Need Frozen Food Containers?

If you're freezing your own fruits and vegetables this year, you'll need plenty of containers ahead of time. Freezing saves time and gives you better food whether you grow your own or buy the fresh product.

Be Sure You Have The Right Kind

A most important factor in successful freezing for a home freezer or locker is the use of the correct container. You'll find a complete selection at our locker plant — the center of all your frozen food needs. Ask us for advice on wrapping materials and containers for freezing.

OBITUARY

MRS. GUSTAVE BREITENWISCHER

Funeral services were held Sunday for Mrs. Marie M. Breitenwischer aged 88 years, a former Manchester resident.

Mrs. Breitenwischer died Friday at the Evangelical Home in Detroit where she had been a resident since May 6th.

She was born October 31, 1875 in Manchester, the daughter of Michael and Magdalena Katz Kurfoss. She was married to Gustave Breitenwischer on August 19, 1903 in Manchester, where she lived her entire married life.

Mr. Breitenwischer operated a Dry Good store. He preceded her in death on October 13, 1954. Since

that time she had made her home with her daughter in Detroit after entering the home.

Mrs. Breitenwischer was a member of the Emanuel United Church of Christ in Manchester and the Women's Guild of the church.

She is survived by one daughter, Mrs. Marshall (Luella) Smith of Detroit; two granddaughters, one great-grandchild. She was preceded in death by one brother and two sisters.

Funeral services were held Sunday at 2 p. m. at the Jenter Funeral Home in Manchester with the Rev. Ralph Kueher officiating and burial was in Oak Grove Cemetery.

MRS. HILDINGER

Mrs. Martha Hildinger, 60, of 7821 Pleasant Lake Road, Lodi Township, a resident at that address for her entire life, died Saturday Community Hospital, following a one-day illness.

Mrs. Hildinger was born on June 8, 1884 in Lodi Township, a daughter of George and Barbara Rausch-Walker. She and George Hildinger were married on Oct. 19, 1906, in Lodi Township. He died six months later.

She was a lifelong resident of Lodi Township and a lifelong member of St. Thomas Lutheran Church in Freedom Township and of the Ladies' Auxiliary of the church.

Survivors include a brother, George Walsh of the Pleasant Lake Road address; two sisters, Mrs. Fred (Mate) Hieber of Scio Township, and Mrs. Albert (Matilda) Heimerding of Freedom Township, and several nieces and nephews.

Mrs. Hildinger was preceded in death by four sisters.

Funeral services were held Wednesday at 2 p. m. at St. Thomas Church, with the Rev. Herbert C. Spomer officiating and burial followed in the church cemetery.

MASONS MARK CENTENNIAL IN WEEK LONG CELEBRATION

Manchester is an old town. This can be verified by the number of buildings, organizations, etc. which have been in existence about a hundred years.

Manchester Lodge #148 FEAM is celebrating its centennial beginning the week of October 18. Starting with a church service at 3:00 p. m. Sunday, October 18 at the Emanuel United Church of Christ, various activities will be held throughout the week.

The Rev. Densel Fuller of Otisville, a former resident will be the Sunday afternoon speaker.

Monday, October 19 the Past Masters will confer the third degree at 7:30 p. m. in the Masonic Temple.

The Centennial Banquet will be held at the Emanuel Church Hall, Saturday, October 24 at 7:00 p. m. at which Dr. Donald Bodley of Adrian will be the guest speaker.

The first record of a meeting was on December 3, 1862 under special dispensation. The Masons first met on the third floor of the Clarkson Building, now the Manchester Bakery Building.

There they held meetings for five years. It is interesting to note that they have always held meetings on the third floor of whatever building they were leasing at the time.

The first officers ever building they were leasing at the time. The first officers were: W. M. John B. Gillman; S. W., John D. Van Dym; J. W., Steward Fitzgerald; Secretary, Volney Chapman; Treasurer, Peter Blosser; S. D., Andres Robinson; J. D., James A. Lynch; Tyler, Nelson Bryan.

These officers and Sam H. Perkins and Thomas Morgan were the first charter members.

"At this meeting the petitions for membership for Ed. S. Carr, Benjamin North, W. S. Stowell, S. R. Spencer and Franklyn Spafard were referred to various committees.

The lodge was very active during 1863 with meetings held three and four times a month. On January 18, 1864 a regular meeting was held in the lodge rooms and \$40.25 was appropriated to pay a charter seal and Bible and \$5.00 for spoons.

On March 30, 1864 at a special communication of the Manchester Lodge #148 held in the Lodge rooms the Most Worshipful Grand Master, Lovell Moore constituted and consecrated the Manchester Lodge #148 as Free and Accepted Masons and installed the first officers with John D. Van Dym WM; Peter Blosser, SW; Nelson Bryan, JW; Sam Fitzgerald, Secretary; Arthur Case, Treas.

