**ALLOCATION PLAN CALLED VITAL TO COUNTY**

Curt Will, chairman of the Washtenaw County Board of Supervisors, told the League of Women Voters that there is nothing more vital to the maintenance of public services of high quality for the people of the county than the adoption of the 18-mill fixed allocation of taxing power.

He said he had been thinking about a county-wide change from the present system of having an allocation board annually divide 15 mills to the adoption of a permanent split of 18 mills as fixed by voters, since reading the state constitution of 1963 which makes the change possible.

There are two ways that the 18-mill (\$18 per \$1000 of equalized valuation) system may be initiated. Citizens numbering four per cent of the registered voters in each unit could petition the Board of Supervisors to hold an election on their plan providing a fixed allocation to each of the units concerned, the school districts, the county townships, and the intermediate school district.

Then the supervisors would ask the existing Tax Allocation Board to submit a recommendation on the division. If the two proposals differ, both would go on the ballot and one receiving the greater number of "yes" votes would prevail.

Washtenaw is using the second method of having the Tax allocation board attempt to arrive at a formula for the division agreeable to all units. This proposal can be placed directly on the ballot then by the Board of Supervisors, he said.

The allocation board has informally agreed to try to arrive at such a proposal by mid-August so that it could go on the Nov. 3 ballot.

Will pointed out that the main advantage of the 18-mill division is that each unit will know what millage base it can count on without having to "go through the annual hassle with the allocation

board and they can determine if they must seek extra millage to support their budgets."

His proposal would give the school districts 10.941 mills—the county 5.649 mills, the township 1.293, and the intermediate school district .1172 mills.

He noted that the county actually gets .25 of a mill less than its allocation because that money goes to the Huron Clinton Metropolitan Authority.

Mr. Will compared Washtenaw's past millage allocations with other urban counties and other members of the six-county Supervisors Inter-County Committee.

Washtenaw's allocation has been between four mills and 4.8-mills for the last five years, while comparable counties consistently get between five and six mills, he said.

The county board chairman pointed out that "most of the county's budget is in preventive and correct five dollars to cover special needs of some persons in the county for the general benefit of all."

"Millage allocation to Washtenaw will establish the level and quality of service that Washtenaw county government will provide over the years to come," Will concluded.

**PERSONAL**

Ms. Richard Schable and daughter Lois opened their home Friday evening to 21 relatives and friends of Miss Ruth Schiel, bride-elect of Wm. Hainstock, for a miscellaneous shower.

Games were played and refreshments were served from a dainty appointed table.

Miss Lois Schable, who is to be maid of honor at the wedding asked Miss Vicki Roberts and Miss Bethel Kemner (who plan to be bridesmaids) to help serve.

The honored guest received many lovely gifts.

An earlier miscellaneous shower was given for Miss Schiel and Mr. Hainstock at the home of Mr. and Mrs. Donald Mackintosh by the Dewey neighbors.

Mr. Richard Greenwald,  
 BUILDER OF THE NEW ALL-ELECTRIC  
 MONA SHORES APARTMENTS IN MUSKOGON

SAYS: "There's nothing like Electric Heat for comfort, convenience and cleanliness. I'M INSTALLING IT IN MY NEW HOME"

"I have been really impressed and pleased with all the advantages of Electric Heating. I especially like its flexibility. Not only can you select the type of heating system best suited to your home building needs, but individual room thermostats let you dial the temperature you want for each room. Another important feature of Electric Heating I like, is the clean, draft-free, comfortable warmth that helps safeguard health. I've already experienced the completely carefree, worry-free operation of Electric Heating at Mona Shores Apartments, and when I consider all the savings in upkeep and depreciation, I find it far less expensive than I thought. My new home, now under construction, will be a Total Electric home because I want my family to have all the comfort and conveniences of modern electrical living."

The Total Electric home is the newest concept of comfort. It includes planned lighting, modern electric heating, full housepower and major electric appliances.

