

Deadlines Established

With the ENTERPRISE growing steadily in both news and advertising content, a series of deadlines has had to be established.

Publisher George M. Koda and Editor Lois M. Koda state that they must be followed without exception.

Tremendous buildups of late stories and ads on Wednesday press days triggered the need for a strict deadline schedule.

On the editorial side, copy deadlines will be as follows:

1. Weekend weddings -- Thurs. or Fri. before wedding
2. Reports on meetings during the previous week --- noon Monday. (Earliest copy receives, PRIORITY).
3. Monday meetings --- noon Tuesday.
4. Advance stories on coming events --- noon Monday. (Earliest copy receives, PRIORITY).

ADVERTISING deadlines:

1. Real estate listings --- 5 p.m. Monday
2. Used car listings --- noon Tuesday
3. General display --- 3 p.m. Tuesday
4. Classified --- 5 p.m. Tuesday.

ARCHITECTURAL FIRM, SCHOOL STAFF MEET TO STUDY EXPANSION OF SCHOOL FACILITIES MAIN STREET

We've been so bogged down with all kinds of detail since the came back from California that there hasn't been time to get Main Street Column in the last couple of weeks. But we decided might be easier to write it than explain why it wasn't in. We're glad you like it. Glad you miss it when it isn't in.

This weather scarcely gives a person spring fever-but once again of our good readers told us that she saw a nice, fat robin in her yard on January 3rd. If you remember that date was far better and warmer than today. So, our first robin has been reported. Thanks, Mrs. Vernon Dresselhouse!

Congratulations are in order. Two Manchester couples celebrate January 27. It is quite unusual. The Clayton Pairs mark up fifty years and the Duffield Balls have a silver anniversary on the same day.

Two more couple are celebrating. Mr. and Mrs. Roy Lowery will be marrie 55 years on February 2 and their son and wife, the Bert Lowerys will be celebrating their 25th on February 3rd. There will be a family dinner at the Robert Lowerys for his parents on Sunday, Jan. 31. The following Sunday, Feb. 7 the Robert Lowerys in open house for their 25th at the Fellowship Hall of the Methodist Church.

Many will be interested to learn that in the wonderful world of easy the Meredith Bixby Marionettes of Saline will put on a puppet show in the Detroit Institute of Arts auditorium, Saturday, Jan. 6. This is sponsored by the Detroit Puppet Theatre. The Saline Marionettes will bring "Aladdin" the legend of the simple tailor's and his unusual adventures with the Genie of the Magic Lamp. There will be three performances at 10:00 a.m., 2:00 p.m. and 8:00 p.m.

About the only ones to get any enjoyment out of the icy weather is the school age people. They let out peels of joy when the radio issued the news that the schools would close. Supt. Rob't Parz said he began to wonder if he'd ever make it back in time today morning to call the station. After he left at 4:00 a.m. to check the rural roads himself before calling a school recess.

It all started Friday night with freezing rains which coated every tree and shrub with gorgeous jewels and the roads with slushy ice. Village and county road crews were unable to do much to improve conditions because the freezing rain created thin sheets of ice. Roads came slippery right behind the road crews. All of Washtenaw county was busy chipping its way out of the ice all weekend, in fact through Wednesday--just about 110 hours!

We weren't joking about the jewels on the trees. That trimming at the county the price of jewels--to the tune of well over a quarter of a million dollars. A brief thaw Sunday helped clear some of the main roads, but created more problems than it solved by leading water that froze to ice again Sunday night.

Always feeling very helpless on ice, we trembled while trying to get home Friday night. One thing is certain, the driver of our car had no traffic problems. On a night like that you get the feeling that you own the road (and for that matter you would rather that someone else did).

Knowing that you like to know what all of us are doing, it is only fair to report that our boss and his family were out on the road today night, too. Seems they hadn't been to Dearborn to see his other since they (the Kodas) returned from California. There's a set of undelivered Christmas gifts. In the afternoon the editor looked at the window and dubiously asked George if he still intended to go to town. We heard the firm "Yes!"

As we traveled along we thought of the boss but was sure he'd get a better judgement than we did. But this we have to tell you. We didn't hear the sketchy story 'til Monday. But the Kodas had a hectic time driving all that way home. They arrived about 3:00 p.m. George was pretty tired and decided to rest his nerves before retiring. He likes to read. He had just established himself in the library and was comfortably situated (we are almost sure he has been reading the Enterprise) when the electricity was cut off.

Just what happened after that seems to be a closed book. Fit in the details as you like. But if Lois would only learn to use that press camera, with the flash attachment, she could have taken some prize shots. No one could have caught her. It was pitch dark their apartment. Oh, Happy Day!

Manchester was without electricity for an hour and five minutes. This was not long compared to some places in the area. School bus runs were cancelled. There was no school in Manchester, Chelsea, Saline, Dexter, Whitmore Lake (we are beginning to sound like the conductor on a train) and as far as we know by Ann Arbor had school. Their buses were not running.

Never thought of our front yard as a ski slope before. Some of the small fry and some not so small brought out the skis and away they went. We had visions of doing the same type of thing--minus the skis, of course. So Tuesday we stayed in until late afternoon. When we ventured out only because a very thoughtful brother-in-law, who picked up the skis, chopped the ice away from the front walk.

After picking our way to the office, can you imagine how pleased we were when Mike, who had been enjoying the two day vacation, looked out and then inquired, "Do you think this new snow will melt enough to freeze again."

And our pressman, Harry Macomber added a glad note by stating that he really likes this kind of weather. You can't account for

GOOD CITIZENSHIP PILGRIMS

Picture courtesy of The Ann Arbor News
Eight area high school girls who were named Good Citizenship Pilgrims by the Sarah Caswell Angell chapter of the Daughters of the American Revolution were feted Thursday night at the Ann Arbor chapter's annual Guest night. Good citizens selected in the contest include (standing from left) Barbara Ann Crippen, Ann Arbor High School; Susan Sortor, Dexter High School; Maria Lupe Lopez, Milan High School; Sue Washburn, Saline High School; Lynn Anthony, University High School; and (seated, from left) Jane Faust, Chelsea High School; and Bonnie Burkhardt, Manchester High School. Joyce Field of Whitmore Lake High School is absent from the picture.

