

**CELEBRATES 100TH BIRTHDAY**

Mrs. Fredericka Josephaus McBride, Saline's oldest resident, will observe her 100th birthday Friday with a family

dinner at her home at 100 E. Henry Street, Saline. She was born July 14, 1861 in Scio township, and was honored at open house Sunday at the Federated Church in Saline by the Ladies Aid Society and was presented

with a birthday cake from the city of Saline. Despite her advanced age, Mrs. McBride is an avid reader in both German and English. She reads without the use of glasses. She also knits and does mending. Currently she is knit-

ting squares for an Afgan. She also has a flower garden at her home. At the church reception she received a letter from President Kennedy. It read: "My sincere congratulations to you on your birthday. May good health be yours for many more happy years," signed, John F. Kennedy. More than 100 persons attended the reception at the church. Guests from as far away as California, North Carolina, Florida, and New York will attend the birthday celebration Friday. Among them will be her son, Lewis, of California.

**4-H CLUB PREPARES BUSY PROGRAM**

Washtenaw County's 4-H club members are preparing for the many activities coming up in the next few weeks according to Bill Dexter, Agriculture Agent.

The County Demonstration Contest will be Thursday July 20 at Pittsfield town hall on 701 W. Ellsworth Road. About 40 4-H members are expected to participate in this event. The demonstrations given will be related to their project areas. Junior demonstrations (ages 10-14) will begin at 10 a.m. and Senior demonstrations at 1 p.m. The winners in each area will represent Washtenaw County in the State demonstration contest held at the state 4-H club show, August 28-31 at Michigan State University.

An educational clinic on vegetable garden judging, entomology identification, crops judging, and land judging will be July 21 in connection with Monroe, Jackson and Lenawee counties at the Junior Project Building of Lenawee county in Adrian. The program will consist of a group orientation and instruction meeting at 10 a.m. Members will then go to one of the sessions with the following resource people: Crops, Dennie Cianahan (Crops Specialist from Michigan State University); Entomology, Al Dowdy (Extension Specialist from Michigan State University); Vegetable Garden, Mell Avery (Ingham County Extension Director); and Land Judging by a local conservation specialist. Adjournment will be at 3 p.m. A county judging contest will be planned in August for any members interested.

**BASEBALL NEWS**

With the championship race coming down to the last two weeks of the schedule, the Dodgers are still undefeated and in first place but will face a stiff challenge this week Monday when they play the second place White Sox in a big game that could change the standings. The Sox have only lost one game and could tie for first place if they beat the Dodgers. Last week's activity found the White Sox winning over the Angels 7-1 on Monday and the Braves beat the Tigers 16-1 also on Monday. Thursday's results showed the White Sox 15-0 over the Yankees and the Dodgers defeated the Angels in a high-scoring game 16-11.

Rain curtailed activities somewhat last week as Thursday's swimming trip was canceled and playground activities on Friday afternoon also had to be canceled.

The Bike Race scheduled for last Friday will be held on Monday afternoon this week and will include both "fast" and "slow" races for boys and girls in the 9-11 and 12-15 divisions. In addition there will be a euchre tournament this week as well as a series of other tournaments and contests

through which points can be earned toward winning a trophy. About 15 older boys have indicated an interest in basketball thus far, and activity will get underway this week. The four beautiful, engraved trophies will be put on display this week and, announcements of various tournaments and contests will be made at playground which will count toward winning a trophy.

Plans for another trip are being made, and the details will be announced at playground in the near future.

In the boys' softball division, Jim Sloat's team picked up two victories and took over first place from Jerry Ahren's team. Sloat has won 6 and lost 2 while Ahrens is 5 and 3. Jim Fielder's team picked up a win and stands at 4-4, while Eugene Huber's team is 1-7.

The girls' division finds Gloria Silveus' team building up a good lead with a 6-2 record and Christine Adams' team in second with 4-5. Theresa Roberts' team is in third with a 3-6 record.

