### LIVESTOCK MEETING SET FOR MARCH 3

The Washtenaw-Wayne annual District meeting of the Michigan Livestock Exchange will be held on Wednesday, March 3 in Rooms 1 and 2 of the County Building in Ann Arbor at 5:00 p. m.

According to Herbert Diable of Ann Arbor, District President, this year's program will highlight marketing trends and the role of cooperatives.

Also on the agenda is election of officers and delegates for the state annual meeting on March 13 at Lansing.

Following the meeting refreshments will be served.

### RETURN FROM FLORIDA

Mr. and Mrs. LoReno Steele and Mr. and Mrs. Charles Miller returned last Thursday after a trip to Florida. Among the places of interest they visited were the Cypress Gardens, Silver Springs, Marine Land, Daytona Speedway and other points of interest.

### IRON CREEK MISSIONARY MEETS AT CHURCH

The Iron Creek Missionary Society met at the church Thursday for their regular meeting.

In the morning sewing was completed on some of the projects and other work started.

About 12:30 noon a bountiful dinner was served with Mrs. Blanch Norgaard the chairman.

In the afternoon at the business session plans were made for the "World Day of Prayer" to be held Friday, March 5th at 2 p. m. at the Iron Creek United Church.

A fellowship hour will follow the service.

### BACK FROM HONDURAS

Mr. and Mrs. Howard Higgins have returned to Stevensville after a two week plane trip to Honduras where they visited their daughter and family, the Rev. and Mrs. Gus Kueher and son Scott. They stopped enroute home to spend a day with his brother and wife, Mr. and Mrs. Norman Higgins.

### 1965 FEED GRAIN PROGRAM

Advance payments again this year are available to growers signing up to participate in the feed grain program. Frank Light, chairman, Agricultural Stabilization and Conservation State Committee, has announced. Similar payments were available under the 1964 program.

Referring to the 1964 program, Mr. Light said, "There are some 34,663 Michigan farmers enrolled in the feed grain program in 1964 who diverted 599,334 acres from grain production. The feed grain program reduces over-production and places additional Michigan land in soil conservation and in natural wildlife habitat."

The advance payment will represent one-half of the estimated total diversion payment to be earned under the 1965 program. The balance of the diversion payment and all of the price-support payment earned under the program will be made next fall.

The 1965 feed grain program again covers corn, barley and sorghum. Participants in the program may qualify for a payment for diversion of eligible cropland to approved conserving uses. Each farm has a total feed grain base, representing the combined acreage of the three feed grains grown on the farm. A producer may divert one or more of the feed grains, and his diversion payment will be based on the per-acre rate which applies to the grain diverted. Minimum diversion under the program is 20% of the total grain feed base; maximum diversion is 50 percent of the base or 25 acres if this is more.

While participation in the 1965 feed grain program is voluntary, the price support payments and loans as well as the diversion payments will be available only to growers who sign up and carry out the program's provision. Sign-up for the program started Feb. 8 and will continue through March 26. The Washtenaw County ASCS daily office hours are 8:00 a. m. to 4:30 p. m. Monday through Friday. Mrs. Stump, office manager announces that the additional office hours during the Feed Grain sign-up period are: Wed. night March 17 until 8:30 p. m. and Saturdays, March 6, 13, and 20 from 9:00 a. m. to 4:00 p. m.

Pittsfield Township is opposing the annexation because the area to be annexed contains township land that would be surrounded by the city. The township is claiming that formation of such "islands" is illegal, counting on the decision of a Kalamazoo circuit court judge.

Ann Arbor city board member John Reynolds, attempted to revive the matter after the motion to remove it from the table had failed, and said the board must act at some time to set an election date. He said that by tabling the matter the board had cost the taxpayers of Ann Arbor some \$5,000, the price for a special election. He said the petition for annexation was proper and the board was obliged to act on it.