CHRYSLER PLANS PROVING GROUND ADDITION

Plans to construct a 60,000 -square-foot addition to the main garage and office building at the Chelsea Proving Grounds were announced by E. W. Bogan, Chrysler Corporation vice president and director of engineering.

He said the new, one-story building will provide more room for existing operations and for additional development activities at the 4,000-acre proving grounds where the company's cars and trucks are tested and improved prior to being released for mass production.

"The increased space will permit a more efficient arrangement of all our development activities by providing an enlarged base of operations at the proving grounds for those persons involved with developing fuel systems, brakes, steering and suspension systems, shock absorbers, and exhaust systems," Bogan said.

Construction will start in the spring and is scheduled for completion this fall. The architect for the new building is Tarapata-MacMahon Associates, Inc., of Detroit.

ENGAGEMENT REVEALED

The engagement of Sally Lucille Andrus of Davison to James Boyd Creech of North Park Street, Ypsilanti, is announced by the future bride's parents, Mr. and Mrs. Lyle H. Andrus of Davison. The bride-elect is a senior at Eastern Michigan University where she is a member of Sigma Nu Phi. Her fiance, who is the son of Mr. and Mrs. Lee R. Creech of Manchester, is a graduate of EMU where he affiliated with Sigma Tau Gamma and is employed at the Ford Motor Company's Rawsonville plant.

An August wedding is planned.

BETROTHED

Mr. and Mrs. Victor Grossman of Manchester have made known the engagement of their daughter, Diane Esther, to Jack Thomas Lockridge, son of Mr. and Mrs. Thomas J. Lockridge of Ann Arbor.

Miss Grossman is a graduate of Manchester High School and Cleary College and is employed as secretary at Chrysler Proving Ground, Chelsea.

Mr. Lockridge is also a graduate of Manchester High School and is employed at Klager Hatcheries in Bridgewater.

An August 21st wedding is being planned.

Representatives of Kingscott Architectural Firm of Kalamazoo were scheduled to meet with high school staff members and school officials Wednesday to determine how the present curriculum and proposed curriculum can best be adopted to needed facilities.

For sometime a Citizens' Committee and the school board have been studying the current needs of the High School. Monday night this group met with Edward Jennings and Carl Ohlila of the Kingscott Firm to sound out the thinking of the Citizens' Committee.

Manchester is faced with the same type of problem as many other communities--that of operating at more than capacity load. It was pointed out that the present High School building was intended to house some 275 students. At present there are about 512.

There are about 90 students in each of the grades, fourth through eighth. In four years these 360 students will converge on the high school. With a general average increase of 15 to 20 students a year, the high school population in four years will swell to an excess of 400.

The working Citizens' Committee, made up of the rank and file of interested local residents, say they are not going to be caught napping and wondering what to do with the high schoolers.

Adrian Nordhook, architect from Kingscott, who has been assigned to this project, was also present at the meeting.

One fact is clear, the town needs additional high school facilities. The question is: What additional rooms will best suit the growing high school population?

To best answer this question the School Board decided to bring in the consultants who make their business studying this type of situation.

Superintendent of Schools, Robert Swartz, emphasized, "I see no reason for building beyond the foreseeable future. There could be many changes. It is only sane and sensible to build facilities for children in the immediate future."

"I believe we should build to house the grade pupils, who we know will be entering high school in the next four years, plus a reasonable increase. There is no reason for over-building at this time. We must be prudent and at the same time take a long look at the situation," Mr. Swartz said.

The Citizens' Committee is in agreement that adding more rooms to the present facility to carry the current student load is what is needed at this time and, of course, keep close to the needs of the school system.

With this thought in mind the architects and consultants plan further meetings with the high school teachers and plan to meet with the Citizens' Committee again Monday, February 22. At this time they will present suggestions for additional rooms the type of rooms needed and the cost of such a project.

Coming Event

There will be a public card party at the Masonic Temple Saturday Jan. 30 at 8:00 p.m.

COUNCIL PROCEEDINGS

Jan. 21, 1965

Council met in regular session. The meeting was called to order by President Benschneider. Trustees present were Clark, Dorff, McGee, Koebbe, Grossman and Lowery.

Minutes of the previous meeting were read and approved. The following claims were presented and received from the proper funds:

Table with columns for item name and amount. Includes items like Grossman-Huber, Manchester Bakery, and various utility bills.

SEWER & WATER FUND

Table listing expenses for sewer and water fund, including Uphaus Drug, Willbee Concrete Products, etc.

LOCAL STREETS

Table listing street-related expenses like Lawrence Tab, Washenaw Asphalt Co.

MAJOR STREETS

Table listing major street expenses like H. L. Workman, Inc.

Moved by Clark and supported by Dorff that the bills be paid as read. All Yeas, Carried.

Discussion was held on the water problems.

Proposed road repairs for 1965 were discussed.

Moved by Clark and supported by McGuire that we adjourn.

Carried.

Lyle A. Widmayer, Clerk

RETURNS HOME

Table listing names and amounts of returns home, such as Russell Seifried, Kelly of Ely Road, etc.

LOCAL TEACHERS GET PAY HIKE

Manchester Board of Education at the January meeting approved a \$200 increase to the basic minimum salary granted to teachers in the Manchester School System.

In addition to the basic minimum increase teachers in the system will also receive an increment of \$100. A study of area school schedules and the need to keep a current competitive schedule prompted the board to take this action.

In the new schedule the maximum amount a teacher can advance to at both BA and MA level was also raised. In the new plan a teacher with a BA degree and an advanced schedule status will progress to a maximum of \$7500 in the same period of time.

Another feature added to the schedule is a professional improvement increment which grants teachers the amount of \$10.00 for each semester hour of graduate work leading to a degree program some beyond permanent

TOUR PROVES EDUCATIONAL TO SHAKESPEARE CLUB

For the bi-weekly meeting of the Shakespeare club, the members drove to Ann Arbor Friday for luncheon at Rubajian's.

Then they went to the University Hospital for a very informative and interesting talk on modern medicine by Dr. W. H. Beierwaltes, Professor of Medicine at the University, who with his associate conducts countless experiments and many marvelous cures have been noted.

MISSIONARY SOCIETY MEETS AT CHURCH

The regular meeting of the Iron Creek Missionary Society was held last Thursday at the Church with special recognition to the 87th birthday of Mrs. Mina Trois which will be held January 28th.

