KODA'S KORNER

LETTER TO THE EDITOR:
The Editor
The "Manchester Enterprise"

Dear Sir:
Thank you for your response to my previous letter. I apologize for its rather pedantic tone. Your admonition to get into public life is well taken; when my present apprenticeship is finished, I shall take you up on your challenge.
The point should be made that the "Manchester Enterprise" in the past year and a half has definitely improved. There is indeed more and more interesting news. My complaint is that it is, to a large extent, "controlled news". When I write something as secretary of the club, I'm usually trying to sell something. It may be the club as a service organization. Such stories cannot help but have a bias, even though those of us who write them strive to write objectively. An independent reporter can avoid bias. He can set up an objective standard as to what is really news. Perhaps such independent reporting is impossible for a small town newspaper, especially when that newspaper is published in addition to other work. At any rate, there has been improvements in the Enterprise and I look for further improvements.

I would take issue with your comment that Manchester is a quiet town. Manchester hums with rumors, half-truths, and garbled news. It's rather difficult for a newcomer to the community to sort out fact from fiction. This is where a newspaper is helpful. Reports on Village Council meetings, school board meetings, and other meetings of importance to the community, made by independent reporter, would stop many rumors. The rumors and garbled news serve to divide the community so that Manchesterites seem to work against each other. I believe that the "Enterprise" can help the people of Manchester work together for the common good simply by presenting more and more comprehensive news.

Sincerely,
J. A. J. Jr.
P.S. I'm still interested in knowing what started all this ruckus.

My Dear J. A. J. Jr.
Your points are well taken, but what you say are the same things I have said to myself at least a 100 times. The only difference is I have to confine myself to a limited budget, and as you put it, especially when that newspaper is published in addition to other work. Well, sir, what you ask for is like wanting champagne on a beer budget and as of right now! That additional work is paying for the beer.

My dear sir, your council meetings and school board meetings are open to the public, if these things are so important why is it have sat alone at these meetings meetings?

P.S. Don't give up. It will come you someday.
Sincerely,
George Koda

County Hearing Set On Store Hours Law

March 25 is the date for the special meeting and public hearing set by the Board of Supervisors to consider the request by a food market chain that the board exempt the county (Washtenaw) from Michigan's Weekend Closing Law which is effective March 28.

The request came in a letter to the Board from Country Markets, Inc. which has stores in Manchester, Saline and Milan, which will be affected by the new law.

The letter stated that during the winter the chain's markets do 12 to 13 per cent of their business on Sundays and 16 per cent of their business during the summer. It estimated that six to eight per cent of business would be lost under the state act.

Country Markets asserts that it would lose 150 to 200 employe hours per week—the time of three full-time workers and three part-time workers—if the county fails to exempt itself from the new law. The company stated that none of the employes are asked to work against his will on Sunday.

The firm states that the state act is discriminatory because it permits stores containing less than 4000 square feet or less of floor space to remain open seven days a week. Stores not meeting these conditions are limited to a six-day business week.

Clayton Parr, Manchester township supervisor, said that any stores involved in the change will be welcome to attend the public hearing and express their opinion.

The state act provides that any county by action of the

Board of Supervisors after notice and hearing and with concurrence of two-thirds of the members, may exempt itself from the law.

The Week-end Closing Law applies only to stores which are open seven days a week and does not affect service rentals and traditional seven day operations such as restaurants and service stations.

The law restricts the selling of certain merchandise to one weekend day, either Saturday or Sunday, but it allows specified emergency, necessity and recreational items to be sold all seven days. Milk, eggs, butter, cheese and other dairy products, perishable fruits and vegetables are specifically permitted to be sold seven days a week.

The act also permits the sale of any food from any part of the property where it is grown, as in the case of farm roadside stands.

A store may change its weekend day-off from Sunday to Saturday and vice-versa, not more often than every six months.

The hearing will begin at 9:30 a.m. Monday, March 25 and will be followed by a board session to make a decision on the proposed exemption.

CHURCHMEN'S RALLY SET FOR SUNDAY

Churchmen's Rally will be held at the Emanuel church Sunday, March 24 with some 200 expected from churches of this region. Registration will be at 3 p.m. Speaker will be Rev. Ben Mohr Herbster, president of the United Church of Christ, from New York City.