**ENGAGEMENT ANNOUNCED**

Announcement is made by Mr. and Mrs. L. Clyde Hazen of Manchester of the engagement of their daughter, Judy Marilyn to Karl Lee Cole, also of Manchester. Mr. Cole is the son of Mr. and Mrs. Robert L. Cole. Both are graduates of Manchester High School. Miss Hazen will attend Eastern Michigan University this fall and Mr. Cole is employed on the Thomas Beckington farm. No date has been set for the wedding.

**ADOPTS NEW POLICY**

The Board of Supervisors has adopted a sweeping new policy for the recruitment and training of deputies for the Sheriff's Department. The plan is the result of a four-month study by board members and inspections of officer training facilities at various law agencies throughout the state.

The program to which the sheriff agreed includes the adoption of personnel standards for the hiring of new officers which are "representative of leading police agencies." These standards will include background investigations of officer applicants, an interview by a recruitment board, age limit of 21 through 35, a high school education and a "personality evaluation" to be given by a "competent medical authority."

The most drastic departure from former training policies for new deputies was a recommendation that all new officers be required to complete successfully a recruit training course "at an established police academy such as the Detroit Police Academy, the Michigan State Cont'd on Page 4

**TO HAVE FLOAT IN PARADE**

Next year's sophomore class held a picnic at Wamples Lake Monday from 2 to 8 p.m. with swimming and a potluck supper. Ron MacNally, class supervisor helped the class make plans for building a float for the Manchester fair parade. On the committee will be Carl Miller, chairman assisted by Ronnie Fielder, Shirley Pfans Kathy Mann, Jerry Ahrens, Marlene Uphaus, Susan Walker and Ray Wurster.

WEDDING

Barbara Ann Scherdt and Gale Mason spoke their marriage vows Saturday, July 8 in an afternoon ceremony performed by Rev. G. P. Dobberfuhl of St. John's Lutheran church in Adrian. The ceremony was held in the home of the bride's parents, Mr. and Mrs. Arthur Scherdt of Manchester.

Mr. Mason is the son of Mr. and Mrs. Arthur Mason of Adrian. The bride wore a street-length dress of blue lace and a corsage of pink rosebuds. Her only attendant was Mrs. Don Morse of Clayton. Harvey Bolyard of Tipton served as best man. The newlyweds left for a Northern Michigan honeymoon at the reception in the Scherdt home. They will make their home in Adrian. The bride was graduated from Clinton high school. Her husband, a graduate of Adrian high school is in business with his father.

PERSONALS

The Sharon Hill and Valley Farm Bureau Group enjoyed a delightful potluck picnic at the home of Mr. and Mrs. Herbert Jacob, Sunday, July 16. Mr. and Mrs. Ray Trolz enjoyed a three day vacation trip through Northern Michigan. Points of interest visited were, Drummond Island, Mackinaw Bridge, and other Scenic views. They also stopped at former Manchesterite, Bill Kennedy's Ranch at Curran, Michigan.

Mr. and Mrs. Roger Pratt spent a few days vacationing in Northern Michigan and their baby Thomas stayed with his grandparents, Mr. and Mrs. Vernon Dresselhouse. The Dresselhouses returned Tuesday after a ten day trip in the west through North and South Dakota and at Brainerd, Minnesota they visited Mr. and Mrs. Ben Roller and Dr. and Mrs. A. F. Dodson and their three children.

CELEBRATES 80TH BIRTHDAY

Sunday, Mr. William Lamming celebrated his 80th birthday with open house at his home arranged by his daughter and husband, Dr. and Mrs. Vernon Rowland and daughters, Ann and Susan who came from Cleveland to spend the week end. They also celebrated the birthday of her uncle, William Reno, who will be 72 years old on July 21. Guests were present from Cleveland, Toledo, Reading, Jackson, Ann Arbor and Manchester.

