NEWS about 4-H Club Work

Dairy products ranked second on the list of foods consumed by the average American last year, according to the USDA. So it's not surprising that well over 230,000 young cooks whipped up tasty dairy dishes as part of the 4-H foods project.

These food specialists are 4-H Club members enrolled in a program which teaches how to demonstrate the making of nutritious, appetizing and attractive meals, snacks, drinks, salads and the like from dairy products.

During June Dairy Month, national emphasis is being placed on the value of dairy

foods in the daily diet. And in farm and city kitchens 4-H girls are perfecting skills and practicing favorite recipes. They work in two-girl teams and alone as well.

The more experienced are considering the possibility of competing for one of several awards provided by the Carnation Company, a long-time 4-H backer.

The Carnation awards are honor medals for county champions; an engraved 19-jewel wrist watch for state winner; and \$400 college scholarships for six national winners.

In addition, 12 girls will

be chosen on a sectional basis from among state winners to receive an expense-paid trip to the National 4-H Club Congress in Chicago. Carnation has sponsored the 4-H dairy foods demonstration program for the last 14 years, according to the National 4-H Service Committee, which makes program arrangements.

All project work is supervised by the Cooperative Extension Service with the help of volunteer adult club leaders. The winners also are selected by the Extension Service.

GRADUATION RECEPTION

A reception for Gill Keezer, daughter of Mr. and Mrs. Wilbur Keezer was held Friday night at the Dansville town-hall. Gill graduated from East Lansing high school Thursday. Attending the reception from Manchester were Mr. and Mrs. Elwin Benedict, Mr. and Mrs. Allen Benedict, Mr. and Mrs. Marvin Keezer and family and their mother, Mrs. Ralph Keezer of Chelsea.

BIOGRAPHICAL SKETCH OF LESLIE M. LEE

Leslie M. Lee, married, two children, age 32, wife's name is Yvonne, son's Craig and Dana. Mr. Lee attended high school at Leslie, Michigan, and then pursued an educational curriculum at Western Michigan University. His post-graduate work was conducted at the University of Michigan.

Mr. Lee formerly coached at Manchester High School from 1954-58. During this period of time he was the head football, basketball, and baseball coach. Mr. Lee's athletic teams at Manchester compiled the most brilliant record in the history of the school by winning 110 athletic contests while losing only 16 during the above mentioned four year span. Mr. Lee guided Manchester teams to four baseball championships, three basketball titles, and one football championship. His 1956 football team remains the only undefeated team in the history of the school, while the 56-57 basketball aggregation won 21 straight games before bowing in the regional finals. For the past two years, Mr. Lee has been head basketball and track coach at Brooklyn High School. This past year, he guided Brooklyn to its first athletic title since 1949.

Mr. Lee has been appointed Local Agent for the State Farm Insurance Companies, and plans to devote full time to the insurance profession. He brings eight years' experience in the insurance profession to the community, and is a graduate of the Insurance Institute at Michigan State University.

Grossman-Huber today held its spot atop the City League softball standings, thanks in part to Lefty Ross no-hit hurling in last night's rain-shortened 9-0 victory over Beisiegel Orchards.

The Manchesterites scored five times in the first inning to make it easier for Ross who joined Naylor's John Kline in the new season's ranks of no-hit pitchers.

In last night's other games, the Stars and Stripes became the official flag of the colonies that we now call the United States.

LONG MAY IT WAVE.....

On June 14, 1777, -- the Stars and Stripes became the official flag of the colonies that we now call the United States.

History such as this is under review by Farm Bureau citizenship committees in a majority of the 71 county organizations in Michigan.

The flag should not be displayed in stormy weather. It should not be used to carry or deliver anything, it should never be used as a receptacle.

In general, treat the flag as if it were a "living" flag. It should fly free and unfettered.

To honor the passing flag, as in parades, a man in civilian clothes should always remove his hat with the right hand, hold it at his left shoulder, with hand in position over the heart.