George Merriman officially retired as postmaster of the Manchester post office. He had held the post for 22 years and six months.

He served as acting postmaster from April 1942 to October 12, 1946 when he was installed as the postmaster.

Mrs. Russell Smith has been appointed clerk in charge until a new appointment has been made. She has been the senior clerk at the post office.

Merriman said he applied for retirement before he went to Europe. He had reached his 68th birthday last April.

Retiring at the same time is his wife, Mrs. George (Louise) Merriman. She started working as a "War Service Indefinite" in 1943. She was appointed a substitute clerk in 1946.

Before Mr. Merriman left on a fishing trip at Bright Lake in Canada Tuesday morning he told a little about some of the changes since he first took over as postmaster. He retired Monday, Oct. 12. There are now about 1150 box-holders compared to 900 when he started. The amount of mail has increased about five times the amount in 1942. Much of this he believes is due to the Double A Products Co. here

George Merriman, (left) retiring Postmaster, took down the American Flag, at the close of day Monday and handed it to Mrs. Russell Smith, Clerk in Charge. Looking on was Michael Loudon, Postal Field Inspector for this territory, who earlier in the day had checked the local Post Office.

D. W. Thompson, S.D. and W.S. Stowell, JD.

In 1866 the building, then known as the Hoy Block, was built and in the old minutes in May 28, 1866 mention was made that a committee was appointed to make arrangements for a lodge room in the new building.

On August 20, 1866 the committee was instructed to procure a lease for a ten year period-if the lease could be obtained for \$100 a year. This was later amended to read that the committee should sign for five years if the lease would cost \$125 a year.

Three members were appointed to make all necessary arrangements to occupy the new hall and to borrow a sum, not to exceed \$300 for that purpose. The committee was instructed not to pay more than ten per cent a year.

A committee was also named to arrange for a festival when the new hall was ready.

On May 13, 1867 the committee conferred with the lodge and explained that the lodge could use the new hall for \$1.00 an evening. On July 15, 1867 the lodge committee met with the Stars and recommended that the Stars use the new hall, rent free, if they'd pay 25 cents an evening for the fuel and lights.

From the old records it was not uncommon for the Masons to cooperate with other organizations and civic groups and offered their lodge rooms free.

In the mid 1850's it was noticeable that there was some dissatisfaction with the location of the lodge rooms because several times there were notes where committees were appointed to study the possibilities of new locations. On December 29, 1885 the minutes show that a new lease was signed for the same rooms at \$70 a year instead of \$100.

August 13, 1894 a motion was made by E. M. Conklin that a committee of five be appointed with the Building Committee of the Union Savings Bank in preparation to leasing or buying the third story of the Bank Building which was being erected on the corner of Main and Adrian Street.

The committee headed by E. M. Conklin, reported that the bank offered the third story on a ten year lease at \$125 a year. This was accepted and a committee was appointed to see that the third story was constructed to best serve the interest of the lodge.

The next year was busy with fund raising ventures and finally \$200 was appropriated for the decorating. On May 28, 1895 the newly decorated rooms were dedicated with more than 250 from the surrounding area attending the dedication ceremonies which were conducted by Frank L. Lodge Sr. Deacon of the Grand Lodge of Michigan and the banquet was served by the Lady Arbiters at their hall.

Apparently the new rooms were just what the lodge needed because they have kept them through the years.

Total receipts now are \$36,000 compared to \$15,000.

Of course, the biggest change that came about during his term of office, was the moving of the post office from Main Street to the new Knights of Columbus Building at 108 E. Madison St. in 1959 on June 1st.

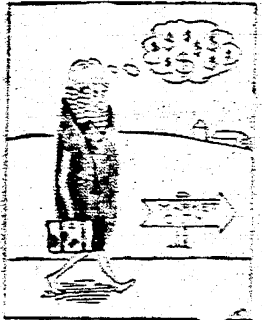

Everything was hand stamped when Merriman took over. Now everything runs through a motorized stamping machine. Back at Christmas time in 1948 George decided to rig up his own cancelling machine. With the motor from a mix master Manchester had its first electric cancelling machine!

Retiring at the same time is his wife, Mrs. George (Louise) Merriman. She started working as a "War Service Indefinite" in 1943. She was appointed a substitute clerk in 1946.

We believe that the following letter (in part) received by the staff here might be of general interest to our readers.

Mr. House asked me, "Do you know the history of your church bell?"

I told him I thought I did. Our church stood here for many years without a bell.

"No," said Mr. House, "The Methodists were not satisfied with the sound of their bell, so they bought and installed the Baptist bell."

