TROLZ-MACK RITES READ IN JACKSON

The First Church of Christ was the scene of the marriage of Barbara Jean Mack, daughter of Mr. and Mrs. Lexa B. Smith of 1023 Francis St. Jackson and Gerald A. Trolz of Brooklyn on Saturday, July 25.

The Rev. Frank D. Lillie performed the ceremony and Dale L. Smith gave his sister in marriage. Mr. and Mrs. Loren Trolz of Manchester are the parents of the bridegroom.

A crown of pink pearls and crystals with a veil of French illusion accented the bride's pink floor-length gown of organza and taffeta. She carried a bouquet of stephanotis and cymbidium orchids. Mrs. Marcella G. Borget and Roger R. Trolz, a brother of the bridegroom, attended the couple. John G. Dobben and James G. Trolz ushered.

After a reception at the Cascade Clubhouse, the couple left on a wedding trip to Las Vegas, Nev. The newlyweds will live at 3017 John Glen Dr., Jackson.

Haymo Knichel Leaves For Germany

Haymo Knichel, who has been making his home in Manchester with the Millard Uphaus family plans to leave Saturday, July 25 for Northville where the Rotary Club is sponsoring a farewell party for the 400 exchange students who spent the past school year in Michigan. The students will stay overnight with host families and attend church services of their choice on Sunday. At 7 p. m. Sunday they will board buses for New York City.

Monday will find the students getting a chance to see some of the important sites of New York City before they visit the World's Fair Tuesday. Their final tour is slated for 10 p. m.

Wednesday they'll sail on the SS Aurelia and Friday, Aug. 7 will dock at South Hampton, England. Haymo will continue on to Le-Have, France and then to Rotterdam, Holland where he will be met by his parents, Mr. and Mrs. Paul Knichel of Springfield, Germany.

Haymo was a member of the senior class at Manchester High School and so was Tom Uphaus, with whom he stayed. Tom was class valedictorian. Back in Germany, Haymo will have to show within six months that he can make up the time he lost in making the trip here. If he does, he will graduate in March 1966 (around Easter time).

The young German said he is anxious to get home-in a way-for this was his first time away from his parents for more than two weeks. His emotions are mixed. He hates to leave his many friends here, saying that his family had moved to their present apartment only three years before and he did not know nearly as many people there as in Manchester. He can't over emphasize how much he enjoyed staying with the Uphauses and the many things they did for him and the places they took him. As to the exchange program Haymo says he believes it is the way to bring countries closer together.

"Certainly the opinions of adults cannot be changed easily. It is to the youth of the countries that we have to turn to for understanding," he said. Before he left the senior class

YM-YWCA DAY CAMP HAS OPENINGS

Seventy-one boys and 52 girls will attend the fourth period of Ann Arbor YM-YWCA Day Camp starting Monday, July 27 according to Youth Director John E. Williams.

One highlight during this two week period will be a bus trip to the Detroit Tiger Chicago Baseball Game on July 30. Another feature will be an overnight hike at Birkett Wednesday, August 5th for the girls and Thursday, Aug. 6th for the boys.

On the counseling staff is Mrs. James Russell and Gary Belleville, each of whom are Program Directors assisting Mr. Williams. Mrs. Russell is a teacher at Marshall Junior High School in South Redford, Mr. Belleville is a guidance counselor with the Gaylord Public Schools. In addition there are twelve senior counselors and five junior counselors which comprise a staff of twenty.

gave a surprise party for him at the Willard Mann residence and presented him with a plaque inscribed "Haymo Knichel, Class-mates 1964-Good Luck and Success! Manchester High School, USA."

The exchange student noted that everything here is on a bigger scale than in Germany, the cars, highways, everything by comparison. Traveling is much easier and much faster than in Germany. There are more conveniences here too.

He found that there is more freedom choice of subjects in school here. Teachers are more strict in Germany he believes and there is more discipline.

He liked the chance to have elective subjects in school. "At home there are no classes in shop, music etc. Our schools are state owned and the state pays the teachers." He took driver training and has an operator's license which he doubts if he can use at home until he is older. In Germany there are 52 symbolic signs which he must know before he passes an operator's test for driving. All those who ride bicycles also have to obey the same rules.

The German student found things to be cheaper in the United States. When asked if he would like to live here he evaded the question by saying that he would want to travel a lot more before he made any decision.

He explained that the exchange program gave him a chance to live here with an American family and see how they live. This was an experience that no amount of money could ever buy.

Fourteen openings are available for boys and 28 for girls in the fifth and last session, which runs from August 10th through the 14th. Further information may be obtained by calling the "Y" Camp Office, 663-0536.

Doug Higgins will be one of the persons questioned on the television program "PASS WORD" which will be taped over Channel 2 on August 6 at 7:30 p. m. Doug took part in the program while he and his wife were on a trip to New York City. The program originally scheduled for July 9th was postponed to the August 6th date.

