ENGAGEMENT TOLD

Mr. and Mrs. Emerson W. Boyce of Lake Shannon announce the engagement of their daughter, Marilyn Coy, to Terry Lee Huber, son of Mr. and Mrs. Erwin Huber of 525 W. Main Street.

The bride-elect is a junior at Eastern Michigan University where she is a member of Alpha Xi Delta. Her fiancé is a graduate of Ferris State College, where he was affiliated with Sigma Phi Epsilon, and is currently employed by the Ford Motor Company in Dearborn.

CANCER DRIVE UNDERWAY IN COUNTY

Mrs. Rolland Grossman of Manchester is the out-county coordinator for the annual Cancer Drive and has named Mrs. Erving Roberts chairman for the Manchester Drive.

A number of coffee hours are being planned to be held later this month.

At this time some 40,000 mailers have been sent out in the county. This doesn't include the Ypsilanti area.

In Manchester the Senior Citizens did the stuffing last Thursday at their meeting in the Emanuel Church Hall. The envelopes were addressed by the Kulenkamp Sisters.

Mrs. Grossman says she is very grateful to the Senior Citizens and to the Kulenkamp sisters for their wonderful cooperation.

Locally the annual Tag Day will be April 24th. The work on this program will be carried out by Mrs. Bernard Kemner and her Jolly Farmerettes 4-H Group who are doing this as a community service project.

*** LETTERS TO THE PUBLISHER**

To The Publisher—
The Manchester Enterprise Recently, Koda's Korner has questioned the judgment of Village citizens for not taking more interest in local government, let alone incumbents to run unopposed in the recent election. You also questioned the Village Council's judgment on a zoning issue, and its decision not to purchase space in the Enterprise for publishing the monthly disbursement list.

You have pictured the Council as a domineering-overpowering group with little feeling for the individual.

I believe there are many who disagree with you, as I do.

We are fortunate to have men on the Council who are devoted to the best interest of the community, who give so much of their time for token remuneration, and have become expert in stretching the dollar—giving us maximum mileage from our taxes.

The electorate has delegated responsibility to a group of capable men who have their "heads screwed on right". They have done such a fine job in the past, that we have become lax, and don't feel the need to attend Council meetings. In fact, a representative from the Enterprise hasn't been seen at the Council meeting in the past seven months. So, how can Koda's Korner level criticism on decisions without knowing the basis for the decisions?

The Council is made up of citizens from every section of the Village. It is their community as it is our community. It is their tax dollar, as it is our tax dollar.

They are human and can err. However, they are not too proud to reverse themselves if proven wrong.

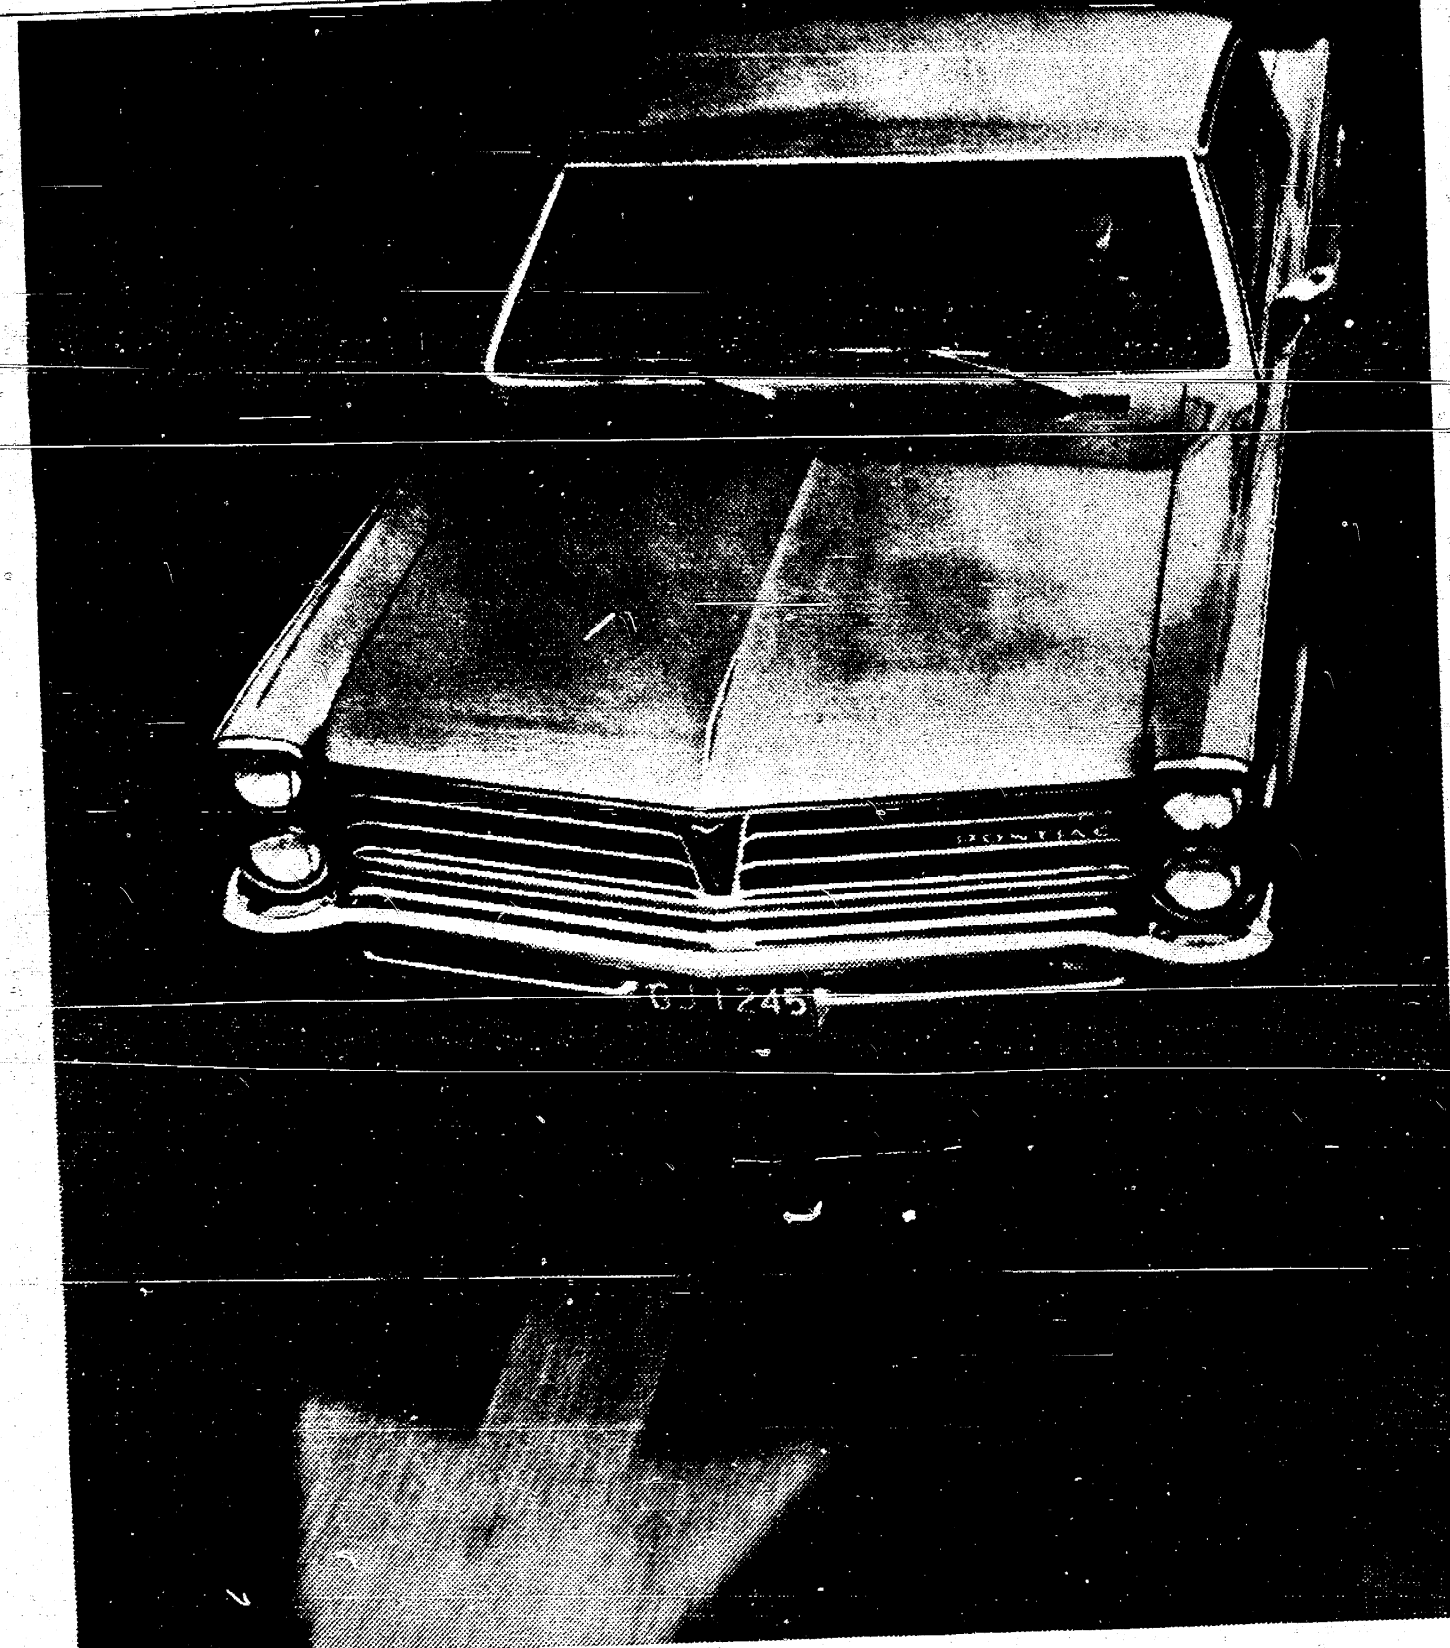

We should thank these men of the Council for the fine job they are doing and their integrity. Much can be said in favor of the zone change request; but the Council has made a hard decision, that such a change would not benefit the village in the long run.

Although I'm not in agreement with the publisher on the content of Koda's Korner recently, I hope all in the community will thank him for giving us a Village paper over some very trying years for the Enterprise.

Thank you, George, for providing the means, so that I might air my feelings.

Who ever heard of an economy tiger?

You did—just now. It's called the Pontiac Tempest. How can a car that's so stingy with gas shoot the works on performance? A zippy six that thrives on regular gas is standard. Feel more tigerish and still want regular-gas economy? Pick the 250-hp V-8. The price? A trifle, as tigers go.

COME TO TIGER COUNTRY! SEE THE NEW BONVILLE, STAR CHEF, SPARK PLUG, CATALAN, G-2, LE MANS, GTO AND TEMPEST AT YOUR AUTHORIZED PONTIAC DEALER.

CLINTON, MICH.

To the Publisher & Manchester Koffee Klutch:

I, like everyone else, would like to see Manchester make a move forward, and Mr. Limpert has a good idea in an apartment project. I do think we are forgetting that ordinances are made to protect all people, and if we start changing for one, we will be forced to make more and more leniencies.

As for citizens being denied facts from the council, I myself have never attended a meeting, but since living in the Village, I have known when meetings are held.

I would feel free to attend at any time. I feel we would all have a better understanding of Village government if we would pry ourselves away from the television a few Monday nights.

