Fr. William Schneider
Transferred

The Rev. Fr. William R. Schneider, who has been pastor of St. Mary's Church here for nearly nine years, has been transferred to St. Alfred's parish at Taylor, Mich., effective April 3. Fr. Raymond Schlinker has been assigned to St. Marys. Fr. Schneider has been responsible for many changes since he came to Manchester June 25, 1954. One of the first things he did was to organize a men's choir.

In November of that year he was instrumental in having the Dominican Sisters from Chelsea come here to teach catechism. Parents of the children furnished transportation. The Sisters still teach catechism here every week. He reorganized the Holy Name Society in January of 1955.

On January 26 the chancery granted permission for all day exposition of the Blessed Sacrament once a week on a three-month trial basis, and it worked out so satisfactorily that it is being continued except in July and August.

Fr. Schneider had the rectory completely repaired and refurbished. He inaugurated Lenten devotions on both Wednesday and Fridays in 1955 and the first evening Mass was celebrated in Manchester March 4, 1955 and Easter Vigil Mass was celebrated that year for the first time here. He was granted permission to have three Masses on Sunday during the summer months and held a summer vacation catechism school for two weeks for the children. By having evening Masses on first Fridays, attendance increased from 15 to 150 families.

The parish has grown from 110 to 175 families and Holy Communions increased about 5,000 a year. The church hall and kitchen were remodeled under his supervision and in May 1960 the church itself was completely redecorated, the first time in twenty years. Fr. Schneider designed the new main altar and side altars which were made in Italy according to his specifications. He credits his artistic ability to his mother, who was an artist. The main altar arrived here in November and the following January the side altars were installed.

On June 15, 1956 Fr. Schneider was given the rare privilege of singing Mass in a private home, at the Harold Townsends, for the 100th birthday of his grandmother, Mrs. Agnes Livermoir. The centenarian was unable to come to the cont. on pg. 2

Bloodmobile Visits Methodist Church

Manchester's Red Cross Blood Club reports four pints of blood to its credit as of April first. The Blood mobile will visit Manchester at the Methodist Church Hall on April 26, 1963. Since the last Bloodmobile Clinic, last June 22, twenty-two residents of the area have used 59 pints of blood. Last June, the local club was in debt to the Red Cross and with three weeks to go, it may well be in debt again this year. This actor should not worry anyone needing blood at this time, however, as membership in the Red Cross Regional Bank guarantees his protection.

Mark April 26 on the calendar NOW, for that is the time of year to help put the Community Blood Club in order for another year. It is necessary to have at least 115 people between the ages of 18 and 60 registered in advance for the clinic. Persons between the ages of 18 and 21 must have a parent's release slip to bring with them to the clinic, unless they are married or are members of the armed services. Every donor should bring his Red Cross Blood Donor card with him so that a complete record of donations may be kept. Last clinic there were five new Gallon Donors and there will be a number of new ones this time—perhaps 2 gallon Donors as many residents of the area have been on hand for every clinic.

The hours of the Bloodmobile will be from 2 to 8 p.m. with the break coming at 5:45 to 6:45 p.m. Keep this in mind as the hours have been specifically planned for Double A Workers' convenience as well as that of out-of-town workers and farmers. The Manchester Blood Club is the official Double A Club for employees and their families. The club also serves the entire Manchester School District and the southern portion of Manchester Township which is covered by the United Manchester Community Fund Drive. There are two ways to be of service to Your Blood Club—donate a pint of blood to Your Bloodmobile whenever possible and give to Your United Community Chest and Red Cross Drive every fall.

Wins Scholarship

The Business and Professional Women's Scholarship has been awarded to Darlene Steele, daughter of Mr. and Mrs. Loren Steele. Darlene, 18, is a Senior in Manchester High School. She plans to continue her studies by taking a secretarial course at Cleary College. She was selected for the scholarship on her proven ability by a committee headed by Mr. Philip Mains, High School Counselor and other faculty people.

COMING EVENTS

In the Class will be: David Ahrens, Scott Arnold, Paul Buss, Arthur Feldkamp, Larry Fielder, Garry Guenther, Chas. Hamilton, Terry Hough, David Kemmer, Janice Leach, Diane Maurer, Dennis Moore, Mike Nickerson, David Sellers, Sylvia Randall, Daniel Smith, Debbie Steele, Sandra Trolz, Markieta Wolff.