Sidney Lehman is secretary of this region. The high school chorus will sing during the rally—Rev. Kuehler will give the welcome to the group. The evening session will begin at 7 p.m. Representatives will be present from the Bethlehem and Good Shepherd churches of Ann Arbor, St. Paul's and St. James of Saline, St. Andrews of Dexter, St. Pauls of Chelsea, Bethel Evangelical, St. John's at Rogers Corners, the Francisco church, St. John's of Jackson, Clinton, West Adrian, Hudson, Britton and Tipton churches.

LENTEEN SERVICES

Manchester Methodist church special Lenten services will be held Wednesday, March 27 and will have the added feature of a fellowship dinner for the new members at 6:30 p.m.

Rev. Allan Gray, pastor of the Howell Methodist Church will be the speaker at the dinner and the guest preacher for the 8 p.m. service. His topic will be "The Efficiency of Gladness". Mr. Gray is also the writer of a column in the Michigan Christian Advocate entitled "Speaking of Books" in which he gives one or more book reviews. Mrs. Gray is the daughter of Bishop and Mrs. Reed and will accompany her husband to Manchester.

DINNER TO HONOR NEW MEMBERS

A dinner honoring the new members received into the Methodist Church will be held Wednesday, March 27 at 6:30 p.m. All other members of the congregation are also invited and are asked to make reservations.

JUST LIKE OLD MAN RIVER

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.
You have to take care of it; it's a machine. But the truck works for you, not vice versa.
The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to

fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense? Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

EAGLE SCOUTS TO BE HONORED

Some 26 boys who have attained Scouting's highest rank, the Eagle, will be honored by the Portage Trails council of the Boy Scouts of America at an Eagle Recognition banquet on March 21. Giving the main address at the affair will be Chalmers W. Elliott, head football coach at the University of Michigan.

Serving as master of ceremonies at the banquet to be held at Westerners cafeteria in Ann Arbor will be Steve Filipiak, well-known Ann Arbor radio personality. The boys being honored will include Robert Rigg, Eagle Scout from Manchester, according to William Ladner, council chairman for advancement.

They include boys in the council who have attained their Eagle rank during the past two years. Eagle recognition is held every other year.

During the afternoon, each boy will be guest of honor at the location of business of one of the 17 agencies or individuals helping to sponsor the event.

General chairman is Anthony Procassini and the vice chairman is Mervin Smith.

SCOUT COOK-OUT

Boys from three patrols from Manchester braved Saturday's rainy weather and had their planned cook-out at the Sportsman Club Grounds west of town.

The 12 boys were accompanied by Scoutmaster Robert Armentrout, John Rigg, Neighborhood commissioner and George Goodrell committee man.

The local boys are planning to have about 2 cook-outs a month.

MRS. TEMA C. BAUER

Funeral services for Mrs. Tema C. Bauer 87, of 7455 Bethel Church Road, Lodi township were held Sunday at 2:30 p.m. at the Bethel United Church of Christ.

She died Thursday afternoon in St. Joseph Mercy Hospital after a lingering illness.

She was born Sept. 14, 1875 in Freedom township, the daughter of Gottlieb and Mary Rentschler Mann.

She was married to Jacob F. Bauer in Freedom township on Nov. 24, 1898. Mr. Bauer died Aug. 27, 1944.

Mrs. Bauer was a life-long member of the Bethel United Church of Christ and was a member of the Women's Guild of the church. She lived her entire married life in Lodi township.

She is survived by a daughter, Miss Elsa Bauer, with whom she made her home; a son Owen of Bridgewater a grandson, Eldean Bauer of Lodi township; two great-grandsons; and two sisters, Mrs. Clara Schlicht of Bridgewater township and Mrs. Dan (Nora) Haussler of Saline township. She was preceded in death by a daughter, Laura Marie in 1911; two brothers, Ernest Mann in 1955 and Ralph Mann in December 1962 and a sister, Miss Louise Mann in October 1962.

The Rev. T. W. Menzel officiated at the funeral and burial was in the church cemetery.

* Tuesday, March 26 the Rowes Corners Extension will meet with Mrs. Floyd Greene at Pleasant Lake at 8 p.m.

