RED CROSS DRIVE FOR NEW BUILDING
 Washtenaw County's drive to new headquarters for the Red Cross stands at \$20,000, according to Edward Adams Jr., drive chairman.
 In the Manchester drive, limited to 80 members and friends of Red Cross, a total of \$279 has been donated by fifteen givers. Franklin M. Reck, Manchester chairman, urges all friends of Red Cross to send in their cash, pledges (or both) during the coming week.
 The new headquarters being planned is centrally located for the area, on Packard Road next to Buhr Park. The building has been designed for utility, and will cost in the neighborhood of \$200,000. Three-fourths of the land cost has been donated, and it is expected that large donors will bear most of the cost. In spite of this, the showing in the advance campaign now being conducted among friends and volunteers of the Red Cross will have a great influence on the success of the campaign.
 Manchester citizens are specially aware of the Red Cross Blood Bank, which has served Manchester citizens during the past ten years. The present international emergency, and the call for recruits to the Army and Navy, has given added importance to the building campaign. During the coming year, calls for Home Service will increase to the point where the inadequate offices in the Nickels Arcade will become a definite handicap to the performance of the many services demanded of the Red Cross.
 Manchester friends may send their pledges direct to the Building Fund Drive, American Red Cross, 211 Nickels Arcade, Ann Arbor, Michigan. For information or pledge cards, people who wish to contribute, may call any member of the following Manchester committee: Mrs. Laurel Breitenwischer, James C. Hendley, J.R. Jones, Luther Klager, John Pippenger, Mrs. Norman Randall, Stanton Roesch, Mrs. Louis D. Vogel and Franklin M. Reck.

PERSONALS
 Mr. and Mrs. Ed Wurster and family have returned home after several days vacation at their cottage at Mio.
 Miss Henrietta Wolff of Moline, Illinois, who has been visiting relatives and friends has returned home.
 Mr. and Mrs. Richard Nortley and family, Mr. and Mrs. Robert Jacob and family, enjoyed a pot-luck dinner at the home of their parents, Mr. and Mrs. Gottlieb Jacob of Sharon township, the occasion being the latter's 47th wedding anniversary.

HIGHLIGHTS OF 1961 MANCHESTER FAIR

HIGHLIGHTS OF MANCHESTER FAIR
 Some of the highlights of the Manchester Community Fair included the mile-long parade which was arranged by Clarence Fielder and Eugene Bentschneider. Float winning first place was "Fun at the Fair" and by the Class of 1963, sponsored Chuck and Daves: second place winner was a float "Look to the Future" made and sponsored by the Class of '64; third place winner was "Success—Open the Gate" by the Jolly Farmerettes 4-H Club and sponsored by A.E. Wacker and son. Receiving honorable mention was the float, "Start of a Dream" a 4-H project sponsored by the Manchester Frozen Food Locker.
 For the best decorated bikes in the parade, the prizes went to Mary Braun, Donna Braun, Robin Roller, Monica Kirk, Margaret Kemner and Billie Panches, in the order listed.
 Crowned queen of this fair was Carole Alexander of the Class of '62 and runners-up are JoAnn White Class of '63 and Susan Walter also of the class of '63. Judges were Paul Neihaus, Charles Lancaster and Miss McAlester all of Chelsea.
 Prize for the best 4-H club display went to the Sharon-Manchester 4-H club with Doug Spike leader; second place was the Jolly Farmerettes with Doris Kemner leader and in third place was the Hills and Valley 4-H club with Mrs. R. Kirk leader.
 At the talent show, Pamela Fiser and Rosemary Wellhoff were in first place with a tap dance; in second place was Wanda Braun and Bonnie Burkhardt with a pantomime and third place was a Jug and Bottle band novelty number. Other receiving two dollar prizes were Doug Spike, Sandra Trolz, Janet Larson, Rita Jacob, Linda Silveus, Carol Westfall, Debbie Steele, Mike Koda, Marlene Uphaus, Shirley Samonek and Tom Uphaus.
 No Manchester fair has ever been complete without some rain and this was no exception for as usual rain fell on Saturday, but did not hamper the fair.
 The weatherman smiled on the parachute jump of Eddie Green of Manchester and his partner from Ackerson Lake on Thursday night. The boys did a beautiful job of passing their batons from one to the other high in the air before making a perfect landing on the athletic field.
 Local firemen Lawrence Schield and volunteer firemen did an excellent job of setting off a very lovely display of fireworks in perfect weather Friday evening.