WATER PROBLEM MAY BE SOLVED

Manchester has been plagued with a water problem for several months. But village engineer, Eugene Bernick, says that everything possible is being done to correct the lack of service from many homes and which is bringing in the use of 10 gallons a month. Capacity is 120 gallons a month.

A larger well, possibly with a 400-gallon per minute capacity and also a filtering system which would be very necessary. The information should be in the hands of the council in about a week.

Because of expanding business in Manchester and the opening of the new Plaster Plant in the very near future it will be necessary that the town have a more adequate water supply. At present the Double A Reservoir No. 1 is the largest single reservoir in town.

At this time it is necessary to know the well number two which is producing water but it is not filtered, causing residents to complain about rust in the water. If everything works as village officials are planning there will be an adequate supply of filtered water for the entire town by the end of August.

HOSPITALIZED

Mrs. Peter Wallace who had been a patient at St. Joseph Mercy hospital returned home last week Wednesday.

Are "YOU" still getting along with a too-small, out-dated refrigerator that needs messy defrosting?

BIG, NEW, WORK-SAVING, MONEY-SAVING REFRIGERATOR-FREEZERS
End All Defrosting

- Today's modern refrigerator-freezers end all defrosting in both refrigerator and freezer sections. This means no frost ever... no food packages, ice cube trays or walls... no defrosting drudgery ever... no scraping, no chipping or prying, no messy pans of water to empty or spill.
- In addition, the new refrigerator-freezers will:
 - Store enough fresh and frozen foods to last for weeks.
 - Save extra trips to the market.
 - Keep leftovers fresh and tasty until needed.
 - Save money because the large freezer compartment allows you to buy meats, vegetables and baked goods when prices are low.

FAREWELL PARTY
 Mary Wurster was the hostess at a swimming party last Thursday for ten friends of Lynn Scott. The party was a farewell for their young neighbor who is leaving with her parents to live at Harrison.

VACATION OVER
 Mary Frances Fielder, Carol Miller, Vickie Ball and Carole Alexander returned Saturday evening after a week's vacation at Washington, D. C. and Virginia Beach, Va.

ALLOCATION PLAN CALLED VITAL TO COUNTY
 Curt Will, chairman of the Washtenaw County Board of Supervisors told the League of Women Voters that there is nothing more vital to the maintenance of public services of high quality for the people of the county than the adoption of the 18-mill fixed allocation of taxing power.

board and they can determine if they must seek extra millage to support their budgets."

His proposal would give the school districts 10.941 mills—the county 5.649 mills, the township 1.293, and the intermediate school district .1172 mills.

He noted that the county actually gets .25 of a mill less than its allocation because that money goes to the Huron Clinton Metropolitan Authority.

Mr. Will compared Washtenaw's past millage allocations with other urban counties and other members of the six-county Supervisors Inter-County Committee.

Washtenaw's allocation has been between four mills and 4.8-mills for the last five years, while comparable counties consistently get between five and six mills, he said.

The county board chairman pointed out that "most of the county's budget is in preventive and correct five dollars to cover special needs of some persons in the county for the general benefit of all."

"Millage allocation to Washtenaw will establish the level and quality of service that Washtenaw county government will provide over the years to come," Will concluded.

SAYS: "There's nothing like Electric Heat for comfort, convenience and cleanliness.
I'M INSTALLING IT IN MY NEW HOME"

"I have been really impressed and pleased with all the advantages of Electric Heating. I especially like its flexibility. Not only can you select the type of heating system best suited to your home building needs, but individual room thermostats let you dial the temperature you want for each room. Another important feature of Electric Heating I like, is the clean, draft-free, comfortable warmth that helps safeguard health. I've already experienced the completely carefree, worry-free operation of Electric Heating at Mona Shores Apartments, and when I consider all the savings in upkeep and depreciation, I find it far less expensive than I thought. My new home, now under construction, will be a Total Electric home because I want my family to have all the comfort and conveniences of modern electrical living."

NEW PLANT COME TO MANCHESTER

Over Ball & Bearing of State Rd, Ann Arbor is offering Manchester for a plant. Confirmation of was made by Attorney Hendley, who is negotiating the transaction.

There has been much speculation as to what company is located in the 20 acre parcel southeast of and part of the Lowell farm at 749 Sooten Rd.

A property zoned agricultural will have to be rezoned before the firm can work on plans. 1 1/2 acres of land is in the Village of Manchester and 18 1/2 acres in Manchester township. Both the rezoning (Mon., Aug. 17) and the rezoning (Wed. Aug. 12) will have to be approved by the township board.

The land has been surveyed and borings made to determine if the land structure would be suitable to house the Hoover Ball & Bearing Plant. Plans are underway for wells and water.