**NEW PLANT COME TO MANCHESTER**

Over Ball & Bearing of State Rd, Ann Arbor is offering Manchester for a plant. Confirmation of was made by Attorney Hendley, who is negotiating the transaction.

There has been much speculation as to what company is located in the 20 acre parcel southeast of and part of the Lowell farm at 749 Sooten Rd.

A property zoned agricultural will have to be rezoned before the firm can work on plans. 1 1/2 acres of land is in the Village and 18 1/2 acres in Manchester township. Both the rezoning (Mon., Aug. 17) and the rezoning (Wed. Aug 12) will have to be approved by the township.

The land has been surveyed and borings made to determine if the land structure would be suitable to house the Hoover Ball & Bearing Plant. Plans are underway for wells and water.

Manchester needs industry and the potential of an industry such as Hoover Ball cannot be over estimated. This is not a by-night project or one dreamed up in a hurry. It is careful planning of this company working in close cooperation with J. C. Hendley over a period of three or four years.

Anyone here are familiar with the company which has plants in and abroad.

Tentative plans call for construction to start late this fall with completion date in the spring of 1965.

**SCOUTS RECEIVE HONORS**

About a hundred people watched merit awards were given to Boy Scouts of Troop 426 held at American Heritage Day Campfire at Carr Park where the boys spent Friday night and Saturday. A special gateway and campsite was set up for the public.

Nine boys advanced in rank and 30 merit badges were presented. Life Rank awards went to Lynn Alber, Tim Armentrout and Tod Armentrout.

Robert J. Chapin advanced to first class and Douglas Brown, Rusty Knauss, Danny Roberts, John Kirk and Walter Lamb received their second class badges.

Perfect attendance bars were presented to Tim Armentrout and his brother Tod Armentrout for two years and three years respectively.

Scoutmaster Robert Armentrout and assistant Scoutmaster, Geo. Woodell presented the awards and Robert Chapin presented his mother, Mrs. Robert Chapin with a first class Mother's Pin and Lynn Alber and Tim and Tod Armentrout presented their mothers, Mrs. Earl Alber and Mrs. Robert Armentrout with the Mother's Life Heart.

Twelve boys received a total of merit badges for cooking,

**WED AT METHODIST CHURCH SATURDAY AFTERNOON**

Carol Ann Mertz and Albert Eugene White were married in the Methodist Church here Saturday. The double ring rites were read by the Rev. Jesse Epps at 4 o'clock.

The bride's parents are Mr. and Mrs. Irvin Mertz of 13745 Altenber Road, Manchester. The bridegroom's parents are Mrs. Virgil Balliet of Huntertown, Indiana and Albert Ernest White of Flint.

The bride was wearing a gown of Chantilly lace with a fitted bodice, boat neckline, long sleeves which ended in points at the wrists and a very full skirt of lace over taffeta. Her fingertip veil of illusion was held by a crown of pearls and sequins and she carried an arrangement of pink carnations. She approached the altar on the arm of her father as Mrs. Paul Kappeler played traditional wedding music.

The bride's only attendant was Dianne Howdyshell of Huntertown, Indiana in green lace over taffeta with a matching headress. She carried pink carnations.

Serving as best man was LeRoy Kinley of Huntertown, Indiana and the guests were seated by Gordon Vacek of Manchester. A reception followed at the home of the bride's parents, for seventy-five guests. Mrs. Gordon Vacek, sister of the bride, cut the cake and Miss Linda Culp served. Mrs. Bob Jones of Whitmore Lake had charge of the guest book.

For her daughter's wedding Mrs. Mertz chose a flowered print and a corsage of white. The bridegroom's mother was wearing navy with a corsage of red roses.

After a short wedding trip to Indiana the couple will reside at 14010 Bethel Church Road, Manchester.

A bridal shower was given by Miss Culp at her home on Haschley Road on Wednesday.

The new Mrs. White is a graduate of Manchester High School and is employed at King Seeley in Ann Arbor. Her husband is employed by Bleas Elevator in Chelsea.

