TOM McNUTT INJURED

A Manchester man was hospitalized when he lost control of his car on Pleasant Shore Drive early Wednesday morning.

Thomas Allen McNutt, 21, of 11485 Hieber Road is at St. Joseph Mercy Hospital, Ann Arbor with a broken jaw and fractured knee cap.

Washtenaw County Sheriff's men who investigated said the one car accident happened at 2:06 a. m. Wednesday when McNutt apparently lost control of his car.

It bounced off the road and back and then hit a tree. McNutt was pinned in the car officers said. He was taken to the hospital by ambulance.

The car was demolished.

SOUZA MEMORIAL FUND TO BENEFIT FROM CONCERT

The proceeds from the Souza Memorial Concert to be given by the Manchester High School Band and the Shipshewana High School Band this Friday, April 23 will be donated to the Souza Memorial Fund.

The fund is being used to build a Music Shell in the Concert Hall of the Kennedy Center for the performing Arts to be built in Washington D. C.

Originally this shell was to have been built on the roof area of the Center, but recent plans place it in the main Concert Hall. The Board of Trustees of the Kennedy Center has agreed to endorse the Music Shell in the Concert Hall in the memory of John Phillip Sousa, the United States' most famous band conductor and composer of marches.

A contribution of \$100 entitled: The Band to have a plaque inscribed with the name of the Band placed in the Concert Hall of the Kennedy Center in Washington, D. C. It would be very nice, band instructor, R. C. Sutor said. If the Manchester High School Band could be so recognized and if future visitors in Washington could see the name of the Manchester High School Band displayed on a plaque in the Concert Hall of the Kennedy Center in Washington, D. REPORT ON SOCIAL SECURITY BENEFITS IN COUNTY

Monthly old-age, survivors, and disability benefits in Washtenaw county now top \$973,000, according to a report from Robert A. Kehoe, District manager of social security in Ann Arbor, as he released his annual county benefit data report.

The new monthly figure represents an increase of 4 per cent over the corresponding period last year.

"This increase can be attributed to the changes in the law in recent years, as well as to the growth of our aged population," Mr. Kehoe said. "This money stimulates county business; most of it is spent for food, clothing and shelter."

"There is no longer any doubt. Social security benefits are helping to stabilize the income and spending power of many residents in Washtenaw County."

Monthly benefits first became payable in January 1940, and they have continued without interruption for years, accompanied by a steady growth in the number of beneficiaries. Kehoe noted that as of December 31, 1964 some 13,103 were collecting about \$112.3 million annually from social security, an increase of 3 percent over the same date in 1963.

More people in Washtenaw county, he said, could draw social security benefits if they knew more about the law, and for that they are urged to visit or call the local social security office whenever they have a question concerning their benefits or responsibilities.

In Washtenaw County as of December 31, 1964 some 7301 retired workers received \$7,424,524; 1636 wife or husband received \$889,644; widow or widower numbering 1409 received \$1,211,988; mothers and children numbering 1734 were paid a total of \$1,225,596; and disabled workers and dependents numbering 1011 received \$923,808.

The year 1965 marks several milestones in the history of social security. The January 1965 benefit payment marked the 300th month of payments since monthly benefits first became payable in Jan. 1940. The number of monthly benefits currently being paid will reach the 20 million mark in 1965. In addition, August is the 30th anniversary of the signing of the social security act by president Franklin D. Roosevelt.

KODA'S KORNER

Who has the right to know? Well my friends, we as a free press, and you as tax payers, as voters, as citizens of the community of Manchester have that right.

To begin with we as a newspaper play an integral part in the democratic process. These rights are so important... so vital... that they are guaranteed in the Constitution of the United States and in our Michigan Constitution.

Cornerstone of this right to know is the community newspaper. All efforts to explain, to offer assistance have been met with taciturnity. We believe council by their silence is giving us a big fat (NO). NO has never done anything for NO one.

Maybe we are not elevated high enough in the community to get this recognition, well then a great statesman would have been snubbed, just as we have been snubbed. We quote:

The people are the only censors of their governors; and even their errors will tend to keep these to the true principles of their institution. To punish these errors too severely would be to suppress the only safeguard of the public liberty.

The way to prevent these irregular interpositions of the people is give them full information of their affairs thro' the channel of the public papers, & to contrive that those papers should penetrate the whole mass of the people. The basis of our government, being the opinion of the people, the very first object should be to keep that right; and were it left to me to decide whether we should have government without newspapers... or... newspapers without a government, ... I should not hesitate a moment to prefer the latter. But I should mean that every man should receive those papers, and be capable of reading them.

Thomas Jefferson, author of the Declaration of Independence and third president of the United States. We do not profess that we are in same league as Thomas Jefferson, but we would rather stay in the class of the minority than to subdue ourselves with others in order to lighten our task.

MOTHER-DAUGHTER BANQUET WEDNESDAY

The annual Mother-Daughter banquet at the Methodist Church will be held Wednesday, May 5 at 6:30 p. m. with dinner followed by program. For reservations call Ga8-9731 or Ga8-8191.

PLANNING COMMISSION MEETING

Manchester's new Planning Commission will meet for its first working session Monday, May 10. The eight o'clock meeting will be at the village hall. The first and most important business of the commission, Eugene Bentschneider, who is also a member of the commission, will be hiring a planning consultant.

Expected to be present at the meeting will be George Hurrell of Jackson, who set up the Ann Arbor and Jackson Planning Commissions.

