Candlelight Ceremony Unites Couple

Mrs. Clifford W. Manor

In a candle lit setting of holly and red and white poinsettias Miss Christie Allan and Clifford W. Manor repeated their nuptial vows.

The Reverend Jesse D. Epps presided at the double ring ceremony which took place on the evening of December 23, at the Manchester Methodist Church.

The bride is the daughter of Mr. and Mrs. Lee A. Allan, and Mr. and Mrs. Willard Manor are the parents of the groom.

White peau de soie was the bride's choice for her gown. It featured a rounded neckline and a full gathered skirt with a cathedral train, and was trimmed in Alencon lace embroidered with seed pearls and sequins. Her fingertip veil was of English illusion with a crown of Aurora Borealis crystals. She carried a cascade bouquet of red and white carnations centered by a white orchid.

Miss Carol Jean Braun of Manchester was her maid of honor, while Miss Frances Thornbury of Dixboro was her bridesmaid. They wore sheath dresses of red taffeta with red velvet and holly trimmed white fur hats and muffs.

Miss Pamela Alber acted as the bride's flower girl. She wore an emerald green taffeta dress with an overskirt of matching green net and carried a frothy lace basketball of rose petals.

Leroy L. Manor was his brother's best man while John Behl-meyer acted as groom's man. Serving as ushers were the groom's brother, Dale E. Manor, Mark G. Blumenaer and James E. Sloat, Jr.

Scott Dean Sloat and Connie Sue Sloat acted as ring bearer and ribbon girl. Miss Nellie Ackerson played the organ and Mrs. Robert Armengrout sang "The Wedding Prayer" and "The Lord's Prayer" at the service.

The couple and their parents received their guests in the church parlors immediately following the ceremony.

The bride's mother received in a sapphire blue chiffon dress with gold accessories while the groom's mother wore a mulberry satin ensemble.

Mr. and Mrs. Manor then left on their wedding trip thru northern Michigan. They are now living at 108 W. Main St., Manchester.

Before her wedding Mrs. Manor was feted at parties given by the Misses Carol Jean Braun and Frances Thornbury, and Mrs. Grace Stockwell, Mrs. Ina Hauesaler and Mrs. Leota Schwab. The rehearsal dinner was given by Mrs. Willard Manor.

Bank Director Resigns

Mr. Raynor B. Haeussler

Regional Finance Chairman

Dan J. Boutell of Manchester will serve as regional finance chairman for the 1962 Michigan Week to be observed next May 20-26.
The appointment was announced by John R. Meadows, regional chairman for Livingston, Washtenaw, Monroe and Lenawee counties.

The Board of Directors of the Union Savings Bank of Manchester announced this week that they had regretfully accepted the resignation of Raynor B. Haeussler as a Director.
Mr. Haeussler has been confined by illness to the Tecumseh hospital and later at his home for some time.

He joined the Union Savings Bank of Manchester Board of Directors in 1937. He has seen the bank grow from a \$750,000 institution employing four people to the present six million dollar bank with eleven officers and employees. During Mr. Haeussler's Bank Board terms, the bank building has expanded from the original small quarters surrounded by the Gus Breitenwischer store to its present spacious building, including the former Joe Seckinger restaurant building, and the property now includes the former Heimerdinger property which has been converted to a parking lot for building and bank employees.

Mr. Haeussler's "Main Street" affiliation started in 1904 when he graduated from University of Michigan and joined his father, George J. Haeussler, in the Drug Store. The drug store had been operated by George J. Haeussler since 1876. Raynor Haeussler continued in the operation of the drug store until February of 1952, at which time he sold his interest to Millard Uphaus who continues at the same location under the name of Uphaus Drug.

The bank's Board of Directors at their January 8th meeting adopted a resolution commending Mr. Haeussler for his many years of service to the Bank and community area.

DOLLAR and SENSE FARMING.

PLAN YOUR CREDIT NEEDS for the season ahead and start getting your orders and financial affairs in order. This will be important for getting the loans you'll need.

It's especially important in securing a loan for fertilizers, insecticides or similar purchases. These items offer no collateral such as machinery. Your collateral is the faith your lender puts in you as a capable farm operator. Your records and general success as an operator are a basis for furnishing proof of this.

A HEAT EXCHANGER ATTACHED TO A BULK MILK COOLER can make use of the heat given off by the cooler. It preheats water before this enters your water heater. Result—lower cost for heating water and operating the milk cooler. A bulk cooler to which a heat exchanger is attached actually operates more efficiently. Savings you'll realize will depend upon how much milk you cool, the amount of hot water you use and the size of your compressor and heat exchanger tank.

IN THE MARKET FOR NEW EQUIPMENT? If you are, you may be able to save tax dollars by selling your old equipment outright rather than trading it in on the new.

This is normally the case when the value of your old equipment is worth more than its depreciated cost. Here's why. Taxes on the difference between the depreciated and sale value of your old equipment will amount to less than if you reduced the depreciation base on your new equipment with a trade-in.
