Huber, J. Fred Schabile and Howard Clark decided it would be to the best interest of the growing town to pave the rest of the road to the curb. A special election was held October 29, 1927 as to whether or not the village should loan \$18,750 for paving purposes. Vote was in favor, 482 for and 20 against paving. The total cost was \$34,996.99.

In 1928 A. J. Waters was village president and in November a Bid was let by the State Highway Department to build the Main St. bridge.

Next week's Enterprise will give more of the highlights of Mr. Marx and his notes of the happenings of council as they affect the community.

Delicious Baked Omelet
It is easy to make a beautiful cheese omelet, if you bake it in the oven, instead of cooking it on top of the stove. This recipe will serve six people, but requires only four eggs.

BAKED OMELET
4 eggs
3 cups milk
1/2 lb. grated Cheddar cheese (2 cups)
2 cups soft bread crumbs
1 tsp. salt
1 Tbsp. minced parsley
1 Tbsp. Lea & Perrins Worcestershire Sauce
Beat eggs with a fork until light. Add milk, then add the rest of the ingredients. Pour into a greased 1 1/2 quart casserole, set dish in a pan containing an inch of hot water. Bake in a moderate oven (350 deg. F.) until firm. Sprinkle with parsley just before serving, or serve with Tomato Sauce. (Serves 6)

TOMATO SAUCE
1 No. 2 can tomatoes
1 tsp. dried basil
1 onion, chopped
1 bay leaf
1/2 tsp. salt
1/2 tsp. pepper
2 Tbsp. butter
Simmer the tomatoes together with the rest of the ingredients, except the butter, for about 1/2 hour, or until sauce is reduced by a third. Strain, add butter, and serve with baked omelet.

PRUNE CHEESE CAKE

Here is a layered cheese cake frankly rich and sumptuous. Below, it's all winery fruitiness set on a crunchy crust; above velvety cheese creaminess with more of the crust as a top-off. The fruity part is prunes, tart-sweet and meaty, blended with sugar and grated lemon rind. The crunchy crust is toasted oat cereal, nut-like in taste. And the cheese layer has been frothed with eggs, cream, lemon rind and such.

Bottom Crust:
2 tablespoons butter or margarine Pinch salt
8 marshmallows (2 ounces) 2 cups toasted oat cereal
Combine butter or margarine, marshmallows and salt. Stir over low heat until melted and smooth. Stir in cereal. Press mixture in even layer on bottom of greased 8-inch spring form pan.
Prune Layer:
2 cups pitted prunes, chopped 1 tablespoon grated lemon rind
1/2 cup sugar 1/2 cup water
Pinch salt
Combine ingredients and cook over low heat, stirring constantly, until thick. Cool, then smoothly spread over cereal layer.
Cheese Filling:
2 envelopes unflavored gelatin 1 teaspoon grated lemon rind
1 cup sugar 2 cups creamy cottage cheese
1/4 teaspoon salt 1 6-ounce package cream cheese
3 eggs, separated 1 teaspoon vanilla
3/4 cup milk 1 cup heavy cream, whipped
Topping:
3/4 cup toasted oat cereal 2 tablespoons sugar
1/4 teaspoon cinnamon 1 tablespoon melted butter

In top section of double boiler, mix gelatin, sugar, and salt; stir in slightly beaten yolks and milk. Cook over simmering water until mixture is a thick, smooth custard. Cool, then chill a few minutes until mixture mounds when lifted with a spoon. Beat cottage cheese and cream cheese together to blend thoroughly. Beat in cooled custard and vanilla. Fold in stiffly beaten egg whites and whipped cream. Pour cheese filling over prune layer. Combine topping ingredients. Sprinkle over cheese layer. Garnish with whole prunes. Chill about 3 hours or until firm enough to cut. Makes 8-10 servings.

The Manchester observance begins at two o'clock to which not only women, but men and children are invited.

