JAYCEES HOST HALLOWEEN PARTY

All sorts of hobgoblins and wierd characters were spooking around the Athletic Field Saturday evening for the annual school Halloween party.

Choosing winners was no small job as any roommother can tell you. They chugged in, ran in, and tumbled in from all parts of the Manchester School District.

COMMUNITY CHEST REACHES 85%

On Monday the Manchester United Community Fund and Red Cross Drive had reached 85% of its quota of \$10,152.00 without single Division of the Drive being completed.

Watch feather thermometer in the McGuire Building on Main Street for final results. In general solicitors have reported fine cooperation and understanding of this year's drive for funds for 45 health, welfare and social agencies at home and nationally.

Whether they came from Mars or from next door, one thing was certain, these jolly creatures all enjoyed the sweet cider and donuts, doled out by the Jaycees before they left to make their rounds of the residences of the community for their trick or treats!

MAIN STREET

Reminiscing on the football season and the scores chalked up by the Flying Dutchmen and the work of Head Coach Jack Raffaelli and his assistant Edward Hill we can be proud and happy.

So, from the Enterprise Staff, we say "Thanks, boys for a very interesting and successful season of football. In winter months ahead many of us will spend pleasant hours remembering the good plays of the team under the supervision of Raffaelli.

Course the farmers are anxious for some rain, but we can't help believe we've had a good fall. The lawns are still green and remind us that Mrs. Florence Kirk was passing around some seeds from the Country of the Wearing of the Green.

Construction work on the new homes in town is progressing without a doubt the new home of Mae and Doc Knauss is being erected with the most speed. It is literally mushrooming into place.

DUTCHMEN LOSE TO REDSKINS

Someone had to loose, but the Dutchmen wonder why it should hurt so much after coming within 2 minutes of winning the Lakeland C title. They lost to the Clinton Redskins 12 to 13.

Manchester led in statistics for the whole game. It seemed that the game was sewed up until a 67-yard touchdown run with an intercepted pass by Wayne Poore.

But breaks go with you and against you. That last was the ending. Manchester has won 5 and lost 3.

COMMUNITY COLLEGE PUBLIC FORUM

A public forum on the proposed Community College in Washtenaw County will be held Wednesday, November 18 at 8:00 p.m. in the Little Auditorium at the Ann Arbor High School.

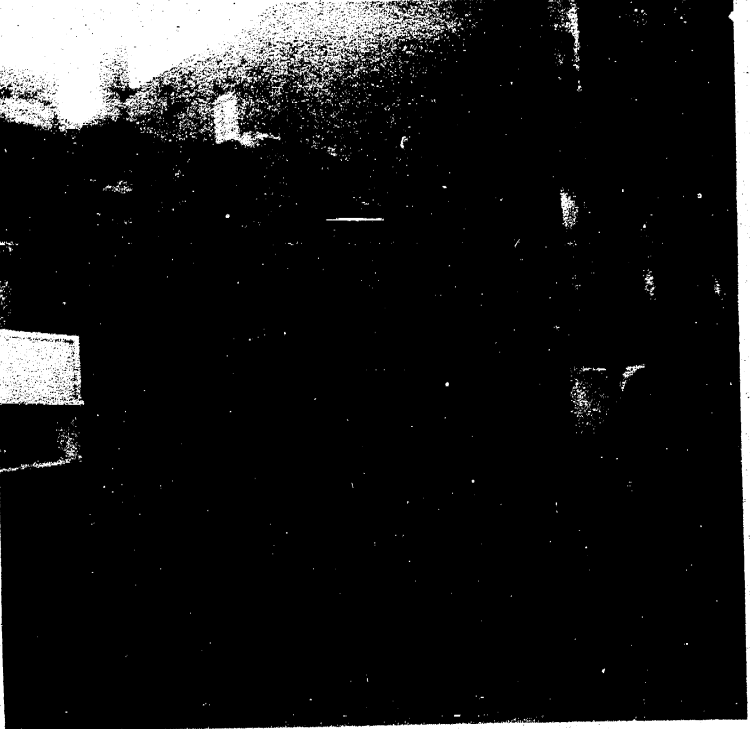

TOWNSHIP TAXES DOWN A LITTLE

Manchester Township tax on assessed valuation is \$55.02 compared to \$55.64 last year. This is 62 cents a \$1000 less than last year. It also is a record in that it is the lowest tax rate since 1961 when the tax was \$53.59.

