United Fund Drive

"Here's What I Think of The United Fund"

L. V. Kirk Optimist Club President The several years of the Community United Fund Drive shows what can be done when a community as a whole gets behind a project and works for its success.

The United Fund represents a far broader group of services than most people realize. We all benefit, as a community, when we help the young, the sick, troubled families and the aged. But here is a surprising fact: each year the majority of people in our community benefit directly from member agencies.

The month of October will be devoted to the United Community Fund and Red Cross Drive in this area as well as thousands of other areas and cities across the country. Each area has budgeted its own needs and its volunteers will be calling on every citizen. Now is the time to give for 1964.

COOP NURSERY SCHOOL GETS LOCATION OK Plans for the Manchester Cooperative Nursery school are rolling along with some children already enrolled. Committees have been named to make the final plans. Emanuel church has agreed to the use of their nursery rooms for the co-op school and will enable the program to get underway at an earlier date, since, the committee points out, there will be no building changes and clean-up before school can be held.

Plans originally called for the use of one of the rural schools in the area. This new development puts the program in the reach of people more readily. There are still some vacancies left for the nursery and includes children in the following age group: those who will be three by December 1 and through to kindergarten age.

A meeting is planned for Oct. 16, 8 p.m. at the Emanuel church nursery rooms. If the program is to succeed there must be a full enrollment at that time. Mrs. Richard Kuntz who is acting as a committee woman on the project may be called at Ga8-8170 for more information. Calls are also being taken by Mrs. Roger Morrison at Ga8-3661.

Money enough is gathered in one operation for all the necessary needs of the community for a year. The same cooperation is shown annually at the chicken broil-trust enabling the park and athletic field improvements. Our recent sidewalk sale was a big success because everybody was in the act. The old adage, UNITED WE STAND, DIVIDED WE FALL, is still good.

Because many have inquired and asked for more information Mrs. Kuntz explains: What is a Coop Nursery? A cooperative nursery is a group of families organized to provide their children with the finest pre-school experiences. It is administered and maintained by the parents on a non-sectarian basis. Under the supervision of the teacher, they assist in the nursery and participate in the educational programs.

Associated with the Michigan Council of Cooperative Nurseries are over 150 such groups. They operate and are licensed by the Michigan Department of Social Welfare, meeting state regulations.

the great limp

Five years ago, Communist China announced the mobilization of 600 million people for "The Great Leap Forward." Decades of industrial progress, party leaders proclaimed, was to be "concentrated in a single day." Frenzied slogans urged everyone to work "harder and harder, faster and faster" to achieve an industrial revolution overnight.

Today, the slogans are silent, the delirious dreams dead. The grandiose plan has been abandoned, a complete failure.

What happened?

Blind concentration on industrial progress resulted in almost total neglect of agriculture. Farm productivity dropped to near disastrous levels. Critical food shortages developed. To avoid widespread starvation, millions of workers were forced to remain on the land, crippling the build-up of an industrial workforce.

"The Great Leap" became "The Great Limp."

The lesson is clear. An industrial economy is only as sound as its agricultural foundation. Neglect the foundation and the whole structure crumbles.

That's why Michigan Milk Producers Association reminds you that each of us has a stake in a sound and prosperous agriculture.

BIRTHDAY PARTY
Six little friends were the guests of Kristi Kuntz on Tuesday, Oct. 1, her fourth birthday. The party was held at the home of her parents, Mr. and Mrs. Richard Kuntz.

SPECIAL AG MEETING SET FOR OCT. 15
Secretary of Agriculture, Orville L. Freeman, reports to the people on October 15 at the Community Building, Lapeer at 2 p.m.

The meeting will be opened to the public and will afford them the opportunity to ask questions relating to agriculture. Representatives of the Federal State Extension Service, Soil Conservation Service, Agriculture Stabilization and Conservation Service and the Farmers Home Administration will be present to assist on the program.

WASHTENAW HOSPITAL PLANS OPEN HOUSE

Semi-annual open house will be held Wednesday, Oct. 16 at the Washtenaw County hospital. This is also the date of the luncheon for the executive board members and trustees which will be served at 12:30 p.m. at the Hospital at 2960 Washtenaw Road. The business meeting and program, which all friends are invited to attend at 1:30 p.m.