Manchester needs industry and the potential of an industry such as Hoover Ball cannot be over estimated. This is not a by-night project or one dreamed up in a hurry. It is careful planning of this company working in close cooperation with J. C. Hendley over a period of three or four years.

Anyone here are familiar with the company which has plants in and abroad.

Tentative plans call for construction to start late this fall with completion date in the spring of 1965.

SCOUTS RECEIVE HONORS
 About a hundred people watched merit awards were given to Boy Scouts of Troop 426 held at American Heritage Day Campfire at Carr Park where the boys spent Friday night and Saturday. A special gateway and campsite was set up for the public.

Nine boys advanced in rank and 30 merit badges were presented. Life Rank awards went to Lynn Alber, Tim Armentrout and Tod Armentrout.

Robert J. Chapin advanced to first class and Douglas Brown, Rusty Knauss, Danny Roberts, John Kirk and Walter Lamb received their second class badges.

Perfect attendance bars were presented to Tim Armentrout and his brother Tod Armentrout for two years and three years respectively.

Scoutmaster Robert Armentrout and assistant Scoutmaster, Geo. Woodell presented the awards and Robert Chapin presented his mother, Mrs. Robert Chapin with a first class Mother's Pin and Lynn Alber and Tim and Tod Armentrout presented their mothers, Mrs. Earl Alber and Mrs. Robert Armentrout with the Mother's Life Heart.

SCOUTS CAMP AT BRUIN LAKE
 Fifteen boys and Scoutmaster Robert Armentrout of Troop 426 spent last week at Bruin Lake Scout Camp.

Much work was accomplished with 8 boys working on the First Class Trail and 7 boys earning merit badges.

The troop received the first place ribbon for all five days for the campsite inspection. Ann added prize was a delicious watermelon.

Boys attending were Douglas Brown, Dusty Knauss, Tom Marshall, Gary Stautz, Danny Roberts, Gerald Koernke, Charles Chapin, John Kirk, David Schiller, Lynn Alber, David Goodell, Mike Springsteen, Tim Armentrout, Robert Chapin and Tod Armentrout. Ray Meyer was unable to attend because of illness.

WED AT METHODIST CHURCH SATURDAY AFTERNOON

Carol Ann Mertz and Albert Eugene White were married in the Methodist Church here Saturday. The double ring rites were read by the Rev. Jesse Epps at 4 o'clock.

The bride's parents are Mr. and Mrs. Irvin Mertz of 13745 Altenber Road, Manchester. The bridegroom's parents are Mrs. Virgil Balliet of Huntertown, Indiana and Albert Ernest White of Flint.

The bride was wearing a gown of Chantilly lace with a fitted bodice, boat neckline, long sleeves which ended in points at the wrists and a very full skirt of lace over taffeta. Her fingertip veil of illusion was held by a crown of pearls and sequins and she carried an arrangement of pink carnations. She approached the altar on the arm of her father as Mrs. Paul Kappeler played traditional wedding music.

The bride's only attendant was Dianne Howdyshell of Huntertown, Indiana in green lace over taffeta with a matching headress. She carried pink carnations.

Serving as best man was LeRoy Kinley of Huntertown, Indiana and the guests were seated by Gordon Vacek of Manchester. A reception followed at the home of the bride's parents, for seventy-five guests. Mrs. Gordon Vacek, sister of the bride, cut the cake and Miss Linda Culp served. Mrs. Bob Jones of Whitmore Lake had charge of the guest book.

For her daughter's wedding Mrs. Mertz chose a flowered print and a corsage of white. The bridegroom's mother was wearing navy with a corsage of red roses.

After a short wedding trip to Indiana the couple will reside at 14010 Bethel Church Road, Manchester.

A bridal shower was given by Miss Culp at her home on Haschley Road on Wednesday.

The new Mrs. White is a graduate of Manchester High School and is employed at King Seeley in Ann Arbor. Her husband is employed by Bleas Elevator in Chelsea.

LOCAL SCOUTS AT NATIONAL JAMBOREE
 Two scouts from this area attended the National Jamboree at Valley Forge, Pa.

Ron McNally and David Schiller were present at the affair. They left on the Baltimore and Ohio from Detroit and joined fifty thousand scouts at the Jamboree from all the United States and 42 other countries.

McNally and Schiller accompanied Troop 78 from the Portage Trail Council.

Included in the itinerary was a one day sight-seeing trip of Washington, D. C., one day at the New York World's Fair and a half day visiting points of interest in New York City.

Seven days were spent at the Jamboree where the boys participated in Scout Craft, angling, rifle shooting, hiking, cooking their own meals, nightly campfires and getting acquainted and swapping various items with boys from other parts of the country. The Jamboree was highlighted by an address by President L. B. Johnson.