Manchester Township includes three school districts, No. 2 Manchester, No. 10 Fractional Columbia, and No. 2 Fractional Clinton. County Operating is \$10.60 per \$1000 in all three, in increase of 20 cents a thousand over last year.

This is the breakdown of the tax by school districts in Manchester Township. All personal taxes are payable to the township treasurer, M. H. Wolfe only, and must be paid by February 28, 1965.

SKYLINE ON MAIN STREET CHANGES

Another landmark is leaving Main Street with the demolishing of the Davidter Building on the south side of Main Street, next to the Union Savings Bank. This is the first time since the Widmayer Hardware Store at the corner of Main and Adrian was built in 1940-41 that the skyline on the south side has undergone any change.

There have been many comments on the advisability of tearing down the building, many wished it could be preserved. It wasn't too long ago that the Conklin Building came under the same fire of comments.

When he was asked if the bank is planning to provide a drive-in banking service, the Bank President answered, "When the time is right, we want to be ready to best serve our customers. Whether or not this type of service will be the answer, we can't say at this time. Presently we are in need of more parking space in the Main Street area and we think this is the answer."

This enlisted the help of many to find the answer because the history of the town and its buildings are somewhat sketchy. In the abstract of the building in the vault at the bank-the site was a part of the John Gilbert plot which he bought from the government to plot the village. That date is May 10, 1826. Recorded on Oct. 22, 1838. In 1835 it was sold to Stephen Fargo. Then on Feb. 10, 1869 Edward A. Graham and his wife Mirala bought the property.

This much we know. Dresselhouse and Davidter moved to the store in 1920 from across the street in the Arbeter Building and exchanged business places with Jenter and Rauschenberger Furniture Store. Ed Dresselhouse retired from business in 1957. Dresselhouse and Davidter Hardware and Emplement was the last business to occupy the building, which has gracefully moved out to make a much needed parking area for the Union Savings Bank.

A PROCLAMATION

WHEREAS Our nation's future is dependent on its ability to grow and advance economically and spiritually in harmony with all its citizens; and

WHEREAS Our progress in promoting world and domestic peace and in assuring advances in the frontiers of medicine, science, the arts, industry, and the social sciences depends in large part on the fullest educational opportunities for all; and

WHEREAS Our American educational system, offering free, universal education for all citizens, has become a source of great strength to American democratic principles; and

WHEREAS It has been demonstrated that education pays dividends in better human relations, in improved earning power, in personal fulfillment, in good citizenship, in national economic growth, in better communities, and in international relations; and

WHEREAS, our educational system is confronted with grave problems requiring deep public understanding and public action.

NOW, THEREFORE, I, Eugene Bentschneider, President of the Village of Manchester

do hereby designate November 8-14, 1964, to be American Education Week and urge all citizens to work toward the resolution of the problems besetting these public schools and to rededicate themselves to the provision of quality educational opportunities for all citizens.

FROM THE POLICE DEPARTMENT

"Unfortunately, there are several ways to prepare the family car for another winter of driving," was the somewhat surprising observation of Police Chief Dan Singer in a pre-winter statement.

"One way is to drive your car any station in sight and tell the attendant to give it a winter 'grease job' and oil change," the chief said. "This method I don't happen to approve, and if any owner thinks it's none of my business, I probably owe him an explanation as to why I think it is. The chief then explained his department's responsibility for keeping traffic moving safely and smoothly in all kinds of weather. In time of emergency, he pointed out, this could mean life or death possibly for the very one whose car might break down in traffic because neither it nor its driver was really ready for winter.

"The better way to winterize," the chief advised, "is to take your car to a reputable garage with instructions to take care of everything—no matter how insignificant it may seem—that has anything to do with your ability to keep that car moving in cold weather."

First, instead of a casual winter change-over, a complete engine tune-up, and an inspection from fan belt to tailpipe, is in order, according to Chief Singer.

"Some new drivers, and even some of the older ones—you'd be surprised, don't seem to realize this," he said.

"And don't forget," continued the chief, "the sweaters engine town can't move you far if your wheels are spinning on snow or ice. They may spin because the tread has disappeared from old tires, or you haven't had the first thought to install snow tires and have a good set of reinforced chains in your car trunk, ready to work for you."

Manchester's winter safety record is on the line, and the reason why Chief Singer urges that a car's winter conditioning program should be "complete."

A failing, or failing, heating defrosting system, for example, can result in reduced driver visibility—a condition which has caused hundreds of accidents with the local police chief's memory.

