

TWO IN A ROW FOR MANCHESTER

20 - 6 32 - 18

Manchester's "Flying Dutchmen" opened its football season by beating Brooklyn 20 - 6. Manchester struck first on a one-yard dive by quarterback Jerry Ahrens. Brooklyn tied the score late in the first half on a five yard run, but Manchester came back on the next play with a 53 yard scoring pass from Ahrens to Pniwski. Ron Panches kicked the extra point to make the score 13 - 6 at half-time.

In the second half Jim Sloat scored on a four-yard dive. Panches converted and the score was 20 - 6. Sloat scored two other touchdowns, but both were called back because of penalties. Sloat and Ron Pfelder both intercepted passes, and Kappler and Hamilton had ten tackles each for Manchester.

"It was a big win," said Coach Dewey Smith after the Pniwski defeat. He thinks that the victories over Pniwski and Brooklyn are going to help encourage the boys for another big win over Chelsea.

STUDENT SOAPBOX

(The following article appeared in the Detroit News of Sept. 18, 1963. It was written by a ninth grade student at Brooks Junior High School.)

An editorial was written a while ago about the low morals of today's teenagers. It inspired me to write on a question facing the teenagers as to how they are going to be popular? Must I neck to be popular?

The answer seems to hinge on the word popular. With whom do you wish to be popular? With the wild, immature teens or the more intelligent ones known for their good reputations? Necking may seem like a requirement for popularity, but it is not. The Bible says, "As you sow so shall you reap." What is necking going to get you? Only a bad reputation which is hard to shed.

A kiss is not a thing for pleasure alone, but a symbol of love. It should be a treasured thing, not something a girl gives to every Tom, Dick, and Harry.

(Don't Column 2)

ATTENTION!

Applications for those who would like to participate in the Michigan Youth Chorale this year are available in the office. In a letter to Mr. Kozeski, Mrs. Rachel Andersen, director of the "Music For Understanding Teen-Age Exchange Program," said that she would welcome the application of another Manchester student for the coming year. Mrs. Andersen also said that Bruce Gates, who participated in the program last year, was an asset to the group and a fine representative of your high school.

STUDENT SOAPBOX

If you have a reputation for being "hard to get" or another "it" girl, you may not have as many dates as the "wild ones" but just wait and see who gets the most wonderful husband. When boys are ready to settle down, they don't look for the girls they knew about but for the ones they never "heard" about.

They want someone they can be proud of.

THE AD-VENTURE

AGAIN AT INTERLOCHEN

Four Manchester band members attended the All-State Music Camp in Interlochen, Michigan, this summer. Participants in the annual solo and ensemble festival held each year in Interlochen were voted for by the band members. The winners were: Soloist, Ante Meridiam; Soloist, Ante Meridiam; Soloist, Ante Meridiam; Soloist, Ante Meridiam.

Deanna Shney, a Junior clarinet player, and Spike, a senior oboe player, and "The Blues" quartet, a senior quartet, all attended the All-State Music Camp from June 21 to July 7. Thomas Spaus, a senior trombone player, attended the All-State Music Camp from August 5 to August 12.

The Manchester Band Boosters give the students one hundred dollars, and the students pay the remaining twenty-five dollars.

The All-State program is a cooperative program administered by Dr. Joseph Maddy, founder of the camp and a former professor at the U. of M. All-State sessions include All-State High School Band, High School Orchestra, High School Choir and High School Chamber Music. Each session lasts two weeks and two concerts are given. At the National Band and Orchestra which lasts for eight weeks, students from all over the nation and the world meet.

According to students who have participated, the music camps are well worth the time and hard work they require.

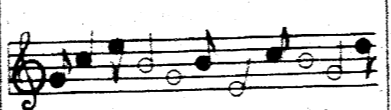

RECORD SHOPPE CROSSWORD TIME

"If my name's Phizzy Koss and this is the first in a series of articles on records." You probably have your own opinion of certain records and you probably won't always agree with what I say. If you don't, or if you have a question to ask, put the name "Record Shoppe" on your note and place it in the suggestion box in the office.

What's not in singles? "Sally Go 'Round the Roses" by the Peppettes sounds like something you've heard before but really haven't. I like "Marian Hop," but it gets tiresome after awhile. I did "Mean Woman Blues" by Roy Orbison, but Jerry Lee Lewis had a better version of it out about three years ago. And if I hear "Surfer Joe" one more time I'll scream "Wide Out" isn't so bad, but the acid singer can't even carry a tune.

What's good, bad in different in albums? "Chuck Berry On Stage." (Chess) Some people can't stand Chuck Berry. Others (like me) can't get enough of him. This album features "Memphis" and "Surfin' USA" and ten other selections. Rating: I'd buy it if I had the money.

The Twelve Year Old Jenkins' "Sweetie Wonder" (Capitol), since I've heard fingerprints at least a hundred times, I'm not too sure I'd buy this album. It also has "Drawn in My Own Tears." Rating: Buy it if you really like Steve Wonder.