At the organizational meeting Edward Galloway was elected chairman; Fred Lehman, vice chairman; and Millard Uphaus, secretary.

One point was made clear, the Planning Commission will discuss only topics on their planned agenda at any given meeting. Whenever possible, subjects under discussion will be published in advance of the meeting. The public is invited to attend.

The new commission is in need of books or information on other planning commissions which they could use in setting up their program. Anyone having any information would aid the committee is asked to loan it for study.

TONY MASON GUEST SPEAKER

Tony Mason line coach with University of Michigan will be the guest speaker at the Athletic Banquet on May 3rd. His experiences in athletics have a ten year span, starting with high school and a successful season at U. of M. which included Big Ten Championship of 1964, and Rose Bowl Champ of 1965.

Tony head coaching career at Niles McKinley High School, Niles Ohio could go on record as being phenomenal. Records like 47 wins 3 losses, 6 ties. Four straight undefeated seasons 47 games straight games without a defeat.

Probably 1961 was the greatest for Tony when they voted him 'Coach of the Year' in Ohio that year his team also was voted second best team in the nation. With credentials like this we salute Manchester Athletic Booster and Optimist Clubs in bringing such a noted speaker on sports to Manchester. We have no idea what Tony is going to talk about, but from all reports it will interest parents and sport fans alike. Those wishing tickets for the Banquet contact Wendell Reinhart.

OPEN HOUSE AT SPEEDWAY Sunday, May 2 will be open house at the Manchester Motor Speedway south of town on Schleweis Road.

There will be no admission, but owner Veryl Schill says it will give everyone a chance to see the speedway and drivers and spectators are most welcome to come and have a look.

Schill says that there will be several new drivers this year. Races will officially start on Friday, May 7th with time trials at 7 and racing at 8:30 p. m. The open house will be from noon to 6 p. m. Sunday, May 2.

MANCHESTER SUPERVISOR HOSPITALIZED

LETTERS TO THE PUBLISHER

Sharon Farms Manchester, Mich. April 27, 1965

Mr. George Koda Publisher The Manchester Enterprise Manchester, Michigan

Dear Mr. Koda: I have read with great interest your most informative articles of the last few weeks. In particular, "Koda's Korner" in the issue of April 22nd is so apropos. Your words, "The need of this community is to be able to deal wisely with the ever changing times" hits the nail on the head.

We are not residents of the Village of Manchester but we do consider ourselves members of the community of Manchester. As the Village of Manchester goes, so goes the community of Manchester. We have an interest and a stake in Manchester's future.

Congratulations on a fine job of reporting. Very sincerely, Robert T. Ross

SCHOOL BOARD OUTLINE BUILDING PROGRAM

About 100 people were in attendance Monday evening and heard the Board of Education and school officials outline the proposed building program. Luther Klager, Board President, welcomed the patrons and spoke briefly on the obligations and responsibilities of School Board members.

"Safety and an adequate education is due each child and this is the prime concern of each member of the Board," Mr. Klager said. He went on to say that now is the time for expansion and improvements to the present system, and to this end the Citizens' Committee and Board of Education have been working.

Robert Swartz, school superintendent, spoke on the historical background of the present high school. He pointed out that the present plans for additional facilities were considered in 1954 and incorporated into the building plans. Mr. Swartz cited the changing needs of education and how the proposed additions would accommodate the more flexible programs of the future. He strongly emphasized the importance of adequately preparing Manchester students in order that they could compete favorably in all areas with youth educated in districts where the expenditure per pupil is greater than it is here.

Carl Ollila of the firm of King-scott and Associates reviewed the proposed plans with the group. He stated that a quality educational facility with an economical price tag was being presented to the voters of the Manchester district. Dan Boutell, school board treasurer, reviewed former building programs and the present condition of the district in regard to school debt. "Few districts exist anywhere in the State with a more favorable debt program," Mr. Boutell said. "A total debt of \$197,000.00 exists on all debts. Boutell spoke on the anticipated cost of the proposed building project and these figures are summarized here.

Assuming a favorable vote on the proposed building program, the approximate extra cost in taxes per \$1,000 on the assessed valuation is indicated below. (This is the valuation appearing on your tax notice.)

Per \$1,000 assessed valuation based on 3.0 mills increase:

Table with 5 columns: Assessment, Bridge water, Freedom, Manchester, Sharon. Rows include 1954 Debt, 1958 Debt, Proposed Building, Total School Tax.

To find your total extra tax for the new additions multiply the above amounts by each thousand dollars of your assessed valuation. The total school tax levy per \$1,000 of assessed valuation breaks down as follows:

Table with 5 columns: Assessment, Bridge water, Freedom, Manchester, Sharon. Rows include Operating, Special Operating, 1954 Debt, 1958 Debt, Proposed Building, Total School Tax.

MAIN STREET

Now that we have had a chance to think things over and compile the facts we're ready to write Main Street. As everyone knows by now, this village has a brand new Planning Commission. We had been promised by the village president that we'd be told when the organizational meeting was to be held. But something happened and the meeting was called Monday without us.

That alone was quite a blow. When we arrived at work we found that the boss had been at a part of the meeting. He strolled in by chance.

"You know," the boss finally said, "I was somewhat shocked when one of the planning commission members told the group that he had no idea how Manchester was selected by the Hoover Ball Bearing Plant for its new site. And from our boss we got the idea that to this remark the other members must have mumbled a silent "Amen".

