LIBRARY BOARD ELECTS OFFICERS

Manchester Township Library officers will remain the same for the coming year as all were elected to a second one year term of office at the board meeting Monday night. The president is Mrs. Franklin M. Reck; the vice-president, William L. Furgason; Secretary, Mrs. James C. Hendley, and Treasurer, George Johnston.

Mr. Johnston and Mrs. Richard A. Kutz were each elected at the Manchester Township Board meeting on Saturday to three year membership on the Library Board. Ray Tibb was the retiring board member who has served for the past year but did not seek reelection.

Committee appointments for the year included: Building and Maintenance, Mr. Furgason and Mr. Johnston; Books Mrs. Kutz and Miss Ackerson; Public Relations, Mrs. Hendley and Mrs. Reck.

Mrs. Lorna Smith, librarian, reported an accurate circulation count of 4,797 books and 136 magazines from the library during the past fiscal year with 2,821 using the library. New library card holders numbered 238 between April 1, 1960 and March 31, 1961. (Up to April 15, 1961 there has never been an individual charge to obtain a library card at the Manchester Township Library. After April 15, 1961, the board has ruled, with the consent of the Township Board, that library users who live in neighboring townships that do not support the library service rendered will be required to pay \$2.50 per year per card holder. FREE LIBRARY SERVICE IS AVAILABLE TO ALL MANCHESTER VILLAGE AND MANCHESTER TOWNSHIP residents and residents of those townships which support the library.)

Mrs. Smith reported a total of 685 active library card holders as of March 1, 1961. The card holder file has been newly compiled since 1958 and has been rechecked each year.

Since April 1, 1960, 318 new books have been purchased and 290 usable books have been donated.

The library is the regular meeting place for the Manchester Adult Art Class every Monday evening. Mrs. Chester Turner is the instructor for this project. One group of Manchester Clovers also meets at the library every Tuesday after school. Numerous other groups have found the facilities of the library suitable for their special meetings.

COUNTY ASKS GROWERS TO FILE FOR PAYMENTS

Wool growers are urged by the Washtenaw County Agricultural Stabilization and Conservation Committee to file applications for payments under the National Wool Program as early in April as possible.

Mrs. Carolyn Stump, office manager for the county ASC committee, says information contained in the applications is needed to compute the local average price received by the growers before a payment rate is set.

The payment rate is the percentage necessary to bring the national average price received by growers before a payment rate set earlier if applications are filed well in advance of the April 29 deadline.

Growers receive payments for both wool and unshorn lambs sold within the covered period.

Under the wool program, incentive payments are used as a means to stimulate growers to increase production.

FUNDS AVAILABLE TO HELP ELIGIBLE FARMERS

Additional funds have been made available to help meet the needs of eligible farmers who need operating money to carry out their farming operations, Carl Robinson, county supervisor for Farmers Home Administration, announced.

Mr. Robinson said that a \$35,000,000 contingency fund provided by the 1961 Agricultural Appropriations Act has just been released to the Farmers Home Administration to meet the demand for credit.

This move was taken by the U.S. Dept. of Agriculture, in an effort to make certain, within the authorities and funds available, that no qualified family-type farmer will be required to give up farming because of his inability to finance his 1961 operations.

Most of the changes call for adopting better farming practices and improving the efficiency of their farming operations. Loans may also be made to qualified farmers who carry on smaller than family-type operations.

Operating loans help pay for equipment, livestock, feed, seed, fertilizer, fuel, including the refinancing of chattel debts. They are repaid according to the ability to repay over the period of up to seven years. The interest rate is five per cent.

Further information on these loans may be obtained from the county office of the Farmers Home Administration.

In announcing the Community Chairman, Mr. Campbell said, "The citizens of Washtenaw County have a very special stake in the work of the American Cancer Society. More of the Societies research money comes back to Michigan institutions that we contribute ourselves. Some of the most significant cancer studies in the world are right here in our State."

"The American Cancer Society" he continued, "is in business to go out of business."