PERSONAL

Dr. and Mrs. Brien Lang and son Kevin, who have made their home with Mrs. Langs parents, Mr. and Mrs. Larry Miller, have moved to Saginaw where Dr. Lang has accepted an association with Dr. Hart and Dr. Barton. The Langs are now at home at 2319 N. Clinton St., Saginaw, Michigan.

MICHIGAN CHORALE

The Michigan Chorale left in two groups from Willow Run Airport to Bogota, Columbia, Thursday, June 29. I was in the first group. We went through customs very excited because the Colombian families who had volunteered to take us into their homes were separated from us only by a glass partition. We finally lined up, and as our names were called, walked out to meet the families who were to become so close to us during the following seven days. When our turn came, a girl from Royal Oak and I walked through the parted crowd of eager parents and children to be greeted by our new Colombian mother, uncle, and 19-year old sister. Most of the Choralers were adopted by Colombian families. The hospitality of these people, who know nothing really about the Council of Churches, Youth for Understanding program, is amazing. The sacrifices these families make in their studies, free time and daily ritual to take care of someone they have had no previous personal interest in is humbling.

The audiences at our concerts follow through with this enthusiasm. Shouts of "more" have made encores necessary at all our outdoor concerts. After a concert, before a lower-class audience at the national park in Bogota, our Colombian announcer said it was the first time he had seen Colombians of that type stand up for people from the United States. Monday, July 3: We gave a concert at an orphanage in return for songs and pieces presented for the Chorale. The words of our second Moravian Chorale, became truly significant to me. That night we gave an open-air concert in the Barrio Buirago, a lower class of Bogota. The curious, enthusiastic audience crowded close around the Chorale. The experiences such as this, singing for people who appreciate from the heart rather than the mind, will be counted among my most purposeful.

Tuesday, July 4: The Colombian Military was the setting for today's concert. Military buses carry us to the meeting place for our parents. The personnel in charge were concerned because we were an hour later than expected. Those of us who had no rides were taxied home in a military bus with a cadet as escort. This is the kind of unplanned experience which makes this tour with the Chorale in the words of my uncle, "like a blind date."

Wednesday, July 5: We gave just one concert today, over the radio Sutatenza. There was a live audience also. I arrived early at the rehearsal as did six others. We were guided throughout the station. The station was started by a priest in Sutatenza, a small mountain village. It grew into a privately supported educational and cultural station which UNESCO placed first in importance of all programs for mass education. The beautiful building, with its ultra-modern equipment, truly represents the goodness of people to share their wealth with those less fortunate. At rehearsal we were presented with copies of "Ave Maria" by a Colombian composer. We sang its world premiere over the radio that night. A tape was made for the composer, who had never heard his piece performed. Everytime the Chorale sings Lamento Gitano, the audience reaction is wild. It seems to be

almost a national song. Thursday, July 6: Our last scheduled concert in Bogota was at the Institute de la Salle, in the newly finished auditorium. The auditorium was filled with high school students who had been bused in from surrounding areas. They especially liked the numbers with soloists or strong, gay rhythms. After the concert Mr. Lester McCoy presented the head of the school with a record the Chorale cut before leaving Ann Arbor. When we return we will give a concert on Sept. 10 at Hill Auditorium. Gretchen Hardenbergh, daughter of Mr. and Mrs. Roger C. Hardenbergh, 11285 Austin Road, of Manchester, is with the Chorale.

PROPOSAL TO RAISE MONEY FOR COUNTY PARKS

The Washtenaw County Board of Supervisors voted 25-10 to place on the September 12 ballot a proposal to raise about \$2,000,000 for a county parks system by the tax millage increase on real estate in the county not to exceed a quarter of a mill per \$1,000 of state equalized valuation. The millage increase would cover a 10-year period beginning in 1961 and running through 1970. The proposed \$2,000,000 parks system is about half the size of the \$4,000,000 proposed by the board's planning committee. County Prosecutor William F. Ager discovered that state laws limit the amount the county might raise.

