mr. McIntyre will speak on "De-

veloping Michigan's Agriculture," and will touch on such subjects as research, legislation and effect of the St. Lawrence Seaway, on the agriculture of the state.

The discussion group wishes to invite all interested people of the area to attend this lecture, and participate in the discussion period following. There is no admission charge, and refreshments will be served.

Biographical Sketch of Mr. McIntyre.

Born and raised on a farm near Dowagiac, Michigan. Attended Dowagiac High School and was graduated in 1924. Entered Michigan State University in Fall of 1924, and later received his Bachelor of Science Degree in Agriculture.

In January 1932 went to Cassopolis as County Agricultural Agent in Cass County.

Left Cassopolis in 1940 to go to the Michigan State University Experiment Station at Chatham in the Upper Peninsula as Dairy Extension Specialist. His work took him over the entire Upper Peninsula.

Left Chatham on January 1, 1947 to become Deputy Director of the Michigan Department of Agriculture. On August 25, 1953 was appointed Acting Director and on December 1, 1953, was appointed Director.

The responsibilities as Director of Agriculture include dairy and food inspections, livestock and plant disease and insect control, apiary inspection, seed inspection, and the operation of the state chemical laboratory. As such, he works closely with committees representing various industries and with officials of Michigan State University.

He is ex officio member of the Water Resources Commission; Michigan State Apple Commission; Michigan Cherry Commission; Michigan State Veterinarian Examining Board; Michigan Hotel Commission; State Soil Conservation Committee (Chairman); Michigan Agricultural Marketing Council (Chairman); Inter-County Drainage Boards (Chairman). He serves on many other non-statutory committees including Michigan Week Agricultural Committee; Michigan Health Council; Michigan Agricultural Council; and on several national advisory councils.

GENTLEMEN OF MANCHESTER VILLAGE COUNCIL:

I sincerely greet you tonight as a sincere, qualified and efficient council, dedicated and devoted to the office which you now hold and I am sure that with your cooperation and mine, we will continue to make Manchester, a place proud to live in and one of the best, if not the best in the State of Michigan. We no doubt will have a few vexing problems arise during the year. We shall try to solve them to the best interest of all the citizens of Manchester. I am indeed fortunate in knowing you gentlemen for a long time, one in particular, I knew some time before he knew me - namely Bob Clark. Ask him why?

Now with the help of God, may we have a very successful year for our beautiful village of Manchester. I thank you.

HARRY G. SUTTON

CARL SCHAIBLE HEADS CEMETERY ASSOCIATION

The Oak Grove cemetery association met and elected board members for two and three year terms at their meeting at the village hall. Elected for three year terms at their meeting were Mrs. James Hendley, Frank Lowery and Alvin Clark. Names for two-year terms also elected were Carl Schaible, Walter Vogt and Willard Uphaus. The three having one year terms are Ed Dresselhouse, William Palmer and Herm Kuebler.

The board named the following officers: Carl Schaible, President; William Palmer, Vice President; Walter Vogt, Secretary and Ed Dresselhouse, Treasurer. The board will meet the second Tuesday of each month with the next month meeting April 11 at 8 p.m. at the village hall to which anyone is urged to attend.

TO GO ON TOUR

Mary Ann Paul, daughter of Mr. and Mrs. Erwin Paul and a freshman at Michigan State University in Lansing, will be on a Spring Concert Tour from March 21-29 with the Sparton Bellringers, playing for numerous High School Assemblies, Church Programs and Convention Groups throughout Michigan, Indiana, and Illinois. The group will also perform on the Don McNeil Breakfast Club, which originates from Sherman Hotel in Chicago and can be heard locally on station WXYZ on Thursday, March 23.

The Sparton Bellringers are a musical group led by Wendell Wescott. They play classical, folk and popular music, using a total of 49 English handbells. Hand bellringing formally was known as Swiss Bellringing, a term coined by A. T. Barnum, the circus king, who introduced bellringing to America in 1840. It is an English tradition dating back over three centuries.

Professional hand bellringing is no longer in existence, only about a dozen college hand bellringing groups are active in the country.

VOTERS ABSENT DURING EASTER CAN VOTE EARLY

Area registered voters who plan trips Easter weekend and do not expect to be back in time to vote in elections the following Monday, April 3, may cast absentee ballots ahead of time.

