## Our Community Chest

THE ONE BIG THING WE DO

Our Community Chest is the one big thing we do as a community to help the human needs of our area, state and our nation. We've got to look at this thing as a whole. It presents a budget program considered by a local budget committee to determine our area's quota which is \$882 this year. Eugene Bentschneider, campaign and industrial chairman, gave his views on the Manchester United Community Fund and Red Cross Drive, which begins October 11, at a recent meeting of this year's Division Chairmen. "A Community Chest is slowly growing, because each year it includes the worthwhile and proven agencies that apply for membership that continue to appear to request funds for the pressing needs of mental and physical health. The list of agencies in the Michigan United Fund--36 this year--is picked by a committee of volunteers, from all parts of the state. They make a study of the demands and the agencies themselves as well as the local budget committee studies the local groups requesting aid from our chest.

It's logical that everyone may not be enthusiastic about giving to every one of the 47 agencies presented in the budget this year. But the one you may not favor is apt to be your neighbor's pet project. A few years ago the Diabetic Association was conducting its own campaign for funds and now it is a proven member of the United Fund.

Some of the other state-wide agencies are the Arthritis and Rheumatism Foundation, Leader Dogs for the Blind, Cerebral Palsy Association, Epilepsy Center and Michigan Children's Aid, Multiple Sclerosis and Sister Kenny Foundation. This group of 17 health and research agencies will receive about \$1700 of the total Michigan United Fund request.

There are 19 national agencies including some listed above. The best known of these is the USO which is allowed 64% of the total \$800 for this group of agencies.

Anyone wishing to contact Mr. Bentschneider may call him at his new phone number 28-8567.

## Council Alarmed by Vandalism

How good a detective are you? Can you help the village council? These are the questions the city fathers are asking citizens of Manchester.

In recent weeks Manchester's Carr Park has been invaded by vandals who have tied the swings in knots, almost impossible to untangle, smashed windows in the rest rooms and tore the plumbing from the walls.

Paper has been thrown around the rooms and paper toweling scattered all over, according to L. P. Wurster, who has been instrumental in making the park one of the finest of its size in the area. Village council has enlisted the help of the Sheriff's Department and the State Police to put an end to the destruction of the public property of the park. But these officials cannot keep an eye on the park at all times.

Council asks that the residents of the village take an active part in cracking down on those who choose to spoil Carr Park. Pointing out that every tax payer has a special interest in this public park they ask that patrons and citizens keep an eye on the park and report any unusual cars or people, or anything suspicious going on in the area, to the police or sheriff's department.

The village is offering a \$25 reward to anyone who gives information leading to the apprehension of the vandals.

### HOUSE TOUR THURS. SEPT. 27

Homes to be visited on the annual St. Mary's Altar Society tour are listed. This is the third annual event of its kind in the area and homes will be shown from 1 to 5 p.m. Thursday, Sept. 27. Included are:

Dr. William Purfield residence. This is a modern ranch style home, ideal for a family, overlooking the vast countryside of Manchester. It is the only "non-alley" house in the area. The furnishings, floors, etc. tend to reduce dust, pollen, and other materials that cause allergies.

Ralph England and Mrs. L. C. Kent residence--This home and apartment will show what can be done to an older house to modernize it. The color schemes are excellent. Both places feature modern "up to date" kitchens.

Robert Ross residence--This is also known as "Sharon Farms" and includes many points of interest. Collecting Indian lore is a hobby of Mr. and Mrs. Ross and you will see it incorporated in their home. A set of bronze flatware, just arrived from Thailand will be shown... cont on pg 3

### 3 Youths Held in Pony Shooting

Three youths, two 16 and one 19, arrested for the shotgun killing of a pet pony near Brooklyn, also told state police of a series of burglaries, thefts and vandalism.

State Police Detective Sgt. Charles Southworth said Raymond Vreeland, 19, of 6523 Ackerson Lake Rd., and the two younger boys admitted that the killing of the pony was but one incident of a series of vandalism last Wednesday night and early Thursday.

In addition, the trio admitted breaking into four club houses, an ice cream company, a school and two residences, Sgt. Southworth said. The youths told him, he said, that they ransacked the houses, and then splattered them with food from refrigerators. They also admitted stealing 30 gallons of gasoline from a farm and shooting at cattle and tame ducks, the sergeant said.

Sgt. Southworth said the youths offered no explanation for killing the pony of the three children of Mr. and Mrs. Hugh Howland Jr., 9227 Palmer road early Thursday. Southworth said he traced the trio through tips supplied by residents of the neighborhood.

The pony, named Prindle, was shot in the neck with a 12-gauge shotgun while it was tied to a tree near the Howland house.