"Some years later, on Sunday, November 24, 1890, as he often did, Jerry Toles, was ringing the church bell."

Manchester Roms Brooklyn
 The first game of the Lakeland C. Conference was a great victory for the Flying Dutchmen. The Dutchmen got their first score when Steve Bentschneider ran back a 65 yard pass interception. The extra point was kicked by Ron Funches.
 On a fourth down play Brooklyn attempted a punt which was blocked by Eugene Huber and recovered by Dennis Hamilton which led to a Manchester safety. Late in the second half Brooklyn scored its only touch down of the night. Three men on the defensive team had 11 tackles each. They were: Dennis Hamilton (defensive capt.), Jim Fielder (offensive capt.), and Rich Fnewski.
 The team appreciated the student body's school spirit. Keep up the good work.

STUDENT COUNCIL

STUDENT COUNCIL MINUTES
 The meeting was called to order by Mr. Koeski on Monday, Sept. 14, 1964. All members were present.
 After a discussion we decided when the President is elected from the Junior or Senior class, the alternate receives the voting power that the President loses.
 Elections were begun. Bonnie Burkhardt was elected President; Linda Blanchard, vice president; Karen Dorff, secretary; Pat Wallace, treasurer.
 Mr. Koeski presented a list of dates of the dances for after football and basketball games. We decided to divide the 10 dances among the Senior, Junior, and Sophomore classes. After a lively discussion, it was decided that the Seniors get 5, the Juniors 3, and the Sophomores 2. The schedule is as follows:

THE LOCKER PLANT
DOES IT BEST!

- PROCESSING
Cutting, grinding, boning, and trimming
of meat can best be done by the locker
plant which has the equipment, the ex-
perienced help, and the "know-how" to
do the work economically, and expertly—
without waste.

WRAPPING
Proper packaging of foods for freezing is
all-important. The locker plant uses the
correct moisture-vaporproof wrappings and
applies them with the latest methods.

SHARP-FREEZING
It is essential that foods for storage in a
locker or home freezer be quick-frozen
at sub-zero temperatures. We have re-
frigeration equipment capable of freezing
huge quantities of foods.

ZERO STORAGE
All frozen foods should be kept at a con-
stant zero temperature. The zero service
we offer is the cheapest refrigeration in
the world... a frozen food locker at
the cost of a daily newspaper!

Wed in Double Ring Ceremony

Mrs. John Knapp

In a double ring ceremony on
Saturday, October 10 at seven o'-
clock, Sandra Kay Leddy and John
Jacob Knapp exchanged their
wedding vows before the Rev.
Jesse Epps.
Mrs. Paul Kappler played "O
Promise Me", "Because" and
"The Lord's Prayer" as Roker
Marrison sang at the candlelight
service.
Parents of the couple are Mr.
and Mrs. Evan Leddy of 340 Ter-
ritorial Street, Manchester and Mr.
and Mrs. Edwin Knapp of 15543
English Road, Manchester.
Fuji mums decorated the lighted
candleabra for the ceremony, as
the bride walked down the aisle
with her father. She chose a
Chantilly lace dress with fitted
bodice, scalloped neckline, long
sleeves in points at the wrists
and the three tiered lace skirt fell
into a chapel train. Her illusion
veil was held by a double crystal
and pearl crown and she carried
a white Bible topped with white
roses and surrounded with small
sweetheart roses.
Barbara Leddy, Manchester, sis-