Reynolds asked some of the township supervisors to explain their position. No one answered. Board Chairman, Curt Will asked what had been gained by tabling the action. This question was not answered.

### REGISTERED HOLSTEIN HERDS CLASSIFIED

The herds of 6 Registered Holstein breeders in this area have been classified for body type by Ronald C. Chapman, Emmetsburg, Iowa, an official inspector for the Holstein-Friesian Association of America.

The results are as follows: Leonard Burmeister, Leo-Bur Farm, Ann Arbor, 24 animals classified -12 "Very Good" and 12 "Good Plus"; Elton Frey, Ann Arbor -28 animals classified-1 excellent, 9 "Very Good", 16 "Good Plus" and 2 "Good"; George Macomber & Sons, Ann Arbor-33 animals classified- 3 Excellent, 11 "Very Good", 16 "Good Plus" and 3 Good.

Jack Budd, Budd Farms, Belleville-41 animals classified- 1 excellent, 16 "Very Good", 21 "Good Plus" and 3 "Good"; Norman Randall, Manchester-30 animals classified-16 "Good Plus" and 14 "Good"; David R. Gordon, Saline-29 animals, Classified-1 Very Good, 11 "Good Plus" and 14 "Good."

### WASHTENAW COUNTY MAN ELECTED

Howard G. Minier, engineer-director of the Washtenaw County Road Commission has been elected a director of the American Road Builders' Association, it was announced at the association's 63rd annual convention in Washington, D. C.

### Supervisors Block Annexation Vote

A special meeting of the County Board of Supervisors to reconsider placing the George V. Airey annexation proposal on the April election ballot proved fruitless as the question was left "on the table."

This was the final opportunity the board had to place the proposal on the April ballot.

Balloting on the question of removing the proposal from the table followed the "urban-rural" split of the board. Only Ann Arbor Township Supr. Chas. Stuart voted with the 15 representatives from Ann Arbor and Ypsilanti. Two Saline board members voted with the township supervisors to help defeat the motion 21-16.

A week earlier at the regular meeting of the supervisors the board had tabled the question 17-16.

Airey had petitioned the board to set an election date on the question of annexing 245 acres of his land in Pittsfield Township to Ann Arbor. The property is south of his Lansdowne sub-division, bounded on the south by the I-94 Expressway.

Pittsfield Township is opposing the annexation because the area to be annexed contains township land that would be surrounded by the city. The township is claiming that formation of such "islands" is illegal, counting on the decision of a Kalamazoo circuit court judge.

Ann Arbor city board member John Reynolds, attempted to revive the matter after the motion to remove it from the table had failed, and said the board must act at some time to set an election date. He said that by tabling the matter the board had cost the taxpayers of Ann Arbor some \$5,000, the price for a special election. He said the petition for annexation was proper and the board was obliged to act on it.

Reynolds asked some of the township supervisors to explain their position. No one answered. Board Chairman, Curt Will asked what had been gained by tabling the action. This question was not answered.

### WASHTENAW COUNTY LIVESTOCK BANQUET

The Washtenaw County Livestock Banquet will be held on Wednesday, March 10 at 7:30 p. m. at the Chelsea High School.

This annual event is sponsored by the Washtenaw County Livestock Council to highlight the importance of the livestock industry in the county.

Following a roast beef dinner, Mr. Waldo Johnson of Adrian will present a program "Riding High in India" featuring a marred film of his travels in India. Mr. Johnson is widely known for his programs of far away places.

To complete the program, door prizes, contributed by county merchants, will be given to lucky ticket holders. Tickets are available from all county banks, elevators and many other business places. Also, all livestock Council members including Leroy Heller, Carl Heller, Leuben Lesser, Jr., John Brooks, Lloyd Grau and Loren Koenigeter of Chelsea; Bill Nixon, Art Poletsky and Harold Guenther of Dexter; Max Ross of Saline, Herb Hubble of Ann Arbor and Les McCalla of Manchester.