**MRS. AUGUST KUHL SUCCUMBS AT 92**

Mrs. Euthema C. Kuhl aged 92 years died Sunday at Cedar Knoll Rest Home near Grass Lake, where she had been a patient since February. Her home was at 8875 Manchester-Chelsea Road in Sharon Township.

She was born February 8, 1872 in Freedom Township the daughter of Fred and Maria Pfitzmaier. On March 30, 1898 she was married to August Kuhl. They lived their entire married life at their present home. Mr. Kuhl preceded her in death on August 21, 1958.

She was a member of St. John United Church of Christ in Freedom Township and was a Past Chief of the Pythian Sisters.

She is survived by one son, and two daughters. Mrs. Simon (Sarah) Brown of Milan and Mrs. Fred (Gertrude) Fielder of Sharon Township; six grandchildren and eight great-grandchildren. She was preceded in death by two brothers and four sisters.

Funeral services were held Wednesday at 2 p.m. at the Jenter Funeral Home with the Rev. J. T. Luke officiating. Burial was in Oak Grove Cemetery.

**SCOUTS CAMP AT BRUIN LAKE**

Fifteen boys and Scoutmaster Robert Armentrout of Troop 426 spent last week at Bruin Lake Scout Camp.

Much work was accomplished with 8 boys working on the First Class Trail and 7 boys earning merit badges.

The troop received the first place ribbon for all five days for the campsite inspection. Ann added prize was a delicious watermelon.

Boys attending were Douglas Brown, Dusty Knauss, Tom Marshall, Gary Stautz, Danny Roberts, Gerald Koernke, Charles Chapin, John Kirk, David Schiller, Lynn Alber, David Goodell, Mike Springsteen, Tim Armentrout, Robert Chapin and Tod Armentrout. Ray Meyer was unable to attend because of illness.

Two scouts from this area attended the National Jamboree at Valley Forge, Pa.

Ron McNally and David Schiller were present at the affair. They left on the Baltimore and Ohio from Detroit and joined fifty thousand scouts at the Jamboree from all the United States and 42 other countries.

McNally and Schiller accompanied Troop 78 from the Portage Trail Council.

Included in the itinerary was a one day sight-seeing trip of Washington, D. C., one day at the New York World's Fair and a half day visiting points of interest in New York City.

Seven days were spent at the Jamboree where the boys participated in Scout Craft, angling, rifle shooting, hiking, cooking their own meals, nightly campfires and getting acquainted and swapping various items with boys from other parts of the country. The Jamboree was highlighted by an address by President L. B. Johnson.

After the Jamboree the boys visited the home office and museum of the Boy Scouts of America, at New Brunswick, New Jersey. On the way home they visited Philadelphia where they saw such sights as the Liberty Bell, Independence Hall, and the Admiral Dewey's flagship, U. S. S. Olympia.

**REUNION**

There were only 19 people who braved the hottest day of the summer to date, to attend the annual Iron Creek reunion. Those from out of town included Mr. and Mrs. W. H. Dillon and also Mrs. Bertha Conklin of Jackson. Mrs. Conklin was accompanied by her daughter. Officers will remain the same. They are Mrs. Fred Albert, secretary and Mrs. William Palmer, president. Schlicht-Feldkamp.

**ATTENDS CONFERENCE**

Maynard Blossom, vocational agricultural teacher from Manchester, was told that "education is the key which unlocks the door of social opportunity."

Making the statement was Dr. Carl H. Gross of the College of Education, Michigan State University. Dr. Gross was the keynote for the 45th annual Conference for Teachers of Vocational Agriculture July 27-31 at MSU's Kellogg Center for Continuing Education.

"People need to find acceptable social status, and education helps them to achieve this status," Dr. Gross told the more than 200 teachers and school administrators participating in the five-day meeting.

He said that the curriculum of the secondary school of yesterday is no longer applicable today, because of the impact of automation and technology on business and industry.