KODA'S LAMENT

No more controversial letters for me,
Koda's Korner this week can not be.
My exertion has been tabled,
Now can council be more able?
All will know George has gone,
Let them know, it's not for long.
Can more mistakes be found,
Can one believe there's not more around.
Remissness is creeping in,
Remedy of time will silence the din.

---NOW---

My lady grows tulips, all are green,
My ladies socials will making the scene.
Graduation is near and parents will hear,
Junior has made it for another year.
Box scores will soon appear,
Because little league is near.
Manchester Spring Concert will soon arrive,
Many such stories keep our sheet alive.
And some folks say, "Your life is gay."
By gosh it is. . . . "The hell you say!"

George M. Koda

COUNCIL NOTES

Manchester, Michigan
April 5, 1965

Council met in regular session. Called to order by President Bentschneider.

Prayer was given by Rev. Kuehler.

Trustees present were Clark, Dorff, McGuire, Koebbe, Althouse and Lowery.

Minutes of the previous regular and special meetings were read and approved.

Bills were presented and received from their proper funds.

Moved by Clark and supported by Dorff that bills be paid. All years, carried.

Moved by Dorff and supported by Koebbe that alteration permits be granted Eugene Kaupp, subject to the approval of the building inspector. All years, carried.

Moved by Clark and supported by McGuire that the letter received by George Koda, publisher of the Manchester Enterprise be tabled, and given to the Village Attorney for counsel. All years, carried.

Moved by Dorff and supported by Lowery that letter received from D. E. Limpert be entered in the minutes as follows:
March 23, 1965
D. E. Limpert
115 E. Main Street
Manchester, Mich.
Manchester Village Council
Manchester, Mich.
Attention: Mr. Lyle Widmayer,
Village Clerk

Gentlemen:
As of this date I am applying to the Manchester-Village Council for approval of a class "C" liquor by the glass license. It is my intention to establish a class of restaurant which I believe would be a credit to the community. A class "C" license would enhance the success of this type of business. This proposed restaurant would be located within the established business area would provide off street parking.

Sincerely,
D. E. Limpert

All years, carried.

Moved by Lowery and supported by Althouse that request from Ellis Johnston and Dorothy Johnston for Kenneth E. Aiston and Sherley H. Aiston, being dropped as partners with him on 1964 Tavern & SDM licenses and Dance permit held at 237 E. Main Street, Manchester, Michigan be recommended to the Michigan Liquor Control Commission. All years, carried.

Moved by McGuire supported by Dorff that the president's committees and appointments for 1965 be approved.

Public Works—sewers, water, parks and streets. Basil McGuire, chairman, Robert Lowery and Donald Dorff.

—by Marie Schneider

The last of two railroads through this village, is being torn out this week. This will completely isolate the town of rail service. Ernest Fick, foreman of track retirement, has been in charge of removing the tracks all the way from Hudson to Jackson and Osseo. The rails will be lifted to Clinton in this project, Fick said. His home is in Blissfield.

"Lack of business" was the reason given for removing the tracks of the New York Central. About a mile of track can be taken up a day. A Burra crane is used in the process and about 110 rails can be loaded on one gondola. The rails are 33 feet long and a loaded gondola weighs nearly 60 ton.

Some of the rails are marked 1917 as the year they were put in. Mr. Fick has worked for the New York Central for 39 years and most of that time has been in the demolition work. He said he expected a train would come to the outskirts of town by Wednesday to pick up three more loaded cars.

This was an old railroad and was chartered in 1836 as the Palmyra and Jacksonburg railroad. Its route lay through Tecumseh, Clinton and Manchester to Jackson. Then the line passed into the hands of the Lake Shore and Michigan Southern railroad and operated as the Jackson Branch of that road. In the early days the road had only one station in Washtenaw county—that was in Manchester, which at that time was a flourishing village.

The Detroit, Hillsdale and Indiana railroad was projected shortly after the war and completed through Washtenaw in 1870. That road was taken up more than a year ago in Manchester. That road started in Ypsilanti and ran through Saline, Bridgewater and Manchester and on to Hillsdale.

There was a time in the early 1900's when every half hour trains were either coming into or leaving town and some of the older women remember the problems of trying to dry clothes without having them covered with coal smoke. The automatic dryers have taken care of that problem and the cars and trucks have taken the business away from the railroads. Passenger service by train in Manchester was envy of many communities in the area.

In the early part of this century you could pack your bag and leave for almost any point within an hour—for Manchester even boasted two depots.

During the past year trains have been coming into town two or three times a week at the very most.

Mr. Fick said in his years of taking up tracks people in this small community were the only ones who bothered to stop and express any regret in seeing the tracks taken up.

*** Easter Sunday Special Services**

ST. MARY'S CATHOLIC CHURCH

LEONARD T. GRAY

Funeral services were held at 1:30 p. m. Monday for Leonard T. Gray, 73, of 316 Clark Street, Clinton. He was a life-long resident of the Clinton-Manchester area and died Friday at St. Joseph Mercy Hospital, Ann Arbor, where he had been a patient for nine weeks. He had been in ill health for a year.

Mr. Gray was born March 16, 1892 in Manchester Township, a son of Truman and Jennie Middlebrook Gray.

He was employed for 36 years by the Clinton Village Electric Plant, retiring in 1960.

Mr. Gray married Florence Kern June 12, 1912, in Manchester.

He was a former member of the Eagles Club of Adrian.

He is survived by his wife; a son, Lynwood of Grand Rapids; five daughters; Mrs. Eugene (Rosamond) Wallace of Grosse Pointe Woods, Mrs. Cletus (Mary Jane) Merrill of Holland, Mrs. William (June) Weigle of Jackson, Mrs. Joseph (Hope) Feeney of Middleton, R. I., and Mrs. Russell (Nancy) Hockrabel of Fostoria, Ohio; and a sister, Mrs. Sarah Metzger of Oakhurst, Calif. and 14 grandchildren.

The Rev. Donald Heacock officiated at the funeral and burial was made in Riverside Cemetery.

MRS. WILLIAM SLOAT

Funeral services were held Wednesday for Mrs. William (Maud E.) Sloat, aged 57 years.

She died Saturday night at Herrick Memorial hospital in Tecumseh where she had been a patient for two days.

She was born September 17, 1907 in Carson City, Michigan, the daughter of Chester and Hazel Stone Smith.

The former Maud E. Smith married William Sloat on Nov. 11 1925. They lived all of their married life in Manchester.

She was a member of the Manchester Methodist Church.

Mrs. Sloat is survived by one son, James of Manchester; two grandsons and one granddaughter; and her mother, Mrs. Hazel Smith of Eureka, Montana.

She was preceded in death by two brothers and one sister.

Funeral services were held Wednesday at the Jenter Funeral Home in Manchester. The Rev. Jesse Epps officiated and burial was made in Oak Grove Cemetery.

RE-ELECT OFFICERS AT TWENTIETH CENTURY

All of the officers of the Twentieth Century Club were reelected at the annual meeting last week Tuesday at the home of Mrs. Tom Walton.

They are: Mrs. Stanton Roesch, president; Mrs. Rolland Grossman, vice president; Mrs. Finn Olsen, treasurer and Mrs. Tom Marshall, secretary.

The Spring Luncheon was announced for Saturday, April 24 to be held at the Hillside Club in Plymouth.

Two new members were admitted. They are Mrs. Charles Cresswell and Mrs. Celestia Ingraham.

Announcement was made of the annual Washtenaw County Federation of Women's Clubs to be held in Ann Arbor April 19.

Mrs. Alvin Kappler was named as delegate to the community chest.

Mrs. Finn Olsen, program chairman, introduced her friend, Mrs. Henry Mika of Jackson who gave a very interesting program on floral arrangements. These she illustrated. She also gave some pointers on the care of flowers.

COMING EVENT

King's Daughters will meet Thursday, April 22 at 2 p. m. at the home of Mrs. Robert Novess.

COUNTY FEDERATION TO MEET MONDAY

Washtenaw County Federation of Women's Clubs will hold the spring luncheon and annual business meeting Monday, April 19 at the Women's City Club of Ann Arbor with Mrs. Roy Berry, president of the Federation presiding.

Registration will begin at 10 a. m. and members of the Ann Arbor Women's Club will serve as hostesses.

At the morning session, reports of officers, department chairmen and presidents of member clubs will be followed by election of officers for the coming year.

Luncheon will be served at 12:30 p. m. and entertainment will be provided by the chorus of Ann Arbor Women's Club.

The afternoon program has been arranged by Mrs. Herbert Taylor, who will present Mrs. Helen Fairman of the Michigan State University Cooperative Extension Service, speaking on "Food Facts and Frauds." In the

BIRTH ANNOUNCEMENT

Born to Mr. and Mrs. Gale Koebbe a girl, Mary Ann at Tecumseh Hospital, Tuesday, April 6. The baby weighed seven pounds one ounce.

COMING EVENT

The Koves Corners Study Group of Extension will meet at the Sharon Townhall at 8 p. m. Tuesday, April 20 with Mrs. Alwin Beuerle and Mrs. Paul Feldkamp on committee.

VISITING HERE

PFC Charles Scheil of Ft. Bliss, Texas is on a 20 day furlough with his parents Mr. and Mrs. Floyd Schiel.

TOWNLINER WORKERS 4-H CLUB ELECTS

The Townliner Workers 4-H Club met for the first of their summer sessions at the home of the leaders Mr. and Mrs. Leonard Burmeister at which time they named the officers.

They are: president, Roger Weidmeyer; vice president, Wayne Luckhardt; secretary, Carol Ernst; treasurer, Bruce Haeussler.

Recreation leaders are Gary Ernst and Susan Bommer.

The club voted to have a soft ball team this summer with Arthur Haeussler the club manager. It is hoped that an adult manager will be available.

Arthur Haeussler and Carol Ernst were named to go to Holland on an exchange trip for the club. Refreshments followed. The next meeting will be April 12.

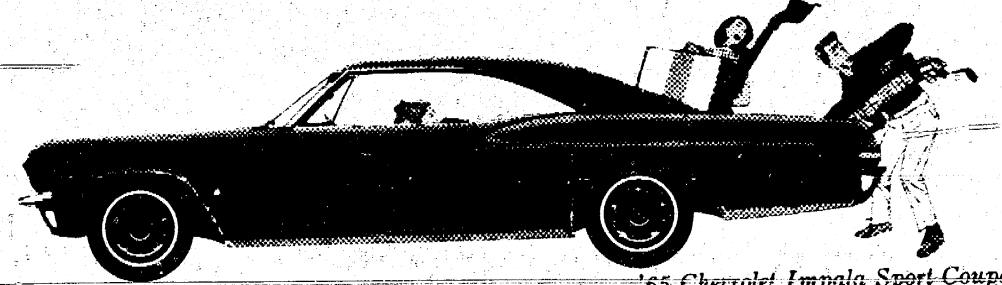

COMING EVENT

The Koves Corners Study Group of Extension will meet at the Sharon Townhall at 8 p. m. Tuesday, April 20 with Mrs. Alwin Beuerle and Mrs. Paul Feldkamp on committee.

COMING EVENT

The Koves Corners Study Group of Extension will meet at the Sharon Townhall at 8 p. m. Tuesday, April 20 with Mrs. Alwin Beuerle and Mrs. Paul Feldkamp on committee.