The same can be said of windshield wipers, he warns. If the blade rubber is already brittle and streaking, or if the wiper arms do not apply the recommended pressure of one ounce for each inch of blade length, a winter driver can find himself "lost between the and the next corner, so far as driving is concerned." The result can be anything from stalled to a traffic accident.

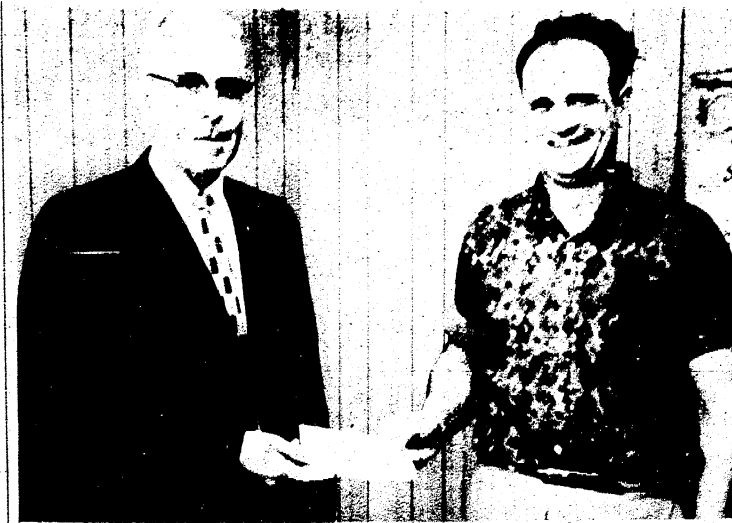

"If you lose, we lose; and we lose, so do you," the chief added. "We need each other, drivers and police officers, all doing our best, to meet a tough winter on even terms."

COMMUNITY CHEST CREEPS TOWARD GOAL

A few isolated donors have not yet given their pledges or gifts to the Manchester Community Chest, making the present balance around 4 per cent.

Chrysler Proving Ground has increased the company gift from \$75 to \$250 this year and Michigan Gas Storage Company has given \$25 for the first time. Double A Products, the area's largest industry and mainstay of the community, has upped their gift to \$1500. All three of these donations are over and above the regular gifts from the employees. The combined Ford Motor Company and the Ford Motor Company from the area who designate their gifts to Manchester at any of the Ford plants help to swell this figure.

E. P. Anderson, Labor Relations Director of Chelsea Proving Ground, Chrysler Corporation, gives Clarence Fielder, Industrial Division Chairman of the Manchester United Community Fund and Red Cross Drive, the Corporation's check increased to \$250.00 for the 1964-65 Manchester Drive.

BIRTH ANNOUNCEMENT

SERVICE NOTES

Fort Knox-Pvt. David L. Hunt, son of Mr. and Mrs. Merle E. Hunt of 202 S. River St., Clinton, Mich. has completed an eight-week general supply course at the Army Armor Center, Ft. Knox, Ky. on Nov. 5.
Hunt received instruction in the receipt, storage and issue of supplies and materials.
The 22-year-old soldier entered the Army in July 1964 and completed basic combat training at Ft. Knox.
He is a graduate of Clinton High School.

EXPERIMENTAL COURSE FORGES AHEAD

Miss Mary Leeman, daughter of Mr. and Mrs. Sydney Leeman of Manchester is one of three teachers forging ahead on experimental courses in East Lansing High Schools this year.
She is instructing an Humanities Course, covering the study of philosophy, art, literature, history, religion and music.
Humanities is open only to students in Honors Courses. Miss Leeman graduated from Manchester High School in 1957.

PARENTS GOING 'BACK TO SCHOOL'

Ever wonder just what your high school students do with their time? Do you believe they have adequate time to do their studying in school?
All Manchester parents of high school students and all other interested persons are going to have a chance to observe the working of the Manchester School system in a first hand "Back to School" night on Monday, Nov. 16, but their passengers will be parents of the students. Buses will be making the regular bus runs and stopping at their regular stops, according to high school principal, Chester Koczek.
Class schedules will be sent home in advance to parents on Nov. 12 and 13 by the students and parents are asked to follow their children's schedule of classes. Ten minutes will be allotted time for each class-going through seven class periods where teachers will explain their objectives in the different class rooms. During the class periods, parents will have an opportunity to ask questions they may have.
Parents of the Junior High and Elementary students will be given the class schedules as follows and may make a selection:
1. Pre-College
2. Technical or trade
3. General
4. Business Education
Members of the student Council have volunteered to help direct parents to find classrooms and will be manning the public address system and electric bell system indicating class changes.