"We need schools today which will promote critical thinking, foster real values and prepare to make valuable and satisfying contributions to society," he maintained.

**COMING EVENT**

The Sharon Evangelical United Brethren Church Cemetery Association will meet Monday, Aug. 10 at the church for the adopting of rules and regulations. There will also be the election of two trustees at that time. Everyone interested is urged to attend, according to Clyde Gieske.

96 YEAR NO. 31

AUGUST 6, 1964 MANCHESTER, MICHIGAN

10 CENTS

**FORMER RESIDENT BUYS E & G PLUMBING**

A Detroit couple have bought the E & G Plumbing, effective August 1st.

Albert C. Gaige, and his wife, Simonee have been hoping for some time that they would be able to move to Manchester and go into business here.

Manchester isn't new to Mr. Gaige. His parents were Melvin and Della Gaige and for 15 or 20 years the family lived here while Mr. Gaige was a baker, before the family moved to Adrian where Albert graduated from High School in 1936. Gaige left town in 1929.

Mr. Gaige served 54 months in service in World War II. He was one of a family of eleven children.

For more than 20 years he has been in the plumbing business and for the past several years worked for Larry Brodell Plumbing and Heating in Detroit.

Mrs. Gaige will be working in the store and probably will find it quite a little different from book-keeping at Manufacturers National Bank of Detroit where she has been employed for many years.

The couple has two married daughters, Mrs. Maurice (Jean) Vermuelen of Grosse Pointe and Mrs. Norman (Dorothy) Gerlach of Allen Park.

They are planning to move here as soon as they can find a home. For the present Albert is staying with his sister and husband, Mr. and Mrs. Lambert Esch. If anyone wants to talk with him when he is not in the store, he can be reached by calling GA8-2222.

LaVern Eversole will be staying on working and assisting Mr. Gaige. Mr. Gaige is anxious to have any of his old friends drop in to the store to see him.

"This is something we have been planning on for years—coming back to Manchester and getting away from the city. I surely hope it works out for us," Mr. Gaige commented.

**WALZ REUNION**

Ninety-five year old Mrs. Mary Walz was present Sunday at the reunion of her family at Carr Park with 48 attending. Youngest was the infant son of Mr. and Mrs. Richard Kuntz of Pontiac and a great-grandchild of Mrs. Walz.

Next year the reunion will be at the same place the first Sunday in August with Mr. and Mrs. Jack Sanders of Adrian acting as president and secretary.

**BERTKE REUNION**

There were 53 at the Bertke reunion held Sunday at Carr Park where the same officers were re-elected: Mrs. Lamen Bertke, Manchester, president; Mrs. Robert Bertke, Brooklyn, vice president; Mrs. Harold Bertke, Manchester, secretary-treasurer and Mrs. Elmer Irwin heads the entertainment committee. The reunion voted to make a contribution to the Carr Park Fund and to meet again next year at the same time and place. Oldest person present was Glen Bertke and the youngest was Jay, fifteen-month old son of Mr. and Mrs. Lauren Bertke. Highlight of the scorching hot day was a hay ride which the children enjoyed. This was the seventh annual reunion.

PERSONAL

Miss Elaine Berrett of Portland, Oregon spent the weekend with Mr. and Mrs. J. C. Miller. Miss Berrett's sister and husband, the Rev. and Mrs. Robert Brandenburg and family of Toledo, Ohio were

also Sunday guests of the J. C. Millers. Mr. and Mrs. George Merriman called their daughter, Mrs. Robert Huber from Corning, New York Wednesday on the first leg of their three-week vacation. They were accompanied to New York by the

grandsons, Jan and Tom Huber, who with their grandparents visited Mr. and Mrs. Eugene Hunt a couple of days. The Merrimans planned to leave Kennedy Airport for Brussels Thursday night. Their grandsons went on to Paramus, New Jersey to visit to visit their aunt and uncle, Mr. and Mrs.

Forrest Wain for a few days before the boys leave from Clearfield, Pennsylvania by bus for Toledo, Ohio where they will be met by their parents, the Robert Hubers.

