TO REPRESENT MANCHESTER AT CONFERENCE

Stanley White of Manchester will represent the Manchester Community Chest at the annual budget conference of the Michigan United Fund.

Mr. White will serve as a member of the Admissions and Budget Committee, comprised of more than 250 volunteers throughout Michigan, who will attend the annual budget conference May 5 and May 6 at Kellogg Center in East Lansing.

The volunteers hear the budgets outlining the program and financial needs of the state and national health and welfare agencies included in the Michigan United Fund.

Mrs. A. Arthur Mullen of Grosse Pointe will serve as chairman of the budgeting sessions, which annually determine the financial needs of the state and national agencies to be included in the Manchester Community Fund Chest.

Members of the budget committee represent all areas of business interest and every geographical area in Michigan.

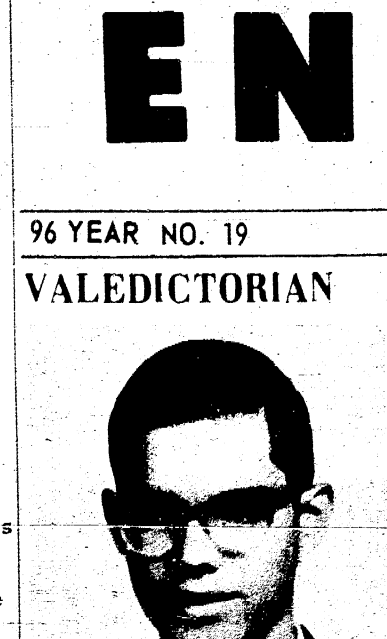

DOLLAR FOR DOLLARS' AFTER FUNDS

The Citizens' Scholarship Foundation of Manchester is in need of more dollars to help provide scholarships for deserving students in need of financial assistance. The number of students that year depends on the generosity and interest of all people in the Manchester School District. The Foundation is asking the support of the schools, churches, labor and business, industrial and government leaders and social clubs.

"Dollars for a Scholar" makes one a patron of education for the school year. Help Manchester youngsters continue their education, send your contribution to Mrs. Thel Griffin, treasurer of the Citizen's Scholarship Foundation of Manchester.

Last year the Citizen's Scholarship Foundation of Manchester gave financial assistance to four Manchester High School graduates. The school has been informed that one of these students made the honors college at Michigan State.

THE MANCHESTER VALEDICTORIAN

Thomas Uphaus
Thomas Uphaus, son of Mr. and Mrs. Millard Uphaus has been named Valedictorian of this year's graduating class. Tom has an overall academic average of 4.00 or A for the four years of high school.

There has been a lot of speculation as to what become of the attitude survey report until last week when the audit survey report was printed. A total of 470 survey blanks were filled out and returned in the house-to-house campaign. This represented 622 people, because some husbands and wives answered on a single survey. This is about 85 per cent of the number eligible to form an opinion.

The surveys were handed out on January 31 and picked up February 7.

Richard Kuntz was the original chairman and working with him were Stan Wynn, Keith Doelker, Tom Marshall, Ron McNally and Richard Way.

About two weeks after the house-to-house campaign each student in high school was given a survey blank, and of these 276 filled out the blanks and returned them.

The results, which were tabulated by Double A Products Co. I.B.M. Equipment were turned over to Howard McClusky and his associates from the University of Michigan, who are experts in the field of community analysis.

A public meeting is tentative scheduled for the third week in May to discuss survey results.

In the school survey the students, at least fifty per cent believed that following categories are adequate or very good: water supply, sewage disposal, gas, electricity, telephone, postal service, newspaper service, television and radio broadcasting service, fire law enforcement, street lighting, medical and dental service, traffic regulations, sidewalks, legal service, playgrounds for children, schools (primary, junior high and high school) for staff, educational program and building and equipment, library and services, service and repair facilities, newcomers welcomed into community, cooperation with other communities, and cooperation among churches and organizations.

In the school survey, students believed the streets need repair, public transportation to other communities is poor, recreation opportunities for teenagers, adults and other people is inadequate. Also they marked as inadequate: swimming facilities, golfing, bowling, restaurants, hotels, motels, general shopping facilities and job opportunities.

