STATE BLACK AND WHITE SHOW AT WASHTEENAW ACTIVITIES CENTER

Three hundred or more Holsteins are expected at the State Black and White Show at the Rural Activities Center in Washtenaw county on August 4th. For the Holstein breeder, this is the big event of the year; for the others, an opportunity of seeing an outstanding livestock show at no charge.

Paul Chaffee, entry clerk of the State Show urges those participating, to bring their animals in the day before the show and it is very important that registration and health papers be sent along with the animals.

The judging starts at 9 o'clock. One class to see is the aged Dairy cows—animals that are still outstanding milk producers. There will also be the 4-H and FFA fitting and showing contest.

Howard Wilkie, the State Black and White show committee chairman, says 4-H and FFA leaders are encouraged to bring young people to this event. Some of the best Holsteins in the State will be exhibited.

Parking space is provided at the Center. In addition, a lunch stand will be on the grounds and free cold milk will be furnished by the American Dairy Association of Michigan and the Michigan Holstein-Friesian Association. In case of rain, the show will be held in a tent on the grounds.

W. A. Dexter, county Extension Agent, Washtenaw county, urges everyone including urban friends to visit the show. The evening of August 3rd, would be an excellent time to take the children to see the cows being milked he said, and also to observe the feeding and grooming of some of the best Holstein Cattle in the United States. The show will be held at the Rural Activities Center, half way between Saline and Ann Arbor on Ann Arbor-Saline Road.

CONGRATULATIONS TO VILLAGE COUNCIL ON NEW WELL

Claud Gage, Supt. of Public Works turns on new well with Village Council

Village Council toasting the new well

TO THE RESIDENTS OF MANCHESTER:

At 9 A.M. July 15th, our Supt. of Public works, Claude Gage turned the switch on our New Well, much to the gratification of our council, all being present for this occasion. A new brick enclosure is now being constructed to house the new well. The Michigan Department of Health has made a laboratory report for the complete chemical analysis of the water in well number 2. The analysis showed a hardness of 315 parts per million which is within the range normal for Michigan ground water. The fluoride content was 0.5 part per million, the recommended optimum fluoride content for reduction of dental cavities is 1.0 part per million. We hope we have a very good well in number 1. A report will be given later.

More new tables has been added to our park, which will accommodate at least 400 people. The cutting of weeds and high grass along our streets is still in progress.

Curbs and gutters are now being laid on certain streets, black top will follow. Seal coating on some other streets will begin very soon. Our street committee has had some various and vexing problems, which we hope will be resolved for the benefit of all.

We wish to congratulate Mrs. Franklin M. Reck for being listed in the newly published second edition of "Who's Who of American Women" also to Mr. Klager for the honor bestowed upon him by the Poultry industry of Michigan.

Congratulations also to our new Merchants the A. & B. Grocery having made extensive improvements to the store.

Harry Sutton, President

TO OUR READERS.....

With this issue of the Enterprise we are rounding out two years as the publishers of the local paper. It is with heartfelt appreciation that we wish to thank you, our subscribers, for your loyal support and our advertisers—the merchants along Main Street and everyone of you who have helped us to bring the paper to you each week.

At first it was hard trying to publish the paper while living in Clinton, and we heaved a sigh of relief when the last piece of furniture was in place in our apartment above the Enterprise. It makes us more a part of the community and closer to our work and the public which we try to serve.

As we begin our third year here we ask your continued help and support to bring you an up to date weekly newspaper—for no matter how much news we get in the daily papers or hear on radio or TV there is no substitute for the paper of the community to communicate with the people who live here. Its your paper and we are here to serve you and want to take this opportunity to let you know we are enjoying our work with you, and from the kind comments which come our way we have every reason to believe that you appreciate our efforts.

FIELD TRAINING EXERCISE
Army Specialist Four Richard L. Paul, whose wife, Arlene, lives at 14205 Pleasant Lake Rd., Manchester, Mich., is participating with other personnel from the 3rd Armored Division's 48th Infantry in a four-week field training exercise in Grafenwohr, Germany. The unit's phase of the exercise is scheduled to end Aug. 7.

During the exercise members of the division are receiving training in military skills including chemical, biological and radiological warfare, 3.5 rocket launcher firing, village fighting and night firing. The 3rd is a vital element in NATO's "Pyramid of Power" in Europe. Specialist Paul, is a jeep driver in the infantry's Headquarters Company in Gelnhausen. He entered the Army in September 1959 and completed basic combat training at Fort Hood, Texas. The 25-year old soldier, son of Mr. and Mrs. Elmer W. Paul, is a 1954 graduate of Manchester high school.