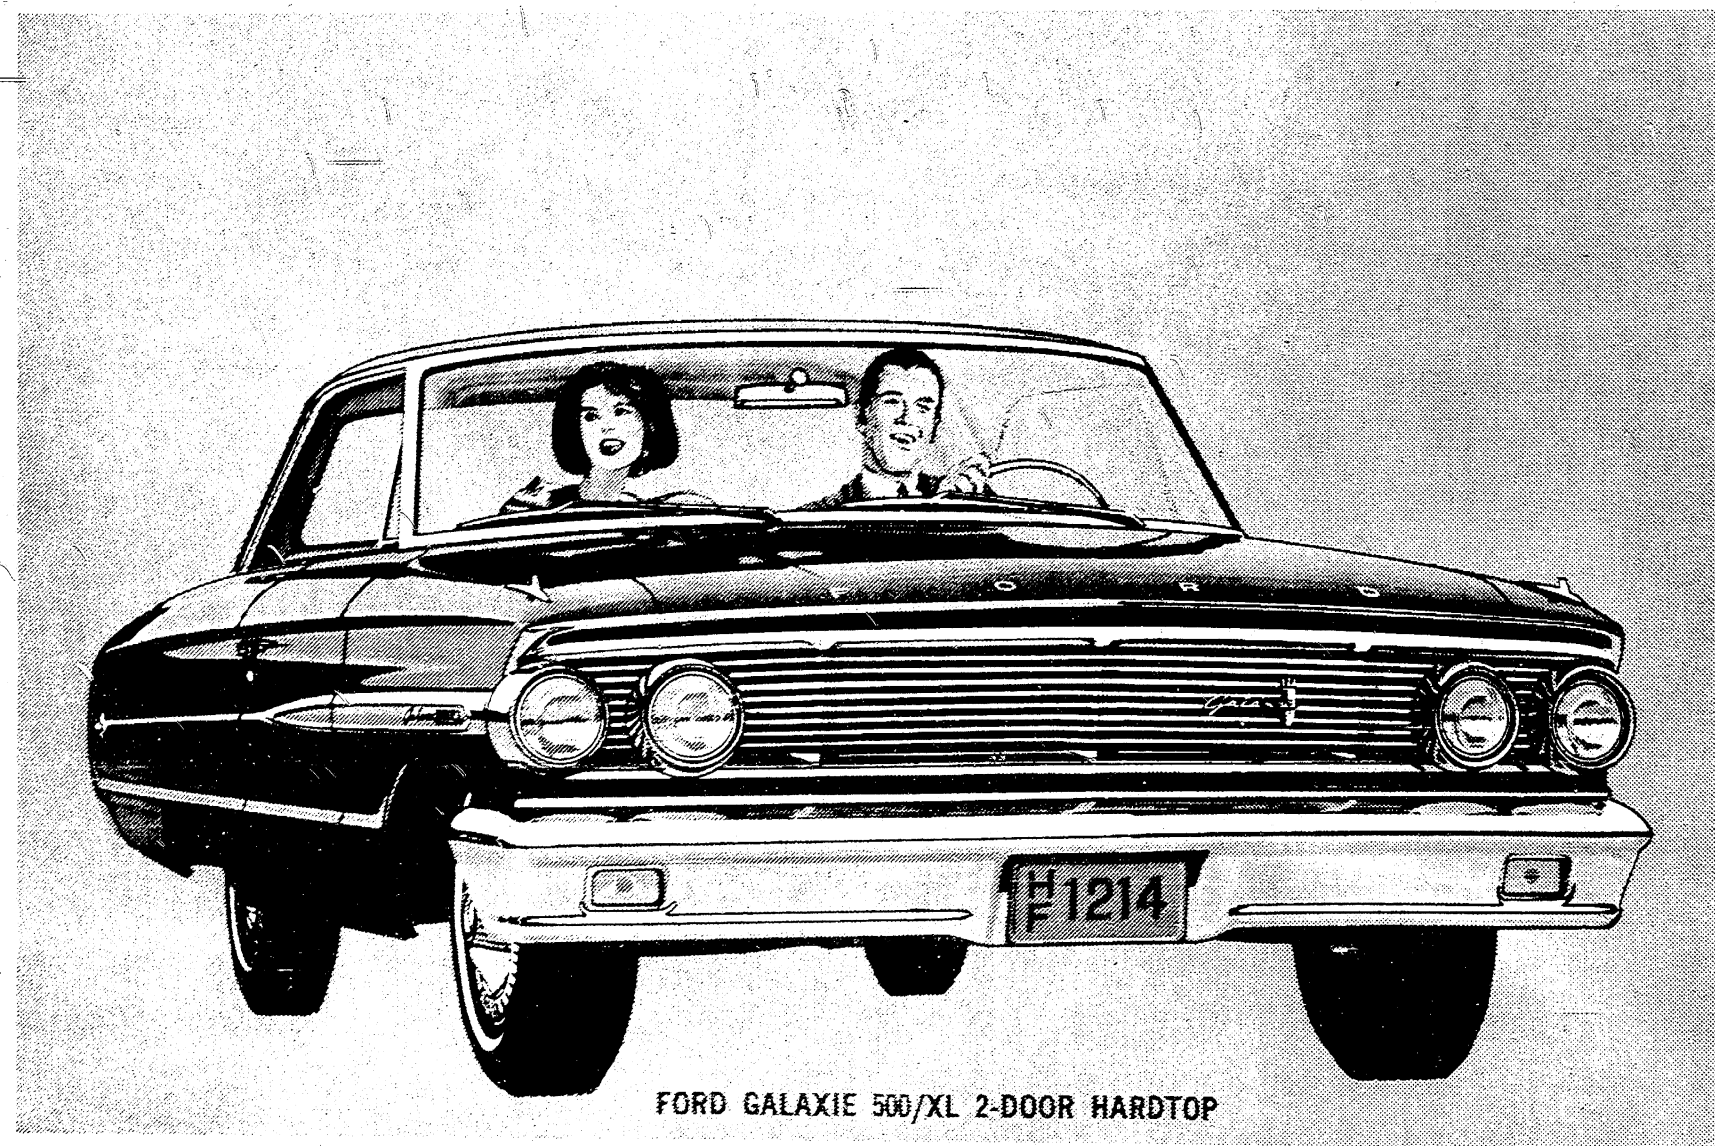

St. Thomas Ladies Aid breakfast has been postponed from August 4 to August 11 at 8:30 a.m. at Carr Park with Mrs. Dennis Engelbert the hostess.

### OBITUARY

Richard Curtis, 91 years, died at Foot Hospital, Jackson, Mich., July 30 where he had been a patient for 11 weeks.  
Funeral services were held Sunday at the Stormalong Funeral Home in Grass Lake with the Rev. Arthur H. Dongan officiating and burial was in Norvell cemetery.  
On May 22 Mr. Curtis celebrated his 91st birthday at Foot Hospital. He retired 20 years ago after operating a farm in Sharon township for many years. He moved to Grass Lake after he retired.  
He was the son of English parents and moved to the farm with the family as a youth. In early years he broke and trained horses for the New York Horse Market.  
Mr. Curtis was a very popular Grass Lake resident and one thing which endeared him to his neighbors was his voluntary chore of removing snow in front of residences with a small riding tractor.  
His wife, Laura died in 1946. He is survived by one daughter, Mrs. Dorothy Kulekamp and one brother, John of Grass Lake and two nieces.