20th CENTURY CLUB OPENS MEETINGS

The first meeting of the 20th Century Club met Tuesday night at the Township Library with the history of Manchester as the topic. Mrs. Rolland Grossman told about the Manchester Enterprise and its publisher, her grandfather, Mr. Blosser.
Mrs. Harry Sutton read the Nat Schmidt poem of the early stores of Manchester and Mrs. Roger Hardenbergh read early accounts of the town from the History of Washtenaw County.
After the committee members gave their reports the entire group viewed the historical room of the library.
Refreshments were served by Mrs. Alvin Kappeler, Mrs. Donald Uphaus and Mrs. Stanton Rosch. The next meeting will be at the home of Mrs. Kenneth Furgason with Mrs. Ray Trolz assisting the hostess.

INJURED IN TRAFFIC ACCIDENT SATURDAY

Raymond Feldkamp, 20, Michael Frey, 21, and Paul Marion, 20, all of near Saline were injured late Saturday night and were all taken to Saline Community Hospital after the car Feldkamp was driving went out of control at an estimated speed of 85 miles an hour and flipped end-over-end in a ditch.
Deputies said Feldkamp, with Frey and Marion as passengers, was driving the 1964-model car east on Austin Road near Ernst Road in Bridgewater Township when the car went into a skid on a curve. The vehicle slid 225 feet off the road into a ditch and traveled another 195 feet in the ditch before crashing into a tree stump. The car then went another 102 feet before it started flipping over.
Feldkamp's car went another 180 feet on its roof before coming to a stop against a fence, deputies said. The car traveled a total of 702 feet from the point the youth lost control of it, officers said. The car was demolished, officers reported.

FAMILY LIFE PROGRAM NOV. 18-25

Parent-child Facts of Life, a program for married couples will be presented at St. Mary's hall, Manchester on November 18 and 25 at 8 p.m.
The first session is given by Rev. Carl Groth, Assistant Pastor at St. Mary's of Redford.
He will discuss the responsibility plus the difficulties facing parents who wish to fulfill their role of sex educators of their children.
The following Wednesday Mrs. Elizabeth Barry, Social Worker with Catholic Social Services of Washtenaw County will cover the practical aspects of this instruction taking the child from birth through adolescence.
At a time when children are learning many facts, but few principles, this course would seem invaluable. This program is sponsored by the Family Life Bureau of the Archdiocese of Detroit and is open to all interested parents. Registration will be held at 7:30 p.m. with the program being at 8:00 p.m.

COMING EVENTS

Wednesday, Nov. 18 the Ideal Homemakers will meet at the home of Mrs. Tema Trindle at 10778 Ellsworth Rd.
Wednesday, Nov. 18 West Manchester Study Group will meet at the home of Mary Lou Gormley at 14610 Austin Road, Norwell with Janet Hicks the co-hostess.

RED CROSS TO RECORD FOR SERVICE FAMILIES

For the third successive year, Washtenaw County Chapter of the Red Cross will again sponsor their program "Smiles Across the Miles" VOICES FROM HOME record project.
If you have a son, grandson, husband, brother or sister in military service, or know of someone who has the Service to Military Families Department of the Washtenaw County Red Cross in communication with the American Legion Auxiliary extends an invitation to send a wonderful surprise to the servicemen far away overseas, or one in the States who cannot be with his loved ones for Christmas.
Last year Washtenaw sent out 75 records. This will be the second year Manchester will be taking part. Call Mrs. Del Ludwick at 465-2471 or Mrs. Ronald Whittington. Recording programs will be conducted at the American Legion hall on Sunday, Dec. 6. Mrs. Ludwick and Mrs. Whittington have complete details and appointment times.
The recordings are made on 15 minute plastic discs which travel overseas like an airmail letter. Families or individuals record in private, much like talking on the telephone—just chatting about whatever they please. Children and even adults can sing, read or recite poems.

Mrs. Jeanette Julien, Assistant Executive Director of the Washtenaw Red Cross stresses the recording is fun and will give the servicemen a real lift to hear from home. The record is furnished by the Red Cross and is sent without charge. This is a Christmas gift money can't buy and only families can give.
A volunteer will assist prior to the recording. Families do two things, make the recordings and drop them in the mail box. That's all.

