VOLUME 94 NO. 18 THE MANCHESTER ENTERPRISE MAY 11, 1961

JUNIOR SENIOR RECEPTION SET FOR SATURDAY

The Junior-Senior Reception will have as its theme "A Song in My Heart." The traditional banquet will be held at the Civic Auditorium Saturday, May 13 at 6:30 p.m. followed by the Junior Prom at 9 p.m.

The junior class will honor the senior class with a swiss steak dinner which will precede a dance at the high school gym. The idea of a prom after the dinner was started in 1959. It is expected that 120 students as well as teachers and their husbands and wives will attend the dinner served by the freshmen.

Jim Settle will give a welcoming toast and Junior class president Gary Pniwski will deliver a farewell speech. Jim Knight, senior class president will give a response. Russ Smith will present a short skit and Shirley Samonek will have a piano solo.

Modest decorations have been planned for the banquet but the host class is going 'all out' for the dance. The public is invited to attend and tickets will be sold at the door.

GOLDEN ANNIVERSARY

Mr. and Mrs. William A. Lindemann of Pleasant Lake Road, Lodi township celebrated their golden wedding anniversary, Sunday May 7 with open house at the Pittsfield Grange Hall.

Mr. Lindemann and the former Minnie Renz were married May 4, 1911 in the home of the bride's parents, the late Mr. and Mrs. Christian Renz of Lima township.

Mrs. Emma Weinlander of Ypsilanti, sister of the bride fifty years ago and Fred Renz of Scio township were the maid of honor and best man. The attendants were present at the celebration. The couple has two sons. Erwin lives in Ann Arbor and Walter resides in Lodi township. The couple has three grandchildren.

Mr. Lindemann, 78, is a retired farmer and his wife, who is 75 claims cooking as her hobby. They have lived in Lodi township since their marriage and are members of St. Paul's Evangelical and Reform church in Saline and Pittsfield Grange and Farm Bureau.

MAYOR EXCHANGE DAY

Promoting a better understanding of the services, functions and problems of state and local government is the theme for Our Government Day Monday May 22 of the 1961 Michigan Week.

Village President Harry Sutton will visit Rockwood, while Irving Brewer, President of Rockwood will take over the reins of Manchester's government as part of the annual Exchange of Mayors which highlights the day.

The swapping of top city officials, according to Morris Dalitz (county chairman for Michigan week) is a vehicle through which community governing officials can exchange views concerning various phases of local administrations.

Mr. Hugh Sutton and Mr. Jim Cannon (co-chairman for the local mayor exchange) pointed out the itinerary will be a lunch at the Manchester High School, put on by the Agriculture Dept. followed by a tour of the different attractions in our Village topped off by a dinner in the evening.

STATIONED IN GREENLAND

Airman 2nd Class Gerald Randall went to Tula Air Force Base, Greenland after a 30 day furlough with his parents, Mr. and Mrs. Roy Randall. He writes that they are having the steady daylight period there now and the warm season with temperatures around 30 degrees.

IRON CREEK FRIENDSHIP CIRCLE

The Friendship Circle of Iron Creek Church met Wednesday evening, May 3, at the home of Mrs. Robert Alling. Eight members responded to roll call with a favorite Bible verse. After the business meeting, Mrs. Brazee gave a resume of missions the church and its organizations help support. Interesting highlights were given on South America, Africa, Bahama Islands and a Leper Colony as well as home missionary work. A social hour followed during which the hostess served home-made ice cream and cake.

SCHOOL BOARD TO ASK 4 EXTRA MILLS

At a school board meeting Monday evening it was unanimously approved to ask four extra mills for school operation for the next year.

This decision was arrived at after thorough discussion by the board and the area citizens committee.

During the last month the citizens group has discussed the total debt and school tax picture as compared to other schools in the general area.

They also have concerned themselves with the dangers of a minimum budget.