THANK YOU
 I would like to take this opportunity to thank the people of the community for their support, cooperation and patronage of the Manchester Community Fair. Also thanks to the town merchants for their splendid cooperation and support.
 Fellow board members and committee chairmen who so capably handled their departments. Special thanks to the Manchester Enterprise for their excellent publicity and coverage of the Fair.
 With such cooperation it is a pleasure to serve you as President of the Fair Board.
 We can't help but have new progress each year with such splendid cooperation. My thanks to all.

HAS HEART ATTACK

Erwin Kensler was taken to Tecumseh hospital Saturday night after he suffered a heart attack. He and his wife had attended the second birthday dinner for their grandson Tommy, at the home of his parents, Mr. and Mrs. Joe Fitzgerald. Other guests were Mr. and Mrs. Harry Johnson and children, Mr. and Mrs. Ronald Gonyer, Trudy Bloom, Allean Watson and Dick and Pete Kensler. Mr. Kensler complained of not feeling well and was taken home. Later he was treated by a Manchester doctor and taken to the hospital.

COMING EVENTS

The Iron Creek Farm Bureau will meet next Sunday at 1 p.m. for a picnic dinner at Kirk Lake on Marvin Kirk farm.

The O.E.S. will meet Friday, September 1 at the Masonic hall for regular meeting.

PERSONALS

Mr. and Mrs. James Cathey, Jr. and son have been spending their vacation at the homes of their parents; Mr. Gaita Cathey of Manchester and the Lawrence Kruegers of Pleasant Lake. They have returned to their home at Sacramento, California.

Dr. and Mrs. C. C. Beck and son, Bruce, of Okemos have returned to their home after two weeks vacation at the home of her mother, Mrs. Gaita Cathey and family of Manchester.

BOY INJURED WHEN THROWN FROM PONY

A six-year-old Manchester area boy was thrown from his pony Monday morning and later taken to University hospital for observation.

Joe Randall, son of Mr. and Mrs. Norman Randall of 10185 Clinton-Manchester road was riding his pony in the yard in front of their home Monday morning about 10:30 a.m. when a truck loaded with old cars clattered by. The noisy vehicle frightened the pony and little Joe was thrown to the ground. He struck on his head, his father said.

The little fellow told his parents he wasn't hurt. He later accompanied his father to the home of an uncle, but kept dozing to sleep so his father rushed him home and made an afternoon appointment with Dr. William Purfield, a Manchester Doctor. After dozing to sleep again the child woke up screaming with pain and was rushed to the doctor who immediately diagnosed the injury as a pressure on the brain and gave him shots preparatory for an operation. He was taken by ambulance to University hospital but doctors there said the shots had taken effect so well, that surgery may not be necessary. He will be hospitalized for several days for observation.

GETS TRAINING

Army PGC Robert C. Cummings, son of Mr. and Mrs. Merle L. Cummings, 9492 Grossman Rd., Manchester, is participating with other personnel from the 101st Airborne Division in Exercise Swift Strike, a massive Army-Air Force maneuver being conducted in North and South Carolina. The two-week exercise, designed to provide training under simulated warfare conditions, is scheduled to end August 20th.

Cummings is regularly assigned as a radar specialist in Headquarters Company of the division's 327th Infantry at Fort Campbell, Kentucky. He entered the Army in July 1960 and completed basic training at Fort Knox, Kentucky.

The 19-year-old soldier is a 1960 graduate of Manchester High School.