After the main course of the dinner was served a beautifully decorated cake with lighted candles was presented to the honored guest as the group sang "Happy Birthday."

Mrs. Trois shared her cake with the members and ice cream was served.

The next meeting will be on February 18 at 10:30 a. m. at the church.

Mrs. Chris Norgaard will be the hostess chairman and Mrs. Ray Johnson will be the devotional leader.

CRASH INJURES BROTHER, SISTER

A Manchester brother and sister were reported in good condition at St. Paul's Hospital where they were taken Friday night with injuries received when their car ran off Austin Road west of Manchester and crashed into a tree.

David L. Adams, 18, received cuts and head injuries. His sister, Alene, 14, suffered a broken right arm and head cuts, according to a physician.

COMING EVENTS

Thursday, Feb. 11 the Father and Son Banquet of the Emmanuel Church will be held at 7:00 p. m. Tickets are available at Marx & Marx Store, Uphaus Drug and E. C. Mann Mill. Sale of tickets will end Monday night, Feb. 8th.

COMING EVENT

The annual variety show sponsored by the Band Boosters will be at 8:00 p. m. Friday, Feb. 5 at which time the band boosters will be selling their special homemade candy. There will be local talent on the program.

LETTER TO THE EDITOR

LaCrosse, Wis. Jan. 21, 1965

Manchester Enterprise Manchester, Michigan For your information Millard Case, formerly of Manchester, aged 84 years, son of late Mr. and Mrs. Horace Case, passed away at Port Angeles, Washington, January 20. His survivors are one sister Mrs. A. H. (Ice) Mueller, LaCrosse, Wis.; one brother, Alton W. Case, Merion, California.

Burial was in Port Angeles, Washington. Alice Case Mueller (Mrs. A. H. Mueller) 2903 Lenard La Crosse, Wisconsin

HIGH DAIRY RECORDS OLD FOR AREA HERDS

A dairy cow from this area has recently completed lactations for the official testing rules of the American-Friesian Association of America.

The Registered Holsteins listed the report—and their actual performance records are: Leo Bur Elation Viola S098942, three-year-old owned by Leonard Burmeister, Ann Arbor, produced 16,690 lbs. of milk and 11 lbs. of butterfat in 305 days.

Heiland Lakefield Figy Myra S9707, an eight-year-old owned by Norman Randall of Manchester, produced 14,230 lbs. of milk and 11 lbs. of butterfat in 305 days.

These now can be compared to the estimated annual output of 10,000 lbs. of milk by the average S. dairy cow, notes the national Holstein Association.

PERSONALS

Mrs. Lawrence Burkhardt of 481 Pleasant Lake Road fell January 14 at her home and broke her left elbow. She was taken to St. Joseph Hospital where a break was set and later returned home.

Mr. and Mrs. Frank Reese of Marks Lake spent Saturday with Mr. and Mrs. LeRoy Marx.

Pat Burkhardt, a student at Michigan State University, spent the weekend with her parents, Mr. and Mrs. Lawrence Burkhardt.

Mrs. Ralph England was scheduled to be host to the Kinder Kuchensky Group Thursday, Jan. 28 at her home at 107 W. Main Street

STRIKES IN SPARES

DOWNING OWN CLUB TEAM

Table with columns for team name, won, and lost. Includes teams like Sportsman Club, Speedway, etc.

There is no registration, all students need to do is report at the Ann Arbor High School by 7:30 on February 3.

Mrs. Paul Feldkamp, who suffered a stroke about three weeks ago, is improving satisfactorily. She was hospitalized at St. Joseph Mercy Hospital for several days.

'65 **Chevelle**
 by Chevrolet

(discover the difference)
Find out what
350 hp feels like

in America's favorite intermediate size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile. We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you. And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

We know that this bit of news comes late but somehow Laurence Bertke wants to send this response to Santa who disappointed the Bertkes by sending them the following card at Christmas:

"Dear Friend,
 Just a note from old Santa to let you know that I really tried to get you that brand new Cadillac convertible you wanted for Christmas, but I couldn't quite swing it. Those damn things must weigh FIVE THOUSAND POUNDS!
 Hope you have a Merry Christmas anyway.

Santa
 The Bertkes want Santa to know that they have his welfare at heart so they write him:

"Dear Santa:
 I know this letter is reaching you too late this season but we want you to know that we realize your situation. Those new Cadillac convertibles are heavy we know. We will be happy to settle for something that will not weigh so much. How about one of those snappy little foreign jobs—they won't weigh so much. Or, how about a moped, falcon, moustang or corvair? You ought to be able to swing them. Shucks! they won't weigh half as much.

Santa, does this solve your weight problem?
 The Lauren Bertkes

COMING EVENT
 Square Dance and Euchre party 9 p.m. to 1 a.m. Jan. 30 at the Pleasant Lake School with Luther Schaible the caller. This is a benefit for the March of Dimes.

New Dish Stars Eggs, Cheese

Here is a tasty egg-cheese main dish developed by the Borden Kitchens. It is nutritionally adequate, thanks to sharp American cheese slices, nonfat dry milk and hard-cooked eggs. In addition to having good flavor, the recipe is easy to prepare, and economical, too.

Eggs Au Gratin
 (Makes 4 servings)

- | | |
|--|---|
| 1 tablespoon sweet pepper flakes | 1/2 teaspoon salt |
| 2 tablespoons instant minced onions | 2 tablespoons chopped pimientos |
| 2 tablespoons water | 8 slices (1 1/2-ounce package) Vera-Sharp pasteurized process American cheese |
| 1/4 cup butter | 4 hard-cooked eggs, sliced |
| 1/4 cup flour | |
| 2 cups butifed instant nonfat dry milk | |

Cover pepper flakes and minced onion with two tablespoons water. Let stand 10 minutes. In a medium-size saucepan, melt butter over low heat. Add flour and blend. Stir in the milk, then stir constantly, cook about 5 minutes or until thickened. Add salt, pimientos, minced onion and pepper flakes. Pour one cup of the sauce into a one-quart baking dish. Place four slices of cheese and sliced eggs over the sauce. Place remaining four cheese slices over eggs. Top with remaining sauce. Bake in a (400° F.) hot oven 15 minutes or, until thoroughly heated. If desired, reserve some of the egg slices for garnish or, use thinly sliced green pepper rings. Serve on toast. *If desired, combine 2 tablespoons melted butter, 1/4 cup bread crumbs and 1/4 cup grated Parmesan and Romano Cheese and sprinkle over top of sauce before baking.

