* MAIN STREET

However, those who are interested in getting clothing, bedding or food stuff to their family can do so through the Manchester Social Service by calling its president, Mrs. F. M. Zwick at GA8-4481 for more information. Beds and mattresses are urgently needed and other furniture. The social service is anxious that they be constructed before the winter sets in—to be sure they will meet the immediate needs of the family.

The local fire department has been busy this week. They answered a call to the Mr. Farber's home when the woodstove caught fire. Men say that he can't blame the department enough for their assistance in putting out the blaze.

The department was called again when one of the Max Seltzer's logging trucks caught fire on City Road. Apparently little damage resulted on this call.

We are beginning to wonder if something we learned in school has been outmoded. One of the first and most important things we were taught in school was to be a good sport. It was more important in those days to learn to be a good sport than to be a winner. To learn to respect another's property is part of being a good sport today in it was merely years ago. School principals in Manchester and Napoleon are working to find out who cut the tires on a Manchester school bus and also slashed the top of two convertibles belonging to Manchester. A side mirror was ripped off of a car belonging to Napoleon and the left back tire on his car was also cut. Something is wrong and school authorities are determined to get to the bottom of the trouble. Sports used to be a part of the school's curriculum to teach students not only to play a game well, but primarily to develop the admirable qualities of GOOD SPORTSMANSHIP.

There is a new line on Main Street. Wayne Ray purchased the Corner Mobil Station from Neil Baggett last week. Wayne has been employed at the Double A Poolroom for six and a half years before deciding to try some other type of work. We wish him good luck in this venture.

We want to pass along another bit of information. Saturday at least three people from Manchester will be in Ann Arbor taking the Civil Service Exam for the position of Postmaster for Manchester. Just how many others will be vying for this post cannot be ascertained at this time because others in the area might also be applying for the job. Marvin Kink has been acting postmaster here since the retirement of George Merriman.

BOSSSES NIGHT COMING UP

Manchester Jaycees annual Bosses Night will be held at 6:30 p.m. Thursday, Jan. 27 at Bill Cones Restaurant in Jackson with Donald E. Dufek, Back field Coach at the University of Michigan as the guest speaker.

HOSPITALIZED

W. J. Kiss had an appendectomy at St. Joseph Mercy Hospital in Ann Arbor on Sunday evening. He is reported to be improving.

HOSPITALIZED

Herman Kulenkamp is a patient in Foote Hospital, Jackson where he has been confined for about 5 weeks following a knee injury.

AT HOCKEY GAME

Richard Krouse, William Hamilton and sons and Fred Heinrich attended the hockey game in Ann Arbor Saturday evening.

PERSONAL

Mrs. Laurel Breitenwischer spent from Saturday to Wednesday with Mr. and Mrs. LeRoy McKnight of Pontiac.

TALENT?

Ironworkers building a garage in Pittsburgh took one look at the sculpture in the nearby Three Rivers Arts Festival and then welded together a birdlike figure of steel reinforcing rods, washers and a drift pin on their lunch hour. They smuggled it into the art show and it was promptly sold.

THE MANCHESTER ENTERPRISE

Year No. 4 Independent in all things. Devoted to County and Home News. January 27, 1966 10 Cents

TORN OUT FAMILY GRATEFUL FOR HELP

A Manchester area family that lost most of their possessions in a fire that swept the farm house in which they lived on Allen Road, northeast of Manchester, is now living at the Ben Uphaus house on Manchester-Chelsea Road.

Joseph Ginter said he could not begin to thank the volunteer fire department enough for the quick response to the call for help.

People in the area have contributed furniture, clothing and food stuff. Much of this was brought in by the Community Family Service and the Ann Arbor Kiwanis Club. Bob Barden, Kiwanis Chairman helping needy families and Don Butcher, also on the committee invited Ginters to go to their warehouse in Ann Arbor and pick out articles which they could use. A truck from the Burger Building Company brought a refrigerator, washing machine, washers, television, living room chairs, records, books and clothing back to the Ginter home—a gift from the Kiwanis Club.

The big annual Kiwanis sale will be held at the Ann Arbor Armory on East Ann Street, Feb. 3, 4 and 5th. Anyone having articles which they would like to donate can call No. 5-0450 to arrange for pick-up.

The Joseph Ginter family is anxious to express their heartfelt thanks to the excellent way in which the fire department responded to their call for help when fire destroyed their home last Monday night.

They are very grateful too, to the people of the community for donations of clothing, furniture and food stuff.

Mr. Ginter said that they were very lucky to find another house in the area in which to live. The two children, who had been attending the Clinton Schools have enrolled in the Manchester school system.

So, once again in just two weeks the Manchester Fire Department can take a bow and accept bouquets for their excellent work in their out effort to put out fires in the area.

VARIETY SHOW COMING UP

A variety show is slated for February 1 at the high school at 8:00 p.m. and is sponsored by the Band Boosters Club to raise money for scholarships and uniforms.

There will also be a candy sale held in conjunction with the variety show.

The Band Boosters meeting which had been set for January 31 has been postponed to Tuesday, February 8 at 8:00 p.m.

Of particular interest will be the entertainment which will include band members playing solos and ensembles at the meeting. This is in preparation for the Band Festival on February 12 for the Senior Band and on February 19 for the Junior High Band.