### COUNCIL NOTES

Council meeting was called to order by President Benschneider. Trustees present were Clark, Dorff, McGuire, Koebe, Grossman and Lowery.

Minutes of the previous meeting were read and approved. Claims were presented and received from the proper funds.

Moved by Clark and supported by McGuire that removal permits be granted D. E. Limpert subject to the approval of the building inspector. All Yeas, Carried.

Moved by Clark and supported by Dorff that Bruce T. Daniels be designated as the single administrator for the Village of Manchester in all transactions with the State Highway Commission as provided in Section 13 of the Act. All Yeas, carried.

Mr. Jacob Driker of the Development Planning Co. of Pontiac, Mich was present to advise the need of a planning Commission for the Village of Manchester, also present were Allen Schaffer, Dan Boutwell, Millard Uphaus, Ray Tirt, Edward Gallowsay and Donald Davis.

Hearing was opened for the approval of the general budget for the fiscal year ending March 1, 1966.

Moved by Clark and supported by Lowery that the Budget be approved. All Yeas carried.

Moved by Koebe and supported by Grossman that we adjourn. Carried.

### SCHOOL SAVINGS PROGRAM ENDORSED BY POSTMASTER

Postmaster Marvin Kirk said today that he had just been instructed by Postmaster General John A. Gronouski to extend all cooperation possible to students, educators, bankers, and others in promoting and serving the Treasury's School Savings program in Manchester.

"I am pleased to carry out Mr. Gronouski's instructions," he said, "because any program which stimulates young Americans to save these days, is for the good of the country and for themselves."

The School Savings Program during World War 11, he noted, provided one of the most effective instruments for teaching thrift and good citizenship.

An adequate supply of Savings Stamps and books and promotional material, he said, will be on hand to meet the needs of the students and the community in carrying out the Stamp Consignment plan.

The Stamp Consignment plan, has in the past, greatly eased the burden borne by our school systems. The plan eliminates the financing problems of the school savings program which our schools have had to handle.

### ART EXHIBIT TO OPEN AT LIBRARY

At the Manchester Township Library Board meeting Monday night, plans were completed for the Young People's Art Exhibit which will open March 6. Mrs. Robert Kuhl is the instructor for these classes. The finale of the Exhibit will be an Open House at the Library on March 28 from 3 to 6 p. m. Mrs. Richard Kuntz will be chairman. People are urged to drop in at the library each week during the show, since it is to be a rotating collection.

Due to requests from out the county residents who wish to use the library a new ruling was made to allow these people this privilege. An individual fee of \$2.50 plus an initial fee of \$2.50 for book loss (which will apply as the second year's fee if there are no losses) was recommended. A family fee of \$5.00 with a similar \$5.00 book-loss-fee may also be had.

The annual meeting of the library board will be March 29 at 8:00 at the library.

The Michigan State Library in Lansing has introduced a Periodical Program for all libraries in the state through the Library Services Construction Act. As a result 40 different magazines are now available at the local library. As usual the Reader's Guide is available for reference use for all of these. The magazine files are available for three years back for over twenty of the magazines.

### TB TESTING HERE MARCH 8

Tuberculin testing of ninth grade students in Manchester public and parochial schools will be given request cards this week for the annual tuberculin testing program slated March 8-17.

In Manchester testing will be at 1:00 p. m. Wednesday, March 10 and the Reading Date has been set for early Friday, March 12.

These cards must be signed by either parent or guardian and returned to the school in order to have the student participate in this program sponsored by the Medical Society, the Tuberculosis Association, and the Washtenaw County Health Department.

This year two skin tests of different sensitivities will be offered. These will indicate whether the person has been exposed to tuberculosis germs.

Testing will be at the Manchester High School Wednesday at 1 p. m. on March 10 with the reading date Friday in the early afternoon.