The boss continued, "I am beginning to wonder just how well we covered the stories on the Hoover Ball & Bearing Plant? Weren't the stories clear—or what?"

Now, you and I know that the boss was directing his remarks at us—because those stories were ours. If they were not clear enough for a member or all the members of the planning commission to know who was instrumental in bringing in Hoover Ball, we'd in all probability be going down Main Street carrying our head under our arms.

We didn't say one word back to the boss. We didn't defend ourselves in anyway. But we started to dig. Honestly folks, it seems as if we are always "digging through the files" for something. But we humbly offer to the boss and to the new planning commission the following:

Checking back on September 17, 1964, Manchester Enterprise, we find this, and we quote: "MANCHESTER WELCOMES IN NEW INDUSTRY"—that was the head for the lead story which continues, and we quote: "Only words of praise go out to James C. Hendley, who, with a great deal of team work went into Township, Village Optimist, and Jaycees and top area people who helped to make Hoover Ball & Bearing eventually select Manchester etc. . . .

Then on September 24, 1964—"Manchester Enterprise"—under a picture captioned "Expanding Manchester" are these outlines— and we quote: "J. C. Hendley, left, local attorney, handed a silver plated shovel to Frank Brittain, Hoover Ball & Bearing Co. vice president, second from left, for the ground breaking

JOYCE ANNE WELTER WEDS L. GUENTHER

Bethel United Church of Christ Manchester was scene of the evening ceremony uniting in marriage Joyce Anne Welter, daughter of Mr. and Mrs. Martin Welter of Saline and Lawrence H. Guenther, Jr. son of Mrs. Lawrence Guenther of Saline and the late Mr. Guenther.

The newlyweds will live in Bridgewater at 9015 Austin Road. The bride's floor-length gown of Chantilly lace was made with a scalloped neckline and long sleeves.

Mrs. Russel Phillips of Milan, the bride's sister, was matron of honor and Eugene Feldkamp of Saline was the best man.

Also attending the bride were Miss Shirley Guenther, the bridegroom's sister, Miss Linda Welter, the bride's sister and Mrs. James Guenther.

Seating the guests were Ronald and James Guenther, brothers of the bridegroom and Kenneth Welter, the bride's brother.

Sally Phillips and Cindy Weber were flower girls and Steve Phillips was ringbearer.

The reception was held in the church parlor. The Rev. T. W. Menzel performed the Saturday ceremony, April 24.

Mrs. Dennis Pearsall

WED IN DOUBLE RING CEREMONY

Mr. and Mrs. Dennis Pearsall are making their home at the Charlton Apartments at 2043 Charlton Avenue, Ann Arbor.

The bride is the former Joann White, daughter of Mr. and Mrs. Stanley White of 10722 Bethel Church Road, Manchester. The bridegroom's parents are Mr. and Mrs. Lloyd Pearsall of Brighton.

The Rev. T. W. Menzel read the double ring ceremony in the Bethel United Church of Christ.

The bride's gown was of silk faille. It had a sabrina neckline, elbow length sleeves, appliques of reembrodered alean lace and kick pleats at the sides of the sheath. The detachable train was accented by a large flat bow. A large bow with applique trim held a three tiered elbow length illusion veil and she carried Easter lilies with greens.

Mrs. Elizabeth Hayes of Saline, sister of the bride, wore yellow chiffon empire sheath with satin trim and a bow at the back. The gown had long chiffon sleeves. Her headpiece was a yellow satin bow and she carried a mixed presentation bouquet of spring flowers.

Bridesmaids were Miss Diane O'Melia of Highland Park, Illinois and Miss Judy Kuebler of Manchester. Their gowns were identical to that of the honor attendant, as was their flowers.

Lawrence Pearsall of Los Angeles, Calif. served as best man and guests were seated by Gilbert Hayes of Saline, Robert Sobieski, Dale Cooper and Randolph Marx all of Brighton.

Kevin Hayes of Saline was the ring bearer and Melinda Miller of Brighton was the flower girl.

A reception followed at the Pleasant Lake School.

Prior to the wedding showers were given by Mrs. Elizabeth Hayes, another by Miss Judy Kuebler and the third shower was arranged by Mrs. Valette Cord and Mrs. Vivian Miller. The rehearsal dinner was given by Mr. and Mrs. Lloyd Pearsall.

METHODIST CHURCH SCENE OF WEDDING

In a double ring ceremony Saturday, April 24 at five o'clock Betty Jane Ross, daughter of Mr. and Mrs. Edward J. Ross of 20641 Austin Road, Manchester became the bride of Lawrence E. Bash, son of Mr. and Mrs. Ralph E. Bash Sr. of 224 N. West Street, Hillsdale.

The Rev. Jesse Epps read the service before an altar decorated with baskets of white flowers.

As the bride and her father approached the altar she was wearing a white silk organza floor length gown over taffeta. The fitted bodice was accented by a satin brocade midriff. Her fingertip veil was held by a tiara of tear drops and seed pearls. The bride's cascade arrangement of white roses was centered with a white orchid.

Attending her sister as matron of honor was Mrs. James Yungkans of Manchester in pink chiffon over taffeta. The ballerina dress had a fitted bodice and full skirt. Her tiny matching hat of embossed leaves was accented with veiling. She carried a colonial arrangement of pink daisies.