The Lewis Pittman farm, 8669 Brooklyn road. The pony was shot.

They burglarized the McGariff Ice Cream Co., Clark Lake, taking four gallons of ice cream and a small amount of change.

Proceeding to Somerset Center, they broke into the Sportsmen's Club there. They also shot at cattle in a field at Somerset Center.

They came to Manchester where they broke into another house, took a 22-caliber rifle and ammunition and again spread food all over the house.

They entered the Manchester Elementary School, but were unable to get into the office.

The Manchester Sportsmen's club was their next stop, but they did not find anything to take.

### HUNTER SAFETY PROGRAM TO START SEPT. 25

A Hunter Safety Program sponsored by the Manchester Sportsman's club will get underway again here starting next week.

Don Boyer, local conservation officer for this area has again appointed Laurence (Spec) Kappier to be the instructor for the three lesson series. He will be assisted by Sportsman Club president Robert Trent and Duane Braun.

Classes will be open to boys and girls 12 to 17 years and those interested are urged to plan to attend the three lesson series, which will be held at the High School Study Hall, Tuesday, September 25, October 2 and October 9 starting at 7 p.m.

### DUTCHMEN 12-6 WINNER IN OPENER

Manchester High School's football team presented new coach Dewey Smith with a 12-6 victory over Britton Friday night in a non-conference opening contest for both.

Britton tallied in the opening period on a 14-yard dash, but the Dutch punched over a pair of TD's in the second quarter for the clinchers. Quarter-back Carl Miller pitched a scoring pass to halfback Dave Patch covering 73 yards and Gary Mitchell picked up a fumble and romped 20 yards to pay dirt. Both Manchester conversion attempts from placement were blocked.

### COMING EVENTS

Methodist men will begin their fall meetings Thursday, Sept. 27 at 7:30 p.m. at the Methodist church Fellowship hall. Guest speaker will be Mr. Basil Wheeler of Ypsilanti who will talk on, "How Communism Creeps in" All men of the parish are urged to attend.

Freedom Ideal Homemakers will meet Friday, Sept. 21 with Mrs. Lee Armstrong the hostess.

Pleasant Lake PTA will meet Tuesday, October 9 at 8 p.m.

DEALERS WORK TO GET OUT VOTE

Standard Oil Dealers in Michigan will sponsor their third "Get Out The Vote" campaign prior to the coming November 6 election. Following their 1958 campaign when they received the Freedoms Foundation at Valley Forge Award and for their 1960 effort that brought them the American Heritage Foundation Award for the outstanding campaign in the country in "Getting Out the Vote"...

Advisory Council. We are making this unified effort to make a real civic contribution to the community in which we do business and in the interest of good government. Standard Dealers will use hand-out materials at their stations. In keeping with the slogan of "Invest in good government"...

BETHEL CHURCH TO HAVE FESTIVAL

The annual Mission Festival of the Bethel United Church of Christ, Freedom Township, will be held Sunday Sept. 23 with services at 10 a.m. and 8 p.m. Featured speakers will be the Reverend Heinrich F.J. Rest of Mount Clemens at the morning service and the Reverend William F. Hastings of Hudson for the evening program.

ten years. The Reverend Wm. F. Hastings of Hudson has served abroad in Puerto Rico and in Germany. From 1944 to 1950 he was pastor of the Union Church in San Juan, Puerto Rico and was also active in educational projects there. For five years he directed resettlement work for the World Council of Churches in Germany...

TIPS FOR MAILING

When a postal patron receives a damaged parcel comment is sometimes made that "It must have been over with a steam roller." The Post Office Department operates approximately 85,000 vehicles of various types but no steam rollers, according to Postmaster George Merriman. In fact, every effort is made to avoid damage to mail while it is in the custody of the post office.

Minutes of the Village Council

September 17, 1962 Council met in regular session called to order by President Galloway, present trustees Galloway, Grossman and Oster; Absent Clark and Spengler. Minutes of previous meeting read and approved. The following claims were presented and received from proper funds.

HOLDS REUNION

Fifty-four members of the Lampson family attended the family reunion at Carr Park, here. Hosts were Mr. and Mrs. Mike Wolfe. Members of the family were present from Adrian, Hillsdale, Jonesville, Britton, Tecumseh and St. Louis, Mo. Included were Mrs. Wolfe's brothers, Harley of Britton, William of Tecumseh, Clifford of Jonesville and Garfield of St. Louis, Mo. and Mrs. Wolfe's sister, Mrs. Maggie Lampson of Jonesville. The St. Louis relatives came to Michigan to attend the wedding of Nancy Lampson to Walter Schmidt in Tecumseh.