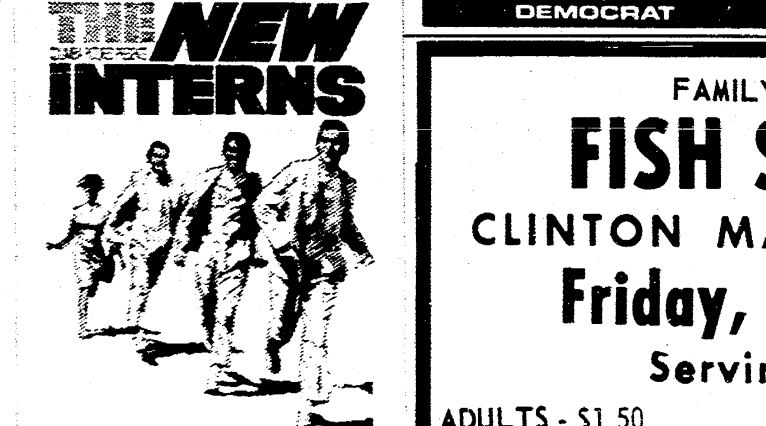

ter of the bride, was the honor
attendant in emerald green satin.
The floor-length sheath was
accented with a self material bow
at the high waist. Her colonial
arrangement was of yellow mums.
Her headpiece was of matching
satin.
Bridesmaids were Mary Knapp,
sister of the bridegroom, Sharon
MacLeod and Nina Strang, all of
Manchester. Their gold satin
gowns were styled like that of the
honor attendant and they carried
bronze mums.
Stanley Coffey, Manchester,
served as best man and guests
were seated by Ray Leddy, brother
of the bride, Manchester, Will-
iam Martin, Ypsilanti, brother-
in-law of the bridegroom and
Robert Novess, Manchester.
Mrs. Leddy chose green embossed
crepe with beige accessories and
white pom pom mums and the
bridegroom's mother, Mrs. Knapp
wore royal blue double net with
navy accessories. Her corsage was
white pom pom mums. Mrs. J'm
Leddy, grandmother of the bride-
of Manchester, wore navy blue
with matching accessories and
white mums.
At the reception in the church
hall, immediately following the
service, Mrs. Howard Higgins of
Stevensville and Miss Linda Blan-
chard of Manchester cut the cake.
Mrs. Robert Novess had the guest
book. Serving were Mrs. Stanley
Coffey, Susan Helber and Miss
Ethel Kensler all of Manchester.
When the couple left on a short
honeymoon the bride was wearing
a black and white wool suit and
matching accessories and the cor-
sage of roses from her bridal bou-
quet.
When they return they will live
at 14325 Jerusalem Road, Chelsea.
Both are graduates of Manchester
High School. The new Mrs. Knapp
is employed at the Portage Trail
Council Boy Scouts of America
and her husband is employed at
Chrysler Proving Ground.
The bride was feted at a linen
shower by Miss Strang and Miss
MacLeod. Mrs. Robert Novess
entertained at a miscellaneous
shower in her honor.
The rehearsal dinner was given
by the bridegroom's parents at
Cramer's Restaurant in Brooklyn.

AIR TOUR DATES CHANGE

Air Tours of the River Raisin
Watershed will be conducted in
the Adrian Municipal Airport on
Saturday and Sunday, October
and November 1st as part of an
educational program jointly spon-
sored by the River Raisin Watershed
Association and the Sealed
Conservation Districts of Lenawee
and Monroe Counties. Comm-
ercial pilots and aircraft will be
provided by Michigan Flying
Farmers, and each aircraft will
carry three passengers, covered
by legally-required passenger
seat liability insurance.
Three Air Tours have been
scheduled to acquaint the public
with problems and development
needs of River Raisin as related
to flooding, impeded drainage,
pollution, low flow, poor quality
water and inadequate recreation
facilities. An Accelerated pro-
gram of soil and water conserva-
tion practices is needed and will
be shown on the air tours.
Passengers will be briefed for
minutes prior to the respective
flight departures. Sponsors offer
two circular tours, lasting three
minutes each.
The Northwestern Tour will fly
over the River Raisin from Lake
Columbia near Brooklyn to Pa-
myra and the Eastern Tour will
proceed downriver from Palmyra
to the confluence of the Raisin
and Saline Rivers east of Dundee.
Flights will depart from Adrian
Municipal Airport at 15 minute
intervals between 8:45 a.m. and
4:00 p.m. on Saturday, Oct. 16
and between 1:00 p.m. and 4:00
p.m. Sunday, Nov. 1.
Price of each tour is \$5.00 per
person and advance reservation
and payments are required. In
the event of inclement weather,
tickets will be honored on identical
flights Saturday and Sunday,
Oct. 17 and 8. In Manchester the
tickets are available from John Neudor-
fer at GA-3491 or from the Ad-
rian Area Chamber of Commerce, 22
North Adrian Street, and checks
should be made out to the Ad-
rian Area Chamber of Commerce.

PERSONALS
Roy Kern has returned home
after a vacation at Rhode Island,
traveling as far as the point of
the cape, Providencetown. Some
of the places he visited included
Old Trinity Church, Plymouth
Rock where he went aboard the
replica of the Mayflower. At this
historical spot, residents dressed
as pilgrims add color to the setting.
He enjoyed a tour of the Breakers,
built by the Vanderbelts and saw
the Kennedy Compound at
Hyannis Port, Mass. and St. Mary's
where President Kennedy attended
church.

RETURNS HOME
Mrs. W.J. Kappler is home after
undergoing surgery at Foote hos-
pital in Jackson.

CAT BURNING

What is happening to the
modern generation? Since
when do we resort to stuf-
fing cats into mailboxes,
pouring gasoline in it and
then igniting it? Who would
lower themselves to do such
a thing? Would you? It is
like burning a human being.
It is taking the life of a
living thing. Is what the
Manchester Enterprise said
true? Is this incident go-
ing to lead to putting child-
ren into deserted refrigera-
tors? How can we prevent
this? The answer is not up
to me, it is up to you--
the people of Manchester!