Many were concerned with the small amount of general improvement because of extremely tight budgeting.

At Monday's meeting the school board presented a minimum budget and a safe budget to the committee for discussion. A poll of the group present indicated that they favored the safe budget calling for 13.5 mills, 4.6 of this being what would have to be voted.

At a regular meeting of the board after the meeting a resolution was adopted to ask for a compromising 4 mills which would in reality be less than 2 mills above the 15 allotted by law, in most of the district.

There was considerable agreement among citizens, board members and staff members as to thoroughly studying all aspects of the school system this coming year.

Outside help from one of the Universities would be solicited to carry on such a study.

It is planned to present all of the supporting evidence and discussion in the next issue of the Enterprise.

RUMMAGE SALE SUCCESSFUL

The rummage sale, which was sponsored by the Band Boosters, and held at David's store was a big success. The amount made was \$278.

Besides the band parents and other interested persons the following merchants generously contributed:

- R. C. Davidler
- Lannon Variety
- Manchester Drug
- Widmayer Furniture
- Rexall Drug
- Rice Grocery

- Hermw Kuebler
- L. V. Kirk
- Manchester Bakery
- Double A Products
- Gambles Store
- Union Savings Bank
- Earl Alber
- James Hendley
- Esch and Johnson
- Haab Hardware
- Snyder Grocery

CEMETERY BOARD MEETS

Members of Oak Grove Cemetery Board met at the Town Hall, Tuesday evening, May 9th, to discuss plans for Spring Clean up at the cemetery.

Projects approved were painting the monument, and a new roof on the office building. New trash receptacle will also be placed at convenient locations.

The Board would like to call to the attention of all lot holders that the \$5.00 annual assessment for lot care is due and should be paid to the Treasurer, Ed Dresselhouse.

Perpetual care may be purchased on all lots, if the lot holder wishes.

The Board is anxious to collect all assessments currently due in order to carry on improvement work. The next meeting will be held Tuesday June 13, 1961, at 7:00 p.m. at the cemetery office building.

REGISTER BY JUNE 2 FOR SCHOOL ELECTION

Manchester school officials point out that the school election will be held June 12. It will be the first time as a registration district. For people who wish to vote at that time it is necessary that they be registered voters. School officers note that it is well to check with the township clerk. June 2nd is the last date for registration for people wishing to vote at this year's election.

The term of Dan Boutell, school board treasurer expires this year. Anyone wishing to have their name on the ballot must turn in a nomination petition signed by 50 registered voters. Blank petitions may be obtained at the Superintendent's office or at Sutton's Insurance Agency. They must be turned in to Laurin Leeson, school board secretary Saturday, May 13 at 4 p.m.

If there are children who should be going to Kindergarten next year and they have not yet been registered, parents are urged to call Manchester GA 8-2341 and make arrangements to do so in the near future.

A school policy regarding severe storm warnings has been adopted. Children will be sent home early in case of severe storm warnings forecast for the Manchester area. It is not wise to keep a high concentration of children at one point during a time such as this, school officials point out. These warnings are expected during hot, humid days when there are erratic temperature changes. Parents are asked to have some responsible person home during these times as there will not be time to warn parents of the school's decision.

WED IN CHURCH RITES

Saturday, May 6 the Rev. Robert Richards performed the rites in the Saline Methodist church which united in marriage Sandra M. Van Doren and Gaylord H. Forbes, jr. of Muncie, Indiana.

The couple's parents are Mr. and Mrs. Raymond W. Van Doren of Manchester and Mrs. Virginia Forbes and Gaylord H. Forbes, both of Port Huron.

The bride selected a full-length gown of white organza over net with taffeta for her wedding. Soft organza roses decorated the hemline. She wore a crown with white forget-me-nots to hold her veil of illusion and carried a bouquet of red and white roses, ivy and stephanotis.