Carol Jo Ross, Manchester, was her sister's junior bridesmaid. Her dress was styled like that of the honor attendant in yellow chiffon and she carried yellow daisies.

Mrs. Jewel Anderson of Detroit sang "O Promise Me" and "I Love You Truly" accompanied by Mrs. Paul Kappeler at the organ.

Duane Ladd of Hillsdale acted as best man and the ushers were Robert Roberts of Detroit, cousin of the bride and Donald Ross, Manchester, uncle of the bride, and Matthew O'Merar, Lansing, brother-in-law of the bridegroom.

At the reception at the Sportsman Club Miss Madelyn Hudkins of Ann Arbor and Mrs. Matthew O'Merar of Hillsdale, sister of the groom out the wedding cake. Mrs. LaVon Hudkins and Mrs. J. C. Perkins poured. Miss Maxine Hudkins of Ann Arbor had charge of the guest book assisted by Mrs. A. J. Bailey of Danville, Illinois. Mrs. Thomas Ross and Mrs. Raymond Ross of Manchester had the placing of gifts.

The bride attended Manchester High School. Her husband is a graduate of Hillsdale High School and served in the Armed Forces. He is employed at the Double A Products Co. of Manchester.

For her daughter's wedding Mrs. Ross chose brown lace with beige accessories and a corsage of feathered yellow carnations. The bridegroom's mother was wearing orchid and pink chiffon with matching accessories and a corsage of pink carnations.

The couple will make their home at 5911 Madden, Dexter.

Mrs. Lawrence E. Bash

Open house is always a popular event and Sergeant Anderson is hopeful the response is repeated. The Michigan State flag as well as the American flag will be flown at the post each day of Michigan Week, which extends from Sunday, May 16 through Saturday, May 22.

APPROVE ART TEACHER Manchester Board of Education at its regular April meeting approved the addition of an art teacher to the present program. This person will be responsible for the art program in the Junior and Senior High Schools and will also act as art consultant to the elementary teachers.

This action was taken on the recommendation of the administrative staff and the citizens' committee who felt that such a program was necessary to the Manchester curriculum. Plans are underway at the present time to interview prospective candidates from several universities.

At the Junior and High School level this person will be teaching in addition to the regular art courses, art appreciation and crafts.

SCHOOL TAX LEVY cont'd. from page one.

Total levy as proposed is 3.02 mills more than last year or an approximate increase of from \$5.64 in Bridgewater to \$10.20 in Sharon per \$1,000 assessed valuation.

This will be voted on in the school election on June 14. At the conclusion of the formal presentation a question and answer period shed further information on the project. Klager asked for a show of hands in favor of the project also opposed to the plans as presented. In the opinion of several observers it was indicated that the number of people in favor of the proposed school building project was about 6 to 1.

The Board of Education members and members of the administration would be pleased to meet with any group or organization to discuss this building program at their convenience.

GEORGE MERRIMAN HONORED IN MILAN

Retired Postmaster George Merriman has been presented with a plaque "in appreciation of services rendered" by the Michigan Chapter of the National Association of Postmasters at the Milan meeting Saturday. The presentation was made by Sherwood Shaver chapter president who said that, "Merriman is receiving honorary recognition and esteem for his efforts in promoting the postal service."

Merriman retired Monday, Oct. 12, 1964 as local postmaster. He had held the post for 22 years and six months. He had served as acting postmaster from April 1942 to October 12, 1946 when he was installed as postmaster. When he retired there were 1150 box holders in Manchester compared to 900 in 1942 and a total of \$36000 receipts compared to \$15,000 when he took over.

Merriman was noted for his ingenuity and in 1948 George rigged up his first cancelling machine with the motor from an electric mixer. Now there is a motorized cancelling machine.

VALUATION Harrison said in introducing the new valuation figure that the accelerated annual rate of increase apparently will continue in the near future.

Ann Arbor's equalized valuation was set at \$275,647,254 which is 37.56 per cent of the total county valuation. Last year the city's valuation was \$257,819,284, or 37.27 per cent of the county total.

School districts, the county and some townships will use the state equalized valuation against which to levy their regular and extra-voted millage rates this winter. The state equalized figure is usually the same or close to the rate set by the county.

If the county board holds the line on the millage it will levy for 1966 county operations, the present 4.8 mills will yield

ceremonies Monday afternoon. Standing with them are two ... etc.

The story, pictures and map took the complete front page of the Manchester Enterprise of that date. Reading the story we find the following and we quote again, "It was Hendley who first interested the firm in locating here and negotiated the transaction of the land." End of quote.

Now, if there were some who just might have missed this in the local paper, did they miss a 3 column pix in the Jackson Citizen Pat of Sept. 22, 1964 which read and we quote, "J. C. Hendley, left, Manchester attorney who handled negotiations for locating a new Hoover Ball & Bearing Co. plant in the village handed a silver plated shovel ..." etc. End of quote.

Below this is a feature story on the ceremonies which began, "A priest offered a prayer, a stick of dynamite exploded, and two balloons were set free. Thus, Manchester's new Hoover Ball & Bearing plant had its beginning Monday."

"The event was groundbreaking ceremonies for the plant, which when completed in June 1965 will employ 75 persons. "Three representatives of the company took a silver-plated shovel from J. C. Hendley, Manchester attorney and broke ground at exactly 5 p. m."