### SILVER WEDDING ANNIVERSARY

A silver anniversary reception and open house was held for Mr. and Mrs. Lowell Spike of 3260 Sharon Hollow Road on Sunday, Feb. 28 at their home.

Mr. and Mrs. Peter Spike of Ames, Iowa, Miss Karen Spike of Pontiac, Douglas, Philip and Marjorie, children of the Lowell Spikes were hosts for the occasion.

Mrs. Roy Bile and Miss Janet Bird helped serve. Mrs. Ruth Sout cut the cake which was made by Mrs. Bernard Kemmer. The guest book was in charge of Marjorie Spike. Guests numbering about 100 from Mt. Pleasant, Claire, Owosso, Detroit, Ypsilanti, Saline, Jackson and Milan as well as the Manchester area attended. The couple received a number of lovely gifts.

### County Digs Out From Record Snow; Clamps On Restrictions

At this time Washtenaw County is no longer plagued by snow clogged highways. But the threat of floods will keep men busy working on the roads.

Howard G. Minier, engineer-manager of the Washtenaw Road Commission said that last week's storm cost the county approximately \$30,000.

"Now that we have a hole through on all roads in the county, our new problem will be water," Minier reported.

He warned that water causes real problems here and urges that rural residents lay in supplies of food and fuel as quickly as possible because of the record flooding of secondary roads. The engineer-manager looks for this to be a "real rough spring."

Minier said the Road Commission plans to impose spring weight restrictions on all county roads at 6 a. m. Thursday. No truck, tractor or tractor with trailer, nor any combination of such vehicles with a gross weight loaded or unladen in excess of 5,000 pounds should exceed a speed of 45 miles per hour, and this is to be reduced to 35 miles an hour during the period when reduced loadings are being enforced.

### RED ROSES TO THE VILLAGE COUNCIL

On behalf of the Board of Education, the faculty, and the people who attended the Basketball game last Friday evening, the Supt. of the Manchester Public Schools would like to express sincere appreciation to the Village of Manchester and especially to Mr. Bruce Daniels, Supt. of Manchester streets, for the fine job of clearing the school driveways and parking lot after the big storm.

To express this appreciation without asking for it is a blessing which was very much appreciated. It is one of the fine examples of community spirit and cooperativeness that Supt. Swartz has observed since coming to Manchester.

### MRS. SYLVIA JOHNSON CELEBRATES 91st BIRTHDAY

Mrs. Sylvia Johnson who was 91 years on February 27 will be the guest of honor at a family dinner Sunday, March 7 at the home of her nephew and his wife, Mr. and Mrs. Harold Graden of Chelsea.

She makes her home with her brother, Eugene Graden of 1835 S. Parker Road, for whom she keeps house.

She was born in 1874 near New Boston, Michigan and married Robert Johnson in 1893. The couple celebrated their 55th wedding anniversary before his death in 1948. They spent their entire married life in the New Boston area.

After his death she moved to Dexter and to her present home in 1955.

She has been an active member of the Methodist Church for over fifty years. Women of the Dexter Methodist Church joined her on Wednesday afternoon to help her celebrate her birthday.

Minier said the Road Commission plans to impose spring weight restrictions on all county roads at 6 a. m. Thursday. No truck, tractor or tractor with trailer, nor any combination of such vehicles with a gross weight loaded or unladen in excess of 5,000 pounds should exceed a speed of 45 miles per hour, and this is to be reduced to 35 miles an hour during the period when reduced loadings are being enforced.

The maximum allowable gross axle loading between axles 9 feet or over is 13,700 pounds on concrete and 11,500 pounds on blacktop or gravel. When less than three and a half feet, the combined weight should not exceed 13,500 pounds. When spacing between axles is more than three and a half feet but less than nine feet the restrictions are 9,750 on concrete and 8,450 on blacktop or gravel.

Minier said he cannot over-emphasize the "tremendous community spirit" by the rural residents who worked with their tractors and plows of all types to help the Road Commission open the roads.