SCOUTS AND MORE SCOUTS! The largest assembly of Boy Scouts ever to attend a Scout Optimist Banquet, for a total of 25 scouts set down to dinner at Emanuel Church Hall Monday evening. The boys put their hosts on their toes when it came to introductions following the dinner. Plans called for each scout to be introduced by the Optimist seated next to him. —But there were not enough Optimists to go around. Acting chairman Robert Swartz called on Fine Master L. V. Kirk to do the

honors. Fast thinking Chick Kirk conned Ray Tirk and Clarence Fielder to do the honors. But Swartz made one stipulation in his request to Kirk—if Chick passed the buck, the fine master would be fined a buck. Scoutmaster Robert Armentrout and assistant Ron McNally gave the Optimist's an up-to-date report on the work of the forty boys who are now registered in scouting.

MEDICARE PROGRAM

The Medicare program is having a slow beginning in Washtenaw County. There are about 5,300 eligible residents in the county who have not signed up according to Robert A. Kehoe, local district manager of the Social Security Commission. There are about 8,700 persons signed up at this time and leaves a long ways to go before the end of March—which is the deadline for signing.

William Philippe, assistant district manager of the Social Security office says that there are 10,000 area residents already enrolled under social security and these do not pose a very great problem because they will automatically receive Medicare hospitalization. But if these people want the medical insurance part of the program—the part that helps to pay the doctor bills and many other medical bills they must meet the March 31st deadline. To the person having social security benefits this cost would be deducted from the monthly check. The cost for the medical part of the program is \$3.00 a month.

Philippe said that it is the belief of his office that perhaps thereason the 5,300 have failed to respond is because they do not understand the program fully. Some may not want it and still others are waiting to see if their own insurance which they carry might not be adequate to cover the same medical expenses.

Those who do not sign up by March 31 will have to wait until the end of 1967 before they will be given a chance to sign up again and the monthly payments are predicted to be more than the \$3.00 a month. If people have further questions they are asked to contact the Ann Arbor Social Security office for help.

TO VISIT HOSPITAL

The Iron Creek Study Group will meet at the Emanuel Church Parking lot at 12:45 p.m. Thursday, Feb. 3 to go to the Ypsilanti State Hospital. Each member is asked to bring two dozen cup cakes.

CO-OP NURSERY TO HAVE SPEAKER

At the February 2nd meeting of members of the Co-op Nursery Robert Fisher, Chairman of the American Red Cross will demonstrate the U-M, as assistant to the president. This meeting is slated for 8:00 p.m. at the Emanuel Church lounge.

ELECTION OF OFFICERS

Ted Stautz

Manchester Fair Board held the annual meeting and election of officers at which time Ted Stautz was reelected for a fourth term as president of the Board. Other officers also reelected were vice president, Jesse Walker; secretary, Maynard Leach, and treasurer, Lehman Wahl.

Others besides the officers named to the Board of Directors were newly elected Elmen Kopka and James Lyon. They will serve with Ellis Pratt, Lawrence Kemmer Willis Uphaus, Willis Hassett, Lowell Spike and Maynard Blossom. The fair dates have been set for August 16, 17, 18, and 19, 1966. In other business the Board agreed to ask the Carpenter Brothers Amusement Company to be at the fair. The next Fair Board Meeting will be February 16 at the K of C hall at 8:30 p.m.

ADMINISTRATORS APPOINTED FOR COMMUNITY COLLEGE

There are five administrative positions being created at the Community College and two of them have been filled.

The new positions are recommended by President David H. Ponitz to compose a complementary administrative team. They are: assistant to the president, business manager, dean of general studies, dean of occupational education and dean of student personnel services.

The appointees are Lloyd H. Van Buskirk, now director of campus development of Oakland College, as business manager, and David S. Pollock, director of university-community relations at the University of Michigan, as assistant to the president. Study of the formative plans for the study and suggested participants

CLERK NOTES REGISTRATION DEADLINE FOR VILLAGE ELECTION

The last day to register for the annual Manchester village election will be February 11. Lyle A. Widmayer, village clerk will be at Tibb Chevrolet at 131 Adrian Street to register voters at that time. The new law requires that voters be registered at least 13 days preceding the election.

There will not be a primary election here because there was not more than one candidate for each office in each party. Both the Citizens and the Progressives have candidates in the annual village election.

FAMILY POT LUCK PLANNED AT ST. MARYS

A family pot-luck dinner is planned for next Sunday at 6:00 p.m. Each family is asked to bring two dishes to pass (according to the size of the family). Table service, bread and coffee will be furnished.

The American Legion Auxiliary will again assist the public in obtaining their license plates at Sutton Insurance Agency during the month of February on Wednesdays, Fridays and Saturdays.

The Auxiliary voted to give a donation to the March of Dimes and the Easter Seal Drive this year.

Mrs. Ronald Jenter is in charge of "Good Cheer" for the month of January.

On the refreshment committee for the February meeting are Mrs. Robert Ahrens, Mrs. Paul Guenther, Mrs. Lauren Huber and Mrs. Ella Kern. Mrs. Basil Schwab is the club reporter.

IRON CREEK MEET

The Iron Creek Women's Missionary Society met at the church Thursday to sew and roll bandages.

Mrs. Lo Ren Trolz was hostess chairman for the cooperative dinner at twelve thirty. Mrs. Mina Trolz was honored with a beautifully decorated birthday cake. Her 88th birthday will be on Jan. 28. Mrs. Orle Hand was also honored on her birthday which was January 21st.