VETERAN TEACHER RETIRES

A veteran Clinton teacher has announced she will retire in June after 41 years in Wash-tenaw County Schools.

Mrs. Helen A. Monaghan has been the fifth grade teacher at the Saline Intermediate School since 1959. Before that she taught at Dexter School and at Bridgewater Station School.

For the last 25 years Mrs. Monaghan and her husband, John, have lived in Clinton. He is employed as the village marshal there.

Mrs. Monaghan will be honored at a reception Sunday, May 10 by the Saline Teachers' Club.

This survey pretty much tallies with the adult survey except in the school analysis where only 46 per cent of the 470 people who answered the survey believed that the high school teaching staff is adequate. The adult survey represents 622 people.

It is well to note that this survey represented the thinking of the people of Manchester February 7, 1963, but the results are just being made available by the Jaycees.

CONTEST RULES

- Contest is open to any boy between the ages of 10 and 15 years inclusive. Boys who receive the highest number of votes in each store will win.
- Vote for your favorite boy by writing his name on the back of any IGA, Carol, Royal Guest or Table King label from your IGA food store.
- Each label constitutes one vote for the boy of your choice.
- For example if you purchase six cans of IGA merchandise, three cans of Royal Guest and one Table King product, you would be giving 10 votes for your favorite boy, by putting his name and address on the back of each label.
- Votes must be placed in the official ballot box provided in each store. Each store will have the number of boys they are sponsoring posted in the store!
- IGA Food Stores "Favorite Boy Contest" will start April 27, 1964 and closes June 20, 1964. All entries must be in by that time. Winners will leave for California Monday, June 29th and return Friday, July 3rd. Contest is not open to any store owner, their employees, their families, employees of Super Food Stores or their immediate families.

In 1963, the combined requests of the 36 agencies was \$4,321,962, but was reduced by the budget committee to \$3,639,182. After the financial needs of the 36 agencies are determined, each community in Michigan is asked to accept their fair share of these needs and include this amount in their united fund campaign in the fall.

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration. With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard. It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.

DEAR EDITOR

We would like to take this time to tell you and our community that the American Legion and Auxiliary Poppy Day will be held in May. The Dimes and Dollars given on Poppy Day go to help many worthy causes. Boy Scout Equipment 24.64; Gifts to Gold Star Mothers \$22.38; Private families in the community \$28.93; Ypsi State Hospital party, veterans' division \$26.41; Gift Shop Veteran's Hospital \$50.00; Manchester School Veterans Children milk \$10.00; Memorials for Veterans \$7.00; Mandatory Funds \$50.50; Poppies 1964 Legion Men \$55. Our veterans receive \$15 for every 1000 poppies they made. This year, having extra money we ordered 2000 more than last year. The American Legion pays for own poppies and have their own expenses. The Auxiliary has given to non veterans and their children. This has to be taken from the general fund. Also members have donated groceries to needy families. The generosity of Manchester citizens on Poppy Day has enabled the local Unit to increase the benefits which we are able to offer veterans and their families through the rehabilitation and child welfare programs. We know we can count on you and the people of Manchester to help us again this year in our Poppy Program. Thanks Poppy Chairman and committee, Marion Ahrens, Elaine Steele and Joyce Gil

OPEN HOUSE AT POLICE POST

For the eighth year in succession, the Michigan State Police will hold their annual open house at each post Tuesday, May 19, Hospitality Day of Michigan Week. It is announced by Commissioner Joseph A. Childs. Visiting hours at the Clinton post will be from 10 A.M. to 4 P.M. according to Sgt. Earl Anderson, commanding officer. All are invited, Sergeant Anderson said. Visitors will be escorted on tours of the post and see an exhibit of equipment and facilities. Questions will be answered and information given on the services provided. "Although visitors are always welcome at a State Post, open house offers an unusual opportunity to find out how a post operates," Sergeant Anderson said. "We are planning a special reception and hope to make this a very interesting occasion for those who call on us. We'll be happy to see them." The Clinton post is located at 322 E. Michigan Avenue and is easily identified. The success of open house has been increasing each year and many look forward to the program, Sgt. Anderson said. Michigan Week is being observed from May 17 through 23 and in addition to open house the State flag as well as the American flag will be flown all week at each post.