"But already bulldozers were working away leveling off the land for the plant which will be a brick, block and aluminum building covering 43,000 square feet. (etc) "The quote continues----

"It was only fitting that they were handed the shovel by Hendley, for it was he who had negotiated the transaction and interested the firm in locating here." End of quote.

Now, George, are we off the hook? Is this clear? Believe us, Sir, we can write the news--but if someone chooses not to read it, don't blame us.

Now then, if there is anyone who missed the first stories--did they get it the second time around? Thank you!

OPEN HOUSE SUNDAY AT NURSERY

Manchester Coop Nursery youngsters and their teacher, Mrs. Russell Wolff in one of their story hours at a regular session of classes at the Emanuel Church hall. Open house from three to five is planned for Sunday, May 2nd. Several parents will be on hand to explain the purpose of the nursery and the fine things the children do. Coffee and cookies will be served. In a recent trip to the Klager Hatchery in Bridgewater the children had an opportunity to handle chicks and see the various stages of incubation and were quite enthralled with the hatching of the eggs.

WASHTENAW'S VALUATION RISES BY \$42,188,400

The Washtenaw County Board of Supervisors on Tuesday set the equalized valuation of property in the county at \$735,836,400, which is \$42,188,400 more than last year's state equalized valuation.

The jump this year is much greater than the \$13,000,000 increase from 1963 to 1964, and the nearly \$10,000,000 rise from 1962 to 1963.

The greatest increases are in Ypsilanti Township, \$24,594,504 and Ann Arbor, \$17,827,970. Most of the increase is accounted for in new construction and increased inventory.

The report was given to the Board of Supervisors by Robert M. Harrison, acting chairman of the supervisors equalization committee, in the absence of the chairman, Clayton Parr of Manchester. Mr. Parr is at Herrick Memorial Hospital, Tecumseh where he was taken Sunday. Valuation col.3

VALUATION \$3,522,414, or \$202,504 more than it produced on an equalized valuation for 1965 of \$691,648,000. If the county supervisors chose to levy the full 5.5 mills under the fixed division of the 18 mills adopted by county voters last November, the tax will yield \$4,036,100, or \$716,190 more than the county realized for the 1965 budget.

This year's equalization for the county's three cities, Ann Arbor, Saline and Ypsilanti, account for 47.78 of the county total and the 20 townships account for 52.222 per cent. The equalized valuation for property in the county are as follows: Bridgewater, \$4,157,636; Dexter, \$6,697,808; Freedom, \$7,023,380; Manchester, \$7,763,227; Saline, \$4,377,810 and Sharon, \$3,557,941.

DOCTORS FIND SKATEBOARDS HAZARDOUS

Dr. Otto K. Engolke, Director of the Washtenaw County Health Department warns that many fractures, sprains, and dislocations have resulted from skateboarding accidents in the last few weeks. The Health Department is in the process of assessing the potential risk of the skateboarding fad. Preliminary investigation indicates that since April 1, the University Hospital Emergency Department has seen at least 15 fractures and sprains—particularly broken and sprained ankles. It was reported that most of these were injuries to college students. Statistics are not available from St. Joseph's Hospital at this time. Three Ann Arbor physicians, located in the same office, reported that they became concerned about the hazard of skateboarding after they saw 4 fractures in one day. In the 9 days that a count has been

kept, they have seen 8 people with broken bones. Another physician has had 4 patients with fractures. Of these 12 fractures, 3 were adults and 9 were children. Concensus of opinion among several physicians was that they know of no safe method of riding a skateboard. Several have forbidden their own children to use skateboards. One physician warning came after his child broke his arm skateboarding.

MOTHER-DAUGHTER BANQUET SLATED

Mother-Daughter Banquet at St. Mary's is set for Sunday, May 2nd at 10:30 p.m. at St. Mary's Church Hall. Tickets are available at Brown's TV. SCHOOL BOARD MEMBER'S TERM EXPIRES

There will be one four-year term open at the June 14 regular school election. The term of Dan Boutell, treasurer of the school board expires at this time. Petitions of nomination for this position must be filed with the secretary of the Board of Education no later than 4:00 p.m. Saturday, May 15. Petitions are available at the Superintendent's Office in the Nellie Ackerson Building. DANCE CHAIRMAN TO COLLECT FEES The Parent Teacher dance chairman will be at the regular classes this Tuesday, May 4th and Thursday, May 6th to collect delinquent fees. This is the last opportunity before the recital May 14. PTA chairman suggests that parents check and make sure fees are paid up this week.

VARSIY CHOR TO GO ON TOUR MAY 10, 11, 12

Manchester's High School Varsity Choir, under the direction of Roger Morrison will make a tour of high schools on the western side of the state May 10, 11, 12. The choir will perform at Bridgman High School, Shelby High and Custer High. It is expected that one more school will be included on the tour. The students will stay overnight in Custer and Bridgman at the homes of students from those schools. Mrs. Morrison will accompany the group. Members of the choir are: Karen Dorff, Kim Swartz, Brenda Eames, Mary Lou Loeman, Nancy Walker, Dennis Hamilton, Doug Hankes, Paul Bus, Fred Randall, John Pratt, Bonnie Burkhardt, Carol Niehaus, Lucy Feldkamp and Mr. Morrison. Benefit coffee will be held at the home of Mrs. Stanton Roesch to raise money to help defray expenses of those going on tour.