The matron of honor was Mrs. Roger A. Van Doren of Saline. Miss Shirley A. Michelfelder of Grand Rapids and Miss Marian Johnson of Ann Arbor were the bridesmaids. Dan Wolfe of Allen Park was best man while Roger A. Van Doren brother of the bride, from Saline, and Donald Wismer, jr. of Port Huron seated the guests.

After a reception in the church parlors, the couple left for a honeymoon trip to New York City. They will live at 203-A N. McKinley St., Muncie, Indiana.

The bride was graduated from Ann Arbor High School and the University's College of Pharmacy, where she was affiliated with Lambda Kappa Sigma professional sorority and was employed as supervisor of outpatient pharmacy at University Hospital.

Mr. Forbes was graduated from Port Huron High School the University's College of Architecture and Design. He is employed by Hamilton and Graham Architects of Muncie.

HONOR STUDENTS HAILED

At a general assembly in the Junior High, four girls were given recognition for being on the 'A' honor roll five times in succession this year. Bonnie Burkhardt was the lone representative of the eighth grade. Janet Kemner, Rosalyn Pfau, and Susan Pedersen were the successful 7th graders.

Their achievements were enthusiastically applauded by their fellow students and teachers.

COUPLE WED IN HOME RITES

Lois Schiller, daughter of Mrs. Alvin Schiller and the late Mr. Schiller was married Saturday afternoon to Ray Mitchell, son of Mr. and Mrs. Vern Mitchell of Manchester. The ceremony was performed at the Schiller home in Chelsea by the Rev. Philip Rusten in the presence of the immediate families.

The bride's wedding gown was waltz length white lace over pink taffeta. She wore a shoulder-length veil fastened to a crown-shaped pearl headpiece and carried a bouquet of orchids and stephanotis.

The bride's sister, Linda, was her only attendant, wearing a white brocade sheath dress with a short blue veil. Her flowers were a corsage arrangement of white roses. The bridegroom's brother, Gary Mitchell, was best man.

A reception for 60 guests was held following the ceremony. The new Mr. and Mrs. Mitchell are at home at 220 Ann Arbor Street, Manchester.

Mr. Mitchell is employed at the Double A Products Co. Manchester and the bride is employed at Klinger Pontiac Sales in Ann Arbor.

SHERIFF TAKES ABOUT 'DRAG RACING'

Sheriff George A. Petersen issued an appeal to parents of teenagers to take steps to prevent their children from using county roads as "drag strips."

The deputies at the county jail said that in one night they had eight separate complaints from alarmed citizens who had seen teenagers staging races on black-topped roads.

Petersen said he has issued orders to his men to launch a general crackdown on speeding drivers. He said young motorists east crossing near on W. Liberty Road in Washtenaw county and on other asphalt county roads to race their cars. Petersen said he has directed that both marked and plain patrol cars be used in the drive against racers. Tickets will be issued and the teen-agers parents will be contacted, the sheriff said.

COUPLE WED IN SALINE CHURCH

Barbara Ann Klump and James F. A. Stiele spoke their wedding vows at St. Paul's Evangelical and Reformed Church in Saline Saturday evening. The Rev. Alfred P. Harb performed the ceremony.

The former Miss Klump is the daughter of Mr. and Mrs. Oscar Klump of Weber Road, Lodi township and Mr. and Mrs. Adolph Stiele of Bean Road, Saline township are the parents of the bridegroom.

The bride was wearing a silk faced ruffled gown trimmed with aluminum lace which featured a sweetheart neckline and a large back bow. A crown of seed pearls and sequins held her fingertip veil and she carried a white shawl on a white Bible.

The bride's sister, Mrs. Howard Webber, of Saline was matron of honor and Miss Sharon Sik of Milan was bridesmaid. The junior bridesmaid was Shirley Geenther of Saline.

Howard Webber of Saline served as best man. Roland Geenther of Saline, Gustav Lindemann of Saline, Richard Schneider of Ann Arbor and Gary Ernst of Whitmore Lake, acted as the guests.