GIRLS-STATE

Diane Dresselhouse, sponsored by the American Legion Auxiliary, attended Wolverine Girls State this summer from July 19 to July 29. Diane was one of 462 girls from all over Michigan who stayed at Mary Markley Hall in Ann Arbor.

They studied about government on the city, county, and state level. They had their own elections and studied various branches of our government. They met Gov. Georger Swainson and Mr. Lindaman, the leader of the Republican Party.

Diane said they had a skit and a talent night that everyone enjoyed. She thought it was a pleasant learning experience where you could learn and have fun doing it.

RED CROSS DEDICATION SET FOR TUESDAY

People in the area are invited to the American Red Cross Open House and the Dedication of the Washtenaw County Red Cross Chapter's new home next week.

Manchester people are doubly interested in the new Red Cross headquarters because the structure was built by the local contractor, Robert E. Lowery. The dedication is scheduled for Tuesday, October 8 at 4 p.m. and the address of the Operations Center is 2729 Packard Road, Ann Arbor.

If Tuesday's ceremonies are not convenient, anyone who has worked as a volunteer or anyone interested in the American Red Cross may attend the coffee hours scheduled for Wednesday, Thursday and Friday from 2 to 4 p.m. Manchester hostesses on Friday are Mrs. Willard Mann, Mrs. Roland Grossman, Mrs. Marie Scheurer and Mrs. Luther Klager.

Hundreds of people in the area have been involved in Red Cross work in one way or another. The Manchester Red Cross Blood Club has probably used the greatest number of volunteers at all levels--from those who give blood, those who work at the Bloodmobiles and those who have received blood.

JAYCEES LAUNCH 'CLEAN SWEEP' CAMPAIGN

At the first regular meeting of the Manchester Junior Chamber of Commerce, Past President, Joseph Fitzgerald announced this year's plan for the forthcoming Broom Sale to be held on Thursday, Oct. 10 at 7 p.m.

The Broom Sale which is held every two years by the Jaycees is done in conjunction with the Blind Products Company of Detroit, whose employees are blind. The proceeds from the sale are used by the local Jaycees to fund the youth activities in the Manchester area.

Joe Fitzgerald stated that all merchants and businessmen in the area are currently being contacted in regard to the purchase of commercial brooms for their businesses.

The Jaycees will have available for the house to house canvas such items as household brooms, pot holders, ironing board covers, clothes pin bags, and garage broom bags this year.

The Jaycees realize that some of the residences in the outlying areas are not contacted and have expressed an interest in the products offered in years passed. The Jaycees will be glad to deliver any of the products purchased if those people living outside of Manchester will just call Joe Fitzgerald at Ga8-3211 or Ga8-9841 or Keith Doelker at Ga8-3811 or Ga8-8559.

U F Drive

John Althouse, captain of the Double A Products team for the Manchester United Community Fund and Red Cross Drive and Ted Tapping, captain of the Public School division of the drive have both started their campaigns this week along with the national campaign for the United Fund.

The Double A team includes Mrs. Victor C. Wurster, Mrs. James H. Baker, Don Crites, James McFahl, Wm. Hanks, James Gutswiller, Paul Kappler, Paul Tregurtha, Franz Hayes, Robert Dorr, James Heaslip, Norman Yarkow, Irvin Gill, Julian Greenstreet, Ed Ross and Charles Dettling.

Tapping will be assisted by Chester Koceski in the school solicitation.

Both of these divisions are major units of the local campaign for the annual drive. They will be able to have preliminary reports for the Kick-off meeting for the house-to-house divisions Thursday, October 10 at 7:30 at the Nellie Ackerson School. All solicitors are requested to attend this brief meeting and coffee hour and captains are to make their reservations with Mrs. Ray Tirth by Oct. 8th.

The local campaign goal for 1964 determined by the Manchester Community Chest Board is \$9,383.00. The agencies included in this budget are The Michigan United Fund \$2,208; Salvation Army \$300; Portage Trail Boy Scout Council \$500; American Red Cross \$2,800; Huron Valley Child Guidance \$50; Catholic Social Service (non-denominational) \$75; The Glovers \$150; Manchester Recreation \$2,600; Manchester Year Book \$250; Manchester Student Council \$200; Manchester School Band \$200; Pleasant Lake School \$50.

About forty per cent of the funds stay in Manchester for local groups and for the area. Of the remaining 60 per cent, the community receives an inestimable but very real amount of direct return--there is the Blood Bank, the health and welfare agencies, disaster services, youth guidance, family counseling, child and old age care, and medical research all of which are freely given by these United Community Fund agencies to supplement the services that they give to keep a community healthy and progressive.

Manchester residents have always been thoughtful, magnanimous and victorious in their efforts to meet the annual needs of the community.

"Here's What We Think of The United Fund"

We at Double A have a keen interest in the community in which our plant is located. We believe that one of the basic concepts that has made our country different and so successful is the idea that the individual and the community to which he belongs take care of their own individual needs.

In recent times, there has been a trend away from individuals and communities helping themselves, and toward a reliance on the Federal Government and other agencies for help. This has been damaging to our initiative as individuals and communities.