### Our Readers:

In order to continue to give you the best possible service we would like to inform you that the best possible information concerning the Manchester Community Fair can be obtained by contacting the Fair Board President, Stuart, either at his home or Manchester Tool and Die.  
In previous years the Manchester Fair Board printed the Manchester Fair Book and had all the information concerning the fair at our fingertips. This year the Fair Book being printed out of town and information concerning the fair is not in this office. Rather, it has now been placed in the hands of you who call here asking questions about the fair (to which we do not have the information) it is to your advantage to call directly to the people who know.  
We can appreciate your interest in the fair and know that you will be happy to direct you to the right information people. Our bits of information are far too sketchy to make it a practice to give information. From past experience we know that changes made daily and our information would be up to date.  
The Fair Dates are Sept. 2 to 5. Lawrence Fielder and Eugene Bentschneider head the parade committee. For information concerning the parade contact them. Thanking you for your interest in the fair and sincerely asking you to direct your questions concerning the fair directly to the fair board where you'll get the correct information we will continue to serve you to the best of our ability.

# ENTERPRISE

YOUR OWN HOME TOWN NEWSPAPER

96 YEAR NO. 32

August 13, 1964 MANCHESTER, MICHIGAN

10 CENTS

### 50th ANNIVERSARY PARTY CANCELLED

Mr. and Mrs. Gottlieb Jacob had planned to hold an open house on the occasion of their golden wedding anniversary this month but the plans had to be cancelled after Mrs. Jacob fell and broke her hip. She is a patient at St. Joseph Mercy Hospital in Ann Arbor and according to reports will probably be for a while.  
The couple was married Aug. 12, 1914 at the home of her parents, Mr. and Mrs. Jacob Schaible. Mrs. Jacob was the former Lillie Schaible. They were married by the Rev. Jacob Wolfman and the attendants were Mrs. Julia Landwehr and the late Emil Jacob.  
The Jacobs have three children, Walter of Champaign, Illinois, Mrs. Rose Norley of Grass Lake and Robert of Parma. There are 13 grandchildren and one great-grandchild.  
Both Mr. and Mrs. Jacob are members of Emanuel United Church of Christ and the Senior Citizens Club of the Church. Mrs. Jacob is a member of the Women's Guild and Mr. Jacob is chairman of the Sharon Township Zoning Board.  
For four years Mr. Jacob was superintendent of the Manchester Schools and taught in the Manchester School System for eight years. He was a teacher of the Smith Hughes Vocational agricultural program in its early years. He also taught in several of the rural schools and in Sand Creek and five years in the Onsted School system before he retired in 1952.  
Mr. Jacob graduated from Manchester High School in 1903 and from Eastern Michigan University (then Michigan State Normal (College). He is the son of the late Casper and Barbara Jacob of Manchester.  
In 1945 he began to operate his own farm in Sharon township but late years has rented out the farm. Until her unfortunate accident, Mrs. Jacob did all her own housework and was interested in church work.  
Mr. Jacob is interested in raising peanuts and other unusual vegetables. He has ten swarms of honey bees and sells honey. Mr. Jacob says that everyone should have a hobby—something to take up his time after he retires. He has a work shop and does some work sharpening saws, shears etc. He also does some woodworking and repairing furniture. Then too, he finds he is interested in growing seedlings, such as tulip trees etc.  
The couple still plan to have their anniversary party but it will have to be temporarily postponed until Mrs. Jacob recovers.

### COUNCIL MET WITH HOOVER BALL & BEARING REP.

Manchester Councilmen met representatives of Hoover Ball & Bearing Co. at a special meeting Monday evening, in an effort to find out just what the company would need from the village if they decide to locate their new plant here.  
Village president, Eugene Bentschneider says that the company outlined three important factors: First—they will need an adequate water supply, primarily for a fire prevention sprinkling system. Second—a good road capable of standing up under heavy trucks would be a great asset. Third—sewer facilities.  
Village officials promised the company representatives, Willard Meister and Frank Brittain, that they will have their answer within a week.  
It is apparent that Manchester will have to put out some effort and money to bring industry into town and this, the village officials feel they are prepared to do.  
"We want new industry here," Bentschneider pointed out. "The company's thinking and the things they feel they will be needing are not out of line. Anyone can see the necessity of an adequate water supply, sewer and roads. These are essential to the operation of any business. As for the water supply—this problem has been with us for some time, and the only solution seems to be sinking a new well."  
People on the street seem to be taking a very optimistic view of the possibility of a new industry coming into town and many have expressed hope that every possible means will be taken to make Manchester just a little more attractive than the other three sites now under consideration by the company.