A reception was held in the church parlors. The couple will make their home at 3611 Weber Road, Lodi township. The bride is employed by Veterans Administration Hosp. and Mr. Stiele is employed by the University.

25TH ANNIVERSARY

Mr. and Mrs. Alton Harting of 1234 Pleasant Lake Rd. were surprised with an observance of their 25th wedding anniversary.

The party, arranged by relatives, took place at the Emanuel church hall, Manchester, for 45 guests.

The table from which a buffet supper was served, was centered with a decorated anniversary cake, baked and decorated by Mrs. Harting's sister, Mrs. Glen Feldkamp.

Cash gifts from the group as mementos of the occasion were arranged in a commemorative notebook.

The Alton Hartings were married Mar. 2, 1936. Mrs. Alton is the former Eleanor Feldkamp. They have two sons, Neil, at home who attends Manchester High school and Earl, a student at Michigan State University.

COUNTY JAIL GETS HIGH RATING

The Board of Supervisors has been notified that the Washtenaw county jail has received "one of the highest ratings available" under state inspection regulations.

William H. Nestle, an inspector of jails for the state told the supervisors in a letter after he had toured the Washtenaw county jail in Ann Arbor on April 26.

Nestle said the building now complies with the state code. He said Sheriff George A. Petersen is doing "an outstanding job supervising this jail." Nestle said the rating he gave the jail is one of the highest available.

ATTEND WEDDING

Mr. and Mrs. James Pratt and daughter Barbara and David Boutelle attended the wedding of Helen Bauer and Roger Marshall of Ann Arbor. The wedding took place Saturday at 10 a.m. at St. Thomas Catholic Church. A reception followed at the K of C hall Saturday evening.

NEWS TO MEET

The WWSB of Sharon EUB Church will meet Thursday, May 18th at 8 p.m. Mrs. Albert Feldkamp is devotional leader. Bring hymn offerings.

PERSONALS

Lewis J. Vogel is a patient at the Saline Community Hospital.

SENIOR CITIZENS TAKE TRIP

A chartered bus trip to Detroit and Canada for senior citizens was sponsored by the Ann Arbor recreation dept. and the Senior Citizens Guild Friday, May 5th.

The group left the Greyhound Bus Terminal in Ann Arbor at 9:30 a.m. for the Detroit Senior Citizens Center where they had lunch. Persons attending took sack lunches. Coffee and dessert were furnished.

After leaving Detroit, the group visited Miner's Bend Sanctuary and Pointe Pelee in Canada. The return trip included dinner at Chatham or Windsor, Ontario.

PERSONAL

Trucks Create New Horizons

Michigan Week's theme—"Michigan's New Horizons"—ties in beautifully with truck transport and the service it renders the people of this State. For trucks do create new horizons through their ability to serve the most remote areas. They go wherever there are roads (and even where there aren't roads, for that matter), carrying new products, new conveniences, new services to people all over Michigan... Yes, trucks stand ready to play a most important role as Michigan goes marching forward to new horizons!

"Little Miss Muffin"
 Little Miss Muffin of 1961 is seven-year old Jean Ann Gibson of Chicago. Little Jean Ann beamed 12 six to ten-year old competitors from all sections of the country at the finals staged in Chicago by the Associated Retail Bakers of America. The judging was based on wholesomeness, attractiveness, freshness and dress in addition to natural beauty. Interviewing Jean Ann is Lee Phillips, Chicago TV personality.

Gifts of 'Helping Hands' Perfect For Mother's Day

Daddy is daddy and bouquets are daisies but families are discovering that practical, labor-saving gifts are best appreciated by Mother's Day.

Electric housewares are a good example. Gifts such as an electric mixer, blender, can opener or a bear iron provide helpful hints that continue to serve long after the bouquets are gone and the "gads" have been changed.