ATTEND FUNERAL

Mr. and Mrs. Clayton Parr and Mr. and Mrs. Ralph Noggle were in Charlotte Friday to attend the funeral of the men's cousin, Line La Monte who died Tuesday morning in Charlotte.

YOUTH APPRECIATION DANCE SPONSORED BY OPTIMISTS

Saturday, Nov. 14 there will be a Youth Appreciation Dance at the High School from 8:30 p.m. to 11:30 p.m. at which Tom Wright, Disc jockey from WPAG will spin the records. There will be free refreshments.
The affair is sponsored by the Optimist Club with Rev. Ralph Kuetheg, Don Dorff, Fred Leeman James Pratt and Chester Koczek on the committee.

JAYCEES TURKEY SHOOT SUCCESSFUL

Manchester Jaycees held their annual turkey shoot Nov. 8 at the Schaffer Airport.
This year a record number of 34 shoots were conducted. Each shoot consists of 10 marksmen. Marksman with the highest score in each shoot wins a turkey.
There were two shoots for children and one shoot for women only.
The highest score possible is 30. The highest score obtained was 25 by the men and 17 by the women.
Scoring was chalked up by Sgt. Harold Bless of the Jackson State Police Post and by Magistrate Chief of Police, Dan Inger.

PAINTER INJURED IN TANK BLAST

A Washtenaw County man was in critical condition in University of Michigan Medical Center, Ann Arbor where he was taken with head and eye injuries received Monday when a pressure tank on a piece of spray painting equipment exploded near him.
Injured is Norman Gross, 46, of 8903 Ellsworth Road, eight miles northeast of Manchester.
According to Mrs. Gross, her husband and son, Robert were painting farm equipment when the pressure tank exploded.
She said Gross lost the sight of his left eye and received serious head injuries. The son was not hurt.
Mrs. Gross said that authorities have been unable to determine what caused the tank to explode.
Gross is a professional spray painter.

RETURNS FROM HOSPITAL

Mrs. Maude Sloat returned home last Thursday from Herrick Memorial Hospital where she was taken after she suffered a heart attack.
*
Mrs. Otto Kulenkamp returned to her home last Wednesday from St. Joseph Mercy hospital at Ann Arbor where she had been a surgical patient for nearly two weeks.

ALL MEAT SOLD IN WASHTENAW IS INSPECTED

Public Health Veterinarian for Washtenaw County, Dr. George Bowler says complaints have been received from persons solicited for a "food plan", indicating that some meat sold in Washtenaw County is not government inspected.

By using this approach," Dr. Bowler explained, "The salesmen attempt to convey that uninspected meat is sold in Washtenaw County, whereas they emphasize that their products are government inspected. Washtenaw and Ann Arbor Health Departments wish to clear up the confusion that has been created by this approach by saying that all meat sold in Washtenaw County is inspected by some governmental agency, either Federal, County or City," Dr. Bowler said.