From where I sit... by Joe Marsh

Nobody's in the Doghouse

The question of our town dog catcher came up at the last town meeting and someone started a little fuss about Slim Thomas—said he'd been dog catcher for a year and hadn't caught a single dog.

Buck Hanson spoke right up. "Aren't any dogs to catch. Any stray turns up, and if the dog's healthy, Slim gives it to some youngster to keep for a pet. We don't want to elect a man who'd put harmless little pups in cages, do we?"

even gave him a raise in pay. From where I sit, the folks in our town are a pretty nice bunch. Live and let live, they say—and they don't just apply this old axiom to strays, either. Me, for instance. Most every time a neighbor asks me over for dinner he serves me a glass of beer. He knows that's my preference, even though his might be coffee or tea. There's no "reach" to being a good neighbor—just be a tolerant one.

DOLLAR and SENSE FARMING

USE CARE WHEN TREATING FOR FOOT ROT. Some kinds in your herd may be susceptible to foot rot. When your cattle or sheep show signs of foot rot, the most common signs of foot rot are swelling, redness, watering and itching. Stop treatment if you don't see any of these ailments and you can't see your veterinarian.

POPULARITY OF GRANULAR HERBICIDES is growing as farmers discover how easy it is to use. Apply granules for weeding on the plow, in the furrow, or on the surface. Granules are easy to handle and they don't get on your clothes. Set the applicator according to the grain on the herbicide package. Then run a check at your field, planning ahead to see that you get the best results.

WHEN OVERHAULING TRACTORS AND MACHINERY, use parts with some reliability. Recommended parts are those that are made by the same manufacturer as the original parts. Use the right kind of oil. Use the right kind of grease. Use the right kind of water and similar equipment. Instead of the standard solvent, use a special degreaser or some similar cleaner. Be sure the ventilation is satisfactory good when using carbon tetrachloride.

LINDANE TO CONTROL SPITTLEBUGS has just been added to the recommended list. Use one pint of Lindane concentrate per acre as the spittlebugs begin to hatch during the next few weeks. Remember fields treated with Lindane must not be grazed for 30 days.

WASHTENAW SPORTSMEN APPOINT COMMITTEE TO STUDY CON-CON

The Washtenaw Sportsman's Club this week is believed to be the first conservation club in Michigan to name a study committee on the forthcoming constitutional convention.

D. Daniel Robbins, a committee member, said there were no indications yet as to what lines of action the group might follow.

In discussion leading to formation of the committee, he said, it was pointed out that conservationists have a stake in any proposed constitutional reform and should take steps to protect their interests.

"Nobody said that sportsmen's clubs should try to elect conservation-minded delegates to the constitutional convention, but that thought certainly was in everybody's mind, Robbins said.

The Washtenaw Sportsman's club is affiliated with Michigan United Conservation clubs and Robbins is a member of the MUCC board of directors. These connections provide possible channels for passing local action here to the state level.

CIVIL DEFENSE COURSE SET FOR WASHTENAW COUNTY; VILLAGERS SHOULD ATTEND

A basic course in Civil Defense will be conducted by Civil Defense Director, Gerald G. Miller, in the county office at 10 a.m. and 7:30 p.m. May 3 and 9.

County, village and township officials and employees, officers and members of all organizations in Washtenaw are encouraged to take part.

Miller said that at the last course 16 husband and wife teams began the course and seven of the teams completed it.

He said that governmental responsibilities in Civil Defense characteristics of radioactive fallout, effects of nuclear weapons, natural disasters, individual and family home preparedness. During the last period of the course, the class participates in a practical control center exercise.

COUNTY SETS BUDGET

A budget of \$3,313,667 for operations of the county in 1962 has been approved by the Washtenaw County Board of Supervisors.

This is \$87,496 more than the final budget adopted for this year. A total of \$2,730,367 from the direct property tax will be needed by the newly adopted budget. This is \$41,867 lower than for this year.