Electrically favored gifts include automatic and work-saving electric kitchen wares, such as knife sharpeners, sandwich grills, egg cookers and tea kettles. Other automatic appliances take the washing and wringing out of many everyday chores. Among the most popular are automatic brooms, washers, coffee makers, casseroles, skillets, saucepans and toasters.

Most women already own an iron of some kind, but it may need replacing with one of the new, fully automatic irons that assure the exact degree of heat required for cotton, wool, delicate silks and the new synthetic fabrics. With summer vacation time coming, a travel iron is a convenience Mother can put to good use at a cottage or motel.

A good night's sleep is one of the things a hard-working mother needs most. A lightweight electric blanket can help provide it. Electric blankets today have varied heat settings and come in all standard single and double bed sizes.

In summer, an electric air conditioner will add to her sleeping comfort.

Mothers of young children are in a class by themselves. After they've received all the clothes and tiny garments any baby can use, the most appreciated gift is one that will ease the daily chores of the young mother. An electric bottle warmer is a "life-saver" for the parent, for an emergency bottle when she's out visiting friends or stopping at a motel. Other gifts for the young mother include an electric plate warmer for keeping baby food warm, an electric blender for turning "adult" meats and vegetables into baby foods, and a hair dryer to safeguard children's health by drying their hair immediately after washing.

Dad Neat Cook If Food's Frozen To Heat 'n Eat

Feeding the family's easy for Dad when Mother's out if the electric refrigerator-freezer is well stocked. Ready to heat and serve, from the freezer section.

Hot Water Jets Scrape, Cleanse In Dishwasher

A woman's work is never done, but there are ways to speed it up. One such method is to let electric appliances take over the most tiresome, routine jobs.

An automatic dishwasher, for instance, eliminates one of the most irksome household tasks. After dishes are scraped, the electric dishwasher takes over, pre-rinsing, if dishes are to be washed later, then scouring, rinsing and drying dinnerware, utensils, pots and pans, silverware and crystal at the turn of a dial or the push of a button. Strong jets of extremely hot water mixed with detergent clean the dishes thoroughly and hygienically.

By using the electric dishwasher, a busy housewife saves time and energy, keeps the kitchen neat, and guards her family's health.

FOR PERFECT CHOPS

Have you tried using the automatic meat thermometer when you broil meat in your electric range? Thick pork chops, double lamb chops, and steak will be done perfectly every time if you set the thermometer and insert it in the meaty part of the steak or chop before broiling it.

RAUH FERTILIZERS PROVED ON PASTURES

RAINBOW, SUPER RAINBOW—HIGH YIELD POWER!
 Pasture fertilization is today's biggest profit opportunity on the farm. Agricultural authorities agree that well managed pasture will return \$7-8 for each dollar spent on fertilizer. Pasture-minded farmers, too, are finding 1000 lbs. of beef per acre both possible and profitable and dairymen are producing more milk and greater profits with a sound pasture fertilization plan. You can provide the complete nutrition your pastures need with RAINBOW and RAINBOW plant foods. See your Rauh dealer today.

SENIOR TRIP PLANS

Saturday May 20, at 8:05 a.m. the Senior Class of MHS will leave Detroit for New York City.

Though they will arrive in New York at 9:00 p.m. the first tour will not take place until 1:00 p.m. Sunday. Sunday morning is a free morning to allow them to attend church services.

The week will be spent touring the city, taking a yacht cruise and seeing television and Broadway stage shows.

An all day tour of "est Point, called the "Hudson Valley Adventure" will be a main attraction on the trip.

Free dinner and dancing at some of New York's fine restaurants will be provided every night.

The seniors will arrive back in Detroit on Friday, May 26, at 7:35 a.m.

LITTLE LEAGUE

All boys who will be 8 years old by June 1 and not over 13 before August 1 should report to the athletic field on Sat., May 6 and Sat., May 13 at 10 A. M. for try outs for the Manchester Little League teams.