PFC SCHIEL RETURNS TO FT. BLISS

Pfc Chas. F. Schiel flew by jet from Metropolitan Airport Wednesday to his base at Ft. Bliss, Texas after a 20 day leave with his parents, Mr. and Mrs. Floyd Schiel of Manchester. On March 1, 1965 the new 27-ton self propelled 5" Howitzer arrived at Ft. Bliss, replacing the old 5" -16 ton gun which was pulled by a 30-ton track. Pfc Schiel was allowed to fire the first 5 rounds from the new gun in his battalion. Schiel's job on the new gun is loader-rammer or No. 1 Man as he is called. His job consists of working levers which automatically loads the guns and rams it. On the old gun it took 2 men

to load the rounds (200 pounds each) and four men to ram it. While on leave Pfc Schiel learned that some of the old style 5" guns have been sent to Vietnam for use by the US Marines. Although the new gun is automatic and much easier to handle, Charles still has a soft spot in his heart for the old gun. "When a Charge 5, White Bag, goes off in one of these babies, it really makes you glad you're on the firing end and that's for sure," he said.

METHODISTS HAVE SPECIAL SERVICES

Manchester Methodist Church will have special services Sunday May 2nd at 11:00 a. m. with baptismal services for babies, children and adults and reception of members into the church. Visitors from Flint are expected to number twenty or more. The occasion will be the baptism of the second baby, Julie Anne, for the parents, Mr. and Mrs. Ron Eaton. Rev. Mr. Jesse Epps, pastor performed the wedding ceremony for the parents at the Epps' cabin at Lake Louise at the time he was pastor of the Bristol Methodist Church. The couple's first baby was also baptised in the Manchester church. Grandparents on both sides of the family with uncles, aunts and cousins are expected to make up the party and stay for a potluck dinner which will follow the Sunday morning service. An outstanding musical event will be held in the Methodist Church Saturday, May 8th at 8:00 p. m. when the Toney Brothers, a male quartet from Detroit will give a musical program of sacred numbers that will be of interest to every member of the family, according to Rev. Epps. Whenever these men and their accompanist have gone, they have filled the churches by people wanting to hear them. Several Manchester people have heard them sing and have been so thrilled by the personalities, their music and message that there were steps taken to have them here. The public is invited and urged to attend. There is no admittance charge, but a free-will offering will be taken. WOMAN HEADS LOCAL PTA Mrs. Norman Bucholtz was elected president of the Manchester Parent Teacher Association at Monday night's annual election of officers. The new father vice president is Paul Boehler and the mother vice president is Mrs. Clarence Fielder. Phillip Mains is the teacher vice president and Richard Kuntz is the secretary. Keith Doelker retains his post as treasurer. This is a two-year term, of which he has served one year.

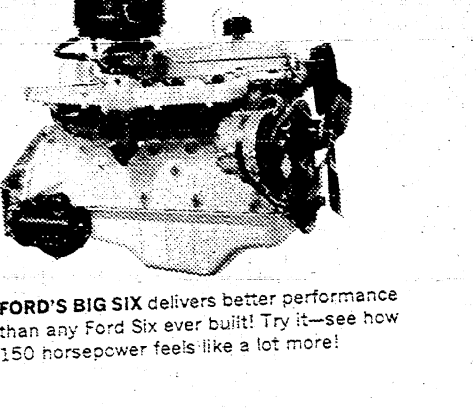

ART TO BE TAUGHT IN LOCAL SCHOOLS

The Manchester Board of Education at its regular April meeting approved the addition of an art teacher to the present program. This person will be responsible for the art program in the Junior and Senior High Schools and will also act as art consultant to the elementary teachers. This action was taken on the recommendation of the administrative staff and the citizens' committee who felt that such a program was necessary to the Manchester curriculum. Plans are underway at this time to interview prospective candidates from several universities. At the Junior and High School level this person will be teaching in addition to the regular art courses, art appreciation and crafts. IMPROVES FROM HEART ATTACK Donald Ross is reported to be improving at Tecumseh Herrick Memorial Hospital where he was taken Saturday after he suffered a heart attack.

You can't fill a barrel beyond its shortest stave. Likewise, you can't reap from your farm a yield greater than can be produced by the one plant food in shortest supply.

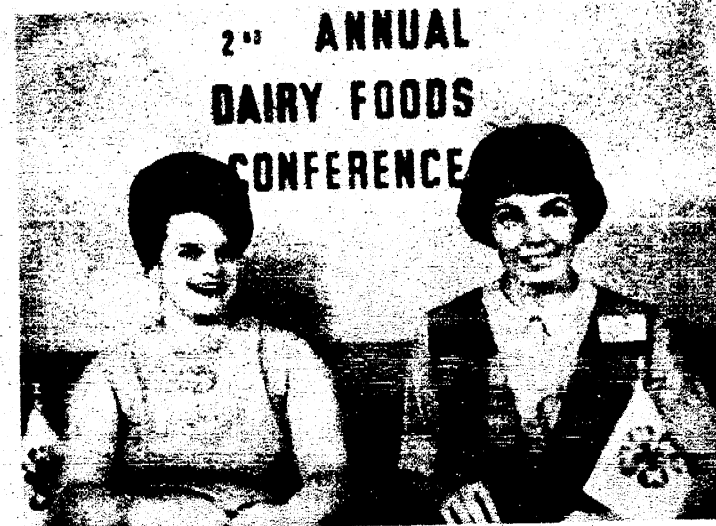

The 16 staves in this barrel represent 16 essential elements scientists know are necessary for plant growth. A deficiency of any one plant food will limit yields long before the deficiency is severe enough to be observed in your field. Could a deficiency of any one of the 16 plant foods be limiting your yields?