Curt Will, chairman of planning committee, said several potential sites have been selected for the parks but the committee believed it best to remain flexible and that no sites have as yet been pin-pointed. He said the Board of Supervisors would vote on each parcel of land needed for the parks. Some objections were raised that the tax would be assessed only on real property. It was felt that persons living outside the county would be using the parks paid for by county residents.

The possibility was mentioned of requiring persons who want to use the park to obtain stickers. The stickers might be issued free to county residents with outside residents required to pay a fee.

Ager said the parks system would be operated by a Board of County Park Trustees which would consist of members of the County Road Commission. The money raised from the quarter-mill would be used to acquire maintain and operate the parks.

FALLS FROM TRACTOR

A 13-year old Lodi township boy was seriously injured Saturday when he fell from a farm tractor in Bridgewater township. Charles E. Burg, 7750 Ann Arbor-Saline Road was taken to University hospital with a fractured leg and skull fracture. Sheriff's deputies said the boy was riding on the tractor driven by 14-year old Jerry L. Merritt of 10570 Burmeister road, Bridgewater township. Officers said the youths were riding along Burmeister road when Charles lost his balance and fell under the wheels of the machine.

FARM ACCIDENTS HIT 25 PER CENT OF RURAL FAMILIES

Farm accidents annually bring injuries requiring medical attention to a fourth of all Michigan farm families, says Richard Pfister, Michigan State University agricultural safety engineer. And Michigan accident statistics for 1st July bear out Michigan's 1961 Farm Safety Week theme, "Safe use of farm equipment is a family affair." President Kennedy has set aside July 23 to 29 as the eighteenth annual National Farm Safety Week.

The observance calls attention to the seriousness of farm accidents. The farm operator isn't the only one with a stake in farm safety, Pfister says. "The 21-65 age group includes a great majority of all farm owners. Yet people in this group suffered only one-fourth of the serious farm-work accidents reported in Michigan newspapers last July," he notes. "In contrast, one-third of the July accidents involved children 15 and under."

Careless tractor and machinery operations were chief causes. The engineer cites several sobering examples: A 13-year old Baraga County boy suffered a ruptured bladder when the tractor he was driving turned over in a muddy field, struck a log and pinned him. A 14-year old Osceola County lad lost both arms when he fell from a tractor into the path of the trailing mower bar. A 10-year old Charlevoix youngster died when a tractor overturned in a drainage ditch and pinned him beneath the water. An 11-year old Huron County girl lost her arm at the shoulder when she became tangled in a power takeoff.

These and other examples in Pfister's file add up to two lessons that need not be learned so painfully. Children should not drive farm machinery until they have adequate instruction and maturity. And it's important to keep off extra riders, at all times. Five of the reported farm-work accidents last July involved men over 65 years of age. Pfister notes that these men tire easily. Also, their reactions slow down without them realizing it. Mental lapses cause most farm accidents. Pfister urges farm families to talk about safety on their farm each day during National Farm Safety Week. "Late July requires special care with farm machinery because it's the peak of the farm-work season," Pfister says. "Farm Safety Week has often brought a rash of accidents. It's up to all farmers to make this year's observance safe."

NOW'S THE TIME to save more truck dollars on the more-for-your-dollar trucks!

Your truck dollars are worth a whole lot more at your Chevrolet dealer's right now! First off, you get a head start on saving because summer's the saving season. Then, with a harder working, easier riding Chevy truck, you're set to save every mile you haul. And, finally, at trade-in time, you can expect an extra dividend because of Chevy's traditionally higher resale value. What could be better?

Summer's the season to get extra mileage from your dollars on the trucks built to give you extra miles of hauling. With Independent Front Suspension, Chevrolet trucks keep going thousands of miles longer because far less destructive jar and shake are transmitted through the truck. Chevy I.F.S. trucks work harder, too, in areas where other trucks have to be pampered. And, with Chevy's wide choice of thrifty 6 and hardy V8 power, you can tailor your truck exactly to your job. So how can you miss—especially now during the summer saving season?