Managers, assistants, fathers especially those fathers helping with the Farm teams, should also be there to help with the instructions.

Next meeting of the Little League managers, umpires and fathers will be Tuesday, May 16 at 8 at the Nellie Ackerson All Purpose Room.

BEACON LIGHT EXTENSION

Fifteen members responded to roll call at the Sharon town hall Wednesday. The business meeting was conducted by Mrs. Raymond Jacob, Jr. Several announcements were made concerning the meeting at the Ypsilanti State Hosp., which will be open to the public.

Plans were made to attend the District V meeting at the Emanuel church hall, May 4. The Beacon Light Extension did not prepare an exhibit. Mrs. Ruth Solt and Mrs. Lowell Spike represented the program committee and spent the rest of the evening arranging games.

Refreshments were served by hostess Mrs. Lawrence Kruse. The next meeting will be at the home of Mrs. Armin Kuhl, with Mrs. Jack Pfeifle and Mrs. Robert Foye on the program committee. The meeting will be May 24.

VOLUME 94 NO. 19 THE MANCHESTER ENTERPRISE MAY 18, 1961

BOARD AND LOCAL CITIZENS MEET

The board of education met on two occasions this past month to discuss school programming and finance with the area citizens committee.

This procedure was outlined several years ago to allow area citizens to review aspect of the school program for school board consideration before a final budget was adopted and millage requested.

Mr. Klager, school board president, admitted that this year to year millage request was risk, because its failure any one year could cause a mighty step backward in the education of the area youth.

He did state however that at the present time the people concerned felt this to be the fairest method to finance schools.

1. It gives interested citizens a chance to know what is going on and voice their opinion.
2. It gives much more local control over schools than would an extended millage over a number of years.

Mr. Klager also suggested that we should plan on a complete reevaluation of our school program this next year, in terms of the educational needs of our children and the financial responsibilities to meet these needs. We should try hard to find out if we can get more for the money being spent.

It would be wise he stated to employ an outside University to work with area citizens and school staff members on this school inventory.

Everyone spoke favorably of such a plan and serious consideration is being given at the present time by the board for this evaluation.

A POPULAR QUESTION

At almost every gathering where schools are the issue one question is asked. Just what happens if the millage is turned down?

The school board in Manchester has not yet had to face this problem, along with the parents and children.

Maybe it would be interesting to look at what would probably happen in terms of what has happened to other districts.

The first thing that would probably happen would be that 50 parents would present a petition to the board asking for a second election on the issue. If this issue failed, school would have to open as if nothing had happened because teachers contracts would have to be honored. The money would be borrowed at about 6% interest.

Next winter before teachers contracts were issued a third election for twice the original request would probably be presented to the voters. This would pay the deficit and finance the following year.

If this issue failed, the board and area citizens would have to cut the program sufficiently to operate within the limited budget.

A look at expenditures would show that presently 80% of all the monies are going for salaries. 12% is going for heat, electricity, maintenance and operation supplies. The rest is spent on new and replacement equipment, teaching supplies and books.

The only item that would be able to take a 25% cut would be salaries. This would mean that about a 25% cut in staff would balance the budget.

Could the school operate with 25% less teachers, bus drivers and custodians?

The answer is yes, some schools do. 43 children could be put in every elementary classroom. The Junior High School could be eliminated and go into the single classroom. The High School curriculum could be cut so that each class would have five classes from which to choose four.

A second plan might be to put either the elementary school or the Jr. High school and High School on half day sessions, and double up on the use of teachers. This is of course a backward look and a pessimistic point of view. The implications and results of such a school program is left to the reader.

It is probably quite understandable why the board of education refuses to discuss this issue at the present time. It is a sure thing that they hope that this string of events never has to be on the board agenda.

SCHOOL IMPROVEMENTS ACCOMPLISHED THIS YEAR

The board of education outlined some of the accomplishments during the last school year at the first area citizens meeting.