RECOUNT POSSIBLE FOR COLLEGE TRUSTEES

Account on the election for trustees of the community college becomes a strong possibility. Totals compiled for the Board County Canvassers show that for the sixth seat on the board by only five votes. Toud's total is 4,109, and Procassini's total is 4,104. The vote raised Toud's total by 86 votes and Procassini's by 86 votes, giving him up from eighth to ninth place for the sixth board seat.

Procassini said he will review official returns to determine if he wishes to seek a recount in all of the 76 precincts. The proposal to create the college was passed by a vote of 445 to 5,085 and the authorization of 1.25 mills of taxing was passed by a vote of 448 to 5,586. The only change in the official canvass was the ease in "yes" votes on Proposal from 11,109 to 11,145. The votes of the three leading candidates, Samuel T. Harmon, Richard C. Creal, and Evert Rich, was unchanged from the official tabulations made Friday. Edward Adams Jr. in fifth place gained three votes and Ralph C. Trich in fifth place gained votes.

Total of the elected board members are: Harmon, 5,798; Creal, 4,802; Adams, 4,178; Rich, 4,131; and Yound, 4109. Adams, who is an Ypsilanti resident, live in Ann Arbor. Following behind the six best winners are Procassini of Ann Arbor, Mrs. Elvira Vogel of Manchester with 4,028; James L. Yof of Ann Arbor with 3,623; Florence A. Mayer of Ypsilanti Township with 2,432; Mrs. Mildred J. Yof of Ypsilanti with 2,360; and C. Wasem of Augusta Township with 2,185; and Mrs. Yof of Ann Arbor with 34.

Twelve persons received more than 1,000 votes in the county election. They are Allen Harmon, 1,871; Mrs. Mary Yof, 1,770; George O. Ross, 1,770; Raymond LaBounty, 1,505; Al Bosel, 1,437; Roland Yof, 1,396; Dr. Marcia Yof, 1,338; Mrs. Gail Kellum, 1,091; Rudolf Scherberg, 1,257; Chal Conlin, 1,148; and Mel C. Pierce, 1,109.

Notes for the other candidates are: Laurence Frederick, 945; David Seipe, 903; Dean Yof, 849; Mrs. Marie W. Yof, 844; Eugene Glysson, 844; Harsel Pyle, 733; David Otto Yof, 628; George Higgins, 628; William Watson, 570; and Derick M. Phelps 111, 546; and David Senkpiel, 412.

POLICE NAB 2 AREA MEN IN CONNECTION WITH WAVE OF BREAK-INS

Two Manchester area men admitted in statements to police in Lenawee County that they broke into 11 area business places. Being held at Lenawee County Jail are Omer L. Vereeke, 20 years, and Joseph Williams, 21 years. Vereeke demanded examination before Justice Ernest Oliver of Tecumseh. His bond is set at \$3,000.

Williams waived examination and was remanded to the county jail. Sheriff's officers, state police and Tecumseh police worked jointly and charged Vereeke and Williams specifically with breaking into Wolf's Appliance on South Adrian Street in Tecumseh Thursday morning.

Officers said that the arrests solved the wave of break-ins in Manchester, Clinton, Tecumseh and Adrian. A large quantity of cigarettes, tools and auto equipment, two tape recorders, 2 radios, battery charger, electric drill, electric mixer and other loot was recovered. In their statement the two admitted stealing \$70 in small amounts of cash from various places. These included service stations, concrete office, automobile service stations, garages and appliance stores. None of the money was recovered.

Vereeke and Williams were arrested Friday by Clinton State Police. Troopers said they became suspicious when the two couldn't give satisfactory answers as to their whereabouts on the nights in question. Both Tecumseh Police and sheriff's officers assisted in the investigation.

LEWIS J. LAMM APPOINTED MANAGER OF FISHER BODY PLANT

appointed as manager of the new Fisher Body upholstery trim plant near Tecumseh. The appointment was made by Robert H. Gathman, vice president of General Motors and general manager of Fisher Body Division. Mr. Lamm has been production manager of Fisher Body's plant in Cleveland, Ohio, where both upholstery trim items and metal body stampings are produced.

He will be moving to the area in the near future with his wife, Ruth, to assume his new responsibilities. As plant manager of the Tecumseh installation, Mr. Lamm will supervise all of the operations which are necessary to produce upholstery items such as seat covers, etc.

NAPOLEON FEED CO-SPONSORS SCHOLARSHIP FUND

To be of assistance to worthy young men seeking a career in agriculture is the goal of the Tewele's Agriculture Scholarship Fund announced by L. Wm. Tewele, President of the Tewele's Seed Co., Milwaukee, Wisconsin. High School senior boys who are members of local 4-H Clubs or FFA Chapters are eligible to win a \$500 Agricultural Scholarship to the Agricultural College of their choice in each of their home States.

A number of additional scholarships in the amount of \$150 in each State, will be announced later. The Scholarship Fund is being offered in the following states: Wisconsin, Michigan, Indiana, Iowa, Illinois and Minnesota.

Tewele is sponsoring these scholarships with their local Badger Seed dealers in the six-state area. Full information will be made available to all 4-H Club leaders and FFA Chapter advisors. Official entry blanks can be obtained from Napoleon Feed & Lumber in Napoleon, the local Tewele's Badger Farm Seed dealer.

Contestants must fill in the Official Entry Blank on or before March 15, 1965. State winners will be selected by a committee appointed by the American Forage Alliance. Announcements of winners will be made on May 15, according to Jerome Stumbras of the Tewele's Seed Company.

NAMED TO BOARD TO CONDUCT RECOUNT

Representative Thomas G. Sharpe (R-Howell) has been appointed to a special committee of the Michigan House of Representatives to conduct a recount of the November election held in the 56th District.

Representative Carroll C. Newton (R-Charlotte) was elected in November to the seat by the slim margin of 6 votes. His opponent, Claude E. Burton of Bellevue, petitioned the House for a recount which was granted. Rep. Sharpe, who is now in his third year in office, will serve on this 7-man recount committee which is expected to begin its work on Tuesday in Marshall.

