Optimists Honor Manchester Athletes

The Athletic Banquet was held at the Civic Auditorium this past Monday evening.

One hundred twenty-five parents, optimists and friends joined together to honor the seventy varsity award winners of the Manchester Public Schools. After invocation by Rev. Gus Kuetner, a roast beef banquet was served by the local Knights of Columbus.

President Tom Walton welcomed the young guests and then turned the program over to Bill Schaffer, the chairman for the evening. Dan Boutell was introduced as Toastmaster for the evening.

Entertainment was provided by the high school tumbling team which consists of Dwight Eisenhauer, Terry Ayers, Ken Brokaw, Joan Roehm, Judy Braun and Jane Snyder. This was followed by two pantomimes performed by Bonnie Burkhardt and Wanda Braun who billed themselves as the Lunatics.

After the student entertainment, the coaching staff introduced the varsity letter winners for this last year.

Athletic administrator, Bill Baker, introduced Mr. Prediger's last spring's baseball team. He also reported that Mr. Prediger is doing well in Fremont and will return there next year. Coach, Ron McNally, introduced last spring's track team and this year's football team. The basketball team was introduced by head coach, Darrell Harper.

The speaker for the evening was Jack Fouts, line coach from the University of Michigan. His message inspired guests and athletes alike. The theme of his address was that success is measured by personal desire. His illustrations taken both from the Gridiron and other facets of life left little doubt in the audiences mind but what he was right.

The banquet was adjourned by Rev. Gus Kuetner, who gave the benediction.

New Director for Summer Recreation Program

The appointment of Roger N. Morrison of Manchester as Director of the Manchester Summer Recreation Program has been announced. In making the announcement, the Manchester Recreation Committee completed its task of filling the vacant post of director, which resulted when Mr. Curt Prediger moved to Fremont, Michigan. Mr. Prediger had been in this position since 1957.

Mr. Ted Tapping, chairman of the Recreation Committee, stated that, "the committee feels very fortunate to be able to have Mr. Morrison as its Summer Director. His fine organizational abilities and keen interest in the youth of our community will combine, I am sure, to provide a program of exceptionally good summer activities."

Mr. Morrison is a native of Ludington, Michigan, and a

Visits Manchester Junior High

Emile Zola, a student at the University of Michigan, visited the students of Manchester Junior High on Wednesday, March 14th.

Mr. Zola comes from Leopoldville, Congo Republic. He is very fortunate to come to America, for as he said, "There are not many scholarships or other ways to get to America from the Congo." However, the Congo government paid for his passage over here, but the University is paying his tuition and expenses.

Mr. Zola has been studying the English language for about four months, and he likes it very much and speaks it quite well.

While Mr. Zola was visiting the school, he told of how many of their people were killed. He said that the Congo is divided into many different sections.

For each section there is Major Tribe which is not allowed out of that one section for fear of getting killed. However, there is one division which is neutral, and this is where many flee. These neutral centers are primarily around the large cities. There are not many cars in the Congo and most of them are the small European models. Walking is still the most common way to travel.

The students at Manchester thought that Mr. Zola's day was much too short, for they had many questions to ask, and will gladly welcome him back again.

Manchester School Board Adopts New Salary Schedule

At a special school board meeting, held Thursday evening the Manchester Board of Education implemented a new salary scale for the 1962-63 school year.

The topic of teachers salaries had been considered at several previous meetings. The board finance committee had studied several proposals intensively.

The new basic schedule begins at \$4450.00 and extends to \$56,000.00 over a ten year period. There are several additions to the basic schedule for Masters Degree, above average teaching, head of household and military experience. There are also additions for extra work performed.

The new schedule gives an average pay raise of \$155.00 per person on and above what the 1961 pay scale would have provided, however this raise is not equally distributed. Many items will have to be held to a minimum to provide for the raise in pay. The board was not satisfied with this aspect of the school budget planning, but felt that it was necessary to hold the line to the four mills extra voted tax which runs out this year and in all probability will be requested again at the annual election.

From the Social Security Office

If you are a social security beneficiary who earned over \$1200 from employment or self-employment in 1961, and you were under the age of 72 in any part of the year, you must file a report of your earnings with the Social Security Administration by April 16th. Failure to report may result in a loss of benefits, was reported.

Beneficiaries who received no benefits in 1961, are not required to file the report. However, they are encouraged to do so as they may be entitled to receive some benefits for the year even though their total yearly earnings greatly exceeded the \$1200. Benefits can be paid to a beneficiary for any month in which he did not earn over \$100 as an employee and did not render substantial services in self-employment.

The annual report form has been simplified this year, and when it is received, may be completed at home, signed, and returned in the addressed envelope that is furnished.

If you desire help in completing the form or other information concerning your social security status, you should contact your social security office at 1335 N. Main St., Ann Arbor.

New County Campaign Chairman

The Washtenaw County Unit of the American Cancer Society has announced the appointment of Donald H. Bacon as County Campaign Chairman of the group's 1962 Campaign. Mr. Bacon, an Ann Arbor resident, is chairman of the Board of Central Fibre Products Co., in Chelsea.

Mr. Bacon announced that the County goal this year is \$30,500. The drive, which is held throughout the month of April, will be conducted in the following cities within the County, by the following respective chairmen: Ypsilanti, Mr. Worden Geer; Milan, Dr. Robert Cuny; Saline, Mrs. Leo Jensen and Mrs. Meredith Bixby; Manchester, Mrs. Rolland Grossman; Dexter, Mrs. Carl B. Fischer; Chelsea, Mrs. John Chaplin; Whitmore Lake, Mrs. George F. Romine, Jr. The Manchester campaign is under the chairmanship of Mrs. Henry P. Eames and Mrs. Glenn Robinson.