Zing into spring! in a new Chevrolet

'65 Chevrolet Impala Sport Coupe

'65 Chevrolet Malibu 4-Door Station Wagon

'65 Chevy II Nova Sport Coupe

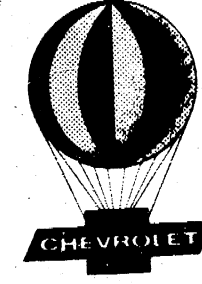

'65 Corvair Corsa Sport Coupe

If you've been sitting tight waiting for just your kind of car, with just your kind of power, at just your kind of price—wait no longer!

Chevrolet. It's a bigger, more beautiful car this year. Which is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.

Chevy II. No car so trim has a right to be so thrifty. But thrifty it is, with money-savers like brakes that adjust themselves and a long-lived exhaust system.

Corvair. Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenacious traction and responsive rear-engine power. And be ready to do lots of listening.

HIGH TIME TO TRADE AT YOUR CHEVROLET DEALER'S

Honors Given to Ex-Teacher

-by Marie Schneider

A retired Manchester school teacher has been named honorary member of the Manchester Township Library. Miss Nellie Ackerson is the second person in the 126 year history of the library to be so honored. The other person was Mrs. Frank Merithew in 1945.

Last week Miss Ackerson had asked to be relieved of her duties as a library board member, saying that she believed that a younger person should have the post.

The library board appointed Mrs. Allen Luckhardt to fill the vacancy. She will serve for one year. The term of office is three years.

Miss Ackerson received the honorary appointment because of her long years of service to the children of the community. Last week she received a letter from the newly formed Michigan Education Association Chapter in Manchester stating that she is the first honorary member of that organization.

Why are these honors organized on Manchester's favorite teacher? She retired in 1959 after teaching 51 years. She had taught four years in rural schools, one at the Schlafler school and three years at Sharon Hollow School before joining the Manchester School system in 1912.

She always taught the third and fourth grades and was principal of the elementary school for many years.

For sometime there were two distinct groups of people past school age in Manchester—those who went to school to Miss Ackerson and those who didn't.

She graduated from Manchester High School. Her father was a Manchester veterinarian. She attended Ypsilanti Normal College where she earned a bachelor of science degree.

Miss Ackerson says that as she looks back it was a "nice age group to teach." Children don't change much. That is not the eight and ten year olds. They are as good today as when she started teaching school. But she believes that children confide more in their teachers today than when she began teaching.

"It is fun to look back and see youngsters today and remember that I taught not only their parents but their grandparents. And I do hope that you will be careful and not put too much of this in the paper," the retired teacher said. "People will get tired hearing my name."

In 1949 the new elementary school building was officially named "The Nellie Ackerson School" where an oil painting of Manchester's beloved teacher hangs in the lobby.

She will be remembered for her art work and admits that in her early years she was torn between a love of art and music and an admiration for the teaching profession. On the black boards of her school room there were always beautiful chalk drawings for the children to look at. This she continued even in the new school building where the black boards were changed to green.

Miss Ackerson says that although she enjoys working at the library and with children, there comes a time when even teachers need a rest.

"All of my life I have attended meetings and had to be at given places at specific times. It seems good not to have to be on a schedule." Last August she retired as organist at the Methodist church, a post she had held for more than twenty-five years.

"There are so many younger ones who can do these things, I feel they should have a chance, too," the good natured teacher concluded.

SPECIAL SERVICES HELD AT SHARON EVANGELICAL UNITED BRETHREN

Special dedication services were held at 10:30 a. m. Sunday conducted by the pastor, the Rev. John Price at the Sharon Evangelical United Brethren Church. Speaker of the day was the Rev. N. C. Liesemer of Detroit, Supt. of the Michigan Conference.

This will culminate a project which began in February 1964. At that time the church board received a letter stating that the country church, located three miles north of Manchester on Manchester-Chelsea Road, had been named to receive a sizeable amount of money from the estate of Bennett C. Root. Mr. Root had been cashier and president of the Union Savings Bank for many years.

There was one stipulation in the will, relative to the way in which the money left to two churches was to be used. It was earmarked for capital improvement. Mr. Root also left a part of his estate to the Manchester Methodist Church of which he was a member. Other civic projects were included such as Carr Park and the school.

Church Board members say they could only speculate if they attempted to give a reason for leaving funds to the 152 member church.

A committee, Roy Clemons, Michael Frey, Mrs. Ruth Sott, Mrs. Laurel Breitenwischer, Mrs. Robert Pratt, Clarence Voegeding, and Rev. Price were named to a "furnishing committee." The church needed many things. It was built in 1876 of brick and since that time there have been many additions, both to the exterior and the interior.

After a thorough study it was decided to buy new chancel furniture. All was in Gothic design, light oak to match the recently purchased organ. Carved wood in the front of the new altar is inscribed, "This Do In Remembrance of Me". There is a new Communion rail, pulpit, lectern, choir pews, and a brand new piano, pulpit, chairs and other smaller articles.

The Women's Society of World Service of the church bought all new hymnals and other groups and members made contributions, such as Missal stands, flower stands, Christian and American flags and a Memorial Book.

All were dedicated Sunday and special music was furnished by the two choirs directed by Mrs. Harold Steinsway and Mrs. Lynn Voegeding. Mrs. Robert Pratt played the organ.

Several pastors, who formerly were at the Sharon Church were present with their wives. Among those who spoke were Rev. A. A. Weinert of Dearborn, Dr. W. H. Watson of Blissfield, retired Supt. of the area, Rev. George Spitzer of Ann Arbor. Mr. and Mrs. J. C. Hendley were also present and Mr. Hendley spoke briefly on behalf of Mrs. Root who was unable to be present for the dedication.

SPRING FESTIVAL TO BE PRESENTED

A series of three concerts will be given this spring by Manchester School Music groups. On Friday at 8 p. m., April 23 in the High School gym, the Manchester High School Band and the Shipshewana High School Band will play a Sousa Memorial Concert.

On April 30, at 8:00 in the Civic Auditorium, the Vocal Music Department will present a concert by the several choruses.

Then on May 7 the Manchester School Bands will present their annual spring concert, in the High School Gym at 8:00 p. m. featuring the Junior High School Band and the Manchester High School Band, under the direction of R. C. Sortor.

ROGER KAPPLER ON U-M TEAM

Basketball and football teams having won the championship trophy in the intramural sports were honored at an awards banquet at Michigan House in West Quad-rangle at the University of Michi-gan Saturday evening.

Roger Kappler of Manchester played on both teams. He is the son of Mr. and Mrs. Paul Kappler of 319 E. Duncan Street.

Roger was also elected to the governing body of the student council of his dormitory which houses some 4000 students.

CARD OF THANKS We wish to extend our thanks and appreciation to friends, nei-ghors and relatives and to Rev. Epps for the many kindnesses shown us during the recent death of our mother.

JAYCEE EASTER EGG HUNT

The annual Jaycee Easter Egg Hunt for pre school through the fourth grades will be held April 17 at two o'clock at Carr Park.

The special chickens that lay colored eggs have just about completed their job of producing 2500 eggs of all colors for this occasion.

The Jaycees want to emphasize that this is for pre school through fourth grade only and hope the upper classmen will respect this.

Henry Keller is hospitalized at Herrick Memorial Hospital in Tecumseh.

ST. MARYS PLANS RUMMAGE SALE

Plans for the annual rummage sale were made at the April meeting of St. Mary's Altar Society. The sale will be held April 23 and 24 at McGuire's store with Mrs. Richard Way and Mrs. Marvin Kirk on the committee.

The date for the Charity Dance has been moved to September.

At the May meeting Toni Spear of Detroit will give a talk on Rome which will be illustrated with slides. This will be an open meeting on May 13. Committee for that meeting will be Mrs. L. V. Kirk, Mrs. Marvin Kirk, Miss Mildred Kirk and Mrs. Robert Kirk.

The Mother and Daughter Banquet is planned for Sunday, May 2 with dinner at 12:30 p. m. On committee are Mrs. Joe Kard, Mrs. Lehman Wahl and Mrs. Ted Roberts.

Date for the Day Convention at the Statler Hilton is April 28 and also April 29. Those interested in attending are asked to contact Mrs. Wm. Schwab. A panel by members of Recovery, Inc. was much enjoyed.

UNDERGOES SURGERY

Mrs. Jesse Epps is reported to be improving at Saline Community Hospital where she underwent surgery last week Tuesday.

FOR SALE: HOUSE, 3 rooms and bath-unfinished upstairs-aluminum siding; on Burmeister Road on 1 1/2 acres. Call Ga8-9055 evenings 4/8 th

STORM BRINGS NUMEROUS ARTICLES FROM INDIANA

There was a variety of litter found in the Manchester area following the Sunday night series of tornadoes and shows how far some of the articles were shipped by the wind in the tornado-armed storm.

At the N. Allen Alber farm at 13011 Bethel Church Road, Mr. Alber and his father, Nathan O. Alber, who lives nearby, found many odds and ends, including a part of a magazine addressed to a woman in Elkhart, Indiana.

A hymnal page had these compositions "Meet Me in the Home Land" and "Place at The Cross." They also found a couple of dresser scarfs.

A 1964 paper from the Reading Methodist Church was among the things Alber picked up along with scraps of newspapers from South Bend, Goshen and Elkhart, Ind. There was a piece of tin, possibly from an awning, a paper with golfing instructions, a page from a dictionary, pieces of wood veneer and Christmas cards, a some pieces of asphalt roofing and a page from a church guest record and a part of a "rosary Book".

Music sheets were found including "Danube Waves" and Arkansas Traveler. Mrs. N. Allen Alber's parents, Mr. and Mrs. Alfred Way live at Bear Lake in Hillsdale county but their home was unharmed although farms to either direction were leveled. The Albers went to see her parents Tuesday.

Henry Schlicht of Manchester found some large pieces of metal at the farm of Mr. and Mrs. Clarence Schlicht of 10332 Chelsea Road, also a large piece of plywood which had been torn from something and a part of a child's blue and white dress.

At the Lorenz Ahrens farm at 10710 Chelsea Road they found numerous pieces of broken metal, slivered wood and plywood, a large piece of road sign and other articles including a long red mesh stocking but none could be identified with a particular area.

A total of 37 deaths were reported dead in eight tornado-torn Michigan counties. Hard-hit Branch, Hillsdale and Lenawee counties have accounted for all but 10 of those fatalities.

The terrifying barrage of tornadoes raged through a six-state area of the Midwest Sunday. Manchester escaped with only high winds as the twisters swept through northern Indiana, southern Michigan and into Ohio as far as Toledo.

In Lenawee County, three storms - at least one twister struck at the community of Manitou Beach on Devils Lake between 7:45 and 9 p. m.

Branch county suffered a loss of 18 dead. Five members of the Lyle Ferguson family were killed. Branch County suffered a loss of 18 dead when two tornadoes hit within a half hour of each other, sweeping an area 10 miles long and 3 to 5 miles wide in the lake areas south and southeast of Cold-water.

Milan was hit hardest in this immediate area with much property damage. In the Manchester area damage was confined to wind damage to TV antennas and other minor problems.

Classes for parents A new series of classes for expectant parents, sponsored by the visiting Nurses Association and the Washtenaw County Health Department will begin at 7:30 p. m. Thursday, April 15 in the basement room of the County Building.

The series will be conducted by Miss Donna Kirkbride, public health nurse and will continue for seven weeks. Registration fee is \$2.50 per couple.

WOMEN OF EMANUEL DIVIDE INTO CIRCLES

Some 130 women of the Emanuel Church have been divided into Circles for more efficient church work. This is the first time Emanuel has attempted to organize into groups. Each of the eight circles have taken Bible names.

Each of the groups listed will include their officers in this order: chairman, co-chairman and secretary-treasurer.