Their wonderful cooperation is surely to be commended and the Road Commission wants to publicly thank them all. They worked voluntarily last Thursday, Friday and Saturday in the mountainous snow removal job and often times helped to extricate commission trucks and plows that became stuck at the height of the emergency operation," he pointed out.

The important thing now seems to be general preparation and getting in supplies in the event of flooding or icy roads. The spokesman for the commission hopes that everyone will continue their fine spirit of cooperation in the weeks ahead.

During the storm the Road Commission was called on to clear out a road so that a patient could be taken to the hospital to have a broken arm set. They were also called by the State Police to help clear the road for the fire department to get through to the George Boomer farm on Burmeister Road.

The Road Commission spokesman said he expressed the feeling of the entire department when they say "thanks" to everyone who so willingly helped in the time of crisis.

### HOW TO KEEP TAX REFUND BUSY AND GROWING

When you get your '64 tax return form, take a look at Line 21 on Page 1, if you're using 1040, or Item 11 if you are using 1040A. You'll find how to hang on to your tax refund, if you're lucky enough to have one coming.  
Those lines, if checked, can lead to a firm foundation for added security. Which form you use doesn't matter (both give the same option of taking refunds on the money in U. S. Savings bonds); which line you check does.

When you check the savings bond line, you automatically assure yourself of two advantages: You provide an easy way of hanging on to your money and a sure way of making it grow 33-1/3 percent bigger at maturity.  
Here's how the check-mark goes to work for you: If you're entitled, for example, to a refund of \$42, you'll get a \$50 face-value series E bond (cost \$37.50) plus a check for \$4.50.

Think it over. And, if you haven't started that regular savings program you've been promising yourself, here's a good chance to get at it with ease, merely by checking the savings bond box on your tax return.

### TUBERCULIN TESTING BEGINS MARCH 8

The annual tuberculin testing program, sponsored by the Washtenaw County Tuberculosis Association and County Medical Society is slated for March 8-17th for 9th grade students and adult school personnel of all schools, public and parochial.

In Manchester the testing date is Wednesday, March 10 at 1:00 p.m. Reading date is Friday, March 12 in the early afternoon.

This week request cards will be given to all ninth graders. The cards must be signed by parent or guardian and returned to the school in order for the student to participate.

This year too, there will again be two skin tests of different sensitivity offered. These will indicate whether the person has been exposed to tuberculosis germs. There is no charge for the service.

The results of the skin tests will be read two to three days after the tests are given. A positive skin test does not mean that a person has active tuberculosis. It does mean that further studies are needed.

Arrangements for further examination of individuals with positive tests will be made by the Health Department.

Last year 1721 ninth grade children (about 60 percent of the Washtenaw County 9th graders) were given skin tests. Also tested were 438 adult school personnel.

Parents are requested to sign the request slip if they wish their child to participate in the tuberculin program.

Parents are requested to sign the request slip if they wish their child to participate in the tuberculin program.

### PLAN MEETING TO HEAR FAMILY SERVICE GROUP

Representatives from church and civic groups of the area have been asked to meet at the Manchester Library at 8:00 p.m. Tuesday, March 9 to hear officers of the Dexter United Family Service Agency explain their organization and how it meets the needs of their community.

The women who will lead the discussion are from the original volunteer group of twelve who organized the service in Dexter in 1958 following a local disaster.

Mrs. Louis Vogel, Freedom Township and Mrs. F. M. Reck, Manchester Red Cross Chairman will explain how such an agency can become the joining link between all of the governmental and social agencies that are now available to our citizens.

## 'ROCK HOUNDS' INVITED TO MEETINGS

The State-Line Gem and Mineral Society extends an invitation to all Manchester residents interested in rocks and minerals to attend their meetings held the first Sunday of each month at 2 p.m. in the Tecumseh Community Center in Tecumseh (the Former Ford Motor Co.).