The board's ways and means committee chairman, Carl Mast said the reduction in the amount required from the property tax is attributable to several factors. He named a relatively low welfare case load in 1960; more reimbursement for public hospitalization and medical care programs, high nontax revenues than anticipated and an increase in the general fund balance.

The 1962 preliminary budget will be presented next week to the County Tax allocation board as the county's request for a share of the 15-mill property tax, which also is shared with schools and townships.

Freedom Ideal Homemakers will meet at the home of Mrs. John Miller on Friday, April 21st. A dessert luncheon will be served at 1:30, with Mrs. Harold Eiseman as co-hostess.

WRESTLING MATCH AT MANCHESTER HIGH SCHOOL

Four outstanding matches, including a six-man mixed Australian tag-team bout, will headline the big professional wrestling card at the Manchester High School on Friday night, April 14. Sponsored by the Senior Class, the program will feature both midget and heavyweight matmen.

Luis Martinez, popular young flash from down-Mexico-way, will go against Bulldog Brower in one of the top clashes.

Martinez is a living refutation of the sports "axiom" that "nice guys finish last." Admired by the fans and respected by his fellow wrestlers, Luis is one nice guy who has risen to the top of his profession.

A true student of wrestling, he will often remain in an arena long after his match to watch another matman who has perfected a maneuver which Luis would like to learn. His favorite hold, however, the Rocking-Chair Hold, was strictly a product of Luis' own ring inventiveness.

Crybaby McCarther, wrestling's 330-pound weeping wonder, will take on Dick "Mr. Michigan" Garza in another heavyweight encounter.

Garza has become a legendary strongman in a sport which has more than its share of former national and Olympic weightlifting champions. Veteran mat observers are almost unanimous in their designation of Garza as the most powerful man to campaign in the ring within the past fifty years.

A five-time winner of the Mr. Michigan trophy as the best-developed man in the state, Dick still recalls vividly the days when he was so weak and frail that his family doctor would not let him go out for the high school football team. Dick credits a rigid program of weightlifting and calisthenics with elevating him to his present peak of physical conditioning.

A mighty Midget battle will pit the Brown Panther against Farmer Pete in an encounter between two diminutive bundles of dynamite.

As a special added attraction, the winners of these three matches will return against the losers in the mixed tag-bout. Midgets will be in the ring with heavyweights.

WASHTENAW COUNTY FEDERATION OF WOMEN'S CLUBS

The Annual Spring Luncheon meeting of the Washtenaw County Federation of Women's Club will be held Monday, April 17, at the First Methodist Church, 120 S. State St., Ann Arbor. Call Mrs. A. B. Clark, NO 2-0428, or Mrs. W. H. Winkelhaus, NO 2-0447 by Wednesday April 12, for reservations.

Registrations at 10:00, meeting at 10:30. The Invocation by Mrs. Naomi Aird, Ypsilanti, Religious Chairman; the Welcome by Mrs. J. J. Munro, of the West Side Women's Club; the Response by Mrs. Arthur Heininger, of the Saline Women's Club. The Annual reports of Presidents and the election of officers will be the main order of business.

The County Past Presidents will be honored at the 12:30 Luncheon. Music by the West Side Woman's Club Chorus opens the afternoon program. The speaker, Mrs. Audra E. Francis of Saginaw, Past President of Zonta International, will present a program of Persons and Places.

CHEST MEETING

A representative group of forty people from the Manchester area attended the annual Manchester Community Chest meeting, Wednesday night, April 5th, at the Nellie Ackerson school.

Louis Vogel, treasurer for the Fund, reported a total of \$7,917.42 deposited to date for the 1960-61 United Community Fund and Red Cross Drive. After paying incidental bills and all budget requests for the February Board meeting, \$8,803.60 had been disbursed, leaving a balance of \$864.45 for emergency and buffer funds.

Fund agencies present reported on their use of their allowances for the past year. The Boy Scouts of America reported a healthy increase in numbers as well as activities.

The Red Cross complimented the Manchester area on an exceptional Blood Bank program which has met unusual demands for a small area with excellent public spirit and community backing.