Dorcas: Mrs. Burrill Hansen, Mrs. Clarence Schaible, Mrs. Walter Vogt. Meeting will be at 8 p. m. the third Thursday of the month.

Deborah: Mrs. Allen Alber, chairman; Mrs. Lavern Altenbernt and Mrs. John Hofhansian. Groups will meet the first Thursday at 9 a. m. at the church hall.

Elizabeth: Mrs. Fred Heinrich, Mrs. Russell Middlemiss, Mrs. John Buss. Meetings are at 8 p. m. on second Thursdays.

Ether: Mrs. Harry Sutton, Mrs. William Hamilton, Mrs. Richard Knouase. Meetings are at 1:30 p. m. Wednesdays.

Naomi: Mrs. Carl Buss, Mrs. James Kensler and Mrs. Roger Morrison. Meetings at 8 p. m. third Thursday.

Orpha: Mrs. Max Walter, Mrs. Marie Schreuer, Mrs. William Frey Sr. Meetings are the third Thursday at 2 p. m.

Rhoda: Mrs. Ralph Kuetner, Miss Amanda Lehman, Mrs. Lillie Kulenkamp. Meetings at 2 p. m. on third Thursday.

Ruth: Mrs. Raymond Jacob Jr., Mrs. Millard Uphaus, Mrs. Anton Schlosser. Meetings at 8 p. m. Thursdays.

MOMS GIVE PARTY

Manchester MOMS went to Battle Creek Wednesday, April 14 to give a party for Ward 13-3 at the Veterans Hospital.

Men played games for small prizes and refreshments were served.

Those who went were Mrs. Rush Cattell, Mrs. Roy Lowery, Mrs. Chas. Wurster and Mrs. Merle Cummings.

The MOMS hire Mrs. Glen Bertke to drive for them. Mrs. Rush Cattell also went last month and her name was omitted and Mrs. Floyd Schiel's name was mistakenly printed.

ATTENDS MEETING

Mrs. Birdella Flood attended the Representative Assembly of the Michigan Education Association as an official delegate from Washtenaw County. The meeting was held at the Civic Center from Thursday April 8 to Saturday, April 10. There were 315 voting members, and 175 ex-officio delegates in attendance.

Highlights of the meeting were elections of Miss Martha Zemke of Bay City as president-elect and Nelson Kreuze of Battle Creek as NEA Director.

There was the presentation of distinguished service awards and school Bell Awards, and the adoption of resolutions and platforms for the Michigan Education Association.

MRS. BIRDELLA FLOOD NAMED DELEGATE

Mrs. Birdella Flood, 554 W. Main street has been named a delegate to the Michigan Education's annual Representative assembly April 8-10.

Gov. George Romney will be among the speakers addressing the 300-delegates who will meet at Lansing's Civic Center.

Major items to be considered will include enactment of a state professional practice act for educators and expansion of the Project for the Improvement of Instruction.

In addition, the delegates will chose a president-elect to serve during the 1966-67 term, nominate a state director of the National Education Association, and make appointments to MEA commissions and committees.

SPORTS The Baseball team

THE BASEBALL TEAM
"The Defending Champs"

The defending Washtenaw Baseball champions of two years running will be gunning for the Lakeland "Title" as the new season approaches. The new season will open on April 8th at Chelsea, providing the weather permits.

Mr. Jack Raffaelli, who led the team to a 12-2 season, will have nine returning lettermen, led by captain and four year letterman Cleve Marshall at shortstop. Ron Panches at first base and Eugene Huber in right field are also four year lettermen who are returning. Also returning are third basemen Jim Fickler, Center-Fielder, Rich Patlewski and second basemen Pat Wallace who is also pitching. Dale Piser, Mickey White, Dave Lowery, and Steve Carson are also lettermen who will be prime candidates for a starting berth in left field.

The pitching staff is headed by Jim Walters a four year letterman. After two years of Coach Jim Sloat will try his hand at pitching to Dennis Hamilton who is the prime candidate for the catching spot.

Mr. Raffaelli plans a fourteen game schedule consisting of a double-header at Class A Owasco. This should be a very interesting season.

basketball DINNER FOR THE PLAYERS

On March 18, the basketball players were rewarded for a fine season with a dinner at Bill Cone's in Jackson. The team left for Jackson at 8:00 and many of them didn't return until 10:30. At Bill Cone's, the team was ushered to a room which they had all to themselves. The waitress took our orders and all the players rushed to the buffet table. The waitress brought us bread, soup and after we had consumed this we received our main order. Many of the players had steaks or shrimp. After we were done eating, we could hardly move. Then we heard our turnkey, but some of the guys got lost in Jackson and returned to Manchester quite late. It was the last time the guys met as a team and it was a lot of fun.

Take this!!!!

Mr. Coffey for the Manchester for the basketball players was recently rewarded for a fine season with a dinner at Bill Cone's in Jackson. The team left for Jackson at 8:00 and many of them didn't return until 10:30. At Bill Cone's, the team was ushered to a room which they had all to themselves. The waitress took our orders and all the players rushed to the buffet table. The waitress brought us bread, soup and after we had consumed this we received our main order. Many of the players had steaks or shrimp. After we were done eating, we could hardly move. Then we heard our turnkey, but some of the guys got lost in Jackson and returned to Manchester quite late. It was the last time the guys met as a team and it was a lot of fun.

Track

Recently I interviewed the very ambitious "Senior" track team. The "Senior" track team is made up of 100 members. They are now in the state championship for the "High Jump" and the "Long Jump" and the "Shot Put".

When interviewing them I asked them how they had done in the past and what they are doing now. They are doing well. They are practicing hard and they are doing well. They are practicing hard and they are doing well.

When asked about their outlook for the future, they said they were confident they would win the state championship. They were confident they would win the state championship.

LOST SPIRIT

Found the year 1901, the great sport of basketball was started and since people have been excited by this sport since then. In the year 1901, this sport was started in the state of Massachusetts. The crowd fled from this sport like it was the plague, or like it had suddenly become old-fashioned. There were not enough high school students at the games to even compete with the cheerleaders. This absence of spectators was not due to a lack of interest for the DUTCH won all but seven games during the entire season. Another reason why there should have been more at the games was that the DUTCH were unpredictable. You never knew if they would win or lose until the final minutes of the game. This reason in itself seems to attract the students to the game.

It was disgusting to the players to see the few people there as well as to the cheerleaders, but everyone had to grin and bare it.

At the end of the season, when tournaments started, everyone figured to see the stands packed to root our great DUTCH on, but what a disappointment. At our first game we played Napoleon and there were maybe twenty cheerleaders at most. This was disgusting as well as embarrassing, because our opponents stands were filled and OHS had so many cheerleaders. We had enough spirit to stick in a thumb, with room left!

We won our first tournament game and with little or no help from our opponents. The second night of the tournament we had a few more cheerleaders but they were not enough to match the other school's crowd. Again our great DUTCH took the victory and then we knew we would have to do something. The next day in school we really got a talk from practically everyone.

On Friday we played our third game and it was with Napoleon. We knew we had to come through with spirit to help our boys win, and boy we had it. Everyone at that game yelled their lungs out and we won. We had a lot of lettermen and we were really proud of them. We had a lot of lettermen and we were really proud of them.

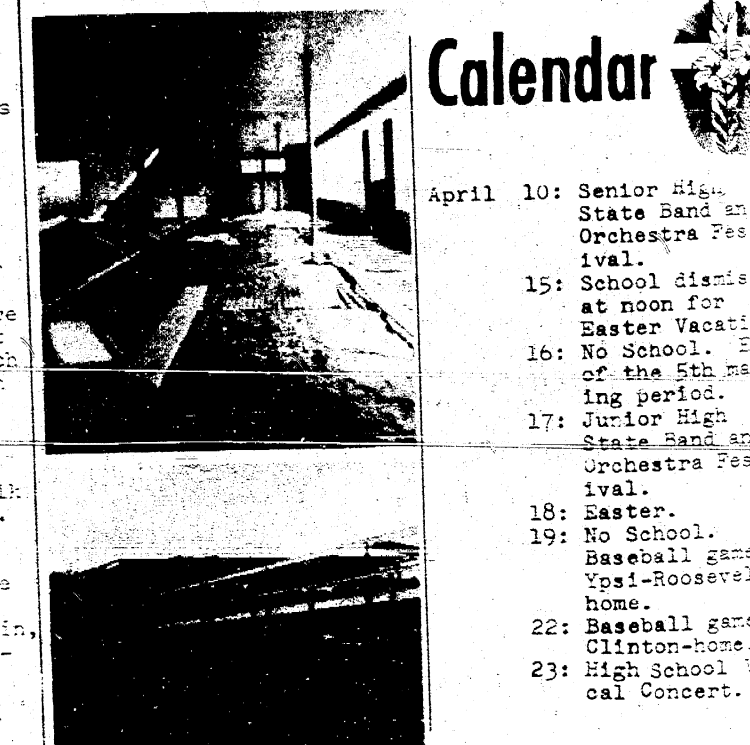

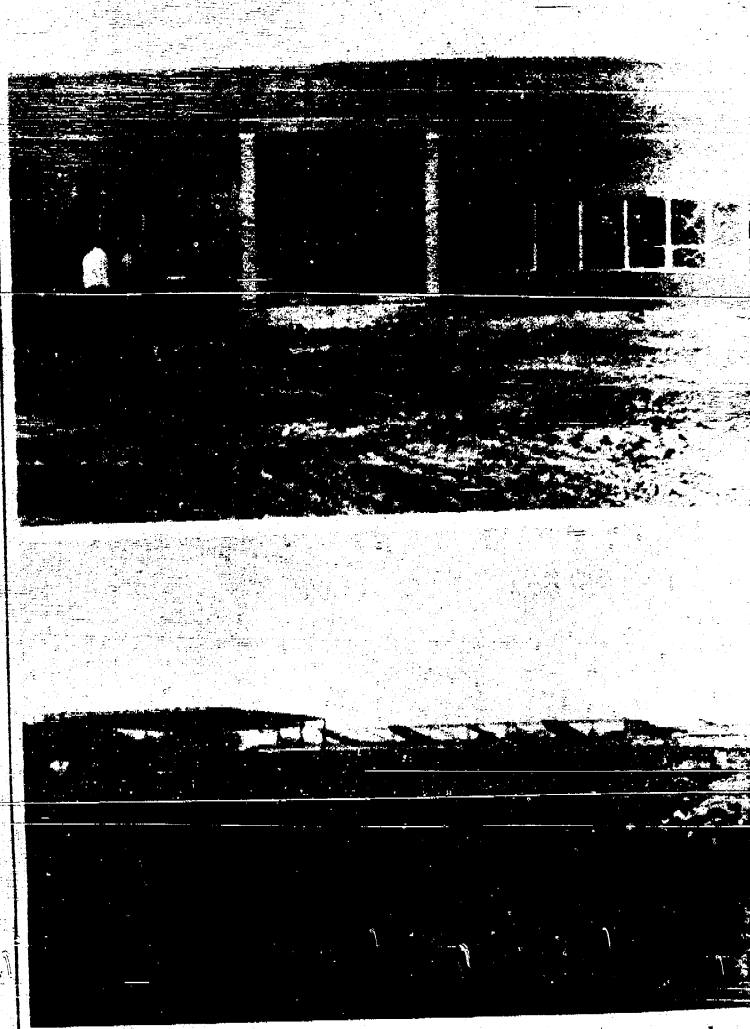

Girls

VARSITY GIRLS WIN OVER ALUMNI

The Girls' Varsity Basketball Squad was just too much for the alumni of Manchester. The Varsity led all the way to win 20 to 13. The high scorer for the Varsity was Karen Schuman with 11 points. Other outstanding players were Rita Jacob and Linda Blanchard, who spent most of her time on the floor. The alumni team consisted of Peggy Britten-wilson, Joan Berth, Soneryl Higgins, Jeanne Roehr, Susan Scheld, Judy Cole, Margie Guenther and Susan Howerman.