HEARTBREAK
Nothing...
Spoken of noisily sound
gripped
and tinged the heart.
hands trembled,
unmoored eyelashes clutched
the lower lashes
in agony of pain,
the tears welled
painfully behind,
and finally
were forced
on unassured relief...
and slowly melted,
unregarded...

TRANSITION
Looking for tomorrow
Out of windows,
string upwards
Down stairwells,
youth explores.
Lingering over
For someone,
Shedding tears
To throw off adolescence.
Youth reaches up.
Wondering always
Of love and death,
Wandering freedom,
Aching for independence,
Youth cries.
Dreaming great,
Proud dreams,
Hurrying into life
With images of glory.
Youth arrives.
Up chimneys,
Into life,
Dreams shattered by reality,
Age wishes to return
To youth.

then igniting it? Who would
lower themselves to do such
a thing? Would you? It is
like burning a human being.
It is taking the life of a
living thing. Is what the

true? Is this incident go-
ing to lead to putting child-

this? The answer is not up

ONE NATION UNDER GOD

Editorial

Let's hurry and cover
that cross with this flag
we don't want the children
to see it.
ONE NATION UNDER AN ATHEIST

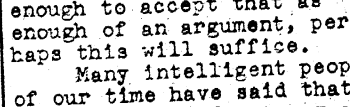

About a year ago a
woman named Mrs. Murray, a
professed atheist, challenge
the Supreme Court and the
nation to prove the consti-
tutionality of school
prayer. As a result school
prayer has been outlawed;
Mrs. Murray won...that time.

Now she is proposing an
other quest, she wants the
phrase "one nation under
God" taken out of the pledge
of allegiance. This seems
an insignificant grant.
However if we give in to
her this time soon there
may be no mention of God in
court oaths, we'll be
scratching "in God we
trust" off our coins and
our school choruses may
not even be permitted to sing
Christmas carols or religious
hymns.

Surely these measures
seem ridiculous to the
average American. Who are
we giving freedom to when we
let the Supreme Court make
such rulings? There are
70 million people in this
country who do not belong to
a church, however almost all
of them believe in God.
Christians, Jews, Buddhists,
and Moslems may not all
think of God in the same
sense, however they all
believe in some form of a
Supreme Being. America
was founded on the prin-
ciple that there was one
God ruling this country.
Now that we have become a
prosperous, powerful people
are we going to forget all
of our basic principles and
of our merry way, perhaps
having to return like the
"prodigal son" begging for-
giveness?

THE CLERGY'S

OPINION

When America comes to
the day that it refuses to
say "Under God" then it is
time to forget the Pledge
of Allegiance entirely.
There is no true brother-
hood of man without the
fatherhood of God.

Let Mrs. Murray remain
silent if she so chooses.
I'm sure that the phrase
"Under God" will be spoken
loud and clear by millions
of Americans--So loud and
clear that the voice--of
Mrs. Murray and her foolish
friends will never be missed.

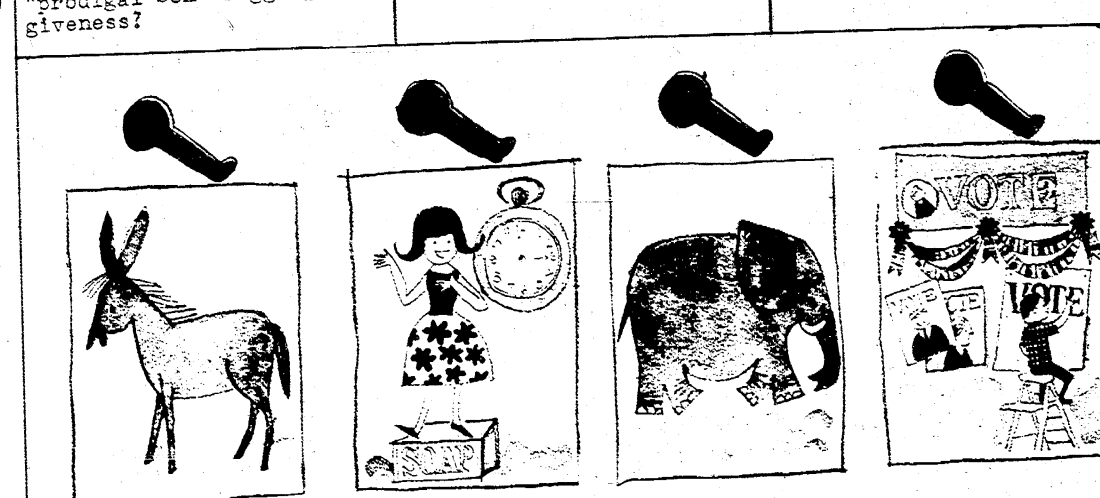

Father Raymond Schlinkert

I grew up with the
pledge to the flag that did
not have these added words
in it. It would not make
any difference to me if
they were in or out of the
pledge of allegiance. I
believe that they were
added in sincere respect
for the Almighty in whom
the Founders of our Nation
believed. Our Nation is
founded on the basis of
sovereignty of the People
and the expressed will of
the majority. If it is
the will of the People of
these United States that
this be a part of the
Pledge of Allegiance, than
I believe that it should
remain there.