### FORMER RESIDENT TO BE CONDUCTOR VICE PRESIDENT

A University of Michigan graduated scientist and former Ann Arbor and Manchester resident who helped conceive the U.S. Air Force's Atlas ICBM missile is a vice president of Conductron Corp.  
William H. Dorrance, Jr. of San Bernardino, Calif., an authority on modern gas dynamics, pounds out Conductron's roster of nationally prominent scientists skilled in the penetration aids field.  
Appointment of Dorrance—also an expert in re-entry aerothermo dynamics—will permit Conductron of lumping its respective specialties and allow it to bid on major re-entry missile systems, according to Prof. Keeve M. Siegel, Conductron's president.  
Dorrance is a past chairman of the American Rocket Society's hypersonics committee and a past chairman of the National Science Foundation's working group committee.  
He is author of "Viscous Hypersonics Flow", a McGraw-Hill book first published in 1962, and numerous technical papers published in professional journals.  
Dorrance, his wife, and four children will live in Ann Arbor. He is a graduate of Manchester High School.

### REUNION

The Dertling Reunion will be held Sunday, August 16 at Carr Park.

### TOWNSHIP APPROVES REZONING

At an hour-long meeting Wednesday night, the Manchester Zoning Board approved the rezoning of a part of the Lowell Farm farm from agricultural to commercial.  
James C. Hendley, who has the option on the Farm property, opened the meeting and explained that Hoover Ball & Bearing is considering putting a 40,000 square foot manufacturing plant and a 3,000 square foot office on the Farm Property. A plant this size will employ about a hundred people, some women. Hiring will be done from the local area whenever possible. He pointed out that people who are interested, have only to drive to any of the Hoover Ball facilities to note that they are clean, neat and very well maintained inside and out.  
The zoning board unanimously approved the rezoning of 18.1 acres in Manchester township (the north end of the Farm property) between Sooten and M-52 from Agricultural to Commercial.  
Allen W. Schaffner, on behalf of the citizens present, made a motion to favor the rezoning measure. This was promptly supported by L. V. Kirk and unanimously approved by the 41 present. Schaffner suggested that this supporting measure be written into the minutes of the meeting. The county (Washtenaw) must still approve the rezoning before it is effective.  
Interested people say that they hope that a much larger representation will be present at next Monday's meeting. Everyone seems anxious to do everything possible to bring industry into the village. Village president, Eugene Bentschneider says that the village has promised to give Hoover Ball & Bearing representatives their answer following next Monday's Council meeting on the improving of roads, sewer and water supply, if the plant moves to the Manchester location.

### WORLD'S FAIR EXCURSION OFFERED FOR ADULTS

Visitors to the New York World's Fair from Manchester have an unusual opportunity to see a post office of the future. Postmaster Merriman said today.  
A carefully-chosen group of 80 employees from New York area post offices man the facility which handles all the Fair's mail and some from the Flushing, New York area. The outside mail is used to keep the highly mechanized devices operating at "full tilt".  
The post office handles approximately 250,000 pieces of mail each day.  
Postcards to friends and relatives back home are a big item. About 30,000 are mailed from the Fair each day. One third of these are addressed to persons overseas.  
Foreign visitors have no trouble understanding U.S. postal operations. The facility has staff members who speak twenty languages.  
Postmaster Merriman notes that residents of Manchester who attend the Fair and wish to try out their foreign language ability can either talk with the multilingual window clerks or listen to a tape recorded presentation in the post office lobby which features individual earphones for Manchester Women's League Bowlers will meet Tuesday, Aug. 18 at 7:30 p.m. at the Legion Hall.