The referees for the game were Eugene Huber and Dennis Hamilton.

As we all now know our parents will soon be voting on a school millage for the expansion of our presently overcrowded school. We found these pictures a few days ago and thought you'd like to see what this school looked like when they were building it.

TEACHERS Problems Quotes

These are some of the things our teachers say or do. Can you say they are?

"I THINK you better get up".
Removes his coat and says, "Does anyone think it's hot in here?"
"We just talked about two minutes ago. If you aren't listening you can get out from someone else."

Asks, "Was that the 11?" then forgets to take roll.
"Now, people, I've been patient with you...." I stopped beating 16 assures ago.
Wears her glasses on the tip of her nose.
"If you have any questions don't hesitate to ask me."
"This is it...you better believe it."
"You'll find it in the book."
"I don't want to lighten you but this is hard."
"I don't like the idea of study halls any more than you do."
"Always screws his mouth around when he is thinking."
"I shouldn't have to tell you this again, BUT BE QUIET!"

LIBRARY CLUB

The Feb. 16 meeting was called to order by President Mike Schneider. The secretary's report was read and approved. The treasurer's report was read and approved. We then discussed new problems in the Library. No one is allowed to go from the study hall to the ball through the Library. Then we looked at the science Library Books and books on "How to Use the Library." We read the shelves and straightened them. The meeting was adjourned.

Calendar senior trip

- 18: Easter.
- 19: No School.
- 22: Baseball game, Clinton-home.
- 23: High School Varsity Basketball.

happy EASTER from the STAFF

CONTINUED IN 4th COLUMN

RANGER IX MOON SHOT

The Ranger IX moon shot was a great success. It took 5,814 pictures before it crashed into the moon on Wednesday morning. On this all important flight the photos revealed there is evidence of both extensive volcanic activity and meteoric impact.

The aircraft plunged to the floor of the crater Alphonsus, and the photos revealed that the walls of this crater were extremely smooth. The scientists believe this will tell a lot about the processes taking place on the moon.

All the members of the scientific team emphasized that it was impossible to talk about landing a spacecraft in the lunar highlands surrounding Alphonsus at this stage of picture analysis.

They, however, guess that the moon can probably support 2 tons per square foot.

Whatever happens we know the Ranger moon shots have helped us in our study of the moon.

HOW ABOUT THE GUYS?

This year Manchester High School has really added some competition to the League. The football and basketball teams have really been on the ball. Everyone has been telling us we have no spirit of the GIRLS BASKETBALL GAMES? NOT THE GIRLS HAVE TO PLAY WITHOUT ANY SUPPORT FROM THE STUDENT BODY OR THE FACULTY. THE BOYS TELL US THEY CAN WIN WITHOUT SUPPORT BUT YET THE GIRLS GO ON WINNING WITHOUT IT EITHER.

Why don't the boys who play sports and know what it is like to play without support come to the girls basketball games once in a while?

The boys think what kind of a game can the girls play and don't come to see. What if all the girls had that attitude about boys games!

The girls are most of the spirit. Do you ever see any of the boys going down the halls saying cheers?

Why don't the boys practice what they preach!

TELL ME WHY

FHA

F.H.A. STATE CONVENTION

Betty Waldrauer, Mary Lou Leeman, Diane McGovern, Martha Scott, Connie Crothe, Debbie Westar and Sharon Robbins students at Manchester High School, will attend the Future Homemakers of America State Convention, April 1 and 2 in Grand Rapids.

The convention, with headquarters in the Pentland Hotel, Civic Auditorium, will draw 1,500 delegates, members and advisors from throughout Michigan to follow a theme of "Citizenship: A Continuous Challenge."

Among the speakers will be the Hon. John Ureco, Director of the World Education, Plans World Airlines, New York City; Paula New Galaman, Queen of Canada; Yvonne Schriber, former Miss Michigan; and Mrs. Caperton, Miss, and the Mayor of Grand Rapids. He will extend greetings to the delegation.

The business of the convention will be completed by the time the delegates get to the hotel. They will then have a night of fun and games at the hotel. They will have a night of fun and games at the hotel.

School News

The Physics and Advanced Biology classes which consists of mighty Seniors and one poor Junior, took a trip to the University of Michigan's North Campus. We were shown the equipment and projects of the men who were studying the Great Lakes. They had an uncompleted model of Lake Michigan made out of plywood with the depth and topography of the bottom of the lake and they are planning to use it for studying currents in the lake.

They showed us equipment used in taking samples from the lake bottom. In the southern part of Lake Michigan they are Lake Michigan getting ashes from the Great Chicago in their samples. In the afternoon they showed us laboratories with microscopic organisms obtained from the samples. An interesting fact is that these microscopic organisms made up the greatest amount of living weight in the lake.

We ate at the Michigan League which is located by Hill Ave. We had a very delicious meal consisting of everything from salad to dessert. We noticed on the menu at the League that the next day they were featuring German food. We thought it was nice that they served different foreign foods on certain days.

After lunch while we were in their laboratories they told us about the Great Lakes. We had seen pictures of their boats earlier that morning. On these trips they can spend a month just out on the lake performing experiments. The students at the University in this field can go with them on these excursions and they also take interested high school Seniors.

SENIOR TRIP (con't)

On the fourth day of our trip, we have a free morning till 11:30 a.m. We then take a bus to Shell's for a luncheon. At 1:00 p.m., we are taken on a tour of Mt. Vernon, Alexandria, Arlington, Eva Jima Memorial, Tomb of Unknown Soldiers, President Kennedy's Grave, Lincoln and Jefferson Memorials. That night, we go on a night sike for a tour of Washington. This includes a stop at the Library of Congress, Archives Building, National Historical Wax Museum, and the Washington National Monument. After this tour, we return to our hotel for the night.

Thursday morning, we have breakfast and then go on a tour of the Capitol. We also have our group photo taken on the grounds of the Capitol. Here, too, we tour the Library of Congress, the Supreme Court and the Washington Monument. At 1 p.m., we leave Washington and arrive at Gettysburg about 3 p.m. At 8:30 p.m., we visit the Gettysburg Battlefield. We leave Gettysburg at 8 p.m. on Saturday and arrive in Manchester at 8:30 p.m. on Sunday.

FOEM

"THE SNOW DRIFTS"

Snow drift, snowdrift, how'd you ever siff? Siff, siff, siff away, We would like to play. Play in the playground sand in our back yards!

But we can't. Because your always a round for a guard.

by NANCY FIELDER

JUNIOR HIGH Simon says

I am having problems. I like to dance fast dances with boys, but I don't know whether or not to ask them to dance myself. I know it isn't right to ask a boy to dance a slow dance but I want to know whether to ask a boy to dance fast.

Dear Simon:

I think that if a boy is going to dance with a girl that the boy will ask the girl to dance, but some boys do not like to dance, so you should ask the boy to dance.

Simon

Dear Simon, you get out of study hall when there is no other study hall that hour and you don't like the teacher.

Waiting to get out waiting to get out; You can get out of the study hall and most of the kids don't like the teachers. All you can do is sit and work in the study hall.

Simon

Dear Simon:

How do you get a certain girl to like you. Wondering. Wondering. Just act nice to her and carry her books for her. Do the things she likes to do.

Simon

Dear Simon:

The Jr. High would like to thank the chaperons and the bus drivers for making this party a big success. We wish to thank Mr. and Mrs. Donald Walter, Mr. Smith, Mr. and Mrs. Reno Feldkamp, Mr. Loran Traub, Mr. Ed Kirk, Mr. and Mrs. Randall, and Mrs. Joyce Stein.

We also had a very nice time. We left the Jr. High at 6:30. We took two buses on which there were 69 students.

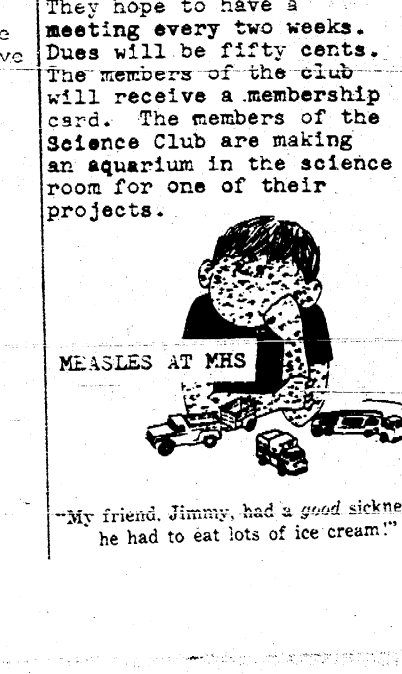

While we were there, we had races and games of stop and go. We left the roller skating arena in Adrian about 9:00 and arrived in Manchester at 9:30. Everyone had fun on the way back. How we are looking for a big success on our next party in April.

LIBRARY NEWS

We have mothers who come into the library in the afternoon and help. The Jr. High would like to thank them for all their decorations and articles on Lincoln's and Washington's birthday. Mrs. Blossom has done some looking up on Lincoln's and Washington's early life. She has had a contest for Valentines. Vickie Eisela won first prize. All other contestants will be given a paperback book.

"THE SHOCKING ELECTRON"

Wednesday February 17, there was a Science Club meeting. The members elected "The Shocking Electrons" as a name for the club. They hope to have a meeting every two weeks. There will be fifty cents. The members of the Science Club are making an aquarium in the science room for one of their projects.

WEIGHT RESTRICTIONS LIFTED IN COUNTY

Springtime weight restrictions on Washtenaw County Roads were lifted Wednesday.

Melvin Dicks, administrative assistant with the Washtenaw County Road Commission said the restrictions had been in effect for the past 45 days. Usually they are in the county about 30 days.

Dicks said that although the Sunday night storm did great damage in many areas it did some good in setting the roads.

Restrictions in Lenawee and Monroe counties had been lifted earlier.

He said the "spring break" of county roads has been moderate but prolonged because of the late spring.

PERSONAL

Mrs. Laurel Eichtenweber and Mrs. Leon Dummer of Brooklyn returned last week Wednesday after a two and a half week vacation in Florida. They were guests of Mrs. Herbert Edwards and Miss Evelyn Lewis at Pompano Beach.

RULES FOR SAFE BURNING

The law requires that a burning permit be obtained to do any burning when the ground is not snow covered. Permits may be obtained free from your local Fire Department or Forest Fire Officer, either by calling personally or by phone.

This was the warning from Manchester's Fire Chief, James Kensler and also from Donally Boyer, Conservation officer from this area.

Do not burn on a dry or windy day.

A fire break sufficient to stop the spread of fire should be constructed around the area to be burned. This may be a plowed furrow or other similar break.

Fire Department should be called at once if the fire gets out of control.

The safest time to burn is in the early evening. Brush burns readily at this time if tightly piled and the wind usually goes down considerably.

Never leave a fire unattended.

False alarm fires caused by persons failing to get permits are costly to taxpayers.

Everyone is asked to help by getting permits and talking things over with the Fire Chief.

In Manchester call Fire Chief, James Kensler phone GA8-3021 days and GA8-8140 evenings.

Calls can be also made to Lyle Widmayer at GA8-2431 days and GA8-9611 evenings.

