

MANCHESTER JAYCEE'S SEAT BELT DRIVE

BLANKETS CAN SAVE A LIFE

Michigan Protestant Churches, with the help of the Council of Churches and United Church Women, are conducting an intensive campaign to collect good used and new blankets for Algerian relief, according to Mr. Russell Hartzler, Michigan CROP Director. The slogan "bring a blanket and a quarter to Church Sunday is part of the promotional material being used in more than 2,000 Protestant Churches in Michigan.

650,000 blankets are being sought in view of the bitter winter ahead. 10,000 blankets were shipped by air in late November, but many more are needed.

From January 7 to 12 Church World Service trucks are collecting blankets from some 40 selected depots in Michigan and taking them to Church World Service Center in Nappanee, Indiana where they will be sorted, baled and quickly sent on their mission of mercy.

Sunday, Jan. 6 is the last Sunday in the current appeal to take your blanket and quarter (for processing costs) to Church. Your church will tell you whether your church is participating.

POLICE NAB YOUTH IN STOLEN AUTO

Jackson police are holding a 16-year-old boy on stolen car charges after a high speed chase west of Jackson early Wednesday morning.

The youth was apprehended by Cpl. Richard Fox at W. Michigan Avenue and Dearing Road at about 5:30 a.m. after a seven-mile chase from the Way Baking Co. parking lot on Carr St. at speeds up to 90 miles an hour.

The boy is accused of stealing one car in downtown Jackson about midnight, abandoning it after it crashed into a tree on West Austin road west of Manchester and then stealing another car in Manchester.

The car stolen in Manchester belonged to Gerald Randall of 418 East Main street and was parked in front of his home at the time it was taken. Mr. Randall didn't realize his car was stolen until he was ready to drive it to work.

Cpl. Fox said he was checking the Way Co. parking lot for the car reported stolen in Jackson when the blanket appeal is being coordinated by Michigan CROP, Box 206, Lansing.

automobile, driven by the youth sped out of the lot and headed west on Wildwood. At one point in the chase, Cpl. Fox said, the youth attempted to force his police car off the road. The boy stopped after his car went into a ditch and back onto the road.

A car owned by Jesse Bommarito of Albion had been reported stolen from Pearl and Mechanic Streets. It was found later by state police of the Clinton Post against a tree on Austin road, west of Manchester.

LETTER TO THE ENTERPRISE

Mr. and Mrs. Herman Braun of Manchester and Mr. and Mrs. Harold Tharby of Belleville are enjoying the winter in Florida. They visited the observation deck of Citrus Tower in the highlands of Central Florida at Clermont where the view includes the largest concentration of citrus in the world. Over 17 million citrus trees are within the 2,000 square mile area seen from the top of the tower.

They also visited the Cypress gardens, Bock Tower, The Great Masterpiece and then returned to their winter home at Deerfield Beach, Florida.

METHODIST MISSION NOW SCHEDULED

Manchester Methodist church has most of the arrangements made for the Angelistic Mission to be Sunday at the 11 a.m. service with Dr. Hugh Downey, pastor of the Ames Methodist church, Saginaw, as guest preacher. His subject will be "A Letter That Changed History."

Special music will be given each evening during the week at 8 p.m. service through Friday, Jan. 18.

Sunday evening, a group of High School youth under the direction of Mr. Roger Morrison, music instructor, will give the special music.

Monday, Mr. Morrison will be guest soloist. Tuesday evening Mr. John Neuderfer will be guest soloist. Others during the rest of the week will be presented including Mr. Russell Widmayer, Jr. of Ann Arbor; Mrs. Robert Armentrout, Mrs. Celestia Ingraham and the Methodist Choir.

Dr. Townley comes to this church with many years of preaching and pastoral work. He understands the problem and concerns of the local church and is prepared to give his best during these meetings, according to the Methodist church pastor, Rev. Jesse Epps. Dr. Townley will be entertained by Mr. and Mrs. Tom Walton during his stay here. His picture was in last week's Enterprise.

Pastor, Reverend Jesse D. Epps hopes that every christian will feel free to attend these services and enjoy this spiritual uplift and inspiration. The public is invited.

NAMED TO POST

NUPTIAL MASS AT ST. MARY'S CHURCH

Marjorie Marie Hieber, daughter of Mr. and Mrs. Paul L. Hieber of Saline and Michael Anthony Scully son of Mr. and Mrs. Leo Scully of Manchester repeated their wedding vows in a double ring ceremony at St. Mary's Catholic church Saturday, January 5.