CELEBRATES 101st BIRTHDAY

Mrs. Caroline Brunns celebrated her 101 birthday, August 3rd. She has been a patient at the Washtenaw County hospital since last April. She had worked hard all her life until 1952 when she decided she was getting too old to work any more. Born August 3, 1860, in Schalla, Germany, she was the daughter of Bernard and Anna Elsie Kuhl.

She came to the United States with her family in 1884 and on November 11, 1888 married Lewis Brunns at Green Garden, Illinois. They moved to a farm in Sharon township on New Years Day, 1890. Her husband died in 1907. In 1920 following the death of her father, she moved to 223 Riverside Drive in Manchester and soon became a familiar figure. Neighbors knew her for her unfailing warmth and good humor and for her music. She could be heard for hours of the day or night playing her organ and singing German hymns.

She lived alone, without "modern" conveniences and raised a small garden every year until September 26, 1957. On that date she fell while adjusting a window shade. Doctors said she would not have lived if neighbors had not heard her first calls for help. Then she moved to a convalescent home in Tecumseh. Each year since her 90th birthday, the Sunday school class of Miss Amanda Lehman has visited "Grandma" on her anniversary to share cake and ice cream with her and sing. She is a member of the Manchester Emanuel Evangelical and Reformed church and the Women's Guild. She is the last surviving member of her family, which included three sons. Her father is the only member of the family who came close to matching Mrs. Brunns' age. He died when he was 99.

Mrs. Brunns is described by a nurse as being in very good health for a woman her age. She walks around the hospital unaided except for a cane what once belonged to her brother. "Some people tell me I'll live right through," she said, "but everyone has to die sooner or later."

Miss Lehman and Mrs. John Below's Sunday school class were at the hospital to help Mrs. Brunns celebrate her birthday with a lawn party at which time "Grandma" sent her greetings and thanks to her Manchester friends who remembered her. There were two birthday cakes and ice cream for all. The children sang to grandma and she in turn sang for them. Others who went with the Sunday school class were Mrs. Paul Eisele, Mrs. Wilbur Frey, and Mrs. Clayton Gieske. Among her many birthday wishes was one from President Kennedy. She said she likes it at the hospital, "I don't have to work hard any more now," she said.

BLASER AND JENNINGS EXCHANGE VOWS

Betty Blaser and Frederick Jennings exchanged wedding vows in the Evangelical and Reformed church at Manchester Saturday August 5 in a ceremony read by the Rev. Ralph Kuether. The bride is the daughter of Mrs. Edward Starke of Manchester. The bridegroom's parents are Mrs. Casper Jennings of Ludington and Mr. Jennings of Albion. For her wedding the bride chose a floor-length gown of silk organza over taffeta. The chantly lace bodice featured a sabrina neckline and the bouffant skirt was accented with an apron of lace appliques and seed pearls. The maid of honor for the ceremony was Miss Dorene Miller of Manchester. Mrs. Roy Blaser of Tecumseh served as bridesmaid and Miss Darlene Suchocki of Lamberville was Junior bridesmaid. Larry Van Deusen of Clinton was best man while Charles Escott of Manchester and Roy Blaser of Tecumseh seated the guests. Donald Suchocki of Lamberville carried the rings and Mary Escott of Clinton was flower girl. After a reception in the home of the bride's parents the couple left for a honeymoon trip to Ludington. They will make their home in Erie.

SENIOR FOOD TENT

When one walks in the Manchester's Annual Fair, one of the first things that catches the eye is a great big food tent. This is known as the "Senior Food Tent". This year it is the job of the class of '62 to see that everything is ready for action by the opening Wednesday of the fair. Little do people realize just how much work goes into making it a success. Mrs. Duffield Ball is the chairman of the tent. Under her are the co-chairmen - Mrs. Charles Miller and Mrs. Norman MacLeod. Mrs. Ball orders all the food which the mother's cannot supply. These ladies make sure that everything gets done right and efficiently. Their job is no small one.

There are mothers in charge of getting the kitchen utensils, cash register, and other odds and ends. The mothers also make the chili, pies, baked beans, and macaroni and cheese casseroles. The seniors set up the tables and chairs inside the tent and make sure sawdust is down. The boys set up the kitchen utensils which are supplied by L. V. Kirk.

By Wednesday, August 16, at 11:00 a.m. the food tent must be ready to go. There are work shifts made out so that there will always be someone washing dishes, preparing food, waiting on table, and opening pop. The menu will be delicious and the food tent will be open all during the fair.