Waldo C. Marx, Manchester township clerk says that absentee ballots also may be used by persons unable to go to polls election day because of illness or infirmity.

Persons who expect to be out of the area on election day may go to the office of the township clerk, fill out an application for an absentee ballot and then fill out a ballot and leave it in the clerk's office.

Absentee ballots can be obtained by mail after the application is filled out. The absentee ballots may be obtained until 2 p.m. Saturday, April 1 and must be returned to the clerk's office before 7 a.m. on election day if the voter returns it himself or by the time the polls close at 8 p.m. on election day if someone other than the voter returns the ballot for him.

O.E.S. INSTALLATION HELD

Mr. and Mrs. Duane Trolz were installed into the Order of the Eastern Star at the March meeting. There were 75 present. The Washtenaw county officers were honored. Present were Mrs. Lullavene Wallace of Ypsilanti, President; Charles Stevens of Chelsea First Vice President; Mrs. Alice Johnson of Ann Arbor, Second Vice President; Mrs. Ann Nuttle of Dexter, Secretary-Treasurer; Mrs. Grace Brisbin of Manchester, Chaplain; Mrs. Vivian Predmore of Saline, Organist; Mrs. Marion Day of Milan, Marshall; and Mrs. Eula McCullom of Dexter Historian. MANCHESTER TOWNSHIP ELECTION APRIL 3, 1961

Some statements have been made regarding the present officers serving this Township which are to be construed as derogator, concerning the taxes and their collections. Rates for your taxes are arrived at by the needs of the participating parties and not by your township officials. When the state Tax Commission says the value of your property is so much, this is called Equalized Value then the Supervisor assesses at about one fourth of that amount. The County needs so much money. The Township needs so much money. The schools need so much money. All these divisions of government needs their proportionate share of your tax dollar. In the collection of the tax, this township, with its Treasurer being paid a salary, the law permits the Township Board to waive the 4 per cent penalty on all taxes paid on or before February 15th of the Tax Year. The present officers have complied with this law and if the tax payer had read his tax statement he or she would have seen the notice of this provision of the provision of the law. Thereon, if the adjoining townships, did not comply with the law as required in their townships, they are at fault and does not reflect on your officials. Your present Township Board has endeavored to take care of the needs of the residents of this Township with whatever funds have been available, maintaining the Township Fire Department, one of the best in the county, maintaining the Township Library also is one of the best in the County. When the funds were available, Chloride was applied, out of Township funds, in front of homes on gravelled roads in the rural district. The present board taken has care of all Townships election to the best of its ability and supplied necessary funds for this expense. Your present Board has served well and hope you will see that candidates on the Republican ticket are returned to office.

Moved by Galloway and supported by Clark that alteration permit be granted to Basil Mc Guire. All yeas, Carried.

President appointed a portion of his committee as follows; Superintendent of Public Works, Claud Gage, Public Works Committee: Ed Galloway, Walter Vogt, and George Grossman. Health & Safety, Ed Wurster, Robert Clark, and George Grossman; Building Inspector; Alvin B. Clark; Plumbing; Arthur Williams, Electrical, Basil Mc Guire. Moved by Galloway and supported by Clark presidents appointments be approved.

Hearing was held at 8 p.m. by a variance from village ordinance Number 45 for a dwelling house located at 220 S. Washington Street formerly belonging to Miss Farrell, in order to convert a single dwelling unit to a 3 apartment unit by remodeling. Ten interested persons were present.

Support for the granting of the variance was voiced that the building is going out of repair; that it is too large to be used as a one family dwelling and the present owners are willing to invest a substantial amount to improve the building and thus add to the tax base, and there is enough land to provide for offstreet parking.

Proposition voiced the view that there are three other buildings in the area which are similar to the present building and the owners eventually would be converting into apartment buildings and thus increasing the traffic. Also that the zoning law should be followed if there is going to be zoning.

Council decided to make their decision in the near future at a Special Council meeting, when all members

WHAT'S "ALL NUMBER CALLING"?
It's the latest development in telephone numbering. Now, in many communities throughout the country, you dial seven numerals to make a local call—no letters. For example, KL 5-2368 becomes 555-2368—a true telephone "number." Why was this done? Simply because we're running out of usable letter-number combinations. If we're to continue to grow and provide good service, we need to use the more flexible "all numerals" system. Some Michigan communities already have it. More will begin to use it soon. You'll find this new system more accurate and we think you'll like it.

