LIBRARY BOOKSHELVES

Have you been to the library yet this week? Saturday August 17 starts a two-week vacation period for the Manchester township library. The librarian suggests that if you haven't been in to get your reading material for this vacation time, don't be caught with nothing to read.

For 6th graders through young adults:
John F. Kennedy and PT-109 This is a vivid account of the operations of PT boats in World War II and of a mighty shipwreck and an incredible rescue as well as the profile of a young officer's courage, befitting a future president.

MYSTERY AT LITTLE SQUAW RIVER by Nelson-A novel of a girl's experiences in a small north-western town, while staying with her cousin she meets a young man and together they solve a mystery full of suspense, and realistically drawn against a fascinating background of fish-hatchery life.

GIRL IN APRIL by Kerslin The story of a young girl whose one ambition was to become a fashion designer. The emergence of this shy girl from an over-sheltered northern Swedish home to a young woman aware of herself and the world around her in Stockholm is unusually fine reading.

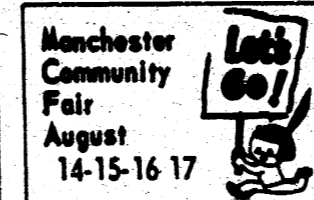

THE CLASSICS RECLASSIFIED by Richard Armour-A fiendish satire on the classics (The Required Reading List). Armour retells seven great works to the delight of everyone who has ever drowsed in school with incredible results. And for those who cannot read, Campbell Grant's 79 drawings lend much to the meaningful absurdity.

AN ANTHOLOGY OF FAMOUS BRITISH STORIES edited by Bennett Cerf & Henry Moriaty. In this volume are 80 of the best stories by British authors from Chaucer to the present day. There are 10 e stories ghost stories, detective stories, and stories of the sea told by men who know it best of all. Hours of reading enjoyment are guaranteed in these pages.

IRON CREEK REUNION WELL ATTENDED
Thirty-six were present at the annual reunion held at the Iron Creek Church hall Sunday, Aug. 4. The oldest person present was Mrs. May Parks of Tecumseh and the youngest was the grandson of Mr. and Mrs. Percy Kelly of Galein.

Next year's officers will be president, Emmett Noggle and secretary-treasurer, Mrs. Fred Alber.
David Noggle entertained the group by playing several selections on his accordion. The Rev. Alvin Brazee introduced Mr. Elmer Pockington of Ridgeway who gave a very entertaining talk on the "Negro".

EXCHANGE STUDENT
Haymo Knichel, an exchange student from Springlingen, Hessen, Germany arrived at the Metropolitan airport, Saturday, Aug. 10 to live with the Millard Uphaus's during the coming year. He plans to enroll at Manchester High School where he will be a Senior along with Tom Uphaus, son of Mr. and Mrs. Millard Uphaus.

ALVIN CLARK INJURED IN FALL

A Manchester high school custodian is in critical condition at University hospital Ann Arbor after he fell 8 feet onto a concrete floor. Alvin Clark, 68, and Lewis Trolz, both employees of Manchester public schools, had climbed up to a storage loft above the janitors' office in the High School to get some ply wood.

Mr. Trolz said they were pulling out the ply wood when he noticed Clark was getting close to the edge and said, "Be careful, Clarkie, don't fall". Just as he got the words out the fellow workman fell backward to the concrete floor below, striking his head. The accident occurred at 8:55 a.m. when the impact stopped Mr. Clark's watch, Thursday morning.

Clark was rushed to Tecumseh hospital in an unconscious condition and then moved to University hospital in Ann Arbor where doctors reported it would be three or four days before they could predict the severity of the skull fracture.

Mr. Trolz, badly shaken after the tragedy said that the two started to work together nine years ago, August 15, when the new high school was completed.

SURVEY COMMITTEE SETS FINAL MEETING ON COMMUNITY COLLEGE

During the past year and a half a comprehensive citizen's survey has been underway in Washtenaw County to study whether conditions warrant the establishment of a two-year public community college. The study was initiated by the County School Officials Association and conducted by a citizen's committee, members of which were chosen from every district maintaining a high school under the direction of consultants from the Bureau of School Services, the University of Michigan.