Speaker will be Rev. Virgil Janssen of the Ann Arbor Presbyterian church. The annual Christmas party at the hospital this year will be sponsored by the Junior Chamber of Commerce Auxiliary and hospital auxiliary members say it will be a fine help. However, gifts and donations of all kinds will still be needed and all county groups and individuals are invited to share Christmas with those in the hospital and the patients in boarding homes.

This project has received generous support in past years and the Auxiliary is anticipating the customary cooperation again this year. The hospital auxiliary has been advised that the Needlework Guild of Ann Arbor has offered a sum of money to be used for shoes, slippers or rubbers for any of the patients, either in the hospital or in boarding homes. This is a much appreciated gift and with the cold weather not too far away this will bring comfort to the patients.

Six more closets have been installed in rooms by the auxiliary and provide small space where patients can keep clothes or small treasures.

The hospital auxiliary does much to improve conditions at the hospital in refurbishing of chairs, curtains, draperies. Some of their services include the Cart Service where volunteer workers bring in carts with articles from stores which patients might want to purchase for themselves. They have a workshop for patients, give birthday parties, and have a visitors' service where their members visit the patients both in the hospitals and nursing homes.

Reservations for the luncheon are to be made to N02-6566. Local trustees are Mrs. Don Mackintosh, Marie Schneider and Marie Scheurer.

WINTER WHEAT CREAGE IN QUESTION

Across the nation now is the time that farmers are busy seeding winter wheat. Many farm experts had been predicting that the acreage would not rise above last year's level. But the experts concede they don't yet have the answer to one important question—they don't know whether current reports about possible wheat sales to Russia will induce some farmers to expand acreage. The Weather Bureau reports that planting of the 1964 winter wheat crop is in full swing.

In Texas the bureau estimates more than one third of the state's probable winter wheat acreage was seeded by last week Monday. In Kansas, the leading producing state, slightly under a third of the winter wheat was planted last Monday. These Weather Bureau reports do not give any estimates of the number of acres being seeded to wheat there will be no official government estimate of acreage until an Agriculture Department report scheduled in December.

TIPS FOR HUNTERS

Many millions of American hunters will take to the fields and forests this fall to hunt everything from cottontails to Canadian moose. The American Medical Society estimates that at least 200 of these hunters will be brought back dead. They'll be killed in accidents involving guns. And back of almost every hunting accident is one cause, carelessness. Today's Health, the magazine of the American Medical Association, offers some basic pointers that will help hunters to return unscathed and to avoid bagging a fellow hunter.

Know what you're firing at before pulling the trigger. Be certain that the rustle in the brush actually is a deer and not another hunter. Never climb through or over a fence with a loaded gun. Unload the gun, then reload after you've crossed. Don't shoot at a flat, hard surface. Ricocheting bullets can kill or wound at long distances. Always carry a gun so that you can control the muzzle direction even if you stumble. Keep the safety on until you're ready to shoot.

Keep guns away from children. Never leave a weapon unattended without first unloading it. Store guns and ammunition safely out of the reach of children. Unload guns carried into camp or home. Keep guns cased until reaching the hunting area. Be sure the barrel is clear of obstructions, such as mud or snow. Alcohol and guns don't mix. Avoid drinking while you're carrying a loaded gun and treat it with respect. Don't point it at a human. It might go off.

4-H LEADERS TO MEET MONDAY

A special meeting for new and prospective 4-H leaders will be held Monday, Oct. 14 at 8 p.m. in Room 117A of the County Building. Washtenaw County's 4-H agents urge all interested adults to attend the meeting. Anyone wishing more information on leading and organization of 4-H clubs should contact the 4-H agents in the extension office before Oct. 14. The phone number is 663-7511 extension 227 and 228. Clothing will be the topic for discussion at the Camp Kett Workshop October 16-17 and Washtenaw's leaders Mrs. Simon Girbach, Mrs. Michael Lucas and Mrs. Robert Guenther all of Saline will be representing Washtenaw county.