MICHIGAN'S NATURALLY the motor center of the world. We've got drive-up banks and mail boxes, drive-in restaurants and movies... even a place where you can drive up to return a library book. Well, the telephone company is right up-to-date, too. We're installing new drive-up telephone booths! Small, handy, well-lit, these drive-up phones are a welcome aid to the motorist who wants to make a call in a hurry. They supplement the regular roadside telephone booths that are already a familiar sight along many of our highways.

A SLIMMER, LIGHTER yet stronger spring telephone cord has been developed by Bell Telephone Laboratories and Western Electric. One strand of its new, sleek strength is the use of nylon, instead of cotton, thread. Slimming a cord seems like a small change—until you realize that it will save more than half a million dollars annually in cord costs! It's another instance of your telephone company's constant search for new ways to improve the equipment you use, while keeping the cost of your service low.

SALINE GIRL IS COUNTY DAIRY PRINCESS

Katrene Gail, 16 year old daughter of Mr. and Mrs. Albert Gail of Willow Road, Saline was named Washtenaw County's Dairy Princess of 1961.

She was chosen from 13 candidates by three judges at the annual Washtenaw County Dairy Banquet in Saline High School. About 650 dairymen and guests saw the six year 4-H club member crowned by Janice Harwood, last year's Dairy Princess. She showed the Grand Champion aged cow and won top showmanship honors at the 1960 Washtenaw County 4-H club show. She has been a member of the Saline 4-H Farmers and the Busy Works clubs for the past six years.

Her other accomplishments include being president of the Future Nurses Club at the High School, she serves as majorette in the school band where she plays a saxophone. She is chairman of the high school band frolics for 1960-61 and wrote the script for it in 1960. She is a feature editor of the Hornet, the School's Student Newspaper.

Her aims include becoming a high fashion hair stylist after graduating next year.

A high school junior from Milan, Mary A. Ross, was placed second and Joyce Moore, 18 year old freshman at Michigan State University, from Willis, Michigan was in third place. Marjorie Wheeler, 17 year old Dexter high school senior from Whitmore Lake received honorable mention.

Other candidates were Karen Spike of Manchester, Sara Schaible, Jane Carr, Shirley Chrisovan, Donna Djuble and Doris Herter all of Saline; Carol Wheeler of Whitmore Lake, Barbara Mae Hammond of Milan and Patricia Murdock of Dexter.

Judges were Miss Genevieve Allen of the Detroit Dairy Council, Charles Falen, an Ovoid, Michigan dairymen, and Monroe county extension agent Harold Feeris.

HOW TO MAKE A BUNNY AT HOME

Terry toys have long been favorites with children but here is a toy that is fun for the entire family and can be made at home. It is a soft white cuddly bunny made from Terry towels that is a hit in any situation. Try making it for a table decoration, a show-gift for the springtime crop of new arrivals or to amuse a child who must stay indoors.

The main "makings" of the bunny are soft, white towels. Although the towels should be white as new, it is not necessary to buy new ones. For grey, dingy, harsh towels can be transformed to new whiteness and softness in modern laundering. It is not unusual in many busy households to find some towels grey with "set-in" soil. Unless towels are laundered thoroughly every time, soap and stains become imbedded and they lose their attractive freshness. The answer is to wash them, every time, with an all-purpose detergent, plenty of hot water and good laundry bleach beads. Fabric safe chlorine bleach in bead form removes deep soil safely and thoroughly.

Another step in laundering Terry towels "the modern way" is to restore them to "store-new" softness. New towel softness can be maintained through-

final clear water rinse. Since soaps and detergents remove the fabric softener during washing, add the softener each time you wash. See how harsh, stiff towels are made thirsty and soft, perfect for after bath, luxuriousness or for making the cuddly bunny, as illustrated.