Rev. Fr. William Schneider officiated at the Nuptial High Mass before an altar decorated with bouquets of white mums at 11 a.m. Mr. and Mrs. Harold Bersuder of Bridgewater sang the Mass accompanied by Mrs. George Swank at the organ.

Given in marriage by her father, the bride was wearing a white peau de doie gown of a fitted designed bodice, long sleeves and round neckline. A fan of self material was attached to the back of the waist with a floating panel of illusion. She carried a white orchid and mums on a prayer book. The bride's gown was designed and made by Mrs. Russell Hughes of Manchester.

Maid of honor was Carolyn Conner of Saline, friend of the bride. Her gold brocade dress featured a bell shaped skirt with a cabbage rose headpiece with an attached illusion cape. She carried a bouquet of greens centered with a wood rose. Bridesmaids were Mrs. Gilbert Hayes of Ann Arbor cousin of the bride and Phyllis Hartman of Saline. Their gowns were identical to that of the honor attendant.

Best man was James Scully of Manchester, brother of the bridegroom. Seating the guests were William Kirk, Jr. and Douglas Elfring of Saline. The flower girls were Sharon Hieber of Williamston, neice of the bride,

and Brenda Elfring of Saline neice of the bridegroom. Their gowns were ivory colored silk with a fitted bodice, full skirt and sash bows. Their headpieces were cabbage roses and they were carrying tote bags of mums and greens.

A reception was held at St. Mary's Church hall immediately following the ceremony for 150 guests. Mrs. Dale Monagin of Britton and Mrs. Eldean Hieber of Williamston cut the cake. Pouring were Mrs. James Scully of Manchester and Mrs. Douglas Elfring of Saline. Joann White of Manchester had charge of the guest book. Assisting were Carol Burmeister and Mrs. Robert Kessel, both of Saline.

Sunday the newlyweds left for Ft. Hood, Texas where Pfc. Scully is now stationed. The couple will reside near Ft. Hood, Texas.

COUNTY DOG VACCINATION CLINICS SET

Washtenaw County Veterinary Association and the County Health Department will hold anti-rabies vaccination clinics throughout the county, according to a schedule announced by Dr. George E. Bowler, public health veterinarian.

Members of the veterinary association will administer vaccine which has been legalized for two-year immunity by the state. The charge at the clinics will be \$3 per dog.

Certificates of vaccination which must be presented by dog owners when purchasing dog licenses will be issued at the clinics.

January 16 clinics will be held from 7 to 9 p.m. at the County Road Commission Garage in Manchester;

Bank Director Resigns

G. William Kramer

The Board of Directors of the Union Savings Bank of Manchester announced this week that Director G. William Kramer had asked to be relieved of his directorship on the bank board due to illness.

Mr. Kramer was first elected to the Board of Directors of the Peoples Bank in Manchester at the annual meeting January 14, 1936. During his tenure of office on The Peoples Bank board and later on the board of the Union Savings Bank after the merger in 1956, he has seen the combined total assets of the institutions grow from slightly over 1 million dollars to the present total assets of over 6 million dollars. He has held the title of Vice President of both of the banking organizations.

His superb knowledge of people, families, and property in the area will be greatly missed by the officers and bank board. G. William Kramer was born in Manchester on St. Patrick's day in 1881 in the same home where he and his wife now reside. He is the son of Joseph and Sally Kramer. He graduated from Manchester High School and in 1907 he graduated top in his class, with a Bachelor of Music degree from Ohio Northern University in Ada, Ohio.

During his school years he was very active as a singer in many theatrical productions and also as a soloist at many weddings and other social functions. He was chosen as soloist at the Commencement for his Ohio Northern University graduation.

After graduation from college he traveled for several years with the Burgomaster Shows in their opera-type presentations. These shows were presented in nearly all of the states and throughout Canada.

On leaving the show business, "Bill" spent several years in the egg and poultry business in the Manchester area. His enterprise was located in a frame building on the corner of Riverside and Duncan Streets, which property he later sold to Alvin Ahrens, who built the present brick home located on this corner.

Bill and his wife, the former Minnie Burman, were married in 1931.

In 1918 he joined the Post Office Department as a rural mail carrier on a route through Freedom, Sharon, and Bridgewater Townships. He became famous on the mail route for his accommodating nature and his annual portrayal of Santa Claus to all his patrons. It was his custom at Christmas to dress as Santa and with Mrs. Kramer driving him would deliver his mail and also personal gifts to the children on his route. He received many citations and much publicity for this activity.

He retired from the Postal Service in 1950, and many will remember the parties and tributes given to him at that time. Bill was one of the organizers of the Father Edwin Fisher Manchester Council of the Knights of Columbus and was the first Grand Knight of this group.