The district involved (56th) in the dispute consists of a part of Eaton County and part of Calhoun County, including Albion and Marshall. Representative Sharpe serves the 51st District which consists of Livingston County, Franklin Township from Lenawee County and part of Washtenaw County including Manchester and Chelsea.

REPUBLICANS TO HOLD SPRING CONVENTION

The Republican Party of Washtenaw County will hold its Spring Convention in the West Cafeteria at Ann Arbor High School, Thursday, Jan. 28 at 8:00 p.m.

John R. Hathaway of Ann Arbor has been appointed temporary chairman of the convention and he will announce the selection of Weadall Hulcher, Republican candidate for Mayor of Ann Arbor to give the principal address before the delegates.

Another key part of the program will be the presentation of the Gilbert E. Bursley Cup to the winner of the Oratorical Contest for Teen Age Republicans. The subject of the contest this year was the Ann Arbor City election, the winner will repeat the first place oration as part of the convention on agenda.

VALENTINES

Manchester To Participate With Schools In Joint Vocational Education Program

Three area schools will launch a Vocational Education Program beginning February 1. Manchester, Chelsea and Dexter have joined to hire Ted Blake as Vocational Education Director for Manchester, Chelsea and Dexter. For the past ten years he has held a similar position with the Lane-Cruise Schools, near Pontiac.

Mr. Blake comes to his new position well qualified, having several years experience in industry, a Master's degree and a State Certificate as a Vocational Education Specialist.

School officials point out that during the next few weeks and months, Mr. Blake will be meeting and talking to many in the area concerning the plans. According to Laurin Leeson, a member of the Manchester School Board who has been working on the project, all of the suggestions and comments which local people might be able to give Mr. Blake will be appreciated.

There is a work of caution. People will be asked not to come Wednesday, Feb. 3 from the Cooperative Extension Office, County Building, Ann Arbor.

Saturday, January 30 the Student Council will sponsor a March of Dimes Dance from 8:30 to 11:30 p. m. at the high school gym.

REGISTRATION NOTICE

VILLAGE ELECTION Monday, March 8th, 1965

to the Qualified Electors of the Village of Manchester COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that on February 8th, 1965, the undersigned Clerk, will open his office at 10:00 a. m. on that day for the purpose of reviewing the registration and recording such of the qualified electors in said Township, City or Village as shall properly apply.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT MY OFFICE February 8th, 1965--Last Day The Thirtieth day preceding said Election

at **Tirb Chevrolet Co.**

From 8 o'clock a. m. until 1 o'clock p. m. on said day for the purpose of REVIEWING THE REGISTRATION and RECORDING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as shall PROPERLY apply.

ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE
SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located may be registered prior to the close of registration before any election or primary election by recording from the Clerk of the Township, City or Village in which he resides his legal residence duplicate registration cards, and recording in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and recording such registration cards in the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign for names on the list for the signature of the registration officer and designate his site.

UNREGISTERED PERSONS NOT ENTITLED TO VOTE
SEC. 497. The signature of elector at any election or primary election in this State, or in any County, Township, City or Village thereof, shall not be valid unless the name of any person whose name is registered in the registration book of the Township, Ward or Precinct in which he offers to vote.

TRANSFER OF REGISTRATION, APPLICATION, TIME
SEC. 506. Any registered elector may change his registration from one Township, City or Village to another, provided he is transferred to his new address by recording in the Clerk a signed request in duplicate, the date of registration, the address from which he was last registered, or by applying in person for a transfer. The Clerk shall forthwith record the request, and shall transfer the name and record of such elector to the new address. The original registration card, and shall place the original registration card in the proper precinct for such election and be made within the 30 days next preceding any election or primary election, unless such election or primary election is held on a Saturday, Sunday or legal holiday, in which event registration may be made on the day next following such election or primary election, provided that no such transfer shall occur any person to vote in any Township, City or Village in which he has not resided 30 days next preceding any election or primary election.

TRANSFER OF REGISTRATION ON ELECTION DAY
SEC. 507. Any registered elector who has removed from a Township, City or Village to another Township, City or Village shall have the right to transfer his registration to his new address on the day of the election in which he is registered. Upon receiving such request, the registration officer shall transfer the name of such elector to the new address, and shall record the name of such elector in the registration book of the Township, City or Village to which he is transferred. The registration officer shall certify such transfer and record the name of such elector in the registration book of the Township, City or Village to which he is transferred. When the name of any elector or resident house number in any Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of the elector or resident house number in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Lyle A. Widmayer, Village Clerk

is not new. But the problem has not been solved and probably never will be completely. This is the reason that new approaches must be continually considered, Leeson pointed out.

About a year ago it was suggested that smaller schools might pool their facilities and financial capabilities to broaden the vocational training available to students of these schools.

This program has proved very successful in sharing a Speech Correction teacher so that the three school systems couldn't see what it wouldn't work out satisfactorily in this field and they called a meeting of the combined boards to consider working together.

Dr. Wenrich, University of Michigan Vocational Education Department, has offered suggestions. A committee composed of the superintendent and two board members from each school make up the nucleus of this program.

Representing Manchester is Supt. Robert Swartz, Dan Boutell and Laurin Leeson. Supt. Charles Cameron, Paul Mann and Don Alber represent Chelsea and Supt. Nicholas Ianni, Al Samborn and Mrs. Gilbert Pennock are Dexter's representatives.

Mr. Blake will study the area problems for a few months, listen to the suggestions by this committee and other people in the area and make suggestions.

If the suggestions seem feasible to the three school systems they will continue to employ Mr. Blake to supervise a program for the schools. The program will include some 1500 students in the three school systems.

FEBRUARY LEGION MEETING SET

The American Legion meeting will be held at the Post Rooms on February 3rd at 8:30 p. m. All members interested in going to the Second District Bowling Tournament in Hudson are asked to contact R. J. Weir or Eldon Lamb by next meeting. The second district committee will be a guest at the February 3rd meeting and members are asked to make a special effort to attend. There will be refreshments following the meeting.

BALLS CELEBRATE SILVER WEDDING

Mr. and Mrs. Duffield Ball celebrated their twenty-fifth wedding anniversary Sunday at the C hall with the party arranged by their children, Mr. and Mrs. Leon Ball and Victoria and John Ball. The couple has a grandchild, Michael.