TOPS ENJOY PICNIC

Ten members of the TOPS club enjoyed a cookout and picnic at the Iron Creek home of Mrs. Whitman. Following the supper, they discussed TOPS projects and enjoyed a social evening.

UNDERGOES EYE SURGERY

Fred Rumlur of 332 East South street, Jackson, co-owner of the Rumlur-Shannon tavern in Manchester, has returned home from St. Joseph hospital, where he had eye surgery.

REGISTER FOR SCHOOL OPENING

The Manchester Public schools will open on Tuesday September 5, the day after Labor Day. New pupils in the district are asked to register before the opening of school.

Those new in the district from the kindergarten through the eighth grades will register at the intermediate school on City road and high school students from 9th to 12th grades will register at the high school daily from 8:30 a.m. to 4 p.m. There are still two vacancies to be filled in the teaching staff at this time. This was caused by the resignation of Curt Prediger coach, and Ford Longendyke, social studies teachers.

THE NATIONAL BANK OF JACKSON

One of Southern Michigan's Leading Financial Institutions
 Eight Offices To Serve You-Convenient Envelope Drop Service at All Suburban Locations (except main office)

The National Bank of Jackson, 245 W. Michigan, with 7 other offices, has, through years of service gained recognition as one of the State's leading and most progressive financial institutions and it provides a complete banking service offered here, including auto and collateral loans, commercial loans, industrial loans, home improvement loans, savings accounts, New Special "Electronic" checking accounts (no minimum balance required), regular commercial checking accounts, safe deposit boxes, complete trust department, etc. They adhere at all times to the cardinal laws of banking and are known as the bank that is "Large Enough To Serve You-Small Enough To Know You".

The Directorate is composed of well-known men in the business and financial field, men who can be depended upon not only because the bank is under careful state and federal supervision, but also because of their intense desire to provide their depositors and customers with the best banking service all at times and because of the personal interest they take in the welfare and progress of the community.

All accounts are insured because they are a Member of the Federal Deposit Insurance Corp., (an instrumentality of the U.S. government,) which insures all accounts up to and including \$10,000 for each individual.

Their "Bank by Mail Plan" makes this office as near to you as your corner mail box. You don't have to contend with congested city traffic, crowded buses, long lines at the teller windows during rush hours, or make arrangements for someone to watch your baby while you make a trip downtown. Now all you have to do is mail one of their special envelopes with your money and deposit slip and your worries are over.

For further information or location of nearest office phone State 4-8501.

DOLLAR and SENSE FARMING.

BREED FOR A LARGER LAMB CROP. Start by selecting good rams. One ram in five may be a poor breeder. Pick healthy rams having good conformation and free of physical defects. To make sure of rams, it's a good idea to have their semen tested before turning them in with the ewes. About two weeks before breeding begins, start feeding ewes one-half pound of grain per head per day. Also shear the rams and trim the ewes around their docks.

MOW OR GRAZE NEW SEEDINGS DURING LATE SUMMER if growth has been good this season and it's likely to bloom before cold weather sets in. New seedlings stand a better chance of surviving through the winter if they are not allowed to bloom the first season, especially red clover. But clip and remove growth in plenty of time so seedlings will go into winter with plenty of top growth and root reserves.

PAY STRICT ATTENTION TO EGG HANDLING during this time of year. Unless you do, the portion you sell as Grade A's is likely to slip off. Gather eggs at least four or five times a day and get them cool as soon as possible. Keep the egg room as near to 50 to 60 degrees and 75% to 80% humidity as conditions allow. Cool egg cases, fillers and flats before packing eggs in them. Eggs may lose up to a pound of moisture when packed in a dry, warm, 50-degree case.

WATCH CONDITION AND PASTURE OF DRY COWS. Normally dry cows won't require heavy grain feeding if they're in a good fleshy condition and are fed plenty of high quality roughage. But if their condition is poor or pastures are drying up, you'd better include some grain in the ration.