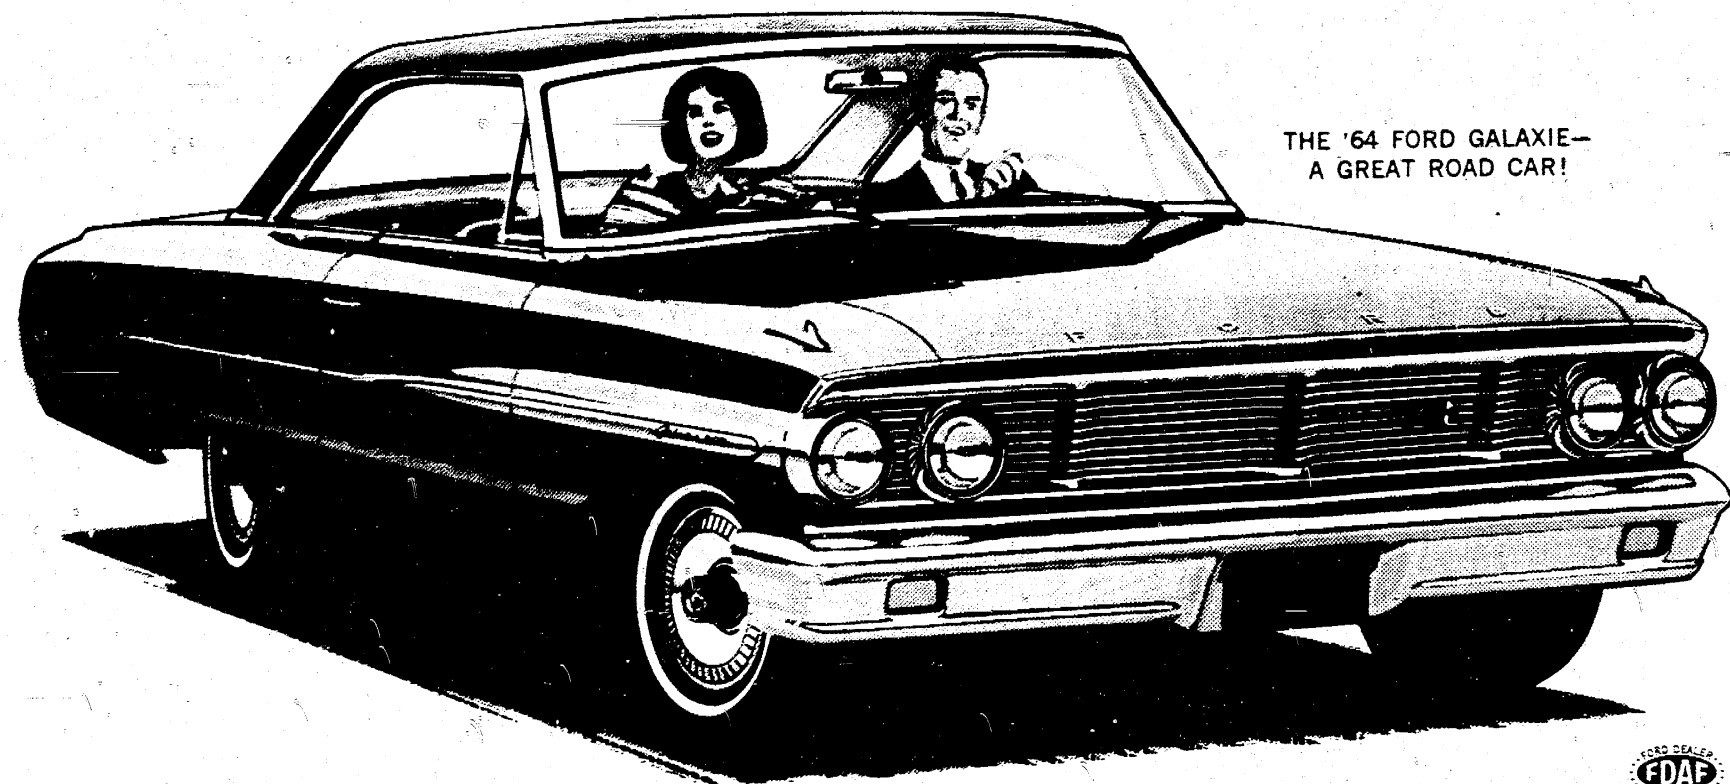

The Health Department for many years has had the responsibility of inspecting meat and approving of meat sold in this area. It has maintained high standards for this service.

MICHIGAN BELL DELIVERS NEW PHONE BOOKS

Michigan Bell Telephone Co. announced it will begin delivery in eight communities beginning Thursday, Nov. 12.

Nicholas J. Prakken, local manager said it will take some ten days to deliver 126,800 copies in Ann Arbor, Manchester, Chelsea, Dexter, Milan, Whitmore Lake, Willis and Ypsilanti.

Prakken said all local customers will receive the enlarged phone book which will consist of the following:

-An Ann Arbor alphabetical list, -A blue section with separate alphabetical lists of Chelsea, Manchester, Milan, Dexter, Ann Arbor, Whitmore Lake, Willis and Ypsilanti.

-An Ypsilanti alphabetical list, -A yellow pages section containing one "interfiled" classified list of business customers in Ann Arbor, Manchester, Chelsea, Dexter, Whitmore Lake, Willis and Ypsilanti.

This new area directory, Prakken said, consolidates directories serving these eight communities. Each customer in the eight exchanges will receive the identical directory.

This will make more listings—both alphabetical and Yellow Pages available to more customers, Prakken explained.

The new Ann Arbor-Ypsilanti area directory fits into Michigan's objective of making it easier and more convenient for customers to communicate by telephone.

"We are finding throughout the state that the more people use area directories, the better they like them," Prakken said.

"The customer in the smaller communities will have in his hands access to every listed residential telephone number in this part of the state, as well as to every business establishment in the eight exchanges which has a Yellow Pages listing," Prakken explained.