telephone lines

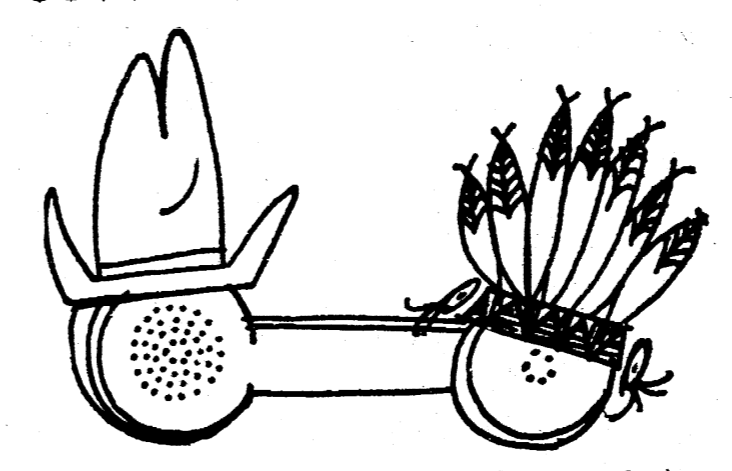

By NICK PRAKKEN, Manager

FILL 'ER UP! Last year, Michigan Bell bought more than one million dollars' worth of gasoline to keep our fleet of 4,600 telephone trucks and cars running. When you add the money spent for lubricants, tires, repairs and new vehicles, the total amount comes to six million dollars—all spent right here in Michigan. Next time you see a Michigan Bell truck or car, we hope it reminds you of our efforts to bring you the finest telephone service possible, and that it also reminds you of the investment it represents in contributing to our state's growing economy.

QUICK COLOR QUIZ. Today's modern telephones are available in a number of different colors. Can you guess the two that are most popular?

- PINK
- WHITE
- BLUE
- BEIGE
- GREEN
- TURQUOISE

If you guessed white and beige, you're right. Surveys show that nearly half the color phones are either white or beige. White is most popular for the kitchen, while beige leads for living rooms, dining rooms, and dens. But no matter what color, the convenience of an extension phone is always appreciated. To order one, just call our Business Office—or ask the man on the telephone truck.

HOW MANY HATS does your telephone wear? As many as you desire! Your telephone helps you to arrange things, buy things, discuss things... and to do many other jobs in the course of a lifetime. It's hard to imagine what life would be like without a telephone. And it's still one of the biggest bargains in your family budget. Use it often.

DOLLAR and SENSE FARMING.

REDUCE SHRINKAGE LOSSES. You can't do much about falling livestock prices, but you can try to have animals in the best possible shape at sales time. Provide adequate protection from extremes in hot or wet weather during shipment. Don't overcrowd. Feed and water as soon as stock arrives at the market and before they are weighed. Overfeeding can hurt you though. You can't fool buyers who handle stock constantly.

TIRE REPAIR COST accounts for 30 percent of the repair cost on farm tractors. The most important part of the care is keeping tires properly inflated. Underinflated tires will buckle when the tractor pulls a load—can reduce tire life by one-fourth. Never allow tires to stand on an oily floor or sit in the sunshine while not in use. Grease and sunshine are very harmful to rubber. Repair a damaged tire promptly to prevent costly replacement later.

TOPDRESS WINTER WHEAT as soon as it greens up—preferably before it is four to six inches tall. Generally soils low in fertility will require a total of 40 to 60 pounds of nitrogen to produce a good crop. Medium fertility soils need about 20 to 50 pounds, and highly fertile soils require only about 20 pounds per acre—perhaps none if wheat follows a legume. Deduct the amount you applied last fall in figuring amount to topdress this spring.

DON'T CUT YOUR FERTILIZER BILL even if money is short. It will be profitable to borrow or sell some livestock to get the money necessary to put fertilizer down. Next to good seed, fertilizer is one of your best buys.

FORD SCORES TRIPLE SUCCESS OVER COMPETITION IN TOTAL PERFORMANCE TESTS!

The true measure of total performance is not just speed. It's a feeling of complete ease behind the wheel. A feeling of reserve power when you step on the gas . . . of safety when you step on the brake . . . of security in the way a car grips the road, takes to corners, responds

to steering. It's a feeling of comfort in the way you sit and see with instruments in easy view and controls in easy reach. Total performance is the mark of engineering excellence that makes every trip on any road a driving pleasure.