There will be no door-to-door solicitation this year, Mr. Bacon announced. Each city will conduct its own campaign which will follow the course of a mail appeal, special gifts and special events. Several new events are planned this year, according to Mr. Bacon, including a Bowl Down Cancer Drive sponsored by the Bowling Proprietors Association of America.

The year 1962 has been designated "Cancer Progress Year" to focus attention on the advances made against cancer in the last 25 years:

1. Twenty-five years ago, the life of one-of-seven cancer victims was saved; today, one-of-three is saved.
 2. Today there are more than 1,100,000 persons who have been cured of cancer compared to only 160,000, 25 years ago!
 3. About one-of-four Americans will eventually have cancer, according to present rates. Cancer will strike through the years in approximately two-of-three American families.
 4. In 1962, there will be about 520,000 newly-diagnosed cancer cases.
 5. There has been a steady rise in the national cancer death rate per 100,000 population; 120 in 1940; 140 in 1950; 148 in 1960.
 6. About 173,000 Americans will be saved from cancer in 1962, but about 87,000 cancer patients will probably die who might have been saved by earlier and better treatment.
- Mr. Bacon stressed that the campaign serves a two-fold purpose - to not only appeal for funds, but to serve as an educational media. It is hoped that the latter will serve to prompt people to have check-ups for the early detection of cancer. Ten years ago, one out of four cancer patients was cured. Presently, one out of three cancer patients is cured, but it is possible that one out of two cancer patients could be cured, Mr. Bacon stated, if we "Fight Cancer with a Check-Up and Check" the national slogan of the American Cancer Society.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN MICHIGAN, hearing of the gallant fighting of the 1st, 4th, 5th and 7th Michigan regiments against the Confederacy, folks all over the state toasted their troops' bravery with foaming steins of beer.

For then as now, beer was the traditional beverage of moderation. But beer means more than enjoyment to our state. The Brewing Industry pays more than 16 million dollars in taxes to Michigan each year, money that helps support our parks, hospitals and schools.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

The play is a three act comedy about an unusual family in the early 1930's. Each member of the family is an individualist. For instance, Grandpa has done nothing, but collect snakes and attend circuses and commencements for the past thirty-five years. Penny has written plays for the past 8 years because a typewriter was delivered to the house by mistake. Mr. DePinna delivered ice one day and stayed six years. There are many others, but we don't want to spoil the fun. See you there!

Board Reviews Educational Survey

At a special meeting, Thursday evening, the school board discussed the educational survey prepared during the year by the Bureau of School Services and the Lay Citizens Committee. The 24 page report prepared by the study group has already been rather widely distributed and the board has received many favorable comments concerning the quality and content of this report. Numerous suggestions and recommendations for the Manchester Public Schools progress and improvement are specified. It was decided to implement committees in all areas covered by the report to further study the critical areas needing revision. Lay Citizens will be urged to participate on these committees. It is hoped that some of the changes incurriculum can be introduced into the program during the 1963-64 school year.

Minister to be Honored

The Reverend & Mrs. Jesse D. Epps of the Manchester Methodist Church are to be honored at an open house in the church Fellowship Hall Sunday, April 8th, from 2 to 5:00 p.m., the occasion being their fortieth anniversary in the Methodist Ministry.

Mr. and Mrs. Epps began their ministry April 9, 1922, at the Lyle Methodist Church near Norcatur, Kansas. They had been converted in a revival meeting February 15th, and immediately felt the call to the ministry. The Lyle Church paid \$1200 and furnished the parsonage. The salary is significant because after ten years schooling and experience in preaching, he was appointed to two churches in the Upper Peninsula at the same salary, the depression having its effect. Having been left an orphan, Mr. Epps worked for board and clothes and went to school to the 8th grade. He had then

dropped out of school until he had realized the importance of an education after entering the ministry. He subsequently was appointed to churches where he could go to high school at the age of 26, college and seminary, graduating from Garrett Biblical Institute with B.D. Degree in 1941.

In 1924, Mr. Epps was accepted as a member of the Northwest Kansas Conference and transferred to Detroit Conference in 1939. Churches served in Michigan include Bessemer-Wakefield, Gaylord-Vanderbilt, Fairgrove-Watrous, Birmingham Embury-Southfield, 24 St. Detroit, Bristol Flint, coming to Manchester, June 1959.

The Epps have two children, a daughter, Mrs. Julius Szabo, of Detroit and Dan D. of Clearwater. Each of them have a daughter and three sons, giving Mr. and Mrs. Epps eight grandchildren.

Community Chest Meets Tonite

A public meeting of the Manchester Area Community Chest is being held at 8:00 o'clock Thursday, April 5th, at the multi-purpose room of the Nellie Ackerson School. Mrs. Paul Wilde, James Kessler and Herbert Bersuder will be awarded their "Gallon Donor Pins" for their generous participation in the Manchester Red Cross Blood Club. This is the official blood club for Manchester's Double A Products as well as everyone living in the Manchester School District.

There will be election of four board members, each for a three year term of office. The members whose terms are expiring are Mrs. Ray Tirth, John Pippingen, Louis Vogel and Mrs. Franklin M. Reck. Mrs. James Baker is chairman of the nominating committee composed of Mrs. Glen Lehr, Allan Benedict and T.H. Tapping, Jr.

Reports will be given by local agencies receiving funds from the Chest and the public is urged to present Community Fund business to the board at this time.

Coffee will be served by Mrs. Glenn Lehr and her committee.