MAIN STREET

A bright crisp Wednesday was welcomed by the deer hunters following Tuesday's rain, but the weatherman suggested that it is time to button up! After our weeks of balmy weather we are likely to get a taste of winter for snow is predicted for this area on Wednesday, according to Willow Run Weather Station. Temperatures are expected to slither into the low thirties.

State Conservation officer, Don Boyer, says that motorists should be particularly careful during this time as the deer are crossing highways. Five were hit in less than 12 hours last week—before the opening of the deer hunting season. He says that of those hit last fall about 90 per cent was salvaged. The meat was used in schools, hospital and jail.

Oscar Lindauer of Jerusalem Road was surprised enough the other morning when his wife told him a big buck was in their pig pen. It had been shot in the hind quarters—before the opening of the season! The eleven point buck was found in a field south of Manchester. This was spotted by a plane. Another was shot before the opening of the season on English Road. The list of violations from Boyer will appear in next week's paper.

There is no time like the present to mention that we have a very early deadline which will have to be followed to the letter next week. Our DEADLINE IS MONDAY NOON. This was the order of the publisher. There will be no "ifs, ands, and buts". The paper comes out Wednesday morning—and it must—then, the deadline is Monday noon for copy. You can help by getting news and ads in early!

There has been a change in the date of the Family Supper planned at the Baptist Church. It had been scheduled for Friday but due to the illness of Mrs. Page Cranson, wife of the pastor, it has been postponed indefinitely, according to Mrs. Gordon Bowers. Mrs. Cranson was taken St. Paul's Hospital, Vandercook Lake Tuesday.

To get back to the hunting stories—Richard Gonia didn't see his way clear to go up north hunting. He picked up his trusty gun and headed for the Allen Schaefe farm on Lemm Road in Manchester township. Might as well hunt there, the Schaefeles had gone up north to do their hunting. At 9:30 a. m. Sunday Dick bagged a 10 point buck. His mother, Mrs. Jeanne Dom, who clerks at the Manchester Drug Store said the Schaefeles aren't home yet.

From those who know, the best deer are found around this area. Oscar Lentz was lucky and brought down a 9 point buck near M-92 Friday afternoon. It reportedly dressed out at 180 pounds.

Our little editor wasn't asleep either. She spotted a car rolling down Ann Arbor Street all decked out with two deer and a bear. We don't have the details from Oscar Dillard yet. Some loot! Local hunters have always done their share of deer hunting but until very recent years deer has not been plentiful in this part of the state.

Congratulations are in order to one of our local business women. Byron Moore is celebrating 25 years as the owner of a Beauty Shop. That's a long time to spend, making other women look beautiful. Best of Luck, Dorothy! Her shop, now on Main Street above Knouse Barbershop employs three operators to serve customers.

While we are in the business of offering words of praise, we wish to add our appreciation to the Del-Tinos. Sometimes we live too close to the woods to see the trees. We have to admit that sometimes, while our rock and roll band is practicing long hours (in our office or in the shop—it doesn't really matter for they can be heard and clear—we are disturbed. This goes for all of us. We wish they'd practice some place else.) But come a time like last Friday when the boys, Doug Hanks, Rusty Creech and Mike Kodak, were playing at the High School dance—well, that was different! Seems the principal of the Deerfield High School appreciated the boys and had them to play at a teen dance at Deerfield on November 27. He liked that. Also, it was good to hear other teenagers remarking that the boys are improving and doing very well. They'll be playing at Napoleon Saturday. Yes, boys! We're glad for you, too. And that that you kept with it. Not because of us but in spite of us.

Seems we made another boo-boo! That iron monster that lumbered into town last week for an overhaul job and repair at the Schaffer Lumber Co. And in our report of Bob Trent's accident we listed him with belonging to the Schaffer Lumber crew. We offer an apology! They are associated with the Union Construction Co.

Maybe it pays to have a short supply of gas in the car at night. Someone took Ron McNally's car from the Basil Schwab Residence Monday night sometime after 12:30 a.m. but later abandoned it in town.

Sometime the same night the 1962 Pontiac belonging to Robert Miller of 320 Washington Street was stolen, according to a report from the Washtenaw County Sheriff's department. It came up missing sometime between 10 p.m. and 6 a.m. and was reported to the department at 6:42 a.m. No trace of this car had been found by Wednesday afternoon.