UNLAWFUL CARRYING OF FIREARMS

Because the hunting season is open for ducks it might be well to note: The law states that minors under 17 may secure a hunting license only on application of a parent or guardian and at all times he must be accompanied by someone over 21, designated by a parent or guardian. The same law applies to carrying a .22 rifle or any firearm into the field for target or plinking purposes. An exception is when said minor is on property on which he is regularly domiciled. All cases noted in violation of the above should be immediately reported to the police.

NO POLIO HERE FOR 5th YEAR

Washtenaw county reports no cases of polio for the 5th consecutive year according to the Washtenaw County Health Department. Between 1955-1950, before the Salk vaccine was introduced, the yearly average in the County was more than 60.

The Department urges that although the figures are encouraging, future protection can only be insured by continual immunization. Last year the program was conducted in the county's junior high schools by the County Health Department and County Medical Society, including booster shots as well as initial series of Salk vaccine. Immunization programs are also conducted privately by family physicians and by Well Baby clinics in the county. Immunization level of pre-school and school children is extremely high in Washtenaw County, with 80 to 90 per cent of the children immunized.

SHAKESPEAREANS HAVE TRIP DAY

The Shakespeare club picked last week Tuesday for their trip day. It was a beautiful autumn day with all its color which added much to the pleasure of the club as they visited Gilbert Candy Co. at Jackson and viewed with interest the many steps to candy making and relished the samples given them.

From there they drove to Holiday Inn where a delightful luncheon was very much enjoyed. A short business meeting was held in the Inn Lounge at which time the resignation of Mrs. Roscoe Lannom as secretary was announced. Mrs. Clayton Parr was elected to fill the vacancy. Mrs. Myrtle Defenderfer was welcomed back into the club. An invitation was read which invited the club to attend the Red Cross Open House October 9 at Ann Arbor.

After driving back to Jackson for a shopping period the club returned to Manchester after having a most pleasant time. The next meeting will be held with Mrs. Alfred Kuhl.

Student Council Conference
by Frances Bokles

On Tues., Sept. 24, the Junior High Student Council went to the University of Michigan in Ann Arbor to participate in the "Sixth Annual Student Council Conference for Junior High."

We registered in the Rackham Building Lobby; then we went on to a general assembly in the same building where Richard L. Cutler, associate Professor of Psychology at the University of Michigan, was the main speaker. Afterward we all split up into different discussion groups. The topic we discussed was "What Student Councils can contribute in the Area of Civil Rights and Help to Student Groups." There were 25 discussion groups. My discussion group was quite good. Since none of the members of my discussion group had ever come up against the problem between the negroes and the whites in their schools, we decided to talk about civil rights for the student body. Our discussion group thought that the Student Council should at least consider any possible suggestion brought up by any member of the student body.

We had lunch in the Michigan Union Ballroom at 12:45. From 1:45 to 2:30 we continued our discussion groups. At 2:20 there was another general assembly. During this assembly each group gave a report on their discussion. There was a reporter from each group. By 3:15 the conference was adjourned. It was a very interesting day.

New 8th Grade Student

One of the new students at M.J.S. this year is Mike Springsteen. Mike, formerly of Sheridan, Michigan, now lives at 536 West Main. He plays trumpet in our band. Mike, son of Mr. and Mrs. Harold Springsteen, has one sister and three brothers all younger than he. He is about 5 ft. tall, has dark hair and brown eyes. He will be 13 on Dec. 5. If you haven't already met Mike I'm sure that you will want to very soon.

"Imagination Goes Wild"
By Larry Kirk

Once I dreamt I was a door knob to a castle. I could tell a lot about the people who came in the door. Some of the tourists would look at the castle for the King liked to show off. Some people came seeking a favor; they would turn me gently. When some would come to get "balled out," they would shake me terribly. One man came who was very angry at the King. He practically pulled me out of the door.