Give your crops all the plant food they need for abundant growth. Use PELLEFORM with TREL. Clean, green pellets of uniform size have maximum water solubility. TREL, Smith-Douglass' exclusive formula of trace elements, is added.

There's a grade of PELLEFORM with TREL for every crop and soil.

4-H GIRLS STUDY DAIRY INDUSTRY AT MSU

Linda Neal and Janet Kemner from Washtenaw County were among eighty 4-H girls who studied the Michigan dairy industry at the second annual Dairy Foods Program held at Michigan State University's Kellogg Center, April 25-27.

The program was designed to teach young women the nutritive value of dairy products and to create an appreciation for the dairy industry and its economic importance to Michigan.

The primary aim of this program is to give the 4-H girls a greater knowledge about the dairy industry and to train them to serve as resource persons in their home counties.

A panel, moderated by Pat Morris, Women's editor of station WXYZ Detroit, discussed career opportunities for young women in promoting and marketing dairy products.

Special speakers from Michigan State University included: Dr. Malcolm Trent, professor of food science, who discussed new developments in cheese; Dr. Dana Cederquist, chairman of good food and nutrition, who spoke on teenage nutrition; Dr. Charles Lassiter, chairman of the Dairy Department, who mapped out the future for Michigan's dairy industry; and Dr. C. M. Stine, associate professor of food science, who introduced new dairy products.

Boyd Rice, manager of the American Dairy Association of Michigan also took part in the program. The dairy association is sponsor of the Dairy Foods Program

DISTRICT SPRING MEET HELD IN SALINE

Nine members of the Manchester Business and Professional Women's Club attended the District 8 Spring meeting Sunday, April 25 at the new Leutheuser's Restaurant in Saline.

Some of the members attended the morning session at 10:30 and others attended the dinner and afternoon session.

Speaker was Mrs. Jdu J. Lee, Volunteer for the Michigan Society for Crippled Children. Her topic was "Rehabilitation, A Challenge to Youth". She stressed the very crucial need for volunteer workers to help rehabilitate both children and adults.

Those who attended from the Manchester Club were Ethel Griffin, LuVerne Armstrongs, Dorothy Jacob, Gertrude Fielder, Olive Hazen, Dorothy Purfield, Margaret Kappler, Charlotte Timmerman and Alice Walk.

SHAKESPEARE CLUB MEETS AT HATHAWAY HOUSE

The Manchester Shakespeare Club ended the year by dining at Blissfield's Hathaway House Tuesday, April 20.

Sixteen members and two guests were seated in one of their two dining rooms. After the club was served they were shown through the house where many interesting displays of gifts and antiques were on display, as well as other rooms for banquets and parties.

The members returned home feeling that the afternoon had been well spent.

Club meetings will resume again on October 5 for a trip to the Toledo Museum. This was the first time the Shakespeare Club had dined out.

STATE POLICE ISSUE WARNING TO CHILDREN

Because child molestation incidents increase heavily in spring and summer, parents should caution their youngsters now against going for walks or rides with any strangers, said State Police Sgt. Carl Anderson, commander of the Clinton State Police Post.

building or loitering in an alley can too easily become the prey of a molester.

Any incident involving molestation of children should be promptly reported to police. Sergeant Anderson said this will expedite investigation which can help thwart possible other attempts by an offender.

Children should not go for walks or rides with any person without parental approval.

Because public rest rooms, isolated places or vacant buildings can be high danger areas, children should be instructed not to loiter there.

Youngsters should be advised to remember unusual features about suspected molester and about any car which may be involved.

KODA'S KORNER

Many citizens comment privately that they don't wish to upset things because Manchester is a small community in which they must live and work with the public officials. These citizens make no protest concerning closed meetings or executive sessions where decisions of public interest are made and suppressed in order not to upset the status quo.

Now in a small town like Manchester we don't have to contend with outright graft and corruption like big cities do. But a more insidious attitude applies in Manchester. Father knows best; now run along, children, and don't bother us as we run the town.

THE FACT that our local officials are sincere, honest and able does little to mitigate the fact that the citizenry is encouraged to keep aloof from village affairs.

It is the responsibility of newspaper and town governors to make sure that the public is informed on public issues... whether it wants to be or not!

If the Enterprise and village council is unwilling to assume this responsibility we ought get out and try some other endeavor.

People hate homilies and flag-waving. But we ought to periodically re-examine our jobs. We ought not to be ashamed of ethics and duty and responsibility. Actually we are not ashamed of them, we're only ashamed of speaking of them publicly.

We who deal with the public have a unique job with responsibilities. As long as we discharge our duties well and faithfully there is a still a fighting chance for decency dignity and progress.

We stand ready to be the communication center for all governing bodies and the people of this community.

ENTERPRISE REPORTS ON VILLAGE COUNCIL

The village is looking for means to dispose of tin cans and bottles because the dump is about full.

The village council Tuesday discussed the possibility of purchasing a new dump site and also heard an explanation of a large container for dumping purposes.

R. F. Duckham Jr., operator of Dependable Garbage Service, told council he could place a large container in Manchester. He explained, however, that bricks, plaster or wood could not be placed in the container.