The Lenten service at Emanuel will be held Thursday instead of Wednesday at 8 p.m. This will be a Holy Communion Service.

There will be a Union Good Friday service at the Methodist church. Easter Sunday there will be a Sunrise Service at 7 a.m. followed by a breakfast in the church basement arranged by Mr. and Mrs. F.W. Schiller and the Youth Fellowship of which they are sponsors.

The regular Youth Fellowship meeting has been moved ahead a week because of Holy Week and will meet April 4 at 8 p.m. in the Church Hall.

CITIZENS SCHOLARSHIP FOUNDATION DRIVE

Citizen's Scholarship Foundation of Manchester will have an intensive drive for membership during the week of April 7 through 13 to provide scholarships for deserving local students in need of financial assistance regardless of race, color or creed. It is designed to assist students in the upper half of their high school class for whom existing scholarships may not be available. This includes "A", "B", and "C" students who have shown qualities of future leadership through ambition, a sense of purpose and who have gained the respect of the community. Everyone can help! One

dollar or more will buy a membership to the Foundation. Memberships will be sold at the Union Savings Bank during open hours April 7 through 13 and at the Double A Products Co. They may be obtained also by sending your contribution for membership to Ethel Griffin, treasurer of Citizen's Scholarship Foundation of Manchester. The winners of the local citizens' scholarship essay "How My Education Can Help Build a Better Community" were Sandra Koernke, Carol Price and Doris Kemmer. They will receive \$15 and \$5 respectively. Money was donated by the Manchester Optimist Club.

church so the priest arranged to take the Mass to her. St. Mary's needed a "cry room" for small children but there seemed to be no place for one. In 1961 heavy glass doors were put between the vestibule and the church proper so that parents can watch the Mass and have the children in the vestibule. A public address system was installed so that everyone can hear whether they are in the church, hall or vestibule. New altar rail and candleholders were imported from Europe (France) in December 1960. In fact as many of the parishners had said Fr. Schneider has reinstated and in some instances remodeled the church from the hall to the tower and the rectory as

well. He points out that he still had plans for improvements at St. Mary's but these will have to be done by others.

In October Fr. Schneider was appointed Deanery Moderator of the National Council of Catholic Men for two years. On the 25th anniversary of his ordination as a priest in September 1960 he made a pilgrimage to Europe.

Announcement of his transfer to St. Alfred's came as a surprise to the parishners on Friday. Open house has been held for him at St. Mary's hall Sunday with parishners and towns-people joining to wish him success in his new parish. He will take over his new duties April 3.

CANCER SOCIETY STARTS FUND DRIVE

County residents will receive a request through the mail for funds. There will be no door-to-door solicitation. The Jolly Farmeretts 4-H Club is staging a Tag Day, April 27 in Manchester. The county unit has a three-fold program, research, education and service. The University of Michigan Medical Center, being the focal point for a great deal of the cancer research, receives grants from the society for its work.

In the area of education, the Unit provides films and film strips to schools, service organizations, social clubs and neighborhood groups. It also provides the community with educational pamphlets and has a speaker bureau composed of lay people and doctors. All these are provided free of charge.

The biggest task is education of people to recognize the signs of cancer. The seven danger signals that might mean cancer are, (1) unusual bleeding or discharge; (2) a lump or thickening in the breast or elsewhere; (3) a sore that does not heal; (4) indigestion or difficulty in swallowing; (5) change in bowel or bladder habits; (6) hoarseness or cough; (7) change in a wart or mole.

Various services are also provided to cancer patients. A loan closet which keeps a supply of materials on hand to be loaned to cancer patients is maintained. Among these items are beds, wheel chairs, bedside tables, dressings, and mattresses, hot water bottles, basins and bed linen.

COMING EVENT

River Raisin Farm Bureau will meet April 10 at Sharon Town hall at 8:15 p.m. with Mr. and Mrs. Elmer Mayer and Mrs. Ruth Sadt as hosts.