ALTAR SOCIETY HONORS MRS. UHR

Mrs. William Uhr was presented with a corsage at the September meeting of St. Mary's Altar society for her continued service to the society for many years. She now becomes an honorary member of the group. Plans were completed for the house tour which will be held Thursday, Sept. 27. The committee for the October meeting will be Mrs. Leo Defreytas, Mrs. Elmer Dettling, Mrs. Victor Dettling and Mrs. Harold Dietle.

HOUSE TOUR

Linda Knorpp residence-- This is one of the old homes of Manchester and Miss Knorpp has done a beautiful job of keeping it that way even to the furnishings. The house will feature many antiques, including a bed 100 years old. Many pictures, dishes and appointments brought from Germany will be shown. Lyle Widmayer residence-- The Widmayers have remodeled and redecored their home on a "do it yourself project" This home will show you what can be done. The outstanding feature will be the recreation room with a fire place Mr. Widmayer built.

SPECIAL EDUCATION ADDS TEN TO STAFF

Ten professional staff members are employed this fall by the Washtenaw county special education division directed by John B. Mader. The program is financed by a special one-half mill tax levy approved by voters in the summer of 1958. Teachers of the homebound and hospitalized are Alpha Turman and Anne J. Porter. Visiting teachers are Jack Keim, William Early, Wayne Brigman and David Worl.

PERSONALS

Mr. and Mrs. Earl Uhr and family and Mrs. William Uhr were Sunday dinner guests of Mr. and Mrs. Elmer Dettling. Mrs. Georgia Rager has been visiting her daughter Mrs. Donald Deaver and family in Jackson. Mr. and Mrs. Clayton Fisher of Bartersville, Oklahoma spent several days with Mr. and Mrs. Mike Wolfe. Mrs. William Shade, a former Manchester resident now living in St. Petersburg, Florida, spent sometime in Manchester visiting friends. She is also visiting her sons in Detroit before returning to Florida.

COMING EVENT

The Kinder-Kuche Extension will hold the first meeting of the season at the Bridgewater townhall with a potluck dinner at 7 p.m. Newly elected officers of this new group are Mrs. Walter Grothe chairman, Mrs. Paul Bohler, secretary-treasurer. Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico. These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them. The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles. All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty. Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

QUALITY TRUCKS COST LESS

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

DOLLAR and SENSE FARMING.

HARVEST - TIME ACCIDENTS. Don't get in too big a hurry during harvest that you fail to take necessary caution. First stop in safe operation of harvesting machinery is to put it into good mechanical condition before harvesting begins. Be sure shields and other safety guards are in place before you take the machine to the field. Stop all machines before unlogging, greasing or adjusting them. A corn picker is very efficient at picking hands and feet. MINOR ELEMENTS are a good fertilizer buy, but only if you need them. They aren't recommended by most experiment stations unless you know you have a specific minor element shortage. If you're having problems getting high yields, and you think lack of containing minor elements is the cause, try a few check plots with fertilizer containing minor elements. Watch results carefully to see if it improves yields. In most cases your extension agent can tell you in advance whether there is likely to be a minor element shortage in your area.

NEW BUILDING? What kind of roof will you put on it? The most widely used roofing material today for farm buildings is galvanized metal. Galvanized means that the metal has been coated with zinc. This protects the base metal from rusting, and adds many years to the life of the roof. However, the zinc will deteriorate after several years and should be painted. In Illinois tests grey metallic zinc paint with a second coat of aluminum paint gave best results. FEED EFFICIENCY IS BETTER on high producing livestock. Your best animals may eat the most, but they are paying you back more too. This should be kept in mind when culling out your breeding herd, as well as when selecting new breeding stock.

**Jaycees Start Membership Drive**

The Manchester Jaycees have announced a drive to increase their membership fifty per cent. They are looking for young men between the ages of 21 and 35 who are interested in service to the Manchester community, in learning and using leadership skills, and in joining with like minded young men in fun and activity.

Manchester's Jaycees put their major emphasis on work with Manchester's youth. Each year they sponsor the Halloween Party, and the Easter Egg Hunt. As sponsors of the annual Chicken Broil, the Jaycees have worked to improve Manchester's recreation facilities, Carr Park and the school athletic fields. There are other projects, such as the Christmas decorations on Main Street and a new Community Development Survey.

The men who accomplish this work come from all areas of Manchester life. There are businessmen, farmers, teachers, and others among the present membership. However, the Jaycees need 15 new members in order to complete all their established and projected projects.

Any interested men are invited to contact any local Jaycee, see Keith Doelker at the bank or call Jim Jordan, evenings, at GA8-8213.