75 YEARS AGO AS TAKEN FROM THE 1886 ENTERPRISE

CHILD BURNED
Saturday was a sad day for residents of East Manchester. A little girl of Warren Kember was badly scalded by tipping a basin of hot water over her from the effects of which she died on Sunday evening. She suffered great pain although everything was done to alleviate it.

BOY DROWNED
On Saturday last, as a son of Mynders Mathers was playing upon a log, one end of which reached into the mill-race at East Manchester, his foot slipped and he fell into the water. He cried for help and several persons ran to his assistance, but he was drowned before George Hammond brought him to the shore. Two of the other gentlemen who went into the water after him also came near to being drowned.

HARVEST DANCE
Chas. W. Akin, proprietor of the Wampiers Lake House will give a party on the 16th of August, and we assure those who wish to have a gay time, and good treatment, that they will always find it there. All are invited. Skutt's Band will furnish the music. Bill, \$2.50. Go and enjoy yourself.

STRUCK BY LIGHTNING
During the thunder storm Monday, the lightning struck a picnic table at Wampiers Lake and smashed it finer than Doc Lynch splits his wood. No insurance. The table was the property of C. W. Akin, but he had one too many as the neighbors were always borrowing it anyway.

RAIN
We are having many showers just now, perhaps too many to suit the farmers.

MARRIED
In Sharon, August 8th, by Rev. J. B. Gilman, Mr. Josiah R. Sloat to Miss Harriet C. Smith.

ALL IN
We presume the farmers here secured their wheat by this time. They say that there will be some grown wheat.

NEW BOAT
Another neat little craft has been launched upon the waters of our river. Will Stowell is the owner and builder, and he can be judy proud of his gay bark.

RUN AWAY
On Tuesday afternoon as Mr. Van Horn stepped into the Red Bird meat market to get some meat, his horses which he left unhitched, started off on a run. As they crossed Exchange Place they turned west and ran up the street upsetting the wagon in which was a grand new \$40 cook stove, etc, and leaving the contents broken in a thousand pieces laying on the stone pavement. The wagon wheels turned back into place and away they went. The horses attempted to turn into the Baptist Church yard but a tree came between them and they stopped.

GOING TO DO IT
We notice that the city clerk was looking at the grounds on the corner of Exchange Place and Clinton Street, we hope with a view of building the stand for our Band. The boys play well and we hope they will be favored with a convenient place.

NEW HOTEL
The Conklin House will be opened to the public on Monday, August 5th. A more cozy retreat cannot be found. The furniture is all new, and of modern style, and those who appreciate a quiet resting place should stop at the Conklin House. The table and kitchen are under the personal supervision of Mrs. E. Conklin, a sufficient guarantee of wholesome food. Nees, Conklin will check your baggage, register your name and bid you welcome. Give him a call.

COMING EVENTS
Manchester Lodge No. 148, of F & A M will meet at the Masonic Hall for regular communication, on or preceding each full moon.

BATHING PROHIBITED
The Tecumseh boys have been prohibited from bathing naked in the river, within the corporation limits.

A FREAK OF NATURE
We were shown a moderate size radish a few days ago, grown in the garden of Mr. Hood, in Sharon, in the form of the human hand. The fingers were tapered like that of a very fleshy person, and were pressed back as one would press them by resting the hand on the table. It is on exhibition at John H. Miller's Grocery Store.

BOY SCOUTS RECEIVE BADGES

Robert Rigg received his Life-saving badge and Clare Knickerbocker his swimming badge this spring at Y.M.C.A. in Ann Arbor, sponsored by the Boy Scouts. Two weeks before camp, Robert Rigg worked in the kitchen for a week, and while there he earned his Canoeing and Forestry badges.

During our week at Camp, Larry and Lynn Alber and Robert Rigg received a patch for swimming a mile; Larry Alber, Bruce Eames and Robert Rigg received 2 badges each for Rowing and Wildlife management. Jim Sloat advanced to 2nd class and Tim Armentrout to 1st class.

Mrs. Henry Taylor and Sandra and Douglas have returned to Santa Fe, New Mexico after spending a month's vacation with Mr. and Mrs. Edwin Smith and other relatives.