HOW MANY TELEPHONES do you think Michigan Bell serves in our state? The first three people we asked guessed "five hundred thousand," "two million" and "a million." Before you make your guess, here's a clue: in 1935 there were already more than half a million. Well, today there are almost three million! This shows how your telephone company has been building to bring modern, complete telephone service to you—when and where you need it.

EVER HEAR OF A TELEPHONE FARM? It's not like most farms because what's "planted" there by Bell Laboratories' engineers doesn't grow. But the farm does help us analyze and improve various types of underground telephone equipment. Into acres of ground go some 11,000 different items—wires and cable for example—that must be engineered for many years of dependable, trouble-free service. Selected areas are dug up at intervals of from 1 to 32 years to check the equipment's resistance to underground conditions. This helps us in our continuing search for ways to make your telephone service even more dependable.

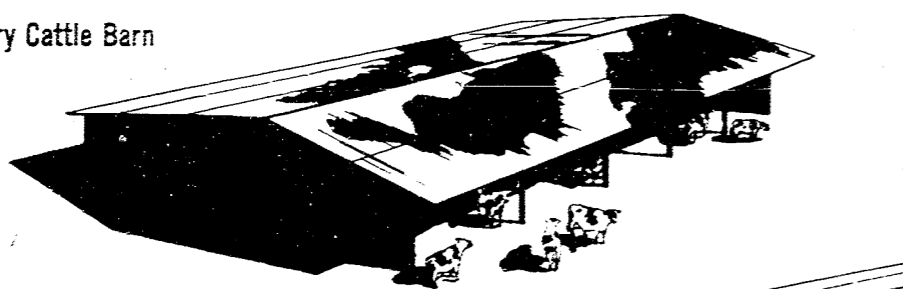

THE INSIDE STORY. "What do they carry in those little green telephone trucks?" you may have wondered. Well, each truck carries some 400 separate items—from an extension ladder to screws and plastic wood. Every one of Michigan Bell's more than 2,000 installation-repair trucks is stocked in the same way. In an emergency, where trucks must be rushed from one part of the state to another, any installer-repairman would be completely familiar with the layout of whatever truck he was assigned. These little trucks provide him with all the tools and equipment he needs to give you fast, efficient one-stop service when he visits your home.

### Pole Type Barn

Pole-type buildings are low in cost and require little maintenance. Pressure-creosoting of wood protects against termites and decay fungi. Poles may be set right in the ground, no costly foundation is required, and erection is fast. Nailing girts and roof trusses are quickly nailed to the poles. Both pressure-creosoted wood poles and planks, and galvanized steel roofing and siding sheets are inexpensive, easily handled, and long-lasting building materials.

### ACCIDENT

The intersection of Sharon Valley Road and Sharon Hollow Road, which is located approximately 4 miles northwest of Manchester, was the scene of an accident that happened around midnight on July 15th. The car, which was driven by Karl Reimenschneider of Chelsea, was going too fast to make the corner. The car slammed into a sign, ripped out a fence, and tore into the Gillette cemetery knocking against several gravestones. Mr. Reimenschneider was accompanied by Dorothy Mae Snider of Detroit. Neither was hurt beyond facial bruises. The car, a 1959 red and gray Corvette, received a smashed rear fender and damaged front wheel. The case was immediately investigated by Deputy Duane Troitz.

One boy and girl will represent Washtenaw county in State Public Speaking Contest at State 4-H club show Tuesday, August 29th.

### JUNIOR LEAGUE

Both Manchester teams had tough games last Monday but remained undefeated as the A's defeated Stockbridge here 2-0 in a tight game and the B's defeated Dexter there by the score of 6-1.

The big game between the two teams was played on Friday and ended in a 3-3 deadlock after 7 innings. This game will be played off in another 7 inning game on Monday to determine who will remain in first place.

### 4-H CLUB MEETS

The Sharon-Manchester 4-H Club held their regular business meeting July 11th at the Sharon Town Hall. There were twenty two members present.