About 200 guests set down to the buffet style dinner. Included in the group was the priest who married them, Rev. Fr. Lambert LaVoy, now of St. Joseph parish, Erie, Mich.

Several members of the wedding party were also present. Included were the matron of honor, Mrs. Albert Slane of Chelsea, the best man, Thomas Iwanicki of Clinton and two of the bridesmaids, Mrs. Lyle Moore of Manchester and Mrs. Wm. Hites of Dearborn.

Mrs. Mary LaDuke of Detroit, who helped care for Mrs. Ball after the death of her parents, had a seat of honor at the anniversary dinner. Mrs. (Eleanor) Ball then went to live with her grandparents, Mr. and Mrs. Iwanicki of Bridge-water.

Miss Jacqueline Schuller of Chelsea, niece of Mrs. Ball had the guest book. The tiered anniversary cake was cut by Mrs. Thomas Iwanicki of Clinton and Mrs. Arthur Schuller of Chelsea. Denise and Deborah Steele poured.

The dinner was prepared by St. Mary's Altar Society. A note of interest is that Mrs. Ball's uncle, Anthony Iwanicki, who baked the wedding cake 25 years ago, called from his home in Santa Fe, California and with his wife congratulated the Balls on their anniversary.

Mr. Ball's sister and husband, the Ray Gimmey's of Huntington Beach, California also called their best wishes. Unable to be present because of illness was Mr. Ball's mother, Mrs. Joseph Ball of Chelsea. Others were present from Detroit, Royal Oak, Dearborn, Dexter, Chelsea, Clinton and Manchester.

MOVING HERE
The Mike Lindseys are moving into the Russell Widmayer apartment on West Main Street.

LEGAL NOTICES

STATE OF MICHIGAN
Probate Court for the County of Washtenaw.
Matter of the Estate of Hattie T. Harriet Brown, Deceased.
In re: said Court, held on a session of said Court, held on May 6, 1965.
HONORABLE John W. Conlin, Judge of Probate.

Is hereby Given, That the petition of Frank L. Brown praying that the estate of said deceased be administered as such estate be granted to the heirs of said deceased be determined, will be heard by the Probate Court on February 3, at 9:30 A.M.

Ordered, That notice be given publication of a copy hereof for three consecutive weeks prior to the day of hearing, in the Manchester Free Press, and that the petitioner cause a copy of this notice to be served each known party in interest at his known address by registered mail or by ordinary mail (with proof of mailing), or by personal service at fourteen (14) days prior to such hearing.

Rent a Frozen Food Locker!

You can do something about the High Cost of Living... you can save money on every pound of meat you store, if you buy your meat from us in bulk and have us process it for you.

By renting a locker you not only save money, but give your family better, fresher, and more nutritious foods the year around. Sounds good, doesn't it? Well, it is good, so drop in and let us tell you more about the miracle of quick-freezing.

Serving the Community over 17 Years
MANCHESTER FROZEN FOOD LOCKERS
 319 Morgan St. Manchester Phone GA 8-5031

MAIN STREET Those who know our cameraman, John Thompson will find it hard to believe that he is a grandfather. Kimberly Dee was born to the Daniel Manns of Detroit on January 7th. The little lady weighed six pounds ten ounces. Wonder how we got the news, John? You bet we didn't hear it from you.

Here at the office we received a 'thank you' note from Elvira Vogel for supporting her in her try for a seat on the Board of Directors of Community College. She said it was the shortest term she ever served. It turned out to be a near-wis when the canvassers checked the votes. You can't win every time.

Somehow we feel sorry that Mary's little lamb met such a sad fate. If you followed the story in the Ann Arbor news, little Mary Guenther had a pet lamb. She is allergic to cats and dogs. This lamb followed her everywhere. Last week it came up missing. Sheriff's men finally tracked down the man who confessed to killing it. It must have been pretty hard for him to explain to a seven year old why he thought it was alright to kill her lamb. This makes a person wonder about some people's code of ethics.

Neither ice or snow stopped the local Mothers' March on Tuesday evening. Some of the mothers started before dark but Mrs. T. V. Ludwig reported that all of the mothers marched except Mrs. Allenwick who had hurt her back when she slipped and fell on the ice Monday, and Mrs. Daisy Walt who was ill. The March netted \$426.95 which is about the same as last year. The Captains breakdown is: Mrs. Harold Alexander-\$83.19; Mrs. Hugh Sutton-\$99.87; Mrs. Karl Alber-\$82.30; and Mrs. Del Ludwig-\$161.59. Mrs. Richard Way reminds everyone of the dance at the high school and at Pleasant Lake School on Saturday, to benefit the March of Dimes.

SIGN-UP DATES FOR FARMERS TO REMEMBER

Mrs. Carolyn Stamp, Office Manager at the Washtenaw ASCS County Office announces the following dates:

Feb. 1 is the final date for filing a price support application for a loan on either soybeans, oats, wheat, rye or barley.

Feb. 1 is the final date for filing for an incentive wool payment in the 1964 Wool year. (This is for any wool or lambs sold during 1964.)

Feb. 8 marks the first day of the 1965 Feed Grain Program sign-up period which runs from Feb. 8 through March 26. The 1965 program is very similar to the 1964 program. The minimum acreage which may be diverted is still 20 per cent and the maximum is 50 per cent or 25 acres, whichever is larger, but cannot exceed the base. When diverting 40 per cent or more of the base all diverted acreage will receive the high diversion rate.

Those producers who have signed to participate in the 1965 Wheat Program may revise their intention when signing to participate in the Feed Grain Program.

Also the producer who participates in both the wheat and feed grain programs may be eligible to substitute wheat and feed grain producers.

March 1 is the deadline date for filing an application for a New Farm Feed Grain Base. A producer to be eligible for a new farm base must derive 50 percent of his livelihood for the current year from the farm; must have been engaged in the production of feed grain in at least two of the previous 15 years; neither the owner or the operator can have an interest in any other farm which has a feed grain base.

Washtenaw County is offering a measurement service for the feed grain program. You may sign up for this service anytime before the planting of the crop. The ASCS farmer will come out to your farm and take the exact acreage to be diverted and to be planted. The cost of the service is \$5.00 per farm plus \$.10 per acre measured.