He was always active in church and civic projects and always ready to lend a hand to someone in need. The bank Board of Directors and many friends extend good wishes to Bill at this time and their hope for his recovery.

DRIVERS WARNED AGAINST SPEED Manchester's Police Chief Van De Ginste warned motorists today that they are flirting with serious traffic accidents if they fail to reduce speed winter driving. Many drivers seem to think that any road which is safe in July at 50 miles an hour is just as safe in January, the chief said. This isn't true. Some of the recent accidents that are proving that, the chief noted that some motorists who equip their cars with snow tires in the winter gain a false security. "Snow tires and chains are good items to have during winter but if you're driving that car too fast, those things won't do you any good at all," Chief Van De Ginste pointed out. He said that a car equipped with snow tires moving at 20 miles per hour requires 174 feet to come to complete stop on glare ice while on packed snow 2 feet is required. Cars with only regular tires need 195 feet to stop on glare ice at 20 miles per hour while on packed snow at the same speed it takes a car with regular tires 60 feet to come to a stop. The chief noted that there has been a flurry of rear-end collisions this winter with many of the accidents caused by a driver incorrectly figuring the distance needed to stop his car.

Cakes, Candles, Commemorations Light March of Dimes 25th Year

Throughout the nation this month, candles will be lit on birthday cakes to symbolize the 25th anniversary of the March of Dimes. The cakes will range from real ones of conventional size to monster, multi-tiered models as much as 12 feet in height and 10 feet in diameter—the approximate dimensions of the one to be erected in New York City's famed Times Square. Guests at anniversary events around the country, where cakes will be of more modest proportions, will be invited to decorate them with coins for the March of Dimes. Many "parties" commemorating a quarter of a century of disease fighting will be held at special treatment centers for birth defects, arthritis and polio which March of Dimes contributions are financing today in more than 40 cities across the U.S. Other gatherings will be held in county chapter offices of The National Foundation-March of Dimes, in the homes of volunteers and elsewhere. In many instances, guests at these campaign "kickoffs" will include governors or their wives, mayors and outstanding authorities in health fields. Other guests will be Americans of all ages who received March of Dimes aid during and after the epidemics and outbreaks. Also present will be children and adolescents with birth defects or arthritis who have been treated at these March of Dimes centers. To raise the millions required every year for patient aid and research in birth defects, arthritis and polio, each March of Dimes campaign is carefully planned many months ahead. There are millions of contribution envelopes and coin collectors to be distributed around the nation; hundreds of thousands of posters to be erected in every hamlet, town and city; two million volunteers to be organized for the Mothers' March (the climax to the campaign at the end of January), and March of Dimes films to exhibit to explain the work of the voluntary health organization. Arrangements must be completed for the visit in January of the National March of Dimes

Jimmy Boggess, 5, of Coy, Ark., the 1962 National March of Dimes Child, blows out candles on birthday cake symbolizing first 25 years of aid to the crippled by the health organization.

Child—who this year is Jimmy Boggess, 5, Coy, Ark.—with President Kennedy at the White House and with various Senators and Congressmen and other dignitaries as well as with personalities of the stage, screen and television. Special events for the March of Dimes are staged in all the big cities, many lesser ones and in some small towns. These include March of Dimes bowling tournaments, with "roll-offs" to select a national man or woman champion, fashion shows, auctions, telegrams, Coffee Days, Tag Days and street sales, neighborhood bread sales, air-lifts and a long list of sports activities. The theme of this 25th Anniversary March of Dimes, which is "Give for the Life of a Child," will be stressed in all these special events, and the story told of the first 25 years of the organization. Highlights of that story are: Patients aided, 338,000; expended for the medical care program, \$385,500,000; for scientific research, \$73,600,000; and for professional education, \$38,000,000. Basil O'Connor, president of The National Foundation-March of Dimes, referred in a recent speech to the 25th anniversary of the health agency. "Most certainly we take pride in our past 25 years, and we rejoice. But deep down we really think of that quarter of a century as only the springboard for our future."

FARM COUNCIL ANNUAL MEETING

Washtenaw County Farm Council annual meeting will be held Tuesday, Jan. 15 at 8 p.m. at the Pittsfield Grange Hall on the Saline-Arbor Road.

Four new members will be elected to the Board of Directors to replace Don Gill, Ypsilanti; Wesley Amsdill, Dexter; Fay Hopkins, Grass Lake and Willis Hassett of Manchester.

BE CAREFUL WHAT YOU WANT

There is wisdom in the saying, "Be careful what you want-you might get it." Farmers should know.

For a long period in history, American farmers were not careful of what they wanted. They asked for all types of government aids and programs.