ASK THE COACH

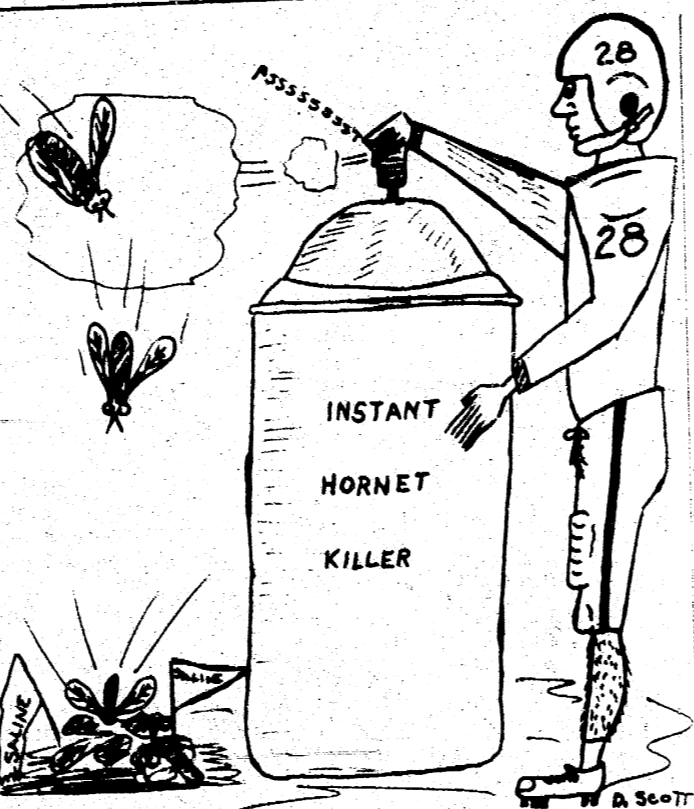

Question: What is the most important characteristic of a successful football team?
Answer: Possible you are expecting an answer that would involve something tangible, such as a good running and passing quarterback, a hard-driving fullback, or tough defensive ends or linebackers. These are common characteristics of a successful team; however, I feel there is a more important intangible characteristic. It is commonly called "esprit de corps," "spirit or loyalty." This characteristic is developed compositely by the coaches, the players, the faculty, and the student body. A loyal coach works hard when his team is winning, and harder when it is losing. When the loyal coach loses he expends his energy searching for reasons to explain why the other team was more successful, rather than wasting his energy formulating excuses to hide his own failure. A loyal player always hard when his team is winning, and harder when it is losing. Each time he loses and individual attitude to his opponent, the loyal player attempts to reason out the opponent's success, rather than to contrive excuses to rationalize his own failure. A loyal supporter cheers hard when his team is winning, and harder when it is losing.

Because it is so closely related, I will include the answer to your forerunner - from runner question here. In statistics, (either self-imposed or imposed by others), that his ego of self concept has become so surmounting that it compels him to identify only with a winner, so that he may deceive people into believing that he was always a "forerunner." So at games he will sit in the home bleachers or walk the home sideline, out psychologically he positions himself in the end zone, equidistant between the home and the opponent's sidelines so that he can vacillate his support to the team which is ahead at the moment.

- ASK THE COACH (continued from Col. III)
- for that matter, the "forerunner" is an individual who experiences such a small degree of defeat that it seems to those observing him that he is always out front. We should emphasize, though, that he can accept a defeat. In contrast, you have all met forerunners before in everyday life, only here you knew him as a "rain weather friend" in athletics, he is the supporter who has experienced so much defeat (either self-imposed or imposed by others), that his ego of self concept has become so surmounting that it compels him to identify only with a winner, so that he may deceive people into believing that he was always a "forerunner." So at games he will sit in the home bleachers or walk the home sideline, out psychologically he positions himself in the end zone, equidistant between the home and the opponent's sidelines so that he can vacillate his support to the team which is ahead at the moment.

TV SHOPPE

Well, gang, did you like my last article? Oh, I see, you didn't read it so you can't be critical. Oh, well - what happened to Record Shoppe? Well outside of a couple of a few singles ("Misery" and "Me's a Fine Boy") nothing much has happened so let's turn on Uncle's Paiz's TV set to ABC and see what we get.

MID YOUR LEAGUE OF PESKY INSECTS THE DUTCHMEN WAY!

CHELSEA

Manchester suffered its first defeat of the year at the hands of arch-rival Chelsea. The final score was 4-5. Chelsea out-blocked, out-ran, out-tackled, and consequently out-scored Manchester.