EASTER HAS ANCIENT ORIGIN

The customs and tradition of the Easter season are actually a strange mixture of early Christian rituals and ancient pagan beliefs. Easter falls on April 14 this year. Officially, the date of Easter is the Sunday following the first full moon of Springtime—a formula dating back to the Old Testament.

We read that when the Israelites were in bondage in Egypt, Moses led them forth by the light of the spring's first full moon. This became the Passover Season for the Jews. Jesus was celebrating the Feast of the Passover when he was seized and crucified. Early Christians established the date of Easter as a "movable feast" like the Passover. The two feasts were calculated on the same ancient lunar calendar so they would always occur only a few days apart.

Even before the Christians, the people of almost every recorded civilization had celebrated the wonder of Spring and the mystery of nature's rebirth at the time of Spring's first full moon.

The modern name for Easter comes from the Teutonic goddess of Spring and the moon, "Eostra". The Easter Bunny may also have been introduced by her worshippers.

Because the rabbit was born with both eyes open and because it usually chose the cover of night to forage for food, a parallel between the hare and the moon was soon drawn. To the early Christians, both the early Christians, both were "open-eyed watchers of the night."

This still doesn't explain however, how the rabbit was endowed with egg-laying powers—a point of contention of youngsters in any civilization.

According to legend, Eostra, for some reason known only to herself, changed her pet bird into a creature half-hen and half-hare.

Both the rabbit and generations of young egg hunters have been confused ever since.

The tradition of the Easter egg developed independently of the bunny, and only later they linked in fable.

The tradition of the Easter egg—the early Christians adopted the custom, of consecrating eggs and staining them deep red, to symbolize the blood of Christ. During the Middle Ages, an Easter gift of colored eggs came to denote affection. Nobility exchanged artfully designed artificial eggs of silver, mother-of-pearl and bronze.

But colored eggs, no matter how hard-boiled, proved a bit impractical to send through the medieval mail system. Usually the recipient opened his gift package to find shattered good wishes. More practical minds in the 18th and 19th centuries began to exchange Easter cards.

By the end of the 19th century, the humorous cards had come into vogue. Whimsical bunnies and gaily-colored Easter eggs were standard designs for most every greeting card. It is estimated that more than 450 million Easter cards will be mailed in the United States this year.

SPRING ACHIEVEMENT APRIL -10

Washtenaw County 4-H Club Agents, Lora Bonine and Robert McCrory announce that the County-wide Spring Achievement program will be held April 9-10 at the Ann Arbor High School.

"Carnival of Fashion" will be the theme of the dress revue which will highlight the Wednesday evening program. Over 700 Washtenaw County 4-H members will be exhibiting approximately 1600 projects which they have completed this winter.

Project exhibits will include clothing, knitting, home improvement, woodworking, leathercraft, electrical, conservation, gun safety and many others. These exhibits will be judged Tuesday evening by 4-H leaders and other resource people.

The public is cordially invited to view the exhibit area in the corridors of the Ann Arbor High School from 9:30 a.m. to 8 p.m. on Wednesday evening starting at 8 p.m. in the large auditorium of the High School. The girls who will be modeling their garments at the County Dress Revue have been pre-selected from two area revues, held at Lincoln High School and Dexter High School.

MRS. PEARL AVERY Funeral services for Mrs. Pearl Scheurer Avery, 73, of Ann Arbor, the widow of Claude Avery were held at 2 p.m. Monday at the Muehlig Chapel with the Rev. John G. Swank officiating. Burial was in Oak Grove Cemetery in Manchester.

Mrs. Avery, an Ann Arbor resident since 1936 died Friday in St. Joseph Mercy hospital. She had been a cashier at University hospital for many years.

She was born on July 23, 1889 at South Rockwood, Mich., a daughter of the Rev. Peter and Christine Baker Scheurer. Her father was a minister of the Evangelical and United Brethren Church of which Mrs. Avery was a member.

Survivors include two sisters, Mrs. Sarah Schmitt of Ann Arbor and Mrs. Edith Pickles of Jackson. She was preceded in death by a brother, the late Dr. Peter A. Scheurer of Manchester and a sister, Minnie.

RETURNS FROM WEST

Mr. and Mrs. Arthur Jenter returned home Friday by jet from a 4 month's stay in Los Angeles, Calif. where they had been visiting their son Russell. They were accompanied on the trip by Mr. and Mrs. Don Dresselhouse who visited their son and wife, Mr. and Mrs. Don Dresselhouse during their four month's stay.