FARNHARN'S

Leaders in Values in Well Tailored Clothing for Men and Young Men--Large Selection of Fall and Winter Offerings

By means of this Town and Farm Trade Review attention of the men and young men of our territory and the lake region is called to this outstanding, time-tried Jackson men's apparel shop, at 129 E. Michigan, where you will get more style and quality per dollar in well-tailored clothing and timely gift items such as Sports Wear, Suits, Slacks, Belts and Suspenders, Shoes, Shirts, etc. This is an old reliable, home-owned store that merits your patronage. Call and inspect the new offerings. Phone State 9-9832.

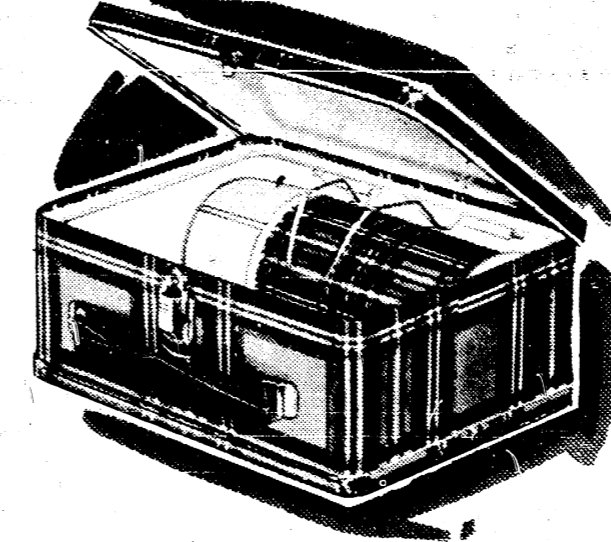

In their large and varied stock anyone can find his favorite cut and color combination and still be assured of the most up-to-date styles in clothing. The discriminating youth can here satisfy his desire for distinction and personal preference at a price he feels he can afford to pay. They feature nationally known dress and sports clothes, and a complete line of furnishings such as underwear, shirts, sweaters, pajamas, etc.

No-where in Jackson and vicinity will you find so much novelty, so much originality. Here are clothes that are rated tops in style, quality, in fit, and in all-around value by every man and youth who is particular about his appearance. About no other store of its type in Jackson can we say as much, because no other store can offer you so much. For here are clothes that are rated tops in style, world over for their supremely fine materials, their unexcelled workmanship, their complete perfection.

By means of this Trade Review we wish to refer all the men and youths of our section to this concern whose sole objective is to cater to the needs of the stronger sex.

Phone for information to State 9-9832.

'BRING 'EM BACK ALIVE!'

A TIP FROM THE AAA AND THIS NEWSPAPER

Reasonable time and makes motoring a pleasure.

Drivers who keep pace with the stream of traffic minimize accidents and promote the type of highway safety that will "Bring 'Em Back Alive!" according to Automobile Club of Michigan.

A "traffic turtle" only serves to irritate drivers behind who are encouraged to overtake and pass regardless of hazards.

Motorists who drive faster than the general flow of traffic are forced to weave in and out of line, passing cars. Such chance-taking does not pay off in saving enough time to make it worth while.

The turtle sneers at the speeder becomes irritated with the turtles for holding up traffic. Both are frequently involved in accidents or guilty of causing them.

Keeping pace with traffic lets you relax, avoid frustration, get where you're going in rea-

THE JOHNSON AGENCY

Homes, Farms, Lakes & Commercial Properties-All Types of Insurance-Member of Multiple Listing Selling Service & Photo-Static Listing System-Jos. M. Johnson, Realtor

Investigation proves beyond a doubt that real estate is a preferred investment and by means of this trade review we wish to recommend this well-known realty concern to all of our readers. They have listings in all parts of the city and suburbs of many fine commercial, farm and domestic properties. In fact, they offer a complete real estate service.