**Training Program Set at Emanuel**

**PTA Program Gets Underway**

This year's PTA program got off to an excellent start with the reception of new teachers, and a stimulating speech by Dr. Warren Ketcham, Child Development Specialist from the University of Michigan.

While advocating the controversial "no failures" approach to the grading of school children, Dr. Ketcham also took care to remind the group of the inherent differences in individual children. He stressed the importance of showing kindness and approval to the slower learners, and expressed the opinion that, in effect, calling them failures at every marking period might not be the best way of doing this.

The controversial nature of his approach to this area of education aroused much response from both parents and teachers.

The next PTA meeting will feature Walter H. Stein, a representative of a major pharmaceutical house, who will show a film on the manufacturing of drugs.

This meeting will be held at Manchester High School October 22nd.

**OPTIMIST CLUB HOLD MEETING**

Manchester Optimist club met Monday for the second meeting of the month at Emanuel church hall.

Chicken was served, much to the delight of L. C. Klager. Along with the dinner was a side dish, a printed program for all members. As the Optimists ate the excellent dinner prepared by women of Emanuel they read the list of various committees for the year and suggested programs for the year.

Representatives from the Manchester Jaycees, Joe Fitzgerald and Ron McNally were present to show members the suggested proposal for improving the Athletic field. The money which the club earned in this year's Chicken Broil is to be used to build a press box.

After some deliberation, president Ed Gallaway asked the membership to vote on the proposed building. The blue print of the structure was accepted by the club and the new press box will be located on the fifty yard line on the north side of the field.

It calls for a 14 x 20 foot two-story block and frame building and will have a stationary first aid room on the first floor with a storage facility and press box view room on the second floor.

Once more the Jaycees and Optimist club along with Manchester residents who helped are to be congratulated for their work in making this year's Chicken Broil so successful.

**Pictures of Children to be Taken Tuesday at K of C Hall**

Tuesday, October 2 is the big day for the picture taking of your youngsters. The Enterprise is having pictures taken of all children who are brought by their parents or other guardian to the K of C hall lounge between the hours of 10 a.m. and 5 p.m. absolutely free of charge.

The Enterprise wants a picture of your child to print in its forthcoming feature, "Children of Tomorrow" a series of photographic studies of local children. The more we get the better the feature will be, so the cooperation of the mothers and fathers is urged.

It often seems to parents that children are little one minute and are grown up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at the present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it in print. You will want to clip it from the home town newspaper, and preserve it for the youngsters when he or she grows up.

Nine captains for two divisions of the Manchester United Community Fund and Red Cross Drive and the Businessmen's Division team were announced today by Eugene Bentschneider, campaign chairman. The dates for the drive are October 11 and through Nov. 1, with a goal of \$8,982.

Village House-to-House chairman Mrs. James Baker has been the successful head of this division for the last five years and is a member of the Manchester Community Fund Board. Mrs. Baker is employed full time in the Sales Department of Double A. Products and has worked on the company's Red Cross Blood Bank Committee. The Bakers have one son.

Captains for the village who will be working with Mrs. Baker are Mrs. Chas. Steele, Mrs. Del Ludwick, Mrs. Ella Kern and Mrs. Robert Trent of Manchester.

Mrs. Marvin Kirk, chairman of the Rural Division has been a resident of Manchester township for 16 years. She has been active in both Farm Bureau and 4-H. She has been a solicitor for the United Drive numerous times. Her civic activities have been combined with raising of a family of four girls and three boys.

Mrs. Kirk's captains are Mrs. Clarence Schneider, Freedom Township; Mrs. Glenn Feldkamp, Sharon Township; Mrs. Norman Randall, Bridgewater Township; Mrs. William Palmer, Manchester Township; and Mrs. Jacob Bauer, Red Cross Chairman for Clinton School District areas within Washtenaw County.

Mrs. Lyle Widmayer was promoted from a village captain last year to chairman of the Businessmen's Division this year. After graduation from Western Michigan in retailing, she was employed in Jackson and Ann Arbor for twelve years. She is now receptionist for Dr. J. R. Jones. The Widmayers have two daughters.

Those helping Mrs. Widmayer are Mrs. Don Sutton, Mrs. M. Thomas Marshall, Mrs. William Schaffer and Mrs. Chas. M. Knorrp of Manchester.

**Playground Duty**

Supervising Principal of the Elementary and Junior High Schools, Ted Tapping, Jr., urged that teachers be relieved from having "playground duty" during their lunch hours. This request was made at the PTA meeting.

Mr. Tapping pointed out that this can best be accomplished by the use of parent-volunteers. Anyone willing to donate two or three hours a month to this purpose is asked to contact Mr. Tapping.