1 Riverside, Calif.
January 20

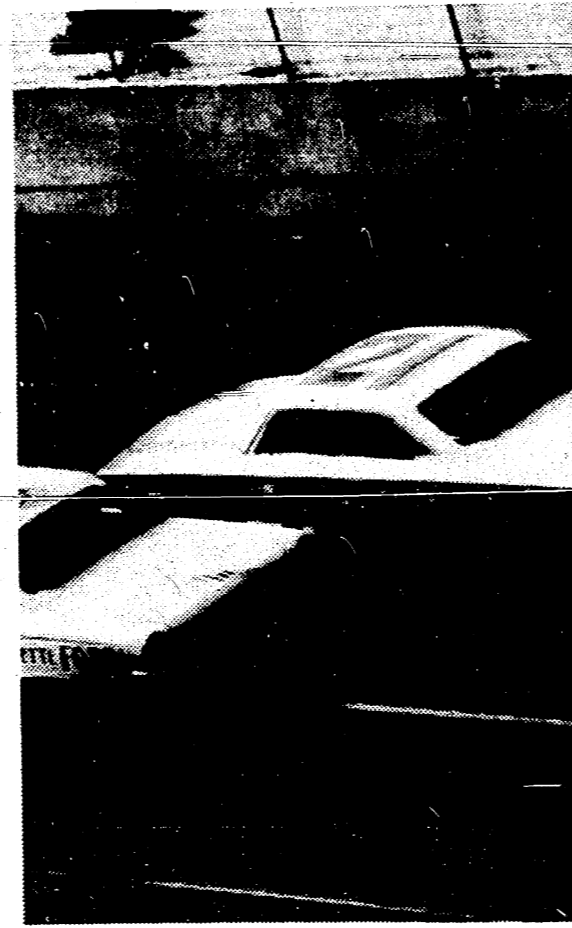

A Super Torque Ford bested a field of 44 U.S. production cars in the first big performance and durability test of '63 at Riverside. This was not a "private" test arranged by one manufacturer, but an official NASCAR 500-mile event witnessed by some 50,000 people. The results prove the '63 Super Torque Ford can take plenty of punishment without punishing the driver. Braking . . . steering . . . cornering . . . Ford delivers total performance!

2 Daytona, Fla.
January 27

A Super Torque Ford piled up winning points in economy, acceleration and braking tests to claim first place over all competition in Class I and II (for high-performance V-8's) at the Pure Oil Performance Trials in Daytona. This event is open to all U.S. production cars. The trials duplicate normal driving conditions as nearly as possible . . . and put dramatic emphasis on the practical side of Ford's total performance story.

3 Daytona, Fla.
February 24

Super Torque Fords finished 1st, 2nd, 3rd, 4th, and 5th in the annual Daytona "500" outperforming a field of 50 cars. Again in open competition, over 70,000 spectators saw dramatic proof of the stamina and durability built into the '63 Super Torque Ford. Never before has one make dominated so completely a major U.S. 500-mile track event. Ford's 5-in-line victory stands as a spectacular demonstration of total performance!

FOR PROOF THAT FORD CARS OUTPERFORM COMPETITION—DRIVE ONE!

OF VILLAGE CLERK, LEROY A. MARX
In April of 1934 council approved spending \$150 to improve the Lynch house which had recently been purchased for a new library. Council approved furnishing trucks to repair the alley back of the stores on the north side of the street.

In November council approved extending the water line to the Lee Davison home providing the people benefiting pay 20 cents a foot for the extension. Council secures welfare help to put in cement basement and grade entrance to village hall.

Bert Lowery was reelected village president March 15 1935. Edward Kirk was elected treasurer for the first time, Chas. Seckinger was named assessor.

Trustees were G.H. Breitenwischer, Clayton Gieske and Herman Kuebler. Council met in special session in April 1935 to discuss the proposition of Henry Ford as to the purchase of the lower and middle dam. Decided to have a special election. Mary Singer's application to have a driver license was approved.

President Lowery submitted the offer of Henry Ford for the lower and middle water powers for \$12,500. It was suggested that Mr. Newton, Ford representative be contacted and have him come to Manchester and explain to the business men and council something about the proposition before submitting it to a vote of the people.

Special meeting was held April 9, 1935 and the council room was filled to capacity to hear Charles Newton, Ford representative. He said that Ford would begin operations within 90 days from when they would take over but couldn't guarantee the number of men Ford would employ.

Raynor Haeussler and Dr. L. C. Kent made the motion to submit the proposition to the vote of the people. Council approved that wells be replaced to the rear of the present wells in case they are covered.

Council gave the library \$75 to repair building and also ordered water to be supplied to the library at no cost.

Council approved that membership to the right for help in event of fire be \$25 to people within a radius of 6 miles and A.B. Clark was appointed to get two men to go out and solicit members.

Council voted in June 1935 to hold up on water rights to Ford because of water rights on Lepshis farm.

In July Council ordered clerk to sign the agreement with Ford Motor for water rights to two sites for \$12,500 for 5 years.

October 3, 1935 Council voted to give the Boy Scouts the right to use the room on the second floor of the village hall for their meeting place. Scouts to furnish heat and village to furnish lights.