1. The paving at the high school, which was badly needed and financed out of the general fund.
2. A 1/2 time counselling program. This will do a great deal toward the goals of helping students request the right school program, vocation or college. This was financed in part by the federal government.
3. New science and audio visual equipment. Financed in part by the federal government.
4. Intercommunications between Intermediate School and Elementary School making possible control from one office and the extended use of U. of M. musical instruction. Financed by the P.T.A.
5. New seats in the civic auditorium and new locks in the Intermediate School with money saved from the 1958 Building Fund.
6. Becoming a registered district. This makes our elections much more business like and allows issuance of absentee ballots.
7. Building of two rooms for special education at Pleasant Lake. These rooms are financed by the County. The board will use the 1952 Building & Site Fund to add more storage and to bring the building up to Fire Marshall rules and regulations.
8. A very successful adult program during the winter months.

FINANCIAL COMPARISONS

This year it was thought advisable to compare financial conditions of the Manchester Public Schools with the three neighboring class C schools. Rather than identify these schools, they will be named School A, School B and School C.

In comparing these millages, it must be remembered that the valuation per pupil is lower in the Manchester district than it is in any of the other three. One mill will raise about 15.00 per child in Manchester as compared to one mill raising 20.00 in each of the other three districts, therefore if you are comparing in dollars and cents operation costs and building costs you must consider that Manchester will have to spread several more mills in each classification to get the same amount of money for our childrens education.

CHET KOCESKI TO BE NEW PRINCIPAL

Mr. Chester Koceski, High School Principal at Gobles, Michigan, has been appointed as High School Principal at Manchester to fill the vacancy created when Mr. Duhan resigned to accept the Superintendency at Ubyly, Michigan. Mr. Koceski will assume his duties August first.

Mr. Koceski is a native of Canonsburg, Pennsylvania. He is a veteran of World War II, serving in the European Theater. He graduated from Waynesburg College, Waynesburg, Pa. in 1949. With his major in mathematics and his minors in science.

He taught math and science for five years at Covert, Michigan, and received his Masters Degree from Western Michigan University in 1954. He has been High School Principal for the past seven years at Gobles.

Mr. Koceski is married. His wife, Florence, is a native of Saint Joseph, Michigan. They have two sons, Kurt, age 4, and Timothy, age 2.

WE WISH TO THANK THE MANCHESTER FIRE DEPARTMENT FOR THEIR PROMPTNESS TO OUR CALL OF "HELP."

Their carefulness and quick thinking enabled us to continue on with our business day and put the Enterprise to bed on time. Many thanks again. Lois and George Koda.

MICHIGAN B P W MEETS IN DETROIT

Approximately 800 Business and Professional Women from all over Michigan will convene in Detroit for their 43rd Annual Convention of the Michigan Federation of Business and Professional Women's Clubs, Inc., May 19-20-21, at the Statler Hilton Hotel.

General Chairman of the convention is Mrs. Doris Robbins of Ann Arbor. Assisting Mrs. Robbins is Gertrude Fielder of the Manchester BPW Club.

Representing the National Federation of Business and Professional Women's Clubs, Inc., Mrs. Isabella J. Jones, of Washington D. C. will speak at a special luncheon for club presidents of Friday, address the group and install State Officers at a luncheon on Sunday. Mrs. Jones is Director of the National Committee for Children and Youth with headquarters in Washington D.C.

The hundreds of members from over 100 local BPW Clubs in Michigan, will be the most important people in attendance. There will be business sessions and work shop sessions for the benefit of all members and for the benefit of All Women-Who Work.

Attending from Manchester BPW Club are: President, Gertrude Fielder; Delegates Ethel Griffin; Alternate, Lilli Ann Ayres, and member, Dorothy Jacob.

SCHOOL BUDGET DEVELOPMENT

The board of education presented to the citizens committee a minimum budget for next years school year.