The annual meeting for API will be held at 4 p.m. January 29, at Michigan State University in conjunction with the "Poultry Day" of Farmer's Week.

The Michigan ADA meeting is scheduled for 10 a.m. February 1 at Michigan State University. Stressed will be the idea that dairy farmers have made tremendous advances in production without equal advances in marketing.

The work of these self-help groups is a positive force for agriculture. They represent the idea that the best helping hand a man can find, is the one at the end of his own arm.

CORN CRIBS OBSOLETE?

Corn cribs, which have been a familiar sight on farms for many years may disappear in the future.

Results of a study conducted at Michigan State University show that storing ear corn in the crib is the most costly method because of greater losses in both harvesting and storage.

Artificially drying corn and storing in steel bins, concrete stave or gas-tight silos resulted in still higher annual costs.

Costs for storing ear corn in a wood crib averaged 32.1 cents per bushel. This figure did not consider the greater field losses, points out Hoglund.

FARMERS WEEK JAN. 28 FEB. 1

Science will take the spotlight for the 44th Annual Farmers' Week at Michigan State University, Jan. 28 to February 1.

Electronics of interest to farmers will be shown in IBM's new 1620 computer. The ingenious machine will come up with answers for decisions in the complex business of modern day farming.

Tuesday Programs—"Problems Bothering Farmers--and the Answers," and "Young Farm Families Face the Future," will be presented by MSU's agricultural economics department.

Friday Final-Program features will include a meeting of the Michigan Sheep Breeders Assn. and the yearly session of the American Dairy Assn. of Michigan.

JACEES TO SELL SEAT BELTS
 Seat belts will be sold by the Manchester Jaycees this Saturday and Sunday, January 12 and 13 at the Marshall Ford Garage here. Hours on Saturday will be 1 p.m. until 6 p.m. and on Sunday from 11 a.m. until 6 p.m. Wednesday the belts will be sold beginning at 6 p.m.

The Jaycees believe that every car in Manchester should be equipped with seat belts. Statistics show that motorists whose cars are equipped with seat belts escape their chances of escaping injury by 250 per cent. This means that countless lives can be saved with seat belts. Thousands of dollars can be saved here

in Washtenaw County alone. The seat belts the Jaycees are selling is the Jayceet belt, which meets and exceeds Federal and State standards.

Is your car safe? Or do you need seat belts? Those are the questions the Manchester Jaycees ask you.

SEAT BELTS SAVE LIVES
 Each year more cars are equipped with seat belts. Each year seat belts save more lives.

But only 8 per cent of the cars in Michigan have seat belts. So many more lives could be saved in Michigan alone. The National Safety Council estimates that 5000 lives would be saved if every motorist used

seat belts.

Here in Washtenaw County the estimate is that half of those killed while riding in vehicles would be alive, if they had been wearing seat belts. Veterans' Administration officials have found that 30 Washtenaw county tragedies in 1962 could have been avoided. Those men, women, and children need not have died. That loss to humanity should not have happened. But

those people did not use seat belts.

Most accidents are not fatal, of course. The American Medical Association estimates that 400,000 motorists each year are confined to home or hospital needlessly. These are the 400,000 injuries which could be avoided by use of seat belts. These are the 400,000 who did not have to lose time from their jobs, from their education,

or from their families. Although exact figures are not available for Washtenaw County, a good estimate is that 350 people are seriously injured each year because they do not use seat belts. Thousands are lost to our economy as a result of these needless injuries.

An accident need not be head-on at 70 mph in order to kill. Half the fatal accidents in cities occur at speeds less than 30 mph. The seat belt will probably not save the drunkard who crashes into a tree at 90 mph. But seat belts will help the average driver involved in a moderate speed accident. Seat belts keep motorists inside the car, the safest place in an accident. Seat belts also keep the driver behind the wheel, where he can retain some control over his car. Seat belts can save lives. Only 8 per cent of the cars in Michigan have seat belts. Who will have the next accident?

School Board Studies Parking Problem

School Board met in regular session with president Her Klager calling the meeting. The financial report as submitted by Dan Stoll was approved.

Clarence Fielder and Lorenz Trolz made a motion to the outstanding bills. One of the most important items before the board seemed to be regarding parking regulations at the school. Police Chief, Les Van De Ginste had brought to the attention of the board that people visiting the school to attend various functions such as games and school programs, etc. are particularly where they park. Invariably someone manages to park in front of doorways and block the approach. In the event of any type of disaster in the building, fire, accident or like, either the ambulance or the fire department would be able to get to the building because of cars blocking the doorways. A committee headed by Bernard Kemner with Lorenz Trolz and Clarence Fielder will meet with Chief Van De Ginste to work out a solution.