DIRECTIONS

1. Tightly roll 12 folded newspaper pages crosswise. Fasten at both ends with rubber bands.
2. Fold one Terry towel (17" x 28") in thirds, lengthwise. Roll around one end of paper. Fasten with rubber band.
3. Lay second towel (17" x 28") flat. On it place rolled towel, lengthwise about 2" from one end.
4. Draw corners loosely up and around the roll. Fasten with rubber band to make bunny's tail.
5. Starting at top center, draw towel down until corners take form of ears. Twist rubber bands around base of ears to hold them in place.
6. Smooth towel overlap at back. Tie bow above thick base (body). Balance ears on top of inner rolled paper.
7. Arrange towel folds to suggest face.

out the life of the towels or old harsh ones can be renewed with the simple addition of a capful of fabric softener to the

RANGE FOLDS AWAY
Ever hear of folding up a kitchen range? That's just what you can do with some of the new electric cooking elements, designed to give extra counter space when they're not in use. There's hardly a housewife alive who can't use more counter space, no matter how big her kitchen.

WOOD RESISTS HEAT
Air conditioning engineers have less of a "heat gain" problem when a house has wood windows. Frames and sash of windows of ponderosa pine are natural insulators. The wood resists the flow of heat from outside instead of conducting it into the house, as metal sash and frames do.

FASCINATING FACTS ABOUT NATURAL GAS

How Times Have Changed!

The year is 1859 - men are drilling for GAS. They are digging with hand shovels. A white oak battering ram lays close by to pound down lengths of cast iron pipe. A six-horsepower, river-boat boiler powers the salt water bit that cuts through the earth - three feet a day - to the final and amazing depth of sixty-nine feet!

A hundred years later, hard teeth of a rotary drill rapidly grind through rock, clay and sand. A stream of water cools the bit while a chemical compound speeds the drill through the hardest rocks. A large pipe, then a small pipe, is lowered. Powerful bullets shoot perforations into the earth. From Nature's reservoir, "stored sunshine" is released - sometimes from a depth of five miles!

This "stored sunshine" is one of America's favorite fuels - seven out of ten homes built today use NATURAL GAS for heating. Call or write your Heating Equipment Dealer or Consumers Power Company for information about inexpensive, automatic NATURAL GAS heat.

GET THE FACTS - BETTER YET - GET GAS!

Buy Air Conditioner Now To Be Ready For Summer

Shopping for a room air conditioner in winter or early spring is a bit like trying to decide what you want for dinner after you've finished a hearty lunch.

But there are some good reasons why families who want to enjoy a room air conditioner this summer and for many years to come should buy it now:

1. The unit will be in place and ready to begin serving on the first uncomfortably warm day.
2. Appliance dealers and department stores are receiving fresh new stocks of room air conditioners now. The wide choice of styles and sizes available make it easier for a family to find the unit to fit their needs exactly.
3. Planning to buy now gives home owners and apartment

dwellers ample time to study their requirements for room cooling and to select the air conditioner that will give them maximum comfort at the lowest operating cost.

4. Waiting until a heat wave strikes may mean making a hasty, unstudied decision. Today's electric room air conditioners are finely-engineered instruments, designed to give years of trouble-free service. For this reason, its selection should not be made in haste.

Today, families are aided in selecting the right size room air conditioner for their needs by standards of the National Electrical Manufacturers Association, which provide that the unit's cooling capacity (Btu's per hour) be imprinted on the data plate. Btu ratings are the only accurate ones.

OBSERVED BIRTHDAYS

Larry Benedict entertained eight boys from his class in school, Saturday afternoon, at the home of his parents, Mr. and Mrs. Elwin Benedict at 811 City Road in observance of his 9th Birthday, Friday March 17. After some time spent playing games, refreshments were served by Mrs. Benedict. Larry received many nice presents.

Mrs. Mary Walz who is

spending some time with her daughter and husband, Mr. and Mrs. Oscar Peterson in Detroit was 92 years old Monday March 13. On Sunday her sons Mr. and Mrs. John Walz, Mr. Oscar Walz and her daughter Mrs. Edw. Braun drove to Detroit where they enjoyed a family dinner at the Peterson home in her honor, other guests at the dinner were her son and wife Mr. and Mrs. Harold Walz of Detroit.

PERSONAL NOTES

Mrs. Paul Ernst has returned home from the Tecumseh Hospital where she has been a patient.

Mr. Wayne Trolz is a patient in St. Joseph hospital following surgery on his knee.