This club is a family club and numbers their membership by families rather than by individuals. If you have rock collecting kids, be their guests and share their fun. You will like it too.  
For more information contact Mr. and Mrs. Clara W. Knasus Sr., members of the club.

The program for the Sunday, March 7 2 p.m. meeting will be presented by Mr. and Mrs. Quint of Livonia. They will demonstrate the arts of making both doublets and triplets. (These are cabochons formed in layers.)

Their program will be so complete that they ask for an hour and half set-up time before the program is to start.  
They urge that everyone bring their children and ask that the science teachers in the area announce this program in school so that young people who are interested can attend.

Their work was displayed at the Midwest Convention Show in Muskegon this year and at the Jackson Show.

Since the weather was so bad the evening the Quints gave their demonstration in Jackson, for the Jackson Club and ours, as guests, our club has extended an invitation to them to come to our meeting, March 7.

**FIRE DEPARTMENT CALLED**  
The fire department was called to the Double A Parking lot Monday afternoon when it was discovered that the upholstery in the front seat of the Don Dorff station wagon was burning.  
The covering on both the seat and back of the front seat will have to be replaced. Cause of the fire is not known.

**CARD OF THANKS**  
We would like to thank all of our kind friends and neighbors for all their thoughtfulness extended to us during the illness and death of our beloved father, Paul Sokolowski. Special thanks to Rev. Fr. Edward Kalinowski for his comforting visits to the hospital; they were very much appreciated.

## MRS. FRANK TIRB HOSTS CLUB

The Twentieth Century Club met at the home of Mrs. Frank Tirb with 19 members present. At that time Mrs. Stanton Roesch appointed Mrs. F. Tirb chairman of the nominating committee for new officers for next year. Working with her will be Mrs. Walter Vogt and Mrs. Ted Tapping. Mrs. Harry Sutton was appointed chairman of a committee to study the by-laws and constitution of the Club. Working with her will be Mrs. Alvin Kappler and Mrs. Fred Lee-man.

The program, "Progress toward international understanding," was presented by Mrs. F. M. Reck. She discussed three roadblocks to international understanding—political unrest, the traditional self-sufficiency and provincialism of the United States, and the language barrier.

Against these unfavorable factors she gave a brief survey of an impressive list of organizations and foundations sponsoring international movements of goodwill ranging from the International Farm Youth Exchange to the Peace Corps to the Michigan Youth for Understanding.

The program concluded with a showing of the film strip, "They Learn by Doing," a picture story of the rural youth clubs in this country, by F. M. Reck.

This was a picture story of the rural youth clubs in Latin America modeled after 4-H Clubs in this country. With U.S. technical assistance, 4-H clubs have been established in eighty countries around the world, creating a favorable image for the United States in every nation where they are in operation.

Refreshments were served by Mrs. Tirb and Mrs. Dan Boutell. The next meeting will be Tuesday, March 9th.

B & PW SETS STAGE FOR DRIVE

Many people have questioned the Why and Wherefore of the Citizens' Scholarship Foundation of Manchester and before the Kick Off of this year's drive some questions should be cleared.

Manchester is one of 144 community communities throughout the nation that belong to the Citizen Scholarship Foundation of America, Inc.

Manchester with a population of approximately 1800 collected \$1,300 and gave three scholarships.

The Scholarships are called "Honor Loans" and it is hoped that the students will want to help support the project that helped them.

This is a new project and until it is built up and support is given through repayment the organization is compelled to keep asking for more funds.

Any student who needs assistance is eligible to enter any college, university or trade school.

There are no set qualifications set by the organization. If a student qualifies for entrance into the school of his choice he qualifies for a scholarship loan.

The amount the student can receive depends on the amount he needs. Maybe he needs it for tuition or maybe just a small amount for books.

A student who applied for a grant last year can return a second year for additional assistance if the student needs it and if the funds are available.