Robert Masten reported that the salaries for 62-63 amount to \$252,775 including the salaries of the superintendent, principals and substitute teachers. If the same program is carried out it will amount to \$258,544 for the 1963-64 school year. A more extensive explanation will be available at the next meeting when the tentative budget will be presented for the 1963-64 school year.

A short report on the curriculum committee was discussed.

Dan Boutell moved that the school board apply for an insurance title policy available for County Schools. This was approved.

Robert Masten reported on traffic accident near the high school earlier this month. A local school bus was near the scene at the time but was not involved—except as a witness to the accident. Various miscellaneous problems were discussed and the meeting adjourned at 11 p.m.

Business Women Form Citizens' Scholarship Fund

Diehl-Lannom Rites Read Sat.

At 5 p.m. Saturday, January 12, Walburg Diehl and Roscoe Lannom, both of Manchester, repeated their wedding vows at the Emanuel church chapel lounge before the Rev. Ralph Kuetner, pastor.

The attendants were Mrs. Ralph Kuetner of Manchester and Max Bauerman of Dearborn.

For her wedding the bride chose ice blue satin street length dress with matching hat. Her corsage was of gardenias.

Mrs. Kuetner's gown was deeper blue brocade with a matching hat. Her corsage was white camellias.

A reception and dinner followed at the church hall and was served by the Tabca Society. Christiane Diehl had charge of the guest book and Mrs. Henry Deters of Ann Arbor poured punch.

The couple left on a two week honeymoon in Florida and when they return they will reside at 5224 Happy Hollow Road, Manchester.

Mr. Lannom owns and operates Lannom's Variety Store here.

Guests were from Detroit, Bloomfield Hills, Ann Arbor, Jackson, Ackerson Lake and Manchester.

A Citizens' Scholarship Foundation of Manchester was formed from within the membership of the Manchester Business and Professional Womens Club on January 14 at a meeting held at the home of Mrs. Hollie Ayres. Its purpose is to make certain that no worthy area youngster is denied a college education. It is dedicated to assisting students in the upper half of their class for whom existing scholarships may not be available or may not be quite enough to aid them in realizing their goal of advanced education. This include "A", "B", and "C" students who have shown qualities of future leadership through enthusiasm, ambition, drive and who have gained the respect of the community.

Officers of the local foundation are: Lilli Ann Ayres, Chairman, Dorothy Purfield, Vice-chairman; Gertrude Fielder, Secretary; and Ethel Griffin, Treasurer.

The scholarship plan was founded about five years ago in Fall River, Massachusetts by Dr. Irving A. Fradkin, an optometrist. Since then it has spread to over 100 communities in 30 states; there are three other chapters in Michigan: Allegan, Addison and Gladstone. The Scholarship Program is described in an article, "Dollars For Scholars", in the March 1962 issue of the Reader's Digest. It received the top award from The National Education Association and The National School Board Association 1962 Better Homes and Gardens "Action in Education" award program. The Citizens' Scholarship Foundation of America, Inc. recently received \$12,000 from the Fund for the Advancement of Education which is an organization established by the Ford Foundation. A national office has been founded to aid communities like Manchester in organizing a local chapter.

The Citizens' Scholarship Foundation of Manchester will be financed by selling \$1.00 or more memberships in the foundation; it will give each citizen the opportunity and privilege of aiding worthy local students in obtaining advanced education. Students who receive grants will be expected to repay the foundation as soon as they are able so that the money will become a revolving fund. It will be interest free.

A membership drive will be announced soon, according to the officers of the local chapter. All organizations and churches of Manchester and vicinity will be contacted to lend their support.

Bentschneider Receives Award

Eugene Bentschneider received his United Fund Achievement award at the Manchester Community Fund Board meeting Thursday field representative for the Michigan United Fund, presented the award to Bentschneider as he was unable to attend the meeting in Lansing at which 165 other successful United Community Fund campaign chairmen were honored in December.

The Lansing meeting was sponsored by the Burroughs Corporation as a tribute to United Fund volunteers. Semon E. Knudson, General Motors Vice President and General Manager of the Chevrolet Division and a long time Michigan United Fund volunteer, praised the work of the 165 communities that raised their funds for cooperation health and welfare agencies through one large drive.

Other business at the board meeting included disbursement of 1962-63 Campaign Funds according to the amount budgeted for the drive, discussion of the past campaign procedures and scheduling of the February meeting for 8 p.m. February 28 at the Elementary School.

Mrs. F. J. Kirk and L. V. Kirk and daughter Susan attended the wedding of Viola