TOUR OF JUNIOR HIGH SCHOOL LIBRARY

Marie Schneider
It was a big day. We were going to visit the Junior High School library and see the many books which we were sure were going to be in the hands of the students. With \$14,000 made available for each of two years to build up the library, it seemed that there should be books on every shelf and available space in that part of the school. For the past two years the Manchester voters went to the polls and approved an extra mill to be levied for the elementary Junior High Library, science equipment and modern math program. Also a part was to be used for educational globes and maps.

Ted Tapping, Junior High principal, pointed out that although the money was appropriated, every cent couldn't be used for books.

Three thousand books were purchased and last summer, Mrs. Nancy Liberman at the Charles High School, was hired to organize the Dewey Decimal System at the library. Her salary was taken from this appropriation.

A card catalogue was developed with each book having from three to five cards. The new books were re-arranged according to the American Library Association standards. Added to the old books in the library there is a total of some 4,000 books available to students.

A single catalogue on the building has been equipped with a set of book classes (comprehension, biographies, encyclopedias, the library has all these sets and the fourth grade through eighth grade at Pleasant Lake have sets of encyclopedias in each room. A single globe of the world is a standard in the library over a hundred titles.

The new plastic book jackets and bindings which have been purchased to help preserve the books cost 70 cents each. Over 150 new maps and globes have been added for the school system.

The school library program consists of a study hour for the kindergarten, first and second grades. The third through the sixth grades are learning the Dewey Decimal system and the use of the card catalogue. English classes cover this for the seventh and eighth grades.

The library has a part time librarian, Mrs. Maynard Blossom who works at the library every morning. In order to be able to have the library open in the afternoons, a group of women has been organized to fill in and do some of the work such as restocking the books in the proper shelves and writing names on some of the book spines. There are any number of job that these volunteer workers can do to help the program and the school is very thankful to those who give their time from 1:00 to 3:00 p. m. each school day.

Mrs. Tapping says that it is the aim of the program to have a full time librarian later on when there is enough money available and it seems feasible.

The Pleasant Lake Elementary School will receive benefits too. The librarian goes out to the Pleasant Lake School and circulates books. She will also call visits to the youngsters and first and second grades.

At various times throughout the school year the third and fourth grades at Pleasant Lake will board the school bus and come in to the library for the same instruction offered to the Maple Addition school pupils.

The group of women organized to work in the library check on the books to provide help in restocking work, do any clerical work, organize files, etc.

Mrs. Tapping, who has worked at diligently to get the Junior High library improved, points out that the library encourages the development of the child's reading skills from a lifetime reading habit and contributes to his academic achievement.

She believes that the library discovers and develops children's special gifts and talents and provides vocational information leading to the choice of a worthwhile career and provides the child with adequate and up-to-date materials to meet the biggest challenge of education—the application of knowledge.

Mrs. Tapping pointed out that all of the one mill is used for the library, part of it must be used for costly science equipment.

Part of the mill must be used to purchase educational television which will be used in a limited basis in the school. Presenting information through the use of television has been proven to be beneficial, especially in smaller schools where course offerings are more limited. By using it as a limited medium, an excellent use can be made to bring them to use in the Manchester School system.

Although many of the book jackets are over a few books on them, the school principal pointed out that, overall, they are well used and were using them. If the books have a few more in demand and the need is not overstimulating what is not let out to do. That is, make reading so attractive to the student that he will spend leisure hours reading and in so doing transfer his field of learning.

Women who are giving time to help in the volunteer work at the school library includes: Mrs. Paul Larson, Mrs. Norman Fielder, Mrs. Emmett Noggle, Mrs. Russell Woodson, Mrs. Paul Brasher, Mrs. Robert Armstrong, Mrs. Earl Macfarland, Mrs. Paul Stapler, Mrs. Burnell Hansen, Mrs. Hugh Suman, Mrs. William Mann and Mrs. Clarence Finner, Mrs. Linda Hlager, Mrs. Duane Rollier, Mrs. Edna Smith, Mrs. Elsie Benedict, Mrs. Ted Stumm, Mrs. Donald Davis, Mrs. Dan Brant and Mrs. Tom Walters.