Mrs. Charles Carlton was the devotional leader. Thank-you notes were read for the remembrances sent to the sick and shut-in.

The new society president, Mrs. appointed the following committees: Social—Mrs. Lawrence Paul, Mrs. Ray Johnson, Mrs. Martin Keasal and Mrs. Thomas Hicks. Work—Mrs. Irving Kuhl, Mrs. Ruth Donko and Mrs. Gaita Cathey. Sunshine—Mrs. LoRen Trolz, Mrs. Chris Norgaard, and Mrs. Malcolm Billings.

The next meeting will be at the church Thursday, Feb. 17 at 10:00 a.m.

of a foundation to receive gifts, grants and bequests to the College will be made. Trustees Edward Adams Jr. and Kenneth L. Yound were designated to work with president David H. Ponitz to develop a procedure for the study and suggested participants

CLERK NOTES REGISTRATION DEADLINE FOR VILLAGE ELECTION

The last day to register for the annual Manchester village election will be February 11. Lyle A. Widmayer, village clerk will be at Tibb Chevrolet at 131 Adrian Street to register voters at that time. The new law requires that voters be registered at least 13 days preceding the election.

There will not be a primary election here because there was not more than one candidate for each office in each party. Both the Citizens and the Progressives have candidates in the annual village election.

The date for the general election is Monday, March 14. The primary method of nominating candidates replaces the caucus nomination method previously used in village elections. Legislators believed that the primary would make it possible for any citizen, on filing proper nominating petitions, to become a candidate for the village office.

FARM COUNCIL ELECTIONS

Four new board members were elected by the membership of Farm Council at the annual meeting held January 19 at the Rural Activities Center. Named to replace the retiring district members were:

Norwin Lesser, Dexter (Lyndon-Dexter Townships) replacing Dale Lindeman.

Fred Meyer, Ypsilanti (Ann Arbor-Superior Townships) replacing William Macaulay.

Richard Wheeler, Whitmore Lake (Scio-Webster Townships) replacing George Macomber.

Jesse Walker, 7012 Lamb Road, Manchester (Manchester-Bridge-water Townships) was re-elected to the board.

WEDDING DATE SET

Gaelene E. Wurster Mr. and Mrs. Arthur Williams of Manchester announce the engagement of her daughter Gaelene Ellen Wurster to Dale Edwin Homing, son of Mr. and Mrs. Edwin Homing of Chelsea. An August 27th wedding is being planned.

in it. Persons from all parts of the college district are expected to be included in the study group.

Ponitz said that industry is recognizing that the community college will help it maintain its competitive and prosperous status Continued on page 9

ANNUAL MARCH OF DIMES CAMPAIGN UNDERWAY IN MANCHESTER

SCHEDULE OF SPECIAL EVENTS ANNOUNCED

Mrs. Richard Wey, village chairman of The National Foundation - March of Dimes, announces the successful completion of the 1st half of the local fund raising campaign. A number of special events designed to give individuals of all ages and walks of life a chance to contribute to the work of the National Foundation, have taken place with more to follow during the final week of the annual drive.

A Teen Sock Hop under the sponsorship of Mr. Ronald McNally netted a total of \$44.00. The Hills and Valleys 4-H club held a balloon and peanut sale on Wednesday, January 26th. The Manchester Drug Store's 15th annual March of Dimes Coffee Day set a new record with total contributions of \$31.44. Another record was set by Hugh Sutton, who won the weekly free coffee for an unprecedented third time. Hugh is a bit reluctant to discuss his phenomenal luck with the guessing game this year because his wife is taking an active part in the local March of Dimes Campaign. Contributions are coming in daily from the mail campaign.

This Saturday, January 29th, the Jolly Farmer's 4-H club will sell balloons and peanuts at the County Market. On Tuesday, February 1st, the greatest fund-raising effort will be staged with the now famous Mother's March. The drive will culminate with a benefit dance on February 5th at the Spanglers Club.

COMMUNITY AWAITS ANNUAL INVASION

Mrs. Hugh Sutton, the 1966 Mother's March chairman, reports that she and her four Captains have recruited a total of 31 solicitors who will make a systematic canvass of every home in Manchester on Tuesday night, February 1st, starting at 7 p.m. when the church bells will ring.

This small army of enthusiastic mothers and other dedicated volunteers, still flushed with their victory over Polio and the recent discoveries in birth defect research, are determined to use their marching feet to stamp out birth defects.

Mrs. Charles Steele, working mother of three, who was 1965's top fund raiser of the Mother's March, is again finding time to call on her neighbors along Beaufort Street in behalf of the March of Dimes. Elaine sums up the attitude of many a marching mother when she says, "I'm so very grateful for my own normal children, that I want to do everything I can to eliminate birth defects so that all children may have the chance to live a normal life."

LOCAL AREA MARCH OF DIMES CHILD

Little Linda Molinare of Ann Arbor has been chosen Wash-tenaw County's March of Dimes Child for the second consecutive year by the local chapter of the National Foundation.

Linda is getting quite accustomed to making public appearances and enjoys having her picture taken. Although the family schedule of work and activities has to be changed constantly to allow for Linda's expanded "social" life during the March of Dimes campaign, her parents, The Walter Molinires of 533 S. 7th, Ann Arbor, are proud to have their daughter represent the more than 250,000 American Children born each year with serious physical or mental defects.