September 9 at 8 p.m. in the Tappan Junior High School cafeteria, 2251 E. Stadium Blvd., Ann Arbor, there will be a final meeting of the Survey Committee. Summary reports will be given of the findings. The meeting is expected to be attended by members of the County School Officials Association and School superintendents and board members.

Citizens from Manchester who have been participating in the survey are Mrs. Roland Grossman, Reno Feldkamp, Ted Roberts and Mrs. Tom Walton.

PERSONAL
Mrs. Helen Welch is in a critical condition at St. Joseph hospital where she was taken Saturday, Aug. 3.

HOSPITALIZED
Clarence Schlicht is a patient at St. Joseph Mercy hospital.

WATERSHED PROJECT TO BE AIDED HERE

A special meeting of the River Raisin Watershed project will be held Tuesday, August 20 at 8 p.m. at the Emanuel Church hall at 324 West Main Street in Manchester. This will be an open forum type of community meeting to inform the people of Manchester of what improvements are being planned for the River Raisin and also to show state representatives what interest Manchester has in these improvements.

After several meetings of the project committee a technical advisory committee from Lansing surveyed the River Raisin from beginning to end and approved the river improvements for state grants with local sponsorship under Public Law 566.

Besides various display and aerial photographs of the river an interesting program is planned. John Comstock, Lenawee County Extension Director, and Don Mitchell, Lenawee Co. Drain Commissioner will present a brief history of the River Raisin Watershed Project to date and will also inform those attending of the future possibilities of the project and how it would affect Manchester.

Kenneth Hallenbeck, Director of the Huron-Clinton Metropolitan Authority, will be the guest speaker. He will talk on the laying of ground work and the problems encountered in a watershed project. A discussion will follow during which these men will answer questions concerning the project, River Raisin Watershed Project Steering Committee reported.

FARM FIRE

The Manchester Fire Department was called to answer a call at the Mrs. Donald Krzyzaniak farm at 11855 E. Austin Road when a fire was discovered in one of the farm buildings by the baby-sitter.
Mrs. Krzyzaniak was away from home at work when Miss Ross first discovered the fire in the chicken house. The fire spread and burned a garage and tool shed housing farm tools before the fire department could get it under control, according to fire chief, James Kensler who said the damage was estimated to be around \$1,500.

The department managed to save the big barn although some holes were burned in the roof.
Cause of the blaze could not be determined at this time the fire chief said.

EMANUEL WELCOMES NEW MEMBERS

Sunday, August 11 Emanuel church received ten new members. They are: Miss Betty Schebor, David Shadley, Mr. and Mrs. Dewey Smith, Harry P. Johnson, James Lyon, Donald Rhees, Maynard Blossom, Mrs. Howard Breitenwischer and Mr. William Bunnay.

OPTIMIST STEER CLUB

Manchester Steer Club members will be exhibiting their steers during the Manchester Community Fair. Judging will take place Thursday, August 15 at 8 p.m. on the athletic field. There are 38 steers being shown this year. Most of the steers were financed by notes endorsed by the Optimist Club members.

Steer Club rules made up several years ago make the sale limited to the top 25 animals at the regular auction sale. The balance may either be sold in groups at auction or shipped or sold to private buyers. The decision will be made by a combined committee of Optimist Committee members and fathers of Steer Club members affected by the decision.

Steer calves were purchased by a committee of Optimists and fathers of the Steer Club members and were allotted to the boys and girls by a drawing.
Profit on the steers go to the boys and girls who raised and trained the steers. The Optimist Club sponsors this activity in keeping with its creed to be of aid to the youth of the community.

Steers were purchased December 1, 1962 from Michigan Livestock Exchange and were insured by Sutton Agency in Manchester by a Hartford Livestock Exchange Policy.

Optimist Steer committee: William Hamilton, chairman, Herman Kuebler, Chester Koceski and Tom Walton expressed their appreciation to agriculture instructor, Maynard Blossom and Dr. Henry Eames who have assisted with this year's Steer Club activity.

Union Savings Bank of Manchester is again host at a luncheon at Emanuel church hall at 11:30 a.m., Saturday, August 17. All Steer Club members and their fathers are to be guests at this affair. The buyers at last year's sale and commission company representatives will also be invited to the luncheon.