WASHTENAW CITIZENS ECONOMIC OPPORTUNITY REPORT

At a meeting Tuesday at Chapelle School, Ypsilanti, the Washtenaw Citizens committee for Economic Opportunity gave preliminary approval to a Headstart proposal which will be formally submitted to the Ann Arbor School Board for consideration at its meeting Wednesday night.

In the meantime, a planning and suggestions session is slated with a committee of interested parents.

This eight-week summer program, planned for up to a hundred and twenty children in the Ann Arbor school district, is tentatively scheduled to take place at Ann Arbor High School and is specifically geared to provide enrichment experience for 4-year old children from low-income families. It is intended to involve parents as well as professionals with the program.

The deadline date for submission of Headstart proposals is April 15, and all Washtenaw School districts who are initiating such programs are requested to submit their proposals through the local committee for Economic Opportunity, to Mrs. Arnold Kaufman, 4051 Thornbush Drive, Ann Arbor or to Albert Wheeler, 234 Eighth Street, Ann Arbor.

April 10 is the deadline for first submission of community action proposals or letters of intent to the committee.

Dr. Wheeler was in Chicago at the Regional office to expedite Washtenaw County Planning Board. At its next meeting Monday night April 12 at St. Luke's Church in Ypsilanti, the committee will devote the major part of the meeting consideration of the Ypsilanti Public School's Education Program.

RED CROSS TO HOLD AQUATIC SAFETY SCHOOL

An American Red Cross team will come to Michigan this summer to conduct one of its many Aquatic (Safety) Schools.

Robert Willoughby, Chairman of Water Safety announces that the First Aid and Water Safety School will be under the direction of Evan Thompson, National Representative of the program. This will be conducted at Camp Chippewa in Oakland County near Holly from June 16 through 26.

The school fee of \$35 covers room, board, education materials and accessories while at school. For ten days of concentrated instructor training in swimming, canoeing, teaching, seminars and special programs, just can't be beat," Willoughby said.

All applicants must be 15 years of age or a High School graduate prior to June 26 and be good swimmers.

Similar schools will be conducted in seventeen other states.

Further details can be obtained from the local Red Cross Chapter, phone 662-8349.

JOLLY FARMERETTES 4-H CLUB ELECTS

The Jolly Farmerettes 4-H Club held the first meeting of the summer and elected officers.

They are: president, Carol Niehaus; vice president, Judy Simmons; secretary, Virginia Vogel; treasurer, Becky Feldkamp; song leader, Kathy Feldkamp; recreation leader, Linda Hoeltz; and reporter, Bethel Kammer.

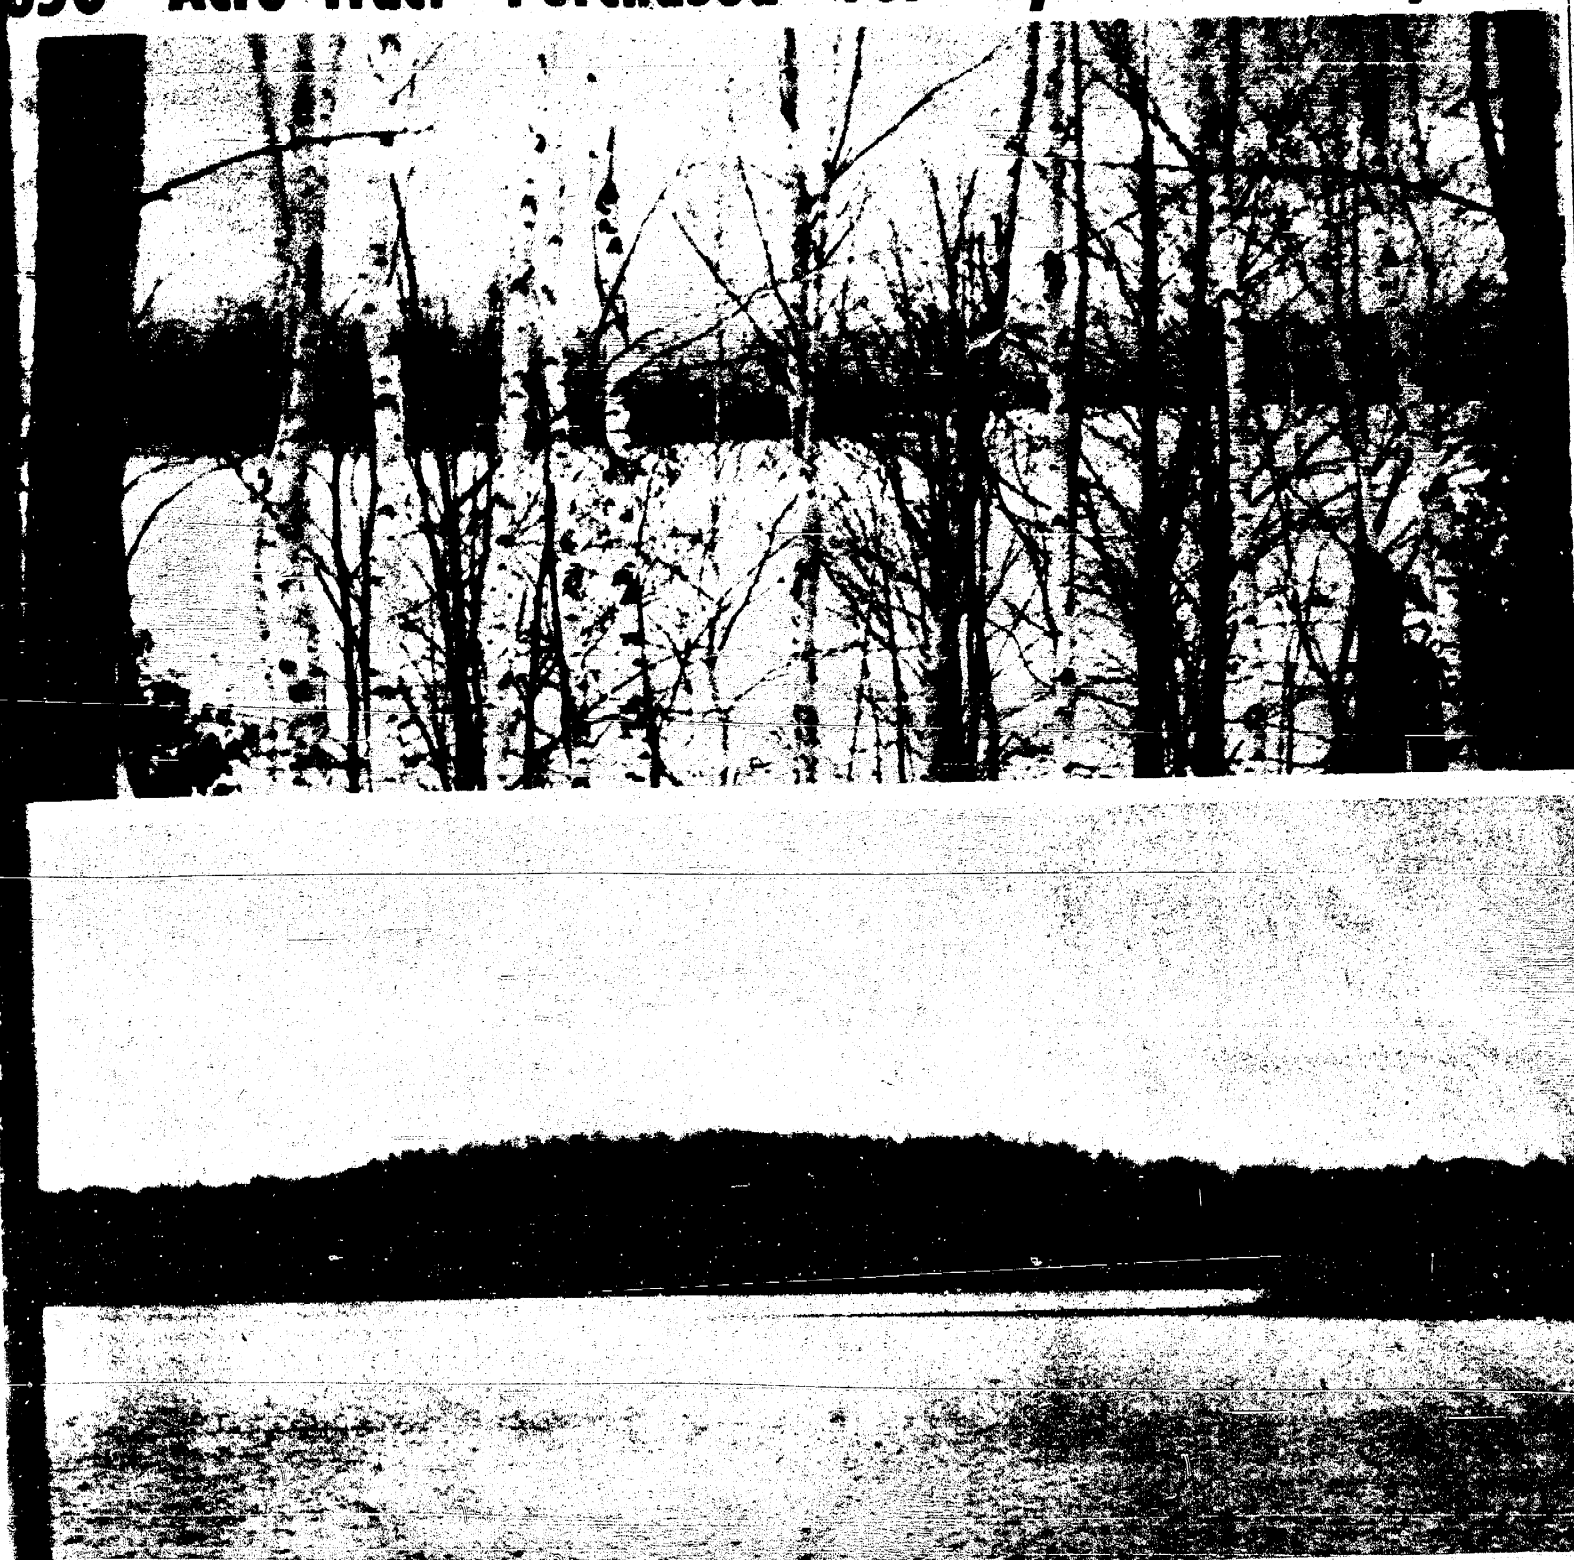

Because of the size of the club and the limited amount of sewing machines available to the club, we are planning to buy a machine from the County 4-H office.

This will help the leaders in teaching the girls to sew.

In the club this summer we have about 40 girls enrolled. A very interesting summer is planned for having fun together.

Bethel Kammer, reporter

650 Acre Tract Purchased For Boy Scout Camp

The Portage Trail Council of Boy Scouts is purchasing a 650 acre tract about 165 miles northwest of Ann Arbor (headquarters for the Portage Trail Council).

This will be turned into a new Scout reservation. This property is known as Island Lake Farm, located 5 miles southeast of Ewart in Oceola County. About 560 acres of forest and fields surround the 90 acre Wright Lake and is being purchased from Mr. and Mrs. Carl W. Tusch of Los Altos, California. It is expected that the title will change hands in May and not later than June 1st, according to Albert J. Blashfield, Ann Arbor Attorney who is handling the legal aspects for the Boy Scouts.

Portage Trail Council includes Livingston and Washtenaw Counties and is composed of four districts. The National Boy Scout Engineering Service and local Scout leaders have inspected the territory and highly approve the measure.