From The Files... Caucus Results

Interesting bits of information from council proceedings from the files during which LeRoy Marx served as village clerk. On April 16, 1931 the village night watch was receiving a salary of \$70 a month. The job of repairing and installing old meters was let at 50 cents a piece. Council approved of paying 30 cents an hour to laborers and the option to drill a 10 inch well on City Road near the pumping station was let to the Ohio Drilling Co. By July 18 the company had drilled 192 feet but were not able to get much water. Drillers suggested trying a different type of pump. On July 20, 1931 the Blaess case for installing Oil Station on village property was sent to the Supreme Court.

Rotary club representatives, Arthur Jenter and Toss Knorpp were present and said the Rotary Club would help to make skating rink at Carr Park. Council voted to purchase a dry haul chemical to fight oil fires. October 1, 1931 council voted to have tickets printed "to simplify matters in making arrests for traffic violations etc."

Clerk was ordered to write to Consumers Power to see about two lights they were to furnish for village park. On Nov. 5 Council approved spending \$100 to grade Carr Park for a skating rink. On December 17 it was decided to spend \$15 for Christmas tree and replace the broken bulbs. The clerk was ordered to notify C.J. Neal, Residence Maintenance Engineer at Plymouth that Manchester will maintain Mill - Manchester also complained to Consumers Power Co. about the high rates. Mr. Southard from Consumers said the rate was the same as in 300 other towns in the state.

He offered to cut out any lights which council thought wasn't necessary but was not willing to cut the rates. The street committee was ordered to check and see if some could be eliminated. Consumers bill ran about \$386.91. Henry Armbruster was appointed Superintendent of Mill through the village. Twenty-five ton of calcium chloride was ordered from Detroit Soda Products Co. of Wyandotte at \$21.00 a ton.

William Kulenkamp was elected village president March 17 with 261 votes cast. LeRoy Marx was clerk and Hulda Schabile the treasurer. The Forest Rangers proposed that Manchester plant 500 seedlings of pine and spruce and council approved of planting them cont. on pg. 6

You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the Jet-smooth Chevrolet about as luxurious as you can go without going overboard in price; the low-cost Chevy II, a good-looking car that would send any family packing; another family favorite, the sporty Corvair, whose rear-engine traction will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, Corvette - now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!

telephone lines

By NICK PRAKKÉN, Manager

IF CALLING the folks back home has been only an occasional treat, why not make it a regular weekly event... at a time most convenient for you? More and more people are taking advantage of the lower Long Distance rates on many calls within Michigan. During the daytime, you can make a three-minute station-to-station call to anywhere in Michigan for a dollar or less. After 6 p.m. weekdays and all day Sunday, rates are even lower - 70¢ or less up to 9 p.m. And after 9 p.m., every day, you can call for 50¢ or less. Excluding taxes, of course. Take advantage of these low rates by calling your Michigan relatives and friends often. No doubt about it, Long Distance is the next best thing to being there.

THERE'S MONEY IN A PILE of old phone books. That's why we ship mountains of old directories back to the paper mill. They're reduced to pulp once again, then made into new paper for future Michigan Bell telephone directories. We salvage about 3 million old directories every year - enough to fill a 76-car freight train to capacity! This behind-the-scenes operation saves us a considerable amount of money. And it's just one of the many ways all of us at Michigan Bell work to keep expenses down so we can continue to provide you with telephone service that's high in value, low in cost.

SHAKESPEARE CLUB ENTERTAINS

Shakespeare club entertained their husbands Tuesday evening at Emanuel Church hall with a ham dinner.

Members and their guests were seated at a long table with a centerpiece and two side vases of red, white and blue flowers.

The patriotic motif was carried out further as small flags marked each place. For the evenings' entertainment, the Rev. Mr. Ralph Kuehler led in group singing, and Mrs. LeRoy Marx and Mrs. William Palmer narrated as they showed pictures they had taken in Northern Michigan.

Lowell Parr showed pictures of their California trip last fall and gave an account of same.

On the dinner committee were Mrs. Paul Feldkamp, Mrs. Clayton Parr and Mrs. Lawrence Eddy.

The next meeting on March 5th will be at the home of Mrs. LeRoy Marx with a one o'clock luncheon. The topic will be "Add Spice To Your Life."