Special awards to Steer Club members were donated by Grossman-Huber Service, Tom Marshall, Inc. and Kirk Electric.

The Steers are to be weighed in Saturday morning, August 17 after being without feed or water for twelve hours. Auctioneers are from the Napoleon Livestock Commission.

Michigan State University specialists will be on hand Thursday evening to judge the animals.

The Steer Club members and their Optimist Club endorsers are listed as follows:

Vacation Trip to Alaska

They enjoyed a trip to Sam McGee's cabin with a hued out tree limb rocker and chair. At the McBride museum they visited there were pictures of the gold rush days of 1897-1898. In the collection there were old guns, furs, stones, carvings, and the mounted moose, bears, mountain sheep, goat, cauboo and other animals.

From there we went to Miles Canyon, Mrs. Bertke said. It was at that place that Jack London earned a living as a river pilot before he left for the gold field of the north.

"There was a swing bridge which we walked across and took pictures. Moose and rabbits were very plentiful at that place. The rabbits are very pretty. They have dark bodies and white feet. Many of the places we visited looked very lonely and deserted. But inside they would be very comfortable. At this point we were at 918 miles. At White Horse we turned north on a dirt road of 217 miles on Dawson and Mayo Road to Dawson City.

"We came upon a syn mine and drove to see it. It was a place where thousands of gold miners lived as they were caught by a freeze on the Yukon River. Starvation caused many to die and they are buried in unmarked graves. A few Indians live in the area now. In some of the places vacationers can see how the places were left-some of the household goods are still in the huts.

"As we entered Dawson City, gold dredging was in progress over miles of territory in the Yukon. "This truly frontier city has a dirt road, board sidewalks and boasts of a bank building constructed entirely of canvas. There are several old boats and engines and a place of interest is Robert Service's cabin which was left as he lived in it during the gold rush days of Bananza Creek and Klondike Valley in 1897-1898. "Several Indians live here now and this is where history was made by gold hungry men. Every year on August 17 they celebrate the day gold was discovered. We saw a log and wood fram building like a barn. On it was printed 'City Morg'. They call this the midnight Dome.

"From here we had to take a Ferry across the Yukon River. There is no other way to get to Alaska from the west. The trip took only 5 minutes. There was still 175 miles of travel across the very tops of the mountains. We saw a double rain bow and threw a few snow balls.

"We got our first glimpse of Alaska on June 23 at 7:30 p.m., which, by the way is Mr. Bertke's birthday.

"We were grateful to see a gas station-even if the gas was 79cents a gallon. Sandwiches were \$1.00 and fifty cents was the cost of a piece of pie. Post cards were 2 for 25¢. It was raining and the temperature was 65 degrees. Traveling on we found a nice cabin at \$5 per night.

"We left in the morning for Tok Junction where we met some folks from Cheboygan who own and operate a cafe, garage and dog business.

"Then we left for Fairbanks with snow covered mountains all the way. We toured the town and camped at the Fairbanks fairground. We had bacon and eggs for breakfast on the tail gate of our car and from there we drove to the Alaskan Wien airport of Fairbanks.

"We left by plane for Nome and saw Mt. McKinley and Tanana River and the Yukon from the plane. There was some fog. After the two-hour plane ride we landed at Nome. An escort took us by bus to see points of interest including the home of the Eskimos. On a clear day it is possible to look across the 54 miles west across the Bering Sea and see Russia. It was foggy the day we were there.

"We were at a spot where men and women fought over \$40,000 worth of gold. We saw the Eskimos carve and make their own tools, bit saws, needles and many other things.

NEW STUDENTS MUST REGISTER BEFORE WED., AUGUST 28th

Preparations are underway for the opening of school on Tuesday, Sept. 3 at 1:30 p.m. The junior high science room is in the process of being remodeled and equipped and hopefully will be ready for use by the first day of school. This project is partially financed by the federal government.

Mr. Ted Tapping, Supervising Principal, states that the only item that sometimes causes some difficulties the first day of school is the failure of new students to the school district to do the necessary pre-registration the week prior to the

opening of school. He urges all elementary and junior high students who are entering Manchester Schools for the first time—including kindergarten—to call Ga8-2341 or come to the Intermediate office before Aug. 28.

