Debt Rapidly Being Liquidated

Dan Boutell, School Board Treasurer, reported many aspects of the School's financial condition to Manchester citizens at Monday evening's meeting. Mr. Boutell reported that of the Nine Hundred Thousand borrowed for School Building Construction during the last ten years, Five Hundred Thousand has already been paid, leaving a balance to be collected of Four Hundred Thousand Dollars. He stated that the Pleasant Lake School would be paid for next year. A collection of something less than three mills for the next five years would pay for the High School. Taxpayers would have about nine years at less than two mills to pay for the Nellie Ackerson school. Mr. Boutell reported that the operation budget picture is not as satisfactory. With our extra millage we gained nothing on the deficit during this last year. He also stated that next year's budget is not expected to improve the deficit. This practice of a constant yearly deficit, he stated, is of great concern to the Board as the Detroit Banks question the legality of loaning operating money to schools who carry a deficit. Mr. Boutell stated that if our level of income is not improved the board has no choice but to cut maintenance and capital outlay and at the same time increase the teacher-pupil ratio. He stated that at the present time the budget for capital outlay and maintenance are embarrassingly low. Mr. Boutell thought that the citizens should consider replacing the Pleasant Lake Debt Retirement Tax with an equivalent Building and Site Millage earmarked for the improvement of school libraries and facilities so strongly recommended by last year's Study Committee. Mr. Boutell stated some comparisons of the Manchester District to the other five hundred thirty six districts in the state that he had compiled from 1960 State Department reports. At this time he stated there were 297 schools larger than our local school. There were 267 schools collecting more operating millage and total millage. There were ninety school districts with a better valuation per child than the local district. He stated that the picture has changed as the school enrollment has increased locally and the valuation has decreased. Mr. Boutell strongly recommended that area citizens involve themselves more than ever before in the future problems with school finance.

Education is an Investment

In an informal talk presented to the area citizens Monday evening Superintendent Masten stated there is some proof now that education is a sound financial investment. He stated that a recent study of government spending on Veteran's Education has proved to increase income of these service men to the point that the increased Federal Income Tax, because of this training, shows a yearly 10 per cent return on increased training and higher income there would be a return also realized on more property tax locally and more sales tax on a regional basis. Mr. Masten states that better instruction facilities, programming on the local level will produce adults better able to face adult responsibilities. In turn, these people should be in a better position to earn money, own property and pay taxes. In this manner the taxpayer can realize a substantial dollar return on their investment in education. Mr. Masten also reported that several of the less expensive items on last year's report had been completed this year. The major changes were as follows:
1. The enlarging of the Junior High School Library.
2. The removal of the hall storage room in Junior High School.
3. More integrated teaching in the senior High School.
4. The combination of High School Agriculture Classes.
5. The addition of a third year of German in High School.
6. The introduction of Speech into the High School Curriculum.

He reported that many other aspects of the program for improvement of the schools were being investigated. Mr. Masten finished his report with some personal recommendations for the consideration of the general public. He said that no time should be wasted in getting to work on a complete curriculum evaluation. Also he thought that School Board policies should be organized and codified in the near future.