MARCH 1 DEADLINE FOR 4-H OWNERS

All 4-H members planning to exhibit steers this year, must have them on feed by March 1, 1963, according to Robert W. McCrory, Washtenaw County Extension Agent, 4-H. The steers will be tattooed by McCrory and the 4-H leaders again this year.

Anyone planning to enter the steer project and who has not received a letter from the Extension Office should contact his 4-H leader.

COUNTY LIBRARY HIGHLIGHTS YEAR

The Washtenaw County Board of Supervisors established the Washtenaw County Library and appointed Mrs. Franklin M. Reck, Manchester, Byron Soule, Dexter, Mrs. Howard Blackenburg, Ypsilanti and Mrs. Brymer Williams, Ann Arbor, to form its Board of Trustees.

Julius Haab, County Superintendent of Schools, is an ex-officio member by law. Mrs. Reck was elected its first president. George A. Curtis was selected as Library Director.

Marion Ingram, Michigan State Library Consultant gave advice to the group in the setting up of the program. She advised the board that the Michigan State Library would loan a small size Bookmobile to the County Library for use until the delivery of the County vehicle was accomplished.

The library board allocated \$6,000 of the money to be appropriated in 1963 to partially finance the 1963 budget of \$65,998 approved by the Board of Supervisors.

Roberts, Head of the Public Library Extension Department worked a few hours a week until Mr. Curtis took over his duties.

The library began its operation from the basement of the Ann Arbor Public Library on September 17, 1962. Mr. Curtis assumed direction of the Bookmobile on September 1 and began a study of the schedule and the geography of the county so that the bookmobile schedule was put into effect on October 1. A totally new schedule was started on December 10.

The library staff had catalogued 2,015 books and 769 phonograph records by the end of the year. The library received \$16,174.31 in penal fines. All the other public libraries in the county also received penal fines monies to improve service to patrons all over the county.

The library board allocated \$6,000 of the money to be appropriated in 1963 to partially finance the 1963 budget of \$65,998 approved by the Board of Supervisors. The County Library has been a source of help to the other Public Libraries in the County. A part of the library's program is to aid all the public libraries in the county. The librarian has met with all the library boards in the County and explained the functions of the County Library.

He has consulted with Ypsilanti on their library and their quest for a librarian. The Washtenaw Area Library Book Exchange has been a medium through which all the libraries in the county were able to supplement their own collections by exchanging books from the central pool of books furnished by the State Library.

The Washtenaw County Library assumed responsibility for this exchange and made its own books available to supplement the State's books. A further change has been introduced. Instead of all the libraries meeting at once, libraries will come to the county library one at a time to select their books and return the ones they are through using. The limitation on the number they could have at one time has been removed. The time formerly used in the exchange sessions will be used for workshops to further develop the skills of librarians in the community libraries.

It is hoped that the county wide program can be developed and that the County Library will improve book collection in the community libraries by offering its books for their use. Improved book collections will increase the use of the community libraries measurably.

The Washtenaw County Library in 1963 must devote some time to studying itself and its function. The backlog of uncatalogued books will be caught up. The staff which had only one member who had ever worked in a library will require more training. A professional librarian will be added to the staff which will raise professional competence of the library.

on the south end of Carr Park. Council voted 25¢ per hour for common laborers and 30 cents for street commissioner. They also agreed to pay one dollar an hour for truck and man to do work for the village. William Cash, village marshal was given \$50 per year and the night watch, August Kirk was given \$70 a month. The fire wardens were Phil Henzie and Glen Bertke. May 5, 1931 Hilda Schaible resigned her post as treasurer and Mrs. Beatrice Clark was appointed to fill the vacancy. Council voted to put notice in the Enterprise when they were planning to shut off the city water. Council voted on May 5 to contribute not more than \$40 for the band on Decoration Day. Clarence Aulls was hired to repair and install meters at 40 cents each and council approved paying \$2000 on paving bonds. June 16, 1932 Herbert Widmayer was hired to read meters at \$50 per year and also to paint the hydrants. Carl Huber was hired at \$29.60 to paint the side walls and ceiling of the council room. Council approved that the Legion could use streets and parks for Sports Day in August. Cost of street lighting was again discussed and on Aug.