The new business of the evening was selecting delegates for the 4-H Council convention. Those selected were Bill Alber, Connie Brown and Nancy Gilbert.

We decided we would have a float for the fair. Judy Hogan was appointed Chairman of the float. Also we planned our club tour which will be held July 23rd. The tour will begin at Ron and Jim Mann's and continue going to all the club members farms to see their projects. At noon we will stop at our leaders, Lowell Spikes, to have a hot dog roast.

After the meeting, refreshments were served by Doris and Bill Kemner and Susan and Nancy Walker.

**SOCIAL SECURITY LAW CHANGES**

Recent changes in the Social Security law directly affects about 800 persons aged 62 or older in Washtenaw, giving them Social Security benefits for the first time or increasing benefits already payable to them, Robert A. Kehoe, manager of the Ann Arbor social security office has announced. The new law makes the following changes:

- (1) Men now have an option of retiring at age 62 with lower benefits or of waiting until age 65 and collecting higher benefits.
- (2) Widow's benefits are increased by about 10 per cent.
- (3) Minimum benefits are raised.
- (4) The amount of work under social security needed to get benefits is lowered.
- (5) People who receive only part of their benefits for a year because they earn over \$1,500 will have a smaller amount deducted.
- (6) Social Security taxes go up slightly beginning January 1, 1962.

Under the new provision, men can begin collecting benefits at 62 if they choose, just as women have been able to do since 1956. But workers who decide to take benefits before

**PLANS FOR ANNUAL FAIR ALMOST COMPLETED**

Preparation and lots of work go into making the Manchester annual Fair run smoothly and end a success. Immediately after the end of the 1960 fair board began making plans for the 17th annual Fair. It is now less than a month before the start of the fair. August 16th is the opening date. A grand parade complete with 15 queen candidates is the feature of the opening night. The reigning queen will be chosen at the fair grounds after the parade. The fair will be complete with parachute jumpers, steer judging, talent shows, games, animals, and fireworks. There will also be the usual game concessions and exciting rides for all to enjoy. A gay dance, held on the fair grounds on Saturday night, will bring a sad but cheerful ending to all the fun. Further and more detailed information will follow in the next issues.

### TILLING DEMONSTRATION

One of the largest tilling demonstrations and airtours that have been held in Michigan is planned for July 25th in Washtenaw County on the Robert Bevier farm at 7028 Judd road, near Talladay farms. This is sponsored jointly by the Michigan Farm Trenchers Association, the Cooperative Extension Service of Michigan State University and the Washtenaw and Lenawee County Soil Conservation Districts. In case of bad weather on July 25th, the demonstration will be held July 26th as a rain date. The demonstrations and airtours will start at 10 a.m. and duplicate demonstrations will be given on the morning and afternoon programs. The event will conclude about 3:30 P.M.

About six different types of trenching machines will be demonstrated along with about 5 pieces of backfilling equipment including auger type backfillers. The Washtenaw and Lenawee Soil Conservation Districts are sponsoring the airtours and the tilling demonstrations can be seen both from the ground and air. The air routes on the tours will include other points of interest showing conservation practices from the air and the two soil conservation districts, and in Monroe and Wayne Counties. A landing strip is available at the Bevier Farm and can be used by persons who want to fly to the event.

The Michigan Farm Trenchers Association sponsor statewide tilling demonstrations periodically and this is the third time that an air tour has been planned in connection with the ground demonstrations. It is expected that contractors from Michigan, Ohio, Indiana and Canada will attend.

Since tile drainage is required on heavy soil areas in Michigan for maximum crop production, this event has been set up to show farmers and other interested landowners the latest in equipment and engineering practices with respect to installation of agricultural drain tile.