The day coordinator with Mrs. Stanton Rousch, Mrs. John Alderman, Mrs. Jesse Walker, Mrs. Robert Tracy, Mrs. Ted Tapping, Mrs. Robert Clark, Mrs. George Rods, Mrs. Fred Leaman, Mrs. LeRoy Heimelinger, Mrs. Ted Roberts, Mrs. Don Fielder, Mrs. Wm. Hamilton, Mrs. Harriet Brander, Mrs. Lora Heimelinger, Mrs. Wm. Schaffner, Mrs. Eugene Demko, Mrs. Clara Finner, Mrs. Earl Alber and Mrs. Robert S.orn.

Children who have agreed to fill vacancies of other volunteers include Mrs. Walter Vogt, Mrs. Lora Heimelinger, Mrs. Allen Sandner and Mrs. Rolland Grossman.

COUNTY BUDGET ADOPTED BY SUPERVISORS

The Board of Supervisors adopted the 1965 county budget at the Tuesday meeting. It was presented by Supr. Robert H. Marsh, Chairman of the board's ways and means committee.

The gross budget for 1965 is \$4,134,910. It was estimated that the current budget will have a deficit of \$451,450 at the close of the year. Anticipated non-tax money is \$365,550.

This leaves a general property tax of \$3,319,910 for operation to be spread in the county. The indebtedness of the County Budget is \$215,000. This added to the \$3,319,910 makes a total of \$3,534,910.

This is \$137,538 more than last year.

Carl H. Will, Chairman of the Board of Supervisors said the increase is due to salary increases, hospital, load cars are up, and the juvenile division bills.

Although the County is not directly involved, Will said the Board if they were in approval of the Hunon Parkway Improvement. The Board went on record as endorsing the program which they believe will benefit the county. The city of Ann Arbor will vote on five bond issues concerning the park.

Thirty of the Supervisors said they would be going on the annual tour of the county roads on Thursday with the Washtenaw County Road Commission. All of the new construction work on county roads will be reviewed at this time, according to Manchester Supervisor, Clayton Parr. The road commission furnishes a bus for the tour. Of particular interest will be the stop at the County Road Commission offices on Dea's Road which are under construction.

Salaries of county officers were set for one year. They are slated for a four-year-term but after the year the salaries can be reviewed at any time.

The salary could not be set for Sealer of Weights and Measures for that post is vacant since the resignation of Geo. Smith.

During the Road Tour on Thursday the Road Commission and Supervisors will stop at various Methodist Church for luncheon.

METHODIST CHURCH CELEBRATES ANNIVERSARY

Manchester Methodist Church celebrated its 125th anniversary at a banquet Friday, Oct. 9 and also services the following day morning and afternoon.

Donald Reinhardt, Chairman of the Official Board, was toastmaster at the banquet. Rev. Epps, pastor, gave the invocation, Scripture lesson and song.

Former pastors and their wives present were the Rev. and Mrs. Adolf Bergman, Rev. and Mrs. Lloyd Merrill, Rev. and Mrs. J. Johnson.

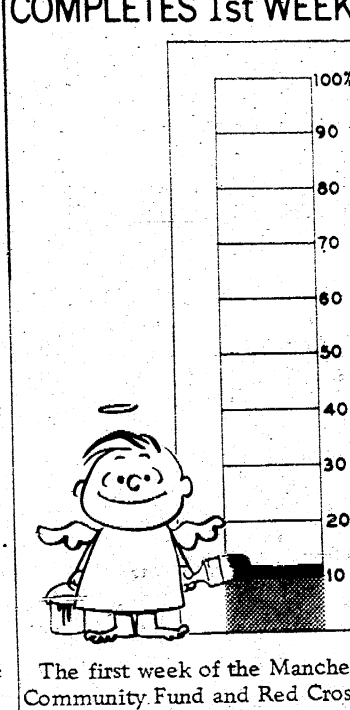

The morning service Sunday was directed by the pastor with the Rev. Joseph T. Edwards reading the Scripture lesson and giving the opening prayer. Bishop Marshall gave the anniversary message to 300 or more who attended service. The services during the week have been broadcast live in the church over WPAG, Ann Arbor.

The pastor also conducted the sermon service at which greetings were read from former members and also pastors who could be present. Greetings were read from Rev. Densel Fuller, Cityville, a former member, and Rev. Carol Foltz and Rev. Lloyd E. Ralph Kuether, pastor of annual United Church. Also, readings were read from Rev. T. Menzel, pastor of the Bethel Christian Church near Manchester.

A memorial candlelight service also held in memory of the sisters and members who had died and are now deceased. A number of people took part in this service lighting candles for their own groups which they represented.

A fellowship hour in the Fellowship hall in the afternoon gave opportunity for old friends to reacquaintance and to meet with members of the church.