Some of the more common mistakes are made when the flag is placed in a church chancel or on a speaker's platform.

When on a staff, the flag should be to the right of the clergyman or speaker as he faces the congregation or audience.

JULY 6, 1961

TO THE RESIDENTS OF MANCHESTER

I wish to give you this information, we hope that by the middle of next week that our new well will be in operation. As of July 4th, casing was down 45 feet, and everything going well. Some of you know, no doubt, that our old well simply gave out, water stopped coming, due to a hole in casing 118 feet down. The firm of Lane-Northern of Michawaka Indiana and Lansing Michigan, tried unsuccessfully to pull the screen and make repairs, this being an emergency the State of Michigan gave us permission to drive a well as few feet west of present well house. The new well will have a 12 inch casing, new pump and new motor which should last for years, when this is connected to our filtering system etc., the water that you will receive should be of the best quality. Thanks for your cooperation and patience as your village council and Superintendent of Public Works have been "sweating blood". As to our streets, contracts are now being let for curbs and gutters, then for the "black top". Some streets will receive oil seal to keep down the dust, as it is about the same price as chloride and lots more efficient. It is unfortunate that we have to increase our police hours to maintain law and order. Our village park is now in full operation, will accommodate over 300 people at one time, it is hoped and expected that those using it will be considerate, so as to keep it clean as possible. The western part of village has now been surveyed by engineers for sanitary and storm sewers, preparatory to future street improvement. Thanks for your patience during our water crisis. Harry Sutton, President

20 4-H MEMBERS ATTEND MSU MEET

About 20 Washtenaw County 4-H club members will be joining members from throughout the lower peninsula of Michigan at the annual 4-H club meet from July 11-14 at Michigan State. The delegates will be staying at the Shaw dormitory on the Campus and attending many educational, recreational and fun-filled activities. Each delegate will have a chance to select three choices from a group of 22 careers. These classes are designed to guide them when making a choice of future career. They may also tour the State Capital Building in Lansing.

Two Washtenaw County 4-H leaders will be accompanying the members for Club Week, Wednesday, July 12, during the Club Week will be the interviewing and initiation of State Service Club members. Those nominated from Washtenaw County are Barbara Marshall of Ann Arbor and Carol Reddemann of Chelsea. All State 4-H Service club members are invited to attend the program and initiation ceremony at 8 p.m. in the M.S.U. auditorium.

Two of Washtenaw county's outstanding 4-H club members will be interviewed on Wednesday, July 12 for an Award Trip which will be given to two outstanding Michigan 4-H members to the National 4-H Club Congress in November. Those participating from Washtenaw county will be Carol Reddemann of Chelsea and Richard Haist of Chelsea.

FARMER INJURED IN ACCIDENT

A Lodi township farmer suffered fractured ribs and possible internal injuries Monday afternoon when he was run over by a wagon.

Alfred Renz of 7465 Scio Church Road was on a wagon handling bales of hay when the accident happened on his farm. Sheriff's men said the wagon stopped suddenly throwing Mr. Renz in front of the vehicle.

The wheels of the wagon passed over Renz's body, deputies reported. He is a patient at St. Joseph Mercy hospital, Ann Arbor.