According to the Cooperative Extension Service in Ann Arbor one trenching machine will be equipped with special devices for laying glass filter material over the tile and stabilizing material under the tile in one operation. The filter material is used for filtering sand out of the tile lines under sandy soil conditions and the stabilizing material is used for laying tile across quicksand pockets where the tiles are apt to settle out of line due to unstable soil conditions under the tile lines. Another feature is that the tile main discharges into a drainage pit and the water is pumped from this pit into the county drain outlet ditch.

The Women's Society of the Whittaker Evangelical United Brethren church will serve lunches and soft drinks during the demonstrations. Dr. Lloyd Turk, director of the Michigan Agricultural Experiment Station of Michigan State University will give an address on Agriculture in the Future.

### BIRTH

The baby has a sister, Karen, age 7, and a brother, Neil 3, who were cared for by their maternal grandmother, Mrs. Philip Jones during their mother's absence.

### AFTERNOON RITES UNITE COUPLE

Mrs. Jerry Freeburn

In a double ring ceremony Saturday at 2 p.m. in the Emanuel Evangelical and Reformed church Marianne Leedy and Jerry A. Freeburn exchanged their wedding vows. Rev. Ralph Kuether officiated.

The bride's parents are Mr. and Mrs. Frank Lowery, Jr., of Manchester and Mr. and Mrs. Donald Freeburn of Clinton are the bridegroom's parents.

John Neuderfer, uncle of the bride, sang "A Wedding Prayer" accompanied by Mrs. Royal Davider at the organ.

For her wedding the bride chose a gown of white nylon chiffon over taffeta with a scooped neckline and long pointed sleeves. The scroll embroidery at the neckline was a repeat in the skirt which fell in a cathedral train. Her fingertip veil of English illusion was held by a crown of pearls and Aurora Borealis crystals cymbidium orchids were carried in her colonial bouquet. Miss Delores Budnik of Clinton was the maid of honor and the bridesmaids were the Misses Santra Beckington and Martha Boutell, both of Manchester. They were wearing white sheath dresses with yellow cummerbunds and yellow hats. Their colonial bouquets were of yellow roses.

The best man was Patrick Porter of Clinton the guests were seated by Clifford Rogers and Robert Kaso, both of Clinton.

About 250 guests attended the reception which followed immediately in the church parlors. Mrs. Ralph Duffy of Saginaw made and cut the wedding cake and pouring were Miss Joan Trolz of Manchester and Mrs. Barry Grossman of Ypsilanti.

After a week's wedding trip in the Smoky Mountains the couple will live at 618 Jackson Street, Clinton.

The bride is a graduate of Manchester and Jackson Business University. She is employed at University hospital. The bridegroom is a graduate of Clinton and employed at the Shamrock Egg Co., of Clinton.

A rehearsal dinner was held at the Midway Restaurant in Clinton.

### LOCAL WOMAN ON COUNTY BOARD

Washtenaw County School Board Officers have been named as follows: President, Carl Anderson of Ypsilanti; Vice-President, Mrs. Louis Vogel of Manchester and Secretary, Julius Haab, County Supt. of Schools. Other members of the board are, Mrs. Grace Stierle, Saline, Mr. Cal Markham, Ann Arbor. Markham was newly elected in June to replace Mr. Horace Whitney of Dexter. The meeting was held in the Washtenaw County courthouse.

At the meeting 120 acres of land was transferred from Chelsea to Dexter school district by joint action of the Washtenaw, Jackson and Livingston Boards of Education.

### STORM KNOCK OUT PHONES

Manchester escaped serious damage in a severe wind and drought-breaking rain storm that struck this area at 4 p.m. Sunday. The storm which was accompanied by 55 mile an hour winds dumped .87 of an inch of rain on the area, largest amount to fall since June 13 according to Willow Run Weather Bureau.

Nine phones in Manchester were deadened according to Nicholas Prakken, manager of Bell Telephone along with 1,600 in the County. Prakken said it was the rain and not the wind that hampered phone service. Excessive moisture leaking through holes in cables caused the damage he said.