CON-CON DISPLAY OPEN TO PUBLIC

With the spring election on April 3 less than two weeks away, many citizens are availing themselves of the Con-con display at the Ann Arbor Public Library. Materials in the display are being consulted by many area voters who still have questions about the ballot proposal. The pamphlets and other publications have been provided by the League of Women's Voters of Ann Arbor in order to give voters an opportunity to understand to issue more clearly and to find answers to their questions.

Pointing out that the vote in April will be on the question of calling a convention to revise the state constitution, Mrs. Franklin Moore, LWV president, explained that this was one of several elections which must be held in order to get an up to date constitution for Michigan.

TO THE CITIZENS OF MANCHESTER

I have accepted with humility the confidence which you have expressed by electing me as your village President. I sincerely must state that the duties pertaining to this office will be executed in a manner justifying your faith in me.

For your information I would like to list some of the prospects for this year:

- Black Top Pavement on Division Street from E. Duncan to E. City Road. Curb and Gutter on both sides of street.
- Black Top Pavement W. Madison Street from N. Clinton Street to N. Washington. Curb and Gutter on both sides.
- Black Top Pavement on Duncan, Adrian to S. Clinton.
- New Storm Sewer Program West of N. Clinton and St. Clinton.
- Street Tree Planting Program, Diseased Tree Removal Program, Side Walk Program.

If possible preparatory work on Territorial Rd. S. Macomb to W. Main Street, urgently needed.

Your council will endeavor to see that every dollar of your tax money is wisely spent, we can only do so much as we must stay within our budget.

I will try and relate more of our progress of our program in a later letter.

Sincerely,
Harry Sutton, Village President.

JAYCEE EASTER EGG HUNT

Again it is time for the annual Jaycee Easter Egg Hunt for pre-school and elementary children of the Manchester Area. The Hunt will be held Saturday, April 1 at 2:00 p.m. in Carr Park.

Many brightly colored eggs will be hidden throughout the park for the children to find. In addition, the children that find "prize eggs" (specially decorated by Mrs. Way) will receive a gift.

The Jaycee's hope: that improved cooking methods will insure that the eggs are hard boiled; starting the contest by grades will give the younger children a better chance to find eggs. There will, again, be a special area for pre-school children.

Join in on the Fun Saturday at Carr Park.

SOLICITORS ARE URGED TO ATTEND MEETING

Solicitors for the United Manchester Community Fund and Red Cross Drive are especially urged to attend the Community Chest Annual Meeting, April 5 at 7:30 at the Nellie Ackerson School. This is the public meeting of the organization which is held each spring to briefly review the past year and to learn the wishes of the people for the coming year's activities.

Each organization in the area has been requested to send an officer and another member to the meeting. And each group receiving assistance from the Fund is to report at this time.

Election of four board members for three year terms is a major item of business. There are twelve members on the board with four terms expiring each year. This year Lawrence DeVerna, who has served twelve years and

Walter Schaible, who has served three as retiring and are also withdrawing their names from election. Stanley White, who has been on the board eight years and is the representative to the Michigan United Fund State Committee is up for reelection. Mrs. James Baker who has just completed this year as a "fill-in" for James Hendley (resigned, 1960) is up for reelection. The nominating committee presents four more names for the offices--Allen Benedict, Howard Higgins, Mrs. Marvin Kirk and M. Thomas Marshall. Nominations may also be made from the floor. The four receiving the most votes will be the 1961-64 board members.

Other board members are (1962) Louis Vogle, John Pippenger, Mrs. Ray Tirb and Mrs. Franklin M. Reck (1963) Clayton Parr, Mrs. Glen Lehr, Clarence Fielder and T.H. Tapping, Jr. "Gallon donor" pins for those who have not already received theirs for donating 8 pints of blood to the local blood club or an affiliated Red Cross Blood Club, will be presented by Mr. Wm. de St. Aubine, Ann Arbor, Executive Director of Washtenaw County Chapter of the American Red Cross.

A request from professional groups and merchants in the area for the organization of a local Bureau for Family Services will be discussed at this meeting. To assist with the discussion and to lend professional advice, the board has asked Mrs. Fred Poole, director of Bureau of Community Services for the United Fund and Mrs. Dolly Brenner, Executive Director of Family Services, both of Ann Arbor, to attend.