While in the west they took a trip to San Francisco visited Disneyland and the Knox Berry Farm and saw Red Skelton at CBS.

5 times this year...

FORD HAS PROVED IT'S AHEAD OF COMPETITION IN PERFORMANCE AND DURABILITY!!

Performance and durability don't necessarily go together. So far this year, results in the big, open competitive road and track events prove the point. In four of the five events, mechanical failure forced many cars to quit. But Ford kept going—to win every time. That's performance with the durability to make it mean something. It's total performance. Speed and acceleration play only a small part. It's cornering and steering and handling. It's holding the road. It's braking surely and safely. And the consistent winner is certain to be a better car for the kind of driving you do—every day. Drive a Ford and see—sample total performance for yourself.

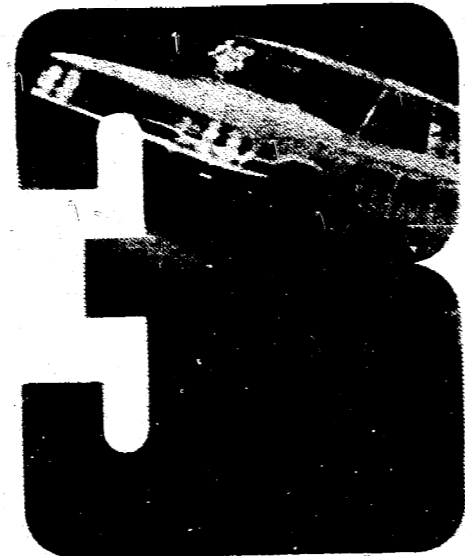

RIVERSIDE, CALIF. JAN. 20

At Riverside in the first big performance and durability test of the year, a Super Torque Ford finished first. This was no "private" test, but an official NASCAR 500-mile event witnessed by over 50,000 people. In six hours at Riverside, engine, transmission, brakes, suspension system—the whole car—is pushed to the limits of endurance. The winning Ford proved it could deliver total performance.

MONTE CARLO RALLYE JAN. 23

Falcon gave the world a dramatic demonstration of total performance in the 2,500-mile Monte Carlo Rallye. A special-edition Falcon V-8 Sprint hugged winding Alpine roads through four days and three nights of snow, sleet, fog and freezing rain. The Sprint took first and second in its class—the surprise star of this international classic.

PURE OIL TRIALS DAYTONA, JAN. 27

A Super Torque Ford outpointed the field in braking, acceleration and economy tests at the Pure Oil Performance Trials. In tests open to all U.S. production cars, Ford's first-place finish in its class is important. These trials duplicate normal driving conditions as nearly as possible, emphasizing the practical side of Ford's total performance story.

JAYTONA, FLA. FEB. 24

Again in open competition, over 70,000 people saw Super Torque Fords finish 1st, 2nd, 3rd, 4th and 5th in the annual Daytona "500." Never before has one make dominated so completely a major U.S. track event. At Daytona, Ford's 5th-place victory stands as a spectacular demonstration!

ATLANTA, GA. MARCH 17

Add another first-place finish for Ford—this time in the Atlanta "500." It takes only a few short hours to cover Atlanta's 500 miles—but every minute is a brutal test of a car's ability to take pounding punishment and keep going. At Atlanta, Ford showed that built-in total performance can be duplicated, time and time again.

IF YOU HAVEN'T DRIVEN A FORD LATELY... YOU'RE MISSING SOMETHING!

IFYE ALUMNI
TO MEET
An elite group of about 40 internationally-minded young men and women and their parents will spend an evening in the Middle East on Saturday, April 6. The event will be the eighth annual banquet for Michigan International Youth Exchange alumni.

About 40 to 45 of the participants will be rural Michigan youths who have gone abroad as IFYE delegates. Families who have hosted delegates from other countries will also attend. IFYE seeks to improve understanding through shared experience with other cultures. About 3,000 young people have gone to or from the United States under the 15-year-old program. In Michigan, 62 IFYE "alumni" have visited more than 40 countries.