Gifts to March of Dimes
 Financed Promising Research Projects in '64

Nine March of Dimes-financed research studies in birth defects have shown outstanding progress in 1964. The projects were cited by Dr. Theodore E. Boyd, research director for The National Foundation-March of Dimes.

"Each year in the U.S., 250,000 babies are born seriously defective," Dr. Boyd said. "But new knowledge is being gained daily. The latest developments show that March of Dimes contributions are financing promising studies."

Dr. Boyd reported that in 1964 The National Foundation-March of Dimes appropriated almost \$5,000,000 for research. In addition there are now 51 March of Dimes Birth Defect Treatment Centers across the country, he said.

The nine projects cited are as follows:

1. **Human Measles Test.** First clinical use of a new test to tell whether someone has already had German measles—a virus disease which can damage unborn baby when it infects the mother during early pregnancy—has shown it to be rapid and reliable.
2. **Discovery of Cell Abnormalities in Patients with Dwarfism.** Dr. Andrew E. Lorincz, University of Florida, discovered something wrong with liver cells in children with the disease called Hurler's syndrome, a form of dwarfism. Enzyme deficiencies were found missing from these cells. The clue may pinpoint the error in body chemistry responsible for this birth defect.
3. **Mental Retardation and Congenital Anomalies.** In mental retardation of unknown cause, research indicated something went wrong before birth, rather than at or after birth. Investigation showed that of 50 children with mental retardation of unknown cause, 42 per cent also had three or more visible structural congenital defects. This association of multiple anomalies is strong evidence that retardation of this type is itself a birth defect.
4. **Knowledge About Defect of the Nervous System.** Information proving clues to diagnosis of a rare hereditary disease of the involuntary nervous system was reported by Dr. Joseph Danais, New York University. Called dysautonomia the condition causes excessive sweating and saliva, skin blotching, hypertension and mental retardation.
5. **Findings Link Birth Defect to Abnormal Enzyme Mechanism.** A rare inherited disease, ataxia telangiectasia, appears to belong to a group of diseases involving hereditary defects in body mechanisms which provide immunity. This was reported by Dr. Robert A. Good, University of Minnesota, who discovered that children with the disease are poor at producing antibodies, are prone to respiratory infections and lymphoid cancers and have an underdeveloped thymus gland, the

IN CASE OF FIRE

At home — Quickly get everybody out of the house.

Call the fire department immediately. (Be sure everyone in your family knows how to call the fire department.)

At public gatherings — Walk, do not run, to the nearest exit. Call the fire department immediately. Keep calm.

APPOINTED MICHIGAN WEEK CHAIRMAN

Albert J. Samborn, Program Manager and News Director of Ann Arbor Radio Station WFAG, has been named Michigan Week Chairman for Washtenaw County.

Mr. Samborn's appointment was announced by Donald R. Lofgren, Regional Chairman for four Southeastern Michigan Counties, including Monroe, Livingston, Lenawee and Washtenaw counties.

Mr. Samborn is a member of the Executive Committee of the Washtenaw County Red Cross, and the Michigan United Fund State Board of Directors. Joining WFAG shortly after graduation from the University of Michigan he assumed his present position in 1951.

OPTIMISTS ENTERTAIN BOY SCOUTS

Twenty-five Scouts of Troop 426, Manchester were guests Monday at the dinner meeting of the Optimist Club at the Emmanuel Church Hall. This is an annual event planned by this civic group.

Following the dinner each of the Scouts were introduced to their hosts.

Ron McNally, local Scout leader presented Bob Lambert, of Dexter, who provided the entertainment during the evening by showing slides of the National Boy Scout Jamboree at Valley Forge last summer.

This was of a real interest to the local club for two Manchester Scouts, McNally and David Schiller were at the Jamboree.

Victims are unable to coordinate their movements.

6. Evidence Ties Up Autos. Community to Chromosome Defects. First evidence connecting abnormal chromosomes with auto-immunity, a process in which the body's defense mechanism gets out of kilter and antibodies are made that attack the body's own tissue, was reported by Dr. Melvin M. Grumbach, Columbia University.

7. Method for Screening Patients with Chromosome Defects. Children with an unusual syndrome involving an extra chromosome were found to have peculiar structures in certain white blood cells. Victims have multiple physical defects and usually die early. Since similar defects occur in other diseases, finding the blood cell peculiarities offers a useful method for diagnosis. This was reported by Drs. Frederick Hecht, E. R. Huehns and M. Lutzer, University of Washington.

8. Disorders Possible with Hereditary Variations of a Single Enzyme. A variant has been found of a blood enzyme which in an abnormal form affects an estimated 100,000,000 people. Called G-6-PD, it is important clinically because most people who have it in deficient form react abnormally to antimalarial and sulfa drugs, and develop acute anemia.

9. Learning How Congenital Heart Defects Develop. Successful production in chick embryos of the two most common forms of congenital heart defects found in man provides fresh clues how the heart develops, normally and abnormally.

MAIN STREET RECEIVES DEGREE

We've had some pretty cold weather in the last week with piles of snow covering the icy covering of two weeks ago. During the week zero temperatures have not been uncommon. But regard of the weather things go along pretty much as usual.

On Wednesday there will be the Adult Farmer Discussion group meeting at the Ag Room in the High School to hear Don Johnson about Pesticides and their recommended usages in agriculture. Next week is National Boy Scout Week. We are not sure if there special plans here or not, but a Cubbers Roundtable District committee meeting will be held in the Nellie Ackerson School on Tuesday, Feb. 17 with a dinner at 6:30 p.m.

Alli Ann Ayres, took time from her Locker Business, to spend ten days at Grossinger's, New York to help with plans for the 1965 National Convention of the Modeling Association of America which will be held April 4th through the 7th. She is executive secretary of the Association.

Fashions play a large part in every day living—even in a small town. Keeping up with the times is no small job. We were glad to learn that Dorothy Moore and Jackie Johnson will attend the 4th American Beauty and Fashion Show at the Sheraton-Cadillac Hotel in Detroit on February 14, 15, and 16. The Dorothy Mae Beauty Shop will be closed Monday and Tuesday, Feb. 15 and 16th of this is in the way of progress — to make the ladies look their best.