The money does not have to be repaid in a lump sum. It does not matter whether it is paid in \$5.00 amounts or in a \$50.00 amount.

The local Business and Professional Women's Club receives no monetary reward for the work the club does on the project.

The local Business and Professional Women's Club receives no monetary reward for the work the club does on the project.

STEWARDSHIP PROJECT WINNERS NAMED

Forty young people of Emanuel submitted entries in the annual Stewardship Project. Those judged best are being submitted to the Michigan Conference of the United Church of Christ and from there the winners will be submitted to the National Contest.

Categories included poems, essays, plays, posters and hymns. The subject was "Being a Christian in a Big City".

Local winners in the poster division were: Group A-Linda Walter; Group B-Christina Diehl and Rebecca Merr; Ronald Frey's essay was judged best and Randy Fielder and Carol Howe were winners in the poem division.

Committee in charge were Mrs. Norman Fielder, Mrs. Allen Alber, Mrs. LeRoy Marx and Mrs. Marie Scheuer.

SORORITY MEET AT DEARBORN INN

APPROVES BUDGET LISTENS TO PLANNER

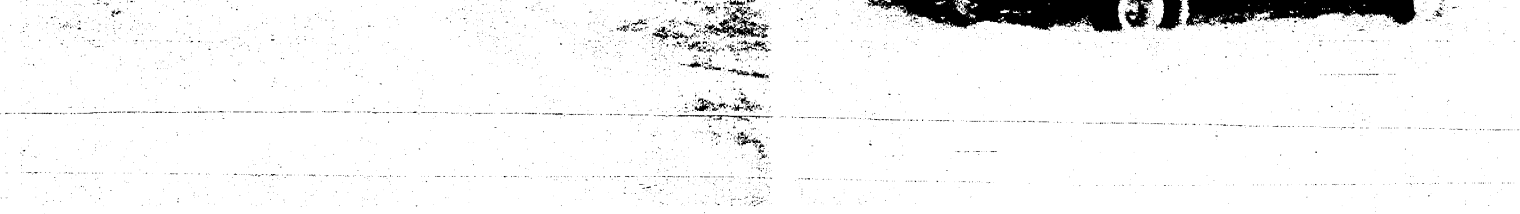

Manchester Council at Monday's meeting approved a \$94,770 budget with a \$1,000 gain in tax revenue due to new buildings and homes being constructed here.

The biggest change in the budget is an appropriation of \$7,000 for the village to purchase the railroad right of way.

Councilmen listened to Jacob Driker of the Development Planning Company of Pontiac tell about the need of a planning commission for the village.

The Pleasant Lake PTA will meet Tuesday, March 9 at 8:00 with the election of officers.

LENTEN SERVICES

Lenten services will be held every Wednesday at 8:00 p. m. during Lent at the Emanuel Church. The Women's Fellowship will follow the March 10 Lenten Service.

COMING EVENT

The Hills and Valley 4-H Club will meet Monday, March 8 instead of Tuesday at the home of Marilyn Peam at 15600 East Austin Road.

Don't rinse the soap out of your kitchen sponge. You can save "scent suds" for wipe-ups by merely dampening the sponge again.

The custom of drinking wine with meals is becoming more popular all the time, but many people are confused by the so-called rules concerning what wines to serve with what foods.

Traveling with children usually means sticky fingerprints on car upholstery and windows. Keep a damp washcloth in a plastic bag for quick hand-and-face cleanups after cookies and ice cream cones.

Fielder and Carol Howe were winners in the poem division. Committee in charge were Mrs. Norman Fielder, Mrs. Allen Alber, Mrs. LeRoy Marx and Mrs. Marie Scheuer.

LUNCHEON STYLE SHOW SET FOR MARCH 20

"Dollars for Scholars" is the pet project of the Manchester Business and Professional Club as they made final plans for the luncheon and style show set for 1 p. m. Saturday, March 20 at the Civic auditorium.