At the banquet, guests from several Arab countries and Israel will provide hospitality, and participants will eat food typical of the Middle East. Main speaker will be Salah Yaoub of Jordan, a former IFYE to the U.S. and now a graduate student in rural sociology at Michigan State University.

A special reception will honor 1963 IFYE's from Michigan. These will be Thomas Thorburn 21, of Mason, going to Sweden; Lynn Munson, 22, Ithaca, going to Italy; Charlotte Webster 21, Hillsdale, going to France and David H. Jonckheere, 20, Fowlerville, leaving for Venezuela. All four will leave in April. The banquet will be at the MSU Methodist Foundation in East Lansing.

E. HUTZEL REPORTS
ON HIS TRAVELS
St. Louis, Mo., March 23, 1963

When we left home on Friday morning, the temperature was 16; the ground was frozen hard; immense mounds of snow were still to be found along many points where it had drifted. By the time we reached Van Wert, Ohio, (130 miles south, the recorded temperature was 42, and the snow banks had all but disappeared. We arrived at our predetermined destination, Boston, Md., (230 miles) at 3 p.m. with sunshine all the way.

When we arose on Saturday morning, we found the old sun had disappeared, and it was raining. In fact, it rained and rained hard, all the way to Effingham, Illinois on Route 40, (some 250 miles). At that point the sky started to break and it wasn't long before the sun was shining brightly and warm with recorded temperatures in the 50s.

We arrived in St. Louis at 3 p.m. with the temperature around 70. The wheat fields along the highway looked nice and green, as did the lawns along the streets in the villages and towns.

In going from north to south, or in reverse, I have noticed that 100 miles in latitude indicates about one week change in season, making St. Louis about 2 weeks earlier than southern Michigan.

We spent the entire week visiting friends, which was a lot of fun but rather hard on the dieting program. By the time we leave here we will have driven about 300 miles in and around St. Louis.

Our next report will be from New Orleans.

JOAN WATKINS
BURIED HERE

Reward money offered in the case of Mrs. Joan Watkins has been returned to contributors, Sheriff's Lt. James Myers said last Saturday.

"No one individual offered information which was a contributing factor in solving the murder," the detective said.

The Feb. 19 disappearance of the 28-year-old Wampler Lake housewife from Brooklyn Laundromat was solved last Wednesday when her confessed slayer led police to where her body was buried beside his house near Napoleon. The body was recovered.

Larry L. Hanley, 22, of 6460 Brooklyn Rd., who confessed the shooting, is in the county jail awaiting arraignment in Circuit Court Wednesday on a murder charge.

Lt. Myers said the reward money contributed before Mrs. Watkins' body was found, was returned for the contributors to do with what they see fit.

The Greater Brooklyn Association had offered \$250; radio station WJCO and WILK-TV \$100; Mr. and Mrs. Howard Robb, Vandercook Lake, owners and operators of the Brooklyn Laundromat, \$50, another \$50 from an anonymous donor.

Funeral services for Mrs. Watkins were held Saturday morning at the Worthington Funeral Home, Brooklyn. She was buried in Manchester.

Present Two Programs

At a regular meeting held this past Monday night the School Board discussed school finance in light of what was needed in the area schools.

A discussion was area citizens before the Board meeting was of much help in making this decision.

It was decided that four mills would be requested for one year. This would replace the four mills voted last year. With a reduction in the Pleasant Lake Debt this tax year the total minimum school budget would be .4 of a mill less than this last year.

After considering the minimum operating budget, which cut one and a half teachers and did nothing for improvements, the Board considered the much needed improvements.

It was decided that the libraries' books, classroom maps, globes and reference books were items that were drastically needed if children were to receive adequate training.

For this reason, the Board will present a one mill operating tax on a separate ballot, this money to be earmarked for the items mentioned above.

The Board unanimously approved this request and hopes that the citizens and parents of the district will give full support.

If both the minimum special operating and the one mill are approved the school tax bill would total .6 of a mill more than this year. This would amount to a minimum raise in school taxes of 1.30 per thousand and a maximum in Sharon Township of about 2.00 per thousand.

Treasurer Boutell commented that this is for only one year. If the taxpayers should be asked to approve the same package in future years the tax bill would be only a few cents higher as the Pleasant Lake Debt would be finished.