Linda was born with a defect known as "Myelomeningocele", an open spine. Doctors held little hope for her survival but the Molinare family refused to accept defeat. Linda's case was evaluated at the Birth Defects Clinic at the University Hospital in Ann Arbor and corrective surgery was scheduled. At four weeks, the baby underwent her first operation. The spine was closed and the small exterior growth removed. The surgery was pronounced a success. Then the child developed a condition known as "Hydrocephalus" (excess fluid causing pressure on the brain). Linda was operated on again and a plastic tube known as a "shunt" was inserted just beneath the skin on one of her temples to reroute the excess fluid back into her body to be disposed of normally.

The Molinare family hopes that those who saw Linda's picture or met her in person last year will be as encouraged as they are with her amazing progress. In January of last year, with both legs in braces, she was able to stand and take her first halting steps. This year, as she approaches her fourth birthday, she can walk—even run—on her sturdy-legs-encased in braces but without the aid of crutches.

If Linda had been born twenty years earlier she would probably have died. If she had managed to survive, she would surely have been institutionalized in a hopeless condition. Today, because of the research in birth defects and the Birth Defects Clinic supported by the National Foundation - March of Dimes, Linda Molinare is alive and well, a joy to her family and an inspiration to all who see her.

VILLAGE NOTICE

REGULAR COUNCIL MEETING
JANUARY 17, 1966

Council met in regular session. Called to order by President Bentzschneider. Trustees present were Clark, Dorff, McGuire, Koebbe, Lighthouse and Lowery.

Minutes of the previous meeting were read and approved. Bills were presented and received from their proper funds. Moved by Dorff and supported by Clark that bills be paid as read. All Yeas, carried.

Moved by Lowery and supported by Dorff that Alteration permit be granted Double A Products. All yeas, carried.

Moved by McGuire and supported by Koebbe - WHEREAS: Mayor Wendell A. Hulcher of Ann Arbor, Michigan, has proposed a nationwide campaign to return a portion of the federal income tax to the communities from which it is collected; and WHEREAS: This proposal would help provide the needed additional funds which are absolutely necessary to insure the proper operation of local government - for example, a return to the community of \$10.00 per person would provide over a million dollars annually to the City of Dearborn, and WHEREAS: Such a proposal would eliminate the need for the huge and costly federal bureaucracy which currently operates to distribute federal funds to local units of government; and WHEREAS: The needless amount of time lost in processing applications for federal funds and in distributing such funds to local government would be eliminated and the public would benefit from the elimination of this needless delay, and

WHEREAS: Local government leaders are in the best position to determine the needs of their own communities and to make proper use of such funds; be it RESOLVED: That this Council does hereby give its wholehearted endorsement to the proposal that a percentage of the federal income tax collected be returned to the community from which it was derived; be it further RESOLVED: That this Council hereby urges the Mayors and Councils of other Michigan cities and Villages to join in this campaign and give it their full support; be it further RESOLVED: That the members of Congress representing this area and the Senators from the State of Michigan be furnished copies of this resolution and are hereby urged to introduce the appropriate legislation which would make this proposal possible; be it further RESOLVED: This Council does hereby also urge local citizens to contact their governmental representatives and urge the adoption of this necessary legislation which will make it possible for local units of government to effectively meet the needs of their citizens and allow the money now being spent for administration of federal programs to be used productively in the area from which it was originally derived. All Yeas, Carried.

MEETING OF SPECIAL ASSESSMENT DISTRICT #2 opened. Special Assessment was presented as follows:
Richard Knouase \$150.00
Louise M. Way 175.00
Melvin Heselshwerdt 375.00
A. E. Patterson 65.00
Arthur P. Holstein 150.00

Moved by Clark and supported by Lowery Resolution 4 Special Assessment District # 2 be resolved as follows: WHEREAS, a special assessment roll has been prepared for the purpose of assessing part of the cost of the following improvement against property benefited by said improvement: Install 8 inch sanitary sewer line on the following described premises: On Summit and Sunset Streets in the Village of Manchester, Washtenaw County, Michigan, from a point of beginning in Summit Street 115 feet southerly of the intersection of a centerline of Summit and Sunset Streets; thence northerly in said Summit Street to Sunset Street; thence easterly in Sunset Street to Granger Street. AND WHEREAS, November 15, 1965 at 8:00 o'clock p.m. has been fixed as the time that the Village Council will meet to review said special assessment roll. AND WHEREAS, such meeting was adjourned with the final adjourned meeting being held on January 17, 1966 at 8:00 o'clock p.m.; AND WHEREAS, The Village Council has met at the aforementioned time and has heard all complaints and objections thereto. AND WHEREAS, the Village Council is of the opinion that said special assessment roll as amended should be confirmed: NOW, THEREFORE, BE IT RESOLVED THAT: (1) Said Special Assessment roll as amended which is hereby designated Special Assessment Roll No. 2 be and the same hereby is confirmed and ratified in the sum of \$915.