TORNADO INFORMATION FOR WASHTENAW

Washtenaw County received its first tornado forecast for this year at 3:30 P.M. Tuesday April 28, however, early reports from spot checks indicate that this information did not reach the majority of key individuals and locations.

Tornado forecast, indicates that weather conditions are such that a tornado may develop.

Tornado warning, indicates that a tornado has been seen, this may or may not necessarily follow a tornado forecast.

Safety Rules:

1. There is no universal protection against tornadoes, except caves or underground excavations, however, family shelter usually will provide a high degree of protection.
2. If you are in the open country, Move to right angles to the tornado path. Tornadoes usually move ahead at about 25 to 40 miles per hour. If the wind blows in the direction of the tornado's path, lie flat in the nearest depression such as a ditch or ravine.
3. If in a city or town, seek these shelter, preferably in a strong reinforced concrete structure or basement.

AWAY FROM WINDOWS

The southwest corner of the basement is usually the safest place in a frame house. Standing against the inside wall on a lower floor of an office building offers some protection.

If in schools: In city areas if school building is being reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floor if possible. Avoid auditoriums and gymnasiums with large poorly supported roofs.

In rural areas, if school buildings is not of strongly reinforced construction, remain children and teachers to a safe or ditch if storm shelter is available.

If in factories or plants receiving a tornado warning, lockout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for shutting off electrical circuits and fuel lines of the turbine approaches the plant. Workers should be moved to sections of the plant offering the greatest protection.

Keep calm! Do not attempt to get outside. People have been killed by running on streets and by jumping out of the back of a car.

Do not attempt to drive through a tornado. If you are in a car, stop the car and get out. Do not attempt to drive through a tornado.

TRACTOR TIPS PINNING RIDER

A Manchester woman narrowly escaped with her life Monday after the tractor she was riding tipped over and pinned her under it.

Mrs. Arthur Fehr was riding a farm tractor as she and her husband were attempting to pull a tree stump with the tractor when the one she was riding tipped up. She was pinned under it. The tractor caught fire but Mr. Fehr managed to get out with his own clothing and some fresh air. Then he ran to the house to summon help. When the tractor was turned back it began to burn again.

Mrs. Fehr was taken to St. Joseph Mercy Hospital with two broken ribs, punctured lung and chest injuries.

The Fehrs live at 8888 Herman Road.

SPEEDWAY OPENS

More than a thousand people were on hand for the opening of the Manchester Motor Speedway last Friday. Because of poor cooperation of the weather it was a toss-up until the starting time to be sure the track would be dried-off.

In the first heat, won by Hank Schill, La Vern Eversole rolled his car and was taken to the Tecumseh Hospital for a check-up and released.

Larry Marowich, Hillsdale took the 25 lap feature in 25:25. Ed Hage of Ypsilanti was second heat - time 3:10.41.

Jack Carr was third heat winner and Art Bartholomew, Jackson took the 4th.

In the pursuit it was Schill again with Roscoe Stearns of Monroe in second place.

In the Semi it was Ruthann of Britton second.

There were 42 cars in the Friday races.

Friday, May 8 will feature a powder puff with time trials at 7:15 and racing at 8:10 P.M.

JAYCEE INAUGURAL SET FOR MAY 23

The Tenth Annual Manchester Jaycee Inaugural Ball will be held at the Tecumseh Country Club at 7 P.M. Saturday, May 23. The gala evening of dinner and dancing will be highlighted with the installation of officers and the presentation of awards.

Ray England, Jim Lyons and Jerry Marison have been busy completing plans for the buffet dinner with ham and swiss cake on the menu.

Included in the evening's program will be the announcement of bids to the various members in categories as - Spark Plug, Standing Young Farmer, Key Awards and the Jaycee of the Year presentation.

The Jaycees will confer an honorary membership during the evening. This award is based on individual's contribution to club's activities and community interest. This year's candidate has been active not only in helping the Jaycees over the past year but has contributed time to high school as well as the community. He will join the honorary members who are Hendley, J. R. Jones, Luther Lager and Allan W. Schaffer. Tickets are available for the dinner from any member of the Jaycees and may also be ordered up at the Manchester Grocery.