Kick-Off Workshop Opens Fund Drive

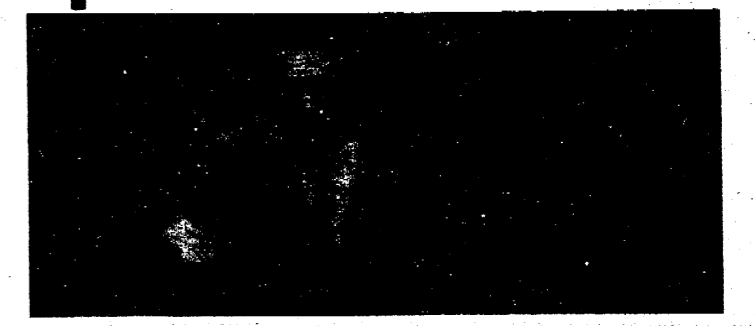

Manchester's United Community Fund and Red Cross Drive began a week ago with a workshop for volunteer solicitors. These men are this year's group of civic leaders who will be calling on the public until the quota of \$8,982 is raised for the 47 agencies associated with the Manchester Fund in 1962-63. Over ten per cent of the quota was raised the first week end, as the large feather thermometer in David-ter's store window proclaims. Watch this indicator for constant raises and the Enterprise for the weekly percentage reached. This year's quota is a minimum figure which has been decided upon by your local volunteer Community Fund Board. Four of these twelve members are elected each year at the annual Community Fund meeting in April. Suggestions for future drives, discussion of the past drive and what the agencies use the money for all take place at this meeting which the public is urged to attend.

Meeting the quota means that many residents will have to set their sights a bit higher this year than last when the quota of \$8,500 was slightly surpassed. Meeting the goal means that every donor gives NOW for the many, many requests that would be made if there was not a United Campaign. According to Drive chairman, Eugene Bentschneider there is no time to waste, the drive should be completed by November first. He suggests, "Be ready with your Fair Share."

EDUCATION IS AN INVESTMENT

He also reported that immediate plans should be made to build a satisfactory Junior High School Science facility and to make Educational T.V. available in some or all of the schools. These two projects if done within the next two years could be assured of financial aid from the Federal Government. Mr. Masten's recommendation for long range capital outlay included remodeling the Junior High School, Building a new study hall and auditorium at the High School and the addition of elementary rooms at Pleasant Lake. He said that the complete upgrading of library facilities and equipment is an immediate need.

WYNNE CHESTER SAYS:

"Knockin'" Old Bushy Tail

Well, my boy Mike has been digging through some old books again, and he's come up with another fascinating bit of outdoor information. Ever hear of "knockin'" squirrels? A hunter finds a squirrel stretched out flat against a tree trying to hide, takes aim just above the squirrel, and the bullet explodes the bark. This usually stuns the squirrel and the fall to the ground kills him, with no shot damage to the meat. Mike tells me this method dates back to the pioneers and their heavy old "punkin' ball" rifles. "Knockin'" squirrels calls for some pretty fancy shooting, though. I tried it. Then, too, there's great argument over the relative merits of 22 rifles versus shotguns. The first calls for a keen eye and steady hand, while the second comes pretty close to wing shooting. But "knockin'" or just plain "shootin'" give me the majestic beauty of the Autumn woods and plenty of chattering bushy tails, and I'll settle for either a featherweight shotgun or a fast slide action 22, and leave the great debate to others!

COLOR TOURS IN SOUTHEASTERN MICHIGAN

During early and mid-October, all Michigan is ablaze with color. But it is not necessary to go out of South eastern Michigan to find and enjoy autumn's glory at its best—Any way one drives out of Detroit or any of our other Southeastern area cities—the red and golds of fall are quickly apparent. In the Irish Hills area in Lenawee county where there are four marked tours each starting from various spots on US-12. Tour 1 starts at US-12 and M-50 and leads south and west ward through a beautiful lake region. Tour 2 starts at US-12 and Hayes State Park entrance leading north around Wamplers Lake. Tour 3 starts at US-12 and Killarney Highways (just west of the towers and is a shorter trip southward through the Hills). Tour 4 starts at US-12 and Pentecost Highway (between Evans and Spaid Lakes) leads south to M-50 and east to and through the Hidden Gardens. In the Waterloo Recreation Area of western Washtenaw county, the Chelsea Chamber of Commerce has marked a 20 mile and a 30 mile tour through this beautiful state playground starting from the main traffic intersection in downtown Chelsea. Their popular Sunday afternoon chicken barbecue, an annual affair, is scheduled for October 14 at the Chelsea Community Park.

FLAGS TO BE DEDICATED

The Reverend Jesse Epps, Pastor of the Manchester Methodist church, will dedicate the Christian and United States Flags, Sunday, October 21st at the 11 a.m. service.