The March of Dimes Campaign report isn't quite complete at this time and the general chairman, Mrs. Richard Kuntz asked us to hold the story for a complete report next week. But up at the Manchester Drug Store the Coffee Day to raise funds for the March of Dimes was the most successful yet. When the canister was opened there was \$30.84. The most previously collected was \$27.86. This time Gladys Miller gets the tree cup of coffee for a week. She used the nearest to the correct amount—with a guest of \$30.00. It might be well to note too, that the Manchester Laundromat helps in this affair and furnishes some of the donuts.

For those who are interested there is still time to make a contribution for the family of "Butch" Drumhiller, who died Monday of a short illness. "Butch" drove the lavender racing car at the Manchester Motor Speedway the three years that the Speedway has been open. His car was #0. He leaves a wife and three small children. If you are interested, contact Veryl Schill for further details.

At the University of Detroit Law School Peter A. Kensler, son of Mr. and Mrs. Erwin Kensler, Manchester, a Juris Doctorate Degree was conferred by the faculty. This honorary degree is presented to outstanding students of their class.

Pete graduated from Manchester High School in 1957 and first attended Jackson Junior College, later transferred to the University of Michigan where he received his Bachelor of Arts Degree in June 1961.

He then entered the University of Detroit Law School where he received his Juris Doctorate Degree.

His parents will entertain a reception in his honor on Sat. February 6, 1965 for friends and relatives at the K. C. Hall.

New Machines

Postmaster Marvin Kirk said today that he has received word from Postmaster General John A. Gronouski in Washington, D. C. that a big "breakthrough" has now been made on electronic machines to "read" ZIP-coded addresses on mail.

The Postmaster General said he expects to begin installing these sophisticated new machines in major post offices starting in about a year, the postmaster explained.

Mr. Kirk said each machine will be able to sort, as well as read, at the rate of 35,000 letters an hour.

The offices to get the address readers have not been announced, but the local postmaster said they will have significant effects on the mail in and out of each community regardless of whether it gets the new machines.

This is because they will speed incoming mail to smaller offices from major cities and step up the dispatch of mail deposited in smaller communities but which must be processed enroute at major mail sorting plants.

The postmaster emphasized, however, introduction of the seeing eye device next year does not mean ZIP Code isn't useful already.

"ZIP Code," he explained, "is important in mail handling under a system of mail processing already in use which will continue to be in use as the basic system at most points. These machines will be just another step-in conjunction with the mechanical mail sorting machines we have developed to help keep pace with the growing volumes of mail. Neither will the machines endanger jobs—they will only help us meet mail expansion with minimum manpower expansion."

The seventy-piece high school band will present the annual variety show at 8:00 p.m. Friday, February 5th in the high school gym. The show is under the direction of Manchester Band Director, R. C. Sorror. Roger Morrison, vocal instructor at the school will present this Varsity Choir.

There will be several others appearing on the program and heading the list will be the Manchester Teen Band, the Del-Tinos. They made a similar presentation with him at the Youth Center at Ann Arbor.

And the Del-Tinos were slated at the street dances in Manchester during the summer. They admit that one thing baffles them. When ever they play in the surrounding towns the "kids scream and holler and really eat up this stuff—but here at home—it is just the opposite," according to Mike. "I wish our local teenagers would give us the support the others do."

The Del-Tinos don't use sheet music. They play by ear, although they read music. They rearrange songs to suit their particular style and have composed a few songs such as "Cheatin'" and "Stretch Out".

They get a real kick out of playing and have never had any serious disagreement. They are congenial and enjoy nothing better than getting out all of their paraphernalia, which includes not only the electric guitars, drums and cymbals, but also three amplifiers to give "depth" to their songs.

Mike is the lead singer but is supported by Doug and Rusty in the vocalizing of some of the numbers, too.

The Variety Show is one of the two events sponsored by the Band Boosters Club and again the Boosters will be selling their famous "Marble Candy" before and after the performance. Money from the shows and candy sale go to help buy uniforms for the band members, scholarships to Interlochen and other band projects.

Farm-City Night Draws Crowd

About 150 people gathered at the Saline High School to hear Dan Reed, Legislative Counsel for Michigan Farm Bureau talk on the population explosion in the state.

He stressed the importance of the rural and city people cooperating to help the welfare of everyone and told of the importance of working together because everyone is dependent on each other.

He also noted that the farm surplus that everyone talks about would never feed the world.

It amounts to only about three percent of the production.

He did mention that the farmer could produce more if there could be a way to work out production problems.

Dinner was served by the Farm Bureau Women's Committee.

Susan Schmebl of Dexter and Ronald Van Meter told of their experiences at the Camp Kett program.

LIBRARY CONTEST TO GET UNDERWAY

An additional effort is being made to stimulate interest in books by the Manchester Elementary Junior High School Library. The contest is being conducted according to a Valentine's Day theme.

Interested students are being asked to research history and literature books in an attempt to match famous people romantically. Basic clues have been presented on the bulletin board—the research and matching is left to the contestants.

The student turning in the nearest and most accurate set of answers will be presented with a gift. The winning student may select any article of their choice with a value not to exceed five dollars and the expenses will be covered by one of the many active library supporters.

The librarian, working with mothers, has set up this contest to promote an interest in the fine selection of books the library offers.

DATE CHANGE FOR PTA MEETING

A joint meeting of the Parent Teacher Groups from Manchester and Pleasant Lake will be held on Tuesday, February 9 with a pot-luck dinner scheduled for 7:00 p.m. at the Pleasant Lake School.

Engagement Told

Rev. and Mrs. John F. Price announce the engagement of their daughter, Carol Ann, to Russell Buss, son of Mr. and Mrs. Erwin Buss of Manchester. Miss Price is attending Eastern Michigan University and Mr. Buss is a student in the Engineering College at the University of Michigan.

Both are graduates of Manchester High School.

No date has been set for the wedding.

COMING EVENT

World Service Day will be held Sunday, February 7th at the Sheldon EUB Church.

TO MEET

There will be a ministers meeting of the United Church at the West Adrian United Church on Monday, February 8th.

Carol Ann Price, daughter of Rev. and Mrs. John F. Price, is engaged to Russell Buss, son of Mr. and Mrs. Erwin Buss of Manchester.