Reached at his office at the Ann Arbor Trust Company, Rock J. Martin, Council Finance Chairman, gave the purchase price as \$128,000. He said this represented a savings of many thousands of dollars over the original asking price. He said further that interest in the part of the present owner in Scouting had induced him to make commitments amounting to a considerable further savings to Portage Trails Council.

In answer to a question concerning the financing of the purchase, Mr. Martin said the Council is not planning to launch a Capital Funds Campaign for purchase and development of the property this year. "The Finance Committee" he said, "is contacting only a very limited number of friends at this time to get \$30,000 needed for now, including the down payment. Further plans are being formulated and will be announced at a later time.

Aquisition of this camp property will culminate a search over a period of nearly seven years by committees appointed for the purpose. Wyeth Allen, a member of the Regional Executive Committee, as well as the Council Executive Board and Robert Langford of Ann Arbor headed up the most recent effort according to Donald C. Hackney of Dexter who is camp chairman and a vice-president of the council.

Scout executive Clarence Doud, who accompanied the National Council Engineer and local leaders on several inspection trips, reports unanimous enthusiasm for the site on the part of every Scouter and camping expert who has visited the property and advanced a report.

Definite need for the new site was first brought to the attention of the Executive Board of the Boy Scouts in 1957 by the final report of long range planning committee. This committee had studied the council's campsite needs (present and future). It brought the board to the realization that increased camping area would soon be necessary. Dozens of sites have been screened and Col. Eugene W. Kelley of Ann Arbor, Scout Commissioner, and Mr. Hackney were the first to see the site and reported to the board that Wright's Lake was by far the best site seen yet.

Questioned concerning the distance of the site from the Council, Mr. Doud said, "The local is ideal! It is situated only 3 hours away

with express highway about all of the distance. It is close enough for an easy and quick round trip in half a day and far enough away for an aura of adventure and the creation of the pioneer atmosphere which boys, especially Scouts and Explorers love."

The Muskegon river flowing nearby with its scenic canoe trails will prove an additional boon to high school boys in Troops and Explorer Posts, Sea Scout Ships and Air Scout Squadrons who look for opportunities of high adventure.

Policies and standards for the operation of this camping reservation will be drawn up by a sub-committee of the camp committee which is being appointed by Mr. Hackney. Early recommendations by this committee, chaired by Mervin Smith, U of M will be reviewed by the Camp Committee prior to the submitting the report to the Council Executive Board on April 20th for adoption.

The new property will relieve the present crowding of the summer camp at Bruin Lake where eight Troop sites are served by a dining hall and other summer camp facilities. Use of Wright's Lake will be inaugurated this spring and summer to such extent as limited time and facilities justify.

RUSSELL HUGHES ELECTED CHAIRMAN OF WCB'S

Russell Hughes of Bridgewater Township was elected chairman of the Washtenaw County Board of Supervisors in a vote of 18-17 dethroning Curt H. Will of Ann Arbor. Will had served the past year as chairman and was the first supervisor in about three decades to be elected from Ann Arbor.

Hughes, who had served the past year as vice chairman, is now in his ninth year on the board. He is a farmer and lives at 9880 E. Austin Road, Bridgewater.

The election was believed to be an offshoot of a controversial move to annex 245 acres of Pittsfield Township farmland to Ann Arbor. George Airey was blocked twice by a rural-urban vote split of the county board in refusing to put the proposal on the ballot.

Saline supervisors were believed to have led the rural revolt to unseat Will.

In February the Board of Supervisors refused to put the Lansdowne subdivision, which had been developed by Airey, on the ballot for annexation to the city of Ann Arbor. That vote was defeated 17-16.

Roy Smith of Ypsilanti was voted to be vice chairman. He succeeds Hughes. He had been a board member since 1959.

COOP NURSERY ELECTS OFFICERS

The Manchester Day Care Co-operative Nursery held its monthly meeting Tuesday at the Emannel church hall.

This was the annual election of officers. They are: Mrs. Glen Lehr Jr. president; Mrs. Ed Hooten, vice president; Mrs. Edwin Walt, secretary; Mrs. Clifford Elliott, treasurer; and Mrs. Charles Straight area representatives.

Open house is being planned for Sunday, May 2 from three to five for anyone that is interested.

COMMUNITY CHEST ELECTS OFFICERS

Edward Galloway was elected president of the Manchester Community Chest Thursday night. Other officers are: Vice President, Ted Tapping; secretary, Mrs. James Baker and treasurer, Louis Vogel.

Four board members were elected. Mrs. F. M. Reck and Louis Vogel were reelected to the board and Mrs. Del Ludwick and Floyd Green became new members.

Manchester Tool and Die was presented a plaque for 100 per cent participation.

Mrs. James Baker, drive chairman was given a pin by Wesley Urch of the Detroit United Fund for leading Manchester to 127 per cent achievement of its \$0,152 goal last year.

The treasurer reported a total of \$12,363.58 receipts for the year to April 2, 1965. Total disbursements for the year were some \$11,731. This leaves a balance of about \$631.

Next Community Chest meeting will be May 13 at the Nellie Ackerson School.

James Yungkans and Birdella Flood were named 24th and 25th gallon donors to the local Red Cross Blood Club.

Announcement was made that Mrs. Ray Tirth has retired as the secretary of the Community Chest for the past 12 years. John Althouse also retired as a board member.

NELLIE ACKERSON HONORED

Nellie Ackerson was made an honorary member of the Manchester Township Library Board at its Monday night meeting.

This is noteworthy because she is the second person so honored in over 125 years by the library board. The distinction was made because of her long years of service to children of the community and her interest in children's books, even after she retired as principal of the elementary school here.

The only other person to be so honored by the library was Mrs. Cora Merithew, who was made an honorary member in 1945.

In other business library officers were reelected as follows: George Johnston, president; Mrs. Dan Boutell, vice president; Fred Leeman, treasurer and Mrs. F. M. Reck secretary.

Mrs. Allen Luckhardt was appointed to fill the unexpired term of Miss Ackerson on the board.

Mrs. F. M. Reck and Mrs. Dan Boutell were reelected to three year terms on the library board at the annual township meeting.

A check for \$77.70 was received from the State of Michigan for State Aid. The balance will be due in June and is based on a three cent per capita, to be applied on salaries.

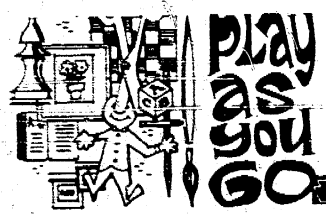

Library Board announces that Mrs. Roger Hardenbergh will continue her duties as librarian.

Mrs. Richard Kuntz was named chairman of the summer reading program.

The two major agencies to receive aid from Manchester Tool were represented by Bill St. Aubin for Red Cross and Wesley Urch of United Fund. \$5,377.00 is given to these two agencies.

PERSONAL

Mr. and Mrs. Robt. Armentrout and Tim and Mrs. and Mrs. Clarar Knauus were in Ann Arbor Sunday where they attended the Ann Arbor Civic Ballet. Tod Armentrout was in one of the ballet numbers.

A new silver dollar is being minted for the first time in 30 years, but it's not likely to have much extra value as a collector's item.

That's the advice to coin hobbyists from Richard S. Yeoman, one of the nation's top numismatic authorities.

Present plans call for the minting of 45 million new "rain-wheels" at the Denver Mint, says Yeoman, who is vice president of the Coin Division at Whitman Publishing Company, Racine, Wisconsin.

The new coin will carry a 1964 date into 1965 in common with all other newly minted American denominations. Distribution will be strictly through commercial banks and the coin is scheduled for release only in the Western states. The U.S. Mint says it will neither sell the dollars to anyone, nor arrange for persons to receive them.

The current Peace design first issued by the Mint in 1921 will be continued on the new dollar, notes Yeoman, whose firm is the country's leading manufacturer of coin collecting supplies and materials.

"While issue of a new silver dollar is an event of historic importance, the coin is not likely to serve any significant role in commerce," he continues. "The use of much of the supply will probably be taken out of circulation by souvenir hunters and speculators."

A & B MARKET ANNOUNCES 2ND ANNUAL IGA BOYS CONTEST

The local A & B market will again take part in a second gigantic annual "IGA Boys Contest". The announcement was made by Jay Lantis, local store owner. The contest will get underway Monday, April 19 and end Saturday June 12th.

Over 800 boys, age 10 to 14 years, will win a fabulous five-day trip to Southern California. Each IGA store is sponsoring a number of boys who will win this once-in-a-lifetime trip. Winning boys leave for California on Monday June 21st, 1965 and return Friday, June 25. Complete details and contest rules are available at all participating IGA Stores.

Over 900 boys and their sponsors will travel on ten chartered United Airlines planes, plus other special commercial flights, to Long Beach, California, where the fabulous Hotel Lafayette will be headquarters for the 5-day trip. Truly a paradise for young and old alike. Twenty-five chartered buses will take the winners to such places as Disneyland, where a complete day will be spent visiting the fabulous sights of this truly dream world.

Other highlights of the trip include swimming in the Pacific Ocean boat cruises around Long Beach and Los Angeles Harbor, attending major league baseball games, watching such teams as the Los Angeles Dodgers, Los Angeles Angels, San Francisco Giants and others. A trip like this would not be complete without side trips to famous Marineland of the Pacific and world famous Knott's Berry Farm.

All in all, Mr. Lantis, points out, this will be a trip that the winning boys will remember of years to come. He asks that boys and their parents stop in and get the complete details which are available at most IGA stores.

UNITED GOOD FRIDAY SERVICES SET

Good Friday services will be held at the Manchester Methodist Church from 1:30 to 2:45 p. m. with ministers of the community taking part in the services.

Churches and pastors who will be participating are: Bethel United Church of Christ, Rev. T. W. Menzel, pastor; Emanuel United Church of Christ, Rev. Ralph Kuehler; Sharon Evangelical United Brethren Church, Rev. John F. Price; Iron Creek Church, Rev. Thomas Hicks; Manchester Methodist Church, Rev. Jesse Eggs, pastor.

There will be prelude music from 1:15 to the time of service with Mrs. Paul Kappler at the organ. Special music will be furnished by the Methodist Choir and a duet by Mrs. Robert Armentrout and Mrs. Celestia Ingraham. The offering will be for CROP.

CANCER COFFEE HOUR HOSTESSES NAMED

Mrs. Irving Roberts, the local chairman of the Cancer Fund Drive has named the hostesses who will be putting on coffee hours during the last weeks of April as follows:

Mrs. William Kensler, Mrs. Robert Armentrout, Mrs. Joe Fitzgerald, Mrs. Robert Ahrens, Mrs. Paul Boehler, Mrs. Finn Olsen, Mrs. Earl Alber, Mrs. Clarence Schaible, Mrs. Fred Fielder, Mrs. Ted Roberts, Mrs. David Little, Mrs. Sam Sparks and Mrs. Jack Weir.

Mrs. Rolland Grossman, out-county chairman, says that all of the mailers have been sent out in Washtenaw.

MIKE RANDALL WINS ORATORICAL CONTEST

Michael Randall, 7th grader, and 13-year-old son of Mr. and Mrs. Kenneth Randall of 5237 Happy Hollow Road, was judged best in the second annual Oratorical Contest held here.

The event is sponsored by the local Optimist Club.

Runner up was Danny Spies, son of Mr. and Mrs. Fed Spies, also 13 years and a seventh grade student. Jeffrey Stevens, an 8th grader was in third place and Scott Sloat, another 7th grader was 4th.

The top three will receive trophies and the first place winner will compete in Ann Arbor on April 27th.