(2) Said Special Assessment roll shall be divided into three (3) equal annual installments, the first installment of said Special Assessment Roll to be due and payable on March 1, 1966 and the subsequent installments thereof to be due and payable on March 1 of the two succeeding years thereafter. (3) Interest at the rate of six (6%) per cent per annum shall be charged on all deferred installments of the Special Assessment Roll from March 1, 1966 to the date of payment of each such installment. 4. Said Special assessment and all interests and charges thereon shall, from the date of confirmation of said assessment roll herein provided be and remain a lien upon the property assessed of the same character and effect as the lien created by general law for state and county taxes until paid and interest at the rate of six (6%) per cent per annum shall be collected on deferred installments and interest at the rate of three fourths of one (3/4) per cent per month shall be collected on delinquent installments of said assessment from the due date thereof and in addition to such interest, a penalty of three (3%) per cent shall be collected on any installment not paid within the time prescribed for its payment. 5. All resolutions and parts of resolutions in so far as the same conflict with the provisions of this resolution be and the same hereby are rescinded. All Yeas, Carried. Absent Koebbe.

Moved by Dorff and supported by Lowery that we adjourn. Carried. Lyle A. Widmayer, Clerk

By Mary Whitman
Have you ever considered how difficult it would be to conduct everyday business transactions without money?

This was virtually the situation confronting early American colonists, points out Ken Bressett, numismatic editor at Whitman Publishing Company, Racine, Wis. Faced with a shortage of money in the early 1600's, our settlers resorted to barter as a medium of exchange, and used Indian wampum when trading with the redskins. Monetary scarcity was caused by reluctance of the British to ship coins over here.

Colonists finally took matters into their own hands in 1652, issuing crude pieces of money known as New England shillings. "The standard shilling was supplemented by two other coins, the threepence and sixpence," notes Bressett. "All were flat discs of silver with the emblem 'NE' (for New England) punched on one side, and denomination on the reverse side." However, simplicity of the design soon invited counterfeiting, so the coins were replaced by the Willow, Oak and Pine Tree series.

The earliest American coins were succeeded by a variety of private issues, and in 1787 the first federally authorized U.S. money appeared — the Fugio cent. After 1792, our present monetary system based on a dollar divided into 10 parts went into effect.

VETERANS HOSPITAL OFFERS JOBS

The Board of USCS Examiners for the Veterans Administration Hospital, Ann Arbor has announced that applications will be accepted from persons interested in employment for the following positions: Housekeeping aid (window and wall washer) WA-3, \$2.16 per hour.

This position is restricted by law to persons entitled to veteran preference. Applications for this examination will be accepted from persons who are not entitled to veteran preference, but such persons will be considered for positions only when persons entitled to veteran preference are not available. To qualify, experience is required in washing of windows with the use of safety belts. Information and application forms may be obtained from the Executive Secretary, Board of USCS Examiners, VA Hospital, Ann Arbor, Michigan 48105, or at any post office in which this announcement is posted.

OBSERVE 49th ANNIVERSARY

Mr. and Mrs. A. J. Stanley observed their 49th wedding anniversary early this week.

There are 17 million more people who play musical instruments in the United States than there were 15 years ago: 37 million in all. Two fastest growing instruments are the guitar and the organ.

Dutchmen Retain One-Game Lead In 'Lakeland C'

Manchester	W	L	Pts.
Manchester	6	0	12
Clinton	5	1	10
Brooklyn	4	2	8
Roosevelt	2	4	4
UNIVERSITY HIGH	2	4	4
Grass Lake	1	5	2
Whitmore Lake	1	5	2

Manchester broke open a close game in the second half by outscoring Brooklyn 51-37. The Flying Dutchmen showed good scoring balance, with Larry Fielder and Pat Wallace having 23 points each. Dave Miller and Brad Coffelt paced Brooklyn, now 4-2 in the league, with 14 and 10 respectively.

Manchester High School's basketball team took a giant step toward the league title while Clinton kept its hopes alive in Friday night. Manchester beat Brooklyn, 78-63, at Manchester to stay undefeated with a 6-0 league mark and Clinton topped Ann Arbor University High, 69-67, at Ann Arbor. In another league game, Whitmore Lake scored its first victory at the expense of Grass Lake, 58-48, at Whitmore Lake.

Win Streak Smashed

SALINE — Manchester High School's nine-game basketball winning streak came to an end Tuesday night as the Flying Dutchmen were defeated by Saline, 74-67, in a non-league contest. Manchester now owns a 9-2 won-lost record.

The Dutch hit only 29 per cent of their floor shots and fell victim to a fourth-quarter rally. Saline outscored Manchester 23-16 in the final period. Don Drake's eight points, plus five free throws in the last two minutes proved Manchester's downfall.

Larry Fielder paced the losers with 17 points and Pat Wallace had 15. Drake finished with 28 for Saline.

ROSS CAMPBELL TAKES PETITION FOR JUDGE OF PROBATE

Ross Campbell, Ann Arbor Attorney, today took out petitions for the post of second Judge of Probate—the first prospective candidate for this newly authorized position in Washtenaw County.

In addition to his private law practice, Campbell has served for nearly three years as a Referee hearing and recommending disposition of delinquency cases—in the Juvenile Division of the Probate Court by appointment by Judge John W. Conlin. Conlin is the county's only Judge of Probate at present.

Last summer the Michigan Legislature authorized a second probate judgeship for Washtenaw County to help handle the expanding duties of the Probate Court. That action culminated a bipartisan effort to cope with the caseload of the Juvenile Division of the court.

The Probate Court has been handling more than 2,300 new cases each year. A large portion of the work involves protection of abused and neglected children and control, correction, and rehabilitation of delinquent children. Judge Conlin has stated that the new judge will head the Juvenile Division of the court and that the new judgeship will be primarily a juvenile judgeship.