In December Council ordered that merchants keep cars off Main Street until after Christmas. Council approved Consumers Power painting the Blvd. posts aluminum.

Council approved paying Bert Lowery \$150 for his services in connection with the sale of middle and lower power rights to Ford.

In the March election in 1936 there were 62 votes cast. Bert Lowery was reelected president; Ed. R. Kirk, treasurer and L.A. Marx, clerk. R. B. Haeussler, L.C. Kent and Ed. Dresselhouse were elected trustees and C.H. Seckinger was reelected assessor.

April 13, 1936 Frank Lowery was appointed to temporarily take care of streets and water.

Salary of nightwatchman was set at \$70 a month.

In Manchester Council meeting in May, the clerk was notified to write a letter to School Supt. O.E. Dunckel stating that riding of bicycles on the sidewalks in the village is prohibited. Bicycles would be impounded for 5 days for first violation and 10 days for the second offense.

FREEDOM IDEAL HOMEMAKERS
Freedom Ideal Homemakers Extension group met Friday at the home of Mrs. Gilbert Trinkle with Mrs. T.W. Menzel assisting.

Members who had previously attended the showing of the College Career film at Rows Corners gave reports at the meeting.

A social time followed. The next meeting will be April 19 at the home of Mrs. Alfred Kuhl with Mrs. Ruth Brown assisting at 1:30 p.m.

ATTEND CHRISTENING

Michael Anthony, son of Mr. and Mrs. Leon Ball was baptized Sunday at St. Andrews Catholic Church in Saline, by the Rev. Fr. Edward Kalinowski. The sponsors were John Ball of Manchester and Mrs. Thomas Burch of Saline. Also attending were the baby's maternal great-grandfather Hubert Townsend and grandparents Mr. and Mrs. Harold Townsend and Mr. and Mrs. LeRoy Townsend and daughter all of Manchester, the paternal great-grandmother Mrs. Joseph Ball of Chelsea grandparents, Mr. and Mrs. Duffield Ball and Vickie of Manchester and Mr. and Mrs. Thomas Burch and son of Saline.

Charles Spence gave the minuteman report. Edwin Haeussler gave the package report. Martin Hoelzer told about the Farm Bureau Convention March 23 in Washington, D. C.

LOOSES FINGERS IN HOME ACCIDENT

Local man loses three fingers while operating a snow blower while cleaning away snow at the home of his parents, Mr. and Mrs. Kenneth Brokaw of 11080 East Austin Road on Sunday March 3rd.

Gary said he didn't know just how the accident happened but his right hand caught in the mechanism, causing him to lose the three fingers. His father rushed him to the Saline General Hospital where Gary was hospitalized for several days.

It will be about two months before he will be able to resume his work at Double A Products.

COMING EVENT
Lenten guest preacher for Wednesday, April 3 will be Rev. Archie Donigan of Grass Lake Methodist Church.

SHAKESPEARE CLUB ENJOYS LUNCHEON

Shakespeare club members enjoyed a one o'clock luncheon Tuesday at the home of Mrs. LeRoy Marx with Mrs. Lawrence Eddy assisting. The delightful luncheon was served at small tables. The unusual and varied new menu was prepared with the use of herbs and spices. During the topic period the interesting origin and use of these condiments was given by Mrs. Marx and Mrs. Eddy. Mrs. William Reno gave a story on "Teaching the Blind" and explained the braille system, which is so beneficial to aid the blind and noted the remarkable achievements these blind people make. The next meeting of the club will be "Music Day" at the home of Mrs. Ralph Kuehler with Mrs. Don Flory assisting with the program.

Summer Camp Sold

A new coeducational camp for capable youths will begin operations June 24 on a 102-acre site in Manchester township. The camp will have space for 60 children from 11 to 15 years old. Highscope is the new name of the camp in recognition of its ambitious program of involving campers in vocal and instrumental music, creative drama, modern and folk dancing, the theatre, including play production, plus arts and crafts, sports recreation, leadership activities and fellowship.

Creation of the camp south of Manchester was made an announcement by Butts and Swisher Co. of Ann Arbor, representatives of the Roman Catholic Archdiocese of Detroit and the new camp owner-operators in transfer of the 102 acres. The new owner-operators are three Ypsilanti Public Schools faculty members and their wives, most of whom were either graduated from or once associated with the University of Michigan.