Mrs. Jo Lang of the English department was the instructor for the four.

The subject was on "Education and the Need For It." Mike's topic was "Optimism the Spirit of Youth" which he delivered in about three minutes.

Judges were Joe Sasaki, Lt. Governor of Zone 6, Ted Blake, vocational director for Manchester, Chelsea and Dexter and Stanton Roesch, local attorney.

Mike Randall says that this is his first attempt at oratory—in fact he said it was the first speech for him. But Mike has a lot of hobbies. Most of these include things to do with the water, swimming, skiing, and ice skating. He likes all kinds of sports. He is the youngest of three children.

MANCHESTER CONCERTS WILL OPEN ON APRIL 23rd

With the Manchester and the Shipshewana Bands

KODA'S KORNER

Let us begin the task, for we cannot wait much longer. At this moment the need of this community is to be able to deal wisely with the ever changing times. As members of a community we must face the questions which arise and we must find the answers... and brother, let us find them fast.

Shall we support the needs of our town such as roads, sewers, parking, housing, etc. Reforms are taking place steadily.

We are in no position to wait as our forefathers did, and let the chips fall where they may. The main difference between the present and fifty years ago is SPEED. Problems must be met and the speed and accuracy with which we face these growing problems will determine what lies ahead for our community.

The answers to our problems just won't wait. The problems cannot be pushed into a corner.

Procastination only makes problems grow more severe. The only logical tool available to people in our community who seek to deal with these problems is knowledge; and the only way for this knowledge to be disseminated is in the pages of the Enterprise..... We accept the challenge of this new opportunity.

Let us pass on a kind warning to individuals and organizations who frequently in the past have perfected their own relations with the press and gave only the information that was favorable to them. Under such conditions complete and accurate reporting of much of the news is virtually impossible. There must be a conscious effort on the part of everyone so that we can present information in a palatable and complete form if people who must make decisions are to benefit from these reports.

The accuracy of our decisions in dealing with present day problems cannot be over emphasized. If we fail to deal wisely our town will slowly deteriorate and the first thing we will know somebody else will step in and "solve our problems" for us.

George M. Koda

IN OUR OPINION

As of "press time," we have received for publication a financial report from the Village Council. We were of the opinion that it did not give a clear and correct picture of all the village funds, disbursements, receipts, salaries, etc.

We are of the firm belief that everyone is not a CPA, auditor, or a mathematical genius, but we would still like to see what has happened to our tax dollar.

We are hoping that in our next issue we can offer for your approval, a financial report that will answer everyone's questions.

NOTES FROM THE COUNCIL HALL

Organization of a planning commission--the first in the nearly 100 year history of the village--got underway Monday at Council meeting with the appointment of nine men to the planning body.

Named from the village at large by Village President Eugene Bentschneider were: Fred Leeman, Leonard V. Kirk, Allen Schaffer, Millard Uphaus, Edward Galloway and Douglas Higgins.

Representing village council on the commission are: Donald Dorff, Village Attorney Stanton Roesch and President Bentschneider.

Terms of office will be staggered from one to three years, but individual terms were not specified at the regular village council meeting.

In other business the council referred the request of Donald K. Sutton for variance in the rezoning of his Duncan Street property to enable erection of an apartment building on the property.

Richard Knoouse in a communication to council asked that they table for another two weeks his request for variance in zoning property on Sunset Drive.

Village attorney Stanton Roesch told council that final negotiations would be completed for the New York Central Railroad property on Wednesday.

Because of the Athletic Booster Banquet Monday, May 3 the council will meet at 7 p. m. Tuesday, May 4.

VILLAGE BUYS RAILROAD PROPERTY

Wednesday morning the village of Manchester completed transactions for New York Central Railroad property. Negotiations for the land was started before Christmas.

A check for \$7,500 signed by village president, Eugene Bentschneider and village clerk, Lyle Widmayer, was turned over to a representative of the New York Central in the office of village attorney Stanton Roesch.

The property, known as the Ypsilanti-Hillsdale Branch of the New York Central extends from the east village limits to the west limits on the north side of the town, president Bentschneider said. Most of the stretch is about 66 ft. wide with the exception of a very few areas where it varies to possibly twice that width, the village spokesman said.

He was referring to the land on which the depot had been at one time. At this point near the Bus Coal Company the village would have an excellent approach to their water "stand-pipe" on Ann Arbor Street.

Bentschneider said the newly acquired village property would begin at the tracks north of Duncan street at the village limits.

He noted that the Donald Stockwell residence (formerly Joe Seckinger residence) is the last house in the village on that street. Directly north of that property would be the village limits of the railroad property.

At the village limits at the west the line would be directly north between the Charles Knopp residence in the village and the Brokaw residence (formerly Frank Merithew residence) just outside the village.

Village officials say that this property gives the village the only access it has to the Raisin River. This would be at the Main Street railroad bridge. It also gives the village a right of way for water and sewers without tearing up the streets.

This may become very beneficial to the community when another well for water supply becomes a reality.

MRS KERR HEADS COUNTY FEDERATION

Mrs. Ray Kerr of Manchester is the new president of the Washtenaw County Federation of Women's Clubs. This is the second time in the history of the Federation that a local woman has been chosen to the post.

Other officers elected at the annual meeting were Mrs. Walter Bulbeck of Milan, first vice president; Mrs. Donald Galbraith of Ann Arbor, second vice president; Mrs. Alan Moore of Ypsilanti, recording secretary; and Mrs. Paul Alber of Saline, treasurer.

Mrs. Kerr is first past president of the Twentieth Century Club, secretary of the Methodist Church activities; secretary of King's Daughters; treasurer of the Esther Circle of the Methodist Church and a member of the Business and Professional Women's Club.

She will serve as county president for a two-year term.

Officers were installed by Mrs. W. H. Winkelhaus, president of the Southeastern District, Michigan State Federation of Women's Clubs.

Among those from here at the Monday meeting were Mrs. Kerr, Mrs. Tom Walton, Mrs. Leo Scully and Mrs. Stanton Roesch.

CONCERT CANCELLED

Sousa Memorial Concert set for Friday, April 23 has been cancelled indefinitely!!!

R. C. Sortor, local band director received call from the Shipshewana High School Band director Thursday afternoon.

Shipshewana was in the path of Palm Sunday's tornado.

Eighteen lives were lost in the vicinity. Sortor, who checked Sunday, said that school personnel planned to send the band to Manchester anyway.

Thursday the Indiana School officials decided to cancel the Shipshewana School Band's Bus trip to Manchester.

MAIN STREET

We've been asked what happened to Main Street. The Enterprise has had so much news lately that there just wasn't room. Seems there have been many problems. The other day while walking through some of the area that was in the path of the tornado we wondered just how important these problems really are.

Our town was reported to be in the path of that destruction. But we were spared. A line fence--just how far a building should be placed from the edge of a property line suddenly seemed unimportant. When whole towns are leveled in the twinkling of an eye, it is food for thought. We can see how insignificant we are.

Driving along near Onsted enroute to see friends in the disaster area we noticed a large kitchen sink with one end embedded in the earth, next to the road. You couldn't help but wonder how far it had been hurled before it landed by the road. There were no signs of remains of houses nearby.

One thing we mentioned later was, that the people we talked to seemed to minimize their own loss and never failed to mention a friend who fared much worse.

Did you ever see a hill of registered, holstein cows? That is what it looked like--a black and white hill! Twenty cows in a pile. The farmer said he had lost more but it was too dangerous to go farther into the barn to remove them. He predicted more would die. The big barn was blown against the one standing silo. The other two silos were down. It looked as if the whole thing would collapse if anyone moved a board. The farmer was hopeful that the tankage truck would arrive the next day. He wasn't sure. Adrian tankage couldn't take anymore animals and they were being hauled directly to Chicago.

Most of the big farm house roof was gone and it was some four inches off its foundation. But it was a whole lot better than no home at all--even if there couldn't be a fire in the furnace because the chimney was gone. Members of the family said the house had seemed to lift off the foundation, sway around and then settle down. The occupants were knocked against the walls and onto the floor.

Down the road a huge tree fell into the side of the living room where new walnut paneling bowed out into the room. The carpeting had pulled away from the wall and looked like waves on the bent new flooring. Heavy mud covered the bathroom walls and you wondered where anyone would begin to clean up such a mess.

We were told that the farmer down the road wouldn't have to worry about cleanup. Everything was swept away; house, barns and furnishings. Where was everything? God only knows. It was probably scattered over many miles. All of a sudden the clean up at the farm we visited didn't seem so great.

Everyone wanted to help his neighbor--in this the third largest tornado series the United States has ever known. It came pretty close to home.

Do you suppose we should get down on our knees and thank God for what we have and at the same time ask for guidance and help for those whose thankless job it is to keep in operation the forces that control our town?

In spite of lack of space for many things in this week's paper there must be room to congratulate Tom RJordan, our very good friend at the Tecumseh Herald for his magnificent coverage of the disaster in the Tecumseh area. Praise is in order to all on that staff for a job well done.

Former postmaster George Merriman celebrated his 69th birthday April 16th. He noted that the temperature on April 16, 1896 was the hottest recorded April 16th in the history of the weather bureau--when the mercury climbed to 90 degrees.

SIGN YOUR LETTERS--The Enterprise has been receiving some very constructive and well written letters. You are not going to see them in print unless you sign them. If you want your name continued on page 2

A & B IGA MARKET

Our 2ND Annual BOYS CONTEST

APRIL 19th Thru JUNE 12th

1 BOY WILL WIN A FREE 5 DAY TRIP to CALIFORNIA

VOTE FOR YOUR FAVORITE BOY IT'S EASY TO WIN

- ★ Fly to California
- ★ Spend 1 Day at Disneyland
- ★ Take Harbor Cruise
- ★ Major League Baseball Game
- ★ Stay at Hotel Lafayette
- ★ Visit Marineland
- ★ Visit Knott's Berry Farm

CONTEST RULES

1. Contest is open to any boy between the ages 10 and 14 years inclusive. Boys who receive the highest number of votes in each store will win.
2. Vote for your favorite boy by writing his name on the back of each Green Cash Register Tape you receive at all participating IGA Food Stores.
3. The total value of each tape will determined by the total purchases shown on each Green tape you receive. You will receive one vote for each 10¢ purchase. For example, a \$10.00 purchase shown on your Green cash register tape would be worth 100 votes for your favorite boy.
4. Votes must be placed in the official ballot box provided in each store. Each store will have the number of boys they are sponsoring posted in the store.
5. IGA's "Favorite Boy Contest" will start April 19th, 1965 and close Saturday night, June 12th, 1965. Winning boys and sponsors leave for Long Beach, California Monday, June 21st and return Friday, June 25th, 1965. Contest is not open to any store owner, their employees, their families, employees of Super Food Services, Inc. and their immediate families.

232 MAIN STREET, MANCHESTER, MICHIGAN

SETS HIGH JUMP RECORD FOR M.H.S.

High jumper Gary Knickerbocker of Manchester, placed fifth in the thirty-fourth annual Mansfield Relays held last Saturday, April 10 at Mansfield, Ohio.

Three thousand boys from five states participated.

Many records were established on the new \$60,000 track under excellent conditions.

Gary was one of 128 other high jumpers in an event which lasted five and one-half hours.

This sets a new Manchester High School record of 6 feet 3 1/4 inches. The first place went to a jumper from Cincinnati, Ohio with a jump of 6 ft. 7 inches.

Gary is a senior at Manchester High and Coach Ron McNally said that Knickerbocker is the finest track man this school has had in many years and it will be a long time before another will come along with his capabilities.