SCHOOL ELECTION Millage Explained

Names which will appear on this year's school election ballot will be incumbents Clarence Fielder and Willis Uphaus and new candidates Richard Way and Carl Pedersen. School election will be Monday, June 8 in the High School Music Room with the polls open from 7 A. M. to 8 P.M.

It was decided several years ago to request millage every year to balance the current school budget. The budget is to be prepared ahead of time to be studied by all interested school district residents. The detailed school budgets are available for inspection. The Board faces many conflicting problems in the areas of tax structures, educational needs, increased enrollment, raising costs and a necessity more than ever before to make the best education available.

Next year's budget has been planned to hold the extra millage request at the same level as last year. Basically, the budget covers the bare necessities, the school board points out.

Costs did rise again. The salary schedule was revised to place Manchester in a more competitive situation to employ and hold well qualified staff, but more upgrading is needed.

Maintenance, operation and capital outlay costs are held to a minimum level and represent a small percentage of the total budget.

The change in instructional cost can be attributed to supplies and changes in teacher's salaries. Beginning salaries were increased \$100 and a maximum salary was increased from \$5,650 to \$6,000 for a Bachelor's Degree and from \$6,050 to \$6,350 for a Master's Degree. Two years is required to put all staff members on schedule.

The 1964-65 budget can be balanced with 9.2 mills allocated and 4 mills extra operating for a total of 13.2 mills.

A defeat of the four mill request will mean a \$70,000 deficit for the 1965-66 school year. This deficit would make it impossible to operate a full time accredited school after this year.

There are two valuations placed on property. The assessed valuation is the figure arrived at by the Township Supervisor.

The State equalized valuation is the figure placed on each township by the State Equalization Board. It is supposed to equalize valuations between townships within a county and counties within the state. It is supposed to increase the valuation of property in terms of the current financial level.

In reality \$1000 in assessed valuation becomes more in each township within the district. \$1,000 in assessed valuation in Manchester

township is \$2,570 on the state equalized valuation.

\$1,000 assessed valuation in Freedom Township is \$2,445 on state equalized valuation. \$1,000 assessed valuation in Sharon township is \$3,355 on state equalized valuation and \$1,000 assessed valuation in Bridgewater Township is \$1,528 on state equalized valuation. This means that the spreading of one mill on state equalized valuation results in spreading from 1.5 to 3.3 mills on assessed valuation depending upon the state equalized factor for the respective township.

SURVEY RESULTS Part Three

While the first part of the Manchester attitude survey conducted in February of last year was enlightening as to the thinking of the town's people on general topics, the write-in answers gave people the opportunity to express themselves as to specific items.

Questions: No 53 of the survey asked, "Is there anything that you particularly like about this community?" The adults supplied 28 different likes for the community while the high school students listed 30.

Listed are the likes given by the adults:

1. The cooperation and amicability of Manchester people.
 2. The quiet pleasantness of town.
 3. General appearance of town.
 4. No
 5. The Churches
 6. Close proximity to shopping centers.
 7. Manchester Schools
- In order that any item be listed in the following categories, that item had to receive ten or more votes. All lists are in order of their importance.
- Question 54 asked, "Is there anything that you particularly dislike about this community?"
- Of the fifty subjects listed by the adults, the following were the biggest vote getters:

1. No
 2. Lack of Progress
 3. No restaurant
 4. No hotels, motels or taxi
 5. Nothing for teenagers
 6. Lack of opportunity for the average person. Too few have all the influence.
 7. Poor zoning
- The high school students listed fifty-one topics they disliked. The top five are:

1. Lack of recreational facilities
 2. Poor street maintenance
 3. No
 4. Law enforcement
 5. Lack of Progress-no new industry
- cont'd on page 8

POPPY DAY MAY 23rd

The above children are sons and daughters of the American Legion members who will go on a house-to-house campaign on Saturday, May 23 to help in the collection for the Poppy Program. Each child is paid one cent for every one of the poppies they sell. The local "Miss Poppy" is Linda Bertke, daughter of Mr. and Mrs. Harold Bertke, and one of the Junior Auxiliary members.

Volunteers from the Auxiliary will go to the Manchester factories May 22 and also work shifts on the streets, May 22 and 23 to receive the contributions from the public. Sutton Insurance Office will be Poppy Headquarters.