JOHNSON SAYS COUNTY'S TAX SHARE LOWEST IN AREA

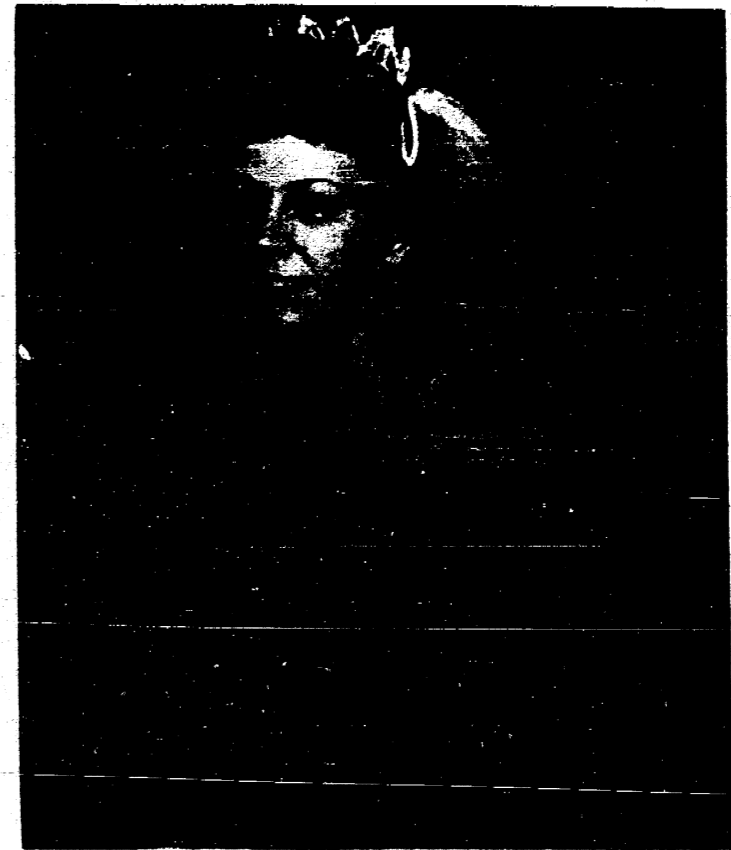

Washtenaw county administrator Carl G. Johnson has announced that the county received a lower final tax allocation than any of the five other counties in the Southeastern Michigan area. Johnson said this means there is more of the 15-mill property tax available for school districts on Washtenaw County than in the other nearby counties. Washtenaw county's final allocation was 4 mills, compared with 5 mills in Monroe county, 5.24 mills in Macomb county, 5.25 mills in Oakland county, 5.75 mills in St. Clair county and 6.05 mills in Wayne county.

The 15-mills property tax annually divided by County Tax Allocation Boards in the individual counties between the schools, the county and the townships.

The ways and means committee of The Board of Supervisors recently took the position that a reduction of the county's millage from a proposed 4.15 mills to a final 4 mills would result in a deficit of \$101,000 on county budget needs.

"Whereas other units of government would be receiving millage greater than their particular budgetary requirements, the county should be allocated sufficient millage to meet its budget for 1962," the committee said.

COUPLE WED

Mrs. Daniel D. Kehoe

St. Mary's Catholic church here was the scene of the noon wedding of Thelma Blanche Strahle and Daniel David Kehoe. Bridesmaids of white glads decorated the altar for the nuptial mass celebrated by the Rev. Fr. William R. Schneider.

Mr. and Mrs. Arthur Strahle of Grass Lake are the parents of the bride and Mr. Kehoe is the son of Mrs. Paul Schwab and the late David L. Kehoe. Mrs. George Swank played the organ for the double ring service. Mr. and Mrs. Harold Bersader sang.

The lace and organza bridal gown was styled with a portrait neckline edged in appliques of chantilly lace, sequins and seed pearls. The bouffant skirt was applied with lace and sequins and fell into a chapel train. The fitted bodice of the long torso gown had long sleeves with points at wrists. The bride carried a white orchid and stephanotis on a white prayer book. Her fingertip veil of illusion was held by a double crown of lace.

Miss Ruth Townsend of Manchester was the maid of honor. Serving as bridesmaids were Mrs. Patrick Porter of Clinton and Miss Josephine Kehoe of Manchester. Their gowns were identical of two-tone shades of blue all silk organza. The draped necklines were accent ed

by a rose and skirts were ballerina length. The maid of honor carried yellow carnations and white stephanotis. The bridesmaids carried yellow carnations and yellow roses.