Lists of room assignments for elementary students will be posted on the windows of the front of the Nellie Ackerson School on Thursday, August 29th. Students are requested, however, to remain out of the buildings until the official opening of school, September 3 at 1:30 p.m.

Detling reunion will be Sunday, Aug. 18 at Carr Park with potluck at 1 p.m.

JUNIOR HIGH FOOTBALL

Boys in the 7th and 8th grades who are interested in participating in junior high football should begin making plans for this season. The first thing which is required is parental approval, and Mr. Tapping, Supervising Principal, urges boys to discuss this subject with their parents. He points out that the program will begin a week or so after the opening of school, and as in the previous years, the student's academic eligibility for football will be determined each week during the season.

Except for the required physical examination which can be done by the boy's

family doctor anytime between now and the first day of practice (about September 16) all other details of the program will be given out at school and at a special evening meeting in the Civic auditorium. The meeting for the boys out for football and their parents will be held sometime during the second week of school.

CARD OF THANKS

We gratefully acknowledge and thank all our friends and neighbors for flowers and kind expressions of sympathy shown during our recent bereavement. Edward Zinke

SAFETY PATROL NEEDS RECRUITS

Any boy in the 5th, 6th, 7th or 8th grade who is interested in serving as a safety patrol boy during the coming school year, should report in the junior high office on August 28 and pick up his materials from Mr. Tapping. The school requires approval before a boy is allowed to sign up for safety patrol. It is also strongly suggested that safety boys have done satisfactory school work the previous year in as much as these boys are excused from some classes early to get to their posts and to some boys this works to their academic disadvantage.

CARD OF THANKS

I wish to thank my many friends and relatives for the lovely cards and gifts I received on my 80th birthday. Clara Lambarth

80th BIRTHDAY

Mrs. Clara Lambarth was pleasantly surprised at the home of her daughter and husband, Mr. and Mrs. Willard Manor on Thursday, Aug. 8 by her family on the occasion of her 80th birthday. Those present were Mr. and Mrs. Raymond Lambarth and family and Mr. and Mrs. Owen Lambarth and family of Pleasant Lake Road, Mr. and Mrs. Earl Alber and sons of Manchester and Mr. and Mrs. Clifford Manor of Ann Arbor.

Tuesday afternoon Mrs. Everett Stockwell entertained 8 ladies of the neighborhood at a card party in honor of Mrs. Lambarth.

TWO MANCHESTER SOFTBALL TEAMS WIN DISTRICT CROWNS

Manchester's Klager's Chix, managed by Clarence Fielder and Manchester's Grossman-Huber team, managed by Don "Lefty" Ross, have won district trophies during the past week.

Klager Chix, playing Class B defeated Ypsilanti's Bill Johnson's 11-6, Adrian's Tecumseh Products 10-0, and Ypsilanti's Royal Tavern 1-0 and 5-4. The Chix lost to Royal Tavern once 4-2. Klager shutout the Ypsilanti-ans, 1-0, in the first game when Gerald Meyer came home on a wild. Pitcher Bill Bunny won his own game in the title tilt when he singled to center to knock the winning run in a 5-4 edging of the Royal Tavern team. Bunny pitched both games.

Grossman-Huber played their tournament at Veteran Park Ann Arbor defeating Jackson Merchants 1-0 and Beisiegel Orchards 3-1 and The Chix now will enter regional play at Monroe, Tuesday, August 20 at 9:00 with the second game at Veteran's Park on Friday.

Grossman-Huber will challenge Allen Park at Ann Arbor Wednesday, August 21 at 8:30 p.m. with their second Class A contest at Allen Park on Friday.

It is very commendable to have Class A and Class B District Champs from this community. Mutual of Omaha Ann Arbor represent Class A and Washtenaw Electric represents Class C.

GOLDEN ANNIVERSARY HELD SUNDAY AT ZION

The Rev. and Mrs. Moritz Brueckner of 2855 Fletcher Road, Rogers Corners celebrated their golden wedding anniversary Sunday when a son, the Rev. Theodore P. Brueckner of Beaverton, Oregon delivered the sermon at the Zion Lutheran Church at Rogers Corners where the Rev. Mr. Brueckner was pastor for 29 years.