Campbell, a West Pointer, is a member of the Special Committee on Juvenile Problems of the State Bar of Michigan, a consultant to the Law Committee of Project 74, which is studying the needs of the juvenile court, and a faculty member in the Juvenile Court Hearing Officers Training Program of the

Institute of Continued Legal Education. He is the author of a recent State Bar Journal article on practice on juvenile court and has spoken extensively to local civic groups on the causes and correction of juvenile delinquency.

Campbell said, "The second judgeship, plus the unique scientific and social resources of our county, and the enlightened attitudes of our residents, gives Washtenaw County an opportunity to become a national leader in preventing and correcting juvenile delinquency and child neglect."

Voters will select the new Judge of Probate next November.

HOSPITAL AUXILIARY MEMBERSHIP DRIVE

Plans are underway for the annual membership drive of the Washtenaw County Hospital Auxiliary. This is a once a year effort to interest people in the county in taking out a \$1.00 membership in the Auxiliary. The fee is \$2.00 for groups.

These contributions are used to raise and maintain the standards of the hospital by the volunteer group. This group does many things to help give the many extras to the patients in the hospital—which could never be obtained with state funds.

Within the next two weeks many in the area will receive letters asking that former members continue their membership another year. Members are not asked to do more than pay the dollar fee.

But the auxiliary provides the cart service which the patients enjoy and which provide them with little personal articles which they need. The monthly birthday party at the hospital, Christmas gifts for each patient and programs are

arranged by the Auxiliary. There is a beauty parlor service, aid in the sheltered workshop, television and radio up keep, flowers during the spring and summer in the patio garden, draperies as needed and reading material for the patients. These are a few of the things which are made possible by the free will contributions through membership.

Persons interested in memberships are asked to contact trustees in their area or call the president, Mrs. Harry B. White at 662-3789. Contributions can be sent direct to Mrs. Lillian Shetterly, 630 Miller, Ann Arbor.

The trustees for this area include Miss Ida Dettling, Mrs. Thomas Masterson, Mrs. Leigh Ordway from Chelsea; Miss Marie Schneider, Mrs. Marie Schaefer, and Mrs. Floyd Parr from Manchester; Mrs. J. C. Huston, Mrs. LeRoy Mosher and Mrs. Walter Mast of Dexter.

Trustees from Saline are Mrs. Fred Arend and Mrs. Everett Wolfen and Mrs. Mervial Altenbernt of Milan.

CARL SCHWAB SURPRISED ON 72nd BIRTHDAY

Mr. and Mrs. Herbert Bersuder entertained for the 72nd birthday of her father, Carl Schwab on Saturday evening at a surprise party.

Guests included Mr. and Mrs. Paul Ulrich of Dexter, Mr. and Mrs. Louis Schneider of Tecumseh, Mr. and Mrs. Carl Schwab and Barbara Jean, Mr. and Mrs. Wm. Schwab of Manchester. Another son, Carl was unable to attend. The group enjoyed an evening of cards and refreshments were served by the hosts, including a birthday cake.

SUPERVISORS TO VISIT HOSPITAL PLANS

County Welfare Director Alfred Brose will ask the county board Supervisors to approve planning for a new county hospital at the next meeting of the board on Feb. 14.

Brose will recommend the construction of a 150-bed hospital because the 81 bed hospital is full all times with a long waiting list.

The new hospital is included in the county capital improvements program at a projected cost of \$1,500,000. This is based on 12,000 per bed for 125 beds.

The cost—benefit ratios are about the same, according to Prof. Harvey Reaser who completed the capital improvements program. The hospital is to be built on the county farm property south of Washtenaw between Manchester and Platt Roads.

The request to the Board of Supervisors will ask for funds for planning and designing the new hospital.

The study committee suggests that Brose investigate the possibilities of moving the merged welfare Bureau of Social Aid agency to the area of the hospital.

The possibility of this department assuming the responsibility for the bulk of neglected and abused children from the juvenile court was also discussed. This is being recommended by the De-

A CLEAN HOUSE WITH MODERN METHODS

Work saving rules can make any job easier—even house cleaning. A new publication, "A Clean House with Modern Methods," prepared by home management specialists of the Michigan State University Cooperative Extension Service, offers suggestions to help make your house cleaning easier.

Understanding the nature of the job is essential to help organize time.

Once a basic work plan is established there are several ways to lighten the load. All this information is available in a free publication at the Washtenaw County Extension Office at Room 116, County Building, Ann Arbor. Ask for "A Clean House With Modern Methods," Extension Bulletin 478.

Auto Theft Frequency
 NEW YORK—The chances of your car being stolen rose from 1 in 203 in 1948 to 1 in 153 in 1964, according to the Insurance Information Institute. There were 466,805 cars stolen last year, many of them by thieves who found the cars unlocked and keys in the ignition switch.

Fire Deaths by Age
 NEW YORK—The highest death rate by fire is among persons 65 years of age and older, according to the Insurance Information Institute.

BURIED TREASURE

Valuation of a hoelset in Bayard, Iowa, rose sharply when boys dug up bottles of \$20 gold pieces while building a play house. The land had once belonged to Miss Ella Beardley, a recluse, and \$17,000 had been found in her house after she died in 1958. No one had thought to dig around the yard.

VETERANS HOSPITAL OFFERS JOBS

The Board of USCS Examiners for the Veterans Administration Hospital, Ann Arbor has announced that applicants will be accepted from persons interested in employment for the following positions: Housekeeping aid (window and wall washer) WA-3, \$2.16 per hour.