Fund Hits All Time High

(L to R) Robert Ahrens of the Lathe Department, Warren Hale of Quality Control and Richard Kensler of the Drill Department, were solicitors at the Double A Products who increased the Department contributions over 200% over last year's contributions.

Herbert Upton Jr., Vice President and General Manager of Double A Products hands a check for \$1,500 to Mrs. James Baker, local Campaign Chairman of the Fund Drive.

In making the presentation of the check to the Community Fund Upton said,

"We are happy to see the Manchester United Fund Drive exceed its goal and we are pleased with the part that Double A and particularly all the Double A people have played in this accomplishment which is so important to the community. In total, Double A and its employees contributed \$4950.

"In comparison to last year, this represents an increase of 44% from the employees and an increase of 50% from the company."

Upton continued, "We are hopeful that we, at Double A, will do as well, if not better, in the future. This success indicates the interest and feeling of responsibility people have for the community's needs."

Total pledges and cash gifts for the Manchester United Community Fund and Red Cross Drive for 1964-65 reached \$12,893.07, November 14, when the Drive officially closed. This total is 127 per cent of the goal which was \$10,152.00.

With payroll deduction privileges, approximately \$1000 of this amount will go to Chess in towns where employees live. This allocation of funds also accounts for that part of Manchester's money which comes from Ford Motor Company, Hoover Ball and many other plants outside our area of solicitation, where Manchester residents have asked that their gifts be sent to Manchester. It is a record year for the hard working teams and the generous residents of the area.

One of the main reasons for the outstanding success of the effort was the community spirit and strong backing of the Double A Products Company. The employees and management gave a total of \$4,950.00 or about 48% of the goal, as recorded by pictures in this paper.

Final reports will be made at the Community Chest Board meeting November 19 at 8:00 p.m. at the Nellie Ackerson School.

COMING EVENTS

St. John's Church at Bridgewater Luther League 8 p.m. Nov. 22. This is a changed date. The Thanksgiving clothing drive will be held Nov. 22 through 29. Leave at the Church Basement and packing will be Monday, Nov. 30.

Cub Pack meeting Nov. 19 at Pleasant Lake School.

VETERANS' DAY OBSERVANCE DRAWS CROWD

Veterans' Day was celebrated here by a potluck dinner at the Legion hall for all members, families and veterans and their families, last Wednesday. There was a record crowd for the affair at which the Legion furnished turkey and ham.

It seemed that everyone put forth their best efforts to bring in tempting side dishes which added to the festive occasion.

Over a hundred people attended including a large number of veterans and their families.

The Legion Auxiliary held the business session immediately after the dinner at which Mrs. Basil Schwab, local president presided.

Plans were made for the annual Christmas party Wednesday, Dec. 9 at which Junior Auxiliary members will have an active part in the program.

Working on the Christmas committee will be Jerry Huber, Helen Popkey, Lois Kodak and Maxine Steele. A silent auction and white elephant sale will highlight the Christmas party.

The president suggested that the Auxiliary members go to visit the Veterans Hospital in Ann Arbor, in a group, on Sunday, December 6 from 2 to 4 p.m. to the Open House. This will give members a chance to see the gifts which have been purchased with funds from the annual Poppy Sale. The gifts will be on display for the veteran patients at the hospital who will be brought in to make their own selections for members of their families. Then they will be wrapped and sent to the families in time for Christmas. All of this is a part of the voluntary work of the Legion

Auxiliary and Legion and the Poppy Sale.

Virginia Sutton, who heads the membership drive for the auxiliary told the group that Manchester is over the quota and now has 82 members. The drive is still in progress.

The local unit is planning to entertain the patients at the VA Hospital in Ann Arbor at the April party.

Banking Representative to Speak Here

Gerald Phelan, Director of Communications of the Michigan Bankers Association in Lansing, will be in Manchester on Monday, November 23 at which time he will make two appearances.

At 2:00 p.m. he will speak to a high school assembly under the direction of Chester Koceski, principal. His topic will be "Your Local Bank—Financial Heart of the Community", a flip-chart presentation on the workings of a commercial bank, illustrated with actual case histories and a bit of audience participation.

That evening he will speak to the Manchester Optimist Club at their regular dinner meeting at Emanuel Church. His topic here will be "What The Bankers See On the Economic Horizon", a flip-chart presentation on the short and long range economic trends as they relate to the business and professional men who make up the Optimist membership.

He will be introduced by Ed. R. Kirk, assistant cashier of the Union Savings Bank and president of the Optimist Club.