They are: David Weikart, 31, YPS psychologist and director of special services and his wife, Phyllis, also 31, a health and education teacher and now a housewife. R.G. Kingston, 41, principal of YPS' E.S. George School and his wife, Ida W. 40, an elementary school teacher for four years and now a housewife; and John Salcau, 36, principal of YPS' A.G. Erickson School and his wife, Jane, 35, a research bacteriologist with 18 years experience at the University Medical Center.

The six, with backgrounds in teaching and creative activities will be instructor and counselors at the camp with four other professionals.

The camp cost \$55,000 and the six say they are putting about \$15,000 worth of improvements into the camp.

The Camp had been known as Glenbrook and includes two large brick-stucco houses nearly the size of mansions, which once formed the summer residence of a well known Detroit architect.

Other facilities include a 5 x 75 foot brick barn of three levels which is being redone for use as an activities center, plus an orchard and tree farm. Highscope has a brook-camp stream-called on Creek. It forms a pool at the camp site.

The Highscope site until 10 years ago was used for about 10 years by the Archdiocese of Detroit as a summer residence for boys, called St. Joseph Glenbrook.

SPRING IS HERE A sure sign of spring is when the local Optimist Club begins to make plans for beautifying the town. Roland Grossman and Luther Klager are the men in contact by residents who would like to own a flowering crab tree. The club seeks orders and bring in truck load of the flowering shrubs for those who prefer them. They will be available in red, pink and white and may be picked up at the Grossman-Huber Station.

Weekend Closing Law Ok'd

At a special meeting of the Washtenaw County Bd. of Supervisors the vote was 32 to 4 in favor of the weekend closing law. A special public hearing was held Monday with persons on both sides of the issue expressing opinions to the board.

The law was supported by 18 speakers and opposed by 7 at the Washtenaw county hearing.

Jackson county joined Washtenaw county in voting to abide by the provisions of the controversial Weekend Closing Law, while Midland county supervisors voted to exclude merchants in their county.

Twenty-six of Michigan's 83 counties have taken action to exempt their merchants from the state's new law which prohibits merchants from selling specified articles on more than one of the two week-end days.

The law's effective date is Thursday, but enforcement has been blocked at least temporarily in 25 cities and 13 counties, including Washtenaw and Jackson by a Wayne county circuit court order.

Judge Joseph Rashid granted the temporary restraining order last Friday to 59 independent merchants and 61 department stores with operations in the 13 counties who attacked the law as unconstitutional. The order is valid through April 5th.

Two firms' Arlan's Discount Department Store; and Country Markets, with stores in Washtenaw County are among the parties suing to prevent enforcement of the law.

A hearing has been set for April 2

Little League Tryouts Slated

At an organizational meeting of Little League managers held recently, May 4th and May 11th were set as tryout dates for boys not already assigned to a Little League team. To be eligible to try out a boy must have attained the age of eight years by June 1, 1963.

Prior to these tryouts the boys eligible for the first time this year for the Little League program will have a couple of practice sessions. Mr. Keith Doelker will be in charge of these and will be helped by Mr. Richard Way, Mr. Robert Panches and other interested fathers. Mr. Doelker will also be in charge of the Farm Team this year.

Citizens Meeting April 8th

Supt. Robert Masten announces that the annual meeting of Manchester Citizens committee will be Monday, April 8. At this time the next year's program and the financial implications will be discussed. Sample budgets will be available before the meeting for study by area residents.

This will be the time for any person to express opinions, recommendations and criticisms of the school system, its curriculum and its progress. The Board of Education will meet following the annual citizen's meeting to set the millage request for this year's school election.

The first grade enrollment at Pleasant Lake school being only 11 children pose a building utilization problem for next year. The Board of Education has been studying several plans to even class loads throughout the system. In doing so, they have decided that combination grades are not satisfactory.

At the same time they do not believe it advisable for early elementary children from the same family to attend different schools. The transportation routes are being revised for next year with the plan that certain families from Sharon township will attend the Pleasant Lake School.

Supt. Masten says that the possibility of severe winter storms confront this area every spring and early summer. School officials will check the weather periodically during the warm spring days. If there are tornado forecasts accompanied by a sudden drop in barometric pressure the schools will be closed and the busses will leave early.

He suggests that arrangements be made at home to have an adult present on sultry, humid, warm spring days. If school is dismissed early, radio stations WPAG and WOLA will broadcast the information.

School officials note at this time that a few children who ride the school busses think it a place to play in and misbehave. These few have the support of their parents and make the responsibility of bus driving an overwhelming task. There are about 60 children riding these busses. If the children do not cooperate at once school officials will be denying them the transportation to school as they will be denied transportation.