MAYOR'S POPPY DAY PROCLAMATION

Whereas, The observance of Poppy Day sponsored by the American Legion Auxiliary gives citizens of MANCHESTER an opportunity to salute both those brave defenders of our way of life who gave their lives that we might live free, and to aid those who gave their health and strength in their country's defense;

Whereas, Each of us owes an individual debt to those brave and courageous men and women who, through their sacrifices; have made the continuation of our liberties possible;

Therefore, I do declare May 22 and 23 to be POPPY DAYS in the village of Manchester, and I do hereby urge all our citizens to participate in this tribute by wearing a memorial Poppy on this occasion.

TIME SAVERS
BY MARTHA BRANDT

Sometimes it takes time to save time.

This is particularly true of a job which is too often postponed or never done at all - cleaning the medicine chest. Taking time for a good clean-up which includes a thorough throw-out will result in a well organized storage place for essentials for good health and good grooming when you can find things right away you save needless searching time.

To simplify the whole process here are a few suggestions with some cautions for boards, which will put you in quicker (and safer) touch with the items in your medicine chest:

1. Remove everything from the medicine chest, including shelves. While glass shelves are soaking in a detergent bath clean interior with a good disinfectant and wash with one of the new aerosol glass and metal cleaners.
2. Sort. Look at every label on every prescription. If it's more than six months old throw it out, unless your doctor has specifically advised that it can be kept.
3. Adjust top shelf for small bottles, particularly prescription drugs which should be kept further from reach of children.
4. Rearrange group containers on one shelf and medicinals in another.
5. List: after cleaning make a list of needed replacements. Incidentally, keep in mind that you will need many more medicines than what you have in stock. Containers, tubes, are both safety and money-saving investments. Products such as spray-on bandages, spray room deodorizers, useful for children's bedrooms, and analgesic keep long.

Investigate at your drugstore when restocking the medicine chest to make the most of the many pharmaceutical services.

If your house has more than one medicine chest (which is very likely) don't forget that duplicates of such essentials as bandages and antiseptics in both aerosol and other forms are wise precautions. For instance, the downstairs medicine chest is often the driveway to be reached after a stained knee or burned finger and to mention more serious accidents and in this connection a special "kitchen medicine" chest is also helpful. Here the new aerosols for burns and bandages are particularly useful. Keep them as well as all medicines on a high shelf away from high heat and small children.

COMING EVENT

Eight Washtenaw County members have been selected to attend the National 4-H Citizenship Short Course in Washington, D. C. The event will be held June 21 through 27.

A SCHEDULES A. P. DUKAY

The guest speaker for the Parent Teacher Association program to be held May 18 at the Nellie Ackerson School at 8 P.M. will be Dr. Alexander P. Dukay, Assistant Superintendent of the Ypsilanti State Hospital.

Dr. Dukay graduated from the University of Szeged, Hungary in 1934. In 1937 he received a Master of Science Degree in Neurology from the University of Michigan.

Dr. Dukay is a Diplomat of the American Board of Psychiatry and Neurology in Psychiatry and a member of the American Psychiatric Association since 1961. He has worked with the International Refugee Organization as a Medical Officer in various positions until 1951.

In 1953, Dr. Dukay started working at the Ypsilanti State Hospital. He was a director of Research in 1957, Clinical Director until 1959 and has been Assistant Medical Superintendent since 1961.

Dr. Dukay started on the staff of Mental Health Research Institute of the University of Michigan as a Research Psychiatrist.

Dr. Dukay will be speaking on general functions and the rehabilitation program of the Ypsilanti State Hospital.

MOTHER'S DAY
MAY 10th

pamper Mother with
SMORGASBORD

What finer way can the family honor Mother than to sweep her off her feet and out of the house and bring her to Roumell's for a delightful smorgasbord dinner. Most of the other holidays, Mother slaves in the kitchen all day, preparing for the feast, then cleaning up the scraps afterward. Give her a day off on Mother's Day - dress up and come to Roumell's. We welcome children and they love the quick service and fun of smorgasbord. With a little help from Mom and Dad, the youngsters can choose a delightful nourishing meal in a short time. We expect a large crowd, so please call Clinton 456-4659