The dedication of these flags will be the goal toward which the eighth grade Sunday school class, taught by Mrs. Floyd Pardee, worked during the past year. The class, now in the ninth grade has had a project each year. A new fifty-star flag for the church was their biggest undertaking and proved to be a little bigger than they had anticipated.

Sunday School Superintendent Robert Armentrout and other Sunday School officials

dedicated to get both flags and make up the difference out of Sunday School Funds. In the dedication service, Miss Brenda Eames, who was president of the class, will present the United States flag and Robert Armentrout will present the Christian flag. Pastor Rev. Epps will read the dedication service and prayer of consecration.

PERSONALS

Mr. and Mrs. Harold Mc Lain and Colleen of Pittsfield Village and Mr. and Mrs. William Kulenkamp of Ann Arbor and Mr. and Mrs. Billie Bunny called on Mr. and Mrs. Chas. Wurster Sunday.

'MOMS' GO TO BATTLE CREEK

Manchester Moms went to Battle Creek Wednesday where they entertained some 80 veterans. They served sweet cider and apples from the Alber Farm which was donated by them and the Moms also served donuts.

Women who went in the Red Cross car driven by Mrs. Ruth Smith of Ann Arbor were: Mrs. LeRoy Marx, Mrs. Ed Schumann, Mrs. Merle Cummings, Mrs. Herman Schultz and Mrs. Chas. Wurster.

FROM THE POSTMASTER

A extremely valuable part of our service to the public depends on the sender's furnishing a complete and correct return address on all mail matter," said Postmaster, George Morrison.

The following rules must be followed if your return address is to provide the maximum service benefits to you:

- 1. The proper location is in the upper left corner on envelopes, cards, labels, tags and wrappers. On second, third, and fourth-class mail of no obvious value, the sender must place "Return requested" below the return address or it will not be returned if undeliverable. 2. The return address should be complete and legible, including the name of the sender, the street address...

press or box number, the date and the state. In case of multiple dwellings, the apartment number or unit number should be shown. In the case of hotels, and office buildings, the room number should be indicated.

If you habitually follow the above simple rules, that important letter or valuable parcel will be returned to you undelivered. You will then know with certainty when your mailings have not reached the addressee and you will be able to take whatever corrective action you think essential. In the overwhelming majority of cases, when your letter or parcel is deliverable, your friend, business associate, or other correspondent will appreciate your courtesy and thoughtfulness in providing the return address in the upper left corner where it is readily accessible. The constant use of a return address on your mail is the best method of insuring that your correspondents are aware of your correct, current address.

Postmaster Morrison cautions mailers not to place the return address in any position other than in the upper left corner of the mailing piece or label. Postal employees are required to process large volumes of mail rapidly so it is quite possible for them to overlook return addresses placed in unauthorized positions. Mailers may assure prompt, accurate return of undeliverable mail mail by compliance with these instructions.

MYF TO GO TO CHELSEA

The Methodist Youth Fellowship of the Manchester Methodist church has been busy making plans for the Harvest Festival at the Chelsea Methodist church home for the aged on Sunday, Oct. 21st beginning at 3 p.m. Along with several other youth fellowships of the Ann Arbor District, of the Methodist Church, the local chapter of the MYF has been raising money, collecting jams, jellies and produce which will be taken to the Chelsea Home and displayed there in competition with other chapters. The money and produce will be left at the home to be used there to subsidize the Home's other income.

The youth will also tour the Methodist Home's newly constructed unit which is 98 per cent finished and when finally finished will cost \$1,200,000. This new unit will make it possible for 98 more guests to be housed there over the 145 guests who now live there. The new unit will be dedicated on December 7 debt-free, the Reverend Edwin J. Weiss, Superintendent has announced.

Anyone wishing to help the MYF in this cause, may call the local counselors Mr. and Mrs. Robert Novess, or the Pastor, the Rev. Jesse Epps for more details.