### CHICKEN BROIL BIGGEST YET

Manchester's business-men chefs and hosts, one hundred strong, last Thursday, July 20, held their smoothest, tastiest and most successful chicken broil in the seven-year history of the event. According to General Chairman Luther Klager, the event was a 5,000 dinner sellout.

At two o'clock, the chefs under the direction of Dr. Howard Zindel, head of the poultry department at MSU, loaded 1200 chicken halves on the 150-foot oc charcoal pits. The halves were larger this year, averaging close to 20 ounces. Following the slow cooking method, the chefs took a full two hours to bring the birds to tenderness at 4:00 o'clock.

People began coming in shortly after four. By 5:30 over 1200 had been fed, and from then until closing, diners averaged 1,000 an hour.

For the long, swiftly moving twin line of hungry people from a half dozen states, there were sights to watch as they moved toward the serving tables—Zindel's great seven-foot frying pan, a half dozen back-yard chicken broilers, a row of tents of unusual design, and a van fixed up as luxurious living quarters. Chicken was being cooked at all the small rotisseries, showing how many ways our inventors have devised to apply charcoal heat to meat.

The two sponsors, Optimists and Jaycees, report an estimated profit of \$2,000.00, all of which will go to youth projects and the improvement of Carr Park.

### CENTENNIAL VISITORS HERE

Among Centennial visitors in Rockwood last week were John Fuller and George Merriman from Manchester.

They were taken on a tour of Centennial highlights and industrial displays by President Irving Brewer, Councilman Frank Hinzmann and Roy Skinner, Thursday.

Mr. Merriman, Manchester postmaster, was on the committee which entertained Mr. Brewer and his party on Mayor's Exchange Day during Michigan Week.

Mr. Fuller, a long-time resident of Flat Rock and retired employee of the Ford Motor Company, renewed old acquaintance with his Rockwood friends.

### TALENT SHOW

Dust off the dancing shoes, tune up the instruments, and begin warbling in the tub! Let's get ready for the Talent Show at the Manchester Community Fair on Thursday Evening, August 17 at 7:00 p.m.

Prizes will be awarded for all acts participating. Out-of-town judges will select winning acts on a basis of talent, showmanship, audience reception, originality and imagination, and suitability of costume.

To enter the Talent Show contact Mrs. Bernard Kemner by calling GARDEN 8-5345.

### RENAMED TO STATE MARKET PANEL

Mr. Luther C. Klager

Two area residents, one a Manchester poultry man and the other a Jackson onion grower were reappointed Friday to the Michigan Agricultural Marketing Council by Gov. John B. Swainson.

L. C. Klager of Manchester and Lyle Jordan of RFD 3, Jackson were named to terms ending March 25, 1965.

Mr. Klager, who operates a hatchery in Bridgewater won a distinguished service to Michigan agriculture award in 1958

from Michigan State University. His hatchery turns out 6000,000 to 1,006,000 chicks a year and his products are shipped to all parts of the country. Mr. Klager's farm covers 146 acres. He is also president of Michigan Allied Poultry Improvement Association and is on the executive board of American Poultry and Hatchery Federation as well as the president of the Manchester school board.

### SCHOOL BUS ON FIRE

The Manchester Fire Department was summoned Tuesday at 7:25 p.m. when a school bus loaded with students caught fire, on East Austin road. Spokesman said that the emergency brakes apparently set-up and caught fire, sending flames through the floor. The Manchester students were enroute to a band concert in Saline and driver of the bus was their instructor, R. C. Sutor. A motorist who would not adhere to Deputy Trolz's warning siren hampered the flow of traffic. Exact damage to the bus could not be determined immediately.

### SINGSPIRATION WELCOMES MINISTER

A singspiration at the Sharon Evangelical United Brethren Church and reception for the new pastor, Rev. John Price and his family was attended by about 75 parishners. A film, "Go Tell It on The Mountain" was part of the program arranged by the Youth Fellowship. A reception and grocery shower followed prepared by the W.S.W.S. of the church.