Mrs. William Purfield, president of the Citizens Scholarship Foundation of Manchester was hostess at the Monday meeting of BPW.

Other officers of the local chapter of the "Dollars for Scholars Foundation" are Mrs. Otto Timmerman, vice chairman; Mrs. Paul Kappler, secretary; and Lee Craighton, treasurer.

Guest speaker of the club was Dr. William Purfield whose topic was "Aging".

During his informal talk he told the group how necessary it is for people to develop some type of hobby during the years when they are very busy.

The doctor suggested some very basic things which people can do daily to have better health during the "golden years".

He mentioned some of the reasons why smoking is so damaging to the human system and cited specific examples.

Dr. Purfield mentioned the importance of unsaturated fats in the daily diet and the necessity of moderate exercise.

Mrs. John Walz will be the hostess at the April 12 meeting which will be the annual election of officers.

PTA ELECTS OFFICERS

Mrs. Willis Uphaus was elected president of the Pleasant Lake Parent-Teacher Association on Tuesday night.

Mrs. Gilbert Luckhardt is the new Mother vice president and Mrs. Lynn Vogeding is the corresponding secretary.

LIGHT VOTE IN ELECTION

Ninety-five voters went to the polls Monday to vote for the one slate of officers in the Village Election.

On the Progressive ticket, Eugene Bentschneider was reelected village president with 91 votes.

Edward R. Kirk, also on the Progressive ticket, was reelected village treasurer with 91 votes.

Lyle Widmayer, also on the Progressive ticket chalked up 91 votes for reelection as village clerk.

Also running on the same ticket for trustees were: John Althouse, 89; Robert Lowery, 90; and Gale Koebbe 91. All were elected.

Russell Widmayer was reelected village assessor with 51 votes on the Citizen's ticket.

LIBRARY CONTEST WINNERS

Results of the recent Elementary and Junior High Library Historical and Literary Contest are announced by the judges.

Vicki Eisele was the winner of the grand prize for matching properly the most prominent men and women romantically from recorded literature and history.

Others receiving awards for outstanding entries were: Robin Rollier, Randy Fielder, Mike Ahrens, Ethel Kellogg, Laura Ahrens, Jan Huber, Cindy Schiller, Marsha Steele, John Morris, Bobby Walter and Beth Lamb.

Neatness and accuracy were key factors in selecting winners. Vicki chose as her prize book, "The Seventeen Book of Decorating".

The contest was under the direction of Mrs. Mary Blossom, Elementary and Junior High Librarian.

Mrs. Hollie Ayres was named "Outstanding Working Woman of the Year" at the March meeting of the Business and Professional Women's Club Monday at the home of Mrs. William Purfield.

This was the first time that the Manchester Club has honored one of its members since the local Business and Professional Women was organized in 1959.

Mrs. Ayres, a charter member of the local group has actively spearheaded many of its activities; Mrs. Merle Armstrong said as she made the award.

Most important in her contributions to the club is Mrs. Ayres' work in organizing the "Dollars for Scholars" scholarship fund here.

At this time she is executive secretary of the Modeling Association of America and is serving on the executive board of the Michigan Locker Association, the

'JOYOUS' UNEXPECTED VACATION FOR HIGH SCHOOL STUDENTS

High School students get unexpected vacation. School was dismissed Wednesday at 11:10 a. m. because of lack of heat in the High School Building.

No school was slated for Thursday in the High School. High School Principal, Chester Koceski said that the building was warm at 11 p. m. Tuesday night but there was no heat in the building when the head custodian arrived Wednesday morning.

Investigation showed that the motor on the furnace had burned out. Representative from Young & Yost of Milan, who installed the furnace said that the motor would have to be replaced and the company does not stock as large a motor.

Mr. Koceski was unable to say whether school could be resumed in the building on Friday.

JUNIOR HIGH TO PRESENT MUSICAL COMEDY