ROAD CLOSED THIS WEEK

Allen Road bridge on Allen road, just south of Manchester, between Hogan Road and Clinton Road is being closed this week and will be open again about December according to Fletcher Desautels, Road Engineer for the Washtenaw County Road Commission. The project will cost about \$5,000 and items involved will include the removal of the old floor and replacement with a new floor. The old stringers will be removed and be replaced with new concrete beams to strengthen the floor. A new corrugated metal deck, fitted with black top will replace the old one. The road will be completed about December 1 and until that time will be completely closed to traffic, the road commission representative said.

DOLLAR and SENSE FARMING.

START PULLETS OFF RIGHT. Once a flock has developed a habit of laying on the floor it is difficult to correct the situation. Many poultrymen report fewer initial floor eggs if they house pullets late—between 10% and 20% production. The idea is that the pullets go directly to the nests instead of a dark corner to lay. Use artificial eggs to attract pullets to the nest. Don't overcrowd birds. Locate nests near the floor and space nests so birds won't have a long distance to travel.

SOYBEAN PRICE MOVEMENT will fare a little better than last year, but prices won't run away, as they did two years ago. The price basis is the \$2.25 per bushel average loan rate. The government resale price of 19c per bushel over the No. 2 loan will in effect, put a ceiling on prices. If you have farm storage available, use it. Prices probably won't go much over your county loan rate plus 19c, but they should move up enough for your net return to equal gross loan level.

FEED COSTS make up about three-fourths of the cost of growing hogs to market weight. It is here that the greatest opportunity lies in reducing costs. You can cut feeding costs by adjusting protein content in the ration according to the weight of hogs fed. From weaning to 75 pounds, feed between 14% and 16% protein; from 75 to 150 pounds, reduce protein to around 12% or 14%. From 150 pounds to market weight the hogs will need only 10% to 12%.

IT'S TIME AGAIN to make farm rental agreements for next year. Under the present high capital requirements of modern agriculture, many farmers are fair agreement the landowner and tenant divide the income in the same proportion as their costs, including labor.

PUBLIC TO MEET CANDIDATES

Twenty-four candidates for office will be presented at a Candidate Fair at the Arborland Shopping Center on October 29, sponsored by the League of Women Voters of Ann Arbor and Ypsilanti.

The Fair, to be held from 7:30 to 10:30 p.m. in the Community Auditorium at Arborland, is being planned to get the voters an opportunity to meet personally and talk informally with the candidates. Each candidate will have a special area to distribute literature and to meet voters.

Candidates for the U.S. Congress from the Second Congressional District, for the State Legislature from Washtenaw County, and for all county offices are expected to attend. All candidates will be introduced, and those running for Congress and the State Legislature will make short "stump" speeches, followed by question and answer periods.

A major attraction of the Fair, however, will be the free periods set aside for voters to circulate among the candidates, discussing issues of interest with them on an individual basis.

The League hopes that the Fair will be particularly helpful to the independent voter who does not attend party functions. The personal contact will also give the citizens a chance to express his views on issues to the candidates.

League members will demonstrate a voting machine have sample ballots on display, and provide nonpartisan information on any proposition on the ballot. Coffee and cider will be served. All interested citizens and their high school age students, are urged to attend.

YOUNG ADULT FELLOWSHIP MEETING

The Fellowship Hall of the Manchester Methodist Church will be the special meeting place of the young adults of the church Saturday, October 20 at 8 p.m. for an evening of recreation fellowship and refreshments.

Special leadership for the recreation, community singing and fellowship are to be here to demonstrate what can be done for young adults. Those coming from out of town are the following: Mr. Jim Stevens, Conference Director of Young Adults, Detroit; Margaret Zandt, music teacher from Wyandotte, vice president of YAF of the Conference; Alair Bradley, Special Education Teacher, Flint; Elaine Medcalf, Secretary of the Conference YAF; William Nicholas, Chairman of Study and Worship, the Conference YAF and representative of the Flint District; Dorothy Higgins, representative of Ann Arbor District, secretary at Wyandotte Methodist church.