This position is restricted by law to persons entitled to veteran preference. Applications for this

examination will be accepted from persons who are not entitled to veteran preference, but such persons will be considered for positions only when persons entitled to veteran preference are not available. To qualify, experience is required in washing of windows with the use of safety belts. Information and application forms may be obtained from the Executive Secretary, Board of USCS Examiners, VA Hospital, Ann Arbor, Michigan 48105, or at any post office in which this announcement is posted.

Because he is in poor physical condition, this man may be asking for a heart attack. The Michigan Heart Association, a Michigan United Fund agency, says that violent exertion by persons not used to it may lead to a heart attack. To get in good condition, says the Heart Association, exercise reasonably and regularly — then go skiing.

CARD OF THANKS

We want to express our sincere thanks to the Manchester Fire Department for their quick response to our call for help last week. It is hard to believe that these men do such an excellent job on a volunteer basis. Please accept our appreciation to everyone who has helped us to get on our feet again. Unless you have had an experience of this kind it would be almost impossible to imagine what it is like -- to have everything swept away. We certainly are

grateful to everyone who has helped in so many ways. The Joseph Ginter Family.

HOSPITAL NEWS

Robert Kirk is a patient at St. Joseph Mercy Hospital in Ann Arbor where he was taken last Friday evening.

Roy Kern has returned from Tecumseh Ferrick Hospital where he was hospitalized for nearly two weeks.

PUBLIC CARD PARTY SLATED

The Manchester MOMs club will sponsor a public card party at the Sharon Town hall at 1:30 p.m. February 2. There will be refreshments and prizes will be given. The profits from the party are used for work at the Veterans Hospital.

4-H HORSE BOARD MAKES MAJOR PLANS FOR 1966

The Washtenaw 4-H horse leaders, a group of 30 adults has elected their governing board for the coming year. Named to the board of directors were: Zina Bologos of Ann Arbor, chairman; Mrs. Pat Alder of Cehstoa, secretary; Bruce Avis of Ann Arbor, treasurer; Mrs. Barbara Miller of Saline, Awards chairman; and

Ronald McKenzie of Ypsilanti, Spring Roundup Chairman.

The Horse Board had developed plans for a trip to Lexington, Ky. June 22 through June 26. Approximately 25 high school age 4-H horse members and six leaders will be studying the 4-H horse project and horse industry in the blue grass area of Kentucky.

Clinton Fisk of Manchester, Allen Geer and Ben Conklin of Dexter were delegates to the Mich 4-H Horse Conference held at Camp Kett on January 20-21.

34th Year No. 5 Independent in all things. Devoted to County and Home News. February 3, 1966 10 Cents

SHEEP SHEARER OF THE YEAR

A Manchester man has been elected as "Sheep Shearer of the Year". Announcement that Robert Kirk has received the citation and plaque was made by Grayden Blank, Sheep Specialist from Michigan State University. Mr. Kirk was to have received the award at the annual Michigan State Sheep Shearers meeting at the home of Al Faulhaber in January. Illness prevented Mr. Kirk from attending the meeting at which time he was re-elected for a sixth time as president of the association.

Other officers are Al Faulhaber, vice president; and Lowell Roehm of Route 4, Ann Arbor, is secretary-treasurer.

Mr. Blank said that the Sheep Shearers Association was sorry that Mr. Kirk was unable to be present to receive the award "which he so richly deserved for his tireless efforts in promoting sheep shearing in Michigan. Bob was the State Sheep Shearing Champion in 1946. We had hoped that he might be well enough to accept the plaque and citation."

Since the annual meeting Mr. Kirk entered St. Joseph Mercy Hospital where he is gravely ill. Ed Warner of Sunbeam Corporation, Chicago, Livestock Specialist on sheep told the more than thirty sheepsman at the meeting something about the new methods of shearing in Spain and South America.

He told about the importance of the alpaca, a variety of llama with long soft silky wool and how some of the farmers are putting in their own generator plants and have electrical shearing equipment.

There seemed to be some concern at the meeting that young men are not being particularly interested in learning the art of sheep shearing.

M. LEACHES TO HOLD OPEN HOUSE

Mr. and Mrs. Maynard Leach will observe their 25th wedding anniversary Sunday, February 13th when they hold open house at the Iron Creek Community Church from 2 to 5 p.m. The party is being planned by their four children.

Mr. and Mrs. Laverne Leach and Mr. and Mrs. Roger Leach, both of Manchester and Janice and Kathy Leach at home.

The anniversary date of the couple is February 15.

Mrs. Rolland Grossman has returned from the National Volunteer Meeting for Education and Crusade of the American Cancer Society in St. Louis. Mr. and Mrs. Ray Bishop of Ann Arbor and Mrs. Rolland Grossman of Manchester, who represented the Washtenaw Unit, participated with William Gargan of Bob Considine, 1966 National Crusade Chairman of the Society.

More than 500 volunteers met January 13 and 14 in preparation for the Society's 1966 April fund-raising and educational Crusade. April is Cancer Control Month by Presidential proclamation.