After the Jamboree the boys visited the home office and museum of the Boy Scouts of America, at New Brunswick, New Jersey. On the way home they visited Philadelphia where they saw such sights as the Liberty Bell, Independence Hall, and the Admiral Dewey's flagship, U. S. S. Olympia.

REUNION
 There were only 19 people who braved the hottest day of the summer to date, to attend the annual Iron Creek reunion. Those from out of town included Mr. and Mrs. W. H. Dillon and also Mrs. Bertha Conklin of Jackson. Mrs. Conklin was accompanied by her daughter. Officers will remain the same. They are Mrs. Fred Albert, secretary and Mrs. William Palmer, president. Schlicht-Feldkamp.

About 35 members of the reunion were present at the annual gathering held at Carr Park. Officers are Glen Feldkamp, president; Edwin Homing, Manchester, vice-president and Mrs. Ernest Kemner, secretary. All officers are from Manchester except Mrs. Marilyn Maaeidvaag of Ann Arbor, who is the treasurer. Next year the reunion will again be at Carr Park the first Sunday in August. The youngest person present was Lise Maaeidvaag of Ann Arbor.

ATTENDS CONFERENCE
 Maynard Blossom, vocational agricultural teacher from Manchester, was told that "education is the key which unlocks the door of social opportunity."

Making the statement was Dr. Carl H. Gross of the College of Education, Michigan State University. Dr. Gross was the keynote for the 45th annual Conference for Teachers of Vocational Agriculture July 27-31 at MSU's Kellogg Center for Continuing Education.

"People need to find acceptable social status, and education helps them to achieve this status," Dr. Gross told the more than 200 teachers and school administrators participating in the five-day meeting.

He said that the curriculum of the secondary school of yesterday is no longer applicable today, because of the impact of automation and technology on business and industry.

"We need schools today which will promote critical thinking, foster real values and prepare to make valuable and satisfying contributions to society," he maintained.

General sessions, discussion groups, workshops, regional and district FFA meetings, better chapter farming awards and the presentation of awards to those teachers with 5, 10, 20 and 30 years of service were the conference highlights.

COMING EVENT
 The Sharon Evangelical United Brethren Church Cemetery Association will meet Monday, Aug. 10 at the church for the adopting of rules and regulations. There will also be the election of two trustees at that time. Everyone interested is urged to attend, according to Clyde Gieske.

FORMER RESIDENT BUYS E & G PLUMBING

A Detroit couple have bought the E & G Plumbing, effective August 1st.

Albert C. Gaige, and his wife, Simonee have been hoping for some time that they would be able to move to Manchester and go into business here.

Manchester isn't new to Mr. Gaige. His parents were Melvin and Della Gaige and for 15 or 20 years the family lived here while Mr. Gaige was a baker, before the family moved to Adrian where Albert graduated from High School in 1936. Gaige left town in 1929. Mr. Gaige served 54 months in service in World War 11. He was one of a family of eleven children. For more than 20 years he has been in the plumbing business and for the past several years worked for Larry Brodell Plumbing and Heating in Detroit.

Mrs. Gaige will be working in the store and probably will find it quite a little different from book-keeping at Manufacturers National Bank of Detroit where she has been employed for many years.

The couple has two married daughters, Mrs. Maurice (Jean) Vermuelen of Grosse Pointe and Mrs. Norman (Dorothy) Gerlach of Allen Park.

They are planning to move here as soon as they can find a home. For the present Albert is staying with his sister and husband, Mr. and Mrs. Lambert Esch. If anyone wants to talk with him when he is not in the store, he can be reached by calling GA8-2222. LaVern Eversole will be staying on working and assisting Mr. Gaige. Mr. Gaige is anxious to have any of his old friends drop in to the store to see him.

"This is something we have been planning on for years—coming back to Manchester and getting away from the city. I surely hope it works out for us," Mr. Gaige commented.

WALZ REUNION
 Ninety-five year old Mrs. Mary Walz was present Sunday at the reunion of her family at Carr Park with 48 attending. Youngest was the infant son of Mr. and Mrs. Richard Kuntz of Pontiac and a great-grandchild of Mrs. Walz.

Next year the reunion will be at the same place the first Sunday in August with Mr. and Mrs. Jack Sanders of Adrian acting as president and secretary.

BERTKE REUNION
 There were 53 at the Bertke reunion held Sunday at Carr Park where the same officers were re-elected: Mrs. Lamen Bertke, Manchester, president; Mrs. Robert Bertke, Brooklyn, vice president; Mrs. Harold Bertke, Manchester, secretary-treasurer and Mrs. Elmer Irwin heads the entertainment committee. The reunion voted to make a contribution to the Carr Park Fund and to meet again next year at the same time and place. Oldest person present was Glen Bertke and the youngest was Jay, fifteen-month old son of Mr. and Mrs. Lauren Bertke. Highlight of the scorching hot day was a hay ride which the children enjoyed. This was the seventh annual reunion.