Letters have been sent out to 22 couples and 24 single people by the committee. Single people may or may not bring a date. It is hoped that all will want to come and be a part of this gala affair. Mr. and Mrs. Gerald Randall are in charge of arrangements.

Mrs. Howard Higgins is a patient in Herrick Memorial hospital.

EXCITING! GO '63 CHEVY II

SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too, with a bit of freshening here and there. The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher

beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

KLAGER PRAISES MANCHESTER YOUTH

At Monday evening's meeting President L. Klager stated "the honesty, integrity and morality of Manchester young people is of the highest caliber." He asked people to compare the citizenship of these 1050 children with that of any group of adults of a relative size.

He gave a large amount of credit to the parents of the Manchester children. He stated that children pretty well reflect their environment. The Churches, parent and school, should receive a lot of credit for producing this type of child. Cooperation between the home, church and school is to be complimented Klager said.

Mr. Klager went to say that it is the job of the Community to give something more than adequate to these young people for their future happiness. Education should not be thought of as an expenditure but rather as an investment in the future.

Mr. Klager stated that of every twenty High School Graduates there are: Four College Graduates, Three people with less than a College Degree and Thirteen who for some reason have terminated their formal education with the high school diploma. Several of these thirteen will attend trade or business schools.

Therefore, we must not only take care of the College bound student. We also must give the other 13 the chance to develop to their ultimate in the Manchester Public Schools.

IRISH HILLS COLLISION INJURES 3

Two Manchester residents and a Brooklyn youth were taken to Herrick Hospital Tuesday, after a two car collision near Twin Lakes in the Irish Hills.

Mrs. Lyle Reinhart, 39, of Manchester was reported in "fairly good" condition with head and face injuries and Diane Rowe, 18, of Manchester and Edward Langowski, 15, of Brooklyn, suffered cuts and bruises.

Troopers said the cars were driven by Mr. Reinhart, 42, and John Bittinger, 17, of Brooklyn. They met at the crest of a hill on narrow Lake Shore Drive, officers reported.

FEDERATED CLUBS CLUBS TO MEET

The Washtenaw County Federation of Clubs will hold a meeting October 22 at the Calvary Presbyterian church, 2727 Fernwood St., East Ann Arbor.

The board meeting will be at 11 a.m. and registration at 1 p.m.

The meeting will start at 1:30 p.m. and tea at 3:15. The program is by the Social Welfare Department with Mrs. Carleton Heilbronn, chairman.

Speakers will be the Rev. Paul Miller, Chaplain of Ypsilanti State Hospital. Members of the Twentieth Century Club and the Shakespeare clubs of Manchester are urged to attend.

BOARD MEETS WITH AREA CITIZENS

The Board of Education met with area citizens of the Manchester Public School District Monday evening. The purpose of this meeting was for organization of interested parents for the purpose of planning the future of Manchester Schools.

About 40 people attended and took part in the program.

It was decided the work on School Curriculum, School Finance, School Facilities School Library, Educational T.V. and Adult School Services are main items for consideration this year. In all probability these sub committees will be appointed by the Board of Education. People of the Manchester District are encouraged to get interested and participate in this school planning. President Klager and other Board Members urge people to call and indicate their interest area.

Manchester Telephone Lines

By NICK PRAKKEN, Manager

A SHORTAGE OF PHONE NUMBERS?

That's what would happen in the future if the present 2-letter, 5-numeral system of telephone numbers were continued. Because of growth in population and the increasing demand for telephones, there just wouldn't be enough usable letter-numeral combinations to go around in the years ahead. So Michigan Bell, along with other telephone companies throughout the nation, is gradually adopting the new "All-Number Calling" system of 7-numeral phone numbers. This will insure enough telephone numbers for our ever-growing population, as well as a uniform numbering system.

STORMY WEATHER'S ON THE WAY.