A family dinner followed and open house was held later in the church hall by the Women of Zion.

Other children of the couple at the activities were the Rev. Bruno Brueckner of Capac, Moritz F. Brueckner of Monroe, Mrs. Robert Warren of Temperance and Mrs. James Hunter of Salem, Oregon. The Rev. and Mrs. Brueckner have 16 grandchildren.

The couple was married in Toledo by the Rev. Simon Poppen on September 18, 1913. The reason for the early celebration is that their children from Oregon are home at this time.

The couple first lived in Alpena where he served as pastor to 1926 when they came to the Zion Lutheran Church. Rev. Brueckner, 86, has been a minister for 64 years and still occasionally supplies pulpits. He enjoys hunting, fishing and gardening.

Mrs. Brueckner, 71, the former Martha Buehler, does her own housework and enjoys gardening.

SENIOR CITIZENS PLAN POTLUCK

Senior citizens of Emanuel church will have a potluck dinner at noon Wednesday, August 28 at Carr Park. In the event of rain or cold weather the dinner will be held in the church hall. If anyone doesn't have a way and needs transportation they should contact the officers. All senior citizens of Emanuel church are most welcome.

Marilyn Huber was guest of honor at a bridal shower given by Carol Miller, Carole Alexander and Cheryl Schaffer at the latter's lake cottage.

Many classmates attended, games were played and the bride-elect received many lovely gifts. Dessert and punch were served by the hostesses.

Marilyn is bride-elect of David Minick. A September 7th wedding is planned.

Attend Camp

Those from the Baptist church who recently attended Camp Barakel near Fairview were Marcia and Ted Underwood and Carol, Marvin, Ruth and Ralph Postiff. They are the children of the William Underwoods and the Allen Postiffs.

Little League Farm Team

Some twelve weeks ago the Little League Farm Team Staff held their first meeting. Thirty-three pitchers were present at that time. The Detroit Tigers should be so fortunate.

Since that first meeting the staff discovered several good pitchers, catchers, and basemen along with plenty of power hitters and "swingers."

When thirty-three kids all want to bat or pitch all at the same time, a limited staff has its problems. Four fathers who have a limited amount of time cannot adequately do the job that should be done by the farm team. Much thanks is due to Richard Way, Charles Steele, John Rigg and Frank Wallen for their time and effort

when they could be present to help.

Some boys will say they didn't get a chance to play as much as the better boys, this could have been eliminated with the help of a few fathers.

Two boys were selected at the end of the season to play on the league teams and they were Herman Dennis for the White Sox and Mike Weber for the Tigers. The other two year boys will be picked up by the league teams next spring. Those boys being Don and Doug Brown; Robert Doelker and Louis and Philip Way.

What about the future for the Farm Team? Much depends on the next year's crop of fathers, we have the kids who are interested.

TAKES TRIP

Mr. and Mrs. Robert Popkey and family have returned home after a 2,000 mile trip for seven days on which they were accompanied by Miss Leone Bross.

They stopped at Maplewood, New Jersey where they were guests of Mr. and Mrs. William Furgason and family, formerly of Manchester. Furgasons took their guests to New York City by the Stanton Island Ferry, where they saw Rockefeller Center, Statue of Liberty, Radio City, Greenwich Village and other points of interest.

From New Jersey they went to Elkridge, Maryland where they visited Mr. and Mrs. William Basil, formerly of Manchester, for three days and toured Washington, D. C. Jefferson Memorial, Grave of Unknown Soldier. Their trip also included a swim in the Atlantic City when they visited Atlantic City.

4-H'ERS PREPARING FOR STATE SHOW

Washtenaw county anticipates sending over 130 delegates to Michigan University for the annual week of State Show, Aug. 26-29.

Washtenaw has ten youths involved in activity besides the exhibits. These members will be interviewed on Tuesday in state-wide competition.

Martha Lutchka of South Lyon, Shirley Morton Saline; Michi Shook, Saline; Everette Carlson, Ypsilanti; Susan Walker, Manchester; Douglas Spike, Manchester; Archie Bradbury, Chelsea; Gene Girbach, Saline and Gloria Wright, Willis.