4, 1932 clerk was ordered to write to Consumers Power Co. to have representative present at the next council meeting. No one wanted to say to eliminate some lights or to cut the candle power. Sept. 1 council ordered that the street lights be cut from 250 candle power to 100 c.p. and Blvd. lights from 400 to 250 c.p. and this would save the village \$92.21 per month. Later in Sept. council voted to insure the pump house for \$970 more or for the original amount. It was voted to assess all water rent to property owners as of Jan. 1, 1933. The bench was to be moved upstairs to make room for election booths. On Oct. 20 the village voted to \$25 toward a Halloween party. More from the files of council proceedings will appear in next week's Enterprise.

KODA'S KORNER

Not so dear friend and not so loyal supporter. You are the first and probably the last to answer any of my editorials. From reading your letter you must be new to the community. First of all Manchester loves to have it quiet and everything routine. We at the Enterprise (spelled with s not z) have tried in the last 3 1/2 years create interest for the town, but I have discovered that the people hate crusaders and love pussyfooters.

You ask what is the editor's opinion of the candidates in the coming election. The question we have is -- Who are the candidates for the coming election -- it is quite difficult to ask the little man who isn't there just what his platform is. Up to now the problem is - Who is he? With such up and coming citizens as yourself it is strange that the committee's to fill vacancies are having such a hard time to fill their slates. Would you, not so dear friend like us to submit your name as a possible candidate - say to run for village president or maybe village clerk?

I have to disagree that Enterprise "is advertising, obituaries and our usual drivel", I only have to look at your second letter, where you thank us for the wonderful stories and layouts in the Enterprise that we did for your organization, if this is our usual drivel then I agree wholeheartedly.

The Enterprise can be a leader in our community, but a POWER - the Enterprise has just enough education to understand and appreciate these groups, and yet not to much to become warped.

Two employees of the Union Construction Co. of Manchester were crushed to death and two others seriously injured Friday when a scoop shovel accidentally swung out of control and into a sewer trench in which the men were working 2 miles south of the Willow Run Airport.

The men, all residents of Manchester were working on an Ypsilanti Township sewer project which began December 1.

The tragedy left 15 children fatherless.

Dead on arrival at Beyer Memorial Hospital at Ypsilanti were Bruce Calloway, 37, of 403 W. Main Street., Manchester, and Robert Adams, 37, of 517 W. Territorial St., Manchester. Calloway was the father of 10 children and Adams the father of five.

The accident occurred at 1:35 p.m. Friday on the north side of Textile Road, just west of Rawsonville Rd. in southeastern Ypsilanti township.

Also injured and taken to Beyer Memorial Hospital, Ypsilanti were two other Manchester residents, Douglas N. Higgins, 19, of 18885 W-Austin Road, Manchester and Robert W. Nickerson, 19 of 9819 Clinton Road, Manchester.

Rev. James Craig of the Dixboro Methodist church will be the preacher on Wednesday, March 6 at the 8 p.m. service at the Methodist church.

"They would have been out of the pit in another couple of minutes", Schaffer said.

Nickerson, a sewer bottom man, has been with the company for one year. Higgins, a loader operator, has been with the company a year. Both are graduates of Manchester High School.

Adams, the general foreman, had been with Union for 21 years and Calloway a general laborer, had been with the firm five years.

The back-hole digger was one of the largest if not the largest in this part of the country, company officials said.

Nickerson was hit on the head and knocked unconscious. His father said his injuries appeared to be less serious than those received by Higgins, who spent two hours in surgery and received blood transfusions Friday night for injuries to the pelvic region. According to his mother, Mrs. Norman Higgins, he was improving satisfactorily from the wing bone injury in the pelvic region. He also suffered a separation of vertebrae in his back.

Nickerson returned home Sunday afternoon.