The council also agreed to the terms of office for the village planning commission. Edward Galloway and Allen Schaffer will serve 3-year terms, Fred Leeman and L. V. Kirk, two years and Douglas Higgins and Millard Uphaus, one year.

Asked what yard stick was used to determine qualifications for the planning commission president Bentschneider explained, "I wanted a representative group. Douglas Higgins was chosen because he is a member of the Jaycees and we want that organization represented."

Higgins joined the Jaycees last fall and will become a member of the board of that organization when new officers are installed this summer.

June 7 is the date for the public hearings on the requests of Don Sutton and also of Walter Gamman to rezone their properties from residential to multiple dwelling. The Sutton property is in the Duncan Street-Adrian St. area.

Walter Gamman is seeking the same type zoning on his residence at 120 So. Clinton, the former Edith Kapp residence.

In a phone call to council, during business session Richard Knouse asked to postpone action on his house building project on Sunset Drive until May 18.

D. E. Limpert asked council when a "Stop Work Order" was posted on his property. He said it wasn't there at 9:30 p.m. Monday but was posted before 7:30 a.m. Tuesday. He had understood that a permit issued to him last July 24, 1964 was sufficient for the erection of a rear stairway to his Main Street property. Councilman Robt. Lowery said he checked the property at 6:30 p.m. and the restricting sign must have been posted by C. W. Knass sometime later.

Limpert asked if council was using their best way of promoting good public relations, when they tacked up a sign rather than call him on the phone and explain that he was violating a ruling.

Councilman Robert Clark answered by saying council used "a way" in getting the message to Limpert. He was given an application for a permit which he was told would be granted when the application is returned.

George Koda, of the Manchester Enterprise was told that his request asking that council reconsider and print the proceedings along with council proceedings, will be tabled until June.

BLOOD CLUB 'INDEBT' 14 PINTS TO DATE

Manchester's Blood Club is in debt again—14 pints to date.

The Bloodmobile from the Regional Red Cross Blood Bank is scheduled to be in Manchester Thursday, May 13th.

Come to the Emanuel Church Hall between 1:00 and 7:00 on May 13 and let the 14 residents of the area who have used 78 pints of blood since January 1, 1965 know that you are ready to help.

A change in routine makes the customary break between 5:00 and 6:00 a slow-down, so half as many donors can be accommodated continuously during that hour.

A Community Red Cross Blood Club takes care of all the blood needs of all the residents in the prescribed area. In Manchester this includes the Manchester school district and all of Manchester Township as well as the employees of Double A Product and their immediate families.

Advance registration is important for a smoothly operating clinic. Registrations will be taken at Double A through the arrangements of the committee, Fred Leeman, Irving Gill and Mrs. James Baker. The public may register for the Bloodmobile at the Union Savings Bank Red Cross table or Uphaus Rexall Drug Store.

If it is more convenient, call Mrs. Roland Grossman at GA8-2311 or Mrs. F. M. Reck at GA8-4491 and leave your name and appointment time preference. Donors may be between 18 and 60 years of age. Those between 18 and 21 must bring a parental release slip or they can not be accepted, unless they are married or in the armed services.

K of C. PREPARE FOR MOTHER'S DAY

ROAST BEEF IS KNIGHTS' CHEFS SPECIAL: (l to r) Al Simmons, Grand Knight; Lehman Wahl, chief cook; Herbert Bersuder, assistant to chief; Bob Funches, Deputy Grand Knight; Clarence Fielder, publicity head; Spike Benedict, treasurer; L. V. Kirk, building chairman; Russell Aiuto; chef.

Mother's Day is for mothers. That is the way the local Knights of Columbus view the situation.

"In order to give our wives a vacation on that day, many of us have found ourselves cooking Sunday dinner for the wife and children--and sometimes for company as well," Clarence Fielder, publicity chairman for the eighth annual roast beef dinner, explained.

Most of the membership of the Knights of Columbus are husbands and fathers. The Knights of Columbus Father Fisher Council was formed here about nine years ago and son after the Knights started to work on their building which houses the United States Post Office and their lodge hall.

All of their spare time was spent putting up the building, because each member could contribute something. Some were carpenters, others were masons, plumbers etc. The work was their donation. They went in debt for materials.

They planned to earn money in various ways. Lehman Wahl was a good cook and throughout the eight years he has engineered every dinner that the organization has put on.

The membership, eight years ago, put their heads together, before Mother's Day and decided this could be another affair for the K of C's. Instead of each one cooking dinner at home on mom's day off, they'd pool their efforts and put on a roast beef dinner. They'd invite the public!

For the first few years the dinners were held in the hall at St. Mary's church. It took two years to erect the K of C building.

Now ten cooks prepare the dinner. There will be roast beef, mashed potatoes, gravy, green beans, cole slaw, relishes and home made pies. The pie department is the only area in which the Knights solicit help. Fielder says that they ask the ladies to make the pies. The dinner is served family style.

Tickets are sold at the door. Working with Fielder on publicity is L. V. Kirk and Harold Burch, who Fielder says, "do a great job of working out details."

About forty other men pitch in to help the cooks. The Knights of Columbus of Manchester are known for their excellent food, and the speed and efficiency with which it is served. Above all, Lehman Wahl emphasizes the necessity to serve the food hot.

These boys are not inexperienced. Their chefs peel through bushels of potatoes every year while putting on at least 15 different dinners for various groups every year, from weddings to Mt. Exchange banquets.