And more than ever on those bitter cold days ahead, shopping by phone is the convenient thing to do. What could be faster, easier, and just plain cozier than ordering whatever you need by a few flicks of the telephone dial? So if the weather's the give-you-the-sniffles variety, or you just can't get away from the house, let your telephone do your running around for you. The Shop-by-Phone habit saves you time, saves you steps, saves YOU.

Frozen French Fries Add Glamour To Chicken Pie

Treat your family to a new version of the all-American favorite Chicken Pie. The beautiful aroma of the flavorful combination of chicken and vegetables cooking in a sauce to which a whisper of herbs has been added gives an air of specialness and a feeling of "happy occasion" to any meal.

- FRIES 'N CHICKEN PIE WITH MUSHROOM SAUCE
2 packages (9 ounces each) frozen french fries
4 eggs beaten slightly
1 cup milk
1 1/2 cups diced cooked chicken
1 package (10 ounce) frozen green peas, defrosted
1 teaspoon instant onion

Reserve 1/2 of French fries for top of pie. Line bottom and sides of buttered 9-inch pie pan with remaining French fries, standing French fries up on end around edge of pan. Combine and mix eggs, 1/2 cup milk, chicken, peas, onion, pimiento, tarragon leaves, and pepper. Pour into pie pan. Arrange remaining French fries on top. Bake in moderate oven (375 F.) until mixture is set, about 45 minutes. Combine mushroom soup and remaining 1/2 cup milk; heat. Serve with pie. Yield: 6 servings.

UNITED FUND

This year's Manchester United Community Fund and Cross Drive is running and schedule with only 4 reported to the campaign chairman, Eugene Schneider, by Oct. 23. This time last year 50% had been reported. The total of \$8,982 is almost 90 higher than last year, there will have to be an increase in the number of reports in the area as well as a slight increase in the individual gifts in order to meet the minimum quota for human needs of the area. The Clinton portion of the drive (for Red Cross Funds) has also been slow in reporting and those teams still not reported at this time. The area of the Clinton school district is included in the Manchester area. The Cross Blood Club and before have their drive Red Cross membership this time. I am confident that this drive will be quickly completed," states Chairman Bentschneider, "and the drive will soon gain momentum and that this year as always, Manchester will live up to its tradition of meeting its goal."

WED IN HOME CEREMONY SUNDAY AFTERNOON

Sarah Dickson Reck and John Edgar Wakefield were married Sunday afternoon at 4 p.m. in a double-ring ceremony, at the bride's home on 665 West Main Street, Manchester. The bride, a senior in special education at the University of Michigan, graduated from Manchester High School in 1959. She is the daughter of Mr. and Mrs. Franklin M. Reck. The bridegroom, son of Mr. and Mrs. Edgar Wakefield of Ontario California, will receive his degree in music education at Michigan in February. He is a member of the University Symphony Band that toured Russia and the Near East last year.

Mrs. John Wakefield North Campus, while continuing their work at the University. Their address is 2201 Gram Place, Apartment 6.

The bride wore a jade green satin dress with bell-shaped skirt and boat neckline, and a flower-petaled headdress with shoulder-length illusion veil. She carried a crescent bouquet of gardenias.

Her maid of honor was Gretchen Holstein, graduate of Manchester High, now living in Grosse Pointe Park Michigan. Miss Holstein wore an antique gold silk street-length dress and shoulder-length veil. Her corsage was white chrysanthemums.

The best man was Darwin Liverance of Fowlerville. The vows were read by the Rev. Chester H. Loucks of Ann Arbor, Associate Director of the Ann Arbor-Washtenaw Council of Churches.

A buffet supper was served at the home of the bride's parents to fifteen guests. The bride's mother was assisted by Mrs. Robert Huber. Guests were Mr. and Mrs. Lyle Hacker and son, Bryan of Howell, Mich., Mrs. Chester Loucks and Mr. and Mrs. Bruce Galbraith of Ann Arbor, Mr. and Mrs. George Merriman and the bride's grandmother Mrs. Anna Yungclas.

The newly weds will be at home in their apartment on