Debra Curry of Michigan Center and Pamela Watson of Dexter were the flower girls. Their white silk organza dresses were trimmed with blue. All attendants wore blue headresses and the flower girls carried white lace baskets of petals.

John England of Manchester served as best man and the guests were seated by William Tacchella of Sturgis, Harold Strahle of Grass Lake, William Bunny of Manchester and Patrick Porter of Clinton. Ringbearer was Douglas Curry of Michigan Center.

Mrs. Strahle chose a light blue and crepe dress with matching lace ballero styled jacket and Mrs. Schwab wore black and white print with white accessories.

After a reception in St. Mary's hall, the newlyweds left on a honeymoon in Northern Michigan. They will live at 250 S. Ann Arbor Street, Saline. Both are graduates of Manchester high school. Mr. Kehoe was also graduated from Western Michigan University and will teach in the Ida School system next fall. Mrs. Kehoe is employed at the U of M.

ANN ARBOR SANTA NEEDS HELP

A fund to help pay the hospital expenses of Ann Arbor's "Santa Claus", Albert Warnhoff has been started. The fund was established by George E. Carrothers, in return for Warnhoff's "untiring efforts for the community".

For many years he has made and distributed toys to children in area hospitals and institutions and was admitted to St. Joseph hospital himself for treatment of a lung ailment. It was his second trip to the hospital this year.

Prof. Carrothers said he was told Warnhoff's hospitalization coverage has expired.

Many organizations in Manchester have made stuffed animals and toys for distribution by the Ann Arbor Santa. Prof. Carrothers said Warnhoff is not aware of the establishment of the fund. Checks should be made payable to "The Santa Claus Fund and directed to the attention of Herbert O. Benz at the Ann Arbor Bank.

CHICKEN BROIL SET FOR JULY 20th

Early on the morning of Thursday 20, some 200 respected and otherwise sensible Manchester citizens will be up getting ready for the big chicken broil which annually serves butter-basted and charcoal-broiled chicken to some 5500 people from Michigan and neighboring states.

As usual, the feast will take place on the Athletic field on the east side of town, beginning about 4 p.m. and continuing until everyone has been served. For weeks now, General Chairman Luther G. Klager, has been making plans. His 21 committee chairmen have been alerted and the food has been ordered.

By mid-morning of the big day, charcoal pits will be in place, two long cement-block pits and two metal sided pits totaling some 150 feet in length, or enough to broil 1200 chicken halves at one time.

The Manchester event has become a showcase for the country, a demonstration of the proper method of serving hot chicken to 5,000 or more guests in five hours or less. For that reason, Dr. Howard Zindel of the Poultry Department of Michigan State will be in charge, as before.

During and after dinner, the crowd will be entertained by two baseball games, one between Little Leaguers and one between Grossman Huber and league opponents. Sponsors are the Optimists and Jaycees, and the profit will go for civic improvements. The committees met this Thursday at Bob Jones' ranch for a trail run, and all chairmen announced themselves ready for the big day.

DR. ENGELKE HONORED FOR 20 YEARS SERVICE

The Washtenaw county health department chucks up its 20th anniversary and the 20th anniversary of Dr. Otto K. Engelke heading the department, with a surprise party in his honor at the Town Club in Ann Arbor last week.

Al Wolter, chairman of the Board of Supervisors told about the early history of the county Health department and Dr. Engelke's early history.

Wolter told how a citizen's committee of 250, headed by Dr. John DeTar of Milan promoted the department after a two-year-old boy drowned, June 6, 1941, in a cesspool in Garden homes subdivision near Maple and Miller roads. He described how Dr. Engelke and his department cleaned up the "city of shacks" at Willow Run and Willow Village during World War 11, when 57 families lived in a tent camp on half an acre, with one well and two outhouses.

Wolter described Dr. Engelke's testing of all water and sanitary facilities in rural schools, the institution of examinations for food handlers in the county's restaurants, his help in setting up Health departments in other parts of the state.