COMMUNITY CHEST COMPLETES 1st WEEK

The first week of the Manchester Community Fund and Red Cross Drive has been completed.

Each Division is hard at work making their solicitations for the "One Gift For All", and the thermometer is creeping very slowly toward the \$10,152.00 goal. Past weeks contributions have surpassed the ten per cent mark.

Leading in contributions and one hundred per cent participation is the School Division which is headed by Theodore H. Tapping, Jr.

During the past week the Cub Scouts and The Clover Girls were busy helping raise the thermometer by selling "United Way balloons."

The Clovers is one of the local organizations which is supported by the Manchester Fund.

The Cub Scouts, of course, are included in the Portage Trail Council, which receives a substantial portion of the local budget.

Campaign Chairman, Mrs. James Baker, expresses thanks to both of these groups for their efforts in this participation in this community project. The enthusiasm of these young people is an excellent example of "citizens working together for a better community."

JAYCEES SERVE AS ELECTION REPORTERS

In an effort to speed-up the reporting of vote results of the presidential, governor and U. S. senate races at the precinct level in the November 3 general election in Michigan the Manchester Jaycees will serve as special election precinct reporters for Network Election Service (NES).

The NES news group includes the Associated Press, United Press International, and ABC, NBC and CBS radio and television networks.

Keith Doelker, president of the Manchester Jaycees, said members of his chapter will call form their assigned precincts with results of the three key races to NES' news gathering center at the Leland Hotel in Detroit.

Each local Jaycee precinct reporter will be properly identified with credentials from NES and the Michigan Election Commission, according to George Cheely, NES director.

Cheely said the Michigan Jaycees in turn will receive a cash grant for taking on the statewide project to "assist the news media in getting the vote results to the public as soon as humanly possible."

Local Jaycees participating in this activity are: Richard Krouse, Ronald McNally and Gary Brokaw.

The grant is earmarked for state Jaycee projects dealing with the promotion of governmental affairs and free enterprise activity, Cheely added.

HOMECOMING HAS STORY BOOK ENDING

HOMECOMING QUEEN Deanna Shuey

Manchester High's story-book finish and Whitmore Lake High's ball hawking defense kept the two schools at the top of the Lakeland C League when Manchester Dutchmen nipped Ypsilanti Roosevelt and the Lakers whipped Grass Lake.

It was Manchester's Homecoming game and the Dutchmen scored twice in the final 19 seconds to take victory away from Ypsilanti Roosevelt.

Quarterback Bob Rigg hit Rich Pniowski with 55-yard touchdown pass. With time run out on the clock, Roosevelt's final pass was intercepted by Steven Bentschneider who sped 40 yards to the end zone.

Manchester played scored first on the flea-flicker play Rigg passed to Pniowski who tossed back to Jim Sloat-which covered 40 yards. Roosevelt came back with a 60-yard drive capped by Fred Houck's one yard TD plunge and Brewster Brown went in from the one after a 50-yard drive. Bill Wales recovered the fumble that set up the Riders' second touchdown.

But Manchester got within one point in the fourth quarter when Rigg passed to Fielder (Jim) on a 50-yard play and then carried on a quarterback keeper the final 10 yards.

The Dutchmen got the ball again in the final minute to set the stage for their fast finish. Manchester's only extra point was kicked by Ron Funches and Andy Yllstrom ran in Roosevelt's conversion.

CO-OP NURSERY ENROLLS 11 ELECT OFFICERS

Co-op Nursery of Manchester made its second year with 11 children enrolled. Mrs. Russell Wolf is the treasurer with the assistance of the auditor.

Officers elected are Mrs. Paul Beckler, president; Mrs. Glen Lakin, vice president; Mrs. Roger Mamont, secretary; Treasurer are Mrs. and Mrs. Claubert Hillman; Mrs. Corinne McNamara is area representative to the Huron Valley Council of the Co-op Nurseries.

A "Frolicsome" under the direction of Roger Mamont is the first money making project of the group to raise funds for gym equipment and supplies and for capital to operate. Mrs. Donald Dorff and Mrs. Tim Schneider have charge of publicity.

The "Hootenanny" date is Saturday, October 24 at 8 p. m. at the Civic auditorium.

Co-op nursery is held each Tuesday and Thursday morning at the Emanuel Church hall nursery room.

BLOOD NEEDED

H. Shuey Hcs Surgery
Harry Shuey underwent heart surgery at St. Joseph Mercy hospital, Ann Arbor, three weeks ago. In an operation of this kind many pints of blood are needed. If there are friends, neighbors or anyone who wants to do a good turn and is able to give blood to help replenish the Blood Bank, they are asked to contact the Shuey family.