They have the names on hand of many prospective buyers for all types of properties. If you are interested in disposing or exchanging your commercial, farm, or residential holdings it will pay you to have them listed in this firm's files. Experience and ability will give you their advice and counsel. Listing your property with them will be your insurance of quicker disposal.

They are at all times at the absolute service of the people of this section and are most prominent, reliable realty dealers with a reputation of two things--experience and dependability--the things that count most when it comes to dealing in real estate--experience in local conditions as to actual value and dependability proven by years of successful operation.

We are pleased to refer our readers to The Johnson Agency, 204 Insurance Bldg., Building, for further information, phone State 2-9475.

FORNER-LAKESIDE DAIRY

Milk At It's Best-Pasteurized For Your Protection--"A QUART A DAY BRINGS HEALTH TO STAY"--For Home Delivery Call STate 3-6244

By means of this commercial trade review we wish to call our reader's attention to this well known concern who are processors distributors of the popular Forner-Lakeside Dairy Products-The finest on the market. The company is under the direction of well known local business men who merit our confidence and support. Demand these products today and give your family, friends and yourself high quality at a moderate price. Their modern plant and offices are located in Jackson at 2014 Tyson.

There is also another side to the picture that we wish to point out. That is the position of dairy products as an aid to health. Milk contains nutritional components that are of a great assistance in sustaining health. Carbohydrates provide food energy. Fats supply food energy and also vitamin A and D. Proteins furnish amino acids which are essential for growth, and minerals help to regulate the chemical changes that are continually taking place in the body. The healthful qualities of Forner-Lakeside Dairy Products are protected because they are processed in a modern and sanitary plant by experienced dairy products specialists who are careful to use only the best of raw materials.

Snyder Beauty School

Featuring the "MODERN METHOD" of Beauty Culture Training--Individual Instructions Combined With Practical Work Make Schooling "Easy and Enjoyable"

We are pleased to take this opportunity of calling our readers attention to one of the State's outstanding schools of beauty culture. It is backed by many years of distinctive service, and which we can unhesitatingly recommend to our readers as they offer the most scientific and thorough courses of instruction in the beauty field. The School is located in Jackson at 1125 Greenwood St.

The future of the graduates of the Snyder Beauty School is assured, due to the fact that they are trained to meet the requirements of the leading beauty shops

desire in their operators. This demand for properly trained graduates is greater than ever.

Here the student has the advantage of actual experience while learning and they supply exclusive features of service in hair styling, permanent waving, etc. All graduates are sure of being placed in positions in the higher salaried brackets.

The young women of Jackson and adjoining counties are fortunate in having such facilities of instruction in one of the nation's largest fields of endeavor. The rates of tuition are very reasonable.

It is not necessary to work for low wages in the beauty profession. The Snyder Beauty School makes it possible for eager, ambitious girls and women, to become accredited beauticians - qualified by training and actual experience to command the best salaries, and to meet the increasing demand for more efficient operators who are expertly trained in every branch of professional beauty service.

For further information call at the school, write, or telephone STate 9-8512.

NAPOLEON'S NEWEST INDUSTRY GETS OK TO BUILD AIRPLANES

The wheels are beginning to turn at Napoleon's newest industry--an airplane factory at the J.D. Maule Airport. After 4 years of plowing through governmental testing, owner B. D. Maule of Napoleon has begun production of a 145 horsepower high wing plane which he'll name the "Big Dee M 4".

During the four-year span in which he applied for the certificate to produce the plane Maule said he spent about \$50,000 in carrying out load and flight tests and in complying with numerous FAA regulations. A complete set of blueprints for each part of the airplane also had to be completed.

Maule, along with 5 other workers has already manufactured landing gear and wings for 10 airplanes along with fuselages. He hopes to produce from 15 to 20 of the planes the first year of operation and maybe 100 by next year. The plane will cruise at 150 miles per hour and have wing span of 29 feet 8 inches, a length of 22 feet and a gross weight of 2,100 pounds. The craft will carry 42 gallons of gasoline and will sell for \$8,500.