Our only score came on a one yard play by Dennis Reinhart after a Bob Riggs to Dennis Reinhart pass play which covered 50 yards. Dick Lauhaun did most of the damage by scoring four times for the Bulldogs.

DEXTER

Manchester lost its second game of the season to an underrated Dexter team, the team has little to be ashamed of. The Dutchmen were trailing 13-7 at half time on two touchdown passes by Dexter's fine Quarterback Doug Dunham. Manchester's lone score was a 3 yard drive by Ron Fielder. But in the second half things opened up with Jerry Ahrens going over from the two yard line. Then Richard niewski took a pass and stepped into the end zone to make the score 13-13 in favor of Manchester.

GIVE A CHECKER . . . FOR THE CHEERLEADERS! Left to right: Jane Kemmer, Mary Knapp, Deanna Shuey, Diane Dresselhouse, Susan Helber, and Coelle Purfield.

MOM'S DAY

The cheerleaders did a good job this year for Mom's Day. Each cheerleader invited five mothers of the football players to the pep rally on Friday, September 20. The mothers were introduced at the assembly, and the cheerleaders gave a "Yes Mom's Cheer." Flickers, "We'll winners, but "Cheering" and "Breaking Point" I can do without. Oh, yes, you might like to watch "Arrest and Trial" which is, as they say in Hollywood, slightly colossal!

Jaycoos Express

Some sixty volunteer solicitors began a concentrated two week effort for the Manchester United Community Fund and Red Cross Drive following the kick-off meeting Thursday night to reach a goal of \$9,383 by November 1, at the latest. Clarence Fielder, president of the Community Chest expressed his hope that the volunteers would begin the campaign at once and introduced Eugene Bentschneider campaign chairman. Wm. St. Aubin of the Ann Arbor Red Cross Chapter and Mr. Farrell of Lansing, represented the 47 agencies of the United Fund.

The Rev. Fr. Raymond Schlinkert, keynote speaker explained the necessity for having a United Community Fund. Mr. Bentschneider explained that the team reports should be completed by October 26. Wednesday morning Mr. Bentschneider chalked up 12 per cent on the Main St. thermometer. T. H. Tapping, Jr. Chairman of the Manchester Public School Division reported at the meeting 90 per cent of the school staff and employees pledged with a total of \$50. This is \$18 more than the final total last year for that division.

Simplicity Marks Ceremony

Simplicity was the keynote at the wedding of Priscilla M. Woodruff and Duane R. Haselschwerdt which was performed Saturday, Sept. 28 before the fireplace in the rectory of St. Alexis Catholic Church in Ypsilanti. The double-ring ceremony was read by the Rev. Henry S. Kraft in the presence of the immediate families. The bride is the daughter of Mr. and Mrs. Howard S. Woodruff of 860 E. Forest Ave. and Mr. and Mrs. Ray Haselschwerdt are the parents of the bridegroom. For her wedding the bride chose a waltz-length frock of white nylon lace over white taffeta. The fitted bodice featured a square neckline and brief sleeves. Adding back interest was a butterfly bow. Falling from a small tiera of pearls was the elbow length veil of illusion. In white shortie gloved hands, the bride carried a bouquet of white cotton mums. Mrs. Robert Woodruff of Ypsilanti, sister-in-law of the bride, wore a dress of La tour blue nylon as matron of honor. Best man was Ronald Haselschwerdt of Jackson, the bridegroom's brother. Five-year-old Janet Lynn Woodruff of Milford, Conn. a niece of the bride, was the flower girl. She wore a white nylon dress accented with an orchid sash and carried pink baby carnations. The church hall was the scene of the reception.

"Here's What I Think of The United Fund"

Luther Klager
School Board President
Christian Teaching and American Tradition is "Help thy neighbor." This spirit of citizen responsibility to help his neighbor and his community is present in the United Fund campaign. Your dollar is spent well in supporting local youth-welfare-and health needs as well as state and national agencies. Each of us have a personal responsibility to the community of Manchester and should support the United Fund to our ability. Our personal contributions are somewhat insignificant when compared to the good realized by the community. We all benefit.