Mr. Gregory Peck presided, and speakers included Dr. Charles Heidelberger, American Cancer Society Research Professor at the McArdle Memorial Laboratory for Cancer Research, University of Wisconsin;

FRANKLIN M. RECK LIBRARY PROPOSED BY SCHOOL BOARD

CARD PARTY PROFITS WILL BEAUTIFY STREETS

The Twentieth Century Club will undertake its first efforts to raise funds in the club's first "Village Beautifying Project" when members hold a card party at 8 p.m. Wednesday, Feb. 9 at St. Mary's Church hall. A couple of months ago the club asked the council if they objected to having hanging baskets on the utility poles along Main Street. The plans call for plastic flowers in these baskets in keeping with the four seasons.

Consumers Power officials were consulted and they endorsed the project saying that the hanging flower baskets will not interfere with their service. The committee Mrs. Tom Marshall, Mrs. Maynard Blossom and Mrs. Fred Leeman say that their big problem now "is money to finance the idea."

The first big drive for funds is the benefit card party to which they hope all card players in the community will respond. Mrs. Leeman says there will be refreshments and prizes for the winners in the various games.

MAMIE E. HOFFER DIES IN HARRISBURG, PA.

Mamie E. Hoffer age 66 years died suddenly Monday in a Harrisburg, Pa. hospital.

She was born June 8, 1899 in Grand Lodge, Michigan the daughter of William and Caroline Ludwig Hoffer.

She was a member of the Manchester Methodist Church. She is survived by several cousins.

Funeral services will be held Friday at 1:30 p.m. at the Jenter Funeral Home with the Rev. Oscar W. Cooper officiating, and burial will be in Oak Grove Cemetery.

The Manchester Board of Education, at a special meeting Monday night, proposed that the new high school library be named The Franklin M. Reck Library in honor of Mr. Reck who recently passed away. Reck, a writer known nationally and throughout the world, was president of the Manchester Board of Education when the present high school building was built in 1954.

Long recognized as a writer of children's books, Mr. Reck was also known as a contributor to major publications both here and abroad. In a resolution honoring Mr. Reck the Board indicated that an appropriate space will be set aside in the new library for the purpose of displaying Mr. Reck's collection of books, his portrait and an appropriate plaque.

The Board of Education also appointed a site committee to investigate possible sites for a new elementary school which will be needed in two years. Letters are being sent to people selected by the board to work on this important committee. When they have agreed to work on the site committee, the list of members will be made public. In creating this committee the Board believes that this kind of planning is necessary at an early date if a prudent and sound decision is to be made relative to future planning.

In other business the Board spent considerable time discussing the salary improvements for the certificated personnel. Under the new Michigan law, public school teachers can enter into professional negotiations with boards of education relative to wages, hours and working conditions. The local teacher's club is in the process of negotiating local issues with the Board of Education.

One of the major items of concern to both groups is the matter of all teachers being placed on schedule. Salary bases and yearly increments; have, through necessity and pressure from other districts, gone up each year faster than the district's ability to meet them. As a result of this action the teachers with the most tenure in the system have consistently been off schedule. In other words, they have never reached that point on the salary schedule which their years of experience would fully warrant.

The Board will consider some recommendations submitted at the Monday meeting and will arrive at a major decision at a later meeting.

The February Board meeting regularly held the second Monday of the month will be moved up one week and will be held February 7.

This is done to allow the superintendent of Schools and a board member to attend the National Association of School Administrators meeting in Atlantic City, New Jersey February 12 through the 16. Attending the convention this year will be Supt. of Schools Robert Swartz and Laurin Leeson, secretary of the board.

Superintendent Swartz reported on the progress of the building program. He indicated that the Municipal Finance Commission has received the district's application for bonding and is reviewing it at this time, and the State Department of Public Instruction has the application for bond qualification.

In other action, the architects have been reviewing the educational specifications with faculty members and are in the process of starting the working drawings. The architects will meet with the Board of Education at the next regular meeting to discuss building details.

Luther C. Klager, Board President, said that because of important matters confronting the Board relative to the building program and professional negotiations, the Board will be meeting in special sessions from now through June.

WARNING ISSUED ON DOG LICENSES

County Treasurer Sylvester Leonard urges all dog owners to buy 1966 licenses for their pets before long lines begin to form.

Leonard said if dog owners wait another two weeks, it will take them much longer to get licenses than if they buy them now.

If dog owners wait a month they will be paying a \$2 penalty for buying licenses late, Leonard pointed out.

He said that only 700 licenses have been sold through his office, compared with the 3,742 the office sold last year.

Until March 1 deadline licenses are \$3 for male and unsexed dogs and \$5 for females. After March 1 the cost of the licenses will be \$6 and \$8 respectively.

Up until the March 1 deadline licenses also can be obtained from all township treasurers.

Valid certificates of vaccination must be presented by dog owners.

BLUE AND GOLD BANQUET TO BE HELD FEBRUARY 15TH.

Every effort is being made to have Cub Scouts in uniform for the annual Blue and Gold Banquet which is scheduled for Tuesday, Feb. 15.

The Junior High School Library will be the place for cubs to bring in uniforms for sale.

Mrs. Maynard Blossom, librarian has consented to act as sales lady. She does ask that mothers mark the size and the price they want for these uniforms.

The Cub master is Jay Lantis. Committeemen working with him are Herbert Bersuder, Maynard Blossom, William Schwab and Chester Koczek.

At this time there are five dens of cubs involving some 50 boys. Plans are underway for about 150 to attend the banquet. One of the highlights will be the showing of slides on the National Boy Scout Jamboree by Ron McNally.