This was just as tight as adopted the previous year in terms of what it would do to maintain a good school.

Some of the improvements needed were not reflected for instance. There was no provision for teacher salary raises. This put Manchester district in the position of a lower salary than most of the surrounding districts.

There was very little maintenance for building and equipment worth over 1 1/2 million dollars. There was not enough money to bring health standards in the Intermediate School locker rooms up to department of health requests.

There was no money for unexpected repair. There was no money to be applied toward the year end deficit.

There was concern over the fact that such a budget had not held the previous year and the district would probably again be 12,000.00 in the red at the end of the year. The total minimum budget presented showed a need for 399,000.00, 186,000.00 to be collected locally.

Several requests were made by citizens committee members at this time for information to be presented at a later meeting.

1. Would the board present a budget that was more realistic for discussion?
2. Would the board present figures indicating school taxes for the next year in the various townships?
3. Would the board present some figures showing what taxes might be if we lived in some other location within the county?

At the final meeting directed the administration to work up these materials for presentation at the May 8th meeting.

MAY 8TH MEETING

The board of education were not only in the position to present more related facts but also were able to present a majority of the materials requested previously.

Mr. Klager at this time presented the following facts as the committee and board could consider as they proceeded to consider the previously determined minimum budget and the new safe budget.

1. The valuation of our district had decreased 800,000.00 for this next year. This means that more millage will have to be requested to get the same amount of money.
2. That there will be at least 2 mills less allocated in Jackson County than in Washtenaw County. This means that only the millage requested in excess of two mills will be over the 15 mill limitation.
3. The state will not increase their amount for the third year in a row.
4. That we can not run an accredited school without the necessary money.
5. We will have to pay at least 2% more to borrow money without a balanced budget.

BOARD MEETS AFTER CITIZENS COMMITTEE

With all comment and questions fresh in their minds, the board met at 10:00 to adopt a budget figure for the next year and to adopt a resolution to present the necessary millage to the voters.

The board did not want to sell the schools short and at the same time they did not wish to overburden the taxpayers.

After much deliberation they adopted a budget of 410,000.00, this being 11,000.00 above the minimum budget and 10,000.00 less than the safe budget.

This additional 11,000.00 to be used for necessary maintenance and repair, a study of our school organization, unexpected maintenance and matching funds for federal monies.

This budget requires a 197,000.00 to be raised locally. The computation showed that this called for 12.75 mills operating levy. This would be 2 mills more than available in Washtenaw County and 4 more mills than available in Jackson County. The board resolved to ask for 4 mills operating. If this is accepted by the registered voters the school board can spread a uniform 12.75 mills throughout the district. This would amount to a total tax of 4 mills above the 15 mills in the Jackson County portion of the district and a total tax 2 mills above the 15 mill limit in the Washtenaw portion of the district.

SUTTONS DISPLAY BOWLING TROPHY

The Sutton Agency, Inc. has a brand new Bowling Trophy on display in their office window which was presented to them by the team the sponsor in the Men's Classic League in Clinton. The team having won first place this year. Also winning first place was the Sutton Agency, Inc. Womens Team of Manchester, which bowls in Brooklyn.

Members of the men's teams are as follows: G. Grieman, M. McKeever, F. McKeever, D. Van Etten, R. Hunt and H. D. Van Etten, R. Hunt and H. Sturdevant.

Members of the winning Womens League are: Nancy Althouse, Dolores Richardson, Doris Bersuder, Maxine Widmayer Virginia Sutton and Edna Knauss.

POPPY DAY HELD SOON

Volunteer workers from the American Legion Auxiliary will offer memorial Poppies to the public on Poppy Day, May 27, 1961. All funds raised by the annual Poppy Day program go directly to disabled veterans or their families.

American Legion Auxiliary poppies help rehabilitate handicapped veterans, educate war orphans, and provide financial assistance for needy children. Wear a poppy on Poppy Day, May 27, 1961.