One means of insuring that we retain our rights as individuals is to take care of our own needs. The upcoming United Fund and Red Cross Drive allows us to exercise our rights on a local basis. Although United in effort, this drive is funded and administered on a local level to meet the local needs.

We recognize and support the United Fund and Red Cross Drive at Double A and have seen the benefits of this drive returned to our community. The United Fund and Red Cross Drive demands that we assume our responsibility and support this worthy program with our contributions. The success of this drive depends on us, and we all benefit as a community. I am certain the employees of Double A Products will support the United Fund and Red Cross Drive as they have in the past.

The honor attendant carried a cascade of white carnations centered with yellow baby mums. The bridesmaids carried yellow carnations centered with white mums and the little flower girl wore white with a cummerbund and hairbow of apricot taffeta. She carried a basket of yellow and white baby mums.

'64 Jet-smooth Luxury CHEVROLET

Besides looks, ride and power - what's so special about it? (it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious - with a fresh-Christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice of four smooth transmissions to go with them.

And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

SENIOR CITIZENS COLOR TOUR

Thirty-one members of Emanuel Senior Citizens Club cut their meeting short Wednesday so they could spend most of the afternoon on a color tour of the Irish Hills, Brooklyn and Wampplers Lake area. They reported that although there is some color many leaves are falling without turning due to the very dry weather this past summer. Wampplers Lake is noticeably lower and many of the docks along the lake are entirely out of the water. There has not been a killing frost but they said some of the trees are almost without leaves.

The club returned to the church hall for refreshment. The next meeting will be held at 2 p.m. at the Emanuel Church Hall on Oct. 30.

United Fund Drive

"Here's What I Think of The United Fund"

The United Fund represents a far broader group of services than most people realize. We all benefit, as a community, when we help the young, the sick, troubled families and the aged. But here is a surprising fact: each year the majority of people in our community benefit directly from member agencies. There are few families that have not benefited from health care, medical research, family service, child care, or character-building organizations.

L. D. Solt and Mrs. Ruth Solt; Rows Corners, Mrs. Charles Kuhl and Mrs. Ted Blumenauer; Dorr, Mrs. Floyd Proctor; Craft, Mrs. Joseph Patrick; Pierce, Mrs. Joseph Kastl and Sharon Hill, Mrs. Carl Young, Mrs. Robert Kirk is captain of the Manchester township team with Mrs. Lehman Wahl for Spafard; Mrs. Emmett Noggle, Matteson; Mrs. James Walkow, Mc Mahon; Mrs. W.E. Prescott and Mrs. Robert Kirk for Oak Ridge; Mrs. Russell Wolfe, Zimmerman and Mrs. Lawrence Bloom for the Red Cross only in Nichols District which is in Brooklyn School District for other solicitations.

Mrs. Jacob Bauer of Clinton has the remainder of the county for Red Cross at the same time as that area collects for the Clinton Community Chest. And speaking of the Red Cross, it should be noted that NO COMMUNITY FUND DRIVE MONEY IS USED FOR THE BUILDING OF THE NEW RED CROSS HEADQUARTERS IN ANN ARBOR. The funds for this building were collected in a building fund drive and given specifically for that purpose.

The Freedom Township team will be completed this week. To date Mrs. Paul Boehler has listed Mrs. Jack Evisizer, Mrs. Louis Vogel, Mrs. Paul Lemon and Mrs. Titus Schneider.

The month of October will be devoted to the United Community Fund and Red Cross Drive in this area as well as thousands of other areas and cities across the country. Each area has budgeted its own needs and its volunteers will be calling on every citizen. Now is the time to give for 1964.

COOP NURSERY SCHOOL GETS LOCATION OK

Plans for the Manchester Cooperative Nursery school are rolling along with some children already enrolled. Committees have been named to make the final plans. Emanuel church has agreed to the use of their nursery rooms for the co-op school and will enable the program to get underway at an earlier date, since, the committee points out, there will be no building changes and clean-up before school can be held.

Plans originally called for the use of one of the rural schools in the area. This new development puts the program in the reach of people more readily. There are still some vacancies left for the nursery and includes children in the following age group: those who will be three by December 1 and through to kindergarten age.

A meeting is planned for Oct. 16, 8 p.m. at the Emanuel church nursery rooms. If the program is to succeed there must be a full enrollment at that time. Mrs. Richard Kuntz who is acting as a committee woman on the project may be called at Ga8-8170 for more information. Calls are also being taken by Mrs. Roger Morrison at Ga8-3661. Because many have inquired and asked for more information Mrs. Kuntz explains: What is a Coop Nursery? A cooperative nursery is a group of families organized to provide their children with the finest preschool experiences. It is administered and maintained by the parents on a non-sectarian basis. Under the supervision of the teacher, they assist in the nursery and participate in the educational programs. Associated with the Michigan Council of Cooperative Nurseries are over 150 such groups. They operate and are licensed by the Michigan Department of Social Welfare, meeting state regulations.
